29—Ladies Night Banquet at 6:30
Congratulations to Brothers Warren Frebel and Noble Schlatter for their recognition in Civic affairs and to Brother Berlen Diehm for his contribution towards the establishment of a Wildlife Museum.

Wishes for a return to complete health are extended to Brothers Roy Heath, Merritt Allen, Winford Strader, and Billy Nix.

The Lodge extends sincerest thoughts to the families of Brothers Arthur Dorsch, Robert Enoch and Wilbur Gidley who have left this Lodge on Earth.

Occasionally the Lodge is asked for the replacement of Blood on behalf of a Brother. Those who may be present Donors to the Blood Bank and those who desire to "aid and

assist" are asked to contact your WM at K-8637 so we will be able to fulfill these requests more promptly.

More words are spoken, more time is devoted, and more frowns created because of the payment of taxes than any other task man has ever conceived. The mind cannot comprehend the wonders to be wrought if all men were to make as frequent and strict an accounting of the value of their daily actions.

"It is not only what we do, but also what we do not do, for which we are accountable." — Moliere.

As we enter into this third month of the fifteenth year of Three Rivers Lodge, it pleases me greatly to welcome into our Masonic Fellowship our two newest brothers. Brothers Gordon Lowden and Roger Sargent who were raised to the Sublime Degree at our meeting on February 5th. Welcome brothers and continue your participation in the Lodge the work which you have so well commenced with your study of the lectures.

One of the outstanding events of our annual social calendar is coming on Saturday, March 16. This is our annual Smorgasbord and Square Dance when we will once again act as host to the Corinthian Club. You may purchase your tickets from any of the officers or from Henry at the cigar counter in the social room. We can promise you a wonderful meal and a very enjoyable evening of dancing to the music of Joe Taylor and his excellent group.

I wish to extend my appreciation to all members who participated with us in the Veterans Hospital Visitation program on the night of January 21. It was a wonderful turn out on such a bitterly cold night and the patients at the hospital were very appreciative of our company. Our next visit is on Monday evening, March 11 so let us all turn out and give our visitation chairman, Brother Ted Arthur, our greatest support.

port in this worthy program. Each one who attends feels just a little better as a result of it.

Brothers, if you will excuse my repetition on this point, may I once again urge you to attend the stated meetings and enjoy the programs planned for you by our Masonic Education Committee which is headed by our Past Master Delbert Dennis. This is an informative, educational, and entertaining part of your Masonic life and I feel that I can, without fear of contradiction, state that there is no better Educational Committee or program anywhere, so come to lodge and let our committee prove the truth of my statement.

The grace period for the payment of dues is rapidly drawing to a close and if you have, through an oversight, neglected to pay them please do so at once and get this matter attended to while it is still fresh in your mind. While Masonry teaches brotherly love, relief, and truth we must remember that relief is not without its cost so when paying our dues let us enclose, to the best of our ability to pay it, a donation to the Masonic Home at Franklin, Ind., where our older Brothers and Sisters spend their declining years in comfort and dignity.

The Brothers and their guests who attended the First Annual Blue Lodge Guest Night were well rewarded for their efforts on a cold windy night. The Shrine Masquers and The Little Pote Symphony furnished their usual fine entertainment and music liberally intermingled with their own inimitable brand of comedy. With Brother Rex Paxton as toastmaster, Brother Conrad Hahn delivered his very thought provoking address on the topic "The imperfect will pass away." After the address the Brothers and their guests returned to their homes with the remembrance of a fine evening of Masonic Fellowship, not the least of which was a wonderful dinner served in the Scottish Rite banquet room. It is my personal wish that this fine event can be continued on an annual basis.

way you can be certain of this, is to plan now to attend the future meetings. Brothers Brase, Fleck and Patton served a very fine dinner on our Master Mason night and we were happy to see forty-two members present.

We are always in search of ideas and ways to make your Lodge meetings more interesting. We are open for suggestions, so let us hear your view points.

Brother Brase has informed me that he can use some more help in the kitchen. Very little labor is involved when enough help is available, so please offer your services to Bro. Brase who is doing a wonderful Lodge service.

A fine example of what Masonry is and what it can do, was proven on Feb. 9, when the "Blue Lodge Guest Night" banquet was held at the Scottish Rite. An idea of one person W.M. of Home Lodge — Brother William Reinbold, was brought before a committee nearly a year ago. Through the efforts of every committee member, this night was a great success. During these times of fast living and a changing world, Bro. Reinbold has proven that Masonry is still a living symbol of what every Master Mason has been taught, and by the help of every Mason, we can make good men "Better" and in turn strengthen the world in which we live. I am proud to say, I was a member of this committee and sincerely hope this great event will become an annual affair with the Fort Wayne Blue Lodges.

Don't forget the big Square Dance on March 9. Make your plans now to attend. Our Junior Warden, Charles Scott, is working overtime on preparations for this event. Dinner will be served promptly at 6:30. Bob Taylor will be your Square Dance caller.

After our stated meeting on Feb. 11, we met in the kitchen and enjoyed coffee and doughnuts. As much as we advertised this night to be interesting to members and their ladies, we were a bit disappointed with the attendance. We heard some excellent talks on Masonry, which I am sure you would have enjoyed. Kenneth Rhodes, P.M. of Peru Lodge, and Special Deputy of our Grand Master gave an excellent talk on "What can you tell a prospective Candidate?" Herb Anderson, P.M. of Peru Lodge and a Member of the Grand Lodge Masonic Education Committee, gave a talk on "What can you tell your Wife?" Walt Wilhelm, P.M. of Peru Lodge spoke on "What does the Holy Bible mean to Freemasonry?" We also heard some fine comments from Robert Powell, present Master of Peru Lodge. These Brothers spend much time in preparation for these talks and I urge every Mason to attend meetings when such talks are presented. I hope that I am able to help carry on the work that these Brothers are doing for Masonry.

South Gate Lodge has been honored for the past five years as being 100 per cent contributors to the Masonic Home. Lets keep up the good Masonic record.

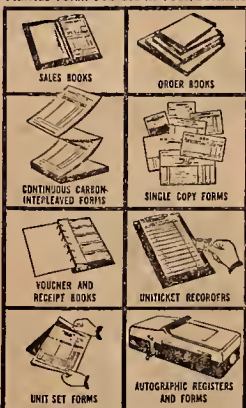

It has been said many times that America is the country of Clubs and Organizations. Brother Will Rogers describes it thus "When three men meet on a street corner, two begin looking for a gavel to call the meeting to order." Masonry, one of the oldest organizations in the world, with over five million members, has in its membership,

men who have forgotten its purpose and objectives. In short, lets say, we forget our responsibilities as individuals. Freemasonry needs organization. We need planning and willing workmen, to accomplish results effectively, harmoniously, all in support of what Freemasonry stands for in promoting Brotherhood of men. Every Master Mason is a part of the Fraternity and is obligated to share in the work to attain its objective. What you and I are today, and what we are willing to do today, will determine the future and destiny of Freemasonry. No Mason lives to himself alone. He is a very important person who makes his Blue Lodge a vital force for the good of all mankind. A Mason is a Man of Ideals. One of these is integrity, the practice of honesty. A man of integrity is a man of one loyalty, a loyalty to God, his fellowman and to himself. Conduct is another ideal. Masonry teaches us to develop and practice the highest degree of self-discipline. Temperance can be another ideal. Temperance teaches us to avoid being extremists, to the detriment of ourselves as well as others with whom we come in contact. A Master Mason is a man who is not ashamed of the truth, a divine attribute. A Master Mason is a man of Service. To what extent do we use our potentials, our possibilities to be of service to others. Our opportunities for Service are unlimited. Some are charitable and humanitarian, as we share our worldly goods with those less fortunate than we. Veterans Hospital visitation is another service. An individual Masonic service is when you give of yourself, your time and your talent. What better place to begin than in your own Blue Lodge. It also needs you, your time and your talent to carry on the work of this fine Fraternity. As Masons, we must always recognize our importance in carrying out our responsibility to God, our neighbor and ourselves, and we will become men of ideals and service — Yes, Men of God.

Lets keep lighting our Masonic lamps with our ideals and service, so that when we, like the Lamp Lighter, are no longer here, others can tell where we have been.

We have a lantern that lights our path
Through the trials and joys of life;
It helps to find within our hearts
Compassion for those in strife.

It helps us to lift our searching souls
To God's brighter light above;
It teaches us to humbly serve,
To give and share with love.

This light is not for us alone
To keep when we accept it
The beauty of the light we share
It that we can each reflect it.

"Our Motto this year has been "Faith Puts A Lantern In Your Hand." Your Officers have shared this light with you and have found that your trust and love of your Chapter have reflected this many times. Your support in all we have tried to do has been very heart-warming. This has been a busy year, filled with both joy and sadness; and the friends we have made as we visited other Chapters have added many pages to our book of memories.

To all the Committees — your light has certainly been an unfailing one, and the Chapter could not have functioned so well without you. Again I wish to thank the Chapter for the honor of being your Worthy Matron.

To Sister Pat and Brother Frank — I know the Chapter has chosen well and that you will guide us successfully through another year. May God's richest blessings be yours."

And now as we come to the end of the road.
That has meant so much to us.
And at the end of the road we shall find
The path of sweet memories we have sought.
All of these memories forever we'll keep.
Tied fast with the strings of our hearts.
Thanking you all for lighting our way,
By faithfully doing your part.

Brother Don and I shall ever be grateful for the honor Trinity Chapter bestowed upon us in giving us the opportunity to serve as Worthy Matron and Worthy Patron. We are much richer in experience and happier because of the privilege we have had to be of service to others. We have tried to give our best to the chapter and hope that we may be judged not by what we have done, but by what we have tried to do. What a privilege has come to us, that of having our officers share the joys of this year with us. Your thoughtfulness and many, many acts of kindness will ever be remembered. And to the members of Trinity Chapter, we wish to express our appreciation for your expression of good will, loyalty, love and cooperation, and your friendship through our years as an officer. May we just say Thank You and with these words, go a prayer; that the joys and pleasures you have scattered along our way be

reflected to you and richly bless your lives always.

To our chairmen and committee members throughout every phase of this year's activities, we have had many willing hands to complete the labor of love to all of you who have given so much we extend our sincerest appreciation.

To sister Doretha and Brother Richard, we wish for you the same loyalty, love and devotion that has been bestowed upon us. May your year be crowned with blessings, rich, abounding and eternal.

And, in closing, may we leave this thought with you—
God made the blossoms and the showers
God made the skies of blue
God made the trees, the grass, the flowers
And blessed them with the dew.
God made the stars that shine at night
God made the sunshine too
And then to make the world worthwhile
God made fine folks like you.

As you walk thru daily highways
And with humans traveling there,
Do not add one jot or title
To their heavy load of care.
Lift a little from their burden
You can do it if you try
And leave the people laughing
When you come to say good-bye.

Sisters and Brothers, how fast time flies! Another year is almost gone. This has been the best year of my life. It has been filled with so many worth-while things and I have made many new friends. Thanks to all the members of my Chapter for letting me serve you this year.

Our hearts are sad, because of the serious illness of our Worthy Patron, Guy Blair. We pray, he will be well again very soon.

We know you will support next year's Officers, just as you have us this year.

May God's rich Blessings be showered upon you always.

Your Worthy Matron —
Edna P. Senger.

March 12 will be Advanced Officers' Night at Star of the East Chapter and March 26 is the meeting set aside for Committee Reports and Farewells.

Installation of Officers will be held March 29th, at 7:30 p.m., in Comm. Room of Masonic Temple. Sister Sonoma Woodruff, Past Grand Matron, will be the installing officer. Practice for installation will be March 27.

A party "Rhapsody in Blue," given by Star of the East's committee members to honor our Worthy Matron — Edna Senger and our Worthy Patron — Guy Blair was held Thursday evening, January 31, at Masonic Temple dining room. Sister Edna was indeed thrilled with all the preparations and efforts made in her behalf — she simply beamed with joy.

Everyone missed Brother Guy, who was unable to attend because of his illness. It was his wish that everyone have a real good time at the party, and it appears that everyone did just that.

The Dec. Comm. had done a beautiful job of decorating with Edna's colors, blue and silver with white. The blue and white striped backdrop was lovely, as was the new speaker's table skirt, a birthday gift to chapter by the Allah Signet Club. Each person attending was given a favor — a star plaque, molded by Virginia Reichelderfer and painted by Herb & Kathryn Fuhrman. The delicious dinner was very nicely served by the Estrellita girls.

Sister Edna was presented

many nice gifts and greetings by the officers of the various committee and clubs.

Edna's appointed officers presented a clever portrayal of life at a Blue Lake campsite. "Edna" was busy raking leaves and "Cy" was getting his camera when the skit opened. "Leonard" presented Edna with lots and lots of flowers — the white roses, tied with a blue ribbon, were very lovely.

Our Assoc. Matron, Kathryn Fuhrman, had done a grand job in guiding the plans for a very nice evening enjoyed by all, especially Edna.

Be not annoyed by anxious fear

As you approach another year;

Content only when you attain success

By spreading fraternal friendliness.

Our Order stands for Truth and Charity,

Thus, may our thoughts forever be;

We greet you with smiles and open arms,

And you answer us with all your charms.

Let's try to attend all meetings next year,

Sustaining our Officers with zest and cheer;

Promoting good fellowship is always fine

When you stand erect and hold the line.

The Officers will hold their next meeting with H.L. Geraldine and Sir Knight Oliver Boldt on March 4th. Final plans for their Officers party will be made and the place and time will be announced.

The Ways and Means are planning a card party for sometime in March, watch for announcements in the papers or listen for a call on the phone.

On March 13th we will have our reports and election of Officers for 1963 and 64. Please plan to attend this meeting. We are hoping for a good representation from Truth Court to attend our Grand Court in Indianapolis the first week in May.

A few of our members are sick with the flu and H.L. Esther Brothers is some better at this time. We hope a speedy recovery for all who are ill.

Where the four-leaved clovers grow.

Hi Folks — In spite of the weather — 'tis a lovely time of the year. And now as we plan, prepare and look forward to our Valentine's Dance of Saturday February 16th — it sort of brings back memories of Valentine's Days of long ago — and reminiscing is fun too, isn't it? Well, more about our dance in our next column.

Our Business Meeting of January 15th really makes us proud and gives us something to brag about. Our new officers were there, all of them. Each had her part memorized perfectly too. This meeting was really quite special. All of our officers had donned pretty party formal and this does enhance any affair you know. At the close of the Business Meeting, we had a brief program under the direction of Mrs. William Wood. It was sort of a detailed Question and Answer Program on our Annual Service Project. The Eye Foundation project. Mark your calendar with a Big Red Circle around the date, Monday, April 29th. That is our Annual Card Party, at which the Bazaar Table is especially designated to raise money for the Eye Foundation).

Our Meeting on February 5th was also a Business Meeting but we had a Valentine Program afterwards with Mrs. Harry Haller in charge. We are right proud of the crowd that night too — 30 people that the bad weather did not discourage. This evening was highlighted by having Mr. James Whitehurst, President of the Commandery Drill Team, and his crew furnish the refreshments, at the close of our program. We do enjoy having the men do this and they do it so splendidly.

More about our March 5th Program next time too. This will be a super one I'm sure. It is the Commandery Pro-

gram. Mrs. Albert Wood and her Committee will cook the delicacy for that evening.

This report should be in time to help remind that on March 19th we have Initiation. This will be new team's first chance to perform. Let's make it a memorable evening and tribute to them by all of us there!

And last of the list of evening events but not least The Evening of Sewing, time is 8 p.m., the date March 25th, at the home Mrs. Earl Lyman, 1306 Pettit. I am sure that if need a ride, we can get that for you. Just call Worthy President, George Adams — H-48561.

We are happy to report fewer illnesses this time we do wish for the ones who are here a speedy recovery return to good health. Walter Hayes is still in the view Hospital. Mrs. Edgar Gardt is convalescing at home. Mr. Harry Haller has been ill along with the daughter of Betty Smith, Marge Ter and Evelyn Gardt. We wish a speedy recovery to our Editor, Mr. Winston.

Happy to report from Stork — grandsons of Dean Todd and Thelma Egan and granddaughters Helen Brecount and Eugene Wood.

A pessimist greatly fears his fears and won't be realized.

Time stands still for no one. The Time is NOW. For our Council Member to talk about joining the York Rite is like a blue lodge friend. True, our festival convocation dates are not until April, but don't wait. Start describing now, the benefits each new member is awarded with as they receive their Light thru YORK RITE.

The renowned Syrian symbolist poet & painter, who resided in the United States from about 1910 once said "You give little when you give of your possessions, it is when you give of yourself that you truly give." The York Rite bodies truly need more than ever those who will give of themselves.
On Monday evening, January 28, the Fort Wayne Chapter entertained the members of Southgate and Sol D. Rayless lodges after their regular meetings. Cherry pie and ice cream was enjoyed by about 40 brothers after which Companion Harold Martin spoke on York Rite Masonry. These informative meetings are planned by our membership committee under the chairmanship of Myron Johnson.
The officers and several companions attended the School of Instruction held at Huntington on January 30 under the direction of our Past Lecturer, Lloyd Young. Most Excellent Master Degree was exemplified in form with a full cast. I am sure that very few of the more than 100 in attendance

had ever witnessed the work so completely and beautifully performed.

Plans are going forward for the York Rite Festival Day to be held on April 20. Remember that Thursday, April 18, the date of our stated meeting, will be the last time we can receive petitions and elect prior to the Festival. You are strongly urged to speak again to that Brother who has shown interest in the Rite and secure his petition.

We have learned of illness in the families of Companion Bernard Smith and Albert Unger and sincerely pray for them and their loved ones.

Companion Art Gardt lost the use of his voice and must be careful in trying to speak for some time. We missed him at the School of Instruction and wish to thank Companion Smith for replacing Art in the cast.

Don't forget to bring a brother Mason to our dinner preceding the stated meeting. Beef and noodles will be on the menu for March.

The Sir Knights and Ladies who did not attend the annual "Sweetheart Ball" missed one of the finest Buffet dinners and dance ever presented by the Drill Corp. and Band.

At this time I want to thank each and every one of the men and their wives who worked the many hours to make the dance a success.

The spring "All Degree Days" are as follows: Fort Wayne Chapter No. 19, Saturday, April 20th., Fort Wayne Council No. 4, Thursday, Apr. 25th., Fort Wayne Commandery No. 4, Saturday, April 27th. The most important date is April 18th. This is the last stated meeting to get your petitions in to be received and elected for the spring Convocation. We have some petitions in now and with the ones reported on the way, this should be one of the largest classes in several years.

We need S.K. to help with the stage and properties for our orders. If you will help please call E-5751, or come to the meetings. There is always a place for a helping hand.

Plans are being completed for the Easter Morning Services under the direction of the Prelate Schuble Boggs. The date is April 14th. The place: Scottish Rite Auditorium, Time: 7:00 a.m. sharp. There will be a Ham & Egg breakfast following in the dining room after the service. Further details will appear in the next issue.

I know it is very early but we would like to remind you that we will be sending more boys to Camp Croseley this coming summer for a week. S.K. Harold Martin is in charge or arrangements. Any donations to the cause is very much appreciated. If we send

5 boys the 6th boy can go free. For the past three years one very nice person has sent two boys in memory of her brother. For further information you can contact S.K. Martin or your Commander.

The Drill Corp. will start drilling for the State Conclave competition on Tuesday nights. S.K. Harry Haller informed me that he has received the drill schedule. Let's all come to practice.

How long has it been since you attended your stated meeting? We miss you. See you March 21st at 6:15 p.m. at one of S.K. Ivan Planck's fine meals before the stated meeting.

It is a problem to know who is on the sick list. When you know of someone who is ill, report it to your chairman of the sick committee S.K. Roger Shafer or your Commander. He will make his report at each stated meeting. We wish all those who are ill a speedy recovery.

On Saturday, February 9, 1963 we conferred the Royal Arch Degree on the following men: Eugene A. Bock, James W. Jackson, Walter J. Johnston, Billy Lewis, Robert J. Stone, Richard C. Todd and Edward Warsaw. We were fortunate in having Most Excellent Grand High Priest, Vaughn L. Townsend, of the Grand Chapter, of Indiana, visit us on that occasion. It was good to see members of long standing not only on the sidelines, but also participate in the work: Frank Hickman, Edgar Seutman, and Past High Priests, Walter Pohler and Herbert Willis. We have another candidate, so there will be degree work during the month of March. Why not make plans to be with us. We will be glad to see you again.

The Chapter wishes to welcome Lester Yarman who recently became a member of our Chapter.

Brethren:

As the year progresses, we are planning some special events, striving to create more interest in lodge activities. We appreciate the attendance of our Past Masters and their support at the meetings.

We have an Entered Apprentice Degree coming up this month, and we hope you brethren will make a special effort to come and enjoy the fellowship.

activities, there have been several petitions received for degree work and several presented for consideration. It appears that we will be busy every Wednesday night from now through April.

At the officers' dinner meeting on January 30 there were plans made for a Father and Son Banquet in April, a Founders' Day Dinner at the stated meeting in June, a Ladies' Night Halloween party in October and a dinner on the stated meeting night in December. Brother John Summey, our Junior Warden, will be contacting the brothers as these events draw near.

To keep the brothers better informed of our scheduled meetings there will be cards printed and mailed prior to each function.

We are glad to report that Brother Ray Giradot is progressing very nicely. It was also a pleasure to have Brother Lloyd Beard able to drop in and visit us at lodge the other night.

his kitchen chairman, Brother Clarence Brown completed a most pleasant evening by serving chicken salad sandwiches and coffee.

The question of a new temple was discussed by each individual member at the last meeting and the issue is to be decided at the stated meeting, March 7, 1963. You have received a letter and questionnaire in January on this subject, so please answer them and return your answer at once to the secretary, Brother Alvin Tharp. This kind of a question should never be decided by a few but by the vast majority.

There were only six empty chairs at the last meeting. Let us fill them and carry in a double row of chairs for the March meeting.

On Feb. 13th, Huntertown Chapter No. 388 O. E. S. had their election of officers. I would like to congratulate the newly elected officers. To the Worthy Matron, Wanda Dickes and Worthy Patron, Lowell Dickes, congratulations and I know you will have a most rewarding year, one you will remember always.

Let us live our lives and be inspired by the words of that Great American, Abraham Lincoln, "Love Your Enemies"

This expresses my idea of democracy. Whatever differs from this, to the extent of the difference, is no democracy."

See you next stated meeting?

We have stated meetings on the 13th and 27th of March. Anyone who wishes to take part in either rifle club or the Representative DeMolay Award should be present at these meetings.

Special thanks to all of the boys who served at the Daughters Banquet. Every one did a wonderful job and far as I know there were no accidents.

Congratulations to our ketchball team for the commendable job that they did representing us in the DeMolay tourney. They have very tough game to the sonville Chapter in the afternoon game. Jeffersonville went on to capture evening contest and the crown for the second straight year. The team has not banded yet and is still playing a few games. We have enough spirit will be shown next year so that we will take the crown!

Our DeMolay Church Sunday falls on the 17th of March this year. As is the custom the service is held at the church of the Master Councilor. The service will be 9:15 a.m. service at Plymouth Congregational Church at corner of Berry and Fairview. Reverend Lawrence Fairview will give the sermon. I hope that all DeMolays will attend and give the chapter a representation. All DeMolays that are members of the church should call me at 5507 and let me know so your name can be put in Church Bulletin.

Now I would like to extend my personal thanks and congratulations to all of the officers for the wonderful that they did on our first initiation last month. Mr. T. said it was one of the jobs that he had ever seen such good attendance at officers practices.

On the 26th of Feb. we had a film that was made especially for DeMolay that told us to get petitions and all the order. We hope that it will be enough inspiration to get in those needed petitions. We have several boys who might get in enough petitions to win the prize of a trip to Washington, D. C. In the middle of February, Truit and Dad Herrick had the trip that Denny had by bringing in 32 petitions last term. We hope that we will have this year's co-winner in our chapter, that is no reason to let any one person to take up slack of the rest of the members in getting in petitions. We hope that everyone least makes an effort to get one of their friends to get DeMolay. Ask all of your friends, because if they are worthy of being your friends they are probably worthy of becoming members of DeMolay.

Don't forget to call Steve Poiry now, because there is not much time left before the dance.

Our February 20th meeting was our Past Honored Queens', Past Guardians' and Associate Guardians' Night. During this meeting we honored all of our past officers who were present. Immediately following the meeting there was a reception on the mezzanine honoring these past officers. I would like to thank all of those who were able to attend that meeting. Carole Weesner was in charge of the entertainment and I would

like to thank her for her good work.

Our March 6th meeting was our Protom Night. The problems did a great job and I was proud of them. Our Chili Supper was that same evening from 5:00 until 8:00 p.m. Thanks to the Mother's Club, the Council and all of the Jobbies who gave so willingly of their time to make our Chili Supper a success.

Many of the Job's Daughters are helping other organizations out in any way they can, besides keeping quite active with our regular meetings. Some Jobbies have put on plays for entertainment for one of the Fort Wayne Chapters, and nine girls served at the Commandery's Sweetheart Ball. THE LODGE MEETING

When you attend your Lodge meeting, what do you see?

Of course you see the officers in their respective stations, the brothers assembled, the furniture of the Lodge, and many other familiar things which constitute a Masonic Lodge.

But what else beyond that which meets the eye do you see

Do you vision the thousands and thousands of Masons throughout the world who are meeting together, working together, praying together, and striving to perpetuate the principles of Freemasonry, just as you and the brothers of your Lodge are doing?

With you there are Masons throughout the world who understand Masonry as a serious undertaking, who see in the Lodge more than is visible, and who are giving freely of their time and thought to further the ideals of Brotherly Love, Morality and Relief.

Do you not see, too, the Masons of the past who sacrificed all, who defied the threats of haughty rulers in order that the principles of Freemasonry might live in the hearts of men?

Do you see the ever onward march of men united to those in need, and determined to make the Brotherhood of Man the true counterpart of the Fatherhood of God?

THE AMERICAN WAY

"You cannot bring about prosperity by discouraging thrift. You cannot help the wage earner by pulling down the wage payer. You cannot further the brotherhood of man by encouraging class hatred. You cannot help the poor by discouraging the rich. You cannot establish sound security on borrowed money. You cannot keep out of trouble by spending more than you earn. You cannot build character and courage by taking away man's initiative and independence. You cannot help men permanently by doing for them what they could and should do for themselves."

—Abraham Lincoln

PLAN OF MASONRY

We marvel at the wisdom of those who designed "The Plan of Masonry," a system of morality which has influenced man, and all free societies, through out the ages. Other organizations have come into being with great promise, but have lost their effectiveness as they adopted innovations which destroyed the vitalizing force of their original objectives and purposes. Why then has Masonry stood the test of time? Why does it grow stronger and stronger—in its influence? What is the force that has moved it through the centuries? Why can it point to the greatest and best men of all the ages as encouragers and promoters of the art?

The basic reason is that Masonry is built upon the strong foundation of a belief by the individual Mason in Deity, and upon his acceptance of the Great Light of Masonry as an unerring guide. But there is also another very significant reason. Masonry places the responsibility for one's mental and moral growth directly upon the individual. In every declaration made by the candidate there is expressed his personal responsibility. Masonry recognizes the truth that character is not available in wholesale quantities. It must be the result of personal efforts. The institution of Freemasonry does not obscure the individual. The institution is illuminated by the individual who strives to live by its tenets and teachings.

LIFE'S FAILURES

The real failures in life are those who never attempt anything — not those whose ventures are unsuccessful. Spiritless as vegetables, their lives add up to zero. They do nothing at all to advance human progress.

Mankind's experience is furthered as much through a knowledge of what will not work as it is of what will. A man who tackles a project—without success—contributes his mistakes to the sum of human wisdom. He succeeds when he fails, even as others do when they accomplish what they set out to accomplish.

It is the person who rests in his rut that is the true failure. He produces neither solutions nor errors. He contributes nothing for the guidance of those who come after him. You never hear of him. Why should you?

When we build, let us think that we build forever. Let it not be for present delight or for present use alone. Let it be such work as our descendants will thank us for, and let us think, as we lay stone on stone, that a time will come when these stones will be held sacred because our hands have fashioned them, and that men will say as they look upon the labor and wrought substance of them: "See, this

Brothers by the time this article reaches you, we will have four new members in the lodge. Brothers John Behrens, Robert Albright, Ivan Lebamoff and Floyd Rush, Jr. We wish to congratulate these brethren on being raised to the sublime degree of Master Mason.

We will have a class in April too and will need help from the brethren.

We wish to extend our deep sympathy to the family and relatives of Brother C. Morris Ross who was called to his reward last month.

There is really no Scriptural authority for the observance of Lent: it has become a strong tradition in the Church and is associated with two experiences in the Life of our Lord, which has given rise to this observance. It commemorates the Master's wilderness experience when for 40 days he struggled with Temptation, and the other was the period of final testing just before Calvary. In each instance he achieved victory and strength and was renewed in mind and holy purpose. Lent has come to mean time of reawakening and renewal.

Fasting has come to be a part of Lent. Fasting was practiced in the ancient Church as early as the year 130, but not until some time in the fourth century was it extended to include 40 days. If the Discipline of fasting brings us close to our Lord, it is good. If, however, we make a mere fetish of self-denial, our effort is of little value. There is no enduring gain in giving up something; sweets, tobacco, coffee or a favorite pastime for this season, then reverting to type after the high experiences of Easter. These days are a call to the discipline of genuine discipleship whereby, in season or out, we will be using every means of grace toward improving our stewardship of God's good gifts.

There is no doubt that each of us has a standard for himself, higher than his achievement. Lent is a time profitably used for self examination; taking an honest look at ourselves and our daily routine; the use of—some of our time—some of our means—some of our talent for our Creator and the Giver of every Good gift.

So may each of us come to Easter with more than casual preparation for this great day in Christendom.

Brethren:

Reserve the evening of Friday, April 26, 1963, for our spring Ladies' Night Dinner. This dinner will be held at "Lighted Acres," located on Highway 1, eight miles south of Waynedale. This is a very nice banquet hall and has ample parking space available. Also, they serve a very good dinner. You will be contacted at a later date about tickets.

We have been dark during the month of March, but we will have work again in April.

By this time I hope that all of you have received the Membership Directory. This Directory was printed through the efforts of Brother Donald Barnett. At this time I would like to extend a great vote of thanks to Brother Don for his time and effort in preparing this.

Again Brethren, I am going to comment about a Fellowship Club. A club would be a tremendous asset to our lodge and a great help to your officers. If anyone is interested in working with a Craft team, please contact either Bill Herman, Vern Foulks, or myself.

It has been a long hard winter and now people are beginning to move around a little more. I hope that the warming of the weather will bring more members out to Lodge.

If anyone hears of any sickness in the Lodge, please contact either John Conahan at S-2213 or your Master at S-4309.

April has all the indications of being a busy month in our Lodge. We should have degree work on April 9th, 16th, and 23rd. On April 30th we are having our annual banquet in honor of the Past Masters, Ladies invited and at which time Brother Carl Suedhoff and Brother Clarence A. Wells will receive the fifty year award of Gold presentation by Brother Orvis A. Dellinger. Please note, Past Masters night is an event for you and your lady. Please call J. W. James Peters at H-8870 or E-6289 to make reservations. This is the only way we will know how many to plan for.

Grand Masters Jack F. Hewson is asking all lodges to celebrate the ancient tradition of St. John's Day's by attending a church worship in a body and as a Lodge on Sunday, June 23rd. We have received an invitation, from Brother Rev. William J. Ratz, to attend North Highlands Presbyterian Church for this service. Please, keep this in mind and try to attend.

On March 7, 1963, we held a meeting of the Blue Lodge Guest Night Committees. The following members were elected to serve for our 1964 Guest Night: Forrest Fennell, Chairman; James Peters, Secretary; Leroy Roberts, Speaker Committee; Bennett Noel, Banquet Committee; James Timmons, Entertainment Committee; and William Hanes, Ticket Committee. Let's all get behind these men for a successful Guest Night in '64'.

In February we payed our last respects to Brother Arthur Knox who died February 15, at St. Petersburg, Fla. To his family we convey our deepest sympathy.

family and friends of our brothers Alfred C. Hoffman and Frank A. Emrick. Brother Hoffman passed away the last of January and was the lodge's Tyler for many years. Brother Emrick passed away the first of March and was a 30 year member. Wayne Lodge will miss these two brothers.

At this writing brother George Grunewald has been hospitalized and getting along at home. Brother Lloyd Pinkerton also was operated on at the Parkview Hospital and at this writing could not receive visitors but is recovering nicely. Also at Parkview is Ernie Kuppeler recovering from a broken leg that he received in an accident at work. There were many brothers and their families stricken with the flu this past month. Hoping all will be on the mend by the time you receive this article.

The cooperation of the Brothers who work so ardently for the Lodge has made the varied duties of the Officers more enjoyable and gratifying. These Brothers assure the success of our efforts. The fact that they labor for Masonry and not for money, testifies to the appeal our Institution possesses.

April will be another eventful month with several petitions being received and with several unique activities. Attendance has been most rewarding and you are urged to be present.

Summit City Lodge has been honored with an invitation to host the regional meeting of the Grand Lodge Committee on Masonic Education.

The meeting will take place on Saturday, April 20th and the Officers of Lodges in Northeastern Indiana will be in attendance. This Committee is under the supervision of Past Grand Masters who are devoting their energies to keeping this Fraternity foremost in the world.

Plans are being completed for a visitation to Decatur

Lodge during April. An enjoyable evening, displaying the universality of Masonry, is anticipated. This will be the second journey this year for the Fellowship Club, PM Abner Wolverton and the Club Officers are to be commended for their excellent work and the enthusiasm they have created.

19th — FC open at 7:00.
26th — MM dinner at 6:30.
The Lodge sends its sincerest hopes for complete recovery to Edward Collins, Oscar Groves, Harry Adams, and Wilbur Lee.

Our consoling thoughts are extended to the families of Brothers Jesse W. Robbins and Frank E. Schuh.

There would appear to be a paradox in Masonry — in as much as the Masonic Tenets are taught behind tyled doors and yet they are meant to be practiced before the eyes of all mankind. A Mason is obligated to keep these Tenets constantly before him — for a Mason is just another man until he exercises Brotherly Love, Relief, and Truth.

This community is favored with many Masons, who though they cannot participate in the ritualistic presentation of these Tenets, do present them unobscured before our fellowman. These are the Men who bring the Fraternity honor and give us pride when we say "He is a Mason. He is my Brother."

The Month of April promises to be a very active month for our Lodge. At the March stated meeting we received 3 new petitions for the degrees of Masonry, and also have a holdover in Brother Robert Bartusch an Entered Apprentice whom we hope to pick up on the Fellow Craft degree April 15th. The following Monday, April 22 at 6:30 p.m., we plan to

have a dinner in the kitchen of the Masonic Temple, this being our Master Mason degree.

This month also brings to us Easter, the climax of the Lenten season and the remembrance of the Resurrection, which should cause us all to pause longer for a more serious reflection as to the meaning of this Most Holy Sunday. Another Easter a long time ago the Beloved Teacher became the Proved Saviour of the world. Thousands of people have suffered, bled and died, but only the Son of Man has conquered death and arose from the grave. May our faith stir us to a new vigor for the Easter Season of 1963 comes upon us all.

We have lost 2 more members by death, Brother James W. White and Brother John L. Thiesen. Our heart felt sympathy goes out to the families of our departed Brothers. This makes 11 members Sol D. Bayless has lost by death since Christmas, and you can readily see the scythe of time continues to cut heavily into our membership. Our sincere thanks goes out to the 30 some Brothers that attended the funeral services for Brother John L. Thiesen, which was given so capably by the P.M. Brother William I. Butz. We would also like to express our appreciation to the 17 Brothers that attended the February 18th Veterans Hospital Visitation. P.M. Harold C. Whonsetler and Ed Van Horn head up this committee and they are doing an excellent job as the leaders in this good work. Our next visitation at the Veterans Hospital will be Monday, April 8th at 7:30 p.m. We would urge that all of you that can, to be sure and go out on our next night of visitation, and join in this good cause to help those that are less fortunate than we.

Remember Saturday, May 4th, 6:30 p.m. This is the day we have set aside to honor our ladies, at Sol D. Bayless's First Ladies Night.

Plans are now being made to make this an enjoyable evening and one that will be long remembered. Delicious food will be served and excellent entertainment is being selected. All of this will be for the price of just \$1.00 per person, so Ladies, see to it that your husband gets his tickets, and brings you to our first "Ladies Night." Tickets may be obtained from any officer of Sol D. Bayless Lodge or from Henry at the cigar stand. For reservations call: J.W. Harold W. Houser H-03075; S.W. James I. Tim-

To all in the northern hemisphere, April means Spring and I think we will all agree that Spring this year will be more appreciated than it has been in years because it will signal the end of a bitter, old fashioned winter which I, for one, will leave with no regrets. April also brings Easter to us. This is one of the great religious events of the year and as Religion is so closely interwoven with Masonry it behooves each of us to attend the church of his faith and observe the Easter season as well as to live Masonic teaching and practice Brotherhood, Relief, and Truth.

Our Masonic visitation at the Veterans Hospital was cancelled for the month of March due to the visitors quarantine due to the flu epidemic. We missed our usual fellowship with the patients but our Chairman, Brother Ted Arthur, will keep us posted on these events. Let us all help him whenever possible.

Our annual Smorgasbord and dance took place on Mar. 16th and I am sure was enjoyed by all who attended. The meal, prepared under the supervision of Mrs. Franklin, was wonderful and the dance music, furnished by Joe Taylor and his fine group, was of the usual excellent quality. If you missed this fine event you missed one of the high social points of your Lodge social year so why not make your plans now to attend next year as this is an annual event in the life of your Lodge.

It is with great pleasure that we welcome into our Masonic Fellowship our newest Brother, Charles David Dow, who was raised to the Sublime Degree on March 5th. Brother Dave, you made a fine candidate and I hope you will be able to continue your work in Lodge and reap the benefits of Masonry.

Brothers, remember to attend your stated meeting on April 9th. This is when the business of your Lodge is con-

ducted and you should have a hand in it. A membership majority should conduct and approve this business, not just a few. Remember, if you were not there to voice your views on these business matters you can have no complaint if the resulting actions do not suit you. We have a petition to vote on at the Stated meeting and the result being favorable we will have degree work on the succeeding Tuesdays for the month of April. Make your plans now and see us in Lodge.

It is our pleasure to welcome to South Gate our newly raised Master Masons, Brothers Hawk, Stewart and Schoen. We hope to see these Brothers in Lodge as often as their busy schedules will permit.

Our Smorgasbord and Square Dance for 1963 is now past history. We had a very good meal and everyone enjoyed dancing.

May 6 is the next important date to remember on your Social Calendar. This night is in honor of our Past Masters and we urge all Past Masters and members to attend. We are changing the usual pattern of entertainment for this occasion and I feel certain you won't want to miss it. We are keeping the entertainment portion of the program as a complete surprise to everyone, including ourselves.

At the time of this writing, illness has struck many of the officers and members of our Lodge. Brother Howard LeClaire is a patient at Vets Hospital and Brother Charles Stimson is a patient in Parkview. To all our sick Brothers we wish a speedy recovery. Please report all sickness and distress to one of your Lodge officers.

Did you attend the Shrine Band Concert on March 10? If you did, you may have noticed some familiar faces from South Gate Lodge. It appears that South Gate holds somewhat of an edge as having the largest representation of band members from any one Lodge. We have the following Brothers in the Shrine Band: Samuel B. Gregory Jr., Dale E. Stedman, Dean C. Howard, Harry Plymale, John D. Martindale, Ivan R. Dahlgren, Eugene A. Barrett, Carey L. Baker, Bill W. Baker,

Emory W. Bryan, Franklin A. Bryan and Franklin I. Bryan. I had no idea South Gate had so many musicians. Perhaps one of these Brothers can help us out with some piano or organ music on certain degree work.

Your officers are very proud of the fact that we are kept busy with degree work every Monday night and Petitions are still coming in. For those of you who sign a petition, I urge that you make every effort to be present for the degree work and give your candidate all the help and support he so rightfully deserves.

You have all heard this message many times when you were present for degree work, "Answer and obey all summons sent me." How well this could apply to a very disturbing event which was mentioned to me by our Secretary recently, in regards to investigations on new petitions. Fifteen questionnaires were mailed out and six were returned uncompleted. This means a remailing to six more members. The Secretary sends the questionnaires the week of our stated meeting which allows the Brother four weeks for his investigation. We have 340 members living in or near Fort Wayne. Our Secretary does not send them to older members who would have difficulty seeing all the references. Let's assume we have 225 eligible members for conducting investigations. If we had fifteen petitions per year, we must conduct forty-five investigations. If each eligible member would make one investigation when asked, he would have only one every five years. This is not asking a great deal from anyone, so let's make every Masonic effort to help out in this very important phase of Masonry. An investigation is a very serious part of our Fraternity and cannot be too thorough.

"Are you a Master Mason?" Every member has answered this challenge affirmatively. What these words have meant to every individual Brother is anybody's guess. Unfortunately, too many members have never gone beyond that definition. They know they took three degrees, the last being the Master Mason. The lapse of time, however, tends to erase the impressions he received during degrees. The non-attender comes to think of a Master Mason merely as a member of a club or society. A Master Mason must demonstrate in his own life the qualities and experiences which alone can make him a Master of the Builders of Brotherhood. He must have an attitude of helpful interest to every member of the whole family of mankind. Masonry today needs men of three important characteristics; Vision, Enthusiasm and Endurance. A man of Vision can see the need of the hour and can help us plan for the future. His vision can lead him to see what might be and what ought to be. We cannot call him a "dreamer." The Great Light of Masonry says "Where there is no vision the people perish." Nothing great is ever accomplished without enthusiasm. Without enthusiasm little could be accomplished in sports, business, politics, religion, our Fraternity or anything else. It alone can be the difference between victory and defeat. The only time we see enthusiasm in some Lodges is at a special banquet or special Lodge program. This is true during degree work when we have

small attendance. Loss of members for non-payment of dues, all of these could be lack of enthusiasm. One enthusiastic member can inspire a whole Lodge and put new life in it. The man of endurance is the one who possesses the determination to see a thing through to the end. Too often we are ready to criticize a man or Brother who has these qualifications, whether it be in Lodge or on a Committee. If those who criticize had just one of the qualifications, he would certainly be able to display Brotherly Love rather than discard all of what Masonry teaches. You could be a member with these qualifications.

For those of you who have not paid your dues, we urge that you do so immediately. This is one of the finest places to begin showing Enthusiasm for your Lodge.

See you Monday nights. Watch your news paper for dates and time. If you have no transportation to and from Lodge, please call, we will find some for you.

Hi, Jobbies!
Hi, Jobbies!

March 20th was our Royalty Night. During this meeting we honored all of the visiting Bethel members who were present. The three top line officers from five surrounding Bethels Marion, Huntington, Auburn, Columbia City, and Hometown, did all of the work, with the Honored Queens in the Messengers' stations and the Junior and Senior Princesses working together in the remaining stations. However, we used our own top three line officers and musician. The purpose of Royalty Night is to invite the members of surrounding Bethels in order to renew the friendships we made at Grand Council and to make new friends. It is a wonderful way for the Bethels to get together and exchange ideas. Carole Weesner was in charge of the entertainment and I would like to thank her for a fine job.

A short message from our W.H.P. Erma and W. of S. Alton:

We would like to thank the Sojourners and express our appreciation for the many courtesies shown us this year. We have enjoyed being in the East and working even though there were times things did not go the way we planned them. We have had a fine corps of officers and we are grateful for the cooperation given us.

We shall ever cherish the fine memories of this year and say thank you one and all.

"Yes, God did give to us, a beautiful year
And we struggled to live our best,

To toil and gladden and serve and pray,
Till the evening brought us rest.

Into it we put our all, for we played honest parts
And we come to the quiet even-fall, with strangely happy hearts."

"Thank you" is short, but we mean it sincerely, to all you good and faithful members to the officers and to the Past Officers."

On June 22, 1963 the officers of the Grand Chapter Royal Arch Masons of the State of Indiana with Vaughn L. Townsend Grand High Priest presiding will present the Royal Arch Degree at Thomas R. Marshall Chapter. There will be a light lunch at 12:00 Noon, with the degree work immediately afterwards. Details regarding reservations for the luncheon will be furnished at a later date.

We hope that as many companions as possible will be with us at that time. Degree work was given to 3 candidates during the month of March, and as some of our members who are most active in getting candidates are still beating the bushes, we expect to be busy for some time to come.

Our membership now includes many amateur and also highly skilled radio men. Although these men may be "hams" in the communications field, they certainly qualify for higher titles in Freemasonry. It is these men, along with others, who are helping to fan the spark of life into Thos. R. Marshall Chapter. Come on down and meet them.

Council Degrees to be conferred on April 25, 1963 at 7:30 P.M.

Don't forget, — April 18 — last date for petitions for this class.

Plan now to attend and assist in this good work. We solicit your support. Come greet and welcome the new council members.

Modern Man is the victim of the very instruments he values most. Every gain in power, every mastery of the natural forces, every scientific addition to knowledge, has proved potentially dangerous, because it has not been accomplished and accompanied by equal gains in understanding and self discipline. Where better than Masonry do we learn of understanding and self discipline, through brotherly love. Attend your Blue Lodge, your Scottish Rite and your York Rite and renew again the lessons they teach. He is the wisest and happiest man, who, by constant attention of thought discovers the greatest opportunity of doing good, and breaks through every opposition that he may improve these opportunities. Know thyself. Do you need us — We sure need YOU.

Hello Again! The Ides of March are upon us — but just for a second or two we'll go back to our Valentine Dance. It was a huge success and a very pretty affair and the meal was superb. The ballroom had just row after row of red, white and black crepe paper streamers at about balcony level which created a pretty ceiling for the dance. The side-walls had huge silver hearts adorned with (a million) balloons — sort of looked as though we had purchased all the Circus Balloon-man's supply.

We have several important dates to remember in this month of April — and the last of these is of course the greatest one. The 2nd of April is "Friends Nite"; the 16th is a regular Stated Meeting; the 22nd is Sewing Nite — the telephone committee will let you know where, but circle it on your calendar; then comes the Annual Card Party and "Jewelry Style Show" on April 25th. This should be interesting don't you think, And speaking of "Spring Bridge Party," the Bazaar Table needs some help from all of us. This table is our

means of helping the "Eye Foundation" and all sorts of usual Bazaar trinkets will be appreciated, — candy, cakes, cookies, aprons. And since the Lenten Season will be over, — we can purchase some of the delicious candies to munch on during the card playing! Make this the forget calorie count night? Mrs. Philip McCague is in charge of our Eye Foundation Program and has given me a few facts about the program and our part in it!

The motto "From darkness unto light", speaks for itself. We of course are the Auxiliary Group for Knights Templar which actually organized this Foundation, and in 1958, our Supreme Assembly of Social Order of the Beaucant made this a Permanent Objective of the Order. The Objectives of this Foundation are to prevent blindness and services are available to anyone unable to pay regardless of race, creed, color, age, sex, or national origin.

Our Worthy President, Mrs. George Adams is improving after a repeat bout with the flu, Mrs. Willodean Todd has

returned home from the hospital, and Mrs. Hilda Fuzy is ill in Lutheran Hospital. Thelma Kayser, Nella Putnam, Anondas Marvel, Enid Gahman, Roxy Weesner, Hortense Stevanson, and Evelyn Gardt are also recovering from recent illnesses.

Mrs. Adams also wants to thank all of you for helping to make this such a wonderful year for her — she has a little Easter Prayer to share with all.

For the Peace of Easter, accept our thanks Dear God

We are very grateful that we may salute the Risen Christ.

Help us to keep our homes such places of peace

That His Spirit may forever dwell within us there! Amen!

And a Happy Easter to you all!

Ted Melching took another step forward up the ladder of Masonry when he was passed to the degree of a Fellowcraft on March 4, 1963. Ted was passed to the Fellowcraft Degree at Amity Lodge 483, Huntington, Indiana, where members of our Lodge and Amity Lodge in the true spirit of brotherly love and friendship presented the Fellowcraft Degree work together. It was a most enjoyable and educational evening as Amity Lodge 483 extended a warm welcome. A light lunch was also served after completion of the evening's work. Those attending from Ossian Lodge were Minor Stowe, Earl Smith, Harvey Ault, Joseph Roman, Joseph Clark, Charley McGee, William Howard, Koons Melching, and Ted Melching.

The old axiom "activity begets activity" is surely a truism for our lodge, as the brothers who attended the stated meeting on March 6 can well testify. We voted to have a telephone installed at the lodge, which will be a welcome addition to our facilities. The lodge also gave approval to permit masonic - approved youth organizations to use the lodge rooms for meetings providing that it is approved by Grand Lodge. The action was taken to make it possible to form a chapter of De Molay at New Haven Lodge.

Four of the members met with Clayton Herrick, Chapter Dad of the Fort Wayne DeMolay, on February 26 to discuss chapter work and to view the new film, "The Order of DeMolay." On March 13 the committee met with Mr. C. C. Faulkner, Executive Secretary of the DeMolay Foundation in Indiana, to further discuss the ratifications of forming a new chapter. We have formed a Council of Mastermasons to guide the project through the organizational stage and have elected Brother Lyle Tustison as chairman and Brother Maurice Pfeiffer as the first Chapter Dad. Progress to date is very encouraging and we look with pride upon the enthusiastic support given by our brothers in undertaking this project.

Brothers Don Stark and Bill Youtz asked the craft to come to the lodge on Friday

night and Saturday, March 8 and 9, to help finish the lathe work in the dining room, so that the plasterer might begin plastering on Monday, March 11. There were approximately 8 men who worked Friday night and 11 who worked Saturday. Also there were several men who volunteered to help with the plastering during the following week. By the time you read this, the major portion of our renovating program will have been completed. To review what has been done to the lodge building since our remodeling program was undertaken approximately 6 months ago; we've installed a new entranceway, torn out the storage room to make way for the new stairway to the dining room in the basement, not only replaced the old hot air heating plant with a new hot water heating system, but also replaced the partitions, lathe and plaster in the kitchen and dining room, and the rear exit door and entranceway.

Indeed our brothers have been working as operative masons as well as speculative masons, by the use of the trowel, square, level, plumbline, 24 inch gauge and the common gavel.

Mark this date on your calendar April 12th place, Huntertown Lodge 689, event Social evening. The Junior Warden has informed me that he and his committee has a gala event planned. Lets make it a night of fellowship and fun, refreshment will be served.

I want to thank all the brethren for the wonderful attendance at our last stated meeting. At which time we had a good discussion about remodeling our present lodge or build a new one. To remodel our present lodge seems almost impossible due to structure and age. But we can build a new Temple, if we want to bad enough and if we want Masonry to serve our community and our children and grandchildren. Our brethren who have gone to their eternal reward, and some that are still with us surely must have been thinking of Masonry and of us when they bought our present lodge. Now I think it's time we take stock of ourself and to reevaluate. Can we put a dollar and cents sign on Masonry any more than we can our Religion? If you can put a dollar sign on Masonry then brother you knocked on the wrong door. What would this world and our community be without Masonry. Lets not sell it short. Lets all get behind our lodge and it will not be a large task for anyone, and Masonry will be passed on in our community as it was

passed on to us. I would like to pass on to you that which was given to me by a Past Master of our lodge.

What is A Mason

A Mason is a man and a Brother whose trust is in God. He meets you on the Level and acts upon the Square. Truth is his Compass and he is ever Plumb. He has a true grip on all that is right. He is loyal to his Order and whatever his Degree he wears unstained the white Lambskin of innocence. From his initiation as an Entered Apprentice, he travels ever East toward the Light of Wisdom until he receives the final—the Divine Password that admits him into the Ineffable Presence of the Eternal Supreme Grand Master of the Universe — God.

The greater the importance and the greater the difficulty of any undertaking, the more essential it is that an implicit faith in the G. A. O. T. U. shall guide our feet and make sure and steadfast our stumbling steps. Do we deserve that help. Then let us fear not, but go forward of good courage.

Brethren:

It is a strange thing that such a great power can be found in a smile, a compliment and a kind word. This great practice becomes contagious and soon many are greeting others with a smile, a compliment and a kind word. It is the definition of friendship one of the attributes of Free Masonry.

Leo Lodge has become a beehive of activity lately. Only four empty chairs in the March meeting. They voted to celebrate St. John the Baptist day, voted on petitions and voted unanimously to start plans for a new Temple. The Worshipful Master immediately appointed a committee on location, building plan and finance and then invoked the blessing of Deity for this was a great and important undertaking. The Lodge was entertained by the Stars on Wednesday 13. The ladies presented a very humorous entertainment and served refreshments at the close.

The Master Mason Degree was conferred on two brothers March 23. The work was very dramatic and impressive and well attended. The Junior Warden, Harold Shie and his kitchen chief, Clarence Brown made the evening a most pleasant one with a ham supper.

There will be an antique show Saturday, April 6 and Entered Apprentice degree April 9. That is what we mean by activity.

It was good to hear from Brother Wier Anderson. I wish all of the brothers who live away from the Lodge would keep writing. You do not seem so far away when we hear from you.

How is everyone coming on getting in those petitions? Remember the trip to Washington, D.C. for the one who brings in the most petitions in the state! It takes time and effort, but for an all expense paid trip like that, it sure is worth it. There are many boys who have not turned in any petitions and we have many petitions to go to at least fill our quota. We must surpass this to increase our membership since quite a few became 21 years of age.

Last month, on the 12th, we had a discussion on what to do to create interest in getting in petitions, in chapter activities, and to get more boys to come to the chapter meetings. We decided that we wanted to do some civic project to get more public interest. We thought that possibly next year a publicity committee will be appointed to raise the attendance at all our functions and possibly increase the number of public functions. If any of you have any suggestions along this line, we would appreciate it if you make your views known to us.

March 27th, we had our second initiatory degree and the officers did another terrific job. I am very sorry to say that unless enough petitions are brought in, that will be the last initiatory degree this semester. Here again I say to each of you that I hope you will at least make an effort to get in those petitions.

In April, we have stated meetings on the 10th with possible entertainment and on the 24th, when, if enough petitions are brought in, we will hold our final initiatory degree.

I hope that you are thinking ahead enough to plan on attending our DeMolay Mother and Son Banquet on May 2nd. We hope to have a fine evening with the best attendance ever!

The officers, members and Past Matrons of Huntertown Chapter No. 388 O.E.S. recently honored Sister Helen Warner for having served her chapter as secretary for 20 years.

Sister Helen is a Past Matron of Huntertown Chapter, Past Deputy of District Fourteen, and is now Grand Representative to New Brunswick, Canada in Indiana.

Honored guests present were Sister Adella Davidson, Grand Martha of Indiana Grand Chapter, Sister Maxine Moser District Deputy and Past Secretaries of the twenty-eight chapters in the fourteenth district. Many other Eastern Star friends of Sister Helen's were also present.

The officers and Past Matrons honored Sister Helen with ceremonies of song and verse and presented her with beautiful gifts.

At the close of Chapter, Sister Helen's birthday, she was very much surprised with a lovely birthday party. She was presented with a beautiful cake and many birthday gifts. Ice cream and cake were served in an appropriately decorated dining room. Sister Helen thanked each and everyone for the lovely evening.

The Chapter felt this was a very small reward for one who has contributed so very much of her time and talent to our wonderful order.

NEWS FROM DeMOLAY

A historic moment for the Order of DeMolay and Freemasonry in general took place on February 21 in Washington, D.C., when ten presiding officers of national and international Masonic Bodies signed a "Declaration of Principles" in support of the Order of DeMolay.

The signing took place in special ceremonies in the main chamber of the House of the Temple of the Supreme Council 33°, A.A.S.R., S.M.J.

Basically the declaration pointed out the faith and interest that was manifested in DeMolay, and pledges of individual support as well as organizational support where possible were made. The pledged support included both moral and financial, with no intention or desire on the signers' part to determine De-

Molay policy.

Signing the declaration were: Luther A. Smith, Sovereign Grand Commander, Supreme Council 33°, A.A.S.R., S.M.J.; George E. Bushnell, Sovereign Grand Commander, Supreme Council 33°, A.A.S.R., N.M.J.; Glenn V. Culp, PGM of Utah and 1963 Chairman of the Grand Masters Conference; Ocie Rogers, Grand Monarch, Mystic Order of Veiled Prophets of The Enchanted Realm; George G. Verbryck, General Grand Master, General Grand Council, Royal and Select Masters. Edwin A. Martini, General Grand High Priest, General Grand Chapter, Royal Arch Masons; William E. Montgomery, Most Illustrious Grand Sovereign, Red Cross of Constantine; George Klepper, Imperial Potentate, Shrine of North America; Marvin E. Fowler, Provincial Grand Master, Royal Order of Scotland; and Paul M. Moore, M.E. Grand Master, Grand Encampment Knights Templar, U.S.A.

The Declaration is actually a part of the Masonic-DeMolay Crusade first suggested by 1962-63 DeMolay Grand Master Ralph Hamill. These various presiding officers were invited as distinguished guests to attend the 1962 session of the International Supreme Council in Indianapolis, Indiana.

The group held a private meeting in Indianapolis to discuss DeMolay and the relation of it as a worthwhile youth group to Masonry and its growing importance in this regard.

A subsequent conference was held in June in Kansas City to expand further the

ideas broached in Indianapolis. The result was the framing of the "Declaration of Principles," under the guidance of Sovereign Grand Commander Smith, who was chairman of the drafting committee.

The signing was preserved for posterity by a sound motion picture.

DeMolay officials present at the signing included Grand Master Hamill, Deputy Grand Master Ivan H. Northfield, Grand Secretary George M. Saunders, Grand Chaplain Herbert E. Duncan, Immediate Past Grand Chaplain John H. Jefferson, DeMolay Headquarters Director of Public Relations Richard E. Harkins, and Indiana DeMolay Foundation Executive Secretary C. C. Faulkner, Jr.

Two DeMolays, Maryland District of Columbia MC Bob Stanley and Dennis Truitt of Fort Wayne, Indiana, served as Marshals for the ceremony.

The ceremonies opened with a few brief remarks from Grand Master Hamill as to the purpose of the gathering. This was followed with an invocation by Grand Chaplain Duncan.

Grand Master Hamill then introduced Commander Smith, who was escorted to the altar where he read the parchment containing the "Declaration of Principles." Commander Smith signed the document and was followed by the nine remaining distinguished Masonic leaders.

The ceremony closed with a benediction given by Past Grand Chaplain Jefferson.

The text of the "Declaration" is as follows:

"Proclamation and Decla-

ration of Principles of Representatives of Masonic Organizations In Support of The Order of DeMolay

We, the undersigned, representatives of the Masonic organizations set opposite our names below, having voluntarily responded to the call of the Grand Master of the Order of DeMolay that our respective organizations give DeMolay more adequate support in its plans to enlarge and expand the influence and usefulness of this great youth organization, hereby make the following proclamation and declaration of principles:

1. We are profoundly impressed with the progress made by the Order of DeMolay since it was founded on March 18, 1919, by the late lamented Frank S. Land, in its laudable undertaking to teach young men to be devoted sons and God-fearing, intelligent, patriotic, and industrious citizens of the Countries in which they live.

2. We appreciate the fact that the chapters of the Order of DeMolay are required to be organized and conducted under the sponsorship of some type of Masonic organizations, which gives DeMolays an opportunity to get acquainted with the Masonic fraternity, its aims and principles; and that in consequence the members of the Masonic groups have the pleasure of close fellowship with and rendering service to the DeMolay members. We recognize that this arrangement creates an ideal relationship which should be productive and of great benefit to all parties concerned.

Brethren:

The way it looks at the present time we will be busy in the month of May, and we are looking forward to seeing all of you up at lodge during the month.

On Sunday, June 23, 1963, our Grand Master Jack F. Hewson asked all the lodges of the State of Indiana to celebrate an ancient tradition of St. John's Day by all lodges attending church in a body as a lodge. We have received an invitation from Brother Rev. Ray Brown from Christ Methodist Church to be their guest on that Sunday for this service. I would like to extend an invitation to all of the Brothers of Wayne Lodge and their ladies to be with us on that date.

On our last visitation to the Veterans Hospital, we had a very nice turn out and the patients were all glad to see us as we were the first lodge to meet there after the quarantine had been lifted during the flu scare. Our next visitation will be May 13, 1963, and Kenny Ryal is looking forward to seeing you all there.

On our stated meeting in April, Past Master Joe McDowell gave a very interesting talk on the preparation and conduct of a petitioner to the lodge. It was very interesting and educational, and we learned a few things that we didn't know before. Next month another member of the Education Committee will give a 15 minute talk.

On March 16, 1963, Brother Lyle Harold Biddle passed away. We would like to send our sympathy to the family and friends of our departed Brother. I would like to thank the twenty-two Brothers that attended the funeral service which was given so capably by our secretary Past Master Harold Gamison.

Brethren: Spring is definitely here, after a long hard winter and I know your yards and gardens need a lot of attention; but may I urge you not to abandon your attendance at Lodge.

We have much to do before we go dark for the summer and I hope each of you will make a special effort to share an evening or two with us each month.

By the time you read this our Past Masters Banquet for 1963 will be past history. I trust it was a night well spent for you and your lady. We have so few opportunities to spend any time at Lodge with our families, so I am pleased that so many did make use of this evening.

We were saddened April 13th by the death of Brother Simon Eichensehr, to his family and many friends we convey our deepest sympathy.

To relieve the distressed is a duty incumbent on all men, but particularly on Masons, who are linked together by an indissoluble chain of sincere affection. Brother Carlyle Roosevelt is confined at home, due to a stroke the first of the year. A request was made for a hospital bed for him, the challenge was met and the bed was donated and delivered. I am proud that the members of our Lodge are putting their Masonry to work.

Our Senior Steward, Rus-

sell W. Prince is chairman of our sick committee, and you can help if you will just take time, he will be glad to give you names that you might call on and that will help take part of the load off of this committee.

Please mark your calendar for the following events. May 6 — Support your Lodge and Brother Frank Hunt P.M. and Brother Francis Ray P.M. by making a visitation with us at the Veterans Hospital.

June 23rd — We will attend North Highlands Presbyterian Church, in a body and as a Lodge, to celebrate the ancient tradition of the Feast of St. John the Baptist.

Sept 28th and 29th — We will attend the Tri-State Convention. This year it is being held at St. Louis. Plan on attending for a week-end of true fellowship.

I wish to add this poem as a closing thought.

To meet you on the level, is an easy thing to say

But when it comes to practice, do we do it every day?

Do we meet upon the Level, if a brother chance to be

A little out at elbows or baggy at the knee?

When we meet him in the workshop do we greet him with a grip

That we do the noted statesman on a European trip.

Do we meet him on the level, to give him just the chance,

That we do the fellow with creases in his pants?

If fortune does not smile on him in sunshine and repose,

Do we meet him on the level in his second-handed clothes?

Yes, we will meet him on the Level on that Broad Masonic Plan.

Whenever we know him to be a Mason and a man.

Do we invite him to our church and seat him in our pew,

Warm our hearts, by clasp-ing hands, as Brothers ought to do?

We will meet him on the Level and part upon the Square,

Then perhaps he will vouch for us when we meet him over There.

It's not much comfort to realize that when you retire to vacationland, you'll meet the same kind of people you left behind, in precisely the same percentages.

My Brothers:

By the time you have re-
ceived this article, Spring
should be near full bloom, and
the shades of winter drawn
till next year. It is at this
season of the year that we too
like Mother Nature should en-
deavor to bring forth the
best that is within us, and
sow the true seeds of Mason-
ry as we have been taught.

In the Bible we find in John
II: 25 and 26 this verse of
scripture; I am the resurrec-
tion and the life: he that be-
lieveth in me, though he were
dead, yet shall he live: and he
that believeth in me shall
never die. May these words be
a comfort to the members of
the Ralph V. Stuber and Dav-
id Merillat families. Our deep-
est sympathy goes out to
them from Sol D. Bayless
Lodge.

In the month of April we
initiated into our Fraternity
Brothers Daniel G. Russ;
Chester F. Dray and Richard
Mollica. We would like to take
this opportunity to welcome
them into Sol D. Bayless
will continue to attend and
Lodge, and hope that they
take an active part in the
Lodge. To you Brothers who
haven't attended Lodge re-
cently, here are a few words
that after reading, might
motivate you to the Masonic
Temple at 216 E. Washington
Blvd., Fort Wayne, Indiana.

Are you an active member
The kind that would be
missed,

Or are you just contented
That you are on the list?
Do you attend the meetings
And mingle with the flock?
Or do you stay at home
And criticize and knock?
Do you take an active part
To help the work along?
Or are you satisfied to be
The kind that just belongs,
So come to the meetings
often

And help with hand and
heart.

Don't be just a member
But take an active part.
Think this over, Brother;
You know right from
wrong,

Are you an active member,
Or do you just belong?

Our best wishes for a
speedy recovery, to those of
our membership who are phy-
sically unable to attend lodge.
May the Grand Architect of
the Universe, watch over you
and administer to your every
need, is our earnest prayer.

During the Month of May
we hope to have degree work
on at least one and possibly
two candidates. This is also
the month that Sol D. Bayless
will have their first "Ladies
Night." It will be held in the
Ball Room of the Masonic
Temple at 6:30 p.m. Saturday,
May 4th. This night promises
to be one of the outstanding
social events of the whole
year. After being served a de-
licious chicken dinner, we will
be entertained by the New
Haven Concert Choir under
the direction of Brother Carl
Nicholas. To make the pro-
gram complete, we are very
fortunate to have as our guest
speaker the Rev. Phillip Phil-
brook, Pastor of the First
Baptist Church in Fort
Wayne, Ind. Tickets for this
event are only \$1.00 per
person and may be obtained

ther information call Harold

Already the beautiful
month of May is upon us and
to paraphrase a line, "How
rapidly the sands of time run
and how rapidly my year as
Master is drawing to a close."
May is a happy month for as
Winter releases its frigid grip
upon the land, the pulse of
Nature quickens with all the
beautiful sights and sounds
of Spring. May 12 brings us
Mothers Day when we honor
that kindly soul who guided

and protected us through all
the trials and pitfalls of child-
hood and youth with no
thought of honor or reward.
Yes indeed May is a wonderful
month.

Some of our Brothers were
unable to enjoy the happy
sights and sounds of the
Spring season by reason of
illness. Brother Charles Scott
P.M. was in the hospital for a
time and has now recovered
enough to return to work.
Brother Hoyt Campbell P.M.
and Treasurer of our lodge
was confined to the hospital
for a while by a rather serious
condition but is now at home
and on the road to recovery.
Brther Larry Holmes and
Brother Dick Baker are, at
the present time, in the hospi-
tal and would both enjoy
company. So, Brothers let us
get out and visit our ailing
Brothers.

Brother Kenny Disler, the
newest member of our Mason-
ic Education Committee, de-
livered a fine address at our
April stated meeting on the
subject of "The Three
Knocks" which was well re-
ceived by all the Brothers pre-
sent. It was a very fine pro-
gram with thorough prepara-
tion and presentation. This is
the kind of thing which we
have come to accept as stan-
dard procedure from our very
fine Committee.

The month of May also
brings us Grand Lodge which
the Senior Warden and myself
are looking forward to with
eagerness and expectation.
The Junior Warden will not
be able to attend but must
stay here to conduct the busi-
ness of Three Rivers Lodge
on Tuesday so why not all
turn out and give Brother
Mohr a hand with the degree
work on that evening.

Judging from the way the
petitions are coming in, it ap-
pears likely that Three Rivers
will be busy with degree work
right up to the Summer sea-
son so come to Lodge and help
your officers put, not more
men in Masonry, but more
Masonry in men.

It is with a great deal of
pleasure that I welcome into
Three Rivers Lodge our new-
est brother and my good
friend Brother John Leavell
who was raised to the Subli-
me Degree at our meeting
on May 7. Brother John is a
willing worker who will be an
asset to the Lodge.

Brothers, I would like to
remind you of our annual
Past Masters Night on May 25
when we once again gather to

honor our worthy Past Mas-
ters who through the years
have so nobly formulated and
carried out the manners and
practices for which Three
Rivers Lodge has become not-
ed throughout this portion of
the state. So Brothers let us
all gather to pay them this
honor on their night. As Lin-
coln so aptly phrased it, "It
is altogether fitting and prop-
er that we should do this." Tickets for this event may be
obtained from any of the of-
ficers or you can call Bro-
ther Roberts, Brother Mohr,
or myself and we will see that
you receive your ticket.

Remember Brothers, there
is much truth in the oft re-
peated statement, "You get
out of Masonry only what you
put into it", so we hope to see
you in Lodge.

Brethren we had another
fine class last month and it
seems we are raising some
candidates who will make real
good members in our lodge.
We will have our charter and
Past Master banquet May 15,
hoping for a real good turn
out for this affair.

We will have candidates
this month and your officers
will be very busy and will
appreciate any help the bre-
thren can give them.

Your Master and Wardens
will be gone to Grand Lodge
May 21 and 22, this falls on
Master Mason night so the
initiation of our class will
have to be re-arranged be-
cause of Grand Lodge meet-
ing.

Brother Russell Scott was
in the Lutheran hospital for
an eye operation, hoping for
his speedy recovery and hope
he can make our banquet on
the 15th.

We had one of our Past
Masters and Charter member
Brother Gillespie called by
the Grand Architect of the
Universe last month and we
wish to extend our deepest
sympathies to the relatives of
our departed Brother.

Our golf outing is coming
Saturday, June 8th at the
Kendallville Country Club, the
same place as last year. We
have always had a good time
and turnout for this event
and all of your officers are
hoping for the same this year.

We have had a letter from
our good friend and Brother
Past Master Eugene Gilchrist,
he is going to try and be here
for this event. I think he is
still looking for the golf ball
he was supposed to get two
years ago and never received

it. If he comes back for this event I personally will see to it that he gets his golf ball. Our hospital visitations have not been attended as they should. Now Brethren this is a very worthy cause and any Brother who attends one of these will feel a lot better inside when he leaves. Please spare these sick veterans and Brothers about two hours of your time some Monday evening, watch for the dates in your Square and Compass.

Brethren it has been said to get something out of Masonry you have to put something in. Yes, my Brethren, you can enjoy benefits of Masonry regardless of how little you may do for it, but I want to emphasize the fact that if you want to get the best out of Masonry you must put your best into it.

Second Monday

Guy I. Mausteller W.M.
221 Pursley Dr. 744-4561
Franklin I. Bryan Secretary
3652 Plymouth 748-0851

We are happy to announce the names of three new Master Masons of South Gate. Brothers Mericle, Ormsby and Baumgardner. Masonic knowledge is unlimited, and we trust that these Brothers will occupy their leisure hours in the attainment of useful Masonic Knowledge.

I would like to take this opportunity to thank the officers and brethren who have contributed their time and talent in making our meetings and degree work a success. I am sure that the Brothers sitting on the side lines have not found it to be a boring evening. We are happy to see the attendance is still on a steady increase. It was once said by a Grand Master, "If all meetings and degrees are conducted without delays and kept strictly Masonic, it would be necessary to send to the basement for additional chairs." What a joy it would be to see our Lodge room filled to capacity. This may be wishful thinking, but certainly not impossible.

An article which appeared in the Square and Compass not long ago, regarding the building adjoining the Temple has caused much discussion both "pro and con." I feel it is the duty of every Mason in the Lodges who occupy the Temple to think about this matter and voice their opinions. Should the building fall into the hands of a wrecking crew or become a part of our building. The youth of today who are active in Masonic work are going to be the Masons of tomorrow. Lets consider their future.

See you at Lodge.

WASHINGTON'S ADVICE

Be courteous to all, but intimate with few; and let those few be well tried before you give them your confidence. True friendship is a plant of slow growth, and must undergo and withstand the shocks of adversity before it is entitled to the affections and distresses of every one, and let your hand give in proportion to your purse; remembering always the estimation of the widow's mite, that it is not every one that asketh that deserveth charity; all, however, are worthy of the inquiry, or the deserving may suffer.

Hi, Job's Daughters!

I would like to thank all of the girls and parents who worked at our rummage sale, April 3rd. It was a huge success and we had loads of fun.

April 17th was our second initiation. We initiated sixteen new girls into our Bethel. We welcome all of you and hope you come to our meetings. You get out of a thing what you put into it. We all feel that Bethel No. 8 has a lot to offer its members, so do come and join us. I would like to thank the officers for the wonderful job they did. We had entertainment and refreshments on the mezzanine following the meeting. The decorations carried out the theme of Easter.

The months of May and June are very busy months for all of our girls. The calendar of events is as follows:

May 1 — 7:30 — Meeting and Hat Contest — Get those Spring hats made girls.

May 5 — 11:00 a.m. — Church Sunday at Forest Park Methodist Church.

May 11 — all day — Car Wash — Call Susan Mowery, K-9662, if you would be willing to work. Held at Art's Standard Service, 4382 Bluffton Rd.

May 15 — 7:30 — Election.
May 18 — all day — Car Wash.

June 5 — 7:30 — Master Mason and Eastern Star Night. We will honor all Master Masons and Eastern Stars who are present.

June 19 — 7:30 — Initiation and Majority Member Night.

June 20 - 23 — Grand Council at Ball State Teachers College, Muncie, Indiana.

June 29 - 7:30 — Installation.

Our "Go to Church Sunday" will be at my Church, Forest Park Methodist Church, May 5th, at the 11 o'clock service. During the service, all of the Job's Daughters will sit in a group. All of the officers will form the cross at the close of the service. Do plan to attend Church with us on this special day.

We will have two car washes. Both will be at Art's Standard Service, 4382 Bluffton Road, Bluffton Road at the Sandpoint Road. Be sure to contact Susan Mowery about working. We are also planning on having a Bake Sale. We need your help, support these activities.

Mark all of these dates on your calendar. We will be announcing more about these meetings and the special events to come at future meetings. I will be looking forward to seeing all of you at our meetings.

OUR WORTHY

MATRON'S PRAYER

Let me be a little kinder,
Let me be a little blinder
To the faults of those about
me;

Let me praise a little
more;

Let me be, when I am
weary,
Just a little bit more
cheery;

Let me serve a little better
Those that I am striving
for.

Let me be a little braver,
When temptation bids me
waver;

Let me strive a little hard-
er

To be all that I should be;
Let me be a little meeker
With the brother that is
weaker;

Let me think more of my
neighbor
And a little less of me.

The first meeting since the
installation of this year's
officers was held April 9th.

The new officers are very
proficient in their duties and
Kathryn Fuhrman, our Worthy
Matron, presided over a
very nice meeting. After
chapter was opened, she had
a lovely greeting and expressed
her appreciation for the
good attendance of sideliners.

It is by attending the chapter
meetings that an Eastern Star
member reaps the real bene-
fits of being a member.

The Decorating Committee
had decorated the chapter
room and mezzanine beau-
tifully, and the Choir sang
some lovely songs.

Sister Sonoma Woodruff,
Past Grand Matron of Indiana
Grand Chapter, and Sister
Adella Davidson, Grand Mar-
tha of Indiana Grand Chapter
were each escorted East and
welcomed.

The meeting was set aside
as Obligation Night; and our
Worthy Patron, Leslie Silver,
did a fine job of leading the
members in renewal of obli-
gation.

Sister Kathryn announced
that the Indiana Grand Chap-
ter session at Indianapolis
would be held April 22, 23,
and 24 and that a bus was
chartered for one day. Any
of the members interested in
attending were to contact her.

Some of the officers attend-
ing were Kathryn Fuhrman,
Faythe and Leslie Silver,
Tama Christopher, Kathryn
Abousamra and Hilda Deeter.

Star of the East Chapter
was recently bestowed another
honor, with the appoint-
ment of Sister Tama Christo-
pher as Grand Representa-
tive from the State of Maine
in Indiana. Congratulations,
Sister Tama.

The May 14th chapter
meeting will be a Mother's
Day program, taken care of
by the Madonna Club; and
the May 28th meeting will be
Memorial Night.

Our Chapter's rummage
sale will be May 23 and 24 at
2028 S. Hanna. Any members
having rummage to be picked
up may contact Kathryn
Fuhrman - phone 483-1738,

OUR NEW YEAR

I asked the New Year for
some message sweet,
Some rule of life with
which to guide my feet;

I asked, and paused; he
answered soft and low,
"God's will to know."

"Will knowledge then suf-
fice, New Year?" I cried;
And ere the question into
silence died,

The answer came "Nay, but
remember, too,
"God's will to know."

Once more I asked, "Is
there no more to tell?"

And once again the answer
sweetly fell,
"Yes; this thing, all other
things above;
"God's will to love."

The first month of our new
year has passed. Congratula-
tion's to all our officers for
the fine manner in which
these first meetings were pre-
sented.

Installation of officers was held in the Commandery room of the Masonic Temple on March 30. The East was decorated with a backdrop with Sister Lucille's Motto in large silver letters "Search for Truth," and her emblems the Cup and Cross was out-lined in deep pink, one of Sister Lucille's colors. In front of the dais was a lovely garden with a running fountain surrounded by deep pink and white roses with palms and other greenery.

The West was arranged with palms at each side of a large open book in deep pink and white, with Sister Lucille's Watchwords, Light, Loyalty, Love. Large vases of deep pink roses and white carnations were placed behind each star points chair.

Sister Sonoma Woodruff, Past Grand Matron of the Indiana Grand Chapter, was the Installing Officer, assisted by Sister Dorothy Adler, Installing Marshall, Sister Laverne Shaffer, Installing Chaplain, Sister Lucile Mumaugh Installing Organist.

Our Worthy Matron Lucille Thompson was escorted to the East by her husband Ben through an arch of Red Roses held by the officers who served with her when she was a Star Point. The escort was led by four of her grandchildren, each presented her with three red roses. Her granddaughter recited a lovely poem just before she was led to the East. Claire Schryver sang "Walk in the Light."

Our Worthy Patron Ben Thompson was escorted to the East by his son, Ralph, through an aisle of Watchmaker friends and his son Ben Jr. led by the grandchildren. His two small grandsons presented him with a huge cardboard watch with the hands set at 8 o'clock and told him "This was so that the Chapter meetings would start on time." Claire Schryver sang "No Man is an Island" as he was led from the Altar.

Sister Sonoma presented our Worthy Matron, Sister Lucille's Worthy Matron, Dorothy Alder and Grand Mom Lavern Shaffer was then escorted East. Rev. Karl Tauber of Calvary E.U.B. Church gave the opening prayer following the installation of officers. Sister Dorothy Adler presented our Worthy Matron with a beautiful gavel made by brother Paul Elzay.

The new year for our Chapter was off to a fine start with the Pot-luck carry-in luncheon on the Mezzanine, April 2. The Chairman of the various Committees being the hostesses, with the General Chairman in charge, assisted by General Co-Chairman.

Worthy Matron Lucille Thompson, greeted all present and thanked all who had a part in making the Installation of Officers for this year, a beautiful and most pleasurable event.

Faith Shrine is saddened and shocked at the untimely death of Sojourner Harriett Treace, who slipped away so unexpectedly Easter Saturday morning. In Memoriam this issue is written.

Her life was devoted to Women's Organizations affiliated with Masonry and she is noted for the active part she has taken in them.

Her first achievement was in serving as Honored Queen of Bethel No. 8 of Job's Daughters. Her interest and activity in this brought her the honor of being appointed Guardian of the Bethel, later

to be made an Honorary member of this group by the girls themselves.

From this stepping stone she was elected to the station of Grand Guardian of the State of Indiana and then to the office of Grand Secretary.

She was a member of Shiloh Chapter, Order of the Eastern Star, a Martha Point and a member of Shiloh Club.

When Faith Shrine, Order of the White Shrine of Jerusalem was instituted she was installed an elective officer and served the Shrine as Worthy High Priestess in its second year. From this she continued on in Shrine work and became President of the State Association of Indiana. At this writing she is the Junior Past President.

This year she was the Installing Officer of the State Shrine as well as Installing Officer, just last month for the Officers of Faith Shrine.

To a Host of Friends in Fort Wayne and all over the State of Indiana she will be remembered for her pleasing manner, her sunny disposition and her special gift of getting along with people.

Harriett, we will miss you. Illness reported in the Shrine, Cornelia Betz, Ruth Perkins, Blanche Rasmus.

Illness in families, Daughter of Bernice and Omer Brock, mother of Lela Smith.

Death in the families, Step Father of Arnett Bickel, Brother of Vivian Schane and Mary Stocks.

3. We therefore believe that the fraternal invitation extended to Freemasonry the Grand Master of the Order of DeMolay, to join support of the movement enlarge and expand this organization should be accepted; and to that end pledge to the International Supreme Council of the Order of DeMolay, and its Grand Master, our individual support and, insofar as we support-moral and financial of the Masonic organization which we here represent with no intention or desire on our part to determine Molay policy.

4. We agree to bring to cause to the attention of groups and to recommend that they take favorable appropriate action thereon.

We further fraternally invite others to join us in furthering the progress and success of the Order of DeMolay.

It is our belief that our efforts in their behalf will strengthen the forces which sustain Right, Justice, and Freedom in the world."

On March 15, 1963 we gave Mark Master degree to Harter and Howard Salter. These men will complete their degree work on June 22, 1963. We have another candidate who hopes to be able to take the Charter degree during the month of April.

A recent letter from Grand Priest Vaughn L. Townsend informs me that he has contacted all Grand officers of Past Grands, and they are very much interested and happy with his invitation to their stations in the Royal Arch Degree at Thomas R. Marshall Chapter on June 22, 1963. The officers of our Chapter are very appreciative of the fact that these men are willing to give their time and talents to help our organization. Although we will have candidates of our own, in order to make this a "bang up" year, we hope that any Chapter having candidates available will bring them along on that date.

I would like to see more of our membership at the monthly stated meetings, so now that the weather is getting better, try and be with us during May and June.

Sir Knights of Fort Wayne Commandery, I am very proud of you. The Easter Sunrise Service was one of the largest with about 1200 people attending the service and serving over 700 Sir Knights and their ladies and friends a nice ham and egg breakfast. SK Schuble Boggs P.C. and our Prelate, spent a great deal of time lining up the program and his efforts were most rewarded.

I want to thank S.K. Harry Miller and his committee for an excellent job they did in preparing and serving the breakfast. I also want to thank all the other Sir Knights who helped by serving on each committee they were assigned. This makes a job well done. Thank

As of four days before our stated meeting in April we had fourteen petitions and Washington Commandery No. 4 had four petitions for serving "All Order Day." Held April 27th. It was the largest class to work on since the centennial class. The quota set for the Grand Commandery in Fort Wayne in 1963 is twenty-four petitions. Keep

up the good work we are well on our way to meet our quota for this year.

The Drill team is working very hard on the competitive drill for the Grand Commandery Conclave in Gary, Indiana May 10th., and we expect to bring home a first place Trophy. The headquarters for Fort Wayne Commandery will be the Holiday Inn 3030 East 8th Avenue. All Sir Knights and their friends are invited to see the drill competition at the Gary Armory, 11th and Madison St. beginning at 12:30 noon. The parade begins at 4:00 p.m. on 6th and Connecticut St. See you in Gary, Indiana.

The week for the Knight Templar boys week at Camp Crosley is Sunday, August 4th to Sunday, August 11th inclusive. Sir Knight Harold Martin is in charge of this event for Fort Wayne Commandery. He will get the deserving boys but we S.K.s can help by giving a small donation to SK Harold as soon as possible. This will enable him to determine how many boys he can send. It costs \$24.50 to send one boy for one week. Send check or money to Harold O. Martin, R. R. 2, Churubusco, Indiana.

Ascension Day Service will be May 19th at the First Methodist Church, corner East Wayne & Lafayette St. Time: 10:30 a.m.

Memorial Day Parade May 19th.

We wish to extend our deepest sympathy to Mrs. Winston Lee and the family of Wayne E. Cress in the passing of their loved ones.

We welcome the new members of our Fort Wayne Council. We invite them and all our members to attend the meetings. Much can be accomplished in Masonry, but the teachings must be learned over and over and then we must practice them in our daily lives. We hope the new members will make their presence felt and continue to place the teachings uppermost in their lives. Thanks to all the Companions who were present all April 25th to assist in presenting the Council degrees. Your help was most appreciated.

Where Is God's Country?
It is where you happen to be standing after doing an act of kindness.

It is as far as your eyes can reach after you remained silent when tempted to quarrel.

It is the blend of sky and earth you see after feeding a stray mongrel, or nursing a hurt bird back to the freedom of flight.

It is a fair land warmed by sunny dispositions, watered by the sweat of toil, and enriched by the exuberance of selfishness.

And you are in the middle of God's Country when you are as honest at night, when nobody is watching, as you

are in the daytime.
Are You In God's Country?
A Good Mason Always Is.
God makes a promise. Faith believes it. Hope anticipates it. Patience quietly awaits it. Lessons like these are interwoven in all of Masonry. Your Council takes pride in helping to promote them. Come, help us.
See you at the Council meeting on May 16, 1963. Come for supper.

Hello again! I venture to say that we all will welcome the April Showers and hope that they do bring May flowers — real soon! We've had much more winter than we wanted this year.

Our Card Party on April 29 will be news for next time — it should prove to be an interesting evening with its Jewelry Style Show. Let you know next time.

We wish to welcome into our midst Mrs. George Gable, who was initiated into our Social Order of Beauceant on Tuesday evening March 19th. Our Worthy President, Mrs. George Adams wants to thank all fellow-officers for the splendid initiation. It was a most impressive service.

Mrs. Adams also wants to thank the Program Committee and Decoration Committee for doing such a terrific job with the "Friend's Nite" program. This is probably our first highlight of 1963. We had visitors from many of our sister cities, (can remember some of them) — Lima, Peru, Mishawaka, South Bend, and Muncie. This "Friends Nite" is sort of an annual tradition with us — and we are in turn invited to visit some of our neighbors during the year too. Our attendance for this was 96. That really made quite an impressive group. As we joined hands in our Friendship Circle — we actually filled the room. It was just great! The Daughter of the Household, Mrs. Albert Unger, and her Committee certainly deserve high praise for the luncheon too. It was a Salad Bar (Smorgasbord) — actually the most beautiful array of salads — probably about 40 different ones. (Sort of an Annex to Chicago's famous Kung's Holm?) The tables were decorated with miniature flower pot favors — and each of our guests had one as a memento of a lovely evening. These little flower pots were cleverly fashioned out of bottle cap bases with florist clay on top — and of course a wee

miniature flower in each pot. Cute huh?

We are rather proud of our April month for having entertained several Supreme Apointee Officers: Supreme Bearer, Mrs. George D. Newcomb from Lima No. 182; Supreme Outer Guard, Mrs. James S. Daugherty, Muncie No. 101; Supreme Committee Woman, of the Area 4 Eye Foundation, Mrs. Emory Hamilton, Anderson No. 108; and Supreme Registrar Committee member, Mrs. Byron Lester, No. 164, Warsaw.

Now for the "Circle in Red" date for May — Our Birthday party — our 14th. Mrs. Donald Marvel is Chairman of this. More about this next time. The Sewing Meeting will be announced at our meeting — the date is May 27 and the time 8 p.m. In case you wonder what we do — we are making cancer pads and lap robes for Allen County Home.

Something to just start thinking about and as you do that spring cleaning — save your rummage. The date for our Rummage Sale will be

June 8th. If you want any more details now, call Enid Graham.

We are most happy to report that our sick list is at a minimum this time. Sister Isabel Masel, Worthy Oracle, is in Parkview. Sisters Thelma Kayser, Hilda Fuzy, Evelyn Gardt and Maude Miles are on the recuperating list.

We also want to report that Dorothy White's father has died, and two serious illnesses in one family — both the husband and father of Mrs. Richardson Baker are extremely ill. We do earnestly pray for their return to good health.

Happy May Day to you all! Bye for now.

The reason why most of us hate to write personal letters is that we have nothing to say that could be of any possible interest even to the man in the moon.

On Wednesday, March 27, New Haven Lodge had the pleasure of entertaining several of the brothers from Home Lodge No. 342 F & A. M. The event for the evening was a combined effort to raise one of our candidates to the sublime degree of a Master Mason. New Haven Lodge presided over the first section of the degree and Home Lodge, in full form, presided over the second section. After the degree work, all of the brothers adjourned to the dining room for a social hour and light lunch.

At present we at New Haven have 4 candidates in the process of taking degree work. The degree work presently underway is scheduled through June. The dates, time and degree will be announced to all the brothers on a standard announcement postal card. The postal card type announcement is being used on a trial basis to see whether it is practical and meets with favor.

On June 5, 1963, prior to the stated meeting, we are planning a Founders Day Banquet to honor the charter members who founded the New Haven Lodge. Our Junior Warden, Brother Summey, will be contacting our members during the latter part of May about the time, menu and reservations.

The New Haven Chapter of DeMolay is moving closer and closer to becoming a reality. Most of the initial paperwork has been processed and by the time this article reaches you the Rush Party on April 16, 1963, will be over. The first initiation of charter members is scheduled for May 18, 1963. If any of the brothers in New Haven know of a boy who is interested in becoming a DeMolay, please contact Brother Lyle Tustison or Brother Maurice Pfeiffer.

Brethren: I wish to thank each and everyone for the fine attendance at our last stated meeting and at our social evening. Thanks again to Bro. and Mrs. Lee McDuff-

fee for showing his pictures on Russia and for the fine evening of entertainment, and to the committee who planned the evening.

By the time you read this article we will have had work. Mark Thursday, May 9th on your calendar, MM degree, a supper will be served at 6:00 p.m. Lodge will open at 7:30 p.m. Come up and enjoy this evening with us. I know you will benefit from it, as no one ever sees this degree too often not to profit from it. I would like to quote a prayer from the Masters Lectures.

A MASON'S PRAYER
Architect Supreme, bend me to thy will.

Draw Thy plans on the trestle-board of my heart, and commit to me Thy builder's wisdom.

Shape Thou the structure of my life into a temple of character — a fortress of manhood — a stronghold of justice

Lead me in the paths of truth, O Grand Master of the Universe, that my thoughts and deeds may bring honor to Thy cause.

Teach me that charity which endureth all things, and temper my passion in Thy holy fire.

Circumscribe and keep me within Thy laws, and when it is appointed for me to judge, let me cleave to the plumb-line of Thy divine righteousness.

Grant me fortitude to bear my sufferings by myself and when my travels are ended, take Thou this rough ashlar of morality unto Thy kingdom of Eternal Lights.

Amen. So might it be.
See you at our next meeting.

Brethren:
Spring has again arrived on schedule as it has for centuries and the glory of color, fragrance and life are all about us. It all happens with equal regularity and the wonderful phenomenon demands our attention. We observe the beautiful hand made flowers in the shops. They have color, fragrance and beauty. What is different? They do not have that cycle of life. First the tiny sprout, the stem, the leaf, the bud and finally the full bloom which is without question the perfection of the Divine Creator. He is life and death and life everlasting.

Our Brethren mourn the death of our beloved Brother Peter Sivits but rejoice in the knowledge that there is a Celestial lodge for him.

The antique and historical

exhibit was a grand success and so many guests arrived that it was necessary to serve the supper at Brother Clarence Brown's restaurant across the street.

Get ready for Past Masters Night. It is coming up the latter part of May along with third degree. A date will be announced soon. Let us fill the Lodge Hall with fifty or more brothers and find it necessary to go across the street again.

Best wishes to all the Brothers wherever you may be

We have been having good attendance this year. Some of our older members that have not been attending regularly in the last few years are taking active parts in the lodge now, along with some of the young ones. This makes a good team. We invite you to come and share your knowledge with us.

Remember, "Unused knowledge is worthless". We are planning an evening of fellowship and entertainment at our "Century plus 4" meeting May 9th. Supper will be served at 6:30 We will have a guest speaker, Bro. Delbert R. Dennis from Three Rivers Lodge. Attend every meeting you can and share in the Masonic food of knowledge.

Brethren:

On March 20, 1963 we had the privilege of conferring the Entered Apprentice Degree on one candidate who was duly elected by the lodge to receive the degrees. We had a good attendance that evening and had a nice lunch served afterwards in the dining room. I wish to thank all the brethren that took part in putting on the work, which was well done. With the next two degrees coming along, I invite you brethren to attend and fill those empty seats along the sides and enjoy the fellowship. We wish to extend our deep sympathy to the family of Brother Albert Chausse, who passed away last month.

By the time this reaches you, it will probably be too late for you to register for the Mother and Son Banquet. I am very hopeful that everyone made their reservations. If you are very sincere about attending and have not made your reservation, possibly, some arrangements can be made for your attendance. If you make a reservation and are unable to attend, be sure to cancel it or you will have to pay for the tickets anyway. The tickets are \$1.50 and should be paid for as soon as possible. The Banquet is on the first floor of the Masonic Temple. It is on Thursday, May 2, at 6:30 p.m. We are going to have some interesting entertainment and it should be a very interesting and fun evening.

On the 8th of May is our election of officers for next fall's term. We have read the names of those eligible to run for office about 3 or 4 times during this term. We hope that a real fine group of officers is elected because I cannot serve in any office, and Matt Cornacchione and Tom Errington are both going away to school. This is the first time that there is not one councilor that will advance to a higher councilor's position. I sincerely hope that there will be loads of chapter members there so we will have the best boys in office to lead the chapter next year. The boys who come to the meeting to vote, however, should plan on attending all of the meetings possible next year, so they can give support to the elected Master Councilor and his officers. A Master Councilor can do nothing unless he has the complete support of the chapter members.

On the 22nd of May, our first DeMolay Degree of this term will be given. Mr. Tucker and the cast have given much time and effort toward putting on a very successful degree, and it wouldn't hurt any member to take the time off from homework to witness this impressive degree again. We hope to have a fine attendance to show our appreciation for a job well done.

On Saturday, May 18, we will initiate a group of boys in New Haven to organize a new chapter there. There are Scholastic Aptitude Tests and College Entrance Examination Board Tests that day also, so notify us if there is any conflict with these tests.

If the forms are completed for the Representative DeMolay Award, there is still a chance that you can receive this award on the night of the Installation of Officers. If you fill out your form, you

must be accepted, then will receive it in a very impressive ceremony.

Be thinking about what you want to enter in the coming month to find out all necessary information.

Dr. Glenn Brinker was our speaker at DeMolay Chapter meeting, May 27 at the Pavillion.

Dr. Brinker, a prominent Fort Wayne Dentist, with Dr. M. A. Darr made a 11 day trip to a village in Guatemala to a friend who is a Missionary at the Basilio de Esquele in Guatemala. He will show slides of the trip to the people they were at help.

We are looking forward to the program and hope for good attendance.

HUNDREDS OF SENIOR CITIZENS WANTED

Washington — (Special) — The Peace Corps has just announced that there are more than 4,000 posts to be filled in 45 overseas countries prior to September 1. Many will be for replacement Volunteers who shall have completed their two year tour of duty. Others will meet requests for expansion of existing projects or for new programs.

The Peace Corps has indicated that hundreds of these requests from developing nations may be filled by senior Volunteers — those who have recently retired or are contemplating early retirement. According to Director Shriver, "We want as many senior Volunteers as we can get for overseas assignment because of their experience, patience and wisdom which only experience and time can give."

Teachers, engineers, physical educators, doctors, nurses, mechanics, agriculturalists, carpenters are typical of the many skills desired. The basic requirements are that each applicant must (1) possess a bona fide skill in some trade or profession, (2) be able to pass a satisfactory physical examination, and (3) successfully complete an orientation training period. There is no maximum age limit.

These posts are open to married couples, if both can qualify for the same project. Volunteers receive transportation to and from the country of assignment and a living allowance which covers housing, food, clothing, medical care and incidental expenses. Volunteers also receive a readjustment allowance of \$75 per month for each month of service. These allowances do not conflict with pension, social security or dual compensation laws.

A complete list of the skills desired for the above 4,000 posts in 45 countries will be sent to anyone writing the Peace Corps, Senior Manpower, Washington 25, D. C. Letters should state skills possessed and should also request a copy of the new folder "Older Volunteers in the Peace Corps." Peace Corps Questionnaires are available at post offices or by writing to the above address.

A TIMELESS PRAYER

Chicago Scottish Rite
Magazine

Let me do my work each day, and if the darkened hours of despair overcome me, may I not forget the strength that comforted me in the desolation of other times. May I still remember the bright hours, that found me walking over the silent hills of my childhood, or dreaming on the margin of the quiet river, when a light glowed within me and I promised my early God to have courage amid the tempest of the changing years. Spare me from the bitterness and sharp passions of unguarded moments. May I not forget that poverty and riches are of the spirit.

Though the world know me not, may my thoughts and actions be such as shall keep me friendly with myself. Lift my eyes from the earth and let me not forget the uses of the stars. Forbid that I should judge others lest I condemn myself. Let me not follow the clamor of the world, but walk humbly in my path. Give me a few friends who will love me for what I am, and keep ever burning before my vagrant footsteps, the kindly light of hope. And though age and infirmity overtake me, and I come not in sight of the castle of my dreams, teach me to be thankful for life, and for time's olden memories, that are good and sweet, and may the evening twilight find me gentle still.

Master Masons in Indiana more than 180,000 strong, have been summoned by the Grand Master of Indiana, Jack F. Hewson, to join in a return to the old tradition of divine worship in observance of the feast of St. John the Baptist. We have received an invitation from Rev. Wm. J. Ratz to attend North Highlands, Pres. Church, Sunday, June 23rd, at 9:45 a.m. We will attend in a body and as a lodge. Please, plan to attend with us.

Brothers: As we start this, the last month before the summer vacation season, your Lodge has several petitions to report and vote on at the stated meeting. The investigation, report, and vote on candidates is one of your most sacred duties as a Mason. We must always keep in mind that this petitioner is one who will, if elected, call us by the sacred name of Brother and who we are going to take by the hand and acclaim to the world as our Brother.

Grand Lodge Convocation has come and gone and was attended by Senior Warden Roberts and myself. This is one of the high points of any Masters year in office and the proceedings of which will be reported on at a later meeting by Brother Roberts.

As we go into the Summer Season, please reserve the Second Tuesday of each month for your Lodge as we still have business to attend to each month although there will be no degree work during these two months.

It is with the deepest regret that I report the demise of our Brother Larry Holmes on May 8, after an extended illness. Our deepest sympathy is extended to the family of our beloved Brother. Brother Larry was a tireless worker for the Lodge anytime he was called upon and he will be sorely missed. Masonic funeral services were held at the McComb Funeral Home on May 10, at 8:00 o'clock conducted by Past Master Dennis assisted by Brother Amstutz as Chaplain.

Three Rivers members have labored long and diligently since the installation on New Years Day and are well deserving of a vacation and rest. All indications point to a busy fall season; so rest, relax, and enjoy the summer and join us in our work for the Lodge in the Fall.

See you in September and have a safe, happy summer.

Greetings Brothers:

Our Ladies Night Banquet on May 4 was a huge success in as much as there was around 400 in attendance. Everyone seemed to have enjoyed the food and entertainment and I would like to take this opportunity to thank our Junior Warden Harold Houser, all the officers and committees for their whole-hearted co-operation. Without your help and assistance, this Ladies Night would not have been such a success. Whether your part in it was large or small, it was of equal importance and to each and every one of you I am deeply grateful.

On May 21 and 22 your Master and Wardens attended Grand Lodge at Indianapolis. Each of us would like to thank Sol D. Bayless Lodge for sending us to this 141st annual Meeting of Grand Lodge. We have had a Grand Lodge F & A of Indiana for 146 years and this is the first year since 1909 that the annual meeting was held outside of the Grand Lodge Hall. This 1963 annual meeting was held at the Scottish Rite Cathedral in Indianapolis. For a more detailed report about Grand Lodge and its happenings, come to our stated meeting on Monday, June 3.

To our members that are in the Hospital or convalescing at home, we wish a speedy recovery and to the families of our departed brothers, our sincerest sympathy. If our

Lodge can in any way help any case, the officers of D. Bayless would appreciate hearing from you.

On Sunday, June 23rd, Freemasonry in Indiana will take a step forward, when it moves to revive two fine old traditions of the Craft. On this day, Lodges in all parts of the state will attend services of divination worship in a great simultaneous observance of the Feast of St. John the Baptist. In doing Master Masons will

1. Reaffirm publicly the faith in and dependence on God.

2. Restore to the Masonic calendar the time-honored custom of attending services of religious worship on the day set apart to honor our Freemasonry's Patron Saint.

My Brothers, I am happy to inform you that Sol D. Bayless became the first Lodge in the state, to complete plans for the observance of St. John the Baptist Day Sunday, June 23 as we formally accepted an invitation for attendance at the 10:40 a.m. Worship Service, in the New Haven Methodist Church. The minister is Dr. Neuman S. Jeffery. Each and every member of the fraternity of their ladies, are invited to come and worship with us this date in the New Haven Methodist Church, 630 Lincoln Highway, New Haven.

In thinking about Masonry and religion, I have learned that Masonry is not a religion in the sense that we think of the church, but that it is a form of the church and worship; a true ally of all religions. I found that it grows stronger in its own light, whatever it may be, the result of the moral and spiritual teachings of Masonry.

I have also learned the meaning of charity, and the one's integrity of mind and soul is his most precious possession. All that I had learned before was enhanced in the manner in which Masonry teaches sublime lessons. As I see brothers, some young in Masonry, others who have been Masons for many years, towards all I feel a bond of friendship and fellowship which is indescribable. I have the confidence of a group of brothers, and know that you are joined to them by immutable bonds as you are to every Mason in the world, is indeed a priceless privilege. Much of our knowledge that I have gained

In the past seven years, I have to the members of Sol D. ... for the privilege of being an officer and now this year Master of their Lodge.

There will not be any degree work in June, but don't forget to attend the stated meetings in June-July and August. Have a restful summer and safe vacation my brethren, and come back to lodge in September ready to

cerest sympathy to his family.

On May 23, Summit City Lodge passed into its 109th year. Such a milestone causes one to reflect upon the merits of an organization which can achieve this longevity. If this Lodge did not have a solid foundation and if it were not dedicated to the ideal of Truth, it would have fallen by the wayside long before we had entered this life.

Brethren:

Your lodge has taken in two fine candidates in the month of May by initiation, and one Robert P. Jennings by transfer from the Roanoke Lodge. We have three petitions to vote on in the month of June. It looks like your officers will be very busy and will appreciate any help the brethren can give them. I know June is a fine month to work in yard, play golf, etc., but we are hoping that you can give your lodge a few hours on these three Thursday nights. Then we will let you have July and August off and then look for you all back in September. If all three pass, we will eat at 6:30 p.m. in the kitchen on Entered Apprentice and Master Mason nights. Watch the Masonic Calendar in Sunday morning papers for verification.

In the month of April, your lodge officers had the privilege of raising Jerry L. Clark to the sublime degree of a Master Mason. Brother Clark was a courtesy candidate from the Kokomo Lodge.

On our stated meeting in May, your Chaplain, Jim Waldron, a member of your Masonic Education Committee gave another fine 15 minute talk on the Origin of Free Masonry. In June the last member of the committee, Glen Goshorn, will have another educational subject for you. Also after our stated meeting in May, Past Master Barry Smith chairman of the house committee took your

officers and brothers who cared to join us through the temple. It was very educational and I, myself, learned a lot about the workings of the temple that I never knew before. The purpose of the tour was to acquaint us with the workings of the temple and when our trustees came before the lodge with their problems, we would know what they are talking about.

Brother Ernie Keppler is still in Parkview Hospital, room 536 and is expected to be there awhile yet. He has been there since March and would appreciate a visit from his many friends in Wayne Lodge.

This being the last article before the summer shut down, I would like to wish all of you and your families a very fine and safe vacation. We want to see you all back in September to start our fall activities.

Our Past Master and Charter Member banquet was well attended and they seemed to enjoy themselves renewing old acquaintances and making new friends.

The annual golf outing will be June 8 at the Kendallville Country Club. Doc Delp and Gene Harmon have arranged another one of their wonderful days for us and have some real surprises in store for the ones that attend.

Vacation time is here again and your officers wish all of you a wonderful summer, hoping to see all of you when we return in September.

We have just raised three new Master Masons last month and will have a large class in June. We have nineteen new members so far this year and your officers are hoping for the last of the year to be as good as the first.

We wish to extend our sympathy to Brother Warren Delp and his family, whose father passed away last month, also our thanks to Mrs. Clark Smith for the money donated by her late husband Brother

Clark Smith for the purchase of new Officers Apron in his memory.

Too many serious new Masons have come away from Lodge meeting disappointed and a hungering instead of further light and inspiration to supplement their experience during initiation, they merely witness the same monotonous and uninspiring degree work that left their questions unanswered and does nothing to answer them now that they are actually Freemasons. They gave their distinct knocks, the door was opened, but they still haven't found that which they are seeking. They still aren't sure that they know what it is.

If each seeker of the light in Masonry could be helped to understand the Symbolism of the three distinct knocks, it would strengthen his devotion to the laudable purpose of his undertaking. When a candidate knocks upon the door of our door whose tenants are Brotherly love, Relief and Truth, let him understand that his knocking represents a prayerful petition for those spiritual gifts and his experience will be richer and more significant. He will be more duly and truly prepared to learn that Freemasonry is a never-ending search for Light and Love.

We are again happy to welcome our youngest Master Masons, Brothers Swindell and Guindon, who received their Master Mason degree on Saturday morning May 11. We have increased the membership of South Gate Lodge by ten, thus far in 1963. We are also proud of the fact that all of these Brothers have been faithful in their attendance and helping us in many ways.

Since the last issue of the Square and Compass, several events are now past history. Our Past Masters Banquet, held May 6, was attended by 132 of our members and officers from Sister Lodges. We were hoping for 100 per cent

attendance by our Past Masters and we nearly made the grade. This is one of the few times during the year that we have our Past Masters together, and we took advantage of the situation. Each Past Master was asked to express his opinion on a certain subject of Masonry, and we were greatly rewarded by their comments. A Past Masters responsibility to his Lodge is a never ending chain, and their viewpoints, constructive as well as criticism is always welcome. The dinner for this occasion was prepared by our good Brother "Bill" Brase with the assistance of several of the other Brothers. Be truthful, have you ever eaten better steak? Bro. Brase will not accept wages for his labors, no matter how much we insist. He tells us that it is his way of repaying Masonry for what it has done for him. We thank you "Bill" for all you have done to increase the Fellowship among South Gate Members.

We included another South Gate Brother to the ranks of fifty year members. Brother Carl Teuksbury received the Award of Gold on May 6, 1963. Our congratulations to Brother Carl and may he enjoy many more years of Masonic Fellowship with us. This Award was presented by our Right Worshipful Grand Senior Warden, Brother Clyde Flowers.

We certainly cannot continue without a word of thanks to the DeMolay boys who did such an excellent job of serving and helping in the kitchen for our Past Masters Banquet. It is my understanding that this was the first time these boys have ever attempted a project such as this. Lets get behind these boys, and help them plan their future.

Thirty-six Brother Masons climbed out of bed early Saturday morning, May 11, to enjoy a sausage and pancake breakfast and help us with the Master Mason degree. This was our first try at anything such as a breakfast, and from the comments, I believe it could be an annual affair.

I take my hat off to Brother Hewson, our Grand Master, for the excellent job he has done for Masonry this year. One of the Ancient customs will be celebrated by Masons on June 23, 1963, when Masons will attend church in a group. Our good Brother, Rev. Noble Greene has invited the members of South Gate Lodge to Worship with him at the St. Joseph Methodist Church, 6004 Reed Road on the above date at 8:30 a.m. Please make a note of this and plan to attend. We ask that you meet us at the Church by 8:15 a.m. and bring your wife with you. Services will be over in time for most of you to attend the later service at your own church.

Hi, Job's Daughters!

I would like to thank all of the girls and parents who attended my Church Sunday, May 5th. I was very proud of the girls and I have received many fine compliments concerning our part in the service. After the service, about forty of us went to the Hobby Ranch House for dinner.

Congratulations to Susan Mowery who was the winner of our Hat Contest, May 1st. She will be representing Bethel No. 8 in the Hat Contest finals at Grand Council. The other winners of the Hat Contest were: Sandy Burelison, Vicki Perrin, Carole Weesner, and Tanya Cronau. There were many beautiful creations in our contest. Thanks girls for your interest.

On May 11th and 18th we held a Car Wash and it was a very big success. Thanks to the girls and parents who turned out to work. It was lots of fun, as everyone who worked knows.

Our May 15th meeting was our election of officers. I would like to congratulate the new line officers who are: Honored Queen, Sharon Erler; Senior Princess, Laura Foulks; Junior Princess, Carole Weesner; Guide, Candy Clevenger; and Marshall, Susan Exner. To all of those girls who ran and did not make it this time, I would like to share with you this thought, "Stick to the fight when you're hardest hit—It's when things seem worst that you mustn't quit." Give the new line officers all of your support, because they can not have a successful term without you.

May 29th was our Master Mason and Eastern Star Night during which we honored all of the Master Mason and Eastern Star members who were present. Carole Weesner was in charge of the entertainment.

June 8 will be a Bake Sale. Contact Sandy Burelison about working.

June 19th will be my last meeting. This meeting will be Initiation and Majority Member Night, so please plan to attend. We will also be opening our Birthday Bank.

June 20th-23rd will be Grand Council at Ball State Teachers College, Muncie, Indiana.

June 29th will be Installation.

This is the last article that I will be writing to you as your Honored Queen. I would like to thank all of you for the privilege you gave me to serve our Bethel. Through Job's Daughters, I have met many new and wonderful people. I will always carry with me the principles that Job's Daughters stands for, for I truly loved doing my part to help Bethel No. 8. I would like to thank my Parents, my Officers, my Protoms, my Choir, the Council, the Mother's Club, and the sideliners

for their support. Everyone has contributed much toward the wonderful memories of my term. We have had a chili supper, a rummage sale, two car washes, a bake sale, a Bethel News drive, served for many dinners at the temple, and put on programs for Masonic groups. We have been a very busy Bethel this term and I hope your interest will continue. Thanks to each and every member of Job's Daughters for your loyalty and your support during my term as your Honored Queen.

June is the best month of the year.

It is noted for many pleasant events.

The longest days and the loveliest nights,

Of many pleasant sights . . . and vacations.

It is the month of Roses too,

Yes, and the month of Marriages!

And when Graduates say to each other

"Good luck there, Friend."

They think, well this is the end

But no, it is only the beginning.

We also honor our Dads, Dear old Dad who has done his

Share in caring for us. We also commemorate this month

Flag Day, our dear fifty-star flag

When we sing to the Red, White and Blue.

Those attending the Supreme Shrine session at New Orleans the week of May 6th, besides your W.H.P. and W.O.S., were Millard and Marguerite Harkless; Hilda Campbell, Flo Widney, Leona Quinn and Robert Quinn, our Past Supreme Watchman of Shepherds.

Our next big event will be our Ceremonial on June 14th. We hope you can attend and meet our new candidates. A salad and desert bar is planned for refreshments.

The last stated meeting will be held on June 23th. We will then remain dark until September 13th.

Our Supreme Worthy High Priestess, Mayme R. Edwards, will make a number of visits to inspect Indiana Shrines this summer, however, and would enjoy having us attend as many of these meetings as possible.

The Orion Club met on May 26th at the home of Sojs. Millard and Marguerite Harkless. Sojs. Erma White, Junior Past W. H. P., and Alton White, Junior Past W.O.S. were initiated into the Club. New officers elected were Sojs. Harold Kelsey, President; Reuah Davis, Vice President; Marge Brattain, Secretary and Mildred Igney, Treasurer. The next meeting will be held at the home of Sojs. Harold Kelsey, 1511 Oakland Street on Sunday evening, May 26th.

Committee members will be in attendance of the dates of June meetings.

ILLNESS: Soj. Myrtle Kinsey is in Parkview Hospital; Glenn Myers suffered a fall. In families, the granddaughter of the Biddles, Penelope Biddle has been in Lutheran Hospital. The sister of Soj. Lydia Koop is also in Lutheran.

BLESSED EVENTS: A son was born to Soj. Mary Wisel Rhea, and Harold Kelsey has a new grandson, Jeffrey Laycock, born in Peru on April 24th.

We wish a happy vacation to you all. May you have a safe and pleasant summer.

Spring has finally come to stay! School is almost out, and finals are almost over.

I hope that everyone signed up for the Conclave this month.

Last month was really busy. We had our election near the beginning of the month. I am happy to announce that Dave Flandt, our present Scribe, has been elected M.C.; Mike Kelly, our present S.D. has been elected S.C.; and Max Johnson, our present Senior Steward, has been elected J. C. These boys are very capable, but will not be able to do a good job unless they have your full support.

Everyone should pitch right in and start to help them now by attending their installation June 12th. We anticipate a very good attendance at this meeting because we will probably present the Chevalier Degree, which is a very impressive ceremony. We have the honor of having four boys from our Chapter eligible to receive this degree. They are: Bob Smith (at college), P.M.C. Al Haney (at college), Sam Carter (at Lafayette), and P.M.C. Jim Tennant.

Last month also, we had the honor of presenting the Initiatory Degree to a newly-formed Chapter at New Haven. These boys will have a long, hard struggle, and we are hopeful that their efforts will meet with complete success. I am very happy that my officers did such a fine job on our last Initiatory of this semester. They also did a very good job on the DeMolay Degree. I thank all of the boys who took part in the DeMolay Degree itself. I know that you spent much time and effort in presenting this fine work.

I thank Mr. Tucker very much for the help he has given to me and my officers and the degree team. We owe much to "Dad" Herrick for all of the help he has given to us. I also thank all of the members of the Advisory Council for their wonderful assistance.

My term is swiftly coming to a close. It has been hard work and fun mixed together. Since I am only a Junior, I will be here next year to help Dave and his successor to have very successful terms.

Don't forget about the Conclave and the Installation!

THOUGHTS ON TIME

(Exchange)

Time wasted is existence when used, it is life. It is your ability to know what is waste of time that enables you to use it correctly. Dreaming no waste of time if you stop to make the dream come true.

Playing games is no waste of time if you find in them relaxation and delight. Doing is no waste of time if you listen to the music and realize the harmony in your soul keeping the rhythm.

Movie-going is no waste of time if it permits you to escape from yourself. Reading is no waste of time if you choose your literary material wisely. Autoing is no waste of time if it allows you to accomplish more or if it lets you to clear, fresh air.

Talking is no waste of time if you think and evaluate before you speak.

Feasting is no waste of time when you do it with joy. Work is no waste of time in your work there is an element of art — something make the world better.

Envy is a waste of time. Revenge is a waste of time. For envy saps your vitality and revenge hinders progress. Envy retards and revenge weakens.

The great do not envy, the successful are too busy with revenge.

Time wasted is existence used, it is life!

 Star of the East's Worthy Ma-
 tron, Worthy Patron & other
 officers, a safe and happy vaca-
 tion is wished for all.

On May 14 the Madonna
 Club presented the Wanebeau
 Quartet, which gave a very
 fine rendition of barber shop
 singing. The vouchers for the
 evening were little bouquets
 made of red roses and white
 lace paper. A gift was present-

 ing and thorough report of the
 April 22, 23 and 24 session of
 the Indiana Grand Chapter in
 Indianapolis. Many of Star of
 the East's members had at-
 tended the "Hearts in Peace"
 session. Our own Adella Davi-
 son, Indiana Grand Martha,
 was one of those beautifully
 gowned in pink and cerise.
 Everyone attending the Grand
 Chapter session had a grand
 time and experienced memor-
 ies never to be forgotten.

Sister Margaret Hoot of

Help me, Dear Lord, to

Above all petty care,
 And find upon the arching

Truths You have written

Help me to do the simple
 things

That make this world a
 place

Where every voice with

And smiles light upon each

On May 2, Sister Pat and
 her officers had their first
 initiation. Our new officers
 are to be congratulated on a
 beautiful job of ritualistic
 work. Sister Louise Botteron
 filled the Martha station dur-
 ing initiation and thus had a
 part in the initiation of her
 daughter, Carol Botteron. Also
 initiated were Brother Robert
 Mumaugh, husband of our or-
 ganist, Lucile Mumaugh, Sis-
 ter Faye Ann Dixon and Sis-
 ter Helen Craig. The chapter
 room was decorated with a
 greeting, "Hats Off to The
 Sideliners," in the East and
 the silver lyre in the West.

Sister Pat gave thanks to the
 sideliners for their support
 and spoke of how important
 this support is to the officers
 as they do their work. A
 short entertainment in song
 by Ron and Don Johnson was
 very enjoyable. Sister Pat and
 Brother Frank gave a report
 on the "Hearts in Peace" ses-
 sion of Grand Chapter. She
 announced her and the chap-
 ter's pleasure at the appoint-
 ment of Brother Clayton Her-
 rick as Grand Chaplain of
 Indiana Grand Chapter. We all
 join with Sister Pat in con-
 gratulating Brother Clayton,
 we are very proud of him. We
 may become more proud of
 him, as he announced now
 that he is Grand Chaplain he
 will be a little more dignified
 than his usual self. Sister Pat
 also announced the appoint-
 ment of Brother Del Proctor
 to the Audit and Inventory
 Committee of Grand Chapter,
 and offered the congratula-
 tions of the chapter. Sister
 Pat gave changes in Grand
 Chapter by-laws which will
 be the change that our dues
 will now be due in November.

Sister Carol Munk reported
 on the visit to the Masonic
 Home and the fact that they
 were able to visit all our home
 residents except Sister Bertha
 Keyser, who was unable to
 have visitors, and they had
 sent greetings back to the
 chapter. In Brother Frank
 Bidlack's report he said that
 the OES Building was reopen-
 ed in July 1962; there are 455
 in the Home; \$11,000 in penny
 collection was turned over,
 and a total of \$150,000 was
 turned over to the Home at
 Grand Chapter. All delegates
 thanked chapter for the pri-
 vilege of attending.

May 2 being Brother Dor-
 man and Sister Pat's 15th
 wedding anniversary, a sur-
 prise "wedding reception"
 was held on the mezzanine af-
 ter chapter, with wedding
 cake and ice cream. The tab-
 les were appropriately decorat-
 ed.

Also from Grand Chapter—

from our district, Sister Max-
 ine Moser, Jr. Past District
 Deputy was appointed Grand
 Electa, and Brother Frank
 Bidlack served as a teller dur-
 ing the election.

On May 16, we honored
 our past matrons and past
 patrons at a banquet and
 meeting on the theme of a
 college homecoming track
 meet. The banquet tables
 were decorated with hurdles,
 jumpers and spectators on
 bleachers, on the backdrop
 were crepe streamers and
 "Welcome Alumni." The chap-
 ter room East was also de-
 corated with college streamers
 and "Welcome Alumni." Dur-
 ing the program the Past Ma-
 trons and Patrons attended a
 track meet. Led by a home-
 town band, and the choir
 dressed in collegiate costume,
 they were paraded around the
 chapter room to the ticket of-
 fice where they received pom-
 poms and streamers with
 which to cheer on the "class
 of 1963." Sister Pat paid tri-
 bute to the Alumni since 1918
 who have led our "Alma Ma-
 ter" down through the years
 and gave each a souvenir of
 the homecoming. Distinguish-
 ed guests of the evening in-
 cluded, Sister Mary Louise
 Little, Past Grand Matron,
 Brother Bradley Swift, Past
 Grand Patron, and Brother
 Clayton Herrick, Grand Chap-
 lain.

 very beautiful memorial meet-
 ing and June 20 will be the

Old Glory

May your red remain a symbol of
Heavenly love that is sure,
May your white remain a token that
From hatred we are pure.
May your blue and your stars
Ever point to the sky,
Our thoughts to turn Godward,
Our aims to make high!
Oh beautiful banner,
Long may you wave,
The flag of a people,
staunch,
Humble and brave.
Our Worthy Matron wishes to thank all those who worked to make the Smorgas-Dinner the success it was. It took a great amount of planning, preparing of food and much work, and all of you gave a large amount of each. Thank you one and all.

This is the month when our Chapter will halt activities for the vacation months, July and August. Your Worthy Matron wishes for all a most pleasant summer and will be looking forward to the first meeting in September when we will be honored by the official visit of our District Deputy, Margaret Hoot. This will be a carry in dinner on the Mezzanine at 6:15 p.m. Have a pleasant safe summer and we will see you then.

Those who did not attend the lovely Mothers Day Meeting and program honoring our Mothers, missed a lovely evening. The Decorating Committee served after Chapter. The tables were prettily decorated with spring flowers and little spring bonnets.

Your Worthy Matron and Chairman of the committees also say many thanks again for all the rummage collected and to those who worked the two days of the sale.

May 23 we Dedicated the new frame and drapery for our Chapter in honor of Sister Lettie Dickey, Past Grand Matron who passed away on December 21, 1962. The frame was made from Sycamore tree cut from the farm of our Associate Patron Dennis Eldridge and finished by Ben Thompson our Worthy Patron. The drapery cloth was made by Sister Betty Mann. These were both made possible by a gift from Sister Sonoma Woodruff who was invited to be present at the Dedication. The Sycamore was chosen because it is a native tree of Indiana and mentioned in the song so often sung for Sister Lettie, "Back Home Again in Indiana."

June 13th the Stated Meeting will honor our Fifty Year members with Patriotism as the theme. The North West section will serve after Chapter. June 27 we will honor the Fathers. After this meeting chapter will be dark until September. The Entertainment Committee will serve after chapter. The June meeting of the Entertainment Committee will be announced later.

TIME AND THE ART OF THINKING

Time wasted is existence; when used it is life. It is our ability to know what is a waste of time that enables us to use it correctly.

What life has been trying to show us is how to build a reasonable thought. The art of thinking straight, think simply, thinking quite a lot of time, is a legacy given to all persons.

Life has taught us many subjects, some of which we never used but learning them has not been a waste of time. Life has a real purpose of introducing us to the art of thinking. It is possible to live to a ripe and healthy age without having indulged in it once.

We sometimes find original thinking painful; we usually inherit our politics and almost invariably our religious beliefs.

We would rather do almost anything else than think. We would rather talk than think.

Talking is no waste of time if one thinks and evaluates before speaking. Gossip is a waste of time; envy

is a waste of time; revenge is a waste of time. Envy saps one's vitality; vengeance hinders progress; gossipy is too busy for revenge; gossiper retards and weakens; Time wasted thoughtlessly; idleness; time used thoughtfully

Congratulations to our new Eminent Grand Commander Adam S. Riggins, of the Indiana, and may his reign in Muncie on May be one to remember.

I am sure all the Sir Knights who attended the Grand Commandery Conclave on May 10th and 11th had a very good time. Even though we didn't bring home a place we are going to harder for next year and home first in the State then go on to bring home first in the 49th Triennial in Philadelphia.

April 27 the All Order was a very great success. The companions were Knights of the Temple, as one of the largest classes. The dates for the All Order Day have been Saturday, October 19th at 8:00 p.m. the Chapter will confer all of its Degrees.

Monday, October 24th 7:30 the Council will confer Degrees. Saturday, October 26th 12:30 p.m. the Orders of Commandery will be conferred. Even though we are in July and August we must keep those petitions

coming in if we are to meet our quota for the year.

We have several dates to remember in June: 4th, we have a stated meeting of the Drill Corp. The date for the picnics will be decided then. Monday, June 10th, the Drill Corp will go to Wabash, Ind. to give a Drill exhibition for the Wabash Eastern Star at 8:00 p.m. Friday, June 14th, Flag Day parade to the Veterans Hospital, meet at the 1900 block of Pemberton Drive at 6:30 p.m. Saturday, June 15th parade in Angola, Ind. at 2:00 p.m. June 20th, stated meeting of the Commandery. Eat in the kitchen at 6:15 p.m.

The donations for Boys camp must be in by our next stated meeting in June so that S.K. Harold Martin can get the boys lined up for camp. We sent six boys last year and I am sure we can send this number this year. You can contact S.K. Martin at R. R. No. 2, Churubusco, Indiana, or phone Churubusco 693-2955.

See you at the meetings.

Welcome, thrice welcome to the new Companions of the Fort Wayne Council No. 4, who received their degrees recently. Eight new members were received and we did invite each of you to attend our meetings frequently that we may get to know you better. We also invite your participation in our degree work.

YOU ARE THE SALT OF THE EARTH

We think of the saying "The Salt of the Earth" and then we pause and ask? "Who are they? They are those who find their duty and do it. They are the those who believe they are ordained to make life better for their neighbors and to relieve the burdens of their less favored brethren.

Who Are They? "The Salt of the Earth." They are the businessmen, the inventors, the production men, the farmers, the trainmen, the clerks, the "silent army" — unrecognized, unhonored — but the jewels of the American Way of Life.

Who Are They? They are those who accept the responsibilities of leadership in times of national peril. They are the worthy successors of the heroes of Valley Forge, Gettysburg, and Iwo Jima.

Who Are They? They are the statesmen, editors, and patriots — and the men and women on the street — who eternally fight those who with poison thinking and teeth of steel are trying to defile and destroy the integrity and freedom of the Nation. You all, the companions who make up the Fort Wayne Council No. 4, are The Salt of the Earth.

Lets us also keep in mind, Memorial Day, just passed, and remember the blessings we have received and so many times take for granted. Let us be grateful for our Constitution, which safeguards our liberty and keep it in mind everyday.

Let us so live to prove that those who gave their lives for their country and all of us, was not given in vain. May we in our daily lives so spread the principles of good citizenship that there can be no doubt that we appreciate our great heritage.

May 22, 1963: saw Fort Wayne Council No. 4 appear in a joint inspection with the DeKalb Council. We were honored to have a visit from Lloyd W. Young, Grand Lecturer for the Grand Council of Royal and Select Master for the State of Indiana.

Next stated meeting is June 20, 1963. See you then.

Our York Rite Festival Day of April 20 saw eleven fine candidates exalted to the Sublime Degree of the Royal Arch. The cooperation and assistance of the past High Priests of the Chapter was wonderful and will always be remembered; as will the assistance afforded by the Thomas R. Marshall Chapter.

Attendance at the dinner was disappointing. Preparations were made for 100 and only 41 attended. I am sure a larger attendance on the side lines would have been impressive to our new companions.

Remember, with convocation style of conferring the work, your attendance at the work will be required only twice a year. Please remember and put October 19 on your calendar for the York Rite Festival Day this fall.

The last stated meeting before the summer recess will be held on June 20. There will be a smorgasbord dinner at 6:00 in the kitchen.

Let us all now start work on petitions for a large fall class of candidates.

Your High Priest will be out of the state this summer, enrolled in a Summer Institute at the University of Colorado from July 20 to August 30.

Hello again! We do hope you all had a lovely May Day. We did — it was a perfectly lovely May Day Birthday Party. 'Twas our Beauceant's 14th — and the Committee in charge certainly was talented. Down through the center of the long tables were little miniature May Poles — and wee containers of spring flowers — lily of the valley, violets and wee pink blossoms — perhaps the actual May flower. These clever gals fashioned containers out of Baby food jars and covered them with aluminum foil. These little May pole streamers (crepe paper ones) were held in place

with wee tiny bird clips, not much over an inch big. And one of these was our favor for the night. We also each had a tiny corsage at our place. Our Worthy President, Mrs. George Adams, wishes to thank the committees who did such a superb job of this — all the way from decorations on through the meal. And speaking of the meal, it was real good too — chicken, baked potato, salad — vegetable and the dessert was "Queen's Cake." Most appropriate don't you think? Mrs. William Wood was in charge of the program. She gave a reading on "Praying Hands" — and sang a beautiful solo to close with.

Now to go back just a wee bit — We had our Card Party y'know in April and it was very successful. The Bazaar table took in quite a bit on its goodies. The Jewelry Style Show was lots of fun and our models really were quite professional. Our models were Mrs. Gray Wagner, Mrs. George Cherry, Mrs. Richard Jones, Ann Kurtz, Mrs. Robert Weesner, Mrs. Roger Shaffer — they had on outfits that seemed to just match to perfection each set they modeled. They just wandered slowly among the tables as we played cards — it was sort of different and fun. And the dessert cake that night was yummy! We had about 150 people there — good huh?

Our big event for June will be the Rummage Sale — Hope you all have your Spring Cleaning done — and in that case have a good size load to contribute. Anyhow, if you have no way to get it to the Rummage Sale, call either Mrs. Robert Gahman or Mrs. George Adams. The Sale will be at 2028 S. Hanna from 8 a.m. to 3 p.m. The Rummage should be there by Friday night, June 7th.

Our sick list is real short again — and we're glad of that. Becky Joseph is in Lutheran Hospital — she took a tumble. The bereaved families are Dorothea Baker, who lost her father, and Jane Milhorn who lost her brother, and Ann Ackerman who lost a sister.

We will have an Initiation on June 4th and a regular meeting on June 21st and that is it until fall. In the fall we start with a Potluck September 3rd. More about that in our fall issue.

With summer coming on — this little quotation comes to mind. This was found not too long ago over the fire place in Atz's Ice Cream Parlor. I'm

sure most of you have tried some of their dainties at one time or another (sort of shut eyes to calorie count?) Anyhow here it is —

"Sad will be the day for every man when he becomes absolutely contented with the life he is living, with the thoughts he is thinking, with the deeds he is doing, when there is not forever beating at the doors of his soul some great desire to do something larger, which he knows that he was meant and made to do, because he is still, in spite of all, the child of God."

Phillips Brooks, Bishop of Massachusetts 1891-1893.

And now 'tis closing time — Mrs. George Adams (Thelma) and I do wish you all a perfectly glorious summer. Have fun on your vacations and come back to us in the fall rested and ready for a busy, such a busy fall?

Brothers, on Saturday, April 27, our lodge had its first Father and Son Banquet. This fine dinner was prepared and served by the ladies of the New Haven Eastern Star Chapter and was financed by a free will offering. The total attendance was 56 which is a good percentage of the fathers and sons in the lodge. Entertainment for the evening was provided by Brother Don Fry, who showed a movie on the training of a State Trooper and then gave a very interesting talk on the various activities of State Police work. The fathers and sons also had quite a number of questions to ask afterward, which contributed to a well rounded program.

The Brothers in the New Haven Lodge might be interested to know that our membership is growing at a very healthy rate and may increase 20 per cent by the end of the year. This, I am sure, is partially a result of the interest created by our recent remodeling program, the new Bethel of Jobs Daughters and the new Chapter of DeMolay.

On the 21st and 22nd of May our Senior Warden, Norman Long, Mrs. Long and my wife and I will be attending Grand Lodge in Indianapolis.

On Tuesday, May 28, our craft team plans to visit Home Lodge No. 342 in Fort Wayne to participate in the Master-mason degree work. It has been said that "travel contributes greatly to one's education" and I am sure that it applies very admirably here.

Brothers, mark these dates and I am sure you will be richly rewarded for doing so. June 6 — F.C. Degree, June 15 — St. John's Day Banquet at the Huntertown Methodist Church. Dinner will be served at 6:30 p.m. followed by a talk by the Rev. Philip Philbrook. Price \$1.75 per plate. Brethren, in keeping with the tradition of Huntertown Lodge and the wishes of the Grand Master of Masons of the state of Indiana, Jack F. Hewson we will ob-

serve this day again this year. I truly believe that every Master Mason and his Lady should make every effort to attend this occasion.

June 20th, 1963 M.M. Degree supper will be served at 6:30 p.m. Lodge will open at 7:30 p.m. on the M.M. Degree.

By invitation of the Huntertown Methodist Church we are invited to attend the 8:30 a.m. services in observance of St. John's Day in a body as Masons, no regalia will be worn. We will meet in the basement of the church prior to the 8:30 service and go into the sanctuary as a body and With Bro. Harold O. Martin as guest speaker, brethren, you truly have a treat in store by attending church services with us on June 23, 1963.

We at Huntertown Lodge had the honor and pleasure of raising Brothers John Childers and Floyd Hatch to the Sublime degree of a Master Mason on May 9th. To our new Brethren, we congratulate you and hope you will patronize our assemblies and truly make Masonry a part of your life. A zealous attachment to these duties will insure public and private esteem.

Brethren, I want to thank you for your wonderful attendance at our meetings. To the Brethren who for some reason or another do not attend, I wish to extend an invitation to you to join us in this fellowship. Just because your dues card shows paid, you are not a Master Mason unless you practice Masonry and become a true and faithful Bro. among us.

To our Brethren who are sick and distressed we wish God's speed for a full recovery.

See you at our next meeting.

Brethren:

A strange feeling comes over a person when the warm sunshine days soothe our troubled bodies and give us that lazy contented feeling. But this is no time for rest when the harvest is about to ripen. We should be getting the harvest barns ready for if they are not ready at harvest time the grain will ripen and fall on the ground and be lost.

I am told that there are over forty applications for remodeling and building new temples in the state of Indiana this year. This is a very marked distinction of progress in Masonry. Brethren, I ask you to go with me to the harvest field.

The Leo Lodge will cele-

brate St. John the Baptist day at the Leo Methodist Church. Let all Brethren assemble at the Church at the Divine hour and attend in a body.

Past Masters night will be held at the stated meeting on June 6. Let all living past Masters plan to attend. If you cannot attend, send us a letter that we might read it to the Lodge. We like very much to hear from the Brethren who live away from the Lodge and cannot attend.

It is interesting to read what our neighboring Lodges are doing and I urge you to read all of your Square and Compass.

Best wishes to all the Brethren of Leo Lodge and all the Brethren in Square and Compass land.

It looks as if we will be busy for awhile. Brush up on your lectures. Try and learn a new one.

A PRAYER

Grant us victory over the tyrants who would enslave all free men and nations. Grant us faith and understanding to cherish all those who fight for freedom, as if they were our Brothers. Grant us brotherhood in hope and union, not only for the space of this bitter war, but for the days to come, which shall and must unite all the children of the earth.

Our earth is but a small star in the great universe. Yet of it we can make, if we choose, a planet unvexed by war, untroubled by hunger and fear, undivided by senseless distinction of race, color and theory. Grant us that courage and foreseeing to begin this task today that our children and our children's children may be proud of the name of man.

—Exch.

A GOOD MAN AND TRUE (The Greater Light)

Freemasons should remember that they have a duty to God, to country, to fellow creatures, to family and to selves. Only men of integrity should be accepted as Freemason candidates.

The Freemason should remember above all things that his word is his bond. He should never bind himself to perform a service unless he goes through with it. He should remember that good credit, morally and financially, has to do with his honor.

One of the important things he should remember that preaching hatred against others of the human race is beneath his dignity and is certainly not fitting with the open-mindedness exemplified

in the Masonic obligation. Hatred seldom harms the object but reacts unfavorably on the physical structure as on the mind of the one who hates.

Masons should ever be mindful of the teaching of Jesus Christ who never tired for censure of the actions of others. His thought was to show a better way by the deed. Freemasons should do well to follow this teaching. Many will follow only sets a proper example. Other than a good man, true is to bring discredit to self and the entire organization.

Justice is a mighty power even though it may come slowly. The evil man will before the mighty force of TRUTH. Each Freemason should be a living example of the virtues of his own country so that it will be a place for all who live there.

Remember the parable "What a grand old patriarch was Noah. Surrounded by a universal wickedness he was upright and urged his neighbors to forsake their evil before it was too late." walks with the upright will bring them through regardless of storm or flood.

WHAT JOB'S DAUGHTERS MEANS TO ME

Susan Voss, Bethel No. 54
Awarded First Prize at
Grand Session of Job's Daughters
Pulman, Washington,
May Contest.

June 1963
When a pebble breaks the surface of a pond, ripples form. One, then another, and many more. In this case it is our Bethel, the pebble represents itself, and the ripples that stand for the things Job's Daughters mean to me. The first ripple to appear is the largest and symbolizes friendship. All the girls I have met and worked with in Job's Daughters will be true and long friends. As Jobies, we all share the same interests; and there are no class, religious, or school barriers. Friends are a great joy in my life; and as the ripple of friendship grows, it envelopes all the others. The second ripple represents honor. The beautiful ceremony of Job's life in the initiation ceremony serves as inspiration to each one of us. The respect and adoration my parents and guardians, my country and flag have instilled in me; and my love and reverence for God has been strengthened. The third ripple stands for my Job's Daughters has offered me a lot of responsibilities which have kept me busy and happy. Not only am I able to gain knowledge through these various experiences, but I am also able to help others in the community. At present, our Bethel is sponsoring a retarded child from Ellettsville. The smallest businesses delight her. Another ripple signifies all the memories I have from my years in Job's Daughters. The ideals of Job's Daughters are a way of life, and I know what I've learned in this wonderful organization will help me to become "One of

the Fairest in the Land."

The ripples seem never ending; yet one pebble cannot begin to create enough ripples to symbolize all the things Job's Daughters means to me.

THE FIRST CONSIDERATION

Are we not prone as Masons to be critical of ourselves, and perhaps of our brothers?

It is well for all Masons to study, to improve, to advance, but it is also well to realize that patience is required.

The Temple of Life cannot be rushed to completion. The victory is in how we work, as well as what we achieve. Always there must be the Spirit of Charity among those who labor in a common cause.

We are men who are striving to be better men. There is no illusion of perfection or infallibility. Masonry is a complete study of Self, and as we learn more about our own beings, we understand more that our brothers are men of like aspirations, hopes and dreams.

If we could but form the habit of saying first in our hearts — "He's my brother," we would immediately clear the path between us, and we would then leave unsaid that which might later cause remorse and regret.

Masonry will be as strong as the bond between you and your brother. There are many fine activities which Masons and Masonry may engage in, but there is no stronger foundation for us to build upon than our brother-to-brother relationship. This must be the first consideration.

—Exchange

BE SURE YOU'RE RIGHT

(Wisconsin Freemason)

Freemasons, of all men, should be deliberate in judgement, candid in construction, moderate in condemnation. If you feel moved to criticize a brother, suppose you see him first. Talk over the matter in question and discover his viewpoint. Probably, it is a different angle from that which presented itself to you. Perhaps he can tell you things you did not know. On the other hand, perhaps you can enlighten him and lead him to see the error of his way. How much better to convince and reform him than to convict and destroy. At any rate, it is a satisfaction to be sure you are right before you go ahead.

It is a good and safe rule to sojourn in every place as if you meant to spend your life there, never omitting an opportunity of doing a kindness, or speaking a true word, or making a friend. —Ruskin

MASONS ARE SUCH WONDERFUL MEN

By James Sims

Green Lake DeMolay Chapter
Seattle, Washington
(Note: This oration won first place at a contest at the annual session of the International Supreme Council, Order of DeMolay, at Miami, Fla., last spring.)

Today, we have a wonderful opportunity before us to pay a tribute to those whom we consider to be wonderful men. Our nation has been endowed with a heritage which when paralleled with the historic developments of all preceding institutions, the United States alone can be termed unique. America has been termed "The Beautiful," "Land of Plenty," of abundant resources; but in a more vital sense, much more than any of these, it is posterity's gift of life, liberty, and freedom of independence, and is by far our most precious weapon.

One hundred eighty-six years ago these basic tenets of our heritage were professed to the world in a document known to all as the Declaration of Independence. This move was called for during the Continental Congress of 1776. A new nation was born. This new way of life was thinking not in terms of yesterday nor in material values of that day. They offered their lives, their fortunes and their sacred honor that they might lend to future generations the foundations of a true democracy. To give the birthright of this new nation, approximately twenty-three of these courageous men, by far the majority, had one thing in common — all were Master Masons.

Even as the British moved on toward Lexington in those infant hours of our country, it was a Mason who held the lantern high in the tower of Old North Church and a Mason it was who caught the sign of love for his country and carried it through the night to warn a sleeping nation. Other men shared in the formation of this greatest nation on earth—George Washington, a Past Master in what is now the state of Virginia, Commander in Chief of the Revolutionary forces and soon to become our first president; LaFayette and Von Steuben, famed generals and contemporaries of George Washington; Benjamin Franklin, John Paul Jones our first Naval commander; the Carolina Swamp Fox; and famous Nathan Hale were among the first public citizens to take a stand. Furthermore, we can include a host of other patriots, including every officer above the rank of major in the Continental Army. Each man fought for basic equality among the masses, each for the true justice of individual liberty for all. In every instance in the history

of our nation, youth has risen up to the defense of the only real and true democracy on earth, and yet it can be witnessed that the leadership of these young is charged to those whose forefathers so wisely formulated the basic framework of our nation. In every instance in the history of the world where men have risen against tyranny and depression, Masons have been prominent leaders in the action, and have stood unequivocally for the preservation of life, liberty, and freedom of worship. In our present world of turmoil, we find men afraid, afraid of the tremendous power of science, afraid of themselves and afraid of each other because of the greed and ambition which are destroying individual rights and self-government.

Still, there remains one powerful tool, that the strength of liberty, public institutions, and development of tomorrow's leaders through Masonry stands alone, united, a living force among all men. These few, totaling one of each forty-five Americans, have pledged their lives, their fortunes and their sacred honor to those great principles of freedom for these past one hundred eighty-six years. These are the men who have built and protected our public institutions, secured and maintained our individual liberty and led and developed those who will be the leaders of our nation in the years to come.

As members of the Order of DeMolay, it is with gratitude and admiration that we can look to these fine men and consider them wonderful men. Consider the great service they have bestowed on their country, for the only reward they seek is the personal satisfaction that they have left some mark, some lasting heritage, exemplary of this guiding inspiration that they have for so long fought to sustain for the posterity of these United States of America.

Thomas M. Franklin — W.M.

Greeting Brothers: It is with a great deal of satisfaction that I welcome you back to lodge after a delightful summer vacation season. I hope everyone had a happy, safe vacation and is ready to face the work-a-day world with renewed vigor and confidence. Since it will be a long time until the season of outdoor relaxation is with us again I offer you the opportunity of relaxing and enjoying fraternal fellowship with us each week and participating in the conferring of degree work.

We are happy to have candidates for degree work for the month of September and your officers will welcome any help you feel free to give them. Keep your eye on the Masonic Calendar in the Sunday paper and in this manner you will know when your Lodge is at work and needs your attendance and assistance.

September 15 brings us the Annual Masonic Pilgrimage to the Indiana Masonic Home at Franklin, Ind. Brothers this is a Sunday outing well worth your time. Come with us to Franklin and see your Masonry in action and observe the results in peace and contentment which your money has provided for our aged Brothers, their widows and orphans. There is always a fine program provided for your entertainment and you will return to your home with a feeling of pride in the Fraternity and satisfaction in its accomplishments.

We will open our fall season with a Master Mason degree on Saturday afternoon, September 7 at 1:00 p.m. We will confer the degree in full on all candidates after which we will have a supper in the kitchen and you will be free in time to spend Saturday evening with your family so join with us on this day and start the fall season off in fine fashion.

Now for a word to the Ladies, bless them. The night of October 18 will be our annual Ladies Night when we pay tribute to our ladies without whose cooperation and well wishes we might have difficulty functioning. Ladies, your man might prefer to sit at home on this evening but need him just a little to get him to bring you but if he will not, you are just as welcome without him.

Up to the present time, this has been a year of which any Master might be proud and I am sure the

balance of the year will continue in the same manner. Brother Dennis and his fine Committee will have another excellent program for us at our stated meeting so come to Lodge and enjoy these fine programs.

It is with deep regret that I must at this time report the death of the mother of Brother Lawrence E. Huffman. Brother Larry has been ever willing and faithful when called upon for help in the business of the Lodge and we wish to extend to him and his family our deepest sympathy and condolences.

Get your reservations in by September 10. Call Frank Dalzell 443-5391.

Grand Lecturer Howard O. Hunter will hold Lodge of Instruction in the hall of Home Lodge, Wednesday, Oct. 9. This will be a joint meeting with Wayne Lodge. May I urge upon you the importance of your presence at this meeting.

Our best wishes for a speedy recovery to the following brothers — Carlyle H. Roose, Artemas Higgs, Alton L. Bloom, and Forrest F. Fletcher. Let's all look around us and we will see how fortunate we are and try to cheer those not so fortunate.

We were saddened this summer by the passing of the following brothers, Will F. Albrecht and Oren A. Skinner. To their families we extend our heartfelt sympathy and deepest regrets.

As Master of your Lodge, I would like to encourage and invite each and everyone of our members to come to at least one of our meetings in the next four months. Please remember that Freemasonry is not just another club. We do not have mem-

bership drives, nor do we engage in commercial activities. Our primary purpose is to promote the understanding of the Fatherhood of God and the Brotherhood of Man.

Freemasonry was once a physical activity, and art of building. As time progressed, it became something of a title, an honorary title which carried prestige and station of life. The building that is done now by the craft is that of character. The mind and the spirit is the edifice which makes men heed to their moral duty.

What we need most in Freemasonry today, is to keep alive its history and traditions. To devote a part of ourselves in practicing in our every work-a-day lives the doctrines which the craft has taught and to support in every way possible our individual lodges.

Hunter will conduct a Lodge of Instructions in the Hall of Summit City Lodge, starting at 7:30 p.m. This is a joint meeting of Summit City and South Gate Lodges, and I urge all officers to be in attendance and well prepared for their particular part of the Degrees. We will not know which Degree will be exemplified until time to open Lodge, so be ready Brothers.

During the summer, The Grand Architect of the Universe, summoned into his midst, two of our Brothers, Brother Merl Beckler of Fort Wayne and Brother Hubert Lyst of Tipton. To the families and friends of these departed Brethren we extend our sympathy and support.

Our next Social event is very near at hand. September 14 is Ladies Night, so watch for cards and please mail them back as soon as you receive them.

At our Stated Meeting in August, our very capable Treasurer, Brother Meeks, submitted his resignation in that office. Brother Meeks is being transferred out of town, and although we wish him the very best, we are sorry to see him leave. I wish to Thank you "Jim" for a job well done and for the fine cooperation you have afforded me this year. The duties of Worshipful Master would be quite difficult, were it not for Brothers

that the excellent ritual performed at the Summit City may be further enhanced and more rewarding for our members.

Although our efforts this year have been in the area of increasing Lodge activity, we are now especially interested in increasing contributions to the Masonic Home at Franklin, Indiana. Voluntary contributions by members of Summit City Lodge are only \$800.00 yearly, ranking 15th in the state. However, only seven Lodges have more Brothers or Wives in residence at the Home than Summit City Lodge. Case histories and other examples of Charity and Brotherly Love performed by the Masonic Home are too numerous and wonderful to be lightly scanned in this article. But, so impressive have been our visits to the Home that we earnestly urge you to enclose an additional amount with your dues this September. Summit City Lodge will receive Honor Roll status with \$100.00 in voluntary contributions. However, the worthiness of such contributions far outweigh any establishment's goals.

Brethren:

Well, here it is September again and most of us have had our vacations for this year. I hope all of the members and their families had a very fine summer and safe vacations, and I am looking forward to seeing many of my friends and Brothers up at lodge for the fall season.

We have petitions to vote on in our stated meeting in September. If all goes well we will have plenty of work for this month.

I would like to welcome into Wayne Lodge our two fine candidates for the month of June, Brothers George Stefura and William Duncan. I am looking forward to seeing both of you join us in this fine masonic work.

Again this fall we will have dinner every Master Mason night at 6:30 p.m. in the kitchen of the Temple. If you missed the fine meals we had last spring prepared by Celia Stabler, be sure and join us this fall. She says she has some more surprises for us.

The annual Masonic Home Visitation at Franklin, Indiana has been set up for Sunday, September 15. I would like to invite all the brothers and their families to join us at Franklin for this outing and visit with our Lodge members at the Home. As always, they are looking forward to seeing us there that day.

Kenny Ryal, our Vets Hospital Visitation Chairman, tells me our schedule for this fall is the following Monday nights at 7:30 p.m.: September 9, October 28 and December 23. We had real good turn outs last spring and Kenny is looking forward to seeing more of us with him this fall. This hour brings joy to the patients and a good feeling to you for giving.

Our annual Dinner Dance this year will be on Saturday night, November 8 in the dining room at the Masonic Temple at 6:30 p.m. sharp. Again we will have turkey and all the trimmings and plenty of round and square dancing.

The Grand Lecturer has set Wednesday night, October 9, at 7:30 p.m. as the time for Lodge of Instruction. We will again meet with Howe Lodge and they will act as the Host Lodge. We will not know until that night which degree we will exemplify.

The following Brothers have been reported sick and in the hospital since the last writing: Joseph F. Sherron, Ralph I. Pettit, Willard Garmire, Otto Markey, Freddie Gordon

and Bill Grunewald. We of Wayne Lodge hope that they are all well and back at their jobs at this time.

We are sorry to announce the death of three of our members since the last writing. To the families and friends of Brothers Herbert Grosvenor, a 50 year member, Howard L. Smeltzer and Jesse A. Ryal, we extend our deepest sympathy.

Lets all meet at Lodge in September.

By the time you receive this issue vacation will be about over and I hope all of you have had a wonderful vacation.

We trust you have returned refreshed and ready to meet the tasks which lie ahead with renewed enthusiasm, and to meet the work for the coming year.

Fall is here and we must check our crops and harvest what we have planted.

If we are to reap the harvest of masonry then we must share one another's burden and we will learn that the giver will reap more in giving than the one who is the receiver.

Our Fall activities will get underway with our Stated Meeting September 4th.

We have petitions to be voted upon and in all probability will have work on these candidates on September 11th.

Our Ladies Night will be October 30th and your officers will have tickets for this affair in the very near future. Get your tickets early as we can only accommodate so many and when we have sold these tickets there will be no more. You must have tickets before October 30th.

The following brethren have been called by the Supreme Architect of the Universe to join the Celestial Lodge above; William G. Meyer and Noble Schell. To their families and friends we extend our deepest sympathy.

The Masonic Home Pilgrimage Day September 15, 1963. Hoping to see some of the Maumee members there as it sure is a trip you will long remember. Visit our members who are there and see the new hospital.

There is always fine entertainment and you will be glad and also come away with a good feeling in your heart.

Hoping to see you in Lodge very

soon, and for the sick and shut-ins, I wish for a speedy recovery.

My Brothers: Now that vacations are nearly all over and we are back to our usual avocations, September would be a good month to come down to lodge and help in our degree work. We will have at least 2 candidates for this month, and we need you Brothers in lodge giving your officers all the support you can.

One of the outstanding events, as far as lodge activities this past summer, was St. John the Baptist's Day on June 23rd, when the lodge brethren met at the New Haven Methodist church, and attended the worship service in a body. I would like to take this opportunity to thank each of the brethren, for coming and sharing with me in this inspiring service at my church.

Sol D. Bayless Lodge extends its sincere sympathy to the family of George B. Ford, who has been called from this lodge on earth to a Glorious Celestial Lodge above.

As this article is written, we have two faithful members in the Hospital. Our good Secretary, Brother Arthur Slane became ill while on vacation, and is in a hospital in Oklahoma. Brother Ed Van Hom, the co-chairman on our hospital visitation and calling committee is in the St. Joe Hospital in Fort Wayne, where he is resting following a heart attack. We pray for a speedy recovery to these two brothers and to any other member of the lodge that we might not have known about.

We have received a letter from Howard O. Hunter, Grand Lecturer and a Lodge for Instruction will be held with Maumee Lodge No. 725 F. & A. M. on Friday, October 11th at 7:30 p.m. The degree to be exemplified will not be designated until the Grand Lecturer's arrival. This is, as per instructions from the Grand Master. Be sure and put this date down on your calendar, and if there are any Brothers who haven't attended a Lodge for Instruction, you are cordially invited to come and share with us in this enlightenment on our ritualistic work.

Have you, My brethren, ever heard or been asked the question "What is a Mason?" If so, I believe you

will agree, these following lines would be a very good answer.

"A Mason is a man and a Brother whose trust is in God. He meets you on the Level and acts upon the square. Truth is his Compass and he is ever Plumb. He has a true grip on all that is right. He is loyal to his Order and whatever his Degree, he is Master of Himself. In the Lodge of life he wears unstained the white lambskin of Innocence from his Initiation as an Entered Apprentice. He travels ever East toward the Light of Wisdom, until he receives the final — the Divine Password — that admits him into the Ineffable Presence of The Eternal Supreme Master of the Universe — GOD."

If each of us can live up to this standard, I am sure that we will merit the confidence, the brotherly love and affection of our brethren, and eventually receive our eternal reward from the Supreme Grand Master of the Universe.

Future Date — Saturday, October 12th — FISH FRY.

Hi Jobbies! I hope each and every one of you has had an enjoyable summer!

Way back in June, on the 8th, we had a bake sale. Sandy Burellson headed the committee, and several girls came out to make it a big success. We sold all kinds of baked goods and made a large profit, over forty dollars, on the project.

June 19th was Carol's last meeting as Honored Queen. We initiated six girls. It was also Majority Member Night. Carol opened her birthday bank and collected about thirteen dollars. Carol conducted her meetings with much beauty, wisdom, and poise. I appreciate all the help she has given me, particularly, and I know she has helped to guide many other of our members.

June 20th to the 23rd was Grand Council at Ball State Teachers College in Muncie. About twenty girls went down and we all had a lot of fun. Most of the girls came home with very red sunburns! Our rooms there were gorgeous. The activities were numerous, and so were the sports. Eight of our Bethel girls came back with honors. They are the following: Ellen Stanbery, who was appointed Grand Bethel Representative to British Columbia; Carol Botteron, who was appointed as Grand Bethel Reporter; Sharon Erler, who was appointed as Grand Bethel Librarian; Sue Mowery, who placed 6th in the hat contest; Patty Kelly, who placed third in the swimming contest; Janice Morton, who was asked to play the piano for Grand Bethel Installation, and who accompanied the duet of Patti

Parker and Carol Davis, who were asked by the Grand Guardian to sing at Grand Session.

I want to thank all the mothers who drove us down to Muncie and who acted as chaperones. They are Mrs. Foulks, Mrs. Mowery, Mrs. Burellson, Mrs. Weesner, and Mrs. Stanbery. And thanks to Mr. Weesner for making the trip thoroughly enjoyable! There were many others who helped in one way or another, and I want to thank them just as heartily as those above.

June 29th was my Installation. The Past Honored Queens' Club presented the Bethel with a new white dove in memory of Harriet Treace. Carol Botteron and Ellen Stanbery and their parents presented the Bethel with a Christian Flag and a staff. This was bought with some of Carol's and some of Ellen's birthday bank money and with contributions from their parents. Carol also presented two full length mirrors to the Bethel to be hung in the balcony where we dress.

I want to thank all you girls who helped to make my Installation so beautiful. And of course I want to thank my parents too. After the ceremony, a reception line was formed and cake and punch were served. There was a Grand Bethel table portraying all the honors brought back by our girls. The line officers installed were the following: Sharon Erler, Honored Queen; Laura Foulks, Senior Princess; Carole Weesner, Junior Princess; Candy Clevenger, Guide; and Sue Exner, Marshall. Also installed were the remaining officers, the protom officers, the choir, and the council members.

This summer we had a School of Instruction. Our Grand Guardian came to visit us on July 27th. Mrs. Maurice gave us a few pointers on how our Bethel should be handled. Council members and daughters came from many surrounding Bethels to the School of Instruction. We had cookies and punch after the meeting.

This fall will be a busy time. September holds many interesting activities. On September 4th at 5:30 we will have the officers, protoms, choir, and all parents pot luck supper. Following will be a practice, and then our meeting at 7:30. September 15th will be Franklin Sunday. On that day we will travel to Franklin, Ind. where the Masonic Home is situated. Any of you girls can go, so don't forget! Also, we need parents to drive us down there. So get your parents to go, too!

September 18th will be Past Queen's Night at 7:30.

Of course we are all looking forward to September 21. That is the night of our Hayride at Meyers Barn.

October 2 will be pmlen night, so protoms, get gusy and learn those parts!

I hope all of you girls will come to the meetings. It means so much to see a large (and I do mean large) group of girls on the sidelines. No organization can survive without supporters.

See you soon, Jobbies. This is your trusty Honored Queen signing off for this month!

What happened to our summer?
We really can't say —
But it surely must be taking wing

And is swiftly flying away.
How could it be September here?
Where did the summer go?
What happened? Here's the answer —

Isn't strange at all:
Old Mother Nature's Summer
Is changing into Fall!

The children will be hurrying back to school

With eager (?) marching feet.

Totally indifferent to whether it is being run under Plan I or Plan II—

Whether with daily prayer or prayerless.

But parents will relax and rest assured

That their offspring will continue to be

Taught the best of what's old and what's new—

From GOD'S Master Plan and love from above.

We trust all sojourners had a pleasant summer whether it was spent in work, travel, resting, outdoor living or in just being helpful to others as occasion arose.

Fall activities in Miriam Shrine will begin with a pot luck dinner on Friday, September 13th at 6:30 p.m., followed by a stated meeting at 8:00 p.m.

Special events coming up soon include a Ceremonial which is planned for October 11th.

State Shrine Association will meet in Indianapolis on Saturday, October 12th. Let's try for a good attendance.

A rummage sale was conducted on July 20th at the Hanna Street location. We can report it was a success, thanks to the assistance of Sojs. Dale and Reuah Davis, Ann Robinson, Violet Diehm, Marguerite Harkless and your W.P.H. Myrtle Glass.

September Calendar:

Cheer Committee will meet with Florence Nahrwald on Tuesday, Sept. 3rd at 1:30 p.m.

Ways & Means Committee and Social members will be notified of the date of their meetings.

Soj. Helen Gorrell, chairman, announces the roster of names is ready for distribution to her Personal Contact Committee which will meet in September.

Illness Reported:

Sojs. Lloyd Leas and Catherine Schell were in Parkview; Sojs. Ellen Harkless was in Lutheran.

Illness in Families:

George Blue, brother of Mabel Metzner, in Lutheran; Husband of Lydia Koop ill at home; Son-in-law of Blanche Gebert injured in plane crash; Brother-in-law of Reuah Davis in St. Joseph's Hospital.

Deaths

Myrtle Kinsey, a sojourner in our Shrine for v5 years, passed away on July 28th.

Deaths in Families

Noble Schell, son of Catherine Schell; Vern McComb, brother-in-law of Edith McComb.

To those who have been ill, we trust you will have a speedy recovery, and to the families who have suffered a bereavement, we extend our sincere sympathy.

Freemasonry doesn't mean free from attending meetings. The lodge needs you and you will always get something every time you go to a lodge meeting.

Ho, brother, it's the hand clasp and the good word and the smile

That does the most and helps the most to make the world worth while!

It's all of us together, or it's only you and I.

It was a very warm day in August outside, but the warmth inside was also that of friendship and fellowship. This was August 3, when Fort Wayne Chapter held a reception honoring Brother Clayton Herick and his appointment as Grand Sentinel of Indiana Grand Chapter. It was also the day of our Inspection, shared by New Haven Chapter, OES.

The reception was held on the mezzanine at 4:00. The gift table was covered with a gold cloth on which rested an open Bible made of styrofoam, the serving table was covered with a gold cloth. It was lighted by ornamental candles, and canapes and punch were served from beautiful silver service by Past Matrons.

The program was held at 5:00 in the Commandery Room. All were welcomed by Worthy Matron Pat Walker. The invocation was given by Rev. Traverse Chandler. Brother Clayton was escorted to the East; while standing at the altar Sister Pat and Brother Frank Bidlack sang "Gentle Hands." Clayton was then escorted by his wife, Sister Helen, to three "devils" who led him East through a church aisle formed by the "Go-Swifts" who were singing "Hallelujah!"

The group was led by Past Worthy Grand Patron Bradley Swift, and Past Grand Organist Julie Atz. Brother Clayton was presented an Eastern Star "Hymnal" by Past Worthy Grand Matron Helen Gore and Past Worthy Grand Patron Bradley Swift. The very clever program was the dedication of "Clayton's Chapel," by "Clayton's Country Cousins." The dedication was led by "Deacon" Dorman Walker. In the northeast corner of the room there was the front of a church in front of which the "Country Cousins" congregated. During the dedicatory speech tribute was given to Brother Clayton and the pride we all have in his appointment as Grand Chaplain. Clayton was allowed the privilege of unveiling the name plaque of the chapel. Clayton thanked all for the program and said he felt quite humble at having a chapel named for him, that was the privilege of a very few and he was deeply touched. Brother Clayton introduced the Grand Family and thanked Past W. G. Matron Helen Gore and Past W. G. Patron Bradley Swift for his original appointment and W.G. Matron Helen Spencer Garriott and W.G. Patron Ivan Bridgewater for his appointment as Grand Chaplain. The program ended in a prayer by Rev. Chandler.

At 6:00 a delicious banquet was served in the dining room. The head table was backed by a star studded backdrop on which was a shadowbox with the words "Let Your Light Shine." The tables were lighted with pink and green candles and lamp chimneys set on large styrofoam stars, at each place was a miniature basket in which was a small open Bible and pink roses.

At 7:15 a Bible Ceremony was held during which the personal Bible of Worthy Grand Matron Helen Spencer Garriott, which rested on the altar, was signed by the Worthy Matrons and Worthy Patrons of Fort Wayne

Chapter and of New Haven Chapter. This was followed by the Baby Dedication at which the children of Sister Marvel Monroe, Brother Howard Sister Ethel Daubs, Sharon Wells and Mizie June Clayton were

cated.

At 7:30 Inspection of Fort Wayne Chapter and New Haven Chapter

held. The Fort Wayne Chapter closed

FRIENDSHIP MAKES A POOR MAN RICH
(Exchange)

To have a good friend is one of the highest delights of life; to be a good friend is one of the noblest and most difficult undertakings.

Friendship depends not upon fancy, imagination or sentiment, but upon character. There is no man so poor that he is not rich if he has a friend; there is no man so rich that he is not poor without a friend. But friendship is a word made to cover kindly, unpermanent relationships.

Real friendship is abiding. Like charity, it suffereth long and is kind. Like love, it vaunteth not itself, but pursues the even tenor of its way, unaffrighted by ill report, loyal in adversity, the solvent of infelicity, the shining jewel of happy days.

Friendship has not the iridescent joy of love, though it is closer than is often known to the highest, truest love. Its heights are ever serene, its valleys know one must cultivate a capacity of faithful disinterestedness, a clear discernment.

Existence becomes true life when it merges with the lives of others.
By Robert P. Turner
It is hoped all of Star of the East's members enjoyed a safe and most pleasant vacation during the months the chapter was dark. It's always nice to greet all the members whom we haven't seen for a while at the fall potluck and at the committee and club fall meetings.

Our chapter's Program Committee will be in charge of the fall potluck, which will be held on September 10th at 6:30 p.m. Do put a circle around the date and plan to attend the chapter's first fall function, each member is asked to bring his own table service and a covered dish. The Program Committee will furnish and prepare the meat, rolls and coffee.
Friend's Night at Star of the East Chapter will be held on September 24. This is always a well planned and most pleasant evening.
Rummage sale date and place has been changed to September 26 and 27 at 2031 So. Lafayette. Pick-up calls can be made to: 748-0347; 426-9564; or 422-9524.

SUCCESS
A man is successful when he refuses to slander even his enemies; when he does not expect to get paid for everything he does; when he does not wait until tomorrow to do the things he might do today; when he is loyal to his employer and to his associates; when he intelligently cooperates with others and is tolerant in thought and deed; when he studies constantly to prepare himself for a higher position financially and in the estimation of his fellows.
People who do not know how to laugh are always pompous and self concealed. —Thackeray

Harvest Thoughts
Whoever reaps a harvest
Matured by sun and rain,
Sees more than seed and fruitage
And more than measured grain.
He knows, with heart uplifted,
Returning from the fields,
Man only plants, believing —
God gives the harvest yield.

We've been on vacation for quite some time.

Gone to the lakes where the fishing was wise;

Travelled the highways from coast to coast

Returning home to a most congenial host.

The summer is almost gone and Autumn is here.

It's time to begin action for a successful year.

Try coming to meetings every other Wednesday night

Where, with friendly greetings, everything will be bright.

Let's study our verses, no matter the size,

For it's so nice to be able to memorize.

Our ritual consists of movements that rhyme,

Please come early, so we can start on time.

We're so sorry for the loss of a member this summer, H.L. Della Sheets. H.L. Ruth Riley our Grand Secretary was in an auto accident and is having trouble recuperating from it. H.L. Dorothy Kraft, Past Grand Royal Matron, also had some bruises from an auto accident.

One of our own members, S.K. Vernon Reed lost his mother just recently. H.L. Lucy Shedron who has been very ill for some time is now at the home of her son, LeMar.

S.K. William and H.L. Nettie Maxwell attended Supreme Session in Denver, Colorado in July and report a very good time was enjoyed, both the Session and the beautiful scenery all along the way.

Our first meeting in September will be a potluck at 6:00 p.m. September 11th in the K. of P. Hall, and the second meeting Sept. 25th is a stated meeting. Friends Night will be held on Oct. 9th and visitors from various Courts will be asked to participate.

H.L. Velma Schane, our Royal Matron attended the summer Ice Cream Social at Gary, Ind., which was a grand success. She also went to the Grand Courts picnic at the Masonic Home, August 18th. Sir Knight Weaver and H.L. Bessie Carmer visited his son and family in Wisconsin this summer. Probably many others have had visits and trips, but haven't received the news yet!

There is plenty of room for all in this world, but not all of can have front seats.

Well How dee do Folks—

The fall season is not quite here with the writing of this — but by the time it is in print, we will be well into fall activities.

Mrs. George Adams hopes that you have all had a restful and happy summer and are all ready to hop on a Merry-Go-Round for another year! We do all sincerely hope that this has been a wonderful summer — one to look back on happily — as ours has been.

Our fall program starts on Tuesday, September 3rd (Day after Labor Day) with a Pot-Luck at 6:30 p.m. It will be a Potluck all the way — just bring a covered dish of your choice — and table service. Let's try to make this a real bang-up success to start the ball rolling for the season.

Then on your calendar, circle the date September 17th — that will be our night to entertain Past Presidents. And we do need a crowd then for sure! The Cancer Sewing Meeting date is September 23rd — and we'll let you know where at the meeting on the 17th.

And just to help you with your fall cleaning — ugh! Well — yes it will help but the thoughts of time for fall cleaning? ? ? Our Rummage Sale will be on October 12th — and we need lots of stuff — don't throw anything away — let us do that if it is just impossible and I'm sure it won't be.

Now just a few lines on who has been ill during the summer. Alta Warner is in Lutheran Hospital, Bee Houlthorn had surgery at Angola and is improving at home, Marie Hayes also had surgery and is coming along fine at home. Becky Joseph is much improved. Then we had Ann Kurtz, Jane Millhorn, and Helen Crampton and her husband who are now feeling better. Thomas Houser has just returned from Mayo's.

There were also a few deaths during the summer — the father of Ocie Cope, the brother-in-law of Emma Schell, the Aunt of Ethelreda Reklau, and the brother-in-law of Alta Dixon.

And now for a few lines I would like to share excerpts from a little booklet that I like real well entitled "Your Next 12 Hours." It sort of fits the beginning of a season as well as the beginning of a day — and in these times, we all should take time for reflection? Each paragraph starts JUST FOR TODAY —

"I will try to live through this day only, and not tackle my whole life problem at once."

"I will adjust myself to what is, and not try to adjust everything to my own desires."

"I will exercise my soul in three ways: I will do somebody a good turn, and not get found out, I will do at least two things I don't want

to do — just for exercise. I will not show anyone that my feelings are hurt; they may be hurt, but today I will not show it.

"I will be agreeable. I will look as well as Icon, dress becomingly, talk low, act courteously, criticize not one bit, not find fault with anything, and not try to improve or regulate anybody but myself."

"I will have a program. I may not follow it exactly, but I will have it. I will save myself from two pests: hurry and indecision."

"And this is the final paragraph — "I will give back to God this day before going to sleep in this covering prayer: "O Lord, Thou knowest how I live; All I've done amiss, forgive; All of good I've tried to do, Strengthen, bless, and carry through; All I love in safety keep — While in Thee, I fall asleep."

And now just a little gimmick to try this fall — Get a name from Thelma Adams or the Recorder of someone you don't know — call them and make a date to attend a meeting with them — y'know the ole bit — every member — bring a member — let's just try to double our attendance huh??

The mighty spirit of Masonry is not to be found in the web of mythology woven around it, nor in the mantle of mysticism with which it is clothed. The heart of Masonry is to be revealed in its simple precepts and plain teachings, and it is only when Masonry speaks from the heart that men are moved to higher aspirations and nobler lives by its powers.

The Orphans' Friend & Masonic Journal

Bob was visiting a friend who wanted Bob to meet an Indian with a remarkable memory. Bob asked the Indian what he had for breakfast July 12, 1940.

"Eggs," replied the Indian.

"Bah!" said Bob. "Everybody has eggs for breakfast."

Two years later, Bob saw the same Indian. Bob raised his hand, and said "How."

"Scrambled," replied the Indian.

THE BLACK BALL

By Howard S. McIntire
(In the California Freemason)

There is no one thing that causes so much trouble in our lodges, so many disappointments, as the wrong use of the blackball. To see a man we know as of excellent character and worthy, denied admission to the fraternity for personal spite, tests our confidence in human nature as we see the teachings and tenets of our beloved Fraternity go unheeded.

Yet the blackball is necessary for our very existence, and any change in the law would be unwise. The absolute right to cast a secret ballot is one of our landmarks. So long as there creep into our Masonic lodges men who are unworthy, who become members for purely selfish motives, who have no conception of what real Masonry is, just so long will there

be the wrong use of the blackball. If it were possible for the Masonic Fraternity to eliminate selfishness and hatred from the minds of its members, it would succeed where all the philosophies and religions of the world had failed.

The only thing that we can do is to guard our portals well, see that no unworthy member is admitted, and if possible, educate our members in the teachings and principles of genuine Masonry. Let each member compare the candidate with himself. Let him place himself and the candidate on the same level, and then in the white light of absolute justice, fortified by an accurate personal knowledge of the candidate, decide whether he is as good a citizen and as upright a man as the candidate, and vote accordingly. When this is done there will be less unjust use of the blackball. We must remember that probably more real harm has been done the Masonic institution by the wrong use of the white ball than the wrong use of the black cube. Nevertheless, when the black ball is used unjustly, it is better to leave it in the silence which should follow the ballot. The brother who offended must be left to his own conscience.

THE WILL TO DO

Religion that does not bear fruit in conduct is not real. No matter how wonderful may be the feeling connected with it, and no matter how thought-provoking may be its intellectual content, the fact remains that "faith without works is dead."

The tragedy of the brilliant thinker is that he frequently does nothing about it. The same may be said about one who has great capacity for emotion. Jesus understood this when He said: "Why call ye Lord, Lord, and do not the things I say?" There are many who pay the Lord the allegiance of tongue and thought, but are not conspicuous about their Master's business.

It is easier and pleasanter to be a thinker or a feeler in religion and let it go at that, because it is the doers who get the hard knocks. The world objects very little to religion until it attempts to change things. Then begins the criticism.

Could we but learn to think thoroughly, feel strongly, and act decisively, we would be on the way to a balanced attitude toward life and God.

This column is being written on the beautiful campus of the University of Colorado. As this is written, the timeless Rockies lifting their snow capped summits to the azure skies, may be seen through my window.

I have had the wonderful opportunity of traveling into those mountains and looking into beautiful valleys from some of the peaks. Such an experience truly makes one wonder "What is Man that God is mindful of him."

The time will soon be upon us to resume our labors in the Chapter. The Fall activities will begin with dinner at 6:30 on September 19 preceding our regular Stated Meeting. The dinner will be the "Traditional" Ham and Beans.

Since our All Degree Day has been set for Saturday, October 19th, we will not have much time to bring in petitions. So, contact that Brother again and convince him that Further Light he receives in the Chapter Degree will be an experience he will never forget.

Brothers, it gives me pleasure to report that our DeMolay Chapter continued with organizational plans throughout the summer and now has a functioning Chapter with installed officers. The boys served a pancake breakfast to raise money for paraphernalia and they have participated in the baseball tournament this summer. More activities are in the planning stage, especially preparations for degree work. Again we would like to thank the Fort Wayne Chapter of DeMolay, along with Brother Herrick, Brother Ehrman, and Brother Tucker for their help and assistance in organizing the New Haven Chapter of DeMolay.

Plans are also continuing with respect to improving our lodge facilities. Installation of doors and frames leading to the dining room and new ovens for the kitchen have been approved. The next project coming under consideration is a stairway to the balcony to make available more storage space. We have also recently received six new tables and several folding chairs for the dining room. Many thanks for this contribution to the New Haven Chapter of Eastern Star.

We have degree work scheduled for September and a lodge of instruction scheduled for October. The lodge of instruction will be held at Monroeville on October 1, 1963, with the degree to be exemplified, announced by the Grand Lecturer at the time of his arrival.

Brethren: The Calendar year 1963 is fast approaching the end. Let us take an inventory of our Masonic activities, and strive to make the year 1964 an improved year. One question to ask yourself: What were my intentions in becoming a Master Mason? Most of us would answer the above question by stating, "Self Improvement," and I would believe it would be a correct answer, but how many of us have let ourselves down, and are not getting what we petitioned for. Brethren through the years, have we lost sight of our original intentions? A good Mason is an informed Mason and the best place to become an informed Mason is in Lodge — See you in Lodge.

We wish to extend our deep sympathy to the families of Brothers Ports Holbrook, Forest Gump and Conrad Beltz who have been summoned to their final resting places.

Huntertown Lodge had the pleasure of raising Brother Jim Emrick

to the Sublime degree of a Master Mason. Brother Jim's father, Clifford, is also a member of Huntertown Lodge, and very ably assisted in the degree work, which was very impressive. We welcome you Brother Jim and hope you continue to show the interest in the future, as you have shown us in the past.

A little boy at a family party asked a Past Master what the letter "G" stood for. The Past Master explained that it was the initial of George Washington. The lad responded: "I'm certainly glad to learn that, you know it used to be a secret." See you in lodge Brothers.

Brethren:

Brethren:

The deadline for the Square and Compass comes upon you much more quickly than you expect and if you have been busy it comes even more quickly.

Leo Lodge has been very busy. Past Masters night filled all chairs but two. There were eleven past masters present. Artie Fredericks was the oldest living past master. All of these great leaders related the highlights of their terms of office.

St. Johns Day was observed in June with the Lodge attending in a body a service at the Leo Methodist Church.

We did not go dark this summer due to the heavy program of the organization and disposed of some very important business on the eve of the Fourth of July. Stated meeting in August found every officer in his place but one. Entered Apprentice Degree will be conferred the third week of August. Fellowcraft will be given in September. Oct. 7, 1963 will be a Lodge of instruction at Leo. for both the Harlan and the Leo Lodge. The instruction will be given the Grand Lecturer, Brother Howard Hunter and the degree will be announced upon his arrival. All brothers are urged to study your work and be ready for anything.

Oct. 12, 1963 has been set for the big chicken barbecue for all members and their families to be held in Cedarville Park.

Your Worshipful Master was privileged to sit with the Board of the Hospital at Franklin, Ind. Here I saw the work of a Great Hospital conducted by some of the States most capable men. I was given red carpet treatment and a most excellent dinner. But every person in that Hospital received the same thing that I did. Now is that not a wonderful Masonic practice?

Masonry is not a coat to be put on or taken off as one desires. It is not a character to be assumed when respectability is advisable, and cast aside and forgotten whenever an individual chooses to violate the law of the land, or indulge in the lower or baser sides of nature. It is a rule of conduct which once adopted must be everywhere practiced until death or expulsion releases the obligation.

WHAT MASONRY HAS DONE

(Masonic News)

It has led men to aim at a higher and purer life.

It has made men appreciate a higher and nobler manhood.

It has made men understand better the problems of living.

It has taught men how to die.

It has permeated the whole world with its principles.

It has raised the fallen and rescued the depraved.

It has clothed the naked and fed the hungry.

It has built homes for the sick.

It has educated the ignorant and sheltered the fatherless.

It has helped the church to ameliorate the condition of unhappy humanity.

Its influence has benefited governments in establishing justice and destroying despotism.

KEEP THIS IN MIND

(The Indiana Freemason)

Friendliness and brotherliness should be stressed to the limit in Freemasonry. The practice of these relationships generate more power in fraternal life than about all the other things combined. In fact without a feeling of close kinship among Freemasons, little may be expected from other phases. Every Freemason is truly a brother to every other Freemason, and it is well to keep this thought in mind.

DULY AND TRULY PREPARED

The following is a copy of a framed statement which appears on the doors of the preparation room of every Lodge in the State of Nevada:

"Before you enter His Holy of Holies, ask yourself in your innermost heart, 'Am I duly and, truly prepared?' If you will listen you may hear a voice within saying, 'It is a brother desiring admission.'

"Can you enter this sanctuary this night as, indeed, a brother? Have you divested yourself of the garments of hate, envy, jealousy, deceit, hypocrisy, and put on the robe of brotherly love? Can you stand before the Holy Altar, which recalls to your mind memories of bygone days, and looking into the eyes of your Worshipful Master extending a greeting to those about you?

"Can you enter the lodge tonight with a desire not only to receive, but to give?

"Should you entertain a spirit of enmity in the slightest degree for a brother in this lodge, go in, take the hand of that Brother in yours, talk it over with him in the fraternal spirit that you should, and watch the mist disappear and the sunlight of Masonic Brotherhood illuminate your heart and his. Just try, brother. You will not be disappointed."

STUDYING HISTORY OF MASONRY

(The Ohio Mason)

There is a mistaken idea that one who looks into the past does so because he refuses to live in the present.

There are those matters which affect the individual, something which decreases happiness, by turning to the past, and in such cases, a review of other days may prove an idle gesture.

However, for the Mason to travel over the path of Masonry, to trace its footprints over the many centuries and to understand its mission for the present by understanding what it has achieved in the past, is of highest importance.

The individual Mason, regardless of his contribution to Masonry, whether it be large or small, must admit that every effort is directed toward building upon the strong foundation of the past.

It is the Mason's desire, his enthusiasm, his willingness to add to the structure, not to erect a new one, which is the work cut out for Masons of every generation.

The more we contemplate on the history of Freemasonry, the more we see of its effort to secure and maintain freedoms for all people, and the more we see what it has done in the struggle for the rights of man, the better are we equipped to apply Masonic teachings to the present.

Let us use the past to make a stronger present and future.

One cannot say too much in praise of a good lodge secretary. Undoubtedly he is a "gem of purest ray serene," and such are "born, not made." If your lodge has a good secretary, hang on to him; if you have a poor one, make a change as quickly as possible. For it is on the work of a good secretary that a successful lodge depends at least 90 per cent. Some few secretaries may be paid too much, but a large majority of them are paid entirely too little. An ideal secretary will neither feel that he is the whole lodge nor attempt to run it his way, but will in all things pay deference to the master for the time being and be a power for good in the lodge at all times. A good secretary is a priceless jewel, by all means retain him as long as you can.

THE DEATHLESS LIFE

I feel myself the future of man like a forest once cut down new shoots are stronger and than ever. I am rising, I know and the sky. The sunshine is in my head. The earth gives me its generous sap, but heaven lights the reflection of unknown worlds. What the soul is nothing but the ant of the bodily powers. What is my soul so luminous when my powers begin to fail? What my head, but eternal spring in my heart. I breathe at this hour the fragrance of the lilies, the violet, the roses, as at twenty years nearer I approach the end of my life. I hear around me the symphony of the worlds which invite me to marvelous, yet simple. It is a tale, and it is history. For a century, I have been writing thoughts in prose and in verse, philosophy, and song. I tried it all. But I feel that I have said the thousandth part of what is in me. When I go down to the tomb I can say like many others: 'I finished my life.' My day's work will begin again the next morning. The tomb is not a blind alley, a thoroughfare. It closes on twilight; it opens on the dawn. Victor

LIFE IS ETERNAL

I am standing upon the shore of white sails to the morning breeze starts for the blue ocean.

She is an object of beauty strength and I stand and wait until at length she hangs like a veil of white cloud just where the sky come down to mingle with each other. Then someone at my side says: "There! She's gone."

Gone where? Gone from my sight that is all. She is just as majestic and hulk and spar as she was when she left my side, and is able to bear her load of living to the place of destination.

Her diminished size is in me in her; and just at the moment someone at my side says, "There! She's gone," there are others watching her coming, and others are ready to take up the glad cry: "There she comes!"

PUBLIC MORALITY

Editorial by Ralph T. Moore, P.G.M.
(In The Oregon Freemason)

An incident occurred recently during a nationally televised big league ball game that points up the general deterioration in our public morality, particularly as it concerns our ability to distinguish right from wrong in the little things of life. A foul ball had landed in the stands and a little boy who retrieved it threw it back onto the playing field instead of pocketing it as per the usual. The crowd was silent for a moment from shocked surprise and then greeted the act with mixed applause and jeers.

Of course this return of the ball to its rightful owner was a small thing and entirely unconventional as things go now. And no doubt the host club does not mind ball-pocketing by spectators as long as they pay their admission in sufficient numbers. But the fact remains that the ball was the property of the club and its pocketing, being neither payed for nor contemplated in the price of the ticket, plainly constitutes petty larceny. And this habit, now general in all big league ball games, is one of the less lovely attributes of the American public. One wonders how it ever got started.

Our national tendency to disregard our own amenability to the disciplines of the law while insisting on strict observance by others, our growing habits of pilferage in super-markets and our sticky-fingered custom of picking up anything that's loose and

unattended, exhibits all too clearly a laxity in moral fiber and a contempt for the disciplines of freedom. It provokes the honest question as to what Americans have to offer that would induce our friends abroad to emulate our example.

These lessons are the very substance of Freemasonry, that a man is to be self-reliant, obedient to the restraints of conscience in all things, and above all, to be completely trusted at work or play. To compromise any of these attributes is to destroy the soul of Masonry. For the philosophy of the Craft is merely the implementation of the secret desires of every man to serve his God, his family, and his community with a selfless dedication that makes for the ineffable joy of life's satisfaction and the serenity of true contentment. That is the business of Freemasonry and the bounden duty of all of us as M.M.s.

Who knows but what the hand of Providence guided the act of this little boy in his display of rectitude and propriety in the face of an adverse public opinion. For the Great Architect has often taught us the big things of life through His guidance in the little things. One recalls the remarks of our Master on a certain occasion during his ministry. "And a little child shall lead them."

I am very grateful for the fine attendance and assistance from the Brothers, who supported South Gate during the August Degree work. From the E.A. to the M.M. Degree, we enjoyed the usual South Gate Fellowship and true Craftsmen. I am sure our new Brother, Robert Mann, will long remember these few weeks.

Our Master Mason breakfast was again a great success. I wish to give special recognition to the Brothers who toiled over the hot grilles to make those delicious pan cakes. Bros. Fleck and Baumgardner were responsible for the event, and we thank them.

Don't forget October 8, the night our Grand Lecturer will check our proficiency. Let's plan now to attend. All Officers are required to be present and well prepared for all degrees.

Our Ladies Night Banquet for 1963 is now past. It was very disappointing to see such a small group. We had a wonderful evening and enjoyed the stories as told by Mr. Nelson Snyder.

Our next Social event is Family Night. Watch for cards and announcements.

South Gate Lodge has always been active in Visitation duties at Vets Hospital. For some unknown reason we have recently slipped. Our Chairman, Bro. Paul Muller and our Co-Chairman, Bro. Dorsey Powers have done an outstanding job for the Lodge, but your help is urgently needed. Call one of these Brothers for dates and visitation and details. We must continue this worthy cause, so please lend a helping hand.

Much has been said and much has been done to increase attendance at Lodge meetings and Social events. I wonder if ever a Master has served a Lodge without being depressed over these things? I have yet to find one. Several times during the year I have asked for your opinions and suggestions, as yet I have heard from no one. We, the officers, plan work and events which we feel will give the most Fellowship and enjoyment to our members. We are always open for new ideas, so let's hear from you. We know it is impossible to please everyone, but we try.

October is upon us and finds us well into our work of the Fall season and as your lodge is blessed with a goodly number of worthy candidates, it appears very likely that your Lodge will continue with degree work on every Tuesday evening until time for the annual meeting in December.

Along with our degree work this Fall, let us not forget our Veterans Hospital Visitation Program. Our first visit of the Fall season will be on Monday evening, October 14. Let's all turn out on this evening and give Chairman Ted Arthur all possible support in his efforts.

October 10 will be our annual Lodge for Instruction. Three Rivers Lodge will meet with Waynedale Lodge and the Grand Lecturer, Brother Howard Hunter. The degree to be exemplified will not be announced until that time so let us all be at Waynedale Lodge Hall at 7:30 p.m. on the night of October 10th and give your Lodge and officers a big helping hand and also a fine representation to be entered on Brother Hunters report to Grand Lodge.

September 15 was the annual Visitation Day at the Masonic Home at Franklin, Ind. and any Brother who did not make the Pilgrimage with us has missed what is one of the high points of any Masonic year. A fine program is always presented for your benefit and you have the opportunity to visit with our aged Brothers, their widows and orphans.

Our Fall season degree work got under way on Saturday afternoon, September 7 at which time our two newest Brothers were raised to the Sublime Degree. Our two fine candidates on that day were Brothers Donald Doxoe and Harold Hayes and it is with a great deal of pleasure that I welcome them into our Brotherhood and invite them to enjoy a full participation in all the activities of the Lodge.

Brothers, enjoy and live your Masonry. Join with us in Lodge on Tuesday evenings and participate to the best of your ability. Remember what we get out of Masonry is governed to a large degree by what we put in it.

Brethren: As the fall months rush upon us, and our Lodges are back in full swing, one of the first things we think about in our degree work is the Lodge of Instruction. As I mentioned in the September issue of the Square & Compass, this will be held on Friday, Oct. 11 at 7:30 p.m. with Maumee Lodge No. 725. Howard O. Hunter, Grand Lecturer will be our official guest and we welcome you one and all to come and witness this important part of Masonry.

Also this season brings to us our annual Fish Fry which will be held on Saturday, October 12 from 5:30 to 7:30 p.m. Tickets are \$1.00 for adults and 50 cents for children, and you may get them from any officer, or Henry at the Cigar stand or purchase them at the door that evening. This is for members and friends of Masonry in general.

We welcome into our Lodge, two new Masons, Brother Verle Lee Hanford and James Alfred Purkhiser. They received their degree work this past month and we are proud to have them as members of Sol D. Bayless.

This month of October is also the month that your due notices are sent out. When you pay your dues be sure and send your voluntary contribution for the Masonic Home along with them. There is a definite need for this money at our Masonic Home in Franklin, and every dollar received will surely be appreciated and used wisely. Your Lodge has been a member of the 100 per cent per capita group for two years now, and I am sure you, as members of this excellent order want to maintain this excellent record.

In the past month the Grand Architect of the Universe has called to the Celestial Lodge above two of our members; Brother John A. Wass who passed away September 13 in Homewood, Illinois where he lived; and Brother James H. Richards, a Past Master of Sol D. Bayless. To their families and friends we extend our heartfelt sympathy. Our prayers and best wishes for a speedy recovery go out to those of our membership who are physically unable to be with us in Lodge. May we offer this prayer for the sick and those in sorrow. Our most gracious Heavenly Father, we give thee thanks for supporting us through our trials and tribulations. We pray that Thou will look upon our Brethren with Thy Healing Hand. Comfort, we pray, those who especially need Thee that they may have the strength to show others Thy love. Give us, we pray,

wisdom and strength to continue support all important undertakings. We will always give Thee the praise and thanks forever. Amen.

October holds promise of an activity filled month for Summit Lodge. Many petitions have been received and we will undoubtedly be opening Lodge early in the month of the EA and MM Degrees. Plan to join us as we welcome new candidates into Masonry.

One of the most unique and while Masonic meetings will be on Tuesday, Oct. 8th, when we will join our Brothers of South Gate Lodge in a Lodge of Instruction conducted by the Grand Lecturer. At the conclusion of this meeting, you will find that many of your questions regarding Masonic History and the meaning of ritualistic procedure have been answered.

We are fortunate, in Indiana, have available through our Grand Lodge, the Indiana Freemason's finest monthly Masonic publication. Meet me in St. Louis. By the time the message goes to press, our Officers and Brethren will be returning from the 14th annual Tri-State Meeting in St. Louis, Mo. I'm sure every- one had a fine time renewing old acquaintances and making new ones. Thanks to all the Brethren who supported this trip.

Wednesday, October 9th, the District Lecturer, Brother Howard O. Hunter will conduct a lodge of In- struction in the Hall of Home Lodge, starting at 7:30 p.m. This is a joint meeting with Wayne Lodge. The De- grees exemplified will not be ex- emplified until Brother Hunter's ar- rival. May I urge upon the Officers the importance of your presence and attendance on the degree requested.

Veterans Hospital Visitation Mon- day, October 21st at 7:30 p.m. Please come and stretch forth your right hand to raise the hopes and spirits of our less fortunate brethren. Our duty is our most treasured posses-

Brethren:

Our fall season got off to a fine start with a large turn out for our September stated meeting. If this is going to be the trend for the fall season, it will make your officers very happy.

At this writing we are on the eve of the EA degree. At our stated meeting in September we also in- stituted George Nuff, who has just retired from the Navy and started his own business in California. Good luck George. If you ever get back to Fort Wayne, look us up. We also read two petitions for October so we will have enough work to keep all of us busy this fall. Don't forget that we will have dinner in the kitchen every Master Mason Night at 6:30 p.m. Don't miss them.

On Wednesday night, October 9, at 7:30 p.m., Wayne and Home Lodges will have the Lodge for Instruc- tion. I would like to extend to all of you Brethren a cordial invitation to attend this fine meeting and see just how good your officers are in the eyes of our Grand Lecturer, How- ard O. Hunter. The degree to be exemplified will not be designated until that evening.

One of our Brothers was called to the Celestial Lodge above in Sep- tember. To the family and friends of Harry L. Nills of Van Wert, Ohio we extend our deepest sympathy. We

had the pleasure of having Brother Elmer E. Myers, Past District Deputy of Ohio, assisting in the services.

Our next visit to the Vets Hospital will be Monday, October 28 at 7:30 p.m. Kenny is looking forward to seeing many of you Brethren there. Our attendance was cut short in Sep- tember as your Master and officers travelled to Van Wert, Ohio for fun- eral services the same evening.

Our annual Dinner Dance this year will be on Saturday night, November 9 in the dining room at the Masonic Temple at 6:30 p.m. sharp. Again, we will have turkey and all the trimmings and plenty of round and square dan- cing. Tickets will be available about October 1 from your officers and at Henry's cigar stand on the second floor.

We have at this writing two Bro- thers who are on the disability list. Brother Ralph C. Hardy who is re- covering at home from a crushed foot, and Brother Robert Gaskill a 50 year member is at the Vets Hos- pital in room 3E 564.

I'll see you in lodge in October.

October finds us in our Fall sea- son, with petitioners knocking at the door of the Lodge. Hoping to see every Brother at Lodge with a helping hand to assist us.

September 15th was our visitation to the Indiana Masonic Home. Maumee Lodge was represented by a small group, but they came back with re- newed admiration for the work the Brethren are doing for our distressed Masons and their Widows.

Maumee Ladies Night will be Oc- tober 30th, this will be another won- derful evening for the Ladies.

All the Officers have tickets and they also can be purchased at the Temple. Get your tickets as soon as possible as we have only so many we can sell.

Our Hospital Visitation will be Oc- tober 7th. I would like to see a very nice turnout for this night, 7 p.m. at the Veteran's Hospital.

We have 2 new Master Mas- sons, Mr. Muri Wheeler and Mr. Har- ry Crawford and I would like to compliment the Officers with a job well done.

To those who are sick we wish them God speed in a quick recovery and return to normal.

Hi again, Jobbies. I guess everyone has settled back into the normal swing of school and its activities. I hope your regular routine includes Job's Daughters meeting!

On September 4 we had our first meeting of the term. Everyone seem- ed happy to get together again after the summer months of enjoyment. At 5:30 the officers, proteas, choir, and parents got together and enjoyed a delicious pot luck supper. The officers then attempted to practice for a short time before the meeting. They did a wonderful job, this being the first meeting after a long summer. We had four proteas whom I would like to thank: Jane Bleek, First Mes- senger; Sue Poiry, Second Messenger; Susan Hoover, Inner Guard; and Karen Burelson, Senior custodian. Thanks a lot, girls! They too did a marvelous job. That evening was also the scene of an installation. Karen Kelly, Second Messenger, was installed since she was not able to be at our June Installation.

October will be another busy month. October 2 will be protea night. I hope the proteas can handle the stations as well as the regular officers. There will be refreshments at the door after that meeting. October 16 will be the night when we honor our Moms and Dads. Refreshments will follow ahat meeting on the me- zanine. Sunday, October 20, will be Church Sunday. We will visit my cburch, Forest Park Methodist (cor-

ner Kentucky and Forest). The offi- cers will form the cross in their robes at the church service that morning. I hope everyone will come, because it will be very impressive. October 24 is the date of our Rummage Sale, so please save everything you don't need or want. It will surely help our Bethel.

For all you mothers who happen to be listening in, I'd like to an- nounce the next meeting of Mothers' Club. It will be held at the home of Mrs. Martha Keith, 801 West Wild- wood, at 8:00 p.m. on October 14. I hope the Mothers' Club has as many members as we have in Job's Daughters. Because nothing can help a girl more than having her parents interested in the organization to which she belongs. So let's really boost the Club membership this meeting!

Well, that's all for this month. Please come back to all the meetings girls — we really need the support!

I'd like to leave you with this thought: "Friends you buy are never worth the price you pay for them."

See you soon!

THE FUTURE IS UP TO YOU

The mighty Roman Empire after nine centuries of marvel- ous and world-wide achieve- ment and renown ended in ob- livion. Why? Not because it became too great and powerful but rather because it became saturated with luxurious liv- ing, waste, wars, heavy bur- dens of taxation and corrup- tion in state and society, as well as lack of personal in- terest.

The man on the street, in the shop or factory, or in the lodge, is too often unconcerned about the conditions in our own good land. We are prone to feel that no serious harm can come to us. So thought the Romans, the Greeks, and the Spaniards of old. It is of no concern that the United States of America is being en- gulfed in luxuries which are the envy of the world; that extravagance and waste are rampant; that the threat of war is a continuing fear; that grumblings of taxpayers are becoming vocal and at times alarming; and that crime and delinquency are becoming a local, state and national prob- lem of serious proportions?

While the end results may seem the same, we as Ma- sons can prevent the inevitable by active participation in our lodges and particularly by at- tending the Masonic Assembly and demonstrating to the world our sincerity of purpose. —Exchange

October with its beautiful weather
is here so why not take advantage of
it and come to Shrine. Soon the
cold, snowy, slippery days will be
here and you will be sorry that you
didn't.

If it is a question of transportation
that is bothering you just phone a
Sojourner with a car that might live
near you to pick you up and I am
sure they will be happy to do so.
You might drive a car and need a
rider — call that person needing a
lift and tell them you will drive by

for getting to Shrine. Just get there
and there is always someone there go-
ing your way to take you home.

Well — How Dee Do. No — Let's
start over — AAH CHOO! — It's
the Hay fever season — and I'd like
some of that cool mountain air! Nuff
said! Before we know it we'll be
part of Operation Deep Freeze un-
doubtedly — but just a wee bit of
frost! Aah Choo.

Now to get down to the important
things for the fall. On Tuesday, Sep-
tember 17th, our meeting is especial-
ly to honor our Past Presidents. We
have 13 of them. We are now in our
14th year of operation and Mrs.
George Adams is a real good Number
14. Just think — 14 years ago,
by lining up 35 ladies, Assembly
Number 139 was born and here is
one statistic we are proud to quote—
We've counted at least 20 of these
Charter Members who are still ac-
tively participating in Beaucanton.
That's right good, don't you think?
And these Charter Members are go-
ing to be honored too on Tuesday,
October 1st. They are all to receive
a special party invitation to come—
so do let's all be there to greet them.
On the 15th of October, we'll have

our regular Stated Meeting — But
the very next night, Wednesday the
16th, we are having a Good Old
Fashioned Chicken 'n Noodles (Home
made noodles and oodles of Chicken-
The price is only \$1.25 and it will
be served from 4 to 7 p.m. So eat
lightly on Tuesday night — work
hard all day Wednesday, to help en-
courage a good appetite — then
come on down to our Chicken and
Noodle Dinner. Mrs. Robert Gahman
and her committee have tickets.

Our next Sewing Meeting will be
Monday evening at 7:30 p.m. on
October 28th. The place will be an-
nounced at the next meeting. And
while we are talking about sewing,
here is a little plea for any old blan-
kets, old bedspreads or drapes —
please save them for us. These are
used for inner linings for the Lap
robes we are doing for Allen County
Home — and we are fresh out of
these. Then speaking of old blankets
etc. brings this other plea to mind.
I suppose most of you are well into
your Fall cleaning — but remember,
save that rummage. Just pick a lit-
tle corner in the garage or something
and hold onto it for a little loo-
er. We definitely are having a Rum-
mage Sale — it is just the date
that is uncertain. It may have to be
a November date. Anyhow, if you
need some things picked up call either
Mrs. Robert Gahman, 748-8518 or
Mrs. Adams at 444-8561. So — if
you can't possibly store it until then,
let these gals know — and they will
manage to hold it somehow. O.K.?

Now for a minute we will practice
the Social Register. From September
23 - 27th, Mrs. Adams and one or
ten of our members will be in Phila-
delphia for the Supreme Convention.
We'll hear from them next month.

A few of our members are ill at
this writing. Mrs. Thelma Kayser,
Mrs. Violet Sapp, Mrs. Helen Bre-
count, Mrs. Don Marvel and Mrs.
Alta Warner.

A few of our families have lost
some of their dear ones, — Carrie
Jellison, her husband; Enid Gahman,
an Aunt; a brother-in-law of Janet
Klomp, and Ethel Kruse's mother.

We can offer congratulations to a
new Grandmother, Ethelreda Reh-
klau.

Well — Folks, guess it is closing
time — See you all next meeting?

MASONRY AND CHANGING TIMES (The Ohio Mason)

We hear much these days about
various schools of thought and changing
times. Some go as far as to say that
our beloved Freemasonry must make
certain changes in its teachings in
order to make them applicable to pre-
sent day standards of living. How
ridiculous! From the time of our an-
cient brethren right up to the present
day, Masonry has sought to instill
into the hearts and minds of its mem-
bers a philosophy of right living.

It is just as wrong today to cheat,
wrong to defraud a brother (or any-
one else, for that matter) as it was a
thousand years ago. Masonry teaches
the same brand of faith in God as it
did back in the early years of the
establishment of our Fraternity. Chang-
ing times have nothing to do with
the laws which govern the right way
of living with our fellowmen.

Occasionally we hear that a certain
brother has made the rash state-
ment that Masonry is all the religion
that he needs; that as far as he is con-
cerned, churches are not necessary.
On the other hand, certain religious
groups claim that Masonry should be
suppressed or even wiped completely
out of existence, because it is trying

to take the place of the church and
dealings with mankind.

How utterly foolish are both of
these foregoing statements. We all know
that church matters are not for the
halls and Masonic functioning are
for churches. It would be impossi-
ble for Masonry to supplant the church
nor can the church perform the
functions of Masonry, but both are
much in common. There is no reason
why a good Mason cannot at the same
time be a true and loyal churchman,
and a good churchman, one who obeys
our laws of Christianity, should make
a good Mason. One of the many teach-
ings, both have in common is that life
is a game of give and take, and that we
have been put into this world to help
others.

As Masons we are taught to give
and take fairly and squarely the order
of this life. When we assist another's
needs, there is a higher power that will
remember in our needs. Should we stoop
as to treat our fellows uncharitably,
dishonestly, we may rest assured that
we will be accorded the same treatment.

This is the lesson mankind must
learn the world over. The time comes
when the learning cannot be postponed.
Those who give their sorry a chance,
will surely measure multiplied and re-
over, something for every good put into
life.

We cannot tell the precise moment when friendship is formed. As in filling a vessel drop by drop, there is at last a drop which makes it run over. So in a series of kindnesses . . . there is at last one which makes the heart run over. — J. Boswell

Now that vacation "daze" are over we can once again settle down to our winter schedules, which we hope will include regular attendance of chapter meetings. There are some very nice meetings coming up, and a very nice one just past. On September 4, chapter was entertained by Non Pariel and Satellites. In the East was a huge playing card, "symbol" of Non Pariel. Non Pariel was also responsible for the very tasty salad smorgasbord served after chapter. The Satellites did their usual bang-up job of entertaining, this time with a very clever minstrel show. Non Pariel presented chapter with a second flag stand and Satellites presented some much needed leaves for our artificial potted palms.

October is to be a very busy month for Fort Wayne Chapter.

On October 3, the Fort Wayne Chapter and "Clayton's Country Cousins" are looking forward to entertaining at their special guests, Sisters Sally Turner, Grand Conductress of Indiana Grand Chapter and members of the Muncie Chapter O.E.S.

On October 8, Fort Wayne Chapter will hold a rummage sale at the Lincoln Press, 2031 So. Lafayette St. Anyone having rummage can bring it to or contact Elsie Brown, 4222 Lillie St., 744-0720 or Pat Walker 4002 Enola Court, 745-9543.

On the 6th we will make our annual visit to the Masonic Home. Anyone desiring transportation should contact Sister Pat 745-9543 or Sister Carol Munk 745-1308.

October 17, Sister Pat will have as the theme for her meeting a "Tribute to Music", to which she gives a special invitation to all past choir members and organists. On October 29 chapter will hold its card party and style show. Although this is basically a Social Committee project, remember, it needs the support of you all. If you cannot attend perhaps you can donate to the bazaar, best thing to do is both, come and join the fun!

Don't forget the coming Friends nights to which our officers go as guests. Go along and support them; besides that, it is a lot of fun and a chance to see other chapters do the work and make new Eastern Star friends.

Also a reminder that our dues are due January 1 and delinquent the first

stated meeting in January.

Tomorrow is not promised us . . . So let us take today . . . And make the very most of it . . . The once we pass this way . . . Just speak aloud the kindly thought . . . And do the kindly deed . . . And try to see and understand . . . Some fellow creature's need . . . Tomorrow is not promised us . . . Nor any other day . . . So let us make the most of it . . . The once we pass this way.

Autumn is the time of wonder and beauty with the leaves turning color and falling to the ground. It is a time when the workers are harvesting the fruits from the toil of the Spring and Summer months. It is a time for meditation and rededication of ourselves to the service of humanity. It is the time to renew friendships in our beautiful order. Let us make an effort to come to Chapter and enjoy the fellowship of good friends. We miss you when you are not there. October 18 is Friends Night. We are looking forward to this night when our friends from other Chapters visit us. We make many new friends on Friends Night so, members, join us on the 18th and enjoy new friends from other Chapters. Our Worthy Matron and the committees have a nice evening planned for our enjoyment. Let's show our interest and appreciation by our presence at this meeting. Our Ways and Means Committee

has set November 22 for a card party and bazaar. Keep this date in mind, and let's help this committee to reach their goal on this money-raising project. Items made for the bazaar will be deeply appreciated. Let's back this project and make it a huge success.

A haze on the horizon, The infinite, tender sky,
The ripe, rich tint of the cornfields, And the wild geese sailing high—

And all over upland and lowland
The charm of the goldenrod—
Some of us call it autumn, And others call it God.

William H. Carruth
October is here and with Autumn comes harvest time. Shiloh has already received an abundance of pleasure in the first two meetings of September. The first was the official visit of Sister Margaret Hoot the District Deputy of District 14. A potluck carry-in dinner was enjoyed by everyone present. The social Committees had arranged a little surprise for Sister Margaret and her husband. This was their wedding anniversary and they had the pleasure of cutting

a lovely decorated anniversary cake. The tables were prettily decorated with vases of many colored petunias.

Friends Night, September 26th was well attended by visiting officers and friends from other Chapters. The theme used by our Worthy Matron was "The Magic of Friendship." There was magic in the air and we felt it was catching because everyone seemingly had an enjoyable evening.

Your Worthy Matron and Worthy Patron want to express their appreciation to each one who helped in making these meetings and also the rummage sale held on Sept. 30th the success they were.

October 10th we will honor our Past Matrons and Past Patrons. We urge you to mark this date on your calendar and plan to attend.

God must have loved Stars, because He filled His Universe full of them.

Worthy Matron Kathryn Fuhrman and Worthy Patron Leslie Silver, welcomed the large group of members for the potluck and first Fall meeting which followed. Sister Sonoma Woodruff, Past Grand Matron of Indiana Grand Chapter also stressed that we keep up the good attendance shown at the first meeting.

The Program Committee was host to our potluck supper, furnishing meat loaf, rolls, butter and coffee, and members brought a covered dish. Thanks to the Committee, the table looked beautiful, and the food was delicious.

After the meeting was opened, the Choir sang several lovely songs.

Due to Geneva Dicks' many new duties since becoming a mother, she has asked to be relieved of her office as Publicity Chairman for Star of the East Chapter. Sister Adella Davison, Past Grand Martha of Indiana Grand Chapter, read the new Rules and Regulations adopted by the Indiana Grand Chapter.

Summertime is Over
When hittersweet and goldenrod
And purple asters bloom,
Be sure that Autumn is at hand,
That Winter will come soon —
When air is pungent with the
smoke
Of burning fallen leaves,
And the stillness rent with moaning
Of wind dying trees.
When crops have all been gathered
in
And corn shocks dot the fields
When Nature dons her regal robes
Of crimson and of gold.

Tis then man bids a fond adieu
To summer lazy days.

With hopeful heart welcomes Autumn

October is the month set for the York Rite Degree Work. We need the help of every companion. Won't you lend your time and talents in aid of strengthening your Fort Wayne Council. First ask your Blue Lodge Brothers to join the York Rite. Then those petitions by October 17. Then attend the meetings and give support in the business activities. Light has replaced the darkness in the temples from our vacation of the summer, so let us make our temples a beehive of activity. Let us contact another companion and let him come to Council with you. It is interesting to note, how the Blue Masons acted toward one another both in and outside the lodge. Consider at times if we fully realize our heritage that has come down to us from these early days. In the rush of the present days we forget the companion who might need our visit, or assistance. A cheerful word and a smile goes a long way. Don't forget to bring in those petitions and the dates for the fall degree work is as follows:

YOUR PHILOSOPHY
(Exchange)

Life is a series of ups and downs, joys and sorrows, sunshine and shadows, good and bad that we must all experience; in order that we may grow into men of vision and have the tolerance of brotherly love which the world so drastically needs. It is necessary that each of us set a standard of action; adopt a philosophy of living that gives to us a worthwhile reason for living. The most pitiful man in the world today is the one who has never worked out for himself such a philosophy. He is the drifter and the malcontent, in the world of progress.

No man can be a good Mason without a philosophy of life and without giving thought of his daily actions. We acknowledge our belief in God, and in so doing we recognize the value of His teachings and of His philosophy as given in the great light of Masonry. By that guide we should work out a valuable personal philosophy.

October is not just another month for DeMolay, school is getting into full swing with more homework than ever, the High School football season is heading down the stretch, for several DeMolays activities are picking up momentum. Before looking into the future though let us look at the activities of the past summer.

The installation of officers was held on June 12 in ceremonies preceeding the installation the Chevalier Degree was conferred on four members of the Fort Wayne Chapter. They were Bob Smith, Sam Carter and Past Master Councilors Al Haney and Jim Tennant. It is a great honor for any DeMolay to receive this degree.

The State Conclave was held June 21-23 at Purdue with about twenty boys from the Fort Wayne Chapter attending. All of the boys attending had to enter some type of the Competition offered. Three boys from Fort Wayne, placed in the ritual competition and another two placed in athletic competition. In the ritual work Al Haney won Master Councilors competition, Dave Miller won the seventh preceptors competition and Jim Tennant took third in the fifth preceptors competition. In the athletic competition Mike Kelley dove to a second place finish in the one meter diving, and Jim Roseman got a third in the golf low net score. In an altogether different type of competition, Nancy Robinson, our chapter Sweetheart finished second runnerup in the state Sweetheart contest which climaxed a wonderful conclave.

With the first of October comes our first big social event, the hayride. It will be held October 5, at the Meyers barn 13105 Parent road, two and one-half miles East of New Haven. Tickets will be \$2.00 a couple with absolutely no stags. Festivities include the hayride dance and a weiner bake. Mike Kelley is serving as chairman, so let's all get behind him and make this the biggest and best hayride yet.

Getting down to more serious business, our first initiation will be held Oct. 9 and a stated meeting will close out the month on the twenty third. All of the officers have a lot of work to do before that first initiation, so let's all get to work and get their parts down pat. Only by hard work and desire can we carry on in the fine tradition Fort Wayne Chapter has shown in ritual work. Don't forget when collecting those petitions that all new members will be life members with only one fee of \$25.00.

Important notice of information: All new members now enter DeMolay on a Lifetime Membership basis. A Onetime payment of a fee is required. A sum of twenty-five dollars (\$25.00) accompanies the petition and if the boy is accepted this is the only payment ever made for membership. This sum of \$25.00 covers the initiatory fee, membership patent, dues for membership thru age 21, senior member patent, and a Life Membership Card. Can't find a better bargain anywhere. This does save the new boys money, over the old method of paying yearly dues.

So start right now, get in those new petitions, ask your good friends Sell DeMolay today. A Clean mind, in a Clean Body is the best preparation for Manhood and this is only one of the principles taught in DeMolay.

How nice it would be if all those looking for positions were looking for work.

WINDOWS

A CHURCH — The sharp light from without softened by the stained glass depicting Biblical scenes, the peal of the organ, and then the soul-stirring, masterfully blended voice of the choir leading hundreds of others.

The desert — a man is staggering over its hot, swirling sands, cursing it for trapping, or begging his Creator for deliverance from it.

The most of us have never had to stagger through a blinding sandstorm. A great many of us attend church. In the course of the services, we regard the windows. We are conscious not only of the scenes depicted thereon, but also of the soft, harmonious blending of the reds, yellows, browns, greens and blues. We momentarily marvel at the skill of the artisan in glass. And then, we further realize that even his skill would be of little value were it not for the sand, say, that very sand there under Christ's feet. But even that sand could not be depicted in the glass were it not for proper pigments that were processed into its otherwise transparency. And even this processing would be impossible without the artisan's knowledge of the properties of each grain of sand he was using. Here, he no longer regards sand as a cruel, relentless entity that swirls about on the desert, driven by the winds of chance. Instead, it is his understanding of the properties of each grain of sand out of which he compounds the pigments, and then proceeds to blend them as his inspiration directs him.

As we give more time to this thought, we see a symbolism as applied to human life and endeavor throughout history. When regarded as merely "the masses," people like the sands swirling about on the desert, also remain — or become — only an unstable and treacherous entity. Bigotry, corruption, self-complicity, and authoritarianism are the winds by which one is driven.

Throughout recorded history there have been men who have stood out above all others in defying these winds. Foremost of these in our minds we see Christ. He has the vision through this understanding of the individuals to permit Him to foresee the future of the world. Since His crucifixion there has evolved the science of lens polishing that now permits a scientist to see millions of light years into the universe. But, at the same time, he cannot see even a thousand years — to say nothing of light years — into the future of mankind. The lens through which he peers into the universe is compounded of only a few elements. In attempting to foresee the future of mankind, he must deal with people, not the masses, but the individuals. They are the pigments in the stained-glass window of life. Just as it is the understanding of the properties of the chemicals that nature has compounded into the pigments that are responsible for the blendings and con-

trasts in the window, so it is true of our fellow men. In them we see the myriad gradations and blending of happiness, sorrow, humor, pathos; kindness, cruelty; generosity, avarice; honesty, dishonesty.

We are, at one and the same time, each the pigments and the artisan. As the artisan, each of us is working on the stained-glass window of life to glorify His name. Although it has this myriad of hues and tones, the property of visibility is still in it; the beauty that we see in the window does not shut out the light. It is this light filtering through it that develops our faith in our fellow men and assures us that the beauty on the other side is still there.

The makers of our Constitution undertook to secure conditions favorable to the pursuit of happiness . . . They sought to protect Americans in their beliefs, their thoughts, their emotions, and their sensations. They conferred, as against the Government, the right to be left alone—the most comprehensive of rights and the right most valued by civilized men. To protect that right, every unjustifiable intrusion by the Government upon the privacy of the individual, whatever the means employed, must be deemed a violation of the fourth amendment.

Louis D. Brandeis

A man's life, it has been beautifully said, is laid in the loom of time, to a pattern which he does not see, but God does; and his heart is a shuttle. On one side of the loom is sorrow, and on the other joy; and the shuttle, struck alternately by each flies back and forth, carrying the thread, which is white or black, as the pattern needs; and in the end, when God shall lift up the finished garment, and all its changing hues shall glance out, it will then appear that the deep and dark colors were as needful to beauty as the bright and high colors.

As we opened lodge for business at the stated meeting in September we found our schedule of Masonic activities for the rest of this year to be varied and bountiful. A candidate was elected to receive the degree starting with the Entered Apprentice on Wednesday, September 11.

September 15, 1963, is the date for the annual pilgrimage to the Masonic Home at Franklin, Indiana. Our new chapter of Job's Daughters will be making their first trip there, along with some of our other members.

On Tuesday, October 1, we will have a lodge of instruction at Monroeville with the degree to be exemplified to be announced upon the arrival of the Grand Lecturer. Plans and preparations for this meetings are well underway and I am confident that our officers and craftsmen will make every effort to put on a letter-perfect and superb performance.

On Saturday, November 16, at the direction of the Grand Master, there will be a forum presented by the committee of Masonic Education at Home Lodge No. 342 in Fort Wayne.

On Wednesday, December 4, 1963, we will have a dinner preceding the annual stated meeting and election of officers.

On Friday, December 27, every Lodge in Indiana will participate in a Table Lodge observance of the Feast of St. John the Evangelist.

Also, in December there will be a lodge for the conferring of the Past Masters Degree upon the newly-elected Masters of the Lodges in this area, however, the date of this meeting has not been announced as yet.

There was one activity cancelled. That was the Halloween Party tentatively planned for October 26, 1963. We will keep all the brothers informed as more information becomes available concerning these meetings.

As for the craft, most everyone has had his vacation and has come through the summer in fine shape. However, Brother Ray Girardot was reported to be a little under the weather again around the first week in September. Brother Girardot has been taking things easy for about a year now and all of the Lodge Brothers wish him well.

Brethren, Autumn is the time of year we reap our harvest and give thanks to the Grand Architect of the Universe for a bountiful harvest and our full store rooms.

But, how about our brethren whose store room is not so full. I am thinking about our Brethren, their widows and orphans of the Indiana Masonic Home. I am taking this opportunity to ask each and every member of Huntertown Lodge to have a donors seal on his dues card for 1964. I am sure we don't have a brother who wouldn't give a carton of cigarettes, a gallon of milk, or a box of candy to a resident of the Masonic Home. I ask you to please give a two dollar donation for a guest of the home.

I am inviting each and every one of you to attend lodge as often as possible. Make it a point to keep the first Thursday of each month open for a wonderful fellowship. I am sure you will have, if only you will attend Lodge. Man cannot live alone and neither can a lodge survive if interest is lost. Masonry can only survive if you as a Master Mason practice Masonry.

See you in Lodge.

Brethren:

Fall is upon us. The days of beauty are here with all the great panorama of color and harvest. We are reminded of the unforgettable words of the great Samuel B. Morse. "What hath God wrought?" We can now admire the perfections of the Divine Creator and reap the harvest which He has given us. Let us look at our own efforts and morals and ask ourselves "Have I done all that I should? Is the harvest all that it should be?"

Many events are in the making and you will receive special notice of them. Lodge of instruction will be held jointly with Harlan Brethren, Monday, Oct. 7 at Leo. On Oct. 12 at Cedarville, we will hold the big chicken barbecue for the members and their families. All should plan on being present for this event. A free will offering will be taken to offset the expense but if you have not had pay day or short of funds, come anyway. It certainly would be fine to visit with the brethren and their families who live away from here. The time, October 12, Five to seven o'clock. The place, Cedarville Park. We are looking for about 150 guests and the old temple just won't handle that large crowd any more. Make your reservations early so we know about how many to prepare for and let's have one grand time together.

MASONRY IN ENGLAND — HOW DOES IT DIFFER? (The Wisconsin Freemason)

The United Grand Lodge of England has exclusive jurisdiction over the Craft Degree of Freemasonry in England and Wales. In the provinces and dependencies of the British Crown the jurisdiction is divided among the Grand Lodges of England, Scotland, and Ireland. The Craft Degrees include those of Entered Apprentice, Fellowcraft and Master Mason. There is no degree of Past Master. However, there is an installation Ceremony for Masters-elect in which they are invested with the Secrets of the Chair.

England and Wales are divided into Masonic Provinces. Each is ruled by a Provincial Grand Lodge. The dependencies are divided into Districts and are ruled by District Grand Lodges. Both the Provincial and District Grand Lodges have a complement of officers and hold quarterly Communications. They have certain judicial and administrative powers allotted to them by Grand Lodge.

All Lodges within a ten-mile radius of Freemason's Hall in London are classed as London lodges. These lodges are not formed into a Province but some under the Grand Lodge direct. A special set of fees and regulations govern these lodges.

The general custom has been to elect to the office of Grand Master a qualified member of the royal family and when so elected the office is usually held for the life of the occupant. Annual elections are held but these are only a matter of form to comply with the requirements of the Constitution. Past grand rank is authorized to be conferred upon any brother of ability who is a member of Grand Lodge. This provides a method of awarding distinction to men who have performed outstanding service for the Craft.

Some lodges are designated as "Private Lodges," chartered upon the application of not less than seven Master Masons. As in the United States, to serve as master of a private lodge the Mason must have served one year as warder.

No restriction is placed upon the

number of lodges to which an English Mason may belong at any one time. It is a personal matter confined to the individual. The only restriction is that a Mason may not be master of more than one lodge at the same time. It is not unusual to find an English Mason who has presided over several lodges or who is a member of several lodges. English lodges are small in membership and probably would average between 25 and 50 members per lodge.

English lodges conduct their business on the degrees of Entered Apprentice. Opening a lodge in the Fellowcraft or Master Mason degree is limited to the purpose of initiation of candidates and the installation of officers. However, a Mason is not a member of the lodge in the full sense of the word until he has received the Master Mason degree. Only Master Masons may hold office.

The mode of work differs in form from that used in this country, although the essentials are the same. The modes of recognition except for the passwords, differ. This difference is not sufficient to cause an American Mason who desires to visit, any embarrassment or difficulty. The information imparted in the English lodge is no more than is imparted in an American lodge.

The Grand Lodge of England has adopted no standard mode of work or ritual. There are several types in use. In and around London the favorite is the "Emulation Working." Elsewhere will be found local workings.

THEY FAIL TO SEE (Exchange)

Thousands of people tread the earth and behold the sky without discerning any of the beauty they behold. They look upon the landscape beautifully ornamented with trees, shrubs, plants, and flowers, but receive no definite impression of any part of it, and could not name or describe any object thereon. They behold the stary canopy above them but see no constellations, no planets, and no movement indicating the wisdom, the power, the glory of the Great Architect of the Universe.

So it is with many who are admitted into Freemasonry. They observe the forms, the ceremonies, the emblems, and the jewels, and they hear the lectures and charges, but they fail to discern the ethics and philosophy thereof. They hear the enunciation that Freemasonry is a science of morality, veiled in allegory, and illustrated by symbols, but do not solve the allegories nor discern the significance of the symbols. They are in the temple but do not get the temple idea. They are among the workmen, but they do not see that they are to be master builders for time and eternity. They are in the light, but do not receive and apply it as the great mean of fitting themselves as living stones for the temple not made with hands, eternal in the heavens.

The ritual is beautiful, and should be mastered and impressively communicated; nevertheless, it is but the burl, the hull the husk to the wisdom, the strength, and the beauty of Freemasonry. It conceals gems of unparalleled richness and beauty, which must be searched for diligently and faithfully if they shall be found and enjoyed. Oh! That all the Craft would realize this fact and act accordingly, as thus they would be better panoplied with truths, better animated with faith, hope and charity, and could better build the temple of the soul.

GUARD WELL THE DOORS

A masonic Lodge should never make the mistake of accepting petitions from unworthy persons. There can be no possible excuse for permitting such a man to become a Mason. Should a lodge ever reach the point

of feeling that it needs money more than it needs prospective members (especially when the influence would be of a harmful nature), the safe course to follow would be not to do so.

There should never be a time a man is made a Mason simply cause of the financial gain obtained. That lodge is guilty of wrongs. First, because it is a violation of a very strict Masonic secondly, in so doing, it is party to an act of false pretense the part of the petitioner. For reason the lodge is liable to criticism, and punishment by Grand Lodge under which it is operating, and is not worthy of being admitted to retain its charter.

NOVEMBER, 1963

**AMUEL S. GEAKE, 33°
DIEING AT SCOTTISH
CATHEDRAL DEC. 31**
Bro. Samuel S. Geake, executive secretary of the Scottish Rite Valley of Fort Wayne for the past 40 years, has announced his retirement, effective December 31. Bro. Geake is one of Indiana's most prominent masons.

Bro. Geake will receive the Scottish Rite Meritorious Service Award at the Scottish Rite Fall Convocation banquet November 14. He has one of the longest continuous secretarial service records in Scottish Rite for the Northern Masonic Jurisdiction. During his association with Scottish Rite, Mr. Geake has seen the fraternity in the valley of Fort Wayne grow from a membership of 4,850 to 10,500.

In the expansion of Scottish Rite, Geake has been one of the leaders in the development of the new Scottish Rite facilities at Berry Street and Fairfield Avenue. The Scottish Rite remodeled and dedicated its auditorium in the fall of 1953, and will dedicate its new cathedral addition in November. The addition, facing Berry Street and paralleling Fairfield Avenue, is nearing completion and part of these facilities will be ready for occupancy within a few weeks. The auditorium and the new addition will be one of the largest Scottish Rite centers in the midwest.

Mr. Geakes work in Freemasonry has reached far and wide. He has held office and achieved honors in all branches of Freemasonry. He is past master of Summit City Lodge No. 170; became a 33rd degree Scottish Rite Mason in 1941 and is a past grand commander of Knights Templar of Indiana. He served as presiding officer of all Fort Wayne York Rite Bodies. He was a member of Mizpah Shrine, a member of the Honor Legion of Honor, Order DeMolay.

Mr. Geake comes from a family of prominent Fort Wayne masons. His father, the late William Geake, was one of the charter members of Scottish Rite in Fort Wayne. DeMolay work in the Lodge of Perfection, Scottish Rite, began here 75 years ago. William Geake served as presiding officer of this body from 1887 to 1925. He was also a 33rd degree Mason and Scottish Rite Deputy for Indiana for 28 years.

Samuel Geake's brother, William C. Geake, local attorney and former mayor of Fort Wayne, has also been prominent in Freemasonry. He was presiding officer of Dari Council, Scottish Rite in 1900 and 1921. Both he and his father served as grand

master of the Grand Lodge of Indiana.

Samuel Geake attended Fort Wayne High School, Indiana and Valparaiso Universities. He served in the armed forces during World War I. He is a member of Trinity Episcopal Church and has served on the vestry. He and his wife, Katherine, are the parents of two daughters, Mrs. William Thurston, Fort Wayne, and Mrs. Max Mitchell, Santa Maria, Calif.

1964 PEACE CORPS NEEDS

Washington, D.C. — The Peace Corps has indicated an interest in increasing the percentage of its Volunteers from older age groups. At the present time more than 70 per cent are from the 21 - 25 year level. Many requests for professional and journeyman skills could be filled by Volunteers now planning retirement or by those planning to secure a leave of absence from present employment.

During the next twelve months more than 5,000 teachers will be needed — elementary, secondary and collegiate; 700 health workers have been requested — doctors, nurses, laboratory technicians, sanitarians, etc.; 700 engineers, surveyors, mechanics, co-op and social workers, etc. and more than 500 agriculturalists — skilled in extension work, irrigation, animal and poultry husbandry, soils, etc.

According to Peace Corps, hundreds of these skill-posts could be successfully filled by "senior citizens" or by middle-age Volunteers now planning to secure a temporary leave of absence from their present jobs.

Descriptive literature, personnel requirements and application forms for the above overseas posts may be secured by writing to Peace Corps, Division of Recruiting, Washington, D.C. 20525. Be sure to mention your skill field. Applications are now being considered for February and June, 1964, appointments.

Happy Thanksgiving!

SECOND OLDEST LIVING MASON STILL CLIMBING HIGH.

On September 21, 1963, Worshipful Brother Sherman D. Parsons of Wolfboro, New Hampshire, joined approximately 175 brethren at a special meeting of White Mountain Lodge on top of Mount Washington in New Hampshire's White Mountains.

Brother Parsons has reached the age of 101 and a half! He still serves actively as the Senior Grand Steward of the Grand Lodge of New Hampshire, which participated in this special meeting to celebrate the 175th anniversary of its founding.

Brother Parsons has been a Mason for 78 years, and is "number 2" on the list of Oldest Living Freemasons published annually by The Masonic Service Association. While riding to the summit on the famous Cog Railway, Brother Parsons commented, "This is the first time I've been to the top of Mt. Washington. I'd better make it now because I'll never be any younger!"

A MEMORIAL

Robert Koerber Sr. passed into Life on October 11, 1963 and thus concluded his earthly voyage of 83 years which has set a course his fellow man can follow with pride.

Brother Koerber came to this country at the age of eight from his native Switzerland. Following his fathers footsteps, he became a watchmaker and through his industrious labors he became proprietor of the store which still bears his name. He gained the recognition of his fellow artisans and served the State and National Jewelers Associations.

His endeavors to create a better life for others was exemplified by the time he devoted to many public service organizations and by the spirit in which he served. He was a past-president of the Greater Fort Wayne Development Corp., YMCA, Rotary, Fort Wayne Retailers Assoc., Better Business Bureau, and the Credit Rating Assoc.

Brother Koerber's Masonic history displays his desire to give "Light" unto others as it had been given unto him. Raised a Master Mason in Summit City Lodge No. 170 in 1904 at the age of 24 years, he became affiliated with the York Rite and Scottish Rite Bodies, serving the latter as Thrice Potent Master of the Lodge of Perfection and as Commander-in-Chief of the Consistory. On November 27, 1933, he became a 33rd degree Mason, a testimony of the admiration he commanded. In 1954, he received the Grand Lodge Award of Gold and he was in his 59th Masonic year at the time of his death.

They are not lost who find The sunset gate, the goal Of all their faithful years. Not lost are they who reach The summit of their climb, The peak above the clouds And storms. They are not lost.

FAMOUS KENTUCKY LODGE CELEBRATES 175TH ANNIVERSARY

Lexington Lodge No. 1, Lexington, Kentucky, will celebrate its 175th anniversary with a special banquet meeting on November 20. Originally known as Lexington Lodge No. 25 under the jurisdiction of the Grand Lodge of Virginia, it was the first regularly chartered Lodge west of the Alleghenies, having come into existence in 1788, four years before Kentucky was admitted into the Union in 1792.

Its first Master was a famous Revolutionary patriot, Col. Richard C. Anderson, who had served General Washington faithfully in many a battle. He led the advance of the Americans at the battle of Trenton in 1776, crossing the Delaware in the first boat. He was wounded at Savannah in 1779 and was taken prisoner at Charleston in 1780. Another famous member of this Lodge was the statesman Henry Clay.

At the founding of the Grand Lodge of Kentucky in 1800, Lexington Lodge became No. 1 on the roster of the new Grand Lodge, the first in the entire Mississippi Valley, whose jurisdiction encompassed Tennessee, Mississippi, and Louisiana to the south, Ohio, Indiana, and Illinois to the north, and Arkansas and Missouri to the west.

Lexington Lodge takes justifiable pride in its historic role as "mother" of many a Grand Lodge in the Midwest! Masonic Service Ass'n of the U.S.

THREE RIVERS
Lodge No. 733

Second TuesdayThomas M. Franklin _____ W.M.

The month of November is upon us and the growing things of our northern clime have retired their vital forces into their most secret places to gather strength to leap forth in glorious life when winter once again relaxes its icy grip on Mother Nature's children. This however is not the case with the work of your Lodge. We have work to do and duties to perform which require the effort as well as the assistance of the Craft.

The attendance of your Lodge has been on the increase all through the year for which I, as your Worshipful Master, am truly grateful. The interest of the Craft seems to have been re-awakened and we have many members, both old and new, who are taking a renewed interest in their Lodge and its work. I believe one of the reasons for this interest renewal can be laid at the door of our excellent Masonic Education Committee and the programs it has planned and presented all through the year.

Our Brother William H. Hampton was called to his reward by the Supreme Architect and Three Rivers Lodge paid their final respects to our Brother on the evening of September 17th. In the spirit of brotherly love and affection for our departed Brother we tender our condolences to his bereaved family.

By the time you read this article, you will have received your annual dues notice which is due and payable by January 1st. Brothers, the sooner your dues are paid the easier you make the job of our worthy Secretary and while you are writing the check for your dues, bear in mind our Brothers and Sisters at Franklin, Ind., and do your best to add a few dollars for the Voluntary Contribution fund which is our means of enlarging our facilities at the Home. Remember Brothers, this is the only fund available for new construction.

On the evening of October 10th, Three Rivers Lodge had our annual Lodge of Instruction in the hall of Waynedale Lodge and the Entered Apprentice degree was exemplified at that time. We were pleased to meet with the Grand Lecturer, Brother Howard Hunter again and as usual we were greatly benefited by his instruction and comments. Three

Rivers Lodge was very well represented at this meeting and I wish, at this time, to thank all the officers and brothers who came to offer their services.

At our annual Ladies' Night on October 19th a fine gathering enjoyed an excellent meal and a delightful evening of dancing. The Brothers who do not take advantage of the opportunity of enjoying the family side of Masonry are missing one of the advantages of family participation in Masonry.

We will have degree work to be exemplified through the coming month so come to Lodge and enjoy yourself by participating in its activities.

Behold how swiftly the time flies and how rapidly this year is coming to a close. The period for an election of a Master to preside and govern our lodge, being in the near future, our thoughts must be employed in designating the person who is to be clothed with that important trust.

The impression with which I first undertook the trust of Master, were explained to me on a very important occasion. In the discharge of that trust, I have tried to the best of my ability to contribute, in some degree to the lodge. And I sincerely trust that the entire Lodge will support in full the person again entrusted with this office.

Two links in our fraternal chain were broken in the last month. Brother Carlisle H. Roose passed away on Thursday, Sept. 26, 1963. Masonic services were conducted by P.M. Harold O. Martin on Friday, September 27.

Our Brother Joseph A. Burton, passed away Tuesday, October 8, 1963 and Masonic services were again conducted by Harold O. Martin on Thursday, October 10th. To their dear wives, families, and friends we offer our sincerest and deepest sympathy.

On Tuesday, November 5th, at our stated meeting, Past Master Delbert Dennis of Three Rivers Lodge, will present for us a Masonic Educational lecture, entitled "Masonry is not Free."

You and your families are cordially invited to our annual Home Lodge Family Night. This will be on Saturday, Nov. 23rd, 1963 at 6:00 p.m. This evening is for you, your wife and minor children. All we ask is

that you place your reservations with the Master, Secretary, or the Junior Warden — James Peters, Ph. 744-8870. Entertainment being arranged by our Senior Warden, Irvin Burilison.

Lodge dues are now due for 1964. When paying your dues, would you please contribute to the Indiana Masonic Home, this is a very worthy cause, of which you are a part.

Please, try to attend at least one Lodge Meeting yet this year for as I stated in the beginning how swiftly the time flies and how rapidly this year is coming to a close.

Brethren:

Once again time has brought us to one of the most beautiful customs that has ever prevailed among any people — Thanksgiving Day. It should be with grateful, happy hearts that we approach this time of the year. We recognize and gladly admit that the will of God is the ultimate secret of all true government, and His goodness and mercy the fountain of all real happiness.

A Mason should not forget to give thanks for the freedom that we enjoy in this great country of ours. Freedom to attend the church of our choice and Worship omnipotent God according to the dictates of our own conscience. Freedom to speak out for what we believe to be the truth. Freedom to meet as Free Masons and to openly declare our membership in the Masonic Order without fear or apprehension.

This month also brings to us, our annual Past Masters Banquet, which is to be held on Monday, November 25th at 6:30 p.m. There will be a letter sent out, at a later date in regard to this event.

I would like to take this opportunity to thank all who helped, and especially our Junior Warden — Harold W. Houser, for making our annual Fish Fry the huge success that it was. According to our figures we fried over 135 pounds of fish and served nearly 250.

We have had degree work every month this fall and anticipate having it also in November. Our Veterans Hospital Visitation is November 18th at 7:30 p.m. I would certainly be thrilled to have a large turn out for this very worthy cause. If there is anyone who would like to help on this Visitation Committee, be sure and contact me or our S.W. Jim Timmons.

Since the writing of last month's article, four more members of Sol

D. Bayless, have been called to eternal home. They are Brother Hugh S. Norris, Ray F. Hagana, Orin F. Wise, and Elric F. Kram. To the families of these Brothers extend our heart felt sympathy, those of our membership who physically unable to attend Lodge we offer our prayers and best wishes for a speedy recovery.

As I finish this article, here come some questions that each of should ask ourselves. What have we done during the past 6 months? Has been of any benefit to my Lodge? What would become of any if every member had done exactly as I have done? How many have I been absent when I should have been present, if I had made effort to do so? Have I visited sick and spoken a kind word to them in their affliction? Would be pleased to receive the same consideration in case of sickness, have given to others? If I have been negligent it is because, I am at it or because the rest of the brethren don't do their duty? Am I going to continue in the same old way, or I going to start going to Lodge? Is it right for someone else to do all the work, and me to expect equal share of the benefits?

Summit City's Homecoming Banquet on November 8th will be a fine evening of fellowship and entertainment. It will afford each of us an opportunity to renew our Masonic friendships, meet the Brothers who have been raised in 1963, and pay tribute to six Brothers who receive their 50 year Awards.

Both the Grand Master and Deputy Grand Master will be present and you will be entertained by one of the finest speakers in the M.S. and the Purdue Extension Class. Do not hesitate any longer in forwarding your registration card.

We have been fortunate that spirit in the Lodge during the half of this year has been carried through the summer months and added momentum to the fall activities. It has been a pleasure to welcome each month almost a hundred Brothers at our MM dinners and to become acquainted with so many visitors. They, of course, are rewarded with the finest fraternal work.

November will be another month for Summit City Lodge. We hope you will avail yourself of the many opportunities for Masonic fellowship offered by your Lodge.

Brethren:
 We are looking forward to seeing
 all of you brothers and your
 families at our Annual Dinner Dance
 on Saturday night, November 9 at
 6:30 p.m. at the temple dining room.
 We are having turkey and all of the
 trimmings and plenty of round and
 square dancing under the leadership
 of Joe McDowell and his band.
 Tickets are \$1.50 per person and
 may be obtained from all officers or at
 the cigar stand. We will be awaiting
 your call.

We welcome into the fellowship of
 Wayne Lodge our new Brothers Ray-
 mond D. Farris, who took his de-
 gree during the month of September.
 In October we had two candidates
 become Masons, and this month of
 November finds one more candidate
 seeking admission into our Order.

It has been the past practice of
 Wayne Lodge in the month of No-
 vember for all line officers to move
 up to the station that they will fill
 next year. This year will be no ex-
 ception. Two officers already have
 given their new work and have done
 an excellent job. If this is to be the
 trend we are looking forward to a
 fine group of line officers next year.
 Why don't you come down in No-
 vember and help them along.

Our next visitation to the Vets
 Hospital will be Monday night, De-
 cember 23 at 7:30 p.m. At this writ-
 ing we have two of our members in
 the Vets Hospital. Kenny Rayl
 would like a good turn out to cheer up
 these two brothers.

In the News Letter I received from
 the Grand Master last month, he
 had an article in there under the
 heading of Wanted Four Packages of
 Cigarettes. In this article he was tel-
 ling how the voluntary contributions to
 our Masonic Home at Franklin
 have diminished. He was wondering
 if every Mason in Indiana could give
 up four packages of cigarettes a year
 and give that dollar to the Home.
 It is almost dues time again and I
 would like to see Wayne Lodge get
 awarded at the next Grand Lodge
 for a 100 per cent contribution of
 a dollar per member. We almost
 made it this year, we were only a
 few dollars short. If you can see
 your way clear this year when you
 pay your dues, slip in an extra dollar.
 All Masons and guests in Indiana
 will profit by it. We of Wayne Lodge
 have three guests at the Home.
 Thank you.

At this writing we have four mem-
 bers on the sick list. Past Master
 Robert Gaskill, a 50 year member,

is still at the Vets Hospital on the
 third floor. Gerald Monroe is also
 in the Vets Hospital on the fourth
 floor East, room 789. Don Fisher
 was at Parkview Hospital but is con-
 valescing at home. Glenn Goshorn
 was at Lutheran Hospital but he is
 also convalescing at home. We all of
 Wayne Lodge wish these brothers a
 speedy recovery.
 See you in Lodge in November.

Another year has rolled around and
 we are again approaching Thanks-
 giving Day. Let each of us give
 thanks for those wonderful blessings
 that have been ours in the past
 year. Our health, freedom to believe,
 and freedom to work are our most
 precious gifts.

Let us also pray for those who are
 not as fortunate as we, and let us
 also pray for those who especially
 need Him, that they may have
 strength to show others Thy love.

Our sincere sympathy is extended
 to the family of Brother Darius Mills,
 who was called by The Grand Archi-
 tect of The Universe.

I was glad to see all of our offi-
 cers at the Lodge of Instruction. I
 think the instruction received and
 the discussion that followed our rit-
 ualistic work was most valuable to
 our officers and to any brother truly
 interested in Masonry and his own
 lodge.

Our "Ladies Night" was well at-
 tended and it seemed everyone had
 a wonderful evening renewing old
 acquaintances and making new
 friends. I think this is an evening
 that could be enjoyed more often,
 and if this be the members wish all
 you have to do is tell your officers
 about your wishes.

We will have work this month and
 the officers are always looking for
 a good turnout of the members. Plan
 to be in lodge this month and re-
 new those obligations that were tak-
 en when you became a Mason.

Hi Jobbies!
 On Sunday, September 15, several
 of us went to Franklin, Indiana for
 the day. Eleven girls went from our
 Bethel. Over a thousand girls were
 there, representing Job's Daughters
 Bethels all over Indiana. All of the
 line officers, in their robes and capes
 and crowns, formed a cross at the
 end of the program. The flag bearers
 presented their flags all together, and
 the remaining robed officers formed
 the choir. It was very impressive,
 and our girls as well as all the others
 had a marvelous time. The girls who
 went were as follows: Laura Foulks,
 Candy Clevenger, Carole Weesner,
 Karen Burelison, Sue Mowery, Diana
 Timmons, Patti Parker, Karen and
 Patty Kelly, Sandy Urhausen, and
 Sharon Erler. Karen Burelison acted
 as our flag bearer. The Weesners,
 the Mowerys, Mr. Erler, and Mr.
 Foulks drove us down to Franklin.

September 18 was Past Queens
 Night. The Past Queens received
 flower mirrors. I was presented a
 beautiful corsage by the Past Queens
 Club, and I want to thank the Club
 again for the wonderful thought.

September 21 was our annual hay-
 ride. The Counts played and we had
 delicious food. We had about 200
 people there on a perfect night.
 Everyone had a lot of fun, which is
 the most important element in mak-
 ing a successful hayride.

Protem night, October 2, was very
 successful too. The protems stepped
 into the stations as if they had been
 doing it all the time. We had a pro-
 tem Guardian too: Mrs. Perrin step-
 ped into the station.

On Tuesday, October 1, several of
 us went to New Haven to their
 Friend's Night. Those who went are
 as follows: Sandy and Karen Burelison,
 Candy Clevenger, Carole Weesner,
 Donna Smith, Diana Timmons, Shar-
 on Farrar, and Sharon Erler. Mr.
 Weesner and Mrs. Clevenger drove.
 All of our girls ended up sitting on
 the floor as "friends."

November is coming up and that
 means Inspection. That will be on
 November 6. The banquet will be at
 6:00. Learn your Initiation parts,
 girls — this is the important time.

November 20 will be Election, girls.

The term is really going fast.
 Girls, keep coming to the meet-
 ings. It helps a lot.
 Thought for the month: Job was not
 so miserable in his sufferings as bap-
 py in his patience.
 See you next month, girls!

MASONIC THOUGHT

Our generation is facing a new
 era. Where once we were concern-
 ed with cathedral building and
 spreading the spirit of brotherhood
 in the hearts of men everywhere,
 today we are contemplating the
 celestial reaches of space and the in-
 finite dimensions of existence. As
 in the past, it is the "ingredient of
 God" in man, that gives him his
 stature — and enables him to com-
 prehend, perceive and utilize the vast
 consciousness of life, as it deepens
 and expands. With God in the center
 of all we contemplate tomorrow can
 never be less than challengingly fruit-
 ful and refreshingly new. To reach
 higher pathways we must continually
 search for truth and light, and have
 an unquenchable thirst for God. This
 "quest" opens doorways to one's
 higher instincts, loftier aspirations,
 nobler possibilities — and is the
 spiritual summitry which helps us be-
 come aware of things divine, where
 dimensions are utterly unmeasurable.
 —Henry S. C. Cummings,
 Knight Templar Magazine.

LIVE TODAY

(Author Unknown)
 There are two days in every week
 which should be kept free from
 fear and apprehension. One is yester-
 terday with its mistakes, its faults
 and blunders. Yesterday has passed
 forever beyond our control. We can-
 not undo a single act we perform-
 ed; we cannot erase a single word we
 said. Yesterday is gone. The other is
 tomorrow with its large promise and
 poor performance. Tomorrow is also
 beyond our immediate control. To-
 morrow's sun will rise, either in
 splendor or behind a mask of clouds
 — but it will rise. Until it does we
 have no stake in Tomorrow, for it
 is as yet unborn. This leaves only
 one day — today. Any man can fight
 the battles of just one day. It is only
 when you and I add the burdens of
 those two awful eternities — yester-
 day and tomorrow — that we break
 down. Let us, therefore, live but
 one day at a time.

Although this is the month of a big bird, The Turkey, the small birds of last month shouldn't be by passed. In other words, as the saying goes, shouldn't be "One for the Birds."

By means of this article, on behalf of the Past Officers of Faith Shrine, a big "Thank You" is said for the very enjoyable evening of October 25th set aside for us. To Mae Husted, our Worthy High Priestess, for the planning and making it possible to Clarence Christopher for his entertainment, with the slides of his Florida Trip, to the Social Committees for the delicious "Sloppy Jo's" (which by the way tasted like Fanny Bickel might have had a band in it) and to Vancha Collins and Helen Hutchison for their cleverness of handiwork in the making of the decorations which turned out to be the gifts of the evening for the Past Officers.

Bird Cages decorated with pastel shades of Tulle containing an artificial colored bird and dainty flowers made a lovely sight, a very lovely sight, a very acceptable gift and an evening long to be remembered. If you were to go to Velma Freezes some where you would find one in shades of delicate peach, to Lavon Reims you would find one in pink, to Delta Schmoes it would be black and white with a cardinal on the little perch. Mine happens to be in a beautiful shade of yellow with a black and yellow canary. These being just a few of the colors represented.

Saturday, October 12th was State Shrine day at Indianapolis and 21 Sojourners from Faith Shrine were present to help elect Arnett Bickel to the office of State Adviser for the year. So to Arnett we wish to extend our congratulations for this and for the honor he has brought to our Shrine. Plan to be at the Reception on November 22nd given for him.

Another Honor for Faith Shrine is the appointment of Betty Garmire as Herald for the Association.

Harvest is a happy time —
A time for gathering in
What the earth in its abundance
Does yield each year to men.

A time indeed for thankfulness,
For men to stop and pray
And each to count the blessings
That God has sent his way.

Miriam Shrine officers will try to make their activities for the balance of the year as interesting as possible. Those of you whom we haven't seen lately, why not join us soon?

At our November 8th stated meeting, we will honor our Supreme appointments. And Thanksgiving will be the theme of our November 22nd stated meeting. In connection with this upcoming holiday, the following thanksgiving prayer seems most fitting:

Almighty God, on this one day
That we have set apart
May each of us sincerely
Look up to Thee with thankful heart.

May we this day, unselfishly
Forget what we have not
May we not ask, but Thank Thee
Lord, for what we've got.

The Orion Club will meet on Sunday evening, October 27th at the home of the Biddles in Leo. All sojourners are invited to this Halloween party.

Our congratulations to Soj. Erma White who was installed as Chaplain of the State Shrine Association for the ensuing year. Congratulations to our newly made sojourners are also in order. May you enjoy your membership.

By now you have received your Ways & Means project letter and also your Material Objective envelopes. We feel sure you will lend your support to these endeavors this year as you have in the past.

Ways & Means will also be selling candy, cookies and paper napkins.

The Christmas holidays will soon be upon us once again. Why not try to do your shopping a little earlier than usual, so that you can find a little time to reflect upon and enjoy the full spiritual meaning of Christmas?

ILLNESS:

Sojs. Iva Schieber and Lloyd Leas

are recuperating nicely; Catherine Schell is ill at home; Ruth Hickman has been ill at home; Mary Church has been down with the flu; Ethel LeMay and her husband were both in an auto accident; Harold Diggins, an honorary member of our Shrine, has had surgery at Rochester, Minnesota.

DEATH:

Hattie Perry, a charter member of Miriam Shrine, died in Angola on October 1st at the age of 93.

May those who have been ill regain good health real soon, and our sympathy goes to the family of Sojourner Hattie.

Hello again folks! Golly — don't you feel as though it would be fun to just stop the clock — and hold back the day — just for a little while. It just seems as though this space age has really descended upon us — we seem to be speeding along on the ground almost as fast and furious as the satellites! 'Tis the rush season all over! Not only on Campus but here in our own little community — Put on the brakes — and slow down you all! Sounds like fun — but just try to accomplish it huh?

Anyway — there is nothing we can do to slow down progress and I don't really think we want to do we? Anyhow — on to the more pleasant things for the month. And to go back to the ladies who had such a busy fun time at Philadelphia. They were Mrs. Robert Gahman, Mrs. Clara Vance, Mrs. Charles Masel, Mrs. Don Marvel, Mrs. Louis Kock, Mrs. Carter Palmer and of course Mrs. George Adams. They all stayed at the Ben Franklin Hotel, which is right in the downtown area. The whole convention was housed in the one hotel — some 167 Assemblies represented — even from Hawaii. And guess what — Ladies — we had representation here from 149 of our Sir Knights! How about that! There were tours planned for the men too. And guess what — the eastern part of the country was decked out in all its autumnal glory with beautiful trees — just colorfully turned to beautiful autumn hues. Just sort of makes you lonesome for the mountains etc. doesn't it?

Our Worthy President tells me that this was a really busy Convention — and she managed a few cards in between sessions — and was only able to take one tour — a worth-while one though to Valley Forge. As far as we can remember, this is the first time that Philadelphia has had this Convention and next year it will be in Kansas City, Missouri.

Now for a little description of the Ben Franklin Hotel — We are told that it is very beautiful — and the Ball room very elegant with its beautiful chandeliers — and the rooms are lovely — but the plumbing is a rustic reminder of ol' Ben Frank-

lin Days — historical and all sort of thing — even old sinks!

One other interesting bit on Convention — each officer breakfast with the respective officers from other cities — and this is a good way to get acquainted — renew acquaintances each year, the President on down, each gets together — and these gals brink back to us their reports of their special get togethers.

Now to get on to the coming meetings — On November 5th — Installation of Supreme Worthy President — Mrs. Talbot — and we surely need everyone there — not as the army — with shined boots, etc. — but we do need people all of you — O.K.

Another special date — and is truly a special date — we will like all of you to be present our Memorial Program on November 19th — in memory of our departed sister.

Thelma Adams wishes us all very happy pleasant Thanksgiving day to enjoy being with your families. Golly — it will be Thanksgiving so very soon. This brings to mind a little phrase — Thanksgiving, Pilgrims with their meager means possessions paused to remember this was not merely a feast given day but it had to do with a certain way. So after we given thanks — we can get on to the matter of thanksgiving.

We have one death of a relative the brother of Helen Brecount.

Illnesses — Mother-in-law of W. Thompson, mother of Anondale, Mother-in-law of Emma S. The husband and son of Doris were injured in an automobile dent.

The year 1963 will prove that sands die of gas. Some will take a few more will light it, and it will simply step on it.

FOR ALL THE LITTLE THINGS

by
Eleanor Frey
Thank You, God for all the simple things

That each day brings.
All through the busy hours we trace Thy Hand,

Yet sometimes too dull to understand —
We think the gift too small.

Help us, God, to see Thy love that crowds each busy day.

And thank Thee more for simple things we find along the way.

Friends to greet you, loved ones near,
Songs to share — perchance a tear.

For strength to walk, for gift to play.
For fireside at the close of day.

Worthy Matron Kathryn Fuhrman has been confined to her home because of illness, but was able to attend October 8th Chapter. She welcomed everyone to Chapter and read a poem about the lovely Autumn weather we are having.

Our thanks to the Choir for their songs, and to Sister Georgianna Judkins for her beautiful, appropriate music, and to the Social Committee for the pie and coffee after Chapter.

A fire at the Worthy Matron's home prevented her from being hostess to the Drill Team in October, as planned: Sisters Sonoma Woodruff

and Thelma Kayser entertained them at Sonoma's home.

On Friends' Night, when we had a splendid attendance, in addition to the Drill Team's Exhibition, the Choir sang a special song to the tune of "76 Trombones" for our friends; they also sang "The Sunshine of Your Smile" to honor Sister Sonoma Woodruff. The Social Committee, Officers and some of the members furnished a wonderful variety of salads for the lunch after Chapter.

"Butch" LaRue, son of LaVerne (Adah) and Norman LaRue, also played the ever favorite "Mr. Sandman," "Tammy," and several other numbers on his Baldwin Electric Organ. Our thanks to Butch and his Dad for bringing this organ to the Chapter Room for our Friends' Night Program. His proud grandparents are our own Doris and Sheldon Leiter.

The Officers met recently at Sister Edna Senger's home for their Proficiency Test.

On October 5th ten Star of the East members went to Garrett to present a corsage from the Chapter, and a fifty year pin to Sister Clara Johnston. Sister Clara resides in California but was in Garrett on a visit. Sister Sonoma Woodruff, Past Grand Matron, made the presentation. Refreshments were also served.

Sister Helen Howard, Past Matron of Fort Wayne Chapter, was the speaker October 8th to honor the Red Ray of our Central Star, the Electa Station. Everyone was so impressed with her story of Electa, and we hope it will not be an imposition to ask her to be our guest on other occasions to give her our own impression of the other Star Points.

Worthy Matron Kathryn Fuhrman appointed Sister Gladys Coe as Chairman of the International Temple Fund. This is a very worthy cause and we hope everyone will contribute towards the upkeep of the beautiful International Temple in Washington, D. C., and visit the Temple whenever you are in that City.

Sister Myona Binkley, who was Sentinel of the Star Chapter for a number of years, is leaving Saturday, October 12th, for the Masonic Home in Franklin, Ind. A Reception was held for her on the Mezzanine of the Chapel on October 9th. The Committee had decorated the Reception table with a beautiful floral center piece of carnations arranged in the shape of a Star. On the Gift table was a basket of Silver contributions. Punch and cookies were served to Sister Myona and her many friends from other Organizations she belonged to, and her former co-workers, who dropped in to wish her the best of health and happiness in her new home where we know she will be an inspiration to others.

Be sure and attend the November 29th Card Party, Style Show and Bazaar; the hard-working Committee will appreciate a good turn-out.

The Worthy Matron wants to express her thanks to the various Committees for the clever 1963-64 Year Books, which also greatly assisted the Publicity Chairman in preparing news for the Square and Compass. She also thanked the Rummage Sale Committee for their work in connection with their recent sale.

Estrellita members served delicious refreshments after the October 22nd Chapter.

Again, we thank You, God, for all the lovely things that each day brings.

The meetings last month picked momentum by most everyone giving us her view on matters of enterprises. Please keep up

the good work and continue to attend the meetings and take an active part.

Only a couple of the members are ill and those are very much improved now. Our friends night was delightful and all had lots of fun. Past Officers Night will be held next month and all offices will be filled by Past Matrons and Past Patrons if possible.

Our Deputy Grand Royal Matron will be with us on Nov. 27th and we would appreciate a good attendance that night. We hope that we had a large crowd at the card party and the honored ladies had plenty of help at the rummage sale, as these events will have been over at this writing.

The Officers will have their November meeting with Honored Ladies Pauline Stocks and Betty Eddington on November 7th at 8:00 p.m.

Please don't forget that there is only one night of meeting of our Court in December and try to make this one to remember.

work on October 24, 1963 to a nice group of candidates. We sincerely and fraternally welcome these new companions to Fort Wayne Council No. 4. I also wish to thank all the companions who attended and gave of their time and assistance.

Your Illustrious Master and other officers attended Grand Council Sessions on Oct. 31st and Nov. 1st in Muncie, Ind. I will bring you a report of this meeting at our November stated meeting on Nov. 21, 1963. Hope many of you will plan to be present.

I hope each of you can see the need of our Masonic Principles more today than ever before. Not just for ourselves, but that we so live our lives to be examples of those principles to all others we meet.

Look to this day!
It is Life, the very Life of Life
For Yesterday is but a dream,
And tomorrow is only a vision;
But today well lived makes
Every yesterday a dream of happiness,
And every tomorrow a vision of hope.

Look well, therefore, to this day.
See you at your council meetings.

October was a busy month for DeMolay. On October 5, the annual hayride was held at Meyers Barn. It was a big success, with close to 500 people attending. Thanks go to all Demolays who made it a success. Our first initiation was held on October 23, with 7 new members being initiated.

November will be another busy month. Besides our stated meeting on the thirteenth, we will have our second initiatory degree on the twenty-seventh. On November 18 we will have our second annual Family Night. All Demolays and their families are urged to attend. The event is being sponsored by the Mothers' Circle. There will be a potluck supper and entertainment.

A committee has been formed for the Demolay - Jobs Daughter Christmas Formal which will be held on December 28. Chairman of the committee is Paul Boegert, those serving under him are; Max Johnston and Dave Fiandt. Anyone with suggestions for a theme and/or decorations can give them to anyone on the committee.

I am happy to announce that Paul Boegert has been appointed as a state aid to the State Master Councilor.

There is a possibility that both our degree teams will put on both degrees for a new chapter in Decatur sometime within the next month or two.

We have got a long way to go before we meet our membership quota, let's get going. Remember the new initiation fee of \$25 for life membership instead of the old initiation fee of \$15 and \$3 every year afterwards.

Thanks go to the Mothers' Circle for the new ties they have provided for the officers. The ties are badly

needed and I think the best way for the officers to thank the Mother's Circle would be by taking good care of them.

RETRACE YOUR STEPS

(Masonic Messenger, Georgia)

To go back, in the sense of reviewing the past is not to be lost in idle contemplation. Life itself is an eternal going back, a mental return to those sources of inspiration which gave life a motive, a goal, a purpose.

Masonry, wise beyond our limited knowledge, admonishes its members to retrace their steps. What we have found of value must be rediscovered, and perhaps that which escaped our eyes and hearts must be discovered.

We speak of "the faith of a child". Is there a stronger faith than the steadfast faith of a child? No matter how far we may go in life, and by what means we may measure our progress, there is always the necessity for a renewed faith to dissolve theories built of cold logic and rigid reason.

Let us have the courage to retrace our steps, to enlarge our ideals, to see again the beauty of truth, the strength of personal integrity, the satisfaction of self-respect earned by unswerving attachment to duty. If time has dulled the lustre and inspiration of yesterday, let us recapture that vision, the pulsating force that made life a beautiful adventure.

The design of Masonry is the pattern for a well-spent life. But that sign does not ignore the weaknesses and faults of men.

By means of allegory and symbolism Masonry points to the fulfillment of our loftiest ideas.

To look for the answers to problems that may confront Masonry in 1963 we must start with the admonition — Retrace Your Steps.

LIFE'S VALUES

(West Australian Mason)

Masonry's purpose is to make men better, wiser, and consequently happier. Masonry is not that which confers upon its initiates a simple set of rules which all of a sudden clothes one with an impregnable armor against the temptations and evils of life.

Masonry is a system of morality and recognizes the truth that the responsibility rests upon the individual to study such a system and to increase and grow in moral and spiritual strength.

"Moral weakness" is a convenient phrase which is often used to justify our lack of knowledge and wisdom in judging life's values.

The degrees of Masonry are designed to point to the genuine values of life as opposed to the false and the deceptive, those "values" which often appear more desirable

than the real and lasting.

When we fail to make a proper distinction between the two, we attribute our failure to "moral weakness."

Masonry's way is slow but ever upward. The more we learn the more we habitually come to choose the good and discover the key which opens up the way to moral stability and strength.

Masonry teaches "by degrees" and as we grow in wisdom, we grow in goodness.

On Saturday, October 12 your high honor had the pleasure of visiting Muncie Chapter No. 30 and witnessing the conferring of the chaplains on our candidate "Fritz". A candidate from Thomas R. Marshall also accompanied us and received the degrees. The class of candidates from Muncie, Marion, Pennsboro, New Castle and Fort Wayne. was a pleasant experience to be work conferred on a class of a number of chapters and my hope is to see such cooperative action among the York Rite Bodies.

When you read this the Grand Master meeting at Muncie will have ended its work for another year. The high priest has been privileged Grand Chapter in the capacity as high priest for two successive years. This is due to the fact of chapter elections from member to the stated meeting in November. Therefore I wish to reiterate to all companions that the Annual Stated Meeting and Election of Officers will be held on December 13. There will be a chicken dinner at the Temple kitchen at 6:15 preceding the meeting.

Our King "Barney" Smith is to be remembered and thanked for the re-robing of our chapter robing room. Also for his efforts to rebuild, re-robin, repair and replace the robes we have done such Yeoman Service over the years. I am sure the members cast in the ensuing years will be grateful.

The newly redecorated Egyptian Temple really sparkles, but has lost its "Egyptian" character. Suggestions as to how the "Egyptian" might be recaptured, or possibly "renaming" of the room would be welcomed by your Grand Council. Remember your Stated Meetings are held there. The November meeting on the 21st will be preceded by traditional Thanksgiving turkey dinner with all the trimmings. Hope to see you there, companions.

Sir Knights, we have just completed our second "All Order Day" for 1963. I want to congratulate all Sir Knights and Officers who made these days such a success. It seems you just make one successful hurdle and you find yourself approaching another. On December 7th at 2:00 p.m. the Commandery will be starting its Inspection on the Order of the Temple. This part of the Inspection is for Sir Knights only. But don't leave your wife or guest at home, bring her along and the Ladies of the Beauceant will entertain her during the afternoon. You can rejoice over the evening banquet at 6:00 P.M. The Commandery Band will entertain from 7:00 to 7:30 p.m. The Officers and Sir Knights will take over at 7:30 for their part of this Public Inspection. Sir Knights, this is one event that you can bring that friend and Blue Lodge Mason to and show him some of the Commandery work. The evening Inspection is a Public Inspection so let's have a large turnout.

The date for our Christmas Observance is December 15th. Prelate Schubbe Boggs will have more information on this event later.

We wish to express our sympathy to the families of Dan Niebel and Robert Koerber. I am sure they will both be missed greatly.

Masonry extends so far back in history that there are no written words or hieroglyphics to denote its actual beginning. Ancient craft masons were primarily stone masons and traveled Europe erecting magnificent buildings and cathedrals. They were considered among the most educated people of their time and Masonry was looked upon as a University. For many years before books and paper were available all knowledge was transmitted from memory in lecture from one person to another. Since Masonry now includes craftsmen from all walks of life the world over, it has changed from operative to speculative. Knowledge is now readily available on almost any subject and can be disseminated to the people in book form, on tape or on film.

Masonry today may not be looked upon as a University, but by its ancient custom of requiring its members to commit certain portions of the degree work to memory, it is demonstrating to the individual that he has a capacity to memorize word for word vast amounts of information. This masonic lesson is a way of teaching the man that he has latent mental abilities far in excess of his expectation and daily use. This indeed then is Masonry helping the man to help himself.

We have been busy this fall. We journeyed to Decatur Sept. 30th for lodge of instruction, put on the E.A. degree. We had a very enlightening evening.

Olive Branch has two F.C.'s who are probably as eager to learn as any we have had for some time and I think they will be carrying on this good work in the coming years. We also have a brother transferred from Illinois who has added a lot of enthusiasm to our lodge.

We are planning a Past Masters night for our next stated meeting, Nov. 14th. Our J.W. is planning a good supper. So all you members come. Show him his efforts are not in vain. Yes come meet our new members. Restore your fellowship with the brothers you once helped with their work, or they may have helped you. I am sure you will meet friends and brothers you haven't met for some time.

Let us stand up for our lodge. Get out and support it. I know you

will enjoy yourself.

Attention all Past Masters of Olive Branch Lodge 248. Bring a picture of yourself, taken as near to the time you were master as possible. If you don't have one you could give us, let us have one to get a reproduction of. We will return the original.

Remember those good old Indian Summer days when we were going to school. We cut across the fields, through the woods, and along the fence row where the bittersweet and Sumac grew, where the wild grape vines made a good swing and the cobwebs floated lazily through the air. Then at noon we ate our lunch out of little tin buckets and sat on the old road grader that was parked on the back of the school house lawn till spring. God intended that we should remember these things and be impressed with the perfections of the Divine Creator. That is why the Prophet said "Remember the Creator in the days of thy youth."

The annual chicken barbecue at Cedarville Park was again a grand success. The weather was perfect and if the worshipful master and Clarence Brown and Byron Fleming keep on, they will become experts at the job of barbecuing chicken.

The Entered Apprentice Degree was conferred on a candidate Oct. 17. A goodly number was present and the work was well put on.

A Temple Association reports that they will come up with a very definite answer soon. Things have become quite interesting at Leo Lodge and I hope to see all the Brethren present at the meetings to share in the good times we are having.

Brethren on October 2nd, a Lodge of instruction was held in joint with Churubusco Lodge No. 515. As usual Churubusco Lodge was the perfect host. Our thanks goes out to all the brethren of Churubusco who made Hometown feel so at home, this is Masonry in action.

October 3rd at our stated meeting Hometown had the great pleasure of witnessing the presentation of the 50th year award of gold to our Brother John Griffen. Bro. John will be 93 years old Nov. 14, 1963. This award was made by Worshipful Bro. Walter Kell P.M. and Bro. Floyd Gouse, Chaplain. Bro. Kell and Bro. Gouse are 50 year award of Gold members. Worshipful Bro. Kell was on

Bro. Griffen's investigating committee and gave him his work 50 years ago.

November 7th is our regular stated meeting November 14th the E.A. degree for Larry Campbell at which time the F.C. degree and M.M. degrees will be announced.

Lets make a special effort to get started back to lodge again. You have no idea how much you miss and how much you are missed. Please attend Lodge every opportunity you have. I know you will enjoy the fellowship you will have. It will help us discharge our duties to God, our neighbor and ourselves, and place our designs upon the trestle board so as to pass such inspection that it will be our portion to hear from Him who sitteth as Judge Supreme. Well done, good and faithful servant, enter thou into joys of the Lord. And by the designs you place upon your trestle board it may be a marker for someone else. We never really know what influence we have upon other people and how our actions may direct them. So lets put some right angles on our trestle board, act right, be right, think right and stand a just and upright Mason.

THE FIRST CONSIDERATION

(Exchange)

Are we not prone as Masons to be critical of ourselves, and perhaps of our brothers?

It is well for all Masons to study, to improve, to advance, but it is also well to realize that patience is required.

The Temple of Life cannot be rushed to completion. The victory is in how we work, as well as what we achieve. Always there must be the Spirit of Charity among those who labor in a common cause.

We are men who are striving to be better men. There is no illusion of perfection or infallibility. Masonry is a complete study of Self and as we learn more about our own beings, we understand more that our brothers are men of like aspirations, hopes and dreams.

If we could but form the habit of saying first in our hearts — "He's my brother," we would immediately clear the path between us, and we would then leave unsaid that which

might later cause remorse and regret.

Masonry will be as strong as the bond between you and your brother. There are many fine activities which Masons and Masonry may engage in, but there is no stronger foundation for us to build upon than our brother-to-brother relationship. This must be the first consideration.

ARE YOU UNSELFISH?

There is a great deal of difference between generous and being unselfish. A generous person is one who does something nice for another because he wants to do it—for one reason or another. An unselfish one is a person who does something for somebody simply because he thinks that somebody would like to have him do it. Though he never suspects it, a generous person thinks of himself first — it makes him feel good to be generous. An unselfish person thinks of the other fellow first. One is glad to give something, the other to give up something.

An unselfish person always endeavors to cheerfully put himself out for others. One of his hallmarks is his impulse to be considerate. If you are curious to know how you stack up in this matter — there is a quick and simple test. Just ask yourself how long it has been since you did something unselfishly.

The Little Gazette

FREEDOM OR SLAVERY!

I place economy among the first and most important virtues, and public debt as the greatest danger to be feared . . . To preserve our independence, we must not let our leaders load us with perpetual debt . . . We must make our choice between economy and liberty, or profusion and servitude. If we run into such debts, as that we must be taxed in our meat and our drink, in our necessities and our comforts, in our labors and our amusements, for our callings and our creeds . . . our people must come to labor sixteen hours of the twenty-four, give the earnings of fifteen of these to the government for their debts and daily expenses; and the sixteen being insufficient to afford us bread, we must live . . . on oatmeal and potatoes have no time to think, no means of calling the mismanagers to account; but be glad to obtain subsistence by hiring ourselves to rivet their chains on the necks of our fellow-sufferers. If we can prevent the government from wasting the labors of the people, under the pretense of caring for them, they will be happy.

Thomas Jefferson

KEEP THIS IN MIND

(Indiana Masonic Journal)

Friendliness and brotherliness should be stressed to the limit in Freemasonry. The practice of these relationships generate more power in fraternal life than about all the other things combined. In fact without feeling a close kinship among Freemasons, little may be expected from other phases. Every Freemason is truly a brother to every other Freemason, and it is well to keep this thought in mind.

IT DEPENDS

With some people there is considerable prejudice against the reading of manuscripts before an audience. I argue that reading is not as good as extemporaneous speaking. Recently that a noted Masonic orator gave his opinion that while a very good thing to be able to read without reference to manuscripts, it is much better to read the printed page what they contain. When they have completed their extemporaneous talks, the more apt to remember what they thought they said than what was actually spoken by them.

Good speeches and well prepared papers both have a beneficial effect upon those who are listening. The windy speaker who talks without having prepared anything worse to say, does them no good at all. A man with a good speech paper need not be ashamed to read it, if by doing so he may be better enabled to get his message across to his audience.

—The Orphans Friends and Masonic Journal.

THE REAL JOB

(Oklahoma Mason)

To sow that others may reap work and plant for those that to occupy the earth when we are dead; to project our good influence far into the future, and to live beyond our time; to bless with glorious gifts of Truth and Light Liberty, those who may never know the name of the giver, nor know what grave his unguarded actions pose, is the true office of a Mason, and the proudest destiny of a man.

IT WAS "SHRINERS" NIGHT

It was "Shriners Night" at the Coliseum in Indianapolis. The men in their fezzes are said to have won instant approval as marshals and are credited with helping to avert panic on that tragic night which took so many lives.

WORSHIPFUL MASTER IN HOSPITAL

Thomas M. Franklin, Worshipful Master of Three Rivers Lodge, suffered a heart attack on October 28th at his home at 5006 E. State Street. He was admitted to the Parkview Memorial Hospital on the same day. His condition at this time is reported improved, but is expected to remain hospitalized for some time.

LOVE OF COUNTRY

By Walter H. Judd

The Masonic Fraternity does not put the primary emphasis on the nation, important as that is. Patriotism is one of the loveliest things in the world — love of one's own; the one thing that makes people who were born by the sea lonely without the sound of the sea in their ears; or makes those brought up in the forests or mountains feel almost naked if away from their comforting shadows, or makes people who, like myself, were born on the plains feel hemmed in and cramped in the roaring city.

Love of one's own is good. But if it becomes uncritical loyalty to one's own exclu-

sively, then it divides instead of unites. There are some 80 or 90 nations and if you say, "First my nation," then you must grant the right to others, and you cannot get a united world.

The Masonic Fraternity does not even put the primary emphasis on creed or sect, because they also divide.

I ask you, what is the one thing we all have in common? It is just this: our common humanity. And that is where the Craft puts the primary emphasis, on the next thing we all have in common. Next to God, it puts the primary emphasis on the individual human being — his worth and his welfare.

This immediately gives hope, because it deals with that which can be changed. Governments, as such, do not have consciences. Institutions, as such, are not self-critical. But man can respond to a "still, small voice," and be changed. The history of changed governments and institutions and societies is the history of changed men.

God spoke to a layman who was a political refugee, an old man, his career finished, hiding for life in the mountains, tending sheep. And the Lord said, "Moses, go down into Egypt and get my people." And the history of the world changed.

God spoke to another layman on the way to Damascus. Not only was he perfectly correct himself under the law, but he was policing everybody else's actions as well. And the Lord said, "Saul,

Saul, why persecutest thou me?" The man went for a week end to a "layman's retreat," and had some wise counsel from the clergy and he came out a different individual.

God spoke to a boy down in a New Orleans slave auction mart, and the young lad gritted his teeth and said, "If the time ever comes when I can strike this traffic in human beings, I will strike with all my strength. Abraham Lincoln changed the history of the world.

This world is too sick to be patched up with superficial plasters. Only an Almighty and loving Father, working through changed men, through us, His son, can save this broken, divided world, and make of it the united peaceful force it must be.

This is a day of judgement on yesterday. It is also a day of decision for tomorrow. As long as men trusted in their own smart plans and clever schemes, there was no hope. Those have come to naught. It is a day for us to life up our hearts. I am hopeful today because we are beginning to be hopeless about ourselves — for that gives God his chance.

INVESTMENT

(Freemasons' Mag., London)

You cannot buy Masonry — no man ever did or ever will. You do not buy it when you pay your fees or dues. You simply gain by these opportunities to get Masonry. Where is your investment then, you ask? Let me tell you.

If you become a Mason, you put into Masonry more than money, more than anything you have or possess that you measured by pounds or shillings — you put your life into it.

Life is in constant conflict between good and evil. Masonry aids the Mason to choose the good rather than the evil. Dominating the Mason's life, Masonry creates the habit of choosing the good with the result that it helps him to develop character. Is there a more desirable dividend on effort than character?

You may call it by any term you please but Masonic effort builds character. You may have wealth and put your money into paying propositions but you can make no investment that will pay greater dividends than Masonry will.

TRINITY CHAPTER TO HAVE STEAK SUPPER

Trinity Chapter No. 576 O.E.S. will have a Steak Supper December 13, 1963, at the Masonic Temple. Tickets are \$1.25 for adults and \$.50 for children under twelve, and may be obtained from Ophia Henning, Della Weesner, Betty Smith, or any member of the Ways and Means Committee. Serving will be from 5:00 to 8:00 p.m.

ZONING BOARD APPROVES SITE FOR THE LEO TEMPLE

The Allen County Zoning Board in their session Nov. 13, approved the site for the new Masonic Temple at Leo. The site is a one acre plot at the south edge of Leo and the north edge of Cedarville on State highway One and about one hundred fifty feet south of the junction of highway One and the Amstutz Rd. The land is a part of the Joseph B. Neuhaus farm.

The tentative plans call for a building thirty by sixty feet with a fourteen by sixteen foot vestibule. The interior will include a thirty by fifty foot Temple, a ten by ten preparation room, a ten by twenty tyler room and a fourteen by sixteen foot cloak room and vestibule. The basement, half in the ground and half out will include a large dining room with fireplace, a kitchen, furnace room, and two rest rooms. The Temple faces the East and overlooks highway One and the St. Joseph river. The entrance and exit have unobstructed views to the highway and the front lawn will be landscaped to conform to the beauty of the surrounding community. About one hundred cars can be parked in the parking area.

The officers of the Leo Temple Assn., Inc. are John Bierley, Pres.; Harry Bender, Vice Pres.; Byron Fleming, Sec'y.; Arthur Popp, Treas.; and Alvan Tharp, coordinator of work between the Lodge and the Leo Temple Assn. Inc.

A financial campaign is now on to raise funds for the purchase of the land and in hopes that the Temple can soon be started.

SUCCESS AFTER AGE OF SIXTY

(Ohio Mason)

Some say that life begins at forty but records reveal that most of the world's notable achievements have been made by individuals well past sixty. Researchers who have made a study of leading career men (statesmen, inventors, painters, military heads, philosophers and writers) have found that about two-thirds of all outstanding accomplishments were made after three score years.

Ben Franklin, Jefferson, Emerson, Titian, Verdi, Goethe, Bell, Newton, Pershing, Edison and Einstein are just a few whose unrelenting creative urge made their seventies or eighties a second prime of life.

Growing old is just a bad habit for which busy folks have no time or patience. Absorbing interests and ambitions help keep enthusiasm high. It's better to be sixty years young than forty years old!

You will not read far into this column until you detect that these words are not the usual words of wisdom of your Worshipful Master, but those penned by a less experienced writer. On October 28th the Worshipful Brother Thomas M. Franklin was admitted to the Parkview Memorial Hospital after suffering a heart attack at his home. At this writing he is much improved and is expected to be at home by bedtime you read this article. The officers and membership join in praying for a speedy and complete recovery for him.

On November 5th a dinner was served in the kitchen of the temple honoring six new members who were received during the past month. The cast of The Rose Upon The Altar, enjoyed a fine dinner and evening of fellowship with brethren of Winchester Lodge on November 21st.

Degree work has continued through the month of November, and as usual the M. M. degree will be conferred on the first Tuesday in December which will be on Dec. 3rd. This may wind up the degrees for this year. However petitions are still coming in and it would seem certain that the officers of 1964 will have work to begin their year in January. Dec. 10th marks a very important date as it is our annual stated meeting, at this time officers will be selected for the coming year, so plan to attend this very important meeting. You have already received your notice that dues are due and payable. Please help our secretary by remitting promptly. As you pay your dues please remember that great institution, The Masonic Home and give as liberally as you can.

The Lodge wishes at this time to send greetings to Bros. Norm Koch, Dwight Black, Roger Smith, Merle Ledbetter, and all the Members who have been on the sick list.

In the absence of Bro. Franklin, many remarks have been made regarding the fine manner in which the Senior Warden, Bro. LeRoy Roberts is managing the affairs of the Lodge. Keep up the good work Roy. This as you know is the last issue of this paper for 1963, the Worshipful Master therefore wishes to take this opportunity to thank his officers, the committees, and all the members who contributed anything to the success of the year 1963. To Bro. Sheldon Leiter and the temple staff, for the courtesies shown he says, thank you. He appreciates all of your efforts more than words can express.

If the Worshipful Master were at this desk he would not permit the following remarks to be made. But since he is not here we take advantage of this opportunity to say, that in the opinion of many, the year of 1963, under the direction of Thomas M. Franklin, fifteenth Master of Three Rivers Lodge, has been one of

the most, if not THE most successful years, in many ways, in the history of this Lodge. Over twenty members have been received, we have been busy, our needs have been adequately taken care of, entertainment was adequate, and yet the Treasury has suffered no loss. For this outstanding history making, record Worshipful, the members of Three Rivers Lodge No. 733 join in saying, thank you Please take care of yourself so you may soon be able to meet us on the level in the Corinthian room.

How swiftly the sands of time run out, thus my last message to express how much I have enjoyed the honor as Master of Home Lodge. In a few days you will elect your new officers for the coming year. May they have the same excellent cooperation that I have had. It has been a real pleasure and a great honor and I want to thank all the brethren, especially the past masters, for making this year one of the most honored milestones in my life. I wish to extend my thanks and appreciation to my fellow officers and to all the brethren who have given so freely of their time, for what ever success we have enjoyed has been due to their efforts. Thanks also to the brethren, who by their continued attendance at Lodge or those who could only attend our special affairs, have made our Lodge, one of the most active, best attended, and most highly respected lodges in our area.

Four links in our fraternal chain were broken in the last month. Bro. Virgil R. Kite, John R. Mitchell, Thomas I. Harter, and Roy A. Tucker. To their wives, families, and friends we offer our sincerest and deepest sympathy. May they turn to the Grand Architect for spiritual guidance, keeping in mind they have been translated from this imperfect to that all perfect, glorious, and celestial Lodge above, where the Supreme Architect of the Universe presides.

Public Installation of your 1964 Officers will be held in the Hall of Home Lodge on Wednesday, January 1, 1964, at 2:30 P.M. You, Your Family, and your Friends are cordially invited. Refreshments will be served.

In returning to the ranks, may I

leave you with this thought. Masonry is a fraternity based on a belief in God and in basic truths, and is one that should be advertised as having a membership of character, "not characters." Be proud that you are a member of the fraternity and of Home Lodge. Bring your Masonic friends to our meetings, and also your non-Masonic friends to our public affairs. Think and act Masonry in your daily life and we all can help to make this a better world in which to live.

Brothers: My year as Master of your Lodge is rapidly drawing to a close. The past year has been one of the most rewarding experiences of my life, and I'm sure one I'll never forget. I would like to take this opportunity, to extend to you my most sincere and humble thanks, for granting me the honor and privilege of serving you as your Worshipful Master for the year 1963. As I look back over this year, there are several events that stand out in my mind; the one most clearly of course was our Ladies Night. We decided that we would like to have our ladies as our guests at one of our banquets, and to include them in our evening of entertainment. The success of this program may well set a precedent for years to come, and was only made possible by the help and assistance of each of your officers.

Also not to be over looked was the observance of St. John the Baptist Day, on Sunday, June 23, at the New Haven Methodist Church. This was certainly a huge success and one of the most inspiring events of the year. We also enjoyed a fine Smorgasbord and Square Dance, a Fish Fry and by the time this article reaches you our Past Masters Night will be added to the past events of 1963.

On December 2, we will have our election of officers, and I want to take this opportunity to wish for each of them a wonderful year of service. On Friday, December 27, the Grand Master has requested that all Masonic lodges hold a Table Lodge to celebrate the Feast of St. John the Evangelist. Plans for this observance are not complete as yet, but keep this date open on your calendar.

Our sincere sympathy and sorrow is extended to the family of Brother Russell C. Harruff, who was called by the Grand Architect of the Universe, to join the celestial Lodge above.

As I finish this article, I wish for

each of you the best of health, happiness, and prosperity for the coming year, and truly this is the season when our hearts should be full of gratitude for the many blessings which we have received. We have Christmas this year more than before. We need the strength, courage and joy which it brings. May we carry with us at all times the spirit of love which is the foundation of our organization; may the glorious glow of human kindness kindled in the hearts of mankind on that first Christmas be as strong an influence in our lives, as it was two thousand years ago.

In closing may I challenge each of you to live for something good and leave behind you a monument of virtue that the storm of time can never destroy. Write your name in kindness, love and mercy on the hearts of those you come in contact with day by day; you will never be forgotten. Your name and your deeds will be as legible on the hearts you leave behind, as the stars on the brow of evening. Good deeds will always shine as the stars of Heaven.

Summit City Lodge will hold its most important meeting of the year on Dec. 6th. Your privilege and responsibility in electing the Lodge Officers is great. It is through your Lodge Officers' Masterly progresses, takes a step back, or merely stands still. May your support of the Officers in 1964 be as strong as I have received in 1963.

On Dec. 27th we will celebrate the Feast of St. John and at the request of the Grand Master, all Lodges will refrain from conducting any Degree Work or Meetings on this date. This year, Sol D. Bayless Lodge will serve as host to the Officers of the nine Lodges in the Fort Wayne area.

Summit City Lodge's now famous Ladies Night will be held on Jan. 31st. You will receive more information at a later date, however you are encouraged to purchase your tickets as early as possible.

The future of Masonry has been debated for centuries and will continue to be debated. To some men the existence has seemed precarious at the best — to others the Fraternity appears to be continually progressing. When Candidates are few, many Brothers tend to prepare Masonry's death knell and only when Candidates are in abundance, do these Brothers speak with pride of their positions as Masons.

The inherent pride of being a Mason is not an emotion which should be allowed to run "hot" and then "cold." Masonry is a course of truths ever living in the hearts of good men. It is not a club of connoisseurs or do-gooders nor is it merely a social group of entertainment seekers. Masonry, through its Tenets, is the life and soul of every good deed, of every kind action that man performs for his fellowman.

Our prime concern, as Masons, should never be whether or not our Lodge has a candidate knocking at its door, but whether or not we as members are practicing Masonry. Our pride should not be founded in the numbers of which we consist, but rather in the consistency of our numbers.

Brethren:

I would like to welcome into the fellowship of Wayne Lodge our two new brothers who took their degree work during the month of October: Brothers Kurt Stockelman and Bennie L. Ritchison. We had two candidates become Masons in the month of November. We will be dark during the month of December.

December 6 is our Annual Stated Meeting and election of officers for the coming year. We will have a dinner this evening at 6:30 P.M. at the Temple Kitchen. We also have several 25 year pins to award. This our last and most important meeting of the year, we are looking forward to seeing all of you there.

Our Annual Dinner Dance was very well attended and everyone seemed to have a very enjoyable evening. I would like to thank all the Brethren who helped sell tickets, set up the tables and etc. But most of all, I would like to thank you brothers and your friends that bought the tickets and came.

Wayne Lodge still has two of its members in the Vet's Hospital at this writing. These two brothers are going on their third month there. They are Past Master Robert Gaskill, a 50 year member, and Gerald Monroe. We of Wayne Lodge wish these two brothers a very speedy recovery.

Past Master Fred Goshorn, our Education Committee Chairman, gave us a fine talk last month on the Five Orders in Architecture. This lecture was started in October and finished in November. This committee has been very active this year. I would like to thank Fred and his committee of Past Master Joe McDowell, Jim Waldron our chaplain, and Glenn Goshorn for a very fine job this last year.

As this will be my last article as Master of Wayne Lodge, I would like to take this opportunity to thank all those who gave so fully of their time and talents whenever they were needed. Past Master Joe McDowell on the Ritual Committee, Past Master Richhart, Brothers Rayl, Grambell, Platt and Coker who worked so well and did such a fine job in the kitchen this year making our Mason dinners such a success; Frank Baptist, telephone committee; Kenny Rayl at Hospital Visitation; and to all of the brothers that took part on the Fellow Craft team, all Past Masters who helped us out in our hour of need and to the wardens and line officers who made this year a successful one, many thanks. Last

but not least I would like to thank Celia Stabler, though she is not a member of our lodge, for the fine job she has done at our Past Master Dinners, Annual Dinner Dance and all of our Master Mason dinners. She made them a real success. I hope you all will give the same support to the officers of 1964.

We had a nice turn out last month at our Vet's Hospital Visitation. Kenny Rayl informed me that our next visitation is Monday night, December 23. We will be looking forward to seeing you at this very important part of our lodge work.

Remember, dues for 1964 are due on or before January 1, 1964. Also don't forget your dollar for the Home; this is important too.

I would like to take this opportunity to wish you all and your families a Merry Christmas and a Happy New Year.

Brethren:

This being my last time to write in the Square and Compass as the Master of Maumee Lodge, I wish to take this opportunity to extend to all of you my most sincere and humble thanks for granting me the honor and privilege of serving you for the year of 1963. It has been a most enjoyable year and a very rewarding experience, and also one that I shall remember and cherish for the rest of my days.

To all the brethren who have so faithfully assisted in the conferring of the degree, and to the past Masters who have given their time and help when called upon . . . To them I shall be eternally grateful.

In December we will have our election of officers and I want to take this opportunity to wish them one and all a wonderful year of service. I will join the ranks of members who sit quietly by the side and give their moral support to all the affairs of the lodge.

It was a very rewarding evening to see such a good crowd on Ladies Night for your Officers and the Brethren, who worked so hard to make it a success. And I believe everyone had a very nice evening.

I also would like to thank Mrs. Faye Brennan and the lovely ladies who served Maumee Lodge with some wonderful dinners this past year.

According to past procedure in our Lodge, your next article for the Square and Compass will be written by your new Worshipful Master.

May I begin by expressing my sincere appreciation for the honor you have bestowed upon me this year. It has been my pleasure to serve as your Worshipful Master and I thank each of you for the fine cooperation and assistance you have given me. This has been a year I will long remember, and even though things seemed impossible, we were able to move ahead and have a very successful 1963. I am happy to say we were able to have candidates every month, except June and July. Twice during the year we had a Master Mason breakfast, followed by degree work, with a fine attendance. Even though our attendance during the year had increased, it still leaves me a bit concerned as to what we could do to further interest you to attend your lodge and participate in the many duties.

At our Regular meeting on Annual Meeting in December, it will be your duty to elect the officers you wish to serve your Lodge during 1964. I am making a special request that you plan now to attend this meeting and continue to attend meetings and support these officers. Your officers devote much of their time to Lodge duties and the highest wage that can be paid them, is to see a good attendance and this can only be accomplished by you. If you wish to take part in Degree work, make yourself known and I can assure you, you will be more than welcome.

Each year during Grand Lodge session, awards are given to those Lodges who have contributed 100 per cent to the Masonic Home in Franklin. This means that each member of the Lodge contributed one dollar or more. It is a wonderful feeling for the Master of a Lodge to receive the award. I am happy to say that South Gate has reached the 100 per cent mark for several years. Some years by a very small margin. Let's all get behind this worthy cause and have South Gate the number one contributor this next year.

Your 1964 dues are due and payable January first, 1964. Let's get those dues checks rolling and don't forget to add a little extra for the Masonic Home. Very early in our Masonry we made a statement that we know we must pay dues to the Lodge, but each year we have some Brothers who forget this important duty. Under Grand Lodge rules, after

a certain period of time and proper notification, charges must be made against the delinquent Brother. This is a task we hate to perform, but it must be done. With your support we can eliminate this unhappy task.

The Worshipful Master of a Lodge always expresses his thanks to the members and officers for their loyal support but many times he forgets the one person who unquestionably makes the most sacrifices and gives him the most support. To my wife, Glenda, I thank for her patience and understanding. Without her untiring efforts and support, I would not be able to devote the time necessary to fulfill the duties of Master. She has done an outstanding job as a committee of one (this was her idea) in making the many persons at the Masonic Home just a little happier. She has sent over 350 birthday cards and notes to these people during 1963. Many have written us letters of appreciation and they are carefully placed in a scrap book which is cherished by both of us.

Again I say "Thank You" for the privilege of the fine honor and God willing I will continue to serve South Gate Lodge in any way our Master so desires.

See you all in Lodge.

The Holiday season is fast approaching, bringing with it the usual round of festivities, gift buying, and lastly, the trimming of the tree. May we not, in our hurry, lose sight of the deep, spiritual significance of Christmas.

Looking back for a moment, Miriam Shrine sojourners who were present at our meeting on November 8th enjoyed the Tokheim Male Chorus, and their soloists, Miss Shirley Johnson, who entertained us on that night.

In September, our Shrine presented a Material Objective case involving a baby who underwent extensive surgery at Parkview Hospital. Relief was granted by the Supreme Material Objective Board amounting to almost \$3200. It is your annual Material Objective donation of 52 cents that makes this charitable assistance possible.

There will be a stated meeting on December 13th, with a Christmas program to follow.

The Past Officers will meet with Millard and Marguerite Harkless on Sunday evening, November 24th.

The Ways & Means Committee now have their Christmas cookies on sale. Sojourner Mary Wilson is in charge of the project. If you want some delivered, please let us know.

May all who have been ill quickly recover, and our sincere sympathy to the families who suffered the loss of their loved ones.

To each and every sojourner, your Shrine extends best wishes for a most pleasant Christmas Season.

Well — Hi Folks! Here we are again — right on the brink of the Christmas Season — shopping all done? Ah—dear little dreamer thou art! Anyhow — 'tis the most wonderful time of the year right? And even though on the lines below we'll go back to November — Happy Holidays to all of you!

We do want to share a little of our very special day and evening of November 5th. It was a lovely, lovely time from beginning to end. The Supreme Worthy President, Mrs. Frank Talbot (Catherine to us) was so very charming and actually her little motto "Love Reflects Love" just seemed to emanate forth in whatever she did, or said and even when she smiled! She was terrific! This was the evening in which everything that takes place in our Order was performed for her — and our officers were exceptional, they really were. Wish you all could have been there for the entire day and evening. We had visitors from Elkhart, Indianapolis, Lima, Muncie, South Bend and Warsaw, and if you remember — this was a foggy, drizzly day — (I know we need the rain) but the fog, uh, uh. At the close of the busy evening there was a bit of a social hour on the balcony — and the decorations there were cute and clever. Our Worthy President, Mrs. Adams, had them given to her by a friend in Tampa, Florida — they were tiny little styrofoam dolls dressed in robes to represent our Beaucant Order and had their little red crosses on

too. The other wee figure was miniature "Chapeau" — plume — you know what? These little people will be used with our Sir Knights at our Installation Party 1 believe.

Our calendar for December gets to an early start — on December 5th is the election of officers — and on December 7th (Pearl Harbor Day) remember that? . . . Anyhow, Past Presidents will have their Christmas Party — a luncheon at the Guilded Cage. The luncheon is for 1 p.m. and the gift exchange has a top limit of \$50.

Our Beaucant will have its Christmas party on December 17th, and on December 28th — just think that will be Installation of Officers — and here we will be ready for new year. This will be a joint affair — with our Sir Knights, 'twill be fun!

We have a few members who will all at this writing — Anondas Mel, Ann Kurtz, Eugenia Wood and Florence Havel has a broken arm. Hope they are all up and about before this goes to press. Some of our families have illnesses in them. Mother of Thelma Adams, Daughter of Nella Putnam, Father of Son of Thelma Ratican, Brother of Violet Sapp and good news that her husband and son of Doris Cary are some improved from the automobile accident. And the stork was too — Irene Woodridge has a new little grandson, and Thelma Ratican has a great-grandchild! Two of our families have lost dear ones — the mother-in-law of Hortense Stevens and the mother-in-law of Emma Schell.

Our Worthy President Mrs. George Adams has a little Christmas Party to share with you.

A CHRISTMAS PRAYER

Let us pray that strength and courage abundant be given to all who work for a world of reason and understanding; that the good that lies in every man's heart may day by day be magnified; that men will come to see more clearly not that which divides them, but that which unites them; that each hour may bring us closer to a final victory, not of nation over nation, but of man over his own evils and weaknesses; that the true spirit of this Christmas season — its joy, its beauty, its hope, and above all its abiding faith — may live among us; that the blessings of peace be ours — the peace to build and grow, to live in harmony and sympathy with others, and to plan for the future with confidence.

(N.Y.L.I. Co)

The Worthy Matron Kathryn Fuhrman opened the November 12th meeting with a beautiful poem depicting the Thanksgiving Season. She expressed her thanks to the Decorating Committee for their portrayal of the Drill Team in their Chapter Room decorations and also on the luncheon table on the mezzanine, where we were served cup cakes and coffee.

There are now 22 members in the self-supporting Drill Team, which was organized in 1929. They have performed for the White Shrine, Daughters Of The Nile, and 175 other Chapters in the States of Indiana, Ohio and Michigan. It is interesting to note that the Drill Team purchased the drinking fountain on the 4th floor of the Masonic Temple. As the Worthy Matron said — "We are very proud of those who belong to this group and are amazed at their skill." Several members of the Drill Team put on a clever skit entitled "What New Members Think Of." The choir sang a song honoring the Drill Team, also.

Have you noticed how much the new pedestals add to the already beautiful Chapter room? They were dedicated at our November 12th meeting.

Words are inadequate to describe the O.E.S. Group Inspection held November 2nd with Shiloh, Trinity and our own Star of the East. Each Chapter's committees shared in the work, either making the pretty hand-kie-rose-corsage favors; decorating the tables, preparing or serving the delicious chicken dinner, and the W.M., Kathryn, expressed her deep gratitude to those who assisted in all the work.

We are sorry more members could

not have heard our charming Worthy Grand Matron Helen Spencer Gariotti's very inspiring message. She complimented all officers on their fine performance in conducting the Opening; Ceremony of Initiation, and Closing.

The Worthy Grand Patron Ivan R. Bridgewater, also gave an inspiring and witty message. He thanked the Chapters for presenting them with a "money" corsage and boutonniere, which they in turn will present to the Boy's Cottage at the Masonic Home. The "green" corsages were pretty, and the idea a good one to follow.

The Worthy Grand Matron was assisted by the Past Worthy Grand Matron, Sister Sonoma Woodruff in presenting 50-year Gold Awards to five members from Shiloh Chapter, and this was an impressive ceremony. The Worthy Matrons assisted the Worthy Grand Matron in the Baby Dedication, and she said these were duties she never tired of performing.

On November 24th several members of our Chapter went to Franklin Home to visit friends.

The Ways and Means Committee has much to offer in the way of inexpensive gifts. What could you get or give that would be more appreciated, and taste better, than water-melon preserves or several different varieties of pickles, to use on your Holiday table? Terry cloth dish towels, jewelry, cards, ribbons and many other items are on sale. Help these girls out for all the time they spend displaying these items for sale.

Our Worthy Matron Kathryn Fuhrman and Worthy Patron Leslie Sliver want to give thanks to all OES Officers for the excellent way they conduct their responsible duties; and to our very capable Secretary, Sister Tama Christopher for her review of the news and happenings in her monthly reports; and to Sister Bertha Lambert for the sincere way she conducts her duties as Chaplain. They also appreciate your courteous and quiet attention during the meeting.

Secretary Tama Christopher reminds those who haven't paid their dues, to be sure and pay them by January 1, 1964.

As we turn our calendar to December we realize another year is nearly gone. We begin bringing in decorations and gifts, the house begins to smell of pine and spice and of course we are hoping that we have

a white Christmas. Children practicing their part for the Christmas program at church and most popular songs are the beautiful old Christmas Carols. All these bring to us the wonderful, exciting feeling of Christmas, but let us not forget that Christmas, since the world began, is a loving heart. Best of all, it is the gift, of God's own Son to man! Your Worthy Matron and Worthy Patron wish for each of you all the joys of a Merry Christmas.

On November 7, we were royally entertained by our choir. After our meeting in the chapter we adjourned to the dining room where we were treated to a "Lawrence Welk" show complete with bubble machine. Fort Wayne Chapter can be justly proud of the fine group of talented people who make up our choir. The tables were decorated in a western theme with hats, boots and miniature covered wagons. The wagons were made to scale by Sister Sevilla Pabst and her husband, Bill, the fifty wagons were made from a total of 3,000 intricate parts.

November 21 thoughts were turned to Thanksgiving and Patriotism. We were reminded to be thankful for all God's gifts and to be mindful of the good things of life fought for and given to us by our forefathers. One way to thank God for His goodness is to help others. Tables for the social hour were decorated in a Thanksgiving theme.

The Decembercalendar for Chapter is: Chapter meetings — December 5, Star Pals and Officers, December 19. Tis Christmas. Take time from your Christmas rush and come.

And this is the fun meeting month for committees and their Christmas parties. Satallites, December 3, Halls Gas House, 6:30; December 9, Visiting, Luncheon at YWCA at 12:30 — December 9, Social, at YWCA, 6:30 — December 10, Past Matrons, Hobby Ranch House at 6:00 a fifty cent gift exchange — December 11, Decorating at the Hobby Ranch House,

The Miracle of Christmas
Not Herod in his palace, Not
mighty men or strong

But simple shepherds keeping
watch, First heard the angel's song.
Their names are not remembered,
Who knows their lives or ways?

We only know that heavenly hosts
Sang them their songs of praise.

The miracle of Christmas Had it's
beginning when

God sent his greatest message, To
ordinary men. Martha Smock.

We are entering upon that joyous
season of Christmas. Many big
events are behind us. On Oct. 24 a
fine attendance on the side lines
turned out to renew their obligation
and enjoy Cider and doughnuts after
chapter, served by the Day Ways
and Means committee.

On October 27, a Bus load of
Shiloh members and friends visited
the Masonic Home at Franklin, Ind.
We were welcomed by our own
Leona Walker and Iva Bill and the
other Fort Wayne people who are
guests at the Home. A wonderful
potluck dinner was enjoyed by all,
followed by a visiting period and tour
of the Home and Hospital.

Nov. 2 was our joint inspection of
Shiloh Chapter, Trinity Chapter and
Star of the East Chapter by our
Worthy Grand Matron Sister Helen
Spencer Garriott and Worthy Grand
Patron Ivan R. Bridgewater. The
banquet which preceded the program
was both pretty and delicious. Our
Worthy Grand Matrons theme
and colors being carried throughout.

A backdrop behind the Officers table
was dotted with pink roses and in the
center a Scroll with her Scripture, "I
am the Light of the World." Pink
hanky rose corsages with gold leaves
and mint green nylon bows were the
table favors. A beautiful center
piece of Pink roses and gold mums
graced the head table. The Com-
mandery room was decorated with vases
of pink roses and an informal garden
scene. A dog-wood tree also had a
place of prominence. We had the
privilege of seeing five Shiloh mem-
bers receive their Fifty year gold
award pins from our Worthy Grand
Matron and a lovely baby dedication
of Star of the East Chapter. Those
receiving the gold awards were Mary
Beaverson, Cecile Chevalier, Edna
Erickson, Clara Koch, Lola Oberkiser
and Bessie Schlosser having been
presented her pin at another time.

Marie Arnold who was unable to be
present was visited at her home on
Friday, Nov. 8th and presented her
pin by Past Grand Matron Sonoma
Woodruff. Others in attendance to
congratulate her were Malinda Gro-
scop, Worthy Matron Lucille Thomp-
son and Worthy Patron Ben Thomp-
son. Marie joined Shiloh 50 years ago
in the old Masonic Temple.

As hostess chapter for the inspection
our Worthy Matron Lucille
Thompson would like to thank her
committees and the committees of
Trinity Chapter and Star of the
East Chapters for the fine work and

cooperation in making this event a
fine accomplishment. To all our
officers who did such fine work, Con-
gratulations.

Another important calendar event
was the Card Party and Bazaar held
in the Ballroom on Nov. 5th was
very well attended and the items on
display were really "out of this
world." Our committees worked very
hard and we feel with just reward.
Margaret Riggle presented some fine
entertainment with her accordion
band. There were solos by Elyn
Kohlmeier and Greg Humbert and a
reading by little Miss Shari Low-
den.

Your Worthy Matron wishes to
express her thanks for all the effort
and work of the committees especially
the Day Ways and Means and
Entertainment committees who were
in charge and the Night Ways and
Means Committee helpers who served
refreshments.

and healthful, happy days return to
fill your life with cheer.

When shouts of "Merry Christmas"
and caroling depart,

Dear Lord, then let Thy Spirit Keep
Christmas in my heart.

Christmas, like the Bible,
Means varied things to man —
To some a re-awakening
Of God's momentous plan.

To some a day of gladness,
A special time and place,
To give a gift, to greet a friend,
Or wear a smiling face.

But some there are, who seem to
me,

Forever set apart;
Who through the years serenely
walk

With Christmas in their heart.

May the peace and joy of this
glorious season bring cheer and com-
fort to you and yours.

December 6 is stated Meeting and
December 20 is our Christmas pro-
gram. Plan to be with us for these
meetings and join us in the fellow-
ship hour after Chapter. The officers
are in charge of the decorations for
December, and the refreshments on
December 20.

On November 16, Shiloh, Star of
the East and Trinity Chapters were
hosts to the official visit of our
Worthy Grand Matron, Sister Helen
Spencer Garriott. We congratulate
the officers of these chapters on their
fine work. We extend our thanks to
Shiloh and Star of the East for their
fine cooperation. It is by working to-
gether that we learn to know one
another better and become closer
friends.

On December 13, we will have our
Steak Supper. The Ways and Means

Also in December the DeMolay
Degree will be held at a date that
will be announced later.

At our stated meeting held on
November 13, a memorial service was
held in memory of brother Steve
Sandkuhler who died on October 31.
At the same meeting a check was
presented to Mr. Ryan of the Johnny
Appleseed School. The check total-
ed \$68.00 and was earned by boys
who served at Masonic and Jobs
Daughter dinners over the past two
terms. It is hoped we can continue
to do this in the future and con-
tribute the money to some worthy
organization.

Roses should go to Dave Bordner

In closing I would like to be the

first to wish you all a n Very Merry
Christmas and a Happy New Year.

Hi, Jobbies!

We sure have been busy since last
month at this time.

Oct. 16 was Moms' and Dads'
Night. We had about 35 parents to
honor that evening. They all re-
ceived a small gift in appreciation
of their presence. After the meeting
Mr. Timmons, Diana's father, pre-
sented a memory act. He memorized
an entire magazine, and, given a
page number, could recite the page's
contents. The girls and the parents
enjoyed it tremendously.

Oct. 20 was our Go-to-Church
Sunday. We had no formal practice
except for a few minutes before the
service. The officers formed the
cross perfectly even without the
usual practice. We formed the cross
at the end of the service. It was
very impressive having the girls sing
the closing song, dressed in robes
as usual. After the service several
of the families got together for din-
ner at the YMCA.

Our Rummage Sale was held on
Oct. 24. We had many contributions
of rummage. We made over eighty
dollars on the sale. The girls and
the mothers really enjoyed working,
too.

On Oct. 31 several girls traveled
to Columbia City for their Friends'
Night. Eight girls sat on the floor as
guests. Those who went were as fol-
lows: Sandy Burelison, Aletha White,
Laura Foulks, Sandy Urhausen, Sue
Keith, Karen Kelly, Diana Norris,
Patti Parker, Carole Weesner, and
Sharon Erler. The adults who went
were these: Mr. and Mrs. Weesner,
Mrs. Keith, Mrs. Foulks, Mrs. White,
Mrs. Stanbery, Mrs. Erler, Mrs. Bot-
teron, and Mrs. Burelison.

Saturday morning, Nov. 2, we prac-
ticed for Inspection. After the prac-
tice several girls came over to my
house to make decorations for the
banquet.

Nov. 6 was our banquet and In-
spection. The banquet turned out
beautifully, and we served about 150
people. We had roast chicken and it
was delicious. Everyone enjoyed it
very much. Inspection started just a
little bit late, but not as late as
usual. Fort Wayne Bethel 8 drew the

opening and closing, and Columbia
City Bethel 102 drew the initiation.
Both Bethels did a marvelous job, be-
cause the Grand Guardian, Mrs.
Maurice, had no complaints whatso-
ever. So we're all pretty proud of
our Bethels. Eight girls escorted the
Grand Guardian, then the choir sang
her song, "Young at Heart." The
girls who escorted her were Sherry
Kreigh, Sandy Franzman, Susan
Bradley, Vicki Crippen, Kathy Glant,
Sandy Glant, Jane Jennings, and
Nancee Jennings. Thanks a lot, girls!

Saturday, Nov. 9, we held two bake
sales. One was at Penney's in South-
gate, the other at Patterson Fletcher's
in Northeast. Many girls came out
to work, and we had plenty of con-
tributions. We made about seventy-
five dollars on the total of both bake
sales. I would especially like to
thank Candy Clevenger, South, and
Sandy Burelison, North, who were
chairmen of the bake sales and who
did a wonderful job.

Dec. 4 will be our Friends' Night.
We will invite officers from several
Bethels to be our guests. Dec. 18 will
be our last meeting of the term, and
it will be busy: Initiation, Christmas
party, and Past Guardians and Past
Associate Guardians Night. Dec. 21
will be Installation.

Thought for the month: Good
words cost nothing and are worth
much.

See you next month, girls!

My Brothers, as we approach the month of December, we realize that there will be implanted in the history of many Masons' lives a very memorable Masonic milestone. The month of December reminds us that the rich history of Masonry is now one year older and that the present Worshipful Masters will step down from their high office, the reins of the lodge will be placed in the hands of the succeeding officers and another new year of Masonry will begin.

During my year as Worshipful Master I have met many new friends and have had the opportunity to participate in many events that I had never dreamed possible when I entered masonry. I have enjoyed serving New Haven Lodge and would like to take this opportunity to thank Past Master LaMar Girardot for appointing me to start in line as an officer. I would, also, like to give my special thanks to the present officers of New Haven Lodge for their help and support this year. It was indeed gratifying to work with such a fine group of men and I commend them for their willingness to go that second mile in learning the degree work and becoming proficient in their stations. I wish all the Brothers good health and all the success in the world in continuing the work of Free Masonry.

In closing, may I remind you of the annual stated meeting and election of officers to be held on Wednesday, December 4, commencing with a dinner at 6:00 p.m. in the dining room.

How swiftly the sands run and how rapidly this year has come to an end. It is with deep regret and selfishness on my part that like all good things we hope would never come to an end. This year has indeed been rewarding and one I shall never forget. To all the officers and brethren of Huntertown Lodge it is with great humility that I say thank you for making this a great year for me and truly one I shall never forget. As 1963 becomes history I hope that in some small way I have added a mite and helped someone in some way and have upheld the dignity and reputation of Masonry and that of Huntertown Lodge.

To the new Worshipful Master, I congratulate you and your officers. I hope your year will be as rewarding as mine has been.

I would like to take this opportunity to wish each of you a Merry Christmas and the Happiest of New Years and may 1964 be a great year for each and every one of you. Thank you and God Bless all of you.

Brethren:

We have come to the last month of the year and my last message to you through the Square and Compass. This causes me to feel a bit sad at first but when I look at our accomplishments throughout the year, I rejoice with you. We have been through a year filled with events and much activity. The attendance has been very good and the interest high. Never in the history have the brethren cooperated so well and got so many things done. This proves that harmony is the strength and support of all society. It certainly can pay off well for us.

The Zoning Board has approved the site for a new Temple and that action puts us over another hurdle. This is the result of many years of work by the Brethren for which they will now be richly rewarded. A dead cylinder in an engine does not only deprive the motor of its share of the power but actually becomes an extra load on the other cylinders. Now is the time for every cylinder to furnish all the power it can so that our lodge can do great things.

The Fellowship Degree was conferred on three brothers Wed., Nov. 20. The work was well put on and a goodly attendance was present.

Election of officers will be held Dec. 5, Master Mason degree on Dec. 7, St. Johns feast on Dec. 27 and finally The Annual Oyster Supper and Installation of officers on New Years afternoon.

Many thanks Brethren for your cooperation and hard work through the year of 1963.

Here it is December and time to take inventory. What have we done with our time? Too bad we can't use it over again. It is gone never to be regained.

Let us evaluate as we travel upon that level of time. Have we divided our time properly? What have we slighted? Let us practice what we have learned. There are twenty-four hours in a day for each of us. Why should we think someone else has more time than we do to do what must be done.

No Master can live his term over. The opportunities of 1963 are almost gone. My advice to the new officers is, "keep a firm grip on your bat and meet the ball squarely."

To make it count you must not only hit hard but also at the right time.

As my year as Master comes to a

close, I feel much more could have been gained in view of the talent of my officers and their eagerness to go forth and do good. I am confident our Lodge will do better in the future with a team such as this.

We are planning a joint table lodge meeting with Monroeville on Dec. 27th at Monroeville in honor of St. John the Evangelist.

Our meeting honoring Past Masters was postponed until Dec. 12th.

We will have election of officers at that time.

I want to thank everyone for their splendid cooperation this year.

MASONRY IS SERIOUS (Master Mason)

We have an idea some of us have failed to grasp the deepest and broadest import of the teaching of Freemasonry if we think it is frivolous. But surely no one in the Craft has such an idea.

True Masons may indulge in innocent amusement and enjoy themselves to be sure. But Masonry has no place in it for "horse play" or tomfoolery. It teaches the most profound and serious lessons of which the human mind is capable of learning from the time a petitioner enters the preparation room until the final use of the spade and coffin is required.

There is a sense of the need of God and prayer, the consciousness of moral impurities and need of purification, the profound consciousness of being a rough ashlar, the empty hand, the decay of the flesh, the immortality of the soul and the resurrection of the body. All of these and a thousand correlative truths concern the true Mason.

What this country needs is a good air brake for those who continue to boast of their accomplishments.

By the time one is rich enough to sleep late, he is so old he always wakes up early.

Don't believe all you see; a dollar bill looks the same as it did ten years ago.

There may not be much to be seen in a small town, but what you hear will more than make up for it.

Formerly a millinery designer, Mrs. Walker has sewed all her life. She began making dolls 23 years ago.

Her first basket of dolls, all made for a bazaar, were made for a sign that said "For Sale-A-Doll." Mrs. Walker sold every one before she reached her home. This started her making dolls and ragdolls for her nieces and nephews.

Resident Twelve Years — Mrs. Walker will be a resident of the Masonic Home 12 years this December and has made a nice profit selling the dolls she has made and dressed. She has been there. Mrs. Walker said she has been able to buy all her own clothes and to purchase the type of materials she wants for her profits.

She used to make animals and small children to sit on some dogs. However, because of her delicate heart she is unable to do that strenuous now. Her mother starting her when she was five old. She started a quilt and it when she was nine old.

Mrs. Walker said her husband was a conductor on the Nickel Plate railroad and died just three years before his retirement. He used to tell her she worked all the time running to help whenever she heard anyone was sick. Mrs. Walker said she had an easy life during her marriage and wouldn't take anything for all of her experiences.

Minister's Compliment

Mrs. Walker smiled as she recalled the minister telling her why he liked to visit her. He said she always had flowers blooming, birds singing and sunshine all through the house. She has always liked to raise flowers, and during her marriage also raised Canary birds.

She still likes flowers and raises some African Violets in her room.

Mothers, fathers, grandmothers or anyone who is looking for an unusual doll or stuffed animal for the little boy or girl of their choice will enjoy a visit with Mrs. Walker while they look over her selection or order one made up to their choosing. There is one stipulation, however, all guests must sign her private guest book.

BLUE LODGE GUEST NIGHT SET

Selection of Tuesday, March 17, 1964, as the date for the Second Annual Guest Night, sponsored by the seven Fort Wayne Blue Lodges was announced by Forrest Fennell General Chairman of the Planning Committee.

While still considered a big success for the first attempt, last years event was held on a Friday evening, with competition from the Shrine Circus and other events cutting the attendance to slightly less than 800. The committee has attempted to schedule the 1964 program to avoid conflict with all other activities, and Fennell, W.M. of Wayne Lodge, stated that the Lodges who normally meet on Tuesday will find 5 Tuesdays in March, and should have no trouble keeping the 17th open so members can attend Guest Night.

Originated as a night of fellowship among Masons, Guest Night is intended as a means of introducing your non-Masonic friends to your Masonic friends; a means of showing non members how, and why, we enjoy Masonry. It is the suggestion of the committee that Masons bring as their guests, friends who have expressed an interest in Masonry, and those whom they would recommend if asked.

Although the cost of the entire program is underwritten by the seven Blue Lodges of Fort Wayne, this years program has been extended to include all Masonic Blue Lodges in Allen County. Ticket

Sales and availability are to be pro-rated on recorded membership and it is expected that the event will be sold out well in advance. The established price of \$2.00 per person will include the dinner, to be held at 6:30 p.m. in the Scottish Rite Dining Room, and the program which will begin at 8:15 p.m. in the Auditorium. Ticket Sales will be handled by the Senior Deacons of each Lodge with William Hanes of Maumee serving as Ticket and Publicity Chairman. Tickets will be available at the first meeting of each Lodge in January and reservations must be picked up by Thursday, March 12.

Jim Timmons of Sol D. Bayless Lodge is chairman of the Entertainment Committee and Roy Roberts of Three Rivers heads the Speakers Committee. Announcement of the Main Speaker and the entertainment for the evening will be made at an early date. The dinner seating is limited to 1600, however, an additional 500 may be seated for the entertainment. Hanes & Fennell urged all those interested in attending to purchase their tickets early in the campaign as the number of Masons in Allen County far exceeds the capacity of the facilities.

FORTITUDE

By Carl H. Claudy

Fortitude is not only physical courage in the face of "any pain, peril, or danger" but moral courage; the strength to make a decision which may have undesirable consequences, because it is right; the venturesomeness and audacity to fly in the face of all accepted standards because it seems right.

So considered, fortitude becomes what its inner Masonic meaning intends, a foundation stone of character.

An election of Officers was held in Home Lodge, Dec. 3, 1963. The new Officers who will be serving our Lodge for the coming year were installed on Jan. 1, and are as follows: Bro. Irvin L. Burelison, W.M.; Bro. James T. Peters, S.W.; Bro. Harold Salisbury, J.W.; Bro. David Mills, Secretary; Bro. Herman Rausch, Treasurer; Bro. Gil Plummer, Chaplain; Bro. Lloyd Bouillion, S.D.; Bro. Russell Prince, J.D.; Bro. Richard Streser, S.S.; Bro. Richard Barkley, J.S.; and Bro. Russell Prince Sr., is our new Tyler. At this time I'd like to say to Bro. Wm. Slyby we would like to thank you for your many years of loyal service as Tyler of Home Lodge. We shall miss you as our Tyler, but sincerely hope you'll continue your loyal presence at our future meetings. Bro. Russell Prince Sr. will be filling this important post now, and I'm sure he will do a fine job also. I would like to invite all of the Brethren of Home Lodge to come to our meetings and meet and support your new officers for the new year.

We have a lot of good programs planned for the year, besides our degree work. Some of the coming events are our annual Past Masters Banquet, Blue Lodge Guest Night, Tri State Meeting, and of course our traditional family night, this year with a brand new look and idea. We are also hoping to renew the Square & Round Dance with a Smorgasbord if the calendar permits.

Now, may I remind you that your 1964 dues are now payable. Let's all try to donate to the Masonic Home when we send our dues in. I'd like to see Home Lodge go over the top this year of making a \$1.00 donation per member. Wouldn't this make all of us of Home Lodge real proud, besides the good feeling of doing something worthwhile at the same time. Send your dues and donations to the Lodge Secretary.

We are planning to get our Fellowship Team together soon for a meeting. All Brethren interested in working on the team is cordially invited. More news about this date at our January Stated Meeting. Plan to attend and let's make this team a big success.

Brother Richard Streser is our sick committee chairman this year. Please call him at 748-2637 and let him know of any member that is ill, so our committee can call on them. Only by all Brethren helping to notify him, can he plan for some officers to make a personal call on the sick.

Sincerely hoping to see all of you at our meetings in the new year, I'd like to leave you with this thought: "The most profitless thing to manufacture is Excuses." See you in Lodge?

We the Brethren of Summit City Lodge would like to take this opportunity to congratulate Robert H. Miller, P. M. on an outstanding 1963. Thanks Bob.

May I say that we all look toward 1964 with the utmost eagerness and enthusiasm that we may add a little to the already established prestige of our lodge.

I would like to thank you for the privilege afforded me and congratulate you on the excellent line of officers we presently have. Robert J. Stone, Senior Warden — Lee J. Harter, Junior Warden — Dwight M. Myers, Secretary — Albert R. Spencer, Treasurer — Thomas W. Yoder, Senior Deacon — Lawrence W. Baker, Junior Deacon — Jack I. Brunson, Senior Steward — Clede L. Martz, Jr. Steward — Robert M. Fox, Jr., Chaplain — Arthur Walda, Tyler — Kenneth H. Martin, Assistant Tyler. We all recognized their sincerity and devotion to the offices they held.

Your officers were installed January 1, 1964 in an impressive installation ceremony conducted by Albert R. Spencer, P.M., Acting as Worshipful Master, Abner R. Woverton, P. M., Acting as Marshall and Berton J. Sterling, Jr., Acting as Chaplain.

Please take special notice that our Ladies Night Banquet is early this year — Date — January 31, 1964 — 6:30 p.m. — \$1.25 per ticket. This is the one opportunity per year that we brethren have to say thanks to our ladies for those Friday nights we are absent from our homes and families.

I sincerely feel that you will be particularly rewarded: for in addition to many specialties of a light and semi-humorous nature we have as our guest speaker, Perle L. Whitehead, retired National Executive of the Boy Scouts of America from Cincinnati, Ohio, who is acclaimed nationally for his speaking ability and renowned humor. Unfortunately the Masonic Temple Ball Room will only hold approximately five hundred twenty five (525) persons.

All our officers have tickets. Let's treat our ladies and ourselves to what appears to be one of the finest events on our calendar.

We have received five (5) petitions for degree work in January, therefore Lodge will open early January 10, 1964 and January 24, 1964 with a dinner at 6:30 p.m. on both dates.

Our Fellowship Club is also to be congratulated. Their election results reflect excellent choices in — Jack

Stillinger, President — Edward Vice President — Richard C. er, Treasurer — and Ned E. Secretary. Abner R. Woverton will serve as chairman. I will show your appreciation for tireless effort and excellent offering them your support assistance.

We would like to thank Dean B. Thompson for the impressive presentation Past Master Jewel, New Year to our most recent Past Master the expression of our gratitude respect for his having exchanging the eight (8) years he as an officer in our Lodge.

"Greatness comes only related to something great and above ourselves. This ship to greatness is what accomplished for you. It is sorry can do for you if the best and seek it with a heart, soul and mind."

Brethren: I wish to thank each of you for your vote of confidence in elevating me to the office of Worshipful Master of Wayne Lodge. I deem this a great honor, and I will endeavor to perform my duties in the same fine tradition exemplified by the past Masters of our lodge.

On January 1, 1964, at 1 p.m., in the Ionic room, the following officers were installed to serve Wayne Lodge. Forrest R. Finnell, Worshipful Master; Daniel D. Dale, Senior Warden; Robert J. Bogenschuetz, Junior Warden; Robert H. Witchey, Jr. Deacon; Luther F. Boyer, Jr. Deacon; Wayne O. Cleckner, Sr. Steward; James L. Waldron, Jr. Steward; William D. Duncan, Chaplain; and James Pollos Sr., Tyler. Also installed were the following brothers of whom the Lodge is very proud, and to whom it is deeply indebted. Past Master Nile W. Hake, Treasurer; Past Master Harold W. Garrison, Secretary; Past Masters Charles R. Bandy and Bernard L. Smith, hold-over Trustees; Junior Past Master Simon H. Hartsing, Trustee for a three year term. With the help of these good officers and the assistance of our able craftsmen, we should have another successful year in Wayne Lodge.

I wish to welcome our two new brothers, Orville J. Richards and Raymond Carl Debold, into the fellowship of Wayne Lodge. I challenge each of you to become active members so that you may reap the full rewards of Masonry.

The Masonic Home foundation is deserving and worthy of all the financial support we are able to give it. Last year, Wayne Lodge fell short of the "Dollar per Member" goal by a little less than fifty dollars. If you have already paid your dues, and neglected to contribute to this worthy cause, you can still send a dollar or more to your secretary. Let's help Wayne Lodge to go over the top this year.

We will have no degree work in January, but we do have two important events during the month. On January 23, at 7:30 p.m., we will be entertained by the brethren of Three Rivers Lodge No. 733. In the Ionic room, they will present the Masonic play "A Rose Upon The Altar." This play, while it is full of comedy, contains a valuable Masonic lesson. Any Master Mason of the community is welcome to attend and enjoy this evening of fellowship. On Friday night, January 31st, at 7:30 p.m., we will have a "Fellowcraft Party" at Joe McDowell's barn, 1926 Saddle-

myer Ave. I hope to see a goodly number of you brethren at this event.

Again this year the Lodges of Allen County will have a "Blue Lodge Guest Night." On March 17th, we will have dinner in the Scottish Rite dining room at 6:30 p.m. At 8:15 p.m., we will adjourn to the auditorium to hear a good speaker and then have a half hour of entertainment. A \$2.00 donation will admit you to this affair.

I wish to commend the brothers who have given their support to Kenny Rayl in visiting the sick brethren at the Veteran's Hospital. Brother Kenny will welcome any new faces. Our next visitation is February 10th. Come out and gain this new experience, and impress on these patients that there are those of us who care.

Brethren, keep me informed when you hear of a brother who is ill or in the hospital.

Celia Stabler will serve one of her very good meals, at 6:30 p.m., on every Master Masons night again this year. Come and enjoy this hour of fellowship with us whenever you can.

"As we bow our heads in submission to divine providence, let us also thank God for the years of inspiration given to us by our forefathers. Let us today renew our dedication to the ideals that are American. Let us pray for his divine wisdom in banishing from our land any injustice or intolerance or oppression to any of our fellow Americans, whatever their opinion, whatever their religion, whatever the color of their skin — for God made all of us, not some of us, in his image. All of us, not just some of us, are his children."

The Officers of your Lodge send you greetings for the coming year. We all hope to continue and extend the warm friendly associations which have always characterized South Gate. For those of you who were unable to attend either the annual meeting or the public installation on January 6th (tsk, tsk), the officers this year are: Charles Scott, Jr.; S.W.; Everett Karriick, J.W.; Dale Shupe, S.D.; Pete Toyias, J.D.; Rex Mericle, S.S.; Bill Brase, J.S.; Howard Leclair, Tyler; Frank Bryan, Secretary; Clarence McIntosh, Treas.; Ed Fleck, John Inches, and Guy Mausteller, Trustees. For those of you who do not know some of these fine gentlemen, let me assure you that they possess all the qualities of sincerity, dedication, and friendliness that you have come to expect in the past.

We will continue this year the four annual events: Smorgasbord and square dance on March 7, Past Masters Night May 4, and in the fall Ladies Night Banquet on Sept. 5, and Family Night on Nov. 14. In addition to these there will be an expanded use of the kitchen after meetings as well as a renewed emphasis on Masonic education and entertainment in the widest sense during the meetings.

May I call to your attention the December issue of the National Geographic Magazine with its fascinating coverage of the Holy Land, Past and Present. It includes, of course, the area of the Temple. The wonderful map with this issue abounds in place names that live in our degree work

and is rich in descriptions of cities that lived in Solomon's time. May I remind you also of the pleasure which is yours in recreating the Temple from the abundant and graphic descriptions preserved for us in the Holy Bible. Descriptions of the apparent inception by Moses (Ex. 25-31), the preparations by David (I Chronicles, Chap. 22), the actual construction (I Kings, Chapt. 5-7) and the consecration (I Kings, Chapt. 8 & 9) are only a few of the intimately detailed references to the Temple and its building. Can there be any doubt about the fabulous nature of the Temple not only in that time but even compared to our modern engineering accomplishments? How many of you would participate in rebuilding a model of this inspirational work? Tell me in Lodge.

My Dear Brethren:
The following officers were elected for 1964 at the stated meeting of December 4, 1963.

Worshipful Master, Walter K. Hertzog; Senior Warden, Bennett A. Noel; Jr. Warden, Stuart Trainer; Treasurer, Elmer M. Spahr; Secretary, Ernest L. Walker; and Trustee, John R. Capon.

The following appointments were made by the Worshipful Master:

Sr. Deacon, Roger L. Jones, Jr.; Jr. Deacon, Bill K. Winans; Sr. Steward, Richard C. Fisher; Jr. Steward, Ed Teetors; Tyler, Roger D. Perlich; and Chaplain, John C. Conahan.

Masonic Home Committee: Bennett A. Noel; Stuart Trainer; and John C. Conahan.

Audit Committee: Wayne T. Mitchell; Roger L. Jones Jr.; and Ed Teetors.

Brethren, there is a strange paradox that comes to mind. You know; we are almost 200 strong and if we all showed up for meetings, we could not seat everyone; yet, there are empty seats at our meeting nights. Brethren, lets make 1964 a banner year. The Master and Wardens invite you to share your time, treasure, and talents with us, and may the blessings of Deity accompany you.

MASONIC THOUGHT

By Sir Knight H. S. C. Cummings
(In Knight Templar Magazine)

Our generation is facing a new era, and spreading the spirit of brotherhood in the hearts of men everywhere. Today we are contemplating the celestial reaches of space and the infinite dimensions of existence. As in the past it is the "ingredient of God" in man, that gives him his stature — and enables him to comprehend perceive and utilize the vast consciousness of life, as it deepens and expands, With God in the center of all we contemplate tomorrow can never be less than challengingly fruitful and refreshingly new. To reach higher pathways we must continually search for truth and light, and have an unquenchable thirst for God. This "quest" opens doorways to one's higher instincts, loftier aspirations, nobler possibilities — and in the spiritual summity which helps us become aware of things divine, where dimensions are utterly unmeasurable.

The year 1963 is closed, the record is made;
The last deed done, the last word said.

And now with purpose full and clear

Let's turn to greet another year.
We trust all sojourners had a pleasant Holiday season and welcomed in the New Year with the usual fanfare. While Winter will be with us for some time yet, we can dare hope for an early Spring and anticipate the return of the first robin.

In the interim we can all work diligently to bring our current Shrine year to a successful close in March. Our next stated meeting will be held on Friday, January 10th. Try to come. At our scheduled meeting on January 24th, the line officers will advance.

Committees will be notified of meeting dates and places.

ILLNESS IN SHRINE:

Rosella Canada is now convalescing at home; Rose Gricwank is home from Lutheran Hospital; Lloyd Leas is a bed patient at home; Addie Hite is home from Lutheran Hospital following an auto accident; Ina Hull is at home with a broken foot; Walter Droegecyer had surgery recently in Geneseo, Illinois; John Schieber has had foot trouble and Kay Foster had a sprained ankle.

ILLNESS IN FAMILIES:

Husband of Shirley Bly suffered another stroke; George of Ethel LeMay suffered a back injury; Mother of Ruby Lowery, Fern Underhill, is in Lutheran Hospital; Ann Galbreath, daughter of Anna May Galbreath was in Lutheran Hospital; Sybil Brattain, daughter of the Brattains, had the mumps; and the Nephew of Erma White is seriously ill in the San Diego Hospital.

DEATHS:

Harold Diggins, an honorary member of Miriam Shrine passed away on Nov. 25th; Husband of Charlotte Fletcher passed away on December 12th.

May all those who have been ill have speedy recovery, and our sympathy goes out to the families who suffered the loss of a loved one.

Let us put into this coming year God's love and good each day, that this may be a year of Peace on Earth in His own way. And . . . may all your troubles during 1964 be as short-lived as your New Year's resolutions!

We finish 1963 and look forward to a bright New Year, with hopes that the future will bring better friends,

ships, continued Prosperity and above all Peace.

That the terrible feeling of hate that has existed will subside, the unheard of disasters which have happened will lessen and we can look forward to a Brighter Future.

As for our Shrine, the name in itself "Faith" should speak to us. We should have Faith in the officers we have chosen, whether they are in the line now or have been in the years gone by. We should have Faith in each other, we might differ some in opinions, but that shouldn't stand in the way, in the long run we can't all think alike. We should all live in Faith for That is the only way of life.

Let your New Year's Resolutions include regular attendance to the meetings every 2nd and 4th Friday. Your Worthy High Priestess has spent hours making plans for your future meetings. Your officers are there waiting and it is much better for you and more encouraging for the ones chosen to see a large crowd rather than empty seats.

Hello Again! — Here we are into 1964 — and we hope it will be truly a joyous, happy and wonderful year for everyone. We all had a terrible few days at Thanksgiving time and of course the whole world was shocked. Let's hope and pray that this will bring us all much more closely together in every way. Somehow — some good will and love must come out of this tragedy.

Y'know what this January month is actually — a Sad-time and a Happy-time combination. Sad that the year is over for the wonderful team of officers headed up by our now Past President, Mrs. George Adams (they were a terrific team) and happy time that we have such a grand crew to take over in this brand new year of 1964 headed by our Worthy President Mrs. Donald Marvel. (p. s. she's going to be terrific — just you watch) (you'll have to come to see for sure!). Mrs. Adams wants to thank all her officers, chairmen, committee members and members of Beaucant for their cooperation, kind thoughts and deeds shown to her this past year. She said very emphatically that it took every single one to make 1963 such a successful year.

Our new little gal — Mrs. Marvel has this lovely little greeting that we think should be shared with all of you — like right now!

"Greetings — Beaucant Sisters. There are mingled feelings in our hearts just now, those of gratitude and humility — gratitude for the great honor that has been conferred upon us, and humility as we think of the responsibility that is ours. We realize that alone we can do nothing, but we have faith that we will receive from each and every one of you, loyalty and love in the fullest measure, and in return we pledge a year of service to the upbuilding of our beautiful order."

Her watchwords for our grand—brand new year are Truth, Peace and Lovingkindness.

Now to get on to the actual installation of December 28th (joint affair with our Sir Knights which always makes it more exciting and more fun! Better stop rambling on I guess and list our staff of officers.

Our Worthy Matron Kathryn Fuhrman welcomed members and visitors to the November 26th meeting, and thanked the Decorating Committee for the clever Thanksgiving decorations.

She expressed the sorrow of all of us over the untimely death of our President, John F. Kennedy, and asked all to stand and, in his own way, say a silent prayer in his memory, for his family, and our Country.

Our very capable Sister Hilda Deeter, Associate Worthy Matron, gave a report on the trip to the Masonic Home at Franklin; 27 members from our Chapter enjoyed the trip; tour of the buildings, visit with three S.O.E. members, and the luncheon.

Sister Edna (Our Marshall) and Bro. Cy Senger, left on an extended trip, and are now in Dallas. She asked that she be allowed to resign her Station as Marshall, which our W.M. Kathryn regretfully accepted. A short time before their departure they entertained, at Shoaff Park Pavilion, all members who had been on their Committees. We wish for this nice couple, good health, happiness and safety in their travels and look forward to their return.

Past Grand Matron Sanoma Woodruff is spending the winter in Florida, we miss having her attend our meetings.

W.M. Kathryn thanked those who helped make the card party and ha-zar a success; the Committees in charge, and those who furnished and sold the baked goods; she said "everyone deserves a lot of thanks."

It's always a pleasure to be greeted by those two charming ladies, Conductress Nama Bair and Associate Conductress Katherine Abousamra as we register our attendance, and then W.M. Kathryn Fuhrman always has such a nice welcome for all.

The Drill Team presented Kathryn with a silk rose-corsage for the

December 10th meeting, and the Chapter Room and mezzanine were decorated with "real" Christmas trees, Santa and his sleigh and reindeer.

Sisters Isabelle Winefer and M. Wahle assisted in installing Sister Oladys Coe as Marshall. W.M. Kathryn and W.P. Leslie Sliver expressed their thanks to Gladys for so willingly taking over Sister Edna Senger's duties as Marshall for the remainder of the year.

Sister Mary Beaman read a lovely Christmas story for us at our Dec. 10th meeting.

The choir sang several beautiful Christmas carols, accompanied by Sister Oeorgianna Jedkins on the accordion. Sister Rose told the story of how the song "Silent Night" happened to be written, before our Choir sang it for us.

The Social Committee served pretty Christmas sandwiches for lunch. Be sure and attend Mason's Night program January 14th. Show our appreciation to them for entertaining us.

W.M. Kathryn Fuhrman mentioned that at this time of year we are thinking of our shut-ins, and like to remember them with our cards and visits. She also wished everyone a Very Happy Holiday Season, and we wish the same for her and all members and officers!

See you in 1964.

Learn by mistakes and experience that the way leading to the Supreme life and to God is not easy but is a way of testing one's power of strength.

The story of the past is told; The future may be written in gold; Sunshine and shadow have mingled in the year that has passed away; Sunshine and shadow will mingle in the year I meet today.

But hand in hand with the Mas-ter, I fear not what it will bring; He knows, He cares, and He loves me, And God is in everything.

As we turn our thoughts to the new year we hope your Christmas was most joyful and this new year will bring Peace, Happiness and Prosperity for all. This is the wish of your Worthy Matron and Worthy Patron. We wish to thank those who had charge of the Social Committee's Christmas party and Dinner. It was an event that will long be remembered and for your thoughtfulness, greeting cards and good wishes for 1964.

Our first Chapter meeting in December we had the pleasure of initiating three new members into Shiloh. We are happy to have them with us. This was also Star Points recognition night and our Star did shine brightly with the extended rays.

A whole new year is mine to day
May I be wiser, Lord I pray.

I'd strengthen friendships, old and true
And learn to cherish new ones, too;
To keep on learning and to grow
A little better as I go.

To cast aside each grudge and grief,
And hold fast to a firm belief
That life is joyous, gracious, good,
When lived in terms of brotherhood.

To welcome fun and play a while,
To lighten work with a happy smile
To thank the Lord and every day
Remember Him, and kneel to pray
In gratitude for strength and health
And blessing which are all my wealth.

This year's a gift from God to me
To spend, or use, or set me free.

The Officers next meeting will be held with H.L. Geraldine and S.K. Oliver Boldt in their new home at 4717 Parkerdale Drive, just off St. Joe road at eight o'clock January 2nd., 1964.

Only a few of our members are on the sick list yet as some are up and attended court last week.

Now is a grand time to get some new members and a good year to start a new leaf and come to Court and engage in the benefits that you are sure to get when you attend.

H.L. Florence and Sir Knight Glenn visited their son in Annapolis, Md., last week but didn't stay long enough to visit some of their friends who live in Washington and Delaware, but hope that later on they can see them too.

Our Royal Patron, S.K. William Maxwell has just returned from a fine fishing trip up north and reports good luck and a grand time.

Our Royal Matron and Royal Patron, hope all had a Merry Christmas and wish them a most pleasant and fruitful New Year.

Come out to Court and show your

wares,
You'll be among friends who really care.

A jolly good time can be had by all
If you like Amarant and heed it's call.

An order that stands for unity and fair.

As you advance with pride about the Square;

Teachings from Truth to Christ
With Faith and Wisdom in it's entirety.

THE MAN YOU LIKE

The man you most admire is the type of man you ought to be. He is courteous, adaptable, magnetic, sympathetic and tactful.

He favors pleasant aspects of life, and has large common sense. It is well to study this type of man to emulate his example. The qualities of kindness, tact, sympathy and courtesy can be cultivated by giving them thoughtful attention. The Philanthropes.

The true rule, in determining whether to embrace or reject anything, is whether it has any evil in it, whether it have more of evil than of good. There are few things which are wholly evil. Almost everything, especially of government policy is an inseparable compound of two, so that our best judgment, the preponderance between them continually demanded.

IS PRESIDENT JOHNSON A MASON?

No, he is not. But he did apply for membership but was initiated as an Entered Apprentice on October 8, 1937, in Johnson City Lodge No. 561, Johnson City, Tenn. He never went further in Masonry.

In this respect, his Mason experience duplicates that of his late fellow-Texan, former Speaker of the House, Sam Rayburn. No official explanation has ever been given for the failure of these two politicians to advance.

The "Shrine pin", which many Masons were "sure" they saw on the President's lapel during his TV appearances in November, is reported to be the decoration of the Silver Star, awarded to the President when he was on active duty with the Navy in 1941-42.

"Doc" Planch has promised more of his wonderful dinners each stated meeting night, so meet us in the kitchen at 6:15 p.m., the third Thursday of each month.

Due to the change in Grand Chapter regulations, our Annual Stated Meeting and election of officers was held December 19th. Companions this will be my last message to you as your Illustrious Master. I wish to thank all the companions for giving me this honor and opportunity to serve you. It has been a fine experience. I apologize for not having a more active year, but I am sure this next year will be more productive. However, I must say your officers do need and want your support in many ways, but in particular your attendance at the meetings and activities. Please try to do this and make it one of your resolutions to keep that you will put forth more for York Rite.

My congratulations and hope for a successful year goes to Companion Carter Palmer and his group of 1964

Officers.

Let us all, now more than ever, not only believe in God, but to place our undivided "TRUST IN GOD." Trust In God each day in our daily living by showing of our own example the life as taught under the Masonic principles. Let it not be just lip service, but actual practice in our daily lives those things we like best in others. Let us leave this year with a prayer "God, Oh God, keep the trust of God in the hearts of all mankind; but God, Oh God, begin with ME.

Another term is starting so this time next month this column will be under another byline, and just when I am starting to get the hang of writing it.

Due to Christmas falling on the fourth Wednesday of the month only one stated meeting was held, along with the DeMolay Degree, which was successfully conferred on December 4. The lone stated meeting was a very important one, the election of officers. The three elective officers are: Mike Kelley, Master Councilor from North Side; Max Johnson, Sr. Councilor from Central; and Steve Kabisch, Jr. Councilor from North Side. Congratulations go to these three boys, and I hope they have the best of luck in their up-coming term. These three will meet later with the advisory council and select the rest of the officers. The installation of officers will be held before our first meeting in January. I hope that you boys will get behind the new officers and bring in those petitions.

Also, at this meeting the election of Chapter Sweetheart was held. The candidates are: Barble Ray, South Side; and Georgia Barnett North Side. The Sweetheart will be crowned at the DeMolay-Jobs Daughter formal dance "End of the Rainbow" which was held December 28, after this article was written.

Besides the installation of officers and the two stated meetings the state DeMolay basketball tourney will be held in January. We wish the best of luck to the team under the direction of Mr. Joe Haney. Mr. Haney is the father of Past Master Councilor Al Haney.

This being my last article, I would like to thank all of the people who have been so kind, helpful, and tolerant with me during not only my term as Master Councilor, but during my three other terms as an officer. This includes my parents, the advisors; Mr. Tucker, Dad Herrick, Mr. Ehrman, Mr. Spencer, Dr. Fry, Mr. Fisher, Mr. Meyers and Mr. Petty. Also, my officers, the rest of the chapter, and last but certainly not least the Mother's Circle.

I never made but one prayer to God, a very short one: "Oh Lord, make my enemies ridiculous" and God granted it. —Voltaire

By Robert C. Hill, P. M.
(In The Masonic Tribune)

Masonic temples are not churches, but there is a degree of sanctity and reverence attached to them that should ever be recognized.

Churches are the abiding place of God. One cannot enter a house of worship without sensing the presence of the Almighty, without being impressed by the symbolic meaning of the furnishings and experiencing a measure of spiritual uplift. Here man meets his Maker.

Masonic temples also contain the Ark of the Covenant, for here Deity is recognized and worshipped. Belief in one everliving and true God is a fundamental tenet of all Masons. Lodges are opened and closed with prayers of thanksgiving to the Great Architect of the Universe.

The sanctity of the temple — God's house — should always be inviolate. No deed or action that is profane should ever be tolerated. The Craft ever seeks to protect the sacredness of its buildings dedicated to the spread of Masonic principles. Thus it is that Grand Lodges have jurisdiction over Masonic temples and meeting places.

Members of Masonic Lodges should ever keep in mind that boisterous conduct, the salacious joke, the off-color story are out of place in any part of any Masonic temple. Frivolity and irreverence are proscribed. The dignity of the Order and the sanctity of the temple must never be profaned. Masons must never forget that they are expected to set a living example to all the world.—The N.Z. Craftsman.

Another year has run its course—and with it have come many changes. This is true of New Haven Lodge, and the Brothers have labored on the Temple, continuing the improvements that were begun when the Lodge was chartered, until now we have a fine social hall and newly appointed kitchen.

On December 4th, after a fine dinner prepared by the ladies of the Eastern Star, New Haven Lodge had its Annual Stated Meeting, at which the following officers were elected to serve the Lodge for the New Year; as Worshipful Master, Norman O. Long, John A. Summey, S. W., William R. Youtz, J. W., Rolla O. Durbin, Treasurer, Russell T. Smith, Secretary, and Harold E. Towsley, Trustees. In addition, the following Brothers were appointed to assist the officers: Jean Winesburg, S. D., Gwen O. Rinker, J. D., Donald E. Stark, S. S., Clifford G. Babbitt, J. D., David P. Girardot, Chaplain, and Lee O. Pettyjohn, Tyler.

On December 18th, the Lodge conferred the Fellowship Degrees on one candidate, and on the 27th, a Table Lodge was held in observation of the Feast of St. John the Evangelist, with Brother William Schwartz as guest speaker.

On January 1st we had the first Stated Meeting of the New Year, and during the intermission, a public installation of the new officers was held. Brother Kendall Frick served as Installing Officer, ably assisted by Brother Homer Stevenson as Marshal and Brother Gale Davison as Chaplain. Our sincere thanks to these good Brothers for their valuable assistance in making our Installation successful.

During December, two of our Brothers were hospitalized: Ira B. Sleet and John Young. Our best wishes for

their speedy and complete recovery.

Finally, I am deeply sensible and greatly appreciative of the honor done me by my brothers, in electing me as Worshipful Master; and I pledge them my best efforts in carrying on the Program of Masonry, both locally and otherwise.

Brethren: I cannot express in words my sincere feelings about being elected to serve you as Worshipful Master for the ensuing year. I will try to serve with dignity and humility, as I have been taught by the previous Worshipful Masters. We have been taught that, — Time, patience, and perseverance accomplishes all things. Brethren come to lodge and help make this another great year for Huntertown. Attend and enjoy the warm fellowship you will receive that has progressed through the years. We have a great reputation to uphold, and each year we hope to add to this great lineage.

Friendship, morality and Brotherly Love . . . we have heard these words spoken many times before, and will hear them many times again, but what were we thinking of at the time. "Think" — Stop reading and meditate for a few moments. Brothers, how many of us can look into a mirror, and truthfully convince ourselves that we are upholding our charges? Let's add one more resolution and practice "Friendship, Morality and Brotherly Love with greater vigor and thought. Remember my brothers we were told never to lose sight of that useful and vital instrument.

I would like to congratulate our new Brother Larry Campbell on being raised to the Sublime degree of a Master Mason. That makes another father and son combination at Hunt-

ertown Lodge. Larry's father, Bernard "Barney" Campbell, assisted with the ceremonies, and we all had a very enjoyable evening.

We are anticipating a busy year at Huntertown, and we will need all your combined support, so keep in mind, and remember, particularly the quote "Ask not what your Lodge can do for you, but what you can do for your Lodge."

We have again attained the goal of \$1.00 per member to the contribution of our "Franklin Home." In paying your annual dues, please keep this in mind, and put an extra donation for this great Benevolent Home. This is a great honor for any Lodge and Brethren this is your Honor. Happy New Year, Brethren.

MAKERS OF HISTORY (Masonic Messenger, Georgia)

History is inseparable from the greatness of men whose deeds live on as a perpetual inspiration to mankind. To know and to review the story of such sacrificial service to humanity is to be part of history. Time adds lustre to the memory of those who ennobled mankind by what they did and what they were.

There is in Masonry, however, that which may be called unrecorded history. The word Masonry encompasses Masons of all generations, men motivated by the same ideals and principles.

While such names as George Washington, Paul Revere, Joseph Warreo, Benjamin Franklin, and many others stand out we know there are millions of freedom and government. The lions of Masons who knelt at the holy altar of Masonry and whose deeds are not a part of history. Yet our brothers were makers of history because they were engaged in a mighty cause.

For one to be conscious of the fact that as a Mason he is the maker of history adds strength and vitality to the institution.

It may be given to a few generations to win freedom, but it is the obligation of every generation of Masons to preserve freedom. While Masonry abstains from the field of partisan politics, it is the obligation of every Mason to participate actively in the struggle that never ceases between the forces of darkness and light.

When one becomes a Mason he assumes the character and ideals of one illustrious in Masonic history. History is then perpetuated by every Mason who stubbornly retains that identity with greatness throughout his life.

The Mason cannot escape history. He must be the maker of history.

I AM FREEMASONRY By Ray V. Denslow

I was born in antiquity, in the ancient days when men first dreamed of God. I have been tried through the ages, and found true. The crossroads of the world bear the imprint of my feet and the cathedrals of all nations mark the skill of my hands. I strive for beauty and symmetry. In my heart is wisdom and strength and courage for those who ask. Upon my altars is the Book of Holy Writ, and my prayers are to the One Omnipotent God.

My sons work and play together, without rank or discord, in the public mart and in the inner chamber. By signs and symbols I teach the lessons of life and of death, and the relationship of man with God and of man with man.

My arms are widespread to receive those of lawful age and good report who seek me of their own free will. I accept them and teach them to use my tools in the building of men, and thereby find direction in their own quest for perfection so much desired and so difficult to attain.

I lift up the fallen and shelter the sick. I bark to the orphan's cry, the widow's tears, the pain of the old and

destitute. I am not church, nor school, yet my sons bear a share of responsibility to God, to country, to neighbor and themselves. They are free men, tenacious of their liberties and alert to lurking dangers.

At the end I commit them to one undertakes the journey beyond the vale into the glory of everlasting life. I ponder the sand within a glass and think how small is a life in the eternal Universe. Alas, I have taught immortality, and as I raise men from darkness, I light, I am a way of life, I am Freemasonry.

THE GREATEST CRIME

Doing for people what they ought to do for themselves is a dangerous experiment. In the last analysis, the welfare of the worker depends upon their own initiative. Whatever is done under the guise of philanthropy for social mores which in any way lessens initiative is the greatest crime that can be committed against the toilers. Let busy bodies and professional "moral experts" in their false reliance upon the perils they rashly infer under their pretense of social welfare.

OUR MASONIC DUTY"
by Roy H. Shepherd, P.C.

Commandery No. 32, K.T.

How far and how fast Freemasonry moves in the years ahead is closely linked to the men it selects as its leaders. Our leaders have the unique capacity to unite the diverse elements of our Order in a common assault on lofty goals —

Have the vision to pick a path, and the resourcefulness to find ways over and around difficult hurdles —

Have the stature to attract men to dedicate themselves to Masonic service —

Understand our Order from the newest Entered Apprentice to its highest ideals, and senses the opportunities that lie ahead —

Then there is no limit to how far Freemasonry can go, how fast.

But If These Leaders:

Can't Rise above the humdrum and the routine —

Wrestle mightily with the trivial, and neglect the important —

Look to someone else for leadership, rather than exert it themselves —

See Their particular office primarily as a chance to get a higher honor or for taking a few bows —

Drift With events rather than shaping them —

Fail to grasp the immense importance of the office they hold —

Then Freemasonry will fall short of its hopes, and its dreams simply won't come true. There are many brothers in our Order who can give us Fraternity of ours the leadership and direction and the sense of purpose it needs for the years to come. Some should be seeking them out and persuading them to give for the preferment of their brethren. Otherwise the life of our beloved Order in these circumstances demand the best.

Such leaders should be — intelligent, so they can lead ahead and make sound decisions.

Dedicated to the Order's progress and its members' welfare.

Vigorous, so they can work hard at the job.

Persuasive, so they can win men to their program.

Independent enough to counsel with others, but to speak for themselves.

Vision to look beyond tomorrow's hopes and dreams.

Courage to do the difficult.

Integrity — Unquestioned, unyielding.

Combine all of this with a sense of humor and we find there is nothing wrong with Masonry that Masons themselves cannot cure!

FORT WAYNE DEMOLAY CONFER DEGREES

The Fort Wayne Chapter Order of DeMolay conferred the Representative DeMolay Degree upon five of its members on January 29 in the Masonic Temple. Those receiving this award were: Larry Buskill, David Miller, Max Johnson, James Coe, and Dr. James Frey, R. D. Advisor.

The R.D. Degree is the Order's recognition of an all-around youth. We are all aware of the good things of life and our part in our society, but we are seldom called upon to think of what our society gives to us or of our obligations to that society. The award is based on a young man's cultivation of self-development, the knowledge and the practicing of good citizenship in the home, the community, the Nation and the world at large. Character cannot be taught from books. It must be developed by experience. Character is the habitual reaction of an individual in both thought and action to everything that occurs during his waking hours. Congratulations to those worthy young men.

FREEMASONRY TO BE PART OF N.Y. FAIR

Freemasonry is to be represented at the New York World's Fair in 1964-65 by a building of outstanding design in front of which will be erected a Square and Compass five stories in height and permanently placed. The October issue of The Masonic Philatelist, published in New York, features a photograph of this unique structure.

Last July a contract with the Fair Corporation was signed by Harry Ostrov, grand master of New York. For the occasion, a model of the George Washington statue in Masonic regalia was brought by Bryant Baker who created it for the Masonic National Shrine at Alexandria, Va. The ceremony was also featured by the Sheffield inkstand, inkwell, sand shaker and quill holder from Washington's desk at Mt. Vernon.

The Masonic building will be completed for the opening of the Exposition next April 22. It will occupy more than 25,000 sq. ft. The pavilion will be semi-circular of steel frame construction. Entry is under an arch of the Square and Compass, across a bridge over a beautiful reflecting pool.

A model of the statue of General Washington, which the Grand Lodge of Louisiana commissioned for New Orleans from the famed sculptor Donald DeLue will stand inside. Exhibits which will acquaint visitors with the role of Masonry throughout the world will be assembled. Relics will be loaned from the

New York Grand Lodge library and museum, the New York state library, Washington's home at Mt. Vernon, Washington's lodge at Alexandria, the Masonic National Memorial at Alexandria and from Masonic collections elsewhere.

Financing of this enterprise will be done by the sale of World Fair tickets through members of the fraternity. Among the sponsors of Masonic participation in the Exposition is Judge Charles W. Froessel, recently retired from the New York State Court of Appeals, well known to Washington Masons. He was a featured speaker during the centennial celebration of Masonry in this state at Olympia, in December 1958.

The officers of the successful Masonic Lounge at Seattle's Exposition in 1962, some time ago forwarded upon request information about the local enterprise. This will undoubtedly be of assistance to New York Masons in completing their plans.

FREEDOM

Freedom is a man at the lathe or at the desk, doing the job he likes to do, and speaking up for himself. It is a man in the pulpit, or on the street corner speaking his convictions.

It is a man putting in the garden in the evening, and swapping talk with his neighbors over the fence. It is the unafraid faces of men and women and children at the beach on Sunday or looking out of the car windows speeding along a four-lane highway.

It is a man saying, "Howdy, stranger," without looking cautiously over his shoulder. It is the people of the

country making up their own minds.

WHAT IS THE ORDER OF DEMOLAY?

To really understand and appreciate the significance and work of the Order of DeMolay, you must first know something of the history and purpose behind the organization.

And who better could brief you on this essential information than DeMolay's Founder, the late Frank S. Land, who was Secretary General from 1919 until his death on November 8, 1959. The following question and answer session was held with Dad Land prior to his passing.

Our first question to Dad Land was "How would you define the Order of DeMolay?"

DeMolay is like religion in that it's hard to define. It works in so many ways and does so many good things to and for a young man that it actually has to be experienced to be fully understood, evaluated and appreciated," Dad Land said, "But literally speaking, I would say the Order of DeMolay is a youth organization for young men whose purpose is the building of better citizens."

"Where and how did you ever get the idea of starting DeMolay?" we asked.

Dad Land replied, "I was social service director for the Scottish Rite Temple in Kansas City, Mo. in 1919 when the idea for DeMolay was born. I had given a fatherless boy, Gordon Lower, a job. Upon talking with him, I learned that there were other boys like him who sought companionship, leadership, inspiration and competition — help they couldn't or didn't get in the home, school or church. I asked him to bring some of his friends to the temple for a get-together. He invited 8 high school friends; and after explaining my thoughts on a new boy's club, they all agreed it was a fine idea. They decided on a name and each meeting the group grew larger as more and more friends were invited."

We said, "How did you choose the name DeMolay?"

"After naming several historic figures, one of the boys asked me to name some connected with Masonry," Dad Land explained. "I mentioned Jacques DeMolay and related how he was a Crusader of the 13-14th century, was the last Grand Master of the Knights Templars and was burned at the stake by the King of France as a martyr to loyalty and toleration. The boys liked the name and what it stood for — death rather than betrayal of one's friends."

"What are the eligibility requirements for joining DeMolay?" we asked.

Dad Land answered, "Any young man 14-21 years old who is of good character can ask or be asked to join. He does not need to be related to any Mason. However, he must be recommended by two Chapter members or a Senior DeMolay and in either case also by a Master Mason. When a boy reaches 21 he becomes a Senior DeMolay."

Our next question was, "Is there actually anything that sets DeMolay apart from other youth organizations?"

"There certainly is," Dad Land

said. "It's ritual — a dramatic and yet solemn presentation that impresses an obligation on a boy to live and do right. Of course, all the rest of the formal "extras" tend to brand DeMolay on the mind and in the heart of a boy."

Pressing a further explanation, we asked, "But how do you know so positively that ritual has been the key to DeMolay's amazing growth and success?"

Dad Land replied, "We have proof in the spoken and written testimony of hundreds of thousands of DeMolays who in the brief span of four decades have climbed to the top in their chosen fields of adult endeavor. They testify freely that much of the initial impetus up the ladder of success started in DeMolay Chapter rooms."

"It is also supported by the fact that since the ritual was written in 1919 by Frank A. Marshall, a Kansas City newspaperman and Masonic leader, it has remained virtually unchanged even in its most minute detail. Top-ranking ritualists have heralded the DeMolay ritual as ageless."

Then we inquired, "What type of success have those Senior DeMolays attained?"

"The list is far too long to give completely, since nearly 3 million youths have become DeMolays," Dad Land pointed out, "but some of the more outstanding examples are 4 that have been U.S. Senators, 150 Congressmen, 9 Governors, 14 Generals, more than 130 are 33rd degree Masons and such well-known persons as Walt Disney, Secretary of the Treasury Anderson, Bob Mathias, Robert Cummings, Fred MacMurray, Buddy Rogers and many others."

Our next question was, "Who supervises or sponsors DeMolay Chapter?"

Dad Land said "All Chapters are under the general supervision of the International Supreme Council, a body of more than 250 outstanding Masons from all parts of the world which is the governing body of DeMolay. Individual Chapters are sponsored by Masonic bodies or groups of Masons and are supervised by an advisory council of Masons. The immediate supervision is delegated to a Chapter Advisor or Dad, who is a Mason, and to 23 boys who are elected or appointed officers."

"What competitive incentives are there for a DeMolay?" we inquired.

"Members can compete for the elective offices; some 17 merit bars for various achievements like music, athletics and religion, the Representative DeMolay Award, which is the Order's recognition of an all-around youth; the Chevalier degree, which is awarded for outstanding service to the Chapter and the Order of DeMolay; the Blue Honor Key for obtaining new members; and Certificates of Achievement," Dad Land replied.

Our next question was, "What kind of activities do DeMolay Chapters carry on?"

"Besides ritual and membership recruiting," Dad Land said, "they range just about as far and wide as a young man could imagine and still be in good taste. They include social events, money-raising projects, athletic and skill competitions, participation in community affairs, charitable

Three Rivers latest program "and one we are proud of" is the ritualistic program, under the direction of P.M. Albert White, one of our most capable ritualists. The response of our officers and brethren to this program has been most gratifying.

The Masonic play "A Rose upon the Alter" under the direction of P.M. Delbert Dennis was presented for the Wayne Lodge No. 25 in the Ionic room January 23, this was the 98th presentation. We are very happy to have had this opportunity of fellowship with the brethren of Wayne Lodge.

On February 15th we will go to Wolcottville for the 99th presentation and on February 24th we will go to Huntington Lodge for the 100th presentation. Huntington Lodge will open at 7:30 p.m., we would be pleased to have as many of the brethren as possible of the original cast with us for this occasion.

Early in the 1950's when this play was first presented by our Lodge, I am sure, none of the original cast could foresee the 100th presentation. Brother Claudy the author teaches a Masonic lesson in a way never to be forgotten. Many of the brethren who have witnessed this play return to see it again and I feel sure that this fine play will be presented for many years to come.

We have three on the sick list, P.M. Franklin, who I am very happy to report is very much improved, S.W. Mohr, who is now recovering from an operation, will be back with us before long. Brother Valance, who is also recovering from an operation is progressing very nicely. If you know of any of our brethren being ill, would you please notify one of the officers, our chaplain is chairman of the sick committee.

March 17th has been reserved for the Blue Lodge Guest Night and tickets for this event may be obtained from any of the officers. This is a joint venture of all the local lodges and is in the second year. A fine program has been arranged which you will enjoy and you also will have the opportunity to bring a guest. This program is for men only, and one you will be proud to bring a guest to.

March 14th is our annual smorgasbord and square dance when we will be host to the Corinthian Club. We will eat at 6:30 p.m. followed by square dancing. This is an event you will not care to miss, tickets may be obtained by contacting any of the Lodge officers or the officers of The Corinthian Club.

Our Masonic education program under the direction of P.M. Franklin who is on the sick list, will be given at our stated meeting by P.M. White. Much work has been put into this program and it is something you will not want to miss. Please come and bring a M.M. guest with you.

Please remember Masonic charity and give to the Masonic Home.

We were most certainly highly honored at our Ladies Night Banquet, January 31, 1964 by the presence of our Most Worshipful Grand Master, Arthur A. Osburn of the Grand Lodge of the State of Indiana and our Deputy Grand Master, Clyde E. Flowers with their Ladies. To add to our pleasure, two other distinguished guests accompanied them, Past Grand Master, Orvis A. Dellinger and Mrs. Dellinger and Past Grand Master, Carl Humphrey and Mrs. Humphrey. We certainly hope that you all enjoyed this Banquet as much as your officers enjoyed making it a reality. We like to feel that we have started the year well.

Our sincerest get well wishes are extended to two of our convalescing brothers, Past Master, Erving H. Almond and our loyal brother John B. Wilson! Hope to see you brothers back in Lodge this month.

Our spirits were dimmed then darkened this month by the sickness and passing of two of our honored brothers. Past Master Preston H. Somers — 33 years of fruitful Masonic Service — January 1, 1964 and Karl C. Schwartz — 44 years a loyal brother of our Lodge — January 10, 1964. Masonic Services were conducted and our sincerest expressions of sympathy were and are again extended to their families in this time of sorrow.

On January 24, 1964 we raised and welcomed to our Lodge three (3) new Master Masons. We would now like to extend to them our best wishes for a distinguished Mason career. This month will find our Lodge presenting degree work to five candidates as hereafter scheduled.

E.A. — Feb. 14 — Dinner.
F.C. — Feb. 21.
M.M. — Feb. 28 — Dinner.
Brethren! Fay's cooking is better than ever, so come welcome our candidates.

"There is nothing more past than a Past Master?" We shall see. March 27, 1964 "Past Master's Night" — Dinner at 6:30 p.m.

In 1957 a majority of our Past Masters attended a dinner in their honor then "put on" the Master Mason Degree in its entirety. The fellowship and enthusiasm generated by our Brethren in that single evening has been a long and lasting one. We're counting on our Past Masters to give us another "shot

in the arm." In addition, three, fifty year awards are being presented that evening.

When you get what you want in your struggle for self, and the world makes you King For A Day, Go to a mirror, take a look at yourself, And see what that guy has to say. It isn't your uncle or husband or wife, Whose judgement upon you has to pass, But the fellow whose verdict counts most in your life, Is the man you see in the glass. You may be a "Jack Horner" and chisel a plum, And say I'm a wonderful guy, But if the man in the glass says you're only a bum, You can't look him straight in the eye.

He's the one you must please, Though you mind all the rest, He's with you through life to the end,

And you've passed the most dangerous and difficult test, If the man in the glass is your friend.

You may fool the world down a pathway of years, And receive pats on the back as you pass,

But your only reward will be heartaches and tears,

If you cheat the man in the glass.

Dear Brethren:

I again come to you through this monthly article in the Square & Compass. January was a busy month. On Jan. 10th, Bro. David Mills and myself attended the Board of Directors' meeting at the Masonic Home. This meeting was very informative, as it gave us an opportunity to see how the Masonic Home is really operated. Our contributions to the Home makes it possible for this Home to function at a high level of services and comforts for its residents, and also gives us the security that we may need in the years to come. So if you have not sent in your contributions to the Masonic Home, may I URGE YOU to do so as soon as possible.

On January 11th, Bro. James Peters and myself attended the Annual Founders Conferences in Indianapolis. This meeting was well represented by over a thousand officers through out the state. The principle purpose of the Founders Conference is to inform the Master's and other Fort Wayne Commandery

officers of the progress that Grand Lodge and it's commandery is making and to pay the esteem to the founders of the Grand Lodge Of Indiana.

March 17th is the 2nd Annual Wayne Blue Lodge Guest Night will be one of the biggest of the year and I'm sure you want to attend this affair as guest. The tickets are being sold by Bro. Harold Salisbury and self. Call Bro. Salisbury at 443-4434 and tell him how many tickets you want. The price is \$2.00 per ticket and includes your meal as well as wonderful evening of entertainment. Let's all plan to attend and make a big success.

February 25th we are having our PAST MASTERS, for their years of dedicated services to Home and to freemasonry. I'm sure inviting each of you to attend banquet and help us pay respect tribute to these men who have still give so freely of their time to our Lodge.

There will be no charge for banquet, the only thing I ask is you Must Make Reservations. Bro. Harold Salisbury or Bro. J. Peters. Lodge will be opened in the afternoon to confer the section of the M.M. Degree, it will be at 6:30, and then we return to Lodge where the section of the M.M. degree will be conferred by our Past Masters, that you can all attend this ceremony. Reservations must be in no later than Feb. 21st. So call now.

Our next Veteran's Hospitalization will be Feb. 10th at 7:30. I hope this will be well attended. All Officers and members as well as a very worthy cause.

Our deepest sympathies go to the family and friends of Bro. J. O. Goff, who has been called on our midst to a higher Lodge above.

Remember these dates:
Feb. 10 — Veteran's Hospitalization
Feb. 25 — Past Masters banquet
Mar. 17 — Blue Lodge Guest Night
Mar. 30 — Veteran's Hospitalization
May 18 — Veteran's Hospitalization

Again in February we will have no degree work. This month should be a good time for the officers and brethren to come with us to the veterans hospital visitation. The date is February 17. Give just one hour of your time to help those who are less fortunate than you. A few kind words and a friendly handshake helps to make their life a little more cheerful.

"The Rose Upon The Altar" was very well presented for us by the brothers from Three Rivers Lodge. Brother Roberts, we thank you and your brethren for a very enjoyable evening of fellowship.

Here are two things to remember. Send a voluntary contribution to the Masonic Home, and don't forget to get your tickets early for the "Blue Lodge Guest Night" at the Scottish Rite Temple.

Your Master, Secretary, and Jr. Warden had a very enjoyable day of instructions at Grand Lodge on January 11. We thank you for extending to us this privilege.

In early January, we had two of our brethren in the hospital, Orval Haver and Dorris Proxmire. May God grant each of them a speedy and complete recovery.

The brethren of Wayne Lodge extend their sympathy to the family and friends of our departed brother, Clarence W. Hoeppner.

Mark these two dates on your calendar. April 30 — Past Masters and Ladies Nite. February 28 — Fellow Craft stag at my home on West Pettit.

We were very pleasantly surprised at our annual meeting in January by the attendance of Past Master Eugene Gilchrist. Gene has spent several months in California visiting. He tells us when the weather breaks, he will be with us again.

During the meeting, Fred Peters Sr., our tyler, presented the Lodge with a set of hand made officer's jewels, complete with ribbons. They are indeed the work of a master craftsman and we were happy to

accept them on behalf of the Lodge. Fred is also chairman of our V. A. hospital visitation committee. Our date for visitation was January 27 and we urge all to support this worthy Masonic endeavor. As we admired the officer's jewels, we were aware that each one was a distinctive badge of their office. I wonder if we could identify them by their jewel? It might be well to list the officers and their jewels. The Worshipful Master wears a square, Sr. Warden, a level, Jr. Warden a plumb, Treasurer cross keys, Secretary cross pens, Sr. Deacon square and compass with sun in the center, Jr. Deacon square and compass with moon in center, Steward a cornucopia and Tyler cross swords. The jewels are of silver in a subordinate Lodge and of gold in a Grand Lodge.

Through out York Rite Masonry, each officer has his distinctive badge of office. For example, in Royal Arch Chapters the High Priest wears a miter, the Illustrious Grand Master in Royal and Select Councils wear a trowel and square and the Eminent Commander in the Commandry wears a cross surmounted by rays of light. It was not my intention to get into York Rite Masonry but to merely show that each officer may be identified by his jewel through out Masonry.

Brothers, the Blue Lodges of Allen County will have their annual guest day on March 17. We will have dinner in the Scottish Rite dining room at 6:30. Bring your friends and have a very enjoyable evening.

Jim Pollos, Jr., has been in Parkview Hospital following surgery and is now convalescing at home. Our best wishes go with him to his illness. Our sympathy goes out to the family of William R. Barnes. Brother Barnes has resided in Los Angeles, California for a number of years and passed away January 8, 1964.

My Brother, you need Masonry and Masonry needs fine members like you — so we'll see you in Lodge next Wednesday.

My Dear Brethren:
Are you your "Brother's" keeper? Remember the tenets of Masonry? They are "Brotherly" love, Relief and Truth. Just what does this "Brother" business mean and how does it effect us? Let us create a typical case and see if it is at all

worth while.

Typical Case: A friend of yours approaches you for a petition for the degrees of Masonry.

From this time on you should obligate yourself to the full responsibility of personally seeing your friend all the way to becoming a Brother Mason. And the following sequence should take place:

1. You personally place a petition into your friends' hands without delay and give him "Brotherly" assistance.

2. You personally present his petition before the Lodge.

3. You personally notify him of his petition being accepted.

4. You personally conduct him to the Lodge for instruction and degree work.

5. You personally notify his dearest friends that are "Brother" Masons of his degree work and invite them to witness same.

6. You personally inquire of his closest kin as to their wishes of gifts to the newly made "Brother" Mason such as Masonic jewelry or Masonic Bible and you personally make presentation.

7. You personally become his coach.

8. You personally become his mentor.

With this sequence of events, you will have become a part of a Creation, ie, as a "Brother" you will have helped to create another "Brother". This must be pleasing to you and doubtless will give you great satisfaction. Do you believe that it is all worth while? I do.

I leave it in your hands Brethren and at this time will set the Craft to work.

On January 8, South Gate had the honor to present a memorial service for Brother Peter C. Gramlich. Brother Gramlich was a charter member of South Gate and in fact a trustee at the founding of our lodge. Knowing that you would want me to, I extended to Mrs. Gramlich the sympathies of the lodge as well as the assurance of our help either at this time or in the future years. Brother Gramlich is sorely missed.

The officers of South Gate were installed with impressive ceremonies on January 6 by Leroy Roberts W.M., Delbert Dennis P.M. and Albert Fisher P.M., all of Three Rivers

Lodge. I especially thank these brothers both for myself and on behalf of the lodge. Brothers Dale Shupe and Edward Guindon were installed on January 13 as Senior Deacon and Chaplain, respectively.

Rather than taking a vacation from his year of labors, Brother Guy Mausteller has accepted the chairmanship of a committee that is to be concerned with masonic education and masonic ritual. It is planned to have as a part of every meeting some activity intended to teach us more about our craft. Brother Mausteller needs help in this important work. Would you like to participate? Tell him in lodge.

The Founders day activities on January 11 at Indianapolis were attended by John Whitney W.M., Frank Bryan Sect., and Everett Karkrick J.W. At this meeting extensive and elaborate plans were revealed for the coming Sesquicentennial celebration in honor of the founding of the Grand Lodge of Indiana in 1818. Did you know that 1968 will also be the 250th anniversary of the mother Grand Lodge of England as well as our own 150th birthday? The years 1967 and 1968 will be banner years for masonry in Indiana. We must prepare. Details of the plans for the year long celebration are now appearing as a series of articles in the Indiana Freemason. A heavy responsibility rests upon the shoulders of the masters for those years. We already have a committee preparing for this event. Brother Ed Fleck P.M. is chairman and the other members are Frank Bryan, Clarence McIntosh, Dale Shupe and Pete Toyias. Let us all give them the help they will need.

Brothren, we need men to write a detailed history of South Gate. Sure we are a young lodge. This is no way means that a history is not needed but only that the job may be easier now than later. Some of the work is done now but much remains to be done. This is something we can do for our future brothers that they would have difficulty doing for themselves. Grand Lodge would like to have the work up to date (it is never completed) in time for the Sesquicentennial. Who will help? Tell me in lodge!

May I remind you of the forthcoming Blue Lodge Guest Night? It is on March 17. This is a joint effort of all the lodges in the area and promises to be even better than last time. Lodges all over the world are watching our pioneer efforts in this vein. Tickets may be obtained from Everett Karkrick or from any other lodge officer for that matter. This is a rare opportunity.

Are any of you interested pro or con in the possibility of South Gate sponsoring a scholarship of some kind and/or sponsoring a DeMolay chapter? Tell me in Lodge.

February is an unpredictable month weatherwise. So was January for that matter! It has, however, a few historical aspects, such as Lincoln's and Washington's birthdays, Valentine Day, and the beginning of the Lenten season. Besides this being a Leap Year, we are offered one extra day in which to perform more good deeds or to make good on previous promises.

Our calendar lists a stated meeting on February 14th. We will celebrate Miriam Shrine's 41st birthday, as well as honor our charter members. Try to attend and help make this a festive occasion.

On February 28th at our regular meeting we will hold a memorial for all sojourners who passed away during the past year.

ILLNESS:

The flu bug visited sojourners Mary Wilson, Joe Duncan, Nellie Stripe and her husband, Dora Freyman, Belle Deardorff and Mildred Savage. We trust all have succeeded in chasing it away.

Florabelle Kuchn suffered a broken knee, and Emel Rebecca Verriere was a patient at Lutheran Hospital.

Among our shut-ins are sojourners Lloyd Leas, Rosella Canada, Addie Hite, Ina Hull, Rose Griewank and Edna Ledford.

IN FAMILIES:

The husband of Shirley Bly shows no improvement; husband of Cora Burgess is in Lutheran Hospital; mother of Ruby Mowery is also in Lutheran Hospital; daughter of Ellen DePew is in Parkview; nephew of Erma and Alton White is improving in a San Diego hospital; and the son-in-law of Blanche Gebert is not too good. We wish a speedy, complete recovery to all who have been ill.

February, the month full of important dates, Lincoln's birthday, Valentine Day, and Washington's birthday. We can't celebrate them all but this year we have planned to remember one of them. On Monday night, February 17, Faith Shrine will hold a George Washington Card Party at the Elks Temple, 220 West Berry Street at 8 p.m.. Tickets available from Velma Freeze or Mae Husted. If Uncle Mathew has left you a little change from the January 31st ordeal plan to come. You can forget your troubles in a good card game with your friends.

Christmas is past but the melody lingers on, especially in the contents of a note received recently in the mail from a shut in. "Dear Faith

Shrine and folks: — Rec'd your cup and saucer and candies. Thank you so much. They were very nice and good. Am not very well and past 91 years old. Can't get out it is so cold. The welcome mat is always out, "Thanks again". W. G. Sink

What will you be doing at 91 years? If you can't step over his welcome mat, how about remembering him with a Valentine on February 14th.

Can you give a pint of blood? Evelyn Gardt, one of our Sojourners and the husband of Sojourner Fern Elson are badly in need of it. Go to the American Red Cross and tell them you are offering yours as a replacement for either of the two named in need of it.

Hi Folks — Midst snow, winds, blizzard, drifts etc. We surely did get our Winter Wonderland didn't we? And except for the horrible traffic jams it really is fun to have some real honest to goodness winter weather! (Yes-it is, come on now and admit you really do enjoy it huh?) (As of January 13th and 14th)

Now to go back a wee bit to our really exciting Installation. We really had a fine crowd to welcome in the new officers and incidentally they have been likened to the American Beauty Breathing Red Rose. Doesn't that sound elegant? Nine Past Presidents were escorted to the East and Mrs. Marvel (Anondas) read a very tender little poem in their honor.

"There is something in your friend-

Shrine and strong and true,
Which makes better worth the doing

Everything I have to do,
And your friendly word and smile

Somehow helps make life worth while.

Our Worthy President Mrs. Don Marvel, also had a very special surprise pulled upon her at the installation, her sister, Mrs. Margaret Harter — a Past Worthy Matron of Englewood Chapter in Indianapolis, appeared in the crowd — and at first Anondas just sort of bowed as she would to someone she knew and then the sudden recognition that this wasn't a friend — this is just a wee bit of Candid Camera procedure don't you think? The night was full of surprises for our Worthy President — as she was presented a lovely gavel fashioned out of Rosewood by Sir Knight Don — and when she finally regained her composure, he got a fitting reward — a kiss!

Inez Thrasher is continuing her good work in preparing the lap robes for the Allen County Home — and also the Children's Home. This is a good deed and it does give a warm feeling to know that these are so very much appreciated. So we say much thanks to both Dorothy and Inez for carrying on this worthy cause.

Jeepers — how the time does fly — so be sure to circle these dates on your calendars — better do it right away — it is doggone easy to say — a little later on and then whoops — just plain forgot about it!

February 4th is going to be something special — so don't miss it. A real terrific program after our business meeting.

Then the next February date — Our Big Affair — The Sweetheart Ball on February 15th under the direction of Jim Whitworth — and incidentally — he will need all the help he can get — so on any phase that you can help with, phone him at 483-3405. Y'know gals it is our pleasure to help our Sir Knights to make this a fabulous affair — and what better time of the year than Valentine's Day to do so?

On Saturday, January 11th, our Beauceant Sisters and their Sir Knights attended the Installation at Warsaw — twelve in all, with Mr. and Mrs. Don Marvel and Mr. and Mrs. Carter Palmer being invited to the dinner preceding the installation.

We want to wish a Bon Voyage to Mr. and Mrs. Charles Dixon who are on their way to Arizona for a little while — have fun but hurry back!

Bea Koch was in an accident the other day but is O.K. Thelma Adams is recovering from a real bad siege of Flu; Leona Gable has had a lot of trouble with her ankle since her accident. Mrs. Marvel lost her mother just before Christmas and she wishes to thank all for their kindness to her during this time.

We've got lots more things to talk about but I guess this had better get into the mail to make the deadline — and more next time.

Bye for now —

And remember to watch for I'll old Ground Hog — pretty soon now February 2nd!

that the most beautiful language dwarfed into insignificance unless words are made to live.

One who confers a degree of any part in the ritualistic ceremony should be keenly aware of the fact that the candidate is hearing words for the first time.

The candidate is in a responsive receptive attitude. It is necessary for those who participate in work" to be deliberate, and to repeat the words of the ritual with sincere consciousness of their significance.

There is nothing ordinary or commonplace about the ceremonial Masonry. They are of the highest antiquity.

The thought is often expressed that it is better to live Masonry than to learn the ritual. This is true. But, why is it not possible to both? The ritual is the pattern of Masonry.

First impressions are of great importance. When we deliver the sage of Masonry to the candidate we have the opportunity to give words with the spirit of love and understanding.

PRAYER CONDITIONERS
by
Norman Vincent Peale
As you pray listen deeply.
Practice humility. Be willing to
take God's answer rather than in-
sisting upon your own.
Eliminate ill will and resentment
from your heart for otherwise you
nullify your prayer.
In your prayer spend twice as
much time giving thanks as in ask-
ing.

Ask God what you can do for Him.
He does so much for you.
Once each day pray for our coun-
try and for peace in the world.
Always include with your prayer
a period of silence to feel God's pre-
sence.
Ever remember that God answers
prayer in three ways: yes, no, or
wait awhile.

Our W.M. Kathryn Fuhrman wel-
comed us to the January 14th meet-
ing, which was also "Mason's Night."
We also want to thank the Masons
for the lunch. There were quite a
few sideliners regardless of the in-
clement weather we have been hav-
ing. Decorations were in keeping
with the weather — a Santa with,
of course, the Masonic emblem on his
hat and coat; apron; and red bow
tie and mittens to complete his out-
fit.

W.P. Leslie Silver presided at in-
itiation, assisted by Sisters Nama
Bair and Katherine Abousamra,
which was held for four new Sis-
ters; another Brother and his wife
transferred from Churubusco, since
they now live in Fort Wayne, W.M.
Kathryn Fuhrman welcomed the new
members and said she hoped they
would be very active in the Chapter.

It was especially nice to have Bro.
Clayton Herrick, Grand Chaplain for
the State of Indiana, here on Mason's
Night. He asked that as many as
possible attend a "Representative De-
molay Ceremony" on January 29th.
The sons of "Marshall" Gladys Coe
and "Adah" LaVerne LaRue, are
very active in local DeMolay and
it behooves us to show our apprecia-
tion for their interest in this worth-
while group.

Brother Clayton gave a very in-
spiring talk on the Masonic heritage
to the Eastern Star, and gave his
interpretation of "Masonry." He
said all things can be accomplished by
three words — "TRUST IN GOD,"
and said we would all do well to
put this into our daily living, which
would not only "please God," but
it would be "true daily living" for all
mankind.

W.M. Kathryn thanked Bro. Clay-
ton for being with us, and thanked
the sideliners for their attention dur-
ing his talk. She said you never know
how much that "attention" is ap-
preciated until you are the one giv-
ing the talk or presiding over some

part of the meeting.
It is nice to sit at different places
on the "side line" and get a differ-
ent view of the officers performing
their duties. The Warder, Marguerite
Smith; the Sentinel, Virginia Reicheld-
erfer; as well as the very impor-
tant work of the Prompter, Isabe-
lle Winefer; and Treasurer Faythe
Silver . . . we give them our thanks!

HE MOVED THE WORLD
by
A. F. Mapes, Kendallville, Ind.
A constant flame . . . a gleam
of light,
A flame eternal burns tonight;
A flame that flickers yet reveals
The glory of his great ideals.
His heart gave love, his words
gave hope.
He furnished light to those who
grope,
In darkness yet, that they might
find
A lasting peace for all mankind.
He moved the world with strength
of truth.
He loved the aged, and the youth.
He showed concern for those in
need,
Regardless of their race or creed.
With courage and sincerity
He struggled for equality.
From those who would his dreams
reject
Came admiration and respect.
He smiled through sorrow, laugh-
ed at gloom,
And visioned yet . . . a world
in bloom;
When greed, and hate, and hung-
er ends,
When man would live as God in-
tends.
If every man would hoe his row
The seeds of hate could never
grow;
The world would be a garden . . .
grand,
And peace would bloom in every
land.

THE FOOTPATH TO PEACE
To be glad of life, because it gives
to you the chance to love and to
work and to play and to look up at
the stars; to be satisfied with your
possessions, but not contented with
yourself until you have made the best
of them; to despise nothing in the
world except falsehood and mean-
ness, and to fear nothing but coward-
ness; to be governed by your admi-
rations rather than your disgusts, to
covet nothing that is your neighbors
except his kindness of heart and
gentleness of manners; to think sel-
dom of your enemies, often of your
friends and every day of Christ; and
to spend as much time as you can
with body and with spirit, in God's
out-of-doors — these are little guide-
posts on the footpath of peace.

On January 2 we got the new year
off to a fine start with a fine meet-
ing honoring our charter and 25
year members. In the East was a
plaque naming the members being
honored. The members who were
to be honored and were present
were, Charter member, Sister Es-
ther Walborn; 25 Year Members Sis-
ters Martha Bonham, Lydia Blue,
Phyllis Bryie, Ruth Click, Evelyn
Salisbury and Brother Ralph Roller.
The honored were led into a semi-
circle in the West and after a song
by the choir were presented with a
gift from the chapter. For the social
hour the tables on the mezzanine
were decorated with flowers and sil-
ver candles and stars.
And January 16 — Men's Night!
Fort Wayne Chapter has always been
proud of its men and the active role
they take in the Chapter, but after
January 16 — I don't know! All
jokes aside, it was another very en-
joyable evening at which our men
hosted. Their old time vaudeville —
a variety show was called "The Best in
TV from 1963," it was very well
done and enjoyed by everyone. You
know they are a pretty talented
bunch! The program was chaired by
Brothers Paul Hayden and Dorman
Walker.

The decorations of the evening
both in the Chapter room and on
the tables were of various men's
professions and hobbies.

Coming up on February 6 is a
very important meeting, one we
should all attend, our election night.
Give the attendance of this meet-
ing serious thought, this is your
chance to vote for those you would
like to see lead our chapter. Come.

Music

Music is a tonic for the Tired and weary mind,
It is comfort for the lonely, And a picture for the blind.

It is sympathy and laughter, Faith, mirth and prayer,
It is kindness in it's brightest dress, And it's welcome everywhere.

We dedicate this to our Brothers and Sister Dorothea DeForest.

Those who attended our first Chapter meeting of the new year 1964 which was also Brothers Night were delightfully entertained by a Chorus of our own Brothers. Fellows we knew you could cook, as evidenced by the fine lunch served on the Mezzanine following Chapter — hut sing and cook too — You are "the most." We owe our Associate Patron "Doc" Eldridge our appreciation and thanks for organizing the program and refreshments and our Pianist Dorothea for the fine accompaniment. We also had the pleasure of initiating two Candidates, a new Sister and Brother. We are happy to welcome them to Shiloh.

The second Stated meeting in January we gave special recognition to our new members and affiliates of 1963-1964. We hope Shiloh Chapter will become a vital and active part of their lives, now that they have learned the "A-B-C's" of Chapter life.

The "Points Party" for the Worthy Matron and Worthy Patron and Committees will be held Feb. 7,

One of the special days in February is Valentine Day. When we think of this day we think of love, hearts and flowers. I'd like to pass along to you a few thoughts from an article on love, written by George Matthew Adams:

Everything beautiful in this life is seasoned with love — the love between each other and the love of God. Without love, this world would founder. There would be no meaning to anything. There would be no hope to which to cling. Love is Eternal. Love is never wasted. It changes individual lives. It gives light to all the world, for it lives in light and doesn't know darkness.

Love your life through and you will have proven immortality! And also — happiness! Every phase of love is spread out for our mental, physical, and spiritual good. Let us show love toward all mankind, for wherever love is manifest there are stationed refreshments for the soul.

February 5th Stated Meeting is the annual election of officers. You will want to be present at this meeting to help select the officers that will serve our Chapter.

Herrick, Principal Conductor of the Degree; Fred Ruoff, Captain of the Degree; John Lombard, Treasurer; George Gable, Secretary; Roger Herrick, Conductor of Council; Lawrence Miller, Steward; Myron Miller, Chaplain; Kurt Connin, Guard. Clayton Herrick was elected trustee. Congratulations Clayton for a 1st Year, well done.

The Spring Convocation has been planned for April 4 and 5, Sunday, April 18. We have set a quota of 50 candidates for this class. We will open a Council of Royal Arch and select Masters promptly at 12 noon in the Egyptian Room on April 1964. Get those petitions in now. We are also planning to portray the Super Excellent Degree on October 31st. This Degree has not been portrayed in Fort Wayne for several years, so we should have a large number of candidates.

Companions, I am going to be a bit bold. Your Council needs petitions. Forward large number of petitions with your Council a lot more good than any raise in dues. This is a

Challenge to every Council Member. Your officers earnestly solicit your support. Express your support by attending the meetings and introduce your Blue Lodge Friend to York Rite Masonry. The Cryptic Degrees complete the Circle of Ancient Craft Masonry.

The first meeting for Bethel 8 was held on January 15, and directly before the meeting the Officers, Pro Tems, Choir, and their parents had a potluck dinner. It was a wonderful way to get well acquainted with all the girls and their parents and to have quite a delicious meal.

I'm sure the other Officers and members will agree with me when I say that it is so nice to see so many parents and guests present. It makes everything a little easier when you feel you have such wonderful support and interest from them.

We all want to express our thanks to our Mother's Club (with special thanks to Mrs. Botteron, Mrs. Foulks, and Mrs. Burelison) for their help with robes. They have washed, pressed, and repaired each robe and they are just like new. If there are any other Mothers who would be willing to help with the upkeep of the robes their help would be deeply appreciated. If interested please contact Mrs. Foulks 747-5639. Now girls, it is up to us to keep the robes in good repair.

The next Mother's Club meeting will be held at the Leisure Electric Home. I have heard that a surprise program is being planned and I know that they would appreciate a good crowd.

Our next Job's Daughters meeting will be held on January 29 and I hope to see you all then.

acts, career guidance and education counseling and district and jurisdictional get-togethers, just to name the broad fields."

Our last question was "Where is the International Supreme Council Headquarters and how does it function?"

Dad Land explained, "Our international home is on the fourth floor of our own building at 201 East Armour Blvd., in Kansas City, Mo. The bottom three floors are occupied by Phillips Petroleum Co. which has a lease for a 25-year period. The lease money will pay for the building, and it will provide DeMolay a debt-free home, making it the first youth movement to have one.

"There are several department directors and some 30 other workers on the International DeMolay headquarters staff. The office serves as a central office of record; an agency for unification; a source of inspiration and promotion; and it provides general services and information of all types to leaders, Chapters and members of the Order of DeMolay.

We finished up by asking, "Dad Land, is there anything we have forgotten to ask that we should know?"

To which Dad Land replied, "You have covered the highlights of DeMolay very well except for one point — the specific purposes of DeMolay, and that is the building of better sons, and in turn better men and better leaders, which will lead to a better world tomorrow."

GOSSIP

(West Australian Craftsman)

There are few things more disquieting than the leakage of information concerning what occurs at a lodge meeting. It has been known for brethren to repeat outside what said what. It matters not that the information was given to a brother. It is similar to telling outside what transpires within the family. If a person hears only in part what took place at a meeting he cannot form an adequate opinion and a wrong conclusion can be arrived at and someone can be made to appear in a false light. Gossip is an unworthy pastime and a mischievous companion.

John Lare _____ Secretary

Phone 748-2480

Brethren: We at Huntersville Lodge held a public installation of officers at our stated meeting Jan. 2, 1964. The following officers were installed: Russell E. Ramer, W.M.; Melvin Kuhn, S.W.; Rodney Lansaw, J.W.; John Lare, Secretary; Floyd Gause, Treasurer; Jesse W. Jeffries, P.M.; Trustee; Gerald Runyan, S.D.; Earl Riley, J.D.; Roy Peters, Chaplain; Lowell Dicks, S.S.; and Wilbur Perry, Tyler. I would like to congratulate the new elected and appointed Brethren, and to remind them of the rich Heritage they have undertaken, and to call their attention to the use of the Plumb.

Brethren those of you who were not present at our "Table Lodge" commemorating St. John the Evangelist missed a very enjoyable evening. Brother Reverend Robert Jackson gave an excellent and very informative talk on St. John the Evangelist. Make a special effort to attend this "Fellowship" night this year.

Have you noticed the "Face Lifting" our lodge has had in the past several months? Mentioning a few: new roof, new storm windows, new painting on the trim, and last but not least our new illuminated sign. To our new P.M. Jesse W. Jeffries, Brother Keith McComb and to all the Brethren that had a part in this "Face Lifting" I would like to congratulate them on a job well done.

During January, two of our Brothers were hospitalized and had surgery: Dewey A. Lieberenz and Keith E. Strater. Our best wishes for their speedy and complete recovery.

Brother Fred A. Pratt was called by the Supreme Architect of the Universe January 13, 1964. To his

bequeathed family we offer our deepest and sincere sympathy.

I would like, with the consent of the lodge, start a "Masonic Educational Program" at our Stated Meetings. This will be given by volunteers who in turn will entertain and instruct us on any Masonic subject. Brothers I hope to see the youngest to the oldest in age, volunteer for this work. This will be a challenge to every member of Huntersville Lodge to participate.

Brethren let us part; let us strive to make a better tomorrow by correcting or improving on what we did today! See you in lodge.

Brethren,
We, at Harlan are looking toward the new year with a certain amount of anxiety, as no doubt, most of you are.

We are celebrating our centennial this year and have set a date of Sept. 26, 1964 for our re-dedication ceremonies. We would like to invite all of our friends and brothers to be with us at this time. We will add more information in the Square and Compass as our detailed plans are made.

Our installation of officers, Jan. 1, at 8:00 p.m. was open to the public and the installing officers were a team from Three Rivers Lodge, Fort Wayne. Delbert Dennis was the installing W.M., Al Fisher, the Marshall and LeRoy Roberts was the Chaplain. These brothers made the ceremony very impressive to us and our families. We would like to again thank them for the pleasure they gave us New Year's day. I feel they have gotten us off to a good start this memorial year at Harlan.

Our officers for the year are: W.M., Alford T. Moore; S.W., Lynn Smith;

J.W., Stan Love; Treasurer, Lester Smith; Sec., Roland Johnson; S.D., Roland Dorsey; J.D., Elmer Strautman; S.S., Ronnie Smith; J.S., Robert Mantox Chaplain, "Jake" Gustin; and Tyler, Walter Love.

Although we are anxious about 1964, with the help of these officers, and our Past Masters and brothers in our lodge and this area, I am confident we can have another good year at Harlan.

It looks like we are starting a very prosperous year of Masonry at Leo Lodge. We have three candidates who will receive the Entered Apprentice Degree on January 23.

The building fund is fast approaching the goal which was needed to purchase the ground for the temple. This just goes to show that the need for a new temple has been truly recognized.

I would like to thank each and everyone of the brothers for their cards, prayers, and visits during my illness and surgery. At a time like this a man really understands Masonry.

The time of year is at hand when these reporting duties are taken from the bands of the experienced Past Master, and passed into the hands of the new Worshipful Master. Perhaps by next December, we will have gained some of the skills that they now lay to rest.

We at Olive Branch Lodge wish to take this opportunity to thank the installation team from Three Rivers Lodge for the excellent job they did in installing our officers January 4. A large number of guests were on hand for this ceremony, and in the fellowship period following the installation I heard many favorable comments on our public installation. I feel certain that this custom will continue for many years to come.

Our new officers are W.M. Gayl C. Sheets; S.W. Clarence Lybarger; J. W. Robert F. Mix; Treas. Russell J. Neireiter; Sec. Lloyd C. Brown; S.D. Norman R. Marquardt; J.D. Lynn R. Shultz; Chaplain Donald E. Chaffin; S.S. William T. North; J.S. Mervel S. Smith; and Tyler Frank Harkless.

In our January stated meeting, we planned what I think is going to be a very interesting program for the coming year. Not wanting to waste any time in getting this pro-

gram moving, Brothers Robert Mix, Don Chaffin and Rex Marquardt volunteered to bring us a Masonic playette for our Feb. 13 stated meeting. I hope that each and every one of you will stand behind these Brothers and show your appreciation for their hard work by attending this meeting.

On Dec. 24, our Past Master Earl Hamrick was injured in an auto accident. At this writing, he is in Parkview Hospital, where he is working on the road to recovery. We wish you speedy success Earl, and hope to see you back in Lodge soon.

Those of you who missed our joint meeting with Monroeville Lodge of Dec. 27, to celebrate the Feast of St. John missed a very inspirational meeting. We certainly had a good time of fellowship with the Brethren from Monroeville.

Our Secretary tells me that even at this late time some of the brethren have not paid their 1964 dues. Let's get this in at the earliest opportunity and don't forget to include your contribution to the Masonic Home.

Put a ring around your calendar on Feb. 13, and don't forget to come to lodge.

**MASONIC PRINCIPLES
(York Temple News)**

Masonic principles and teachings are plain and simple. They are words of truth as applied to man's conduct here on earth. They admonish us to avoid evil speaking and babbling criticisms because such always lead to iniquity and are wholly incompatible with the spirit of fraternity. It will be for Masons to fasten that blueprint securely in mind and heart. If we try always to speak only words that will be profitable to our fellow men; if we seek diligently to know the words of truth that have been given us and to understand them correctly; if we consistently shun profane and vain talk among ourselves and before the public; we cannot help but set a good example along the still greater opportunities for service.

TO EACH HIS OWN

My faith in the proposition that each man should do precisely as he pleases with all which is exclusively his own lies at the foundation of the sense of justice there is in me. I extend the principle to communities of men as well as to individuals. I so extend it because it is politically wise, as well as naturally just: politically wise in saving us from broils about matters which do not concern us.

SECOND ANNUAL BLUE LODGE GUEST NIGHT

Announcement
of Harold D. Ross,
Past Grand Master
of the State of
Illinois, as speaker
for the Second
Annual Blue Lodge
Guest Night

Made by Forrest Finnell, General Chairman and Roy Roberts, Chairman of the Speakers Committee, PGM Ross was raised to the same degree of a Master Mason February 28, 1921, in Samuel H. Lodge No. 96, of Mount Morris, Illinois. He has been active in Masonry and its appendant bodies since that date. Brother Ross had served as Grand Lecturer, Grand Explorer, and District Deputy Grand Master prior to his election as Right Worshipful Junior Grand Warden of the Grand Lodge of Illinois in October of 1955. Mr. Ross also has served as Worthy Patron of the Eastern Star, Watchman of Shepherds, Northern Shrine No. 40 of the Order of the White Shrine of Jerusalem, a member of Tyrian Chapter No. 1, R.A.M., Dixon Commandery No. 21, Tebal Temple AAONMS at Ellettsville, Holy Trinity Conclave; the Grand Cross of Constantine; and the Order of Freemont, Ancient Accepted Scottish Rite, and was awarded the "Third" at Pittsburgh in September, 1958. Brother Ross also serves as the Grand Representative of the Most Worshipful Grand Lodge of England on behalf of the Grand Lodge of Illinois.

In addition to his Masonic background, Brother Ross has served his community well, contributing 15 years as a member of the Grade School Board of Education, member of the Library Board for 9 years, member of the Community Chest Board for 10 years (including 2 years as President), member of the Mount Morris Club (President of this organization for 2 years), and a Lieutenant Governor of Division 5 of Kiwanis International. A charter member of the American Legion post, Area and District officer of the Boy Scouts, President of the Board of Trustees, Methodist Church and Chairman of its Building Committee, member and benefactor of the Loyal Order of Moose, Mr. and Mrs. Ross donated 86 acres of land for the establishment of a summer camp which also serves as a member of the Moose Foundation Board. Brother Ross has illustrated a number of the Masonic Virtues throughout his career, and we are sure to profit by the wisdom of his counsel when he brings us a message of "Citizenship Responsibility," stated by Finnell. "We are indeed fortunate to secure a speaker with the extensive Masonic background possessed by Brother Ross, and I feel sure he will impart to all those in attendance, a renewed spirit of Masonic brotherhood. I am sure our Guests will be better informed about Masonry, our aims, tenets, and restrictions after hearing Brother Ross."

Mr. Finnell also announced that the Grand Master Humphreys of the State of Indiana will have a special message during the dinner portion of the program. A number of Grand Lodge officers are expected to attend although the Guest List is not complete at the present time.

For the benefit of those who have not been contacted by their individual lodge, tickets are available at the Temple Cigar Stand and all those interested in attending should purchase their tickets well in advance as it is expected that the affair will be sold out. Banquet Chairman, Bennett Noel, announced that no reservations would be accepted after Saturday, March 14, 1964.

Curtis K. Heston — Secretary

Brethren the month of March is here and we have finished a month long to be remembered by the Three Rivers Lodge. The play "A Rose upon the Altar" was presented for the 99th time the evening of February 15th. Our host was Ionic Lodge No. 380 at Wolcottville, Ind. The 100th presentation was February 24th, we were guests of Amity Lodge No. 483 Huntington, Ind. Many of the brethren from Three Rivers and our sister lodges traveled with us for this memorable occasion. A fine evening of good fellowship was enjoyed on both of these occasions. Much credit for the success of this play must be given to the Director. In recent years we have had three, Brother Cyrus Senger, who has now retired and is spending his winters in the South, our Senior Warden, Brother Thurber Mohr and the present director, Brother P.M. Delbert Dennis. I would add my personal thanks to those of the Lodge for this fine contribution of their time and talent to the betterment of man and the Fraternity.

This month will be a very busy month in Three Rivers. On Tuesday the 3rd we will present the play, (the 101st) for Decatur Lodge No. 571 at 7:30 p.m. Tuesday, the 10th our stated meeting. Saturday, the 14th our annual Smorgasbord and Square Dance. We will be host to the Corinthian Club. Dinner will be at 6:30 p.m. followed by dancing to the Red Birds, from 8:00 to 11:00 p.m. We certainly hope you will join us for this fine evening of entertainment. Tuesday the 17th will be our annual all Lodge guest night at the Scottish Rite Auditorium. Dinner at 7:30 followed by a fine evening of entertainment. This will give you an opportunity to bring a guest that will enjoy a good evening of fellowship and meet the brethren who make this a wonderful fraternity.

Wednesday the 18th, we will travel to Defiance, Ohio for the 102nd presentation of the play. Tuesday the 24th the E. A. degrees open at 7:00 p.m. Tuesday the 31st F. C. degree open at 7:00 p.m. followed by the M. M. degree April the 7th, open at 5:30, dinner at 6:30 followed by the second section after dinner.

This is a very busy month, we would be pleased to have all of the brethren attend one or more of these functions. We are sure you would enjoy being with us as we would be with you. Please plan to attend, you are needed in lodge. Finally let us not forget our sick brethren, all whom were reported last month, are well on the way to recovery, we are happy to report at this writing no new ones have been added. If you know of any sick brethren please notify one of the officers. Let us not forget the Masonic Home, even the smallest donations are needed and

appreciated. We will see you in Lodge. P.S. on Monday, March the 23rd at 7:30 p.m. you are needed at the Veteran Hospital to assist us in the visitation of the sick, won't you join us and help our brethren. Brother Lee Garrison is chairman of this committee.

Brethren — Once again, it is very pleasant to congratulate you on a very outstanding feat. I am referring specifically to your endeavors and efforts to reach our goal of \$1.00 per member contribution to the Indiana Masonic Home Fund. Because of your humanitarian acts in the form of contribution over and above your dues, it was my very proud privilege to present a check in your behalf to our Most Worshipful Grand Master, Arthur A. Osborn, the amount of which met the aforementioned goal. I hope that you are as proud and pleased of this accomplishment as your officers are.

Remember — This is the month we have all been waiting for. Our Past Masters will be honored on M. M. Degree night, March 27, 1964 with a dinner in their honor at 6:30 p.m. after which they will "put on" the second section of the Degree in full form. It is an opportunity for us Brethren to say thanks for their excellent efforts in our behalf plus an opportunity for some good old Summit City fellowship.

At this time also three of our esteemed Brethren will receive their Award of Gold for 50 years of loyal and fruitful Masonic service. These awards will be presented by our Deputy Grand Master Rite Worshipful Brother, Clyde E. Flowers to brothers John DeYoung, J. William Feldman and Homer A. Mertz. To These Brethren we offer our sincerest congratulations.

On February 28, 1964 two blood brothers, Paul Edward Harmon and Ronald Eugene Harmon along with David Ernest Beer and Douglas Keyes Ruby were raised to the Sublime Degree of Master Mason. We extend our best wishes to them for a successful and distinguished Masonic career.

It is anticipated that our Lodge will perform Degree work during the month of March, 1964 for four candidates. Our schedule will be as follows:

ters Night (Dinner).

An old man, going a lone highway,
Came, at the evening, cold, and
gray.

To a chasm, vast, and deep and
wide,
Through which was flowing a sul-
len tide.

The old man crossed in the twi-
light dim,
The sullen stream had no fears
for him,

But he turned, when safe on the
other side,
And built a bridge to span the
tide.

"Old man," said a fellow pilgrim
near,
"You are wasting strength with build-
ing here,

You never again will come this way—
Your journey will end with ending
day;

You have crossed the chasm, deep,
and wide—
Why build you the bridge, at even-
tide?"

The builder lifted his old gray
head:
"Good friend, in the path I have
come," he said,

"There followeth after me today
A youth, whose feet must pass this
way.

"This chasm that has been naught
to me,
To that fair-haired youth may a
pitfall be,

He, too, must cross in the twi-
light dim;
Good friend, I am building the
bridge for him."

Brethren:

Another busy month is now behind us and Home Lodge honored it's Past Masters on February 25th. This banquet was well attended by all. The second section of the M.M. degree was conferred by the Past Masters and they did an outstanding job in performing their duties on the floor. A special thank you goes to Bro. Elmer Barcus for his help in lining up the Past Masters for the degree work. It only proves that the lessons we learn on our journey through Freemasonry is long remembered even after we return to the sidelines. A hearty thanks to all the Past Masters for this wonderful evening. Home Lodge has purchased new and outstanding robes, worn for the first time on Past Master's night, along with new jewels and aprons for the officers. We should wear these with great pride because we now use and wear some of the finest equipment in the tri-state area. We sincerely hope that each member will come

down to Lodge and share with us in the use of this equipment to participate in Lodge activities. The to the Bros. who joined with us February 10th at the Veterans Hospital, but on March 30th we hope that many more can come out to share an evening with friends fortunate than ourselves.

Bro. Robert Beck is now home from the hospital convalescing and would enjoy company. So let's get out and see him at 8115 Alt Center Rd. We wish him a speedy recovery, and hope to see him at Lodge again soon.

This month promises to be a busy month for us here at Home Lodge as our Annual Blue Lodge Banquet is fast approaching. March 10th is the night to remember for a big event. Remember to get your tickets now for you and your guests as reservations should be in by the 10th for the banquet. This promises to be another great night for Freemasonry, so come along and bring a friend to share in this evening of Masonic fellowship. Tickets \$2.00 apiece and may be obtained from Bro. Harold Salisbury or our Lodge officer.

Brethren:

Did you send a voluntary donation to your secretary for the Masonic Home Foundation? If you have done so already, there is still time to contribute to this worthy cause. The tenets of a Mason's profession are — brotherly love, relief, truth. Giving to the Foundation, one way of showing that we are a charitable institution. We can be proud of our Home at Franklin. The dormitories, dining hall, hospital facilities are all very modern. But, yet, the facilities are quite adequate to accommodate some of our aging brothers and widows who are destitute and in need of assistance. May our voluntary contributions help to alleviate this situation.

St. Patrick's Day, March 17, just two short weeks away. So get your tickets now for the "Blue Lodge Guest Night." The Indiana Grand Lodge F. & A. M. will be represented at our dinner this year. We have the honor of fellowship with Right Worshipful Deputy Grand Master, Clyde E. Flowers and Past Masters, J. Carl Humphrey and Orvis Dellinger. Brother Humphrey will give a short talk on his conception of Masonry. We will also be favored with music by "The Little Symphony" during the dinner.

Do you know, My Brothers, by the
time you read this article, we will
have raised 13 Masons since the first
of the year. This amount of work
was only possible by the assistance
of many Past Masters and the ac-
tive participation of all the brothers.

We were reminded of many pleas-
ant occasions in our Masonic expe-
riences as we watched the work of
Past Masters Bolyard, English, Gin-
gher, McNaughton, Schwartz and
Sholer during the last two months.
If you would like to reminisce and
see again the work of one of your
favorites, let us know and we will
do our best to arrange it. Let us
not forget the fellowcraft, the real
workmen of the fraternity. They are
doing fine work ably directed by
Bill Franke, Russ Wells and Ken
Fleisher. The following men have
contributed greatly to the work,
Beach, the Devers, Friedley, Huer,
Longworth, the Peters, Jacob, Nick-
erson and Stinson.

Your officers realize that we are
in competition with many and
various other interests such as PTA
meetings, clubs, sporting events and of
course, T.V. But we are convinced
that you will thoroughly enjoy your-
self by spending an evening in your
own Lodge witnessing a degree and
enjoying a visit with your Brothers.
Come early and have dinner with us.

Now READ THIS, The Grand
Lodge of Indiana has suggested that
every Master Mason in Indiana
should voluntarily contribute \$1.00 to
the Masonic Home each year. Mau-
mee has been negligent in this re-
spect in the past. Let us get our dol-
lars in to the next Grand Master, our
own Past Master Clyde Flowers
will be proud of No. 725.

I propose a slogan — for 1964 —

for a Bethel of Jobs Daughters. On
February 11 an organizational meet-
ing was held and this program is
under way. If you are interested in
this area contact either John Capin
or Elmer Spahr.

Our next order of business should
be a DeMolay Chapter. The only
requirements are six (6) Master Ma-
sons that are interested in starting
this chapter and twenty-five (25) boys
that are interested in this work. Grand
Lodge will help us in this area. So
let us give this some thought and
bring it up at our stated meetings.

What are we doing for ourselves?
Well, one wonderful thing that you
can do is to subscribe to the month-
ly magazine entitled, "The Indiana
Freemason." Did you know that it
has been judged the finest Masonic
publication in the United States with
not even a close second. I recom-
mend it to you for your Masonic
education.

Have you visited Lodge lately,
and noticed all the cleaning and im-
provements that are taking place?
We invite you to help us become
a Working Lodge.

We do have a petition before the
lodge and hopefully will have work
during the month of March.

The Master and officers visited
New Haven Lodge on February 12
and were well received. It was an
enjoyable evening.

In closing, if you still haven't paid
your dues, how about giving brother
Secretary a break! He is con-
cerned. See you in Lodge.

At this time each year your offi-
cers are faced with a problem. As
you know article 6 of our bylaws
states that dues not paid by January
1 are in arrears. If any of you know
of a brother who is in such a situa-
tion that this causes undue hardship
it would be a favor to your officers
to let them know. If you yourself are
in this position please give us the
privilege of helping you. The bylaws
and grand lodge regulations require
that we must either remit dues or
place charges for unmonies conduct
at the May stated meeting in the
case of unpaid dues. I am sure that
this latter action is probably the most
unpleasant task that your officers

A suggestion has been made that
instead of mailing out double cards
in order to obtain reservations for
our various social activities that we
place an announcement in this paper
along with a coupon for you to re-
turn if you are going to attend. Will
you let me know how you feel about
this proposal?

In a pleasant conversation with
several brothers the other day the
subject of the reasons each of us
petitioned the lodge was discussed.
We bear many reasons stated on pe-
titions such as "because of friends"
or "I have always wanted to" or
some such. But these aren't really
reasons. Why did you join? Did the
lodge meet the needs or desires you
had when joining? Does it now? It
is amazing how throughout the
years new advantages or values or
reasons for membership appear, some-
times several completely new ones
each week. Would it not be interesting
and very informative to have a meet-
ing largely devoted to sharing with
each other our original and subse-
quent reasons for membership. May-
be there are areas where masonry
could be of further aid to the bro-
thers. Clearly the organization exists
for the brothers and not vice versa
as might be suggested. It is cer-
tainly the brothers who are impor-
tant. If any feel that the reasons
for their membership are waning pos-
sibly they are not aware of the my-
riad advantages. Regular attendance
at our meetings is not necessary.
Regular adherence to our basic prin-
ciples is.

Brethren:
Due to an over-sight the following
portion of my article was not rec-
orded last month. I feel that I should
tell you about it at this time.
Brother Art Slane and myself went
to Indianapolis last January to the
Second Annual Founder's Day Con-
ference. It was very enlightening as
well as very enjoyable. I am sure
that it will be long remembered by
the more than 1,000 Lodge officers
who were in attendance. Fort Wayne's
own Clyde E. Flowers, Deputy Grand
Master and Don A. Burton were co-
Chairmen.
Grand Secretary Dwight L. Smith,
P.G.M., delivered a short "Charge to

the Masters". He gave much good ad-
vice concerning their duties. The
highlight of the conference followed,
as he presented an audio-visual re-
port outlining plans for observance
of the Grand Lodge Sesquicentennial
year to be held during 1967-68.

Following a delightful lunch, Grand
Master Osburn spoke briefly, then
the Brethren participated in the im-
pressive and ancient Ceremony of
the Seven Toasts. Then Art and I
went to separate sessions. I heard
several informative talks on subjects
such as "The Indiana Freemason"
the No. 1 Masonic publication of the
nation, "Procedures for Masonic
Trials", and the "Grand Lodge Su-
pervisory Board". Thanks to the
lodge for making this trip possible.

Our program committee met and
mapped out the program for the
coming year.

Ladies night will be March 23,
"Ladies please take note", and plan
to attend. Price will be the same as
last year, \$2.00 per couple.

Our Smorgasbord, which has been
such a success in the past, will be
held April 18, 1964. I hope all will
plan to attend these two lodge func-
tions.

"Thought for the Day"
The most important thing that key-
notes a truly happy person is his
outlook on life.

Of course anyone who tells you
that life "is just a bowl of cherries,"
is as much a liar as the one who
says it is nothing but suffering. Dr.
Murray Banks said once the truth
about happiness is somewhere between
these four lines:

This world that we're a livin in
Is mighty hard to beat;
You get a thorn with every rose
But ain't the roses sweet.

Although Winter is still with us, the annual yearning for an early Spring is already in evidence. Even the stores are showing Easter finery and the seed catalogs challenge us to plan for lovely gardens. Meantime, we are in the Lenten season. We should prepare ourselves spiritually for the advent of Easter, a time which should inspire a rebirth in the hearts of each of us.

On February 14th, Miriam Shrine celebrated its 42nd birthday. Guests came from Shrines at Wabash and Kendallville. Other special guests were Soj. Mildred Cae from Bethesda Shrine at Anderson. Soj. Mildred is President of the Indiana White Shrine Association. Soj. Arnett Bickel, State Sponsor, was a guest from Faith Shrine.

The highlight of the evening, however, was the surprise visit of Soj. Edward L. Meyer, our Supreme Watchman of Shepherds. He is a member of Unity Shrine No. 92 of Chicago. We were so happy to have him with us.

Almish Shrine No. 4 was instituted on February 6, 1922. There were 188 charter members. Out of this original group, only five remain on our roster; namely, Shirley Bly, Hazel Dehler, Rosella Canada, Bess Banks Marion, and Ruth Wilson.

Where are these sojourners of yesterday,

The ones we used to know? Friends who sat with us in meetings—

Who shared our fun and woe? Some have moved to distant spots And others have passed along; But they've left behind precious memories

Of friendships that are gone. Sister Helen Howard entertained us with an original and impressive monologue on Mary, the mother of Jesus. A musical trio was provided by Soj. Ann Robinson.

On February 28th, a memorial service was held for the following sojourners who passed on to the great White Shrine above during the calendar year of 1963: Lottie Slater; Susan Bryant; Myrtle Kinsey; Hattie Perry; Phoebe White and Catherine Schell.

Calendar For March:

March 13th: Annual meeting and election of officers.

March 27th: Installation of officers.

Illness Among Sojourners:

Emel Rebecca Verriere has been released from Lutheran Hospital.

In Families:

Husband of Cora Burgess is home from Lutheran; husband of Ann Robinson is home from Parkview; Mother of Norma Jean Miller had surgery in St. Joseph's Hospital at Louisville for removal of a cataract; Husband of Emma McDaniels was injured in a fall on the ice; Husband of Rosella Canada is home from Parkview.

Deaths:

Husband of Shirley Bly on February 6th; Brother-in-law of Florence Nahrwald on February 14th.

Birth:

Hazel Dehler has her first great-granddaughter. Soj. Hazel is visiting the baby and its mother in California.

To those who have been ill, we hope for their rapid recovery. A cheery hello to our shut-ins, and to those who have had bereavements in their families, our sincere sympathy.

A year rolls around in a hurry and it is now that time of the year to elect officers for your Shrine. Like in choosing candidates to run your city, state or country, you must abide by the choice. So it is of importance to do your part and be present at the election.

Remember, one of the officers elected will one day be the presiding officer and on her falls the duty of not only running Faith Shrine but appointing Chairman and Co-Chairman with important duties, which can make your organization the success it has been.

Just recently we had recognition night in Faith Shrine, recognizing the Chairman, Co-Chairmen and members of the various committees. It was interesting to note the manner in which the credit was shared. Where the Co-Chairman had done the work, the Chairman publicly waived her honor to where it was due and likewise in the case of the committee with three chairmen — acknowledging how their work was shared when necessary, even to calling on the Worthy High Priestess for assistance.

Whether Chairman or Co-Chairman the job is of importance — the work must go on. Think of our President — called from the Vice Presidency — and a little closer to home of the unexpected visit of Edward Meyer, Supreme Watchman of Shepherds, to Faith Shrine in place of The Supreme Worthy High Priestess.

Well, Hi-Again Folks:

Here we are wishing everyone a Happy Valentine's Day and looking forward so very much to the fabulous Sweetheart Ball February 15th. That is the lovely of the year — y'know. And more about that next time.

Oh — Sisters of Beauceant and Sir Knights — you missed a terrific party on the 4th. We had a super surprise for our Sir Knights — and it turned out to be such fun — hope we can do it again. (Twist'n — Hawaiian Style!) Mrs. Overholzer and one of her friends gave us the real Hawaiian Dance — 'tis graceful and beautiful when done by the professional. They also offered to show some willing Sir Knights — either Sir Knight Cope or Stevenson could probably give us a real good imitation — even without grass skirt! The table decorations for this party were clever too — little macaroni trees — of a deep red color, and of course the refreshments were Hawaiian punch, coffee and the cake — (recipe worth \$150.00 from the Waldorf Astoria in New York!) Doesn't it sound elegant? (P. S. Thanks to Della for the fabulous cake.) We did have a good crowd too at this affair — including 12 of our Past Presidents. Hope this is a good omen for the rest of 1964!

Our Bake Sale will be on February 22nd — and it is a double deal — one set at North Crest and one at Penney's at South Gate. Esther Holzworth is in charge of Northcrest and Teresa Horton and Oasie Cope at South Gate. We'll say thank you to our telephone committee crew in advance — because we know they'll really do a good job of promotion.

I'm sure you will all be happy to know that our lovely little Worthy President is having a little vacation in the Sunny Southland. And we hope old mister Sun is really shining down on her real good because she is always so sweet and smiling around here. Happy vacation Anonadas and Don!

We have a number of small items that I'd better list about now — and among them our illness. Willodean Todd and her husband Jim, Louise Haller — ill with a flu bug. Leona Gable is home from Lutheran — Evelyn Gardt is still in Lutheran — keep her in your prayers. Dorothy Baker is home from Lutheran. Mother of Mildred Houser is in the Hospital — at Millers on Lima Rd. — she would certainly appreciate some cards. The Mother of Oasie Cope is home from the hospital.

At the last sewing meeting (15 present) we finished 100 cancer pads and Thelma entertained us on her lovely new organ. These meetings

are the 4th Monday of the month to make the next one. The Mother one will be at the home of Donald Marvel — 5621 Main Drive.

And now circle the calendar on the 2nd of April — that is card party — and that we want to be a super-duper success. And with the card party will be a Beauceant Table with all the goodies for to help the Eye Foundation — will be over — so Gals — the calories to the wind for the evening and buy some goodies! And what — I have somehow or lost a very clever little poem — Anonadas had written for the Foundation" and I am so sorry but I promise to print it next month. I expect that as soon as I put in the mail I will find the slip paper. — All I can think of is the Foundation — but let's support all the way — O.K.?

And here is a little farewell to our Worthy President

"As we say Adieu — and Until we meet again May God Hold you in the Hollow of His Hand."

Bye for now.

Two regularly scheduled meetings have been held since the last of the Square and Compass. On January 22 a regular business meeting was conducted followed by refreshments served by the Council. A movie of the 1963 World's Games was also enjoyed by all.

February 12th again was a regular business meeting. We have had petitions brought in but we do have many, many more. Demolays, get some more boys interested in joining us!

Don't forget the Tournament dance scheduled for March 6th. DeMolays our 1964 dues cards admit one couple. Friends of DeMolays may also purchase tickets for \$1.00 per couple. Remember, the merrier, so ask that special gal and let's all attend!

Initiatory Degree and Flower Ceremony is scheduled for the February 24th meeting. March 11th to be a regular stated meeting see you there.

The Mother's Club held a February meeting at the home of Mrs. James Cope. A white elephant sale was held. A bake sale is being planned to be held at Penney's in South Gate on March 21. Mother's Demolays, please help to make a big success by contributing something. Please circle March 16th to be the next Mother's Club meeting. Also circle May 11th that you won't forget to attend annual Mother-Son Banquet. This one affair you won't want to miss. More about both of these later.

RAYS FROM THE EASTERN STARS

STAR OF THE EAST
CHAPTER No. 514
O.E.S.

Meetings
2nd and 4th
Tuesdays

Kathryn Fuhrman — W.M.
4884 Mamie Dr. — 483-1738
Tama Christopher — Secretary
2333 Curdes Ave. — 483-4901
Ruth O. Smith — Pub. Ch.
4412 Standish Dr. — 745-0075

This has been a wonderful year—yes, it has been the culmination of four wonderful years—in which I have been able to give you Service and you have given me your Love. Those watchwords—chosen from the teachings of Electa—have meant much.

Your Worthy Patron and I join to say "Thanks" for having us as your officers this past year. Thanks for all your help, cooperation, and many kindnesses shown us. Thanks to the officers and all the committee members for doing such a fine job—we are so proud of you!

We wish to extend to the newly elected officers our very best wishes for a year as full of pleasant memories as ours has been.

And to each member—
"A bird at your window to sing you a song

A rose in your garden to bloom the day long

A rainbow of hope that brings comfort and cheer

A star in the sky when shadows appear.

The smile of a friend who is loyal and true

May these be the joys each day hold for you."

Kathryn Fuhrman, W.M.
Les Silver, W.P.

Thanks, Sister Kathryn, for putting your usual fine Chapter opening in writing this month.

Words are inadequate to express the inspiration you and W.P. Leslie Silver have been this past year and we hope you enjoyed your activities and duties as much as the sideliners and Committees enjoyed having you in the East. Many thanks for a job well done, your friendship, and our best wishes to you.

Associate Matron Hilda Deeter planned a very nice dinner party honoring W.M. Kathryn and W.P. Leslie. Space doesn't permit describing the delicious dinner; Georgianna's music; songs by the choir for the guests, and how beautiful the room and tables were arranged and decorated. Each guest at the dinner received a white "Star" fountain pen.

The words "Love and Service" were spelled out in huge silver and gold letters on the drapes back of the head table, and small beds of roses made by the Decorating Committee, were on the tables. The beautiful rose trees were at either end of the guests' table. The Chapter also presented gifts to the Worthy Matron and Worthy Patron.

All Officers took part in the very funny Rummage Sale, depicting some experiences they have had when working at our Chapter's Rummage sales, in which the Chaplain put on an act that was a "scream", trying to "get away with items without paying for them." Another "working member at the sale," Ileana McClaire,

supposedly had to dash home because she had left some food cooking on the stove. She arrived back in time to keep telling us how the house was filled with smoke and everything would have to be repainted, which, of course, is just what had happened to our W.M. a short time ago. Our thanks to Sister Hilda and the officers and any others who helped give us a lot of laughs, everyone put on such a good act.

After the W.M. and W.P. had given short talks, Kathryn's husband, Bro. Herbert was asked if he had any comments to make and he said "He would be glad to have Katie back." Faythe Silver said she would "second that statement" for her husband, W.P. Leslie.

Even though it seems a little late, we would like to tell you about the 1-28th meeting, which was in charge of the various Committees and their theme was "Hats Off to the Committees." W.M. Kathryn read a poem to her Committees, and a group of about fifteen Masons sang a song to each Committee as they were presented. There were "hats galore" on racks, for each to wear, and the Decorating Committee also had the luncheon table decorated with "crazy" looking hats, around which the Officers placed many different kinds of sandwiches and coffee.

Edith McIntosh presented the New Haven High School Dramatic Class in a clever playlet entitled "What Teenagers Want To Do," such as wanting Dad's car so often, and girls preferring to wear slacks or blue jeans instead of "dressing up" like their mothers want them to, etc.

For our Feb. 11th meeting, the Decorating Committee had a large open Bible in the East, opened to the words "My Cup Runneth Over". In the West they had a huge Cupid encircled in valentines made of flowers.

Election of Officers was held at the Feb. 11th meeting, as follows: W.M. Elect Sis. Hilda Deeter; W.P. Elect, Bro. Harry Deeter; Associate Matron, Sister Nana Bair; Associate Patron, Bro. Howard LeClair; Secretary, Sis. Tama Christopher; Treasurer, Sis. Faythe Silver; Conductress, Sis. Katherine Abousamara, and Associate Conductress, Sis. Margarite Smith.

Sister Hilda and Brother Harry Deeter have been so faithful and efficient as Associate Matron and Patron—let's give them and their appointed and elected Officers the support they deserve, as by observation you know there are a lot of hours' work put into being an Officer in Star Of The East.

Twenty-five-year pins were awarded at the annual Birthday Party.

Sis. Gladys Coe was asked by the W.M. to Conduct a Proficiency meeting for all new members at 7:15, before the Feb. 25th meeting. This to be held in The Chapter Room.

Again, we express our appreciation and thanks to W.M. Kathryn Fuhrman and W.P. Leslie Silver, and all Officers for fulfilling their Love and service theme this past year.

IN PARTING

As we come to the close of a precious year, may we say, God Bless all of you for your loyalty and support.

Sister Pat would like to thank the chapter for the privilege of serving this past year as your Worthy Matron. It has been a wonderful year, leaving the warm glow of many happy times. To all who have worked so hard and given so freely of their time and talents, she says "thank you," without your helping hands nothing could have been accomplished. The officers join with her in thanking all of you for the expressions of friendship, goodwill and loyalty this past year. To Sister Carol and Brother Paul all the best wishes are extended. With Gods guidance, may

LIGHT

"The little lamps of friendship we
light along our way,
Go shining on far down the years
and brighten every day.

"His love that keeps them burning
and sympathy and trust;
God help us that no lamp goes
out because we let it rust."

The many lamps of friendship
which have helped to light the course
of our year will forever glow and
warm our hearts. Your Worthy Patron
and I will always cherish the co-
operation and assistance given in all
our endeavors. This we feel clearly
demonstrates your faith in us and
the purpose to which our combined
efforts were dedicated — the good
and welfare of our Chapter.

We trust that your hopes and ex-
pectations for the good of our order
have been realized and our endeavors
have been in vain. At all times your
confidence and encouragement were a
source of strength to us.

We wish to thank our officers for
their loyalty and the committee mem-
bers and sideliners for their co-
operation and support. To our General
Chairman, Co-Chairman and all Com-
mittee Chairmen who have been our
mainstay of force, we are most grate-
ful for a work well done. Your never
ending help and assistance were true
expression of love.

This year will ever be one of the
most treasured of our lives. It has
been a great honor to be of service
to you and our Order.

To Sister Betty Scott and Brother
Dennis Eldridge may your year be
one of progress and prosperity and
may you and your officers enjoy the
harmony and happiness we have en-
joyed in this our year of service.
Fraternally, Lucille and Ben.

On Feb. 7, a lovely party was given
in honor of our Worthy Matron and
Worthy Patron in the Dining room
of the Masonic Temple. The theme
was "O.E.S. Harmony 1964".
The officers were attired in dark
sailor dresses complete with sailor
hats and red ties. This was the crew
aboard the "Harmony" constructed
at one end of the large ball and the
hostesses of the party.

A lively skit was presented along
with readings from Ship's Log Book,
after which the "Captain" and her
mate (Worthy Matron and Worthy
Patron) were called aboard to inspect
their crew. The tables were appropri-
ate and prettily decorated with
glowing hurricane lamps in the colors
of the Star Points, moulded from wax
candles and decorated with decals and
fish net in colors. It was a very lovely
party and the officers deserve a
big commendation for their originality
and ingenuity in decorations and theme.

Election of officers was held at the
Feb. 13 meeting. Those elected to
office were, Worthy Matron, Betty
Scott; Worthy Patron, Dennis Eld-
ridge; Associate Matron, Ruth Pet-
ty; Associate Patron, Murray Petty;
Secretary, Rose McGraw; Treasurer,
Ethel Miller; Conductress, Ethna
Hasty; Associate Conductress, Jessie
Holman.

At our Feb. 27 meeting we heard
the reports of our Committees. Our
Worthy Matron and Worthy Patron
were lavish in their praise for the
hard work done by the many com-
mittees and the successful year evi-
denced by their reports.

On March 3, will be the Year End
Party and dinner for the Social
Committees; South West; South East;
North West; North East; Day Ways
and Means; Night Ways and Means;
Entertainment; Decorating and Sun-
shine Committees. This will be a din-
ner in the Temple Dining Room to be
served at 6:30 p.m.

March 12 will be a stated meeting
with initiation of new candidates.

March 26 stated meeting with final
reports read and South West Social
will serve after Chapter.

There will be an open installation
of the new officers by invitation on
the 5th floor of the Masonic Temple,
March 28, at 7:30 p.m. This is always
a carefully planned and very lovely
ceremony and we hope there will be
many members and friends of our
Chapter present to enjoy this evening.

Our newly appointed Roster Com-
mittee has requested that anyone hav-
ing a change of address now or in
the near future, please notify our
Secretary immediately so that their
new listings will be up to date in
the new Rosters.

We were grieved to hear of the
recent demise of two of our Past
Grand Patrons from Indiana Grand
Chapter. They were Brother Trueman
Yunker and Brother Frank Moore.
A fitting memorial was given for them
at our stated meeting February 13.

I would like to thank our Worthy
Matron for all the help and co-
operation given me as Shiloh's Pub.
Chairman this past year. The kind-
ness shown me by each and every-
one I will remember always. Pub.
Chairman, Josephine Munro.

YESTERDAY

Yesterday is but a dream, and
tomorrow is only a vision;

But today, well lived, makes every
yesterday a dream of happiness,
And every tomorrow a vision of hope.

Look well, therefore, to this day.
To our Officers, Chairmen, Co-
Chairmen, Committee members and
members: The time has come to say
so-long but not good-bye. Your
Worthy Patron and I, your Worthy
Matron, wish to express our thanks
and gratitude to you for making

this a very happy and successful year.

You are truly faithful sisters and
brothers. Without you we could have
done nothing. To be successful means
working together and sharing our
joys and sorrows. We have had both,
but the sorrows have been shared,
which lessened the burden, and our
joys have been many. The rewards of
our labors have been friendship
and love; these things money cannot
buy nor can they be stolen. Our
Garden of Memory will be a beau-
tiful place in all the years to come,
as we have treasures of memories you
have given us this year.

When the new officers take over
our duties and we go our separate
ways, may God go with you. May
we never stray too far apart or
lose the things He has taught us this
year, especially the lessons of Adah,
Ruth, Esther, Martha and Electa that
the Star Points so beautifully exem-
plified at every meeting. Our coun-
try is free and with these teachings
and the guiding hand of our God
above may it ever remain so. God
bless you all.

Doretha Baker, Worthy Patron
Richard Baker, Worthy Patron
Thank you, Sister Doretha and Bro-
ther Dick. We have been proud of
the fine way you have served our

Temple.

At our March 6th meeting we will
have our annual memorial.

The officers year-end party was
held at the Ellisville Restaurant on

joyed the entertainment very much,
and hope that others will have the
opportunity to be entertained by them.

is the month for elections, reports, and planning for the

new year.

The present officers will meet with H. L. Anne Bretelle on Spy Run Avenue, March 15 at 8:00 p.m., where plans will be laid for the "End of Year" party, to be held at Manocchio's on April 2nd, at 6:30 p.m.

Your Royal Matron, H. L. Velma Schane, wishes at this time to express her thanks to all the members and officers of Truth Court for their co-operation during her year, and also to our neighbor Court, Anthony Wayne No. 3, for their visits and services rendered on many meeting nights. It has been such a pleasure to have had S. K. William Maxwell as her Royal Patron on the throne with her and they both wish for Truth Court a very prosperous year in 1964. She wishes to close her remarks with her prayer for the past year:

"God, grant me the serenity to accept the things I cannot change; the courage to change the things I can, and the wisdom to know the difference."

H. L. Mabel Travis is at home convalescing from her recent operation. H. L. Helen Lockhart is in St. Joseph Hospital for surgery. S. K. Kraft Ginder is at Cameron Hospital in Angola. Many members have had flu and colds. Here's hoping all will be improved.

Installation of new officers will be Saturday, April 18th, at 8:00 p.m. at K. of P. Hall, 120 1/2 W. Washington St.

We're close to the end of another year.

In which we have practiced friendship and cheer.

We are so thankful for the very faithful few.

Who toiled and made many things come true.

We're not so proud of our membership drive.

It might have been better if everyone strived.

But so many of us have other obligations.

That seems to be mostly their explanation.

So, in the days to come this year and next.

Let's go visiting more and pass the test.

Go out after our friends and their partners too.

Show them what our Amaranth Order can do.

May our Court grow larger in more ways than one.

Never be satisfied until more members are woo.

Strive to be faithful, tried and true.

Best of luck and Congratulations I'm wishing you.

By this time you will have received a letter on dues. The purpose of this letter is to clarify some confusion that arose last year regarding proper procedures. If there are any questions please contact your High Priest.

Again don't forget our stated convocation, March 19th. It is the last day to receive petitions for the All-Degree day. Doc Planck and Bob Marshall have a pleasant surprise for us in the form of a Hawaiian Rib dinner. Dinner 6:15 p.m., March 19. See you all there.

Greetings Companions!

Here the month of March is upon us and the Spring work to be started. There are really busy days ahead. But in all this activity we must take time to get those petitions in for our Spring York Rite Festival. The final date for petitions is Thursday, March 19th. Have you spoke to that Blue Lodge friend about the merits and desirability of being a York Rite Mason? What a wonderful class we could have if every Companion would bring in at least one petition.

Companion Harry Haller has been appointed to take charge of the Super Excellent Degree to be portrayed October 31st. If you are asked to take part say "Yes" and give him your full support.

Your Officers are busy rehearsing their parts. Rehearsals are scheduled the first Thursday of each month. All Companions are invited to attend.

Remember Saturday, April 25. We open at 12 Noon and confer the Royal and Select Master degrees. We will need a lot of help.

While the Cryptic degrees of the Council complete the Circle of Ancient Craft Masonry, they are also a solid foundation for the Christian Orders of the Knights Templar. No more solid foundation can be found than the degrees of Ancient Craft

Masonry, united with the Capitular, and Cryptic Degree and Christian Order of the Templars to build that house not made with bands, Eternal in the Heavens."

The sands of time run so swiftly and it is difficult to achieve the goals we strive so diligently to attain.

By the time this message reaches you, Bill Franke will have been exalted to the Sublime Degree of Royal Arch Mason. We have other candidates to vote on, and will be working during March. We will have the Past master and Most Excellent Master degrees presented on March 6 and will join Fort Wayne Chapter for inspection and presentation of the Royal Arch Degree on Tuesday, March 10th.

Your High Priest directs that every Companion who has not been in Chapter in the past year should make every effort to attend the inspection.

Your Chapter Officer looks forward to presenting the Royal Arch degree in their new robes. These robes are not only attractive but added the necessary color to our degree work.

Companions do you have a friend who is a Master Mason who does not know of the great advantage of becoming a Royal Arch Mason? Certainly they are entitled to know that the long lost Master's word has an important place in the Royal Arch degree.

You should urge your Master Mason friend to seek more light in Masonry.

If our Great Nation is to remain morally and spiritually strong, the men and women in public and private life must have a moral strength of character which has been strengthened with Masonic principals.

As members of a Great Masonic fraternity, we must live our daily lives so as to be a good influence on our less informed Brothers. How can we strengthen our Masonic Character if we do not return and renew that strength at its source?

Companions, as your chapter is strengthened so you are made stronger. Your Chapter needs your presence in order to be a strong and vibrant moral force in your community.

Do not forget — Stated convocation on Friday, March 20th. We will have a Martin Special dinner at 6:30 p.m. (Venison Steak?)

Bethel number 8 has been very busy lately. Feb. 6th was our Protem night and February 19th was our first initiation. The Officers and Protems both did wonderful jobs and I especially want to compliment my Officers on the way they presented the initiatory work. Our next meeting will be Eastern Star and Master Mason Night, with special honor for Shiloh Chapter, our sponsor. I want to extend a personal invitation to all Masons and Eastern Stars; I hope to see you all at 7:30 p.m. on March 4th in the Egyptian Room.

Last month Job's served two banquets. The Sweetheart Formal and the Home Lodge Banquet. All of the girls that served had a wonderful time and I hope to see more of you there the next time we have an opportunity to serve. I also would like to thank them for asking us to serve; we always enjoy doing things like this.

The next Mother's Club meeting will be held at the Dime Bank. At this meeting Mrs. Botteron and Mrs. Stanbery will show their slides of the last few installations. The girls are all welcome to come to this meeting with their mothers.

I know sometimes girls that don't hold office or sing in the choir hesitate to come to the meetings because they feel they aren't needed. I hope none of you feel this way. There have been many girls on the sidelines and this is so good to see. I hope more of you will come and join one of my committees. You'll make new friends and really begin to enjoy your Bethel. I will be looking forward to seeing you.

Companions; March 19th is the day we can receive petitions for the All-Degree day, April 4th, and all get busy. This year we have no membership committee but depending on each companion contact a Blue Lodge brother and inform the story of York Rite Masonry. The Royal Arch degree com-

pletes the story partially told in the first three degrees of Masonry and to the thinking Mason, offers him a sense of fulfillment and the filling of the void left by the Master Mason degree. Tell your Blue Lodge brother how he can learn the True Word.

Muncie Chapter No. 30 R.A.M. will confer the Royal Arch degree at 7:30 p.m. for the All-Degree Day. Their work is outstanding and I am sure you will enjoy it. The Mark Master, Past Master and Most Excellent degrees will be conferred in the afternoon starting at 1:00 p.m. At 6:30 p.m., "Doc" Planck, our Master Chef, will preside over a Buffet Supper. So plan to attend April 4th.

The annual inspection by the Grand Chapter is set for 7:30 p.m. March 10th but may be changed to March 12th. Watch the Masonic Calendar in the Sunday morning paper March 8th for any changes. The inspection

DEMOLAY WEEK CELEBRATED ALL OVER THE WORLD

Masonry's prodigious protege, the
Order of DeMolay, last month began
its 45th year of building better citi-
zens out of teenage boys, as DeMo-
lays all over the world celebrated
International DeMolay Week, March
15-22.

Activities ranging from religious
rites to social festivities and many
other functions marked the observance
on the part of over 2,400 chapters
in 12 countries and territories. Of-
ficial proclamations of DeMolay Week
were issued by governors and other
high-ranking figures as well as mayors
in almost every city where a DeMolay
chapter exists. DeMolay Week no-
tations all were aimed at demonstrat-
ing to the public the Order's accom-
plishments and purposes.

Since its establishment in 1919 in
Kansas City, Mo., by the late Frank
S. Land and nine teenage youths,
the organization has grown to a pre-
sent membership of well over 150,
000 young men, and over three mil-
lion have knelt at the DeMolay altar
and promised to be better sons and
better citizens.

Masonry has had a prime part in
the growth and development of De-
Molay, by virtue of sponsoring its
chapters, providing adult leadership,
often offering financial boosts when
needed, and in a myriad of other ways.

In turn, the DeMolay has proved
a decided boon to Masonry, with
thousands of DeMolays now apply-
ing for Masonic membership after
reaching age 21, and Senior DeMo-
lays occupy many of the high rank-
ing posts in Masonry.

More than 75 of them have been
Grand Masters of their Grand Lodges
and every recognized Masonic group

has a large number of Senior De-
Molay leaders.

In addition, Masons have the satis-
faction of knowing that they have
contributed substantially to the wel-
fare of the nation and the world
by helping to mold fine character in
youth.

In demonstration of Masonry's faith
and interest in the Order of DeMo-
lay, ten presiding officers of national
and international Masonic Bodies signed
a "Declaration of Principles" in
support of DeMolay, at a meeting
held in February, 1963, in Washing-
ton, D.C. This began a "Masonic-De-
Molay Crusade," aimed at strength-
ening the ties between the Craft and
the youth movement, encouraging
more Masons to take an active in-
terest in DeMolay. Realizing that the
DeMolays of today may well be the
Masonic leaders of tomorrow has
given an even greater impetus.

As this great youth movement notes
its 45th anniversary, its members
will strive to exemplify to the public
with appropriate activities, the Or-
der's Seven Cardinal Virtues — Re-
verence, Filial Love, Patriotism, Cour-
tesy, Cleanliness, Fidelity and Comrade-
ship — traits which are the ingre-
dients for the development of fine
citizenship.

Let us Masons, as organizations
and individuals, join in a hearty
salute to this very vital youth or-
ganization, the Order of DeMolay,
and pledge our wholehearted support
and help to DeMolays of our respec-
tive areas, and the Order as a
whole, both during this anniversary
and in the years to come.

TYENTY-FIFTH ANNIVERSARY TO BE OBSERVED

Shiloh Chapter Social Committees
of the year 1939 will observe their
25th anniversary on Monday, April
27th. Sister Minnie Young, who was
Worthy Matron at that time will be
the honored guest. There will be a no
host dinner at the Hobby Ranch
House at 12:30 p.m. This group has
met annually for pot-luck dinners
and social meetings. Arrangements are
in charge of the appointed officers
of that year, Madge Sloan, Ruth
Levy, Mary Ann Bender, Florence
Wolverton, Helen Hopper, Tracy
Adams and Florence Oheltz who was
social chairman that year.

TEMPLAR EYE FOUNDATION CREATES PLANS FOR SPECIAL PATRON FUNDS

At a recent meeting of the Board
of Trustees of the Knights Templar
Eye Foundation, Inc., the Trustees
were advised that nearly seven thou-
sand (6905) applications for surgery
and hospitalization have been pro-
cessed and nearly two million dollars
have been expended for the assistance
of those found worthy.

Almost a half million dollars (\$487,-
500) had been granted to date for re-
search in ophthalmology since the start
of the Foundation.

Over two thousand Knights Tem-
plar had contributed thirty dollars
each as Life Sponsor and are thus
exempt from any assessment from the
Eye Foundation.

Because of action taken by the
Trustees of the Foundation the struc-
ture has been revised as follows:

Heretofore only individuals could

upon the payment in a lump sum
of One Hundred Dollars (\$100.00)
become a Patron or upon payment of
Fifty Dollars (\$50.00) become an
Associate Patron. That policy has
now been changed to include in ad-
dition to individuals any Masonic or
Masonically allied men's or women's
organizations and such other organi-
zations as might meet the approval
of the President.

The new provisions recognize that
the best method of building a size-
able Patron Fund is through organi-
zations, for there are thousands of
small Masonic or allied organiza-
tions who could very well afford the
sum of \$100.00 or \$50.00 to have a
part in this great humanitarian char-
ity.

Further information about the plan
may be obtained by writing to the
Knights Templar Eye Foundation
Inc., P. O. Box 248, Rhinbeck, New
York 12572.

WHAT IS THE ORDER OF THE WHITE SHRINE OF JERUSALEM?

This is a question which has been
asked many times with sincerity, and
what has been the answer? I have
yet to hear an answer that to me
has been satisfactory.

Therefore as sponsor of the In-
diana State Association of The White
Shrine of Jerusalem I deem it my duty
to let not only the members of the
Order but all those who are in any
way related to the Masonic family
know what the Order really is and
what it stands for.

This I realize can not be ac-
complished in only one article there-
fore I will do it in a series of ar-
ticles.

The first and most important are
the landmarks.

As the history of a country is
best told in a record of its people,
so the history of the Order of the
White Shrine of Jerusalem is best
told in the records of the adminis-
tration since its organization in 1894.

The early history of our order is
a narrative of personal struggle and
achievement, as well as discour-
agement. It is the story of a small
group of men and women who saw
a vision, and in reaching it, of the
obstacles they overcame, and of the
pride they took in their victories.

These were men and women who
belonged to the Golden Rod and
Queen Esther Chapter, OES who felt
that the birth, life and death of
Jesus Christ as told by the Wise
Men would be a wonderful subject to
read, study and interpret, and would
be an ideal basis for a beautiful rit-
ual.

This group of OES members con-
tinued to meet in homes until Sept.
23, 1894 at which time a committee
was appointed to procure a charter
from the State of Illinois to form a
Supreme Shrine.

The Ritual was written by Charles
D. Magee of the Golden Rod Chap-
ter, assisted by Agnes M. Brown and
Monroe A. Smith of Queen Esther
Chapter.

The object of the order which is
a secret society for social and bene-
volent purposes, providing an advanc-
ed degree or degrees in adoptive Ma-
sonry.

Membership of the Order con-
sists of Master Masons, their wives,
daughters, legal adopted daughters,
mothers, widows, sisters and half-
sisters of Master Masons in good
regular standing and those whose
husbands, sons, fathers, or brothers,
if deceased, were in good standing in
some regular Masonic Lodge at their
death.

In the Order of the White Shrine
of Jerusalem there is but one degree.
A belief in the existence of a Su-
preme being. A belief in and defense
of the Christian religion. Its obli-
gation is based upon the honor of
those who obtain it, and once volun-
tarily assumed is perpetual.

The Order is founded upon the
Birth of Christ. Its teachings are
scriptural and intended to illustrate
and impress on the mind of the in-
itiate the humble but glorious birth
and life of Him who trod the wine-
press of life alone. Its mission is to
spread the glad tidings of the com-
ing of the King and endeavor to
bring to the world, "Peace on Earth,
Good Will to men." To do noble
deeds, and by acts of kindness and
words of cheer bless all mankind.

In the exemplification of the De-
gree we dramatize the events fol-
lowing the Birth of our Saviour as
told in the old, old story. The Magi
come with gifts of frankincense, gold
and myrrh to lay at the feet of the
Christ Child. This is dramatically
portrayed — the officers wearing
robes of Biblical times.

In a later article I hope to give
to those who are interested an idea
as to the symbolism of the Order.

With out any doubt there are
those who are not acquainted with
what Indiana State Association of
the White Shrine of Jerusalem is.

This can best be explained by first
telling what the Object is, Quoting
from the constitution, The Object of
this Association shall be the promo-
tion of sociability and fraternal
friendship and advancement of the
Order in general.

Membership — Section 1, Any
member of the Order of the White
Shrine of Jerusalem in good standing
in his or her own shrine, in the
State of Indiana, is eligible to mem-
bership.

Section 2 — Any sojourner of a
Shrine in the State of Indiana who
serves the Supreme Shrine as Su-
preme Worthy High Priestess or
Supreme Watchman of Shepherds
shall automatically be made a life
member of this Association.

Section 3 — All Past Presidents and
Past Sponsors shall automatically be
made life members of this associa-
tion.

Regular meetings are held in April
and October. The April meeting is
held on the second Saturday, this
meeting is for the purpose of inform-
ing the members of the important
business which is to be taken up
at Supreme Shrine which is held the
first of May and any pertinent infor-
mation which the members should
know about.

The October meeting is a regular
business meeting and election of of-
ficers and the installation of the
new officers. No Sojourner serves

Forrest R. Finnell _____ W.M.
310 W. Pettit Ave. _____ 745-2616
Harold W. Garrison _____ Secy.
1515 W. Main St. _____ 743-1723

In the absence of our Worshipful Master (Forrest R. Finnell), the following article was prepared by your Sr. Warden (Dan D. Dale).

Brethren: It is with the deepest sorrow and regret that I must inform you that our Master (Forrest R. Finnell) became seriously ill on March 2nd, with a very severe heart attack and has been a patient at Lutheran Hospital (Room 633) since that time. It has been only until recently that any visitors have been allowed in to see Forrest, and then only at the family's request. Brethren, I am happy to report that I was in to see Forrest this evening (March 16) and I found him in good spirits, considering the terrible ordeal he's been through the past fourteen days. Forrest stated that he'll be going home in about three weeks. I'm sure Forrest would enjoy hearing from you, so why not drop him a line today! We of Wayne Lodge extend our deepest concern for our Master and his family at this time and wish him a very speedy recovery.

Last month we conferred the 1st and 2nd degrees on two brothers. We wish to welcome our new brothers into Wayne Lodge and will be looking forward to their final degree work on April 23. I also wish to thank all of the Past Masters and brethren for their assistance during this time of need. We will have a candidate for the month of May. Don't forget we hold our next stated meeting April 2nd and by all means don't forget our Past Masters and Ladies Night affair on April 30. Forrest has selected his speaker for this event as Mr. John W. Beauchamp (Judge of Wabash Co.). Entertainment for the evening will include the fine musical arrangements of Pote's Little Symphony (Shrine Group). Tickets for this affair may be obtained from your lodge officers.

Brethren, it is especially important that we are well represented in attendance during our degree work and conduct ourselves in a quiet and orderly manner. Our presence during this early phase of a Masonic life, imprints on the minds of our newly made Masons the brotherly love and friendship that Masonry truly extends. In so doing, we will mark our consequences among future Masons.

The greatest rewards from Masonry are received from what we ourselves can do for our Lodge so why not make it a point to circle your lodge events on your calendar and make it a point to attend.

If any brethren is delinquent in his 1964 dues, please give this matter your utmost attention. If you find yourself to be under a financial burden and unable to meet your obligations, or if any brethren knows of a brother in like condition, please let your Secretary know about it.

The bylaws and grand lodge regulations requires that the Lodge must take action in our May stated meeting if dues still remain delinquent. Non payment of dues resulting from the burden of undue hardship will be taken into consideration by the lodge at this stated meeting, if it is so informed in time.

A PRAYER FOR FORREST

Ob God, we pray for the restoration of the strength and health of our Master. Comfort him with thoughts of our concern for him, though we cannot each one pay him a visit. Turn his pain and sadness once again to laughter and happiness, so that all may rejoice — Amen.

May we offer our heartfelt thanks to the Past Members of the Summit City Lodge for their participation in our Past Masters night on March 27, 1964. It was pleasant for all the Brethren, not only to recapitulate moments of the past but to watch these men perform the Master Mason Degree. We offer them our sincerest congratulations and remind them that we are very proud of each and every one of them.

Our Deputy Grand Master, Right Worshipful Brother, Clyde E. Flowers, presented the Award of Gold to three of our Esteemed Brothers who have accomplished fifty years of loyal and fruitful Masonic service. These Brothers, you will recall, are John DeYoung, J. William Feldman, and Homer A. Mertz, to whom we offer our heartiest congratulations.

This month again finds two blood brothers being raised to the sublime degrees of a Master Mason; Joseph M. Jett and William T. Jett, along with David E. Beer, William A. Schroeder, and Douglas K. Ruby. We have welcomed them and again extend to them our sincerest thoughts for a successful and distinguished Masonic career.

We are looking forward to performing Degree work for four candidates during the month of April 1964. Our schedule will be as follows:

E.A., April 10th — Dinner.
F.C., April 17th —
M.M., April 24th — Dinner.

BUILDING

We are building every day, In a good or evil way, And the structure as it grows, Must our inmost self disclose, Till in every arch and line All our hidden faults outshine, Do you ask what building this That can show both pain and bliss, That can both be dark and fair? Lo, its name is Character. Build it well what'er you do, Build it straight and strong and true, Build it clean and high and broad, Build it for the eye of God.

Our next social event will be Past Masters' Night on May fourth. At this time we will celebrate the anniversary of our charter. The actual charter anniversary is on May 18, but because Grand Lodge meets on the 19th, it is inconvenient to observe that particular day. I hope to see many of you there to honor our past masters and to enjoy the festivities.

On March 14, six members of South Gate went to Indianapolis to accompany a newly elected candidate and brother, he initiated into the fraternity in Barmatua Lodge, according to instructions from the Grand Lodge. This was a most interesting experience. He is to receive his Fellowcraft degree on April 11. If any of you would like to attend this most unusual ceremony, contact me before that date.

My Brothers, you all have a duty to the lodge. You are all aware of this duty and have acknowledged it. I am speaking now particularly of the investigations of petitions. The good reputation and future of the fraternity is in your hands and this is not a responsibility to be taken lightly. This is at the same time a responsibility that is not likely to be burdensome. It is not likely that you will have the opportunity to perform this service for the lodge more often than two or three times in your life. When the opportunity presents itself seize it enthusiastically and discharge this duty to the utmost of your ability. Nothing less will do. If you cannot do this inform us immediately. A careful and proper investigation takes time and if you are not able to complete it you must make it possible for another to do so. I must repeat, the very life of Masonry depends upon your careful discharge of this duty.

Our program of Masonic education is underway under the capable guidance of Guy Mausteller, P.M. and many of us view with eager anticipation his next installment. It is fascinating to view the depth and breadth of Masonic subjects about which few of us have knowledge. As an example, on the trip to Indianapolis, I discovered to my surprise that Hiram King of Tyre physically exists at present and not just in legend. Come enjoy the revelation of light with us and also let us share in the pleasure of your company. Unfortunately for reasons already mentioned in this column we do not have work this month, but we will probably get together on Moody nites anyway to further perfect the ceremonial work. This would be an excellent opportunity for any brother who would like to participate in

any phase of the work. We will be glad to give you a personal invitation to call on you if you wish to accept.

The Brethren were pleasantly surprised the evening of March when P.M. Ward Bailey and Bailey made their appearance at annual Smorgasboard and dance. I am sure they drew forth and encountered the handicaps with storms and water, etc., but they were defeated and they made it, as did or more other people. To all brethren who made this evening good fellowship a success and especially to the officers of the Club I extend my heartfelt thanks. I must say it is certainly a privilege to work with all of you.

Three Rivers close friend Forrest Fennell of Wayne Lodge 25 who suffered a heart attack much improved at this writing. Good wishes are extended to and our hopes for his speedy recovery.

We have one brother added to sick list in March, Brother L. Retherford, who is at Parkview Hospital at this writing, our good wishes are extended to him and I hope is at his own home reading this title at this time.

The month of April will start with a M.M. degree on the 7th at 5:30 with dinner at the 7th. Watch the paper for other dates. Work during the month. The will be presented on the 10th. Daleville, the 15th at St. Mary's, Ohio, and the 31st at Mendon, Ohio.

I am happy to report that the Brethren have not forgotten our charity. The secretary mailed a check for the Masonic home of over \$100 per member. Three Rivers was on the honor roll as one of the highest in the state. This we are proud of but more important is we have contributed to the improvement of caring for the poor and worthy brethren, their widows, orphans. On your vacation this year, don't forget to visit the Masonic Home at Franklin and let yourself the good that these do. You are always welcome as the guests at the home need you.

we be able to reach God's ideals of a world where we can live in peace and harmony with our fellow men.

On March 17th our Second Annual Blue Lodge Guest Night was held. Brother Harold D. Goss PGM of Illinois gave a very interesting talk about Masonry. The meal was superb and the evening was very enjoyable. As this event is only 2 years old, we have made many mistakes in planning, but we gain in knowledge the ways to make this event even greater in future years. To all the men that worked on this event, I would like to say thank you for a job well done, but especially to Brother Forrest Finnell, who really worked on this event, but due to serious illness was unable to enjoy the fruits of his labor. All of us at Home Lodge wish Bro. Finnell a very speedy recovery.

And now looking to the future, we have facing us our annual Tri-State meeting to be held here in Fort Wayne September 26-27. The committees have just begun to work in order to make this a great success. I hope all the brethren will help in ways the committees may see fit to call on them for. Also in April we will be having degree work.

Our deepest sympathy is extended to the relatives and friends of Brother Jay Benjamin Gerig who was called to the Great Lodge on High in March.

To those of you who may be ill, we wish you a speedy recovery and if you are confined in a hospital or at home call 483-6584 and let us know that some of our brethren can call on you. I am looking forward to greeting you in Lodge during April and the coming months.

My Dear Brethren:
We are strengthening ourselves through improved communications, as one of our goals for 1964. A number of you are probably receiving your first issue of Square and Compass. Considerable amount of effort has been expended in order to bring our records up to date to make this possible.

We will observe St. John the Baptist Day on June 21, 1964 by attending church as a group. Further information will be forthcoming. Please set this date aside.

Our organization of a Bethel of Jobs Daughters is well under way. Petitions may be obtained from Past Masters John Capin or Elmer Spahr. Don't overlook this opportunity for your daughter. Jobs Daughters will aid your daughter in crossing the

bridge from childhood to maturity. Look well to your decision.

Are you interested in "Self Improvement"? Are you interested in "putting something back into the soil"? Remember that a Tyler and a Line Officer must be appointed for 1965. Give this some thought and get started early by contacting your Master or Wardens.

It is the Masters wish that you especially remember our two Brothers, Martin Kinerk and John Capin Sr. in your prayers. See you in Lodge.

For 1964 — 100% nr more.

Please be reminded again, the Grand Lodge of Indiana recommends that every Mason in Indiana contribute one dollar or more to the Masonic Home at Franklin. Our whole hearted participation in this program will place Maumee on the Honor Roll and will greatly please the next Grand Master of Indiana, our own Clyde E. Flinwers. We can do this, why just the other day the President of the United States, Lyndon B. Johnson signed a bill authorizing a tax cut. They say we will have more money to spend, we will see. The Department of Health has gone on record discouraging the use of cigarettes, if we would follow their recommendation, the money saved, contributed to the Masnnc Home would be tremendous.

Exciting things are happening at Maumee, we have been very busy and are enjoying every minute of it. Six candidates in March and three this month. Your officers have been doing a fine job ably assisted by the brethren. We have had quite a number of visitors and have enjoyed their company greatly. In the course of conversation one remarked that 33rd degree Masons were few and far between. Your Master was able and very proud to introduce four present at that time, William H. Gingham, Arthur Rodemeyer, William Schwartz and Albert Spencer. In fact, we conferred a degree with Rodemeyer in the East, Gingham in the West and Schwartz as Senior Deacon. If you would be interested in seeing it done, I have been assured we could fill every station with a 33rd degree Mason. Let us know and come enjoy a fine evening with your brothers. Come for supper, the food is fabulous, no one can

prepare a meal like Fay Brennan and her staff.

Dates to remember, April 29, Charter Members and Past Masters Night — June 20, Reception honoring Grand Master Clyde Flowers, Ladies invited — September 30, Maumee's Ladies Night.

To the family of Romeo J. Becker, we extend our deepest sympathy.

Brethren,

March is now history. What a busy month it was too. Our lodge had their second annual Ladies Night. I sincerely hope all the Brethren enjoyed themselves as much as I did.

The Lodges of Allen County held their Blue Lodge Guest Night. It was a fine affair and was enjoyed by the few who attended. The small attendance was very disappointing to the men who worked so very hard. I would like to see them receive better support next year.

I have been informed that the date, picked by the entertaining committee for the smorgasboard and Square dance was to be an important date for another organization. I have decided that we will change our night to the first Saturday night in May. May 2, should prove a better night.

Some of you probably read the article in the Indiana Freemason by Lowell Standley "Let there be Life." Since this is something I feel very strongly about, I would like to pass along at least the idea. The Masonic Home Hospital is faced with a very serious problem. It needs blood. The Home now has a working arrangement with the American Red Cross so we are able to donate blood right here in Fort Wayne and have it assigned to the Masonic Home. We should all take this opportunity to contribute this most needed life sustaining fluid. Of all the contributions you could make this is unquestionably the most personal and yet the most painless. It will take only a few minutes of your time and provide a priceless commodity to the Home. Just ask the American Red Cross to assign it to the Masonic Home. Or call me for further information. This is one service we can all render to our brethren.

THE EYES HAVE IT.

How lucky you are if you have nice eyes! Perhaps you deserve them! Whatever kind of eyes you have it is important to realize that they are not just to see with. You speak with your eyes — often more honestly and more eloquently than you do with your lips. Theirs is a universal language, the first one a child learns and should be retained throughout life.

Every portrait photographer knows that if he can get his subject to smile with his eyes the rest of his face will take care of itself. Why should such a good trick be limited to a photographer's studio? Why not put your best face forward more often? You have known plenty of people who can be critical with their eyes. It is just as easy to be gracious and friendly with them. If you will make a consistent effort to smile with your eyes when you meet people, it will change your whole personality. This is about the best secret anybody will ever tell you!

Miriam Shrine No. 4, with this issue, comes to the close of another successful year.

At our stated meeting on Friday, March 13th, the following officers were elected to lead and guide us for the ensuing year:

Worthy High Priestess, Helen Gorrell; Watchman of Shepherds, Dale Davis; Worthy Scribe, Ruth Hensel; Worthy Treasurer, Mildred Igney; Noble Prophetess, Ann Galbreath; Assoc. Watchman of Shepherds, Ned Biddle; Worthy Chaplain, Mary Wilson; Worthy Shepherdess, Pauline Gihson; Worthy Guide, Bertha Clear; Three Year Trustee, Marge Brattain.

A closed installation will be held on our stated meeting night, Friday, March 27th at 7:30 p.m.

We extend our congratulations to the new officers-elect.

"May good luck be your captain and sunshine be your mate —

May laughter be your pilot and happiness your freight —

May good health be your steward and good friends be your crew —

May every meeting throughout your year bring pleasures ever new!"

The Past Officers Club will hold their end of the year party at the Hohy Ranch House on Sunday, April 12th at 6:00 p.m. The following sojourners will be in charge: Dorothy and Glen Myers; Hazel Dehler; Hilda Campbell and Mary Catherine Brosius.

State Shrine Association meeting will be held in Anderson, Indiana on Saturday, April 11th. See Sojourner Helen Gorrell to make dinner reservations. Let's try to have a good attendance, especially since Erma White is Chaplain this year.

Your Worthy High Priestess and Watchman of Shepherds join in expressing their sincere thanks to all the officers and members who helped make this a most pleasant year. Without your faith and support, we could not have succeeded.

The Jewish People call it Rosh Hashana, we refer to it as Happy New Year and in the White Shrine it is "Best Wishes for a Successful Year." It is that time in Faith Shrine. To the Worthy High Priestess Evelyn Hanes, Watchman of Shepherds Rodney Snook, Noble Prophetess Marjorie Wetzel, Associate Watchman of Shepherds Ralph Wetzel, Worthy Chaplain Velma Roush, Worthy Shepherdess Tama Christopher, Worthy Guide Vancha Collins and the new Trustee Eugene Roush best wishes for a year of continued success.

We too ring in the new year with confidence as we ring out the old year with appreciation and pleasant memories.

As Mae expressed at her last meeting —

"I do not know where the seeds fall,

I have tried to sow them with the greatest care,

And yet I hope each seed will grow,

And bring forth fruit — Sometime — Somewhere.

The seeds that were sown a year ago grew a Cheer Committee that produced near a thousand greeting cards, 500 phone calls and 70 gifts. A social Committee that served a Banquet, Chicken and Noodle supper and refreshments for the 12 social gatherings that followed the stated meetings. A Decorating Committee that furnished the appropriate settings for the social gatherings as well as decorations and vouchers for the meetings. A Ways and Means Committee, by means of Rummage Sales, Cards, Bingo and merchandise produced for the Shrine nearly \$950.00.

You know seeds won't grow without cultivating. To you Mae, who did so well in the planting and cultivating, along with your Watchman of Shepherds, Eugene Roush, Faith Shrine extends a hearty Thanks. With such a successful year Shrine Fruit will grow.

Illness in the Shrine — Catherine Glick, Alice Petrie, Marion Shroyer, Clare Swindler, Evelyn Gardt and Betty Garmire, all hospitalized. Ill at home, Pearl Geiger in Roanoke and in Fort Wayne, Frieda Mathias with a broken leg.

Illness in families — Mother of Hilda Hiatt, brother of Ralph Wetzel, son of Della Allread, sister-in-law of Lilly Belle Michelfelder and Evelyn Hinton.

Congratulations to the new grandparents, Betty Scott for the granddaughter and Mary Borkenstein for the great-grandson.

With this last issue, I wish to express my appreciation to you readers who have so patiently borne with me. Evelyn Hinton.

Hi Folks: — Here we are into the middle of the March Month (Ides of March). Tell me — doesn't that bring back thoughts of school days? Y'know it does to me. I've heard it mentioned on radio a few times this past week — going back and forth to work and it does make me reminisce — way — way — back to the "Good Old School Days!" — midst Shakespeare plays etc. — and that little dramatic hit — "Et tu Brute!" Then all of a sudden it is good to know that we have friends who love us etc. It is wonderful to know that we of La Beaucant are friends — loyal, loving and true — and no worry about et tu Brute! Jeppers — sounds like a sermonette huh?

At this writing — it is a temptation to speak of our coming event — Our Card Party on April 2nd — and if perchance this does get into your hands before the 2nd — do make a last minute decision to come and join us? The Bazaar Table as you know is for our part in helping the Sir Knights and their worthy project The Eye Foundation. Incidentally, we do hope to have a speaker soon at one of our meetings to tell us more about it. Nevertheless we shall need support for this all through the year — the Card Party sort of gives it a whale of a start! So if you have any ideas or gimmicks to stimulate this project — give our Worthy President a ring — or our Chairman — Mrs. George Gable — they'll be happy to try some stunts!

Since we will actually celebrate Easter this year with the March Hare — we say to you now A Happy Easter Day! We hope that by the 29th March will have exhausted its wind blowing power and its snow blowing too — and perhaps we will have a touch of lovely Springtime — and some wee lil early flowers.

Anodas wants to thank Florence for doing such a fine job in promoting for her and for the officers who helped make it successful. (Thanks a heap gals).

And now for another coming event. Our Rummage Sale will be April 4th at the YMCA on Culbertson from 8:30 to 3:00 p.m. Bring your rummage in on Friday night — it will help the selling crew to get some of it lined up. If you want some fun and a day at the "Rat-Race" contact Enid Gahmen. She can use your help real good.

We've got a super idea for Friend's Night This time — April 21st — so plan now to make the date and

also try to bring along another. Y'know sometimes it just a friendly call and a happy get someone who would not about it otherwise. So try to the attendance — every get a gall And really these gal out of town are such fun I sort of sat in the midst of one time and I actually had

We have had quite a few and some accidents too. Viola fell and has a slight concussion. Dorothy Finnel's husband is in a Hospital with a heart. We hope he is much improved now Dorothy.

Marge Ungerer's daughter long recuperating period after her — so any attention will to make the time fly a little for her.

And a message from the South land — while Anodas Don were in the South, they visit Lucile and Art Stein in Punta Gorda — and the back a great Big Hello to you and they hope to get back for later on this year.

Louise Nickerson so shared her home for the sewing and 11 lap robes have been completed. Thanks Louise.

Our Worthy President has a little phrase with which we can our little chat this time — ness is the golden chain which are all bound together with that say a lot in a few words. So long for now!

RED MAN'S PRAYER

(Masonic Quarterly)

The following beautiful prayer written by the late Sioux Chief Low Lark, and was chosen used in the "World Day of Services:

"O Great Spirit: Whose hear in the winds, and whose gives life to all the world, hear I come before you, one of Your children — I am small and need Your strength and wisdom. Let me walk in beauty and my eyes ever behold the purple sunset. Make my heart expect the things You have made sharp to hear Your voice, me wise, so that I may know things You have taught my the lesson You have hidden in leaf and rock.

"I seek strength not to be for to my brothers, but to be to fight my greatest enemy — self. Make me ever ready to You with clean hands and eyes, so when life fades as a sunset my spirit may come to without shame."

"What God Has Promised"

God hath not promised
Skies always blue,
Flower-strewn pathways
All our lives through;
God hath not promised
Sun without rain
Joy without sorrow
Peace without pain.
But God hath promised
Strength for the day
Rest for the labor
Light for the way,
Grace for the trials,
Help from above,
Unfailing sympathy,
Undying love.

Vera Hayden — Secretary
4015 Wawonaissa Dr. — 745-8454
Beth Jacobs — Pub. Ch.
1619 Circle Dr. — 436-9262

Sister Carol Munk and her corp of officers were installed on March 20 at 7:30 p.m. in the Commandery Room.

The installation was opened informally by the retiring officers with Brother Del Proctor giving the opening prayer. Sister Pat Walker's theme "Symphony of Stars" formed a backdrop for the lyre and her flowers in the West.

In the East, in front of the pedestal, were Sister Carol's emblem, the Open Bible with the Lamp of Knowledge on draped yellow and white satin and surrounded by palms. The room was beautifully decorated in the colors selected by Sister Carol for this year, golden yellow and white in twisted streamers held at the pillars with yellow stars. Beauty vases behind each star point chair held bouquets of her chosen flowers, golden and bronze mums with white daisies.

Sister Sally Turner, Grand Conductress; Sister Maxine Mosier, Grand Electa and Sister Margaret Hoot, Deputy of District 14, were escorted East and welcomed.

Our own Brother Clayton Herick, Grand Chaplain of Indiana Grand Chapter, OES, was installing Grand Officer, assisted by installing Grand Marshal, Sister Mary Knauer; installing Grand Chaplain, Sister Virginia Curtis; and installing Grand Organist, William Wetzel. Sister Marcell Walker gave the obligation.

Officers installed were Worthy Matron, Carol Munk; Worthy Patron, Paul Hayden; Associate Matron, Irene Lyttle; Associate Patron, Robert Mumaugh; Conductress, Dorothy Finnell; Associate Conductress, Eleanor Costello; Secretary, Vera Hayden; Treasurer, Helen Helms; Chaplain, Jean Doenges; Marshall, Patricia Walker; Organist, Lucille Mumaugh; Adah, Marjorie Rodemeyer; Ruth, Marcella Tew; Esther, Faye Dixon; Martha, Eileen Boren; Electa, Elizabeth Beach; Warden, Jeanette Cereghino and Sentinel, Louis Cereghino.

Sister Carol's father Rev. F. I. Willmert offered prayer.

As Worthy Matron, Carol Munk was escorted from the Altar, her brother, John Allen Willmert, of Montague, Michigan, sang "Till Walk With God." She advanced through an aisle of her appointive officers holding open Bibles with yellow streamers and lighted gold lamps, toward the East where lighted stained-glass windows, resembling a church glowed. These three windows titled Nativity, House of David and Faith, Hope and Charity were graciously loaned by City Glass and added impressively to the beauty of the occasion. Sister Carol was presented a floral bouquet, a gift from chapter, by her fraternal mom, Gladys Gifford. Sister Carol was met by her husband, Brother Richard and their three children.

dren Debbie, Enid and Doug, who presented her the gavel they had made for her.

Sister Pat Walker and Brother Frank Bidlack sang "There's Music In Our Hearts" as Worthy Patron, Paul Hayden advanced East after being met by his wife, Sister Vera and grandchildren Paul and Bruce. They were lead by Lynn Bidlack playing "When The Saints Go Marching In" through an aisle of chapter brothers holding replicas of guitars.

Sister Pat Walker was escorted to the marshal station by her husband, Brother Dorman through a lavender net arch held by silver lyres at both ends and formed by her appointive officers and patron. Sister Carol sang "Prayer" to her. She was met by her daughter, Paula, and her mother and father-in-law, Marcell and Millard Walker.

Sister Carol announced her theme to be "Seeds for Golden Deeds" and her scripture verses "Thy word have I hid in my heart", Psalms 119-11 and "I can do all things through Christ who strengtheneth me", Phil. 4-13. Her motto is "Give me an understanding heart." In the West a shadowbox revealed Sister Carol's guides, Knowledge, Wisdom, Courage.

The Worthy Matron invited all to a reception in the dining room, which was decorated by a tree behind the

'Tis the human touch in this world that counts,

The touch of your hand and mine,
Which means far more to the fainting heart

Than shelter and bread and wine;
For shelter is gone when the night is o'er;

And head lasts only a day,
But the touch of the hand and the sound of the voice

Sing on in the soul away.

"The opportunity given us of serving this chapter is deeply appreciated. While we realize the great responsibilities that we have assumed, we cannot expect to have a successful year without the whole-hearted support of each and every one of you. We will try our best to give you a year of service, and may friendship be the tie that binds.

Give me a year, that I can serve each day,

Interpreting our loving Master's Way;

I would be tireless, earnest, easing care . . .

With all my joys and happiness to share.

I pray that I may serve, weeks without end . . .

That I may know, and truly be, a friend.

Give me clear vision, that I may see each day

A sacred pattern that can be my way;

Make my heart humble, that I may always feel

A kinship to each one who makes appeal

For help in time of stress — whose troubled heart

Asks comfort, That will be my part."

Fraternally,

Jean Anne Jasch, W.M.
Elmer Spahr, W.P.

Our sincere thanks to Sister Jean and Brother Elmer for this inspiring message. Hearty congratulations to you and your officers, and we do

pledge our wholehearted support in your efforts to guide our Chapter in the coming year. Installation time is one of excitement and pleasure both to the officers and our members. We each get our "Kicks" in a different way but in the final analysis, it amounts to the same result — Love of our Order and more especially, our own Trinity Chapter. If you were among those present, it will not be necessary to relate in detail what you have already seen. For those who were not there, let me assure you it was your loss. Make a resolution right now to be regular in attendance — that way you won't miss anything.

The Installing Officers were: Installing Officer — Lillian Poiry; Marshal — Louise Wilkerson; Chaplain — Cyril Poiry; Organist — William Wetzel.

The Installing Marshal read the names of the officers to be installed as follows: Worthy Matron — Jean Jasch; W.P. Elmer Spahr; Assoc. Matron — Winifred Pabst; Assoc. Patron — Ralph Weesner; Sec. — Eugenia Wood; Treas. — Doris Telebolt; Conductress — Mabel Robinette; Assoc. Cond. — Esther Sipe; Chaplain — Berdette Book; Marshal — Doretha Baker; Organist — Beth Smith; Adah — Dianne Simmers; Ruth — Mary York; Esther — Maxine Book; Martha — Arlene Swaldner; Electa — Leona Walker; Warden — Helen Cress; Sentinel — Robert Sipe; Prompter — Lillian Poiry.

Escorted by her husband, Sister Jean walked through an Aisle formed by her sister Star Points and the newly appointed Star Points. Brother Elmer was escorted by his wife, Sister Dorothy, through an aisle formed by Past Masters and Line Officers of Wayneda Lodge. Sister Doretha was escorted to the Marshal's Station by her Husband, Brother Dick Baker, through an Aisle formed by Past Matrons of Trinity Chapter. Sister Mahle Robinette sang the very appropriate song, "Whither Thou Goest I Will Go".

Sister Jean chose as her Watchwords: Sincerity, Faith and Prayer; Motto, Trust in the Lord; Colors, Green and White with Gold; Flowers, Fern and White Hyacinth; Scripture, Philippians 4:8 and Psalm 19:14. All in all, it was a lovely Installation. To make the coming year one that will reflect the principles of our Order; that, my Sisters and Brothers, will be your part. A reception honoring the new officers was held in the dining room, following the Installation. Delicious refreshments were served.

Report of Illness — In Chapter: Jean Day, Bea Werlig, Sara Hoover, Doris Uhrich, Viola Barrick. In Family: Mother of Brother Bill Wetzel, Husbands of Alice Rutherford and Emma Gutherie, son of Martha Blakely, Daughter of Sister Betty and Bro. Barney Smith. Our Election is over but some

be held on April 18th, in the K. of
P. Hall on West Washington Blvd.
at 8:00 p.m. We're expecting many
Grand Officers and others from all

as is the usual custom of Amaranth.

In the next few weeks our mem-
bers will be visiting other Installa-
tions, thus renewing our friendship
and hospitality.

Our Officers for the past year have
been under quite a handicap as one
of our officers visited the hospital
for a few days, then went home to
rest and was able to be with us
again last meeting night, and an-
other had to resign because of illness
in the family and could not be with
us regularly. Some of our mem-
bers have to work on our meeting
nights and this cuts down on our
attendance. Here's hoping that the
Officers of next year can overcome
this difficulty, thus bolstering our
roster.

As Publicity Chairman for this year,
I wish to say that it has been a
very exciting experience for me and
I have enjoyed serving the Court in
this manner, and wish the next Chair-
man a very pleasant year.

Greetings Companions:
The time of our Spring York Rite
Festival is fast approaching. We
have several petitions in already for
it but we need some more to put
this over in a satisfactory manner.
Remember we can receive and elect
the same evening in the Council so
don't give up on that Blue Lodge
or Chapter friend that does not yet
have the Council.

Invitations have gone out to all
surrounding Councils to bring any
candidates they may have to help
make this a gala event.

Companion Harry Haller has most
of the cast selected for the Super
Excellent Degree to be conferred
Saturday, October 31st. So now is
the time to get those Super Excellent
petitions lined up and signed. The
fee for this degree will be \$5.00. Use
Council petitions and mark them Su-
per X.

Remember we are also confer-
ring the Royal and Select Master
degrees in the afternoon of October
31st for those who wish to take
the Super X that evening.

The @rand Council of Indiana has
been invited to take part in this
gala event.

Your officers have been holding
some very serious rehearsals and I
think if you give us a chance you
will see a marked improvement in

the type of work we put on.

Companions remember this. Al-
though we are shooting for extra
large classes on both the April 25th
and October 31st events we will
also confer the work on any size
class from 1 to 100 practically any
week of any month before or after
these two dates. Just try us out.
We are out to put Fort Wayne
Council on the map.

7:15 p.m. we had our Baby Dedica-
tion, at which time the babies were
each given a small white Bible. Our
Inspection started at 7:30 p.m. The
meeting was a complete success and
we all had a wonderful time. It was
a pleasure working with the girls from
Huntertown and our Grand Guard-
ian, Mrs. Maurice. Together we work-
ed our a successful meeting.

We are now looking forward to
our April 15th meeting, which will
be Past Guardians and Associate
Guardians Night. I hope to see many
of you there to honor them for the
many services they have rendered
our Bethel in the past. See you
at the next meeting.

On February 14th we were happy
to welcome seven new members into
our Fort Wayne Order of DeMolay.
We also had the honor of initiating
two new members for the new De-
catur Order of DeMolay. I am sure
that all the new members will find
our organization a rich and reward-
ing experience.

"Our Tournament Trot Dance, which
was held March 6th, was greatly en-
joyed by all who attended. In fact
everyone wants another dance sched-
uled in the very near future.

DeMolay Week, which extended
from March 15th through the 22nd,
was distinguished by many events.
March 15th we attended the Forest
Park Methodist Church in a group.
Monday at 10:00 a.m. Mayor Har-
old S. Zeis issued a proclamation to
the Councilors of DeMolay declaring
the start of DeMolay week. Tuesday
there was recognition of the city's
crippled children and Wednesday a
general pick up of materials for Good-
will Industries. Thursday the Demo-
lays formally presented an American
flag to the Children's Zoo. On Fri-
day awards were made to the De-
molays turning in the largest num-
ber of memberships. On Saturday the
officers took their Fathers to the
Y.M.C.A. for breakfast and fellow-
ship.

The success of DeMolay week
should be mostly attributed to Mr.
Bob Locke, Mr. Emory Tucker and
others who organized the events. Al-
so recognition should be given to the
DeMolays who took their time to be
a part of DeMolay week. I person-
ally enjoyed every minute of it.

Coming events scheduled for us
this next month include Initiation
March 25th and regular meetings in
April. I hope to see a lot of De-
molays in attendance at these meet-
ings. And thanks, fellows, for such
a good turn-out for our Church Sun-
day.

The Mother's Club will hold their
regular meeting April 20th, so please
circle that date and plan to attend.
May 11th is the Mother-Son Ban-
quet and that is one event no one
wants to miss.

We have heard a great deal about the wages of a Fellowcraft. It is as Master Masons that we labor as Masons. Then why are we taught nothing about the wages of a Master Mason?

One Brother may not be paid in the same wages as another. One may receive wages in gratitude of one for whom he has performed an act of charity. Another may receive wages in the friendships that have come to him through his Masonry. Another may receive wages that to

him seem sufficient when he is privileged to coach some one in the lectures or when he is given a part in degree work, etc.

Wages of a Master Mason are not paid in dollars and cents. They are paid in those things that the Brother may keep within the repository of the faithful breast. They can not be measured by any standard by which the value of intrinsic things are measured. Wages of a Master Mason are measured only by the value placed upon them by the one who has received them.

Brethren we expect degree work during the month of April, dates will be set later, so keep this in mind and join us in the Fellowships we strive to promote at Huntertown. I would like to extend an invitation to each and everyone of you who desires to participate in the degree work.

We have been invited by Churhusco Lodge to attend the play "A Rose upon the Altar," presented by Three Rivers Lodge May 13 at 7:30. This is a very enjoyable play and should be seen by every Master Mason.

Brother Clem Wetzel has spent some time in Parkview Hospital after a recent automobile accident. He is recovering very satisfactorily. We wish him a fast and complete recovery.

Brethren:

Our Lodge was sad to hear of the departing of one of our Brothers. The Masonic Funeral services were held on February 26, 1964 for Brother Forrest Pontius. We grieve his departing and we extend our sympathy to our Brother's family.

Brother Glen Willis underwent surgery at the St. Joseph Hospital in Fort Wayne. Lets all send him a

card to hurry him in a quick recovery.

Things are moving very rapid at Leo Lodge No. 224. The money for the ground for our new temple is almost all collected. The Brothers have been very generous toward this project and I'm sure will realize in the future how important it really is. Keep up the good work.

The Fellow Craft Degree was conferred on two Brothers on March 24 and two on March 31. The work was presented by S. W. Brother Harold J. Shie. It was very impressive and I'm sure will be forever remembered by the four Brothers.

The members have voted to celebrate St. John the Baptist Day this year on Sunday, June 21. Further details will be published in the future Square and Compass. Lets all plan for this day.

I would like to thank each and everyone for their cards, visitations, and prayers during my recent surgery.

Brethren:

I trust that by the time this is being read, spring in all it's glory will be round about us. So far, the Brethren at Olive Branch haven't had a chance to catch a good case of spring fever. What with degree work and the programs presented at our stated meetings, we just haven't had time.

Speaking of our stated meetings, if you have been missing these meetings, you are losing out two-fold. One for the fellowship and sense of accomplishment which always accompany attendance at your stated meeting, and second for the Masonic enlightenment and edification which these programs provide.

Spring causes a certain amount of nostalgia in all of us, I believe. I am reminded sometimes, at this time of year of a leave I took while serving in the army a few years ago. I was in Europe at the time, and was privileged to visit the Cathedral of Notre Dame, Westminster Abby, the Colosseum at Rome. Some of the greatest tributes to Masonry are that man has been able to construct.

These structures have withstood the ravages of time and nature for centuries. But for the skill and wisdom of the master craftsmen who built them, they would have long since been reduced to a shapeless heap of rubble. Yet they stand, a monument to man's desire to leave his mark upon the world when he is called to his Eternal Rest. As magnificent as these structures are, sooner or later, they will succumb to Father Time.

There is only one way for any man to leave his mark upon this world. Your Sunday School teacher probably expressed it best this way. "Only one life will soon be past, only what's done for God will last."

We are pleased we have had better attendance at our first several meetings this year, than we had at some last year, however, we hope more of our brothers can come out to more meetings and enjoy their lodge fellowship to a fuller extent.

After our stated meeting last March 4 we were shown slides of Seattle Worlds Fair, San Francisco, Disney Land and other scenes from the West Coast by our good brother, Past Master Bill Harter. The pictures were beautiful and interesting and we got a great deal of pleasure out of watching them.

Our Chapter of the Eastern Star at Harlan had a Mason's guest night and dinner Feb. 22 and those of us who were there want to thank them again for a good dinner and for the entertainment they provided for us afterwards.

After our next stated meeting (April 7) Brother Jim Irving is going to show pictures from his large selection. He has shown these to many groups and everyone has enjoyed watching them. We are looking forward to seeing these also. Come on out brothers and enjoy this evening with us.

Plans for our Centennial are progressing nicely. The Chairmao for this celebration, Brother Stan Lov, J.W., and I have been talking about a program for the evening and things are pretty well set. We are looking forward to the date of Sept. 26 for this affair and hope we will have a large attendance. We will be adding details from time to time in the Square & Compass to keep you informed and interested.

VICE PRESIDENT MARSHALL'S HOME NOW A COLUMBIA CITY MUSEUM

The home of Thomas R. Marshall, Governor of Indiana and 28th President of the United States, has become a public museum.

The Whitley County Historical Society moved into the house in mid-March after raising funds amounting to \$12,000 for the purchase.

Another Marshall who was nominated for the vice-presidency with Andrew Wilson in 1912 was the Vice President in nearly 100 elections to serve two terms with the President, from 1913 to 1921.

It was Vice President Marshall who said the famous saying: "What this country needs is a good 5-cent cigar." The large two story frame home built in 1864 and was bought by Marshall 13 years later. Marshall resided in the house for his bride, Kinsey Marshall, in 1895, shortly after the death of his mother, Martha Marshall.

Until recently the home had been used as an apartment house.

Marshall was the first Vice-President to reside at a cabinet meeting, and Wilson was ill. Marshall was asked to declare himself President as Wilson became seriously ill in 1919, but refused.

Marshall spent his last years quietly writing a book of recollections. He died in Indianapolis June 1, 1925, at the age of 71.

Thomas Riley Marshall was born in North Manchester March 4, 1854 and moved to Columbia City with his parents in 1873 so he might "read law." His parents were Dr. and Mrs. Daniel Marshall.

Marshall was graduated from Western College and became a practicing lawyer with two partners in Columbia City until he was elected Governor of Indiana in 1908, as a Democrat.

EMERY TUCKER NEW DEMOLAY "DAD"

The Fort Wayne Chapter, Order of the DeMolay Advisory Council has announced the appointment of Mr. Emery Tucker as Dad of the Fort Wayne Chapter.

Clayton L. Herrick has relinquished his duties as Dad of the Fort Wayne Chapter, due to the heavy burden of other activities, which will not grow less within the next two years. We of course extend him our best wishes in his present endeavor and express our gratitude for his many years of service as Dad of the Fort Wayne Chapter.

The new Dad comes to DeMolay with much experience working with the Chapter as Ritual Advisor. He is well qualified for his new post and we look to him with renewed hope and great expectations for the future. It is our sincere and fervent wish that his dreams for a "better DeMolay" may be realized, and that through your help the Order of DeMolay may continue to go forth to help build our "Boys" into everything that makes a "Man". Best wishes to you "Dad" Tucker.

REPORT ON INTERNATIONAL DEMOLAY WEEK

The month of March contained the greatest celebration of DeMolay's founding since the Order was first inception 45 years ago.

Chapters all over the world did their part to commemorate the establishment of this outstanding youth organization by Dad Frank S. Land and nine teenage youths on March 18, 1919.

Today the movement has the most members, the most chapters, the most advisors, the most Mothers' Clubs, and so on and on . . . in its history.

Each one of you who is reading this article is helping to make history.

It's something to be proud of, and we hope you will share it with others.

The DeMolay Week in Fort Wayne contained many events from the Church Sunday to the proclamation by the Mayor, birthday cakes to local disc jockeys, check to crippled children, Goodwill pickup, flag to Children's Zoo, T.V. and radio coverage, display in Patterson Fletchers window and a father and son breakfast.

The week's objectives were to bring to public attention the work and accomplishments of the Order of DeMolay in general and the Fort Wayne chapter in particular;

To show the value of adherence to the Seven Cardinal Virtues by means of activities designed to illustrate each of them;

To acquaint prospective members throughout the community with the tenets and activities of DeMolay;

To provide an added opportunity for service to your community and fellow men;

To publicize the Fort Wayne Chapter and the entire Order through every possible public information medium;

To give a vivid picture to the community of how the Fort Wayne chapter is fulfilling the Orders goal of inspiring boys to become better sons, better men and better leaders;

To point out to the public the role of DeMolay in helping to bring about good citizenship and loyalty to our country on the part of young men.

THE INDIANA MASONIC HOME FOUNDATION, INC.

By Jackson F. Hewson, P.G.M.
"And now abideth faith, hope, charity, these three; but the greatest of these is charity."

Through the centuries, St. Paul's letter to the Corinthians has inspired and guided men of good will.

More especially, charity has become the great aim of our noble Craft. You were reminded of charity when you knelt at the altar of Freemasonry, and, in a solemn obligation, promised that you would help, aid and assist distressed worthy brother Master Masons, their widows and orphans. You were further reminded of charity when you were instructed that the tenets of our institution are brotherly love, relief, and truth.

Masonry in Indiana has advanced with giant strides since it was founded 146 years ago. It has grown in prestige and in strength of numbers. But nothing that Freemasonry has accomplished in Indiana is more impressive, more truly Masonic, than the great benevolent institution at Franklin — the Indiana Masonic Home. There — as at no other place in the jurisdiction of this Grand Lodge — will you find the living reality of brotherly love and affection — the embodiment of all the lofty lessons that our Ancient Craft teaches.

The strong right arm of this great benevolent institution is the Indiana Masonic Home Foundation. As an incorporated agency of the Grand Lodge (set up in 1936 and then reorganized in 1960), the Foundation receives gifts and bequests, supervises their prudent investment, and turns over to the operating fund of the Home the net income from the investments.

The affairs of the Foundation are administered by five elected directors — all outstanding men and Masons

— men of integrity and experience. They administer the capital fund investments of the Foundation, with the Trust Department of the Indiana National Bank as agent.

Brother William V. Sowers, a member of Maumee Lodge No. 725, is serving with distinction as a Director of the Foundation.

The value of the Foundation's investment portfolio has shown steady growth — from slightly over \$2 million at the time of the reorganization to a current value of more than \$3 1/2 million.

During these same years, the annual yield of the Foundation's holdings has increased from 3.7 percent to 4.2 percent, and more than a quarter million dollars has been turned over to the Indiana Masonic Home for its operating expenses.

These are big figures. But they are not big enough. The Foundation must grow — both now and in the years ahead — to help meet the ever-mounting expenses of operating the Home. The endowment fund should be increased to several times its present size.

In a continuing effort to expand its support to the Home, the Foundation is preparing to launch a program that will give all Masons and their families a better understanding of what the Home is doing, and that will encourage all Masons and their families to remember the Foundation with gifts and bequests, be they large or small.

There is not one among us who cannot afford to recognize his obligation to the fraternity with a contribution to the Foundation while living or with a bequest in his will. "The greatest of these is charity."

THANKS AND APPRECIATION

I would like to thank the many friends who were so kind to Bion during his long illness and to me at the time of his death. The cards, calls and many acts of kindness shall always be remembered. One learns the meaning of the word "Friends" at a time like this.

In the April issue of Square and Compass, as Pub. Chairman, I erroneously listed the name of Mr. Lester Emmerson, husband of Harriet Emmerson in the "Deaths in Families" instead of "Illness in Families."

Mr. Emmerson is ill at home and I'm sure his many friends including those in the Scottish Rite Choir and Barber Shop groups will continue to send him many get well messages and visit him.

A FRIEND

I think that God will never send A gift so precious as a friend; A friend who always understands And fills each need as it demands; Whose loyalty will stand the test, When skies are bright or over-cast;

Who sees the faults that merit blame

Who does far more than creeds could do

To make us good, to make us true, Earth's gift's a sweet enjoyment lend

But only God can give a friend.

THE LORD'S PRAYER

The Lord's prayer as printed in the Bible should guide our daily lives, for it is a prayer to live by. It was reprinted in the White Shrine Ritual just as it is in the Bible. First it teaches us to live unselfishly for nowhere in its context can you find I, or me, it is always our, or us, for it is a prayer that is universal and for everyone.

Give us this day our daily bread — does not mean necessarily food for the body, but food for the heart, the soul and the mind.

"Forgive us our debts as we forgive our debtors" or trespasses and trespassers. This is a line that should be thought of more than any other in the prayer, for we are asking God to forgive as we forgive — we should be at peace with God and with man when we ask Him to forgive us as we forgive others.

Lead us not into temptation, but deliver us from evil — we are asking God to direct us and protect us when temptation comes. Teach us to be alert, to be strong, to have the faith that we may withstand the temptations of life. If evil arises, let us remember that real and true victory is found, not in what comes to us in life, from the standpoint of heartaches, tragedies, and evil, but rather in what we allow it to do to us.

Each hurt we encounter, whether it be physical, mental or a heartache, as we go through life, and are able to rise above it makes us much stronger. Therefore, we should ask God to prepare us for this evil that might come to us and to be able to turn it into a stepping-stone and not a stumbling block.

Our thoughts determine our action at all times, and if we turn our thoughts to the teachings of Jesus, then our life, our will, and our action will be directed in the right path and the influence we leave behind will be far reaching and the effect will stand out in bold relief and widen to the eternal shore.

God wants us to do right because of intelligence and right thinking, not because of fear or necessity — not because we must, but because we wish to. We are children.

4721 S. Anthony 745-2418

In the absence of our Worshipful Master, Forrest R. Finnell, the following was prepared by your Sr. Warden, Dan D. Dale.

Brethren we are all glad to hear that Forrest is getting along so well. We all extend our gratitude to those whose peerless devotion to Forrest, have made his recovery possible. To all our brethren who are sick or ill wherever or wherever you may be, we pray you all a speedy recovery. This past month we conferred the Master Mason degree on three new brethren. We sincerely wish them many eventful years of Masonic life. We thank all of the brethren who turned up at our Veterans Hospital visitation this last month. It sure gives you a wonderful feeling to know that you have put a little joy in a lonely heart. You know brethren, I just got out of the hospital myself, April 19. I was only in three days for some minor ear surgery. I just couldn't help thinking about the other patients who were in for more serious condition than I was. It just seems like your concerns are more for them, than of your own troubles. Well, brethren, you all know it that time of year to get out and work in the yard, help the wife with the spring housecleaning, golfing, etc. We all realize these are chores and pleasures that have to be done, but don't forget a little fellowship at the lodge, now and then. We will have just two short months until we set aside time for our summer pleasures, so let's make the next two months, eventful months for our Lodge. Brethren, the Grand Lodge has so notified all Lodges that they should make plans at once to commemorate the annual observance of the Feast of the Holy Saint John. It is recommended that our Lodge assemblies as a body, at a service of divine worship on Sunday, June 21, 1964. My brethren, this matter will be given our immediate attention during our May stated meeting (May 7).

Brethren don't forget we have a lot to look forward to this month. May the 10th we devote to our beloved Mothers, May the 16th, we commemorate as Armed Forces Day and the most important of them all, Memorial Day (May 30). I know this is a very busy month for you all, and I wish you much happiness, good health and safety in all your doings.

My Prayer

God grant me the courage to change the things I can change, the serenity to accept those I cannot change, and the wisdom to know the difference—but God grant me the courage not to give up on what I think is right even though I think it is hopeless.

By Admiral Chester W. Nimitz

Brethren our Senior Steward Bro. Dewey Senger was called to military service and will be busy in the Reserve unit on Tuesday evenings. We have accepted his resignation with deep regret, his fine work in Lodge was greatly appreciated. Bro. Donald Beuthin has been appointed to fill this post and we welcome him, his past performance in Lodge leaves no question in any of our minds of his capability.

On April 7th, Bro. Ronald Wambach was raised and welcomed to our Lodge. April 10th, the play was presented at Daleville Lodge, the 15th we were at St. Mary's, Ohio, and the 30th at Mendon, Ohio for the 105th presentation.

We have one Brother who has been reported on the sick list, Bro. Robert Metzger to whom we extend our good wishes for a speedy recovery.

May will be a busy month. May 9th will be our annual Past Masters night when we will honor our past master and our 25 year members. On the 12th stated meeting at 7:30 p.m. the 13th the play cast will be at Churubusco for the presentation of the play, the 19th E.A. degree, 7:00 p.m. the 26th F.C. degree at 7:00 followed by the M.M. degree at 5:30 p.m. June 2nd, we will eat at 6:30 followed by the second session after dinner. It is our hope and wish that you will be present at and take part in any or all of these functions.

As we pause for a moment, we suddenly realize that this year is rocketing by, and is one-third gone. We can be extremely thankful for a beautiful Easter season and an extremely active Lodge schedule.

The Senior Officers are looking forward to attending Grand Lodge this month, on the 19th and 20th, and feel that it will not only be educational to us but very beneficial to our Lodge.

Three new Master Masons were raised this month — Robert I. Ellingwood, Robert C. Jackson, and Luther G. Stafford. We wish them a successful and distinguished career. During this month, we will per-

form Degree work for three candidates, our schedule being as follows:

E.A. — May 8 — Dinner.
F.C. — May 15.
M.M. — May 22 — Dinner.

We are all aware that our society, on too frequent occasions, measures a man's riches by his materialistic accumulations. Sometimes, probably more frequently than we care to admit, we are also guilty of using society's yardstick. At the risk of sounding like a proud Dad (which I am), I would like to share with you a portion of my newly discovered wealth.

As has happened on two or three other occasions, my birthday this year fell on Easter Sunday, so it was not at all surprising when my nine-year old daughter, Pamela, arrived at the dinner table without a birthday card accompanying her gift. However, much to my surprise, she had written on a piece of cardboard a poem which she hoped would substitute for a commercial birthday card. It was such a pleasant experience that I feel compelled to share it with you. The poem was entitled "GOD".

God is everywhere sun and dew,
God is beautiful for he is in you,
God is graceful as a ballerina,
God makes the laugh of the laughing hyena.

God is everywhere sun and dew,
God is beautiful for he is in you.
Signed "PAM"

Brethren:

As I write this article plans are well on the way for our Fifteenth Annual Tri-State Meeting. As you know every four years Home Lodge is host for this event. This is our year to entertain this wonderful group of fellow Master Masons in our Lodge. It is going to require the time and efforts of each member and officer to make this a full and rich week end for our Brethren. The dates for this is September 26th and 27th and I do hope all of you will support and work to make this as successful as possible. We are trying to set up exchange work with Malta Lodge of Grand Rapids, Mich., for this meeting. More news on this later.

The banquet tickets for the evening meal will be \$2.00 per member. So please keep this week end open and plan to attend this meeting. Home Lodge has several petitions in sight for the month of May, so we could have another busy month ahead of us.

To the families and friends of Harry D. Keller, Charles Phelps Julius Lezinoff, and Fred Braun we extend our heartfelt sympathies as these men

were recently called from our world to a higher Lodge on High. To M. Sbroyer, we wish a speedy recovery, as he is in Parkview Memorial Hospital recovering from illness. Hope to see all of you at the Lodge soon.

We have been saddened by an unusual series of events since last communication in the Square & Compass. It is our duty to you, we have conducted four funeral services for departed brethren.

Saturday evening, March 21, we had members packed the day before to pay Masonic tribute to our Fred E. Peters, Sr. Fred suffered a serious fall a week before and was confined in Parkview Hospital until his death. A very impressive funeral ceremony was conducted by Past Master Shirley Suter as W.M., ably assisted by Bro. Whyte as Chaplain. It is of interest to note that the officers which were fashioned by the skillful hands of our departed brother. They were presented to the Lodge last year by Fred to be used for funeral services. Fred was a working Mason, was our Tyler, Chairman of our Veterans Hospital Visitation Committee and active in Scottish Rite. He was many hours visiting at the Veterans Hospital.

On Tuesday evening, March 24, we conducted funeral services for Chester V. Klumire. Brother Klumire was a member of the Scottish Rite and had lived in Fort Wayne for many years. Maumee Lodge conducted the memorial service for Brother Klumire at Indianapolis.

Wednesday evening, April 8th, we conducted memorial services for Brother G. Courtis. Brother Courtis was a fine brother and formerly owned the Dixie Ice Cream store on Main Street.

Sunday evening, April 12th, a group of Maumee members and guests conducted memorial funeral services for Brother Edwin L. Teeten. One of these brothers were ill only short time and their deaths were unexpected. "We are again called to consider the uncertainty of life, the immutability of death, and the vanity of all human pursuits."

My Dear Brethren:
Will you take a journey with me
into the future? and read your copy
of the "Square and Compass" of
that time. The Master has submitted
the following article:

"Brethren — we have finished mov-
ing into our new Temple — It is a
beautiful sight to behold. I only wish
that all the Brethren that made this
possible were here to share it with
us. We sure are busy these days with
DeMolay meeting Monday evening;
Jobs Daughters Tuesday evening;
Waynedale Lodge No. 739 meeting
on Wednesday evenings; and Order
of the Eastern Star meeting on Thurs-
day evenings. Brethren, if you want to
participate in this work place your
name on the list in the recreation
hall. See you in Lodge.

The Master"
A dream you say? Yes, it's a
dream at present, but it is a pleas-
ant one and it can come true. Have
you given "A new Temple any
thought?" I believe that we should
think on these things — talk it over
among the Brethren — don't hide
your light under the bushel — we
do have a building fund and it may
be supplemented. And remember, "If
it can be done, Masons will do it."
See you in Lodge.

Brethren,
Brethren:
The month of April was rather
quiet, however, we are looking for-
ward to increased activity in May.
We will have two candidates this
month. I hope many of you brethren
will come down to help with the
work.

The Smorgasboard and Square
dance will be held on May 2, 1964.
If you haven't purchased your tic-
kets yet, do so or come down any-
way. There will be plenty of food
for any extras. This is one of the
great events of the year, and I know
you will have a good time.
The wardens and your master will

be going to Grand Lodge this month.
A full report of activities will be
reported at our June stated meet-
ing.

The lodge lost a faithful worker
and a beloved friend last month
when a hoating accident took the
life of Past Master Clarence Kreisch-
er. He was a personal friend of mine
and one person the lodge could de-
pend on when asked to do anything.
We will all miss him. I believe that
someone who showed so much love
and devotion during his life time,
never really dies. He lives on in a
very real sense in our hearts and
minds.

On April 4th the Chapter was host
to the Northeast Indiana State Work-
shop. Over one hundred and forty
attended the workshop with some
coming as far away as one hundred
and fifty miles. All of us who were
present gained some knowledge of
how to better carry out the princi-
ples of DeMolay. A big thank you
goes to our Mothers Circle for serv-
ing such a good luncheon for us.

Our annual Mother-Son Banquet
is scheduled for May 11th. Now, De-
molays, this is a good opportunity to
show our Mothers how much we
think of them by inviting them to
our banquet. Let's hope that all of
us will be able to make it.

There are to be two special meet-
ings in May in addition to our
regular meetings scheduled for May
13th and May 27th. On May 20th
a meeting has been called to vote
on petitions. On May 23rd, Satur-
day, there will be a special meeting
presenting the initiatory and De-
molay Degrees plus the Flower Talk.

It should be noted that May 13th
is the last day to bring in new peti-
tions for this term. There are sev-
eral boys who have been intending
to get petitions in so in the next
couple of weeks, please make a big
effort to bring them to us.

To climax the year, our annual
State Conclave held again at Purdue,
is scheduled for June 19th-21st. If
you have never attended a conclave,
you have missed something. There
is a limited membership and every-
one who attends must have their

obligation memorized. A swim team
and bowling team are being plan-
ned. If any of you are interested in
either or both teams, please start to
practice and let's hope that Fort
Wayne can bring home some ribbons
and medals in many events.

MEANINGLESS ORATORY

There have been times when the
most of us have been subjected to
sitting helplessly in a lodge room
and listening to some well-meaning
brother who was trying to say some-
thing, but who really did not have
anything to say. The result of such
an experience did nothing to encour-
age us to return to a lodge meeting
at an early date. In fact, such occur-
rences, in our humble opinion, have
caused many brethren to stay at
home rather than incur the risk of
being bored.

It is, therefore, our purpose to
discourage this entirely too frequent
habit of speakers making attempts to
address Masonic gatherings on sub-
jects concerning the Craft without
first making adequate preparation
whereby they may be presented in-
telligently. Even though the speaker
most carefully prepares his discourse,
it is rather difficult to avoid making
some errors or mistakes.

Masonry is not a subject that
is easy to present to a group of
eager listeners. In its presentation
many difficulties arise, and the speak-
er needs to make careful prepara-
tion. If this is not done the re-
sults are clearly obvious. When a
so-called speaker attempts to discuss
Masonic subjects without any pre-
paration, his remarks cannot help fall-
ing on inattentive ears. Those in his
audience came to the meeting be-
cause they wanted to hear words of
enlightenment. If they were denied that
pleasure, great indeed must have
been their disappointment.

It is a discourtesy to a lodge
or any group of brethren who have
invited a speaker to address them,
for him to undertake to do so with-
out proper preparation. Sometimes
it is necessary to write out his
thoughts, and frequently he does not
have time to memorize them. If such
be the case, let him not hesitate to
read from manuscript. We are not
at all certain that this is not the
best way in a majority of instances,

especially if he is a good reader
and the possessor of a good, clear
voice.

At least no brother should feel
the least embarrassed at adhering
strictly to a paper or an address
carefully prepared in advance. Writ-
ing out one's thoughts and then
sticking closely to what is written is
often-times conducive to both brev-
ity and accuracy. In addressing an
audience anywhere there is nothing
better than knowing what you are
talking about. Such procedure will
always tend to increase interest and
attendance at any meeting.

Let us walk through the "Flower Garden" together, and all join hands to form an unbroken chain of friendship and love one another.

In the Garden of Gethsemane, before the dawn there came Gethsemane. Before the Resurrection there were hours of agony . . . For there can be no crown of stars without a cross to bear, and there is no salvation without Faith and Love and Prayer, and when we take our needs to God. Let us pray as did His Son. That dark night in Gethsemane — "Thy Will Not Mine, Be Done."

On April 11th Indiana State Association held at Anderson, 21 Sojourners attended State Association. Speaker was Supreme Watchman of Shepherds, Edward Meyers.

On April 10th our first meeting, Sojourners well renewed the obligation.

Hello Folks: — And keep on your Babuska — those March winds just won't give up and blow themselves out to sea — or at least away from here! (Y'know what — I'm just as glad that I haven't had the extra money to go to a Beauty Parlor this last month or so — poof goes the wind — and whee — or rather woe is me!)

Anyhow — by the time this is printed — it will be our lovely May month — Spring time — and that will bring the pretty flowers — tulips, jonquils, lilacs, and oh yes — dandelions. And 'tis true just about anywhere around here — 'tis practically impossible to not have a dandelion grove on any good'n green lawn. Then comes Memorial Day — and soon school closes — summer begins Wait-wait-wait! Just can't let the months roll by that fast!

Our Card Party went over O.K. — if we had had better weather on our side, it would have been much more so! We have also completed our Rummage Sale and that too was profitable — so start saving now for the next one folks.

We have a real super program — decorations — etc. planned for Friends Nite on April 21st. This is always lots of fun — and we want to make it more so this time if possible — and most of all we need people — and while we are talking about people — Circle that May 5th. We just may have an Initiation — (that is so you can actually see what happened to you when you joined) — and it is most amazing to really find out what did go on!

Thelma Adams will have the next Sewing Nite at her house on April 27th — 7:30 p.m. and it sort of gives you a warm glow inside to be part of this project, so come and see for yourself.

Now here are a few statistics on the Eye Foundation — and we do want to do tremendous things this year — and will have some other projects needing your help. Assem-

blies from United States, Canada, Hawaii have turned over to Knights Templar — \$91,489.88 ondas has concocted a little "Motto" — Pennies from Heaven the Eye Foundation — so just a little jar or something and time you feel thankful for someone — toss in a wee coin. There's goal — no limit — and every bit helps. Leona Gable, Mary LaSchafer and Geniva Dick are in charge of these.

Our Past Supreme President Douglas Crotty passed away March 14th — and we extend deepest sympathy to her husband and family and it is indeed a loss to Supreme Assembly.

Mildred Kerley's father has ill — and we hope he is better. Her husband is feeling much improved. The parents of Enid Gable were in a car accident in Jeffersonville and will be hospitalized awhile — here in Fort Wayne.

Teresa Wharton's husband has turned home from surgery.

Let's hope that spring brings vigor and health to all!

Our Worthy President has a thought for the day.

The Story is old yet fragrant and sweet

I've said it before

but just let me repeat,

How much I cherish and treasure your worth.

As you have become a True Friend

as the salt of the earth!

Bye for now — and Happy Day to you All!

THE LORD'S PRAYER

dren of the King, and the mind our royalty is the power of dominion. By our decisions we make a statement of our action or a failure. By decisions we build the tower of our lives and are honored, or we come outcasts and are shunned.

As we grow in skill, patience, operation, and understanding, we reach harmonious living and unity of heart, and mind. The power of inspired living will sound in the measures of happiness, peace and joy.

Thus, let us ever be praying for all our understandings and live by Lord's Prayer.

So whatever you wish that men
would do to you, do so to them —
Math. 7:12.

The March 24th meeting was de-
voted almost entirely to the annual
reading of Reports by the Chair-
man of the various Committees. Sister
Kathryn Fuhrman and Brother
Leslie Silver again thanked the Or-
ganist, the Choir and each Commit-
tee for their outstanding work dur-
ing the past year, and asked all Com-
mittee members to stand so the side-
liners could show their appreciation,
by giving them a hearty applause.
Sister Kathryn also thanked her hus-
band, Brother Herb, for being so
helpful to her during the years she
has been active in Star work, and
you know it takes a good chauffeur
to keep up with an active Worthy
Matron. Again, Star of the East,
Chapter 514, thanks Sister Kathryn
and Brother Leslie for their guidance,
and when we say "You were just
wonderful," we're putting it mildly.

Our April issue went to press be-
fore we could give you a detailed
account of our Installation, March
30th, and we would like to do that
now for the benefit of those members
who were unable to attend.

The March 30th meeting will long
be remembered. The choir sang "Ten-
derly" as Sister Kathryn Fuhrman
and Brother Leslie Silver walked to
the East, and Sister Kathryn was
presented with a beautiful red rose
corsage. "Give Us This Day" was sung
at the presentation of the Past Ma-
tron's and Past Patron's jewels to
Sister Kathryn and Brother Les, for
which they expressed their apprecia-
tion. Sis. Kathryn wished God's rich-
est blessings for the new W.M. and
W.P. and their Officers. After the
Lord's prayer, pledge to the Ameri-
can and Christian Flags, the Nation-
al Anthem was sung, and distinguished
guests, Past Grand Matron of In-
diana Grand Chapter, O.E.S., our own
Sonoma Woodruff; Brother Clayton
Herrick, Grand Chaplain of Indiana
Grand Chapter; Sister Maxine Mos-
her, Grand Electa; and Sister Margaret
Hoot, Deputy of District 14; and Bro.
Gale Davison, were all escorted East
and welcomed. The choir sang "Sweet-
heart of Sigma Chi" as Sister Sonoma
Woodruff was escorted to the East.

Past W.M. and Past Grand Matron
of Indiana Grand Chapter, O.E.S.,
Sonoma Woodruff, was the Installing
Grand Officer; the Installing Grand
Marshall was Sis. Gladys Coe, P.M.;
the Installing Grand Chaplain was
Sis. Bertha Lambert, and Installing
Grand Organist, Sis. Georgianna Jud-
kins, whom we have to thank for
helping us out with this issue of
the Square and Compass.

The Commandery Room was beau-
tifully decorated with the new W.M.
Hilda Deeter's flowers and colors.
On the white drapes in the East

were her Watchwords, "Light, Pur-
ity and Joy," in large gold letters,
and also hanging on the drapes were
large gold mobile wheels with gold
balls attached, which kept turning,
and gave a very pretty effect. In the
East, among several beautiful white
lily plants (the W.M.'s flower) was a
large lavender installation placard
with the effulgent sun and the W.M.'s
Scripture "So whatever you wish that
men would do to you, do so to them,"
printed on same. White lilies and la-
vender flowers were in beauty vases
behind each Star Point chair, and
also in the West was a beautiful la-
vender Wistaria tree along with an-
other Lavender Installation placard
printed with the W.M.'s chosen Mot-
to "Let Not Your Heart Be Trou-
bled."

The choir sang "When You Wish
Upon a Star" as W.M. Hilda Deeter,
in a beautiful white formal, was es-
corted through the aisle of her Of-
ficers; each presented her with a
lavender flower, which later made a
beautiful bouquet for the Beauty
vase in the East. Sister Edith Mc-
Intosh and Brother Herb Fuhrman
were escorted to the East and Sister
Edith McIntosh presented a gavel
to her "Fraternal Mom," Sister Hil-
da. "He" was sung for Harry Deeter,
and "Gone Fishing" was played as
he was escorted East through an aisle
of men holding fish poles with various
items attached.

"Lead Us, Oh Father" was sung by
Leonard Fletcher immediately fol-
lowing the signing of the Bible.

"Easter Parade" ushered the new
officers to their places for Installa-
tion, and during the Obligation, the
Installing Grand Organist played
"Thanks Be To God." A piece approp-
riate to each Station was played as
the different Officers elect, in
beautiful lavender colored gowns,
were taken to be installed.

Sister Hilda and Brother Harry in-
troduced their parents, children and
grandchildren and other relatives who
attended the Installation.

An active member of DeMolay,
Butch LaRue, played the electric or-
gan during intermission.

After the Mizpah Benediction, a
reception was held in the dining room.

At the April 14th meeting, the
choir sang "Walking In The Light"
as the Officers entered the Chapter
Room. The Opening Ode "He Keeps
Me Singing" was sung, after which
Sister Sonoma Woodruff was present-
ed at the Altar and greeted by W.M.
Hilda Deeter. Improvised words to
the tune of "Hello Dolly" were sung
by the Choir as the welcome song to
Sis. Sonoma. The W.M. then greet-
ed all present and asked the Past
Matrons and Past Patrons to introduce
themselves.

Installation was held for our As-
sociate Conduetress, Marguerite
Smith, who was unable to attend
March 30th.

After the Obligation, the choir
sang "Lead Me Oh Thou Great
Jehovah" and the regular Program
followed by the W.M., and Star
Points.

Brother Emery Tucker was recog-
nized and congratulated for being
the new DeMolay Dad. The W.M.
extended good wishes to him and
Sister Eva.

At the close of the meeting the
Officers formed a cross while the
choir sang "In The Cross of Christ
I Glory," and the Closing Ode "Dear
Lord, Forgive" was sung.

The Officers were in the lounge to

greet all members after Chapter and
refreshments were served on beau-
tifully decorated tables, on the mez-
zanine.

"Dear Lord, Forgive", W.M. Hil-
da Deeter's Choice for the Closing
Ode.

Dear Lord, I've tried to make this
Day a day of service true;
Nor have I followed my own way,
But tried Thy will to do.
Thy life has been my constant

guide
The more like Thee to live;
But where I've failed or turned
aside,
Wilt Thou, oh Lord, Forgive.

Fort Wayne Chapter can look for-
ward to another wonderful year. Our
new officers conducted their first
meeting April 2 in the fine man-
ner to which we've become accustom-
ed. The officers formed a semi-circle
in the West where they were intro-
duced and welcomed by Brother Har-
old Whonselter, who pledged the co-
operation of the Chapter and extend-
ed our best wishes for a most suc-
cessful year. Worthy Patron Paul
Hayden responded for the officers
with the promise they would do their
best — and their first meeting was
a promise of meaningful ritualistic
work and warm friendship. Following
the meeting a reception was held on
the mezzanine. The white skirted serv-
ing table — appropriately accented
with yellow candles and streamers —
was centered with a floral arrange-
ment. The tables were attractively de-
corated with Sister Carol's emblems
the Open Holy Bible and Lamp of
Knowledge and the white daisies.
Sister Pat Walker, Junior Past Ma-
tron, was initiated into Past Ma-
tron's in an impressive ceremony with
past matrons filling the point stations

to which she was conducted by Sister Bea Proctor. The evening was made even more rich by the large attendance of past matrons.

Sister Pat was surprised and very pleased — as are we — at the announcement that last year's social committee are presenting to Chapter a new crown and scepter.

Brother Paul read the year's committee appointments, chairmaned by Velma Ensley and Helen Parrot, Decorating; Helen Smead and Bertha Irons, Visiting; Choir, Josephine Cecil and Betty English; Publicity, Beth Jacobs; Program, Dorman Walker; Audit, Grace Whonseler; Relief, Mary Knauer; Masonic Home Contact, Leon Williams; Reception, Gladys Stahly and all Past Matrons and Past Patrons; Budget, Del Proctor; Proficiency, Pat Walker; Examining, Irene Lytle; Registration, Joyce Biddick and Social Helen McClintock and Dorothy Horstman assisted by Mabel Nahrwold, Marjorie Sorg, Mildred Rudaskey, Elizabeth Stall and Gladys Stemen.

Following a regular stated meeting on April 18 the Social Committee served refreshments on the mezzanine. It is our wonderful social committee who work so hard all year long which help Fort Wayne Chapter to have the reputation of the Friendliest Chapter, for it is after chapter in the relaxed atmosphere of the dining room, over a good cup of coffee and a tasty bite, that friendships are strengthened and new ones made.

Satellites will entertain after chapter May 7 and will feature a popular singing group imported for your enjoyment at great expense from Liverpool. Refreshments will be provided and served by members of Non-Parli.

To aid her in visiting the chapters of the 14th District our Deputy will travel the Road Daze with Fort Wayne Chapter mechanics at our meeting May 21.

May committee meetings are as follows:

Isn't it funny that what we over-hear is far more interesting than what we should hear?

A downtown lady told us her husband doesn't play cards for money, but those who play with him do.

A THOUGHT FOR TODAY

Give a smile to someone passing. Thereby make their morning glad. It may meet you in the evening.

When your own heart may be sad.

Installation was held in the Commandery Room, Saturday, March 29.

The east was beautifully decorated with palms, a swing gate, wheat and yellow roses with Sister Betty's motto "Let Not Kindness and Truth Forsake Thee" as the back drop. Sister Sonoma Woodruff was the installing officer, assisted by Sisters Justine Miller, Leona Shady, Margaret Riggle and Brother Dale Shupe. Sister Betty was escorted to the East by her husband, Grover, through an aisle formed by past sister officers who in turn presented her with an arm bouquet of yellow roses and wheat. She was greeted with a solo "Invisible Hand," sung by Geraldine Boldt. Brother Dennis was escorted east by his three granddaughters through an aisle formed by brother members attired in various sporting apparel. He was greeted with a solo "Home on the Range" with appropriate wording, sung by Geraldine Boldt. One of the little girls recited a poem about Grandfather and Brother Dale presented him with a gun.

Sister Lucille was escorted to her station place through an aisle formed by her officers. Each presented her with a red rose and she received a gift from Sister Dorothy Adler, her fraternal Mom. Prayer was offered by Rev. Reno Frobenius, Pastor of St. Luke Lutheran Church. Sister Betty welcomed all present and introduced her family and friends and invited all to a reception on the mezzanine. She also introduced Sister Justine and Brother Dale as her fraternal Mom and Pop. We were happy to have Margaret Hoot, our

district deputy as our guest that night. After closing the ceremony we all retired to the mezzanine. Refreshments were served from a table set with yellow candles and an arrangement of yellow roses, lilies of the valley and wheat, a gift to Betty from a close friend.

True friendship has a sweetness
That flavors all the years;
It banishes our little cares
And dries our springing tears;
It sets the heart to singing
And starts the lips to smile—
Sometimes it seems that friendship
Is what makes this life worth-while.

We are glad to see our Worthy Matrons smiling face at the top of our news column this month. Why was it missing last month? That is a deep mystery — all we know is that we did our part but for some unknown reason the cut disappeared on the way to someplace or other.

Perhaps we should check the bulletin board at the Post Office?

There is something special about the first stated meeting of the year; We look forward to this occasion and to seeing the new ideas expressed by the new officers. We were not disappointed, from the opening march right through the closing it was really lovely. Speaking of new ideas, we would like to plant the idea of attending chapter and sharing our enjoyment — Okay? This is the planting season so perhaps with the sunshine of your smile at our meetings, fertilized with good fellowship, the idea might take hold and really flourish.

Lets start with May — oo May first we remember our mothers. May 15th is really one of the high points of the year, We're going to have a birthday party and you are all invited. On the 25th of May, Trinity Chapter will be 18 years old — that makes us almost grown up. Charter Members will be honored so all you Charter Members, rally 'round.

This is house cleaning time and true to form, the Ways and Means committee will be waiting to relieve you of any cast off items for the Rummage Sale on June 9th. Call Sister Jean Davis—483-9204 or Sister Della Weesner 447-6881.

The following committee chairmen were appointed for the coming year:

Buttons & Bows:

Congratulations to the parents, grandparents, and great-grandparents of our Star Babies this month. I tried to work out a great-great-grandparent but gave up, anyway, here is the list:

A daughter to Sister Mae and Bro. Ernest Lanier also to Henrietta Vanderford, who is the proud grandmother. Sister Vivian Hopkins is grandmother of a little girl. Now hear this Little Stacy Weesner is the daughter of Sister Roxanna and Brother Robert Weesner — Granddaughter of Bro. Ralph and Sister Della Weesner also Sister Betty and Bro. Beroard Smith, great-granddaughter of Sister Gwen Hartman and Sister Cora Smith — Guess we hit the jackpot with that one. Last but not least, Sister Gertrude and Brother Edson Dickey are grandparents again.

Report of Illness:

In Chapter—Sisters Glennis Adams, Vesta Bamer, Ruby Hoover and Paul.

ine Gnau and Brother Wayne

In Family — Daughters of Hoover and Sister Grace Truly

ther of Brother Walter McC

Deaths in Family: Fathers of Sister Velma Welsh and Bro. Sam Macy.

To those who are ill, we wish a speedy recovery and to those who are sorrow, we extend our deepest sympathy.

Let me leave you with this thought:

Gods Promise:
Who puts his faltering feet
On the narrow way
And gropes through darkness
To the light of day
Will find that for each step
In faith, through dim,
God will advance a shining
mile to him.

THOUGHT FOR EVERY DAY

anybody happier because you
ed this way? Does anyone re-
ember that you spoke to him to-
day? This day is almost over, and
the time is through. Is there
one to utter a kindly word of
Did you give a friendly greet-
ing to the friend who came along,
and a cheerful sort of "howdy" and
vanish in the throng? Were you
kind, pure and simple, as you rush-
along your way, or is someone
grateful for a deed you did
Can you say tonight in parting
the day that's slipping fast, that
helped a single brother of the
that you passed? Is a single
rejoicing over what you did
Did? Does a man whose hopes are
now with courage look ahead?
you waste the day or lose it, was
well or poorly spent? Did you leave
all of kindness or a scar of dis-
content? As you close your eyes in
order do you think that God would
you have earned one more to-
morrow by the work you did today?

Our Installation of Officers for the
ensuing year was held in the K. of P.
Hall on West Washington Blvd. April
18th with many Grand and other
Officers of the Order in attendance
and aiding in the installation.
The theme for this year is "The
Golden Rule," which should be a
commanding factor in preserving
peace and harmony in our Court. The
new officers have pledged themselves
to be at most of the meetings of
the Court and to work a little hard-
er this year than they did last year.
Here's wishing them great success.

According to the attendance record
for the past year, it has kept up with
the level of some of the other Orders.
Everyone is having a poor attendance
at their meetings. Let's hope that
this situation improves and our Court
can accomplish it's theme.

The following is the list of Of-
ficers who will serve the Court for
1964:

Royal Matron, H.L. Nellie Moore,
Royal Patron, S.K. Oliver Boldt; As-
sociate Matron, H.L. Mahel Travis;
Associate Patron, S.K. Paul Clear;
Treasurer, H.L. Pauline Stocks; Sec-
retary, H.L. Florence Geiger; Con-
ductress, H.L. Bertha Clear; As-
sociate Conductress, H.L. Velma

Boh Marshall did an outstanding job
in preparing and serving a wonderful

thanks to these two Companions and
the ladies who assisted them for their
efforts on our behalf.

There has been several requests
that we repeat an All-Degree day in

we must have at least ten candidates
to make it a success so if all you

Greetings Companions!
We had a very nice class in our
Spring York Rite Festival. And we
of the Council wish to compliment
the Chapter and Commandery for
their very fine class of candidates.
Also thank those bodies that gave
the Council such able assistance in
confering the Council degrees. May-
he the unity the General Grand Bod-
ies are trying to promote can al-
ready be found in many localities
among the subordinate bodies.

Now we must turn our attention
to our next big event on October
31st. It may sound premature but
when you remember we will be dark
July and August we really do not
have too much time. So let us start
promoting Council and Super X pe-
titions. We need and should have a
class of at least 100 for the Super
X alone. And we are hoping for a
good large class for the Council
degrees that afternoon.
Companions Harry Haller has an
outstanding cast at work on the
Ritual. Give him every support you
can. This degree has not been put
on for five years and so we want
to make it an outstanding event.
Due to the resignation of our Treas-
urer, Companion John Lomhard and
Secretary, Companion George Gahle,
an election was held to fill those of-
fices. I am pleased to announce the

election and installation of Companion
Doyle White as Treasurer and Com-
panion Curtis K. Heston as Secretary.

We are really going to miss Com-
panion Lomhard and Companion Gah-
le. They have served faithfully for
a good many years. You will hear
more about them in this column at
a later date.

We wish to extend our deepest
sympathy to Companion Arthur Gardt
in the passing of his wife and to
Companion Homer Stevenson in the
untimely loss of his sister.

To those Companions on the sick
list we wish a speedy recovery.
Get those petitions in for October

Brethren:

How many of us could have possession and the rightful owners of the "White Leather Apron" if we had concrete laws to follow? Let us examine one of the two working tools of an Entered Apprentice, the "twenty four inch gauge." We are taught to divide it into three equal parts, whereby we find 1. "eight hours for the service of God and a distressed worthy brother," 2. "eight hours for our usual avocations," 3. and "eight for refreshment and sleep." Brethren imagine if this was a concrete law, rather than a guide we should follow! I feel the twenty-four hour balance of the day, can not be divided equally for the majority of us, but I strongly feel the working tool should be used to the best of our ability. We should divide the twenty-four hours according to our own schedule, but still include the three phases.

Brethren, how many of us could survive in business, or meet the rigors of life if we didn't have a schedule or budget to follow? I'm sure that anyone that has attained a certain height, has accomplished this height, by a budget or working schedule. Brethren in making that next schedule or budget include a "Masonic Schedule" so you can attain new heights in Masonry. Brethren in making your "Masonic Schedule," I urge you to turn to your Indiana Monitor to page 162.

We are averaging a little below our \$1.00 per member for our Masonic home at Franklin, for the aged and destitute, but I would like to congratulate those of you who donate \$1.00 or more for this "Great and Benevolent Home. Those of you who have paid your dues and didn't coo-

tribute and would care to do so, it would be highly appreciated. Send your contribution to our Secretary, John Lare, 10709 Bethel Road, Fort Wayne, and in turn, he will see that you will get your gold seal, to be attached to your dues card, signifying you as a contributor to our Masonic Home.

I would like to remind you again that we are invited to attend the Masonic play, "A Rose Upon the Altar," presented by Three Rivers Lodge, at Churubusco Lodge, May 13, 7:30 p.m. All members are invited.

Huntertown Chapter No. 388, Order of the Eastern Star held a public installation of Officers, and the following officers were installed for the ensuing year: Worthy Matron, Esther Clifton; Worthy Patron, Gerald Runyan; Associate Matron, Barbara Fritz; Associate Patron, Charles Hodges; Secretary, Helen Warner; Treasurer, Carrie Russell; Conductress, Delores Runyan; Associate Conductress, Donna Ramer; Chaplain, Betty Jeffries; Marshall, Wanda Dickes; Organist, Donna Dickes; Adah, Bernice Farmer; Ruth, Doris Schlatter; Esther, Charlene Dickes; Martha, Lois Hodges; Electa, Janice Lansaw; Warder, Beverly Lutter; Sentinel, Robert Whyte. Olive Branch Lodge has been very hussy this past month. Our April stated meeting was dedicated to the Masooc Home. We are hoping very much to meet and even surpass our quota of \$1.00 per member for the Home this year. All one has to do is to visit this great work to realize how much good our dollars do.

Congratulations to Brother Deao Brown our newly raised Master Mason. Brother Dean is the son of Brother Lloyd Brown, our very capable Secretary.

We are planning a banquet in June, which will be a little different than anything we have ever had before. We will be letting you know more about it as the time draws closer. Keep this in mind, and we will see you in Lodge on the Second Thursday in May.

Brethren,

Mao's imperfections lead him to make many mistakes in life, and the pointing out of these mistakes has engaged the attention of philosophers and reformers in all ages. One writer enumerates what he considers to be the seven greatest mistakes of man as follows: 1. The delusion that individual advancement is made by crushing others down. 2. The tendency to worry about things that cannot be changed or corrected. 3. Insisting that a thing is impossible because we ourselves cannot accomplish it. 4. Refusing to set aside trivial preferences in order that important things may be accomplished. 5. Neglecting development and refinement of mind by not acquiring the habit of reading. 6. Attempting to compel other persons to believe and live as we do. 7. The failure to establish the habit of saving money.

The thing that impressed me about the above is how much of it is taught, in one lecture or another in our masonic work. A mao cannot help from improving himself if he will only attend lodge and "faithfully direct his steps through life by the light he

there shall find and as he there shall find it."

We want to thank Brother Jim Irving again for the interesting films he showed us last meeting night. We had our best attendance we have had all year. For those of you who missed this show, and for the rest of us who enjoyed it so much, we will be asking him to bring out some more films in the near future.

See you at Lodge

April was a hussy month for the Officers of New Haven Lodge. The Stated Meeting, on the First of April found the Brothers electing two applicants to receive the degrees of Ancient Craft Masonry. A week later your Junior Warden, Bill Youtz, conferred the Entered Apprentice Degree on them.

Saturday, the 11th, some of your Officers visited Huntertown Lodge No. 689, where the Entered Apprentice Work was put on, and Wednesday, the 15th, visited Maumee Lodge No. 725, for the Fellowcraft Degree.

The big affair of the month was the Ladies Night Banquet and Program, under the direction and supervision of J.W. Bill Youtz.

Charity is important, and Masonic Charity especially so. The Brothers of New Haven Lodge can take considerable satisfaction that their voluntary contributions towards the Masonic Home at Franklio put the Lodge among the first ten of all the Lodges of the State. Your Worshipful Master is justifiably proud of his Brothers.

During May, there will be two Fellowcraft Degrees conferred by S.W. John Summey — on Wednesday, the 13th. And your Senior Warden and Worshipful Master are making plans to attend the Grand Lodge on May 19th and 20th.

Finally, as a special treat, the Brothers of Three Rivers Lodge will be guests of New Haven Lodge at the Stated Meeting of June 3rd; they will put on the play: "The Rose On The Altar."

FIRST RELIEF

The earliest Masonic contribution to a brother in distress to be found in official records of the Grand Lodge of England was that of a collection made at the instance of the Grand Master who on November 25, 1732, recommended Mr. Henry Pricbard's case to the Grand Lodge that he should not be a sufferer. The result was a collection which brought in a sum of about \$125 in our present day money, which was banded to Pricbard at the next Grand Lodge communication.

It was in 1910 that Masonic researchers found the cause of Pricbard's trouble. He, overhearing in a hostelry, a blustering fellow malig-

nantly assail Freemasonry, had knocked him down and was "costs" for the assault. Pricbard could not afford the expense; Grand came to his aid.

This was the almost blizzarding of official and organized relief to the poor and distressed mason for this cause obviously the attention of Grand Lodge to the necessity of systematically proceeding to meet any need that might arise. —Wisconsin Freemason

It is indeed a pleasure to be able to communicate with you once again. I am very grateful to Daniel Dale for performing the duties of Worshipful Master in my absence. I am also pleased to hear of the fine support he has been getting from Robert Bogenschuetz, all our officers, Past Masters, and many others. Thanks to Daniel Weikel and Pete's Little Symphony for the soft music at our Past Masters and Ladies Night dinner.

I wish to welcome four new members into Wayne Lodge. They are Walter Albert Shady Jr., Kaye Allen Ratcliff, Frederick Nathan Roembke, and Duane Roger Cole. May they come to lodge regularly, and take part in our activities.

Live One Day at a Time - by Archie Keene.

There are two days in every week about which we should not worry, two days which should be kept free from fear and apprehension.

One of these days is yesterday, with its mistakes and cares, its faults and blunders, its aches and pains. Yesterday has passed forever. All the money in the world cannot bring back yesterday. Beyond asking forgiveness of your God and of your fellowman, you cannot undo a single act you performed. You cannot erase a single word you said. Yesterday is gone.

The other day we should not worry about is tomorrow with its possible adversities, its burdens, its large promise and perhaps poor performances. Tomorrow also is beyond our immediate control.

Tomorrow's sun will rise, either in splendor, or behind a mask of clouds, but it will rise. Until it does, we have no stake in tomorrow, for it is as yet unborn.

This leaves only one day, today. Any man can fight the battles of just one day. It is only when you and I add the burden of those two awful eternities, yesterday and tomorrow, that we break down.

It is not the experience of today that drives men mad. It is the remorse or bitterness for something which happened yesterday and the dread of what tomorrow may bring.

Let us, therefore, live one day at a time. As you live each day, remember that the best thing to give your enemy is forgiveness; to an employer, service; to an opponent, tolerance; give your heart to a friend; set a good example to your children; revere your father and mother and so conduct yourself that they will always be proud of you; give yourself the priceless heritage of self respect and finally give charity and understanding to all men.
May God grant a speedy and complete recovery to all who are ill.

On May 9th we honored our past Masters with a banquet. We were entertained by the Sweet Adelines who specialize in singing Women Barbershop Harmony. Our speaker for the evening was Brother Rex Potter, Brother Rex spoke on the presidents of U.S. those of you who were not present missed a fine evening of good fellowship. The highlight of the evening was the presentation of 25 year pins to six of our Brethren for 25 years of Masonic services. The Brethren receiving this award were Brothers Fae Phillips, Otto Keunke, Earl Hambrook, Edward Knoblock, Gilbert Carpenter and Emmitt Johnson. Brother Myron Trevey was also eligible for this award but was unable to be with us that evening and will receive his at a later date.

Your Senior Warden and Sec. along with myself attended Grand Lodge on May 19th and 20th. A full schedule of business was completed as well as a fine evening of entertainment on Tuesday for the officers and their wives. Much credit is due Past Grand Master Osborn for his contribution to Masonry this past year as well as for all the past years. We were also very happy to be present at the installation of your Grand Master, Brother Clyde Flowers, Fort Wayne Masonic Lodges can certainly be proud to have one of our local brethren as Grand Master of all Masons in Indiana.

I feel sure we are now starting on another very fine year for the fraternity with him at the helm. We have been very busy the month of May with degree work, Grand Lodge, and the presentation of the play. June we will also have degree work, our calendar for the month is:

June 2: M.M. open at 5:30-dinner at 6:30 followed by the second section after dinner.
June 3: Presentation of the play 'A Rose upon the Altar' at New Haven Lodge #740.
June 9: Stated meeting 7:30 p.m.
June 16: E.A. 7:00 p.m.
June 23: F.C. 7:00 p.m.
June 29: Veterans hospital visitation.

Your contribution of more than \$1.00 per member for the Masonic Home was deeply appreciated and I was very proud that we were on

the honor roll again this year, but far more important your dollars will contribute to the relief of these brethren, their widows and orphans.

Your Senior Officers are happy to report a successful trip to Grand Lodge at Indianapolis, and to bring back personal greeting from our friends at the Masonic Home at Franklin, Indiana, Clara Coy, Edna West, and George Frost. It was most pleasant talking to them and visiting the surroundings, which they find so pleasant.

We are pleased to announce that our Fellow Craft clubs activities never seem to cease with their plans for an overnight trip to New York State in October and their more immediate plans for giving the Work Lecture in the Fellow Craft Degree June 19th.

We would like to congratulate our three newly raised Master Masons and wish them every success in their Masonic endeavors.

June appears to be a busy month, as we will be performing Degree work for four candidates. The meeting schedule will be as follows.

June 12, A.E., Dinner.
June 19, F.C.
June 26, M.M., Dinner.

GOOD OR BAD

Before I say a man is good—
As good as he can be —
I'm going to hold off a bit,
For people change, you see,
And men who years ago were called
The greatest in the land—
Are found in enterprises
It's hard to understand.
Before I say a man is bad
And lost to instincts good,
I'll wait a while—perhaps he, too,
Has been misunderstood.
If good men now and then go wrong,
It's reasonable—quite—
To figure that it's possible
For bad ones to go right.

Maumee Lodge #725 has the distinct honor of being the Home Lodge of the Grand Master of the Grand Lodge of Indiana as of last May 20. For the first time in Maumee history, 38 years to be exact, are so honored. We are, indeed, proud of our distinguished brother, Grand Master Clyde Flowers.

While we enjoy basking in newly acquired position, we realize there is also a responsibility connected with it. It is our duty to conduct the affairs of Maumee and ourselves above reproach.

We will be dark during the months of July and August, however, we still have plenty of work left before that time so that we invite you to degree work during the month of June.

We will celebrate the feast of St. John the Baptist by attending church as a body on Sunday, June 21, 1964. We will assemble at the Lodge and then proceed to Calvary Presbyterian Church, located at the corner of Capitol and Anthony where we will attend the service starting at 10:45 a.m.

I want to publicly commend our chaplain, Bro. Conahan for his fine work on preliminary instruction given to candidates for masonry. I accompanied two of our candidates to this activity and enjoyed it. Do you remember your instructions? It is worth while witnessing these instructions and meeting our new candidates.

See you in Lodge.

The smorgasbord last month was a huge success. The brethren who came for a good meal were not disappointed, as the food was out of this world. Luscious, tasty morsels were served in an attractive arrangement. Bouquets to the ladies and especially to Mrs. Stabler who directed the whole operation. The square dance turned out to be a gala affair, and all who stayed enjoying themselves to the utmost. I received many compliments on the musicians and the excellent caller. It is unusual to find a group who is as good on round dance music as on square dance dances tunes. We will be looking forward with gusto to this social event next year.

The lodge was quite busy last month with two new candidates. These are two fine men, and I hope that in the near future you will be able to meet Bill Jones and Delbert Wartok.

The wardens and I attended Grand Lodge last month and will give a full report at our stated meeting this

month. If you can make it, come down and find out what your Grand Lodge is doing.

I interrupted the writing of this article to visit a brother who has been sick for a long time. Brother Howard W. Crapser, who is almost bedfast, has been in and out of the hospital from light strokes, and this is the first time that I have been aware of it. This brings to mind the need for all of you brethren to report to your officers those who are sick. Please help us in this great and good work.

June 21 is the Sunday that all Masonic Lodges will be celebrating St. John the Baptist Day by going to church as a body. This year we will go to the Trinity Methodist Church, located at Putman and Short. We will attend the first service, which will be at 8:30. Try to be a little early, and we will meet in the Fireplace Room. Help us celebrate one of our Patron Saints with your attendance. See you then.

The other day I was privileged to accept for the membership of South Gate a certificate of appreciation for service at the Veteran's Hospital. The ceremonies preceding the award were most enlightening. There were many organizations being recognized as well as individuals not affiliated with organizations. I was astonished at the dedication displayed by the many volunteers. There was individual recognition for many workers with five thousand hours of volunteer work! This I did not comprehend. It took a few minutes with paper and pencil to get any idea of what 5000 hours meant. Just calculate how many months or years it would take you or me to accumulate this many hours of anything! Remember now, this isn't just one or two people who are giving this kind of service but many. What kinds of people are these that give so much? They are you, my brothers, and your wives and more like you in other organizations. They are of all ages. One lady in particular I remember was 86. She was actively giving service, not receiving it. I am sure that this is an area of service that has rewards that are not even suspected by those not so engaged. I feel these people are receiving much for the endless hours they are investing.

Directing the overall Masonic por-

tion of this service is Frank S. Hunt. His hours of devotion and superb organization are becoming known in a far wider area than just Ft. Wayne. To have some idea of what Frank does, just try to get a number of the brethren together for almost anything on a dark stormy night, then multiply this by ten.

In South Gate the men who very ably take care of this organization are Paul Muller and Dorsey Powers. They have done this for some years now. They do this so capably that the various masters through the years need not even give a moments thought as to whom they will appoint to this important committee. The only question might be, is it an imposition to ask these men to serve year after year. Strange as it may seem I think it is not an imposition. (I think it would be an imposition, however, if the rest of us in the lodge did not support them in this important undertaking.) We all try to serve God, not because God needs our service but because we need to serve God. My brethren the Veterans Administration officially thanks you for the service you have performed and are performing. I, of course, also sincerely add my small thanks.

For those of you that have not as yet had this wonderful experience I say when Paul or Dorsey call you to be with them on a Masonic visitation to the Veterans Hospital, the man you will help most by an enthusiastic acceptance will be yourself. I can't put on this page the good you can do with such a visit nor can I describe the benefits to you. These are far broader and deeper than the first superficial thoughts that would occur. Don't wait, however, for one of these men to call you. You beat them to it. South Gate has dates when they are particularly charged with providing the visitation group. So call Paul or Dorsey for more details. I'll bet that once you really start into this you will not want to stop. These dates are evenings when I will be pleased to see you not in lodge.

South Gate will probably be active each Monday during the month of June.

IT'S UP TO US

Continued
the names on the dishonor roll and their innocent victims are made known to all. And not the names alone, but the catalogue of their deeds; driving while drunk, speeding, violating the rules of the road, failure to dim lights, driving on the wrong side of the road, etc.

These are a few of their offenses. In an endless roll call the names are read, and the judgements given. Then, all too often, the dishonored beardless proceed to embellish their names again on the shameful record.

What is the solution to this national disgrace? Obviously, no one has found it to date. Statistics, pledges and slogans have seemingly bad little

effect on the American public. None of these have brought about lasting improvement in any segment of the basic problem. None of them have sparked that dead-serious personal commitment to greater care behind the wheel which is necessary if we are to reduce the speeding epidemic of traffic slaughter.

When will we succeed in bringing the scourge of needless casualties under some degree of control? Frankly, no one really knows the complete answer.

Perhaps no significant improvement can be expected until the great majority of us learn to look upon the problem as a personal challenge rather than one which is primarily up to the other fellow!

Hello Folks: Here we are on the

brink of summer—according to the

calendar—but not the thermometer.

"Ah! What is so rare as a day in

June? for then if ever come perfect

days". Remember that lovely little

phrase? Well — 'mit tongue in cheek,

I hope it works! And now to go back

a little — here is a cute riddle —

just wish I had had it for last month.

April Showers bring May flowers—

and What do May flowers bring????

PILGRIMS! Cute huh?

We've had two super meetings

since we chatted last and they had a

few highlights to share with you. On

April 21st, Friends Night, we had

guests from several assemblies, Lima,

Ohio #182, Muncie, #101, Indian-

apolis #90, Elkhart #129, and Warsaw #164. (Our gals from Indianapolis had to detour by way of Muncie because of high water. Weren't they brave to come anyhow? We are surely glad that they made it safely. As the guests arrived, our officers chose a guest-buddy for the evening—and thus our get acquainted program was well under way.

During the meeting, our own Worthy President, Anondas, read a little poem: Your Friendship, like, a lovely Rose, That opens to the sky, Brings more sweet blessings to my heart As each new day goes by.

Betty Lou Eacret and her crew of 18 (lovely ladies and handsome gentlemen) played several Electric Accordion arrangements. If the weather had only been a little more cooperative, we'd have had twice as many here. The Social Time in the dining room was fun for all. Since we are sort of talking about visitors, we wish for Mrs. Oladys Jones, President of South Bend Assembly a speedy recovery—she is very ill.

Then our next success was "Past President's Night on May 5th. This was terrific all the way through. Let me tell you about the decorations etc. Each Past President had a white milk glass bud vase at her place with the most gorgeous velvety deep, deep, red rose in it and the name cards so cute and clever. Little we-walnut gavel tied on to the name card with narrow bright red ribbon—it was so very appropriate don't you think? Then each Past President was escorted downstairs by a Secret Pal officer to the table. And y'know this pomp and ceremony is really very elegant and we all love it too!

And now gals—I think 'tis time to wax so very very proud of our Sir Knights—Our Commandery Drill Team took 2nd place in Muncie and y'know what? They were merely 1/10 (that mere fraction) from first. We loves y'all!

One of our gals has really done a terrific job of recovery from a broken hip and we want to say congratulations Alta Warner—we're so happy for you and so glad that you have been able to make the last two meetings—sans wheel chair.

Since this is our last paper until fall—we have to talk about June and also September. Remember June 2nd on the Mezzanine at 6:16 p.m.—Our Birthday Dinner. September 1st is ye olde Potluck-better circle the September date right now before vacation gets you. Then on September 15th, we will have Charter Member Night—and that will be full of surprises!

And guess what! The Supreme Assembly will be in Tampa Florida from September 21st to 25th.

This should be back toward the middle of this article but at our Past President's Night, we had a guest from Albuquerque, New Mexico, Mrs. Earl (Wilda) Kamm—a friend of Faye Squires.

Our illnesses are small this month—Mrs. Jon Kayser and Mrs. Robert Gahman. Janie Millhorn's husband had a rather painful accident—cut the first joint off the little finger of his left hand.

We send our sympathy to the family of Evelyn Gardt for her death has saddened all of us. There will be a sewing meeting at Dorothy Lyman's 8218 Trier Road at 7:30 p.m. on June 22nd.

And so folks the time has come to say adieu until September—enjoy the summer to the fullest—Have fun—and be careful when you travel—come back to us full of pep-vim and vigor in September. Bye for now!

HAPPY IS THE MAN

Who first knows what happiness is—
who then accepts no substitute.
If you want to achieve divine happiness—place your trust in God and thank Him for the gifts of the present which he has so generously showered upon you. Learn to master your thoughts. Do something for others; God did not make us to live in a world of selfishness; we must reach out and help others.

April 28th was dark, due to our W.M. and W.P. and others attending the Grand Chapter Session at Indianapolis.

For the May 12th meeting the Decorating Committee made corsages of lavender paper and gold net, for each member.

P.J.R.M. Kathryn Fuhrman; Sis. Eva Lee and Sis. Nell Cunningham also gave each member a 1964-65 Program as they arrived.

The Ways and Means Committee held a Bake Sale at the May 12th meeting and it was such a success. I'm sure they'll have a "repeat" sale soon.

The Decorating Committee placed vases of lavender lilacs in the West and on the desks of the Treasurer and Secretary. In the East their Mother's Day display was in the form of a patio with ferns and tulips in the background; a lawn chair and a table, on top of which they had placed sewing material and a sewing basket. Of course, a small child (doll) was "playing" on the lawn in front of the chair.

W.M. Hilda Deeter opened the meeting by greeting the sideliners and reading a Mother's Day poem. She presented Mother's Day gifts to her Fraternal Mom; and one to the oldest and youngest mothers present.

The choir sang "My Madonna," to all Mothers, which was the original composition of one of the choir members. The W.M. asked all Mothers and their daughters, and daughters and their mothers-in-law, to stand and be recognized.

In May we honor our Mothers and in June we honor our Fathers. We should not only honor them on their "Special" day, but every day. Those who are fortunate enough to have their parents still living, should "count their Blessings" and those who do not, surely have many fond memories.

We welcomed the Madonna Club on May 12th; they in turn furnished the entertainment and refreshments. They presented a group of five Juniors and Seniors from South Side High School; three girls sang a number of popular songs from Musical Shows and the young man with the group sang the popular song "People"; the fifth member was their accompanist. Everyone enjoyed their rendition of these songs and we thank the Madonna Club for inviting their talented group to entertain for us.

Sister Tama Christopher, our capable Secretary and Grand Representative from the State of Maine in Indiana accepted an invitation to attend Grand Session in the State of

Maine the week of May 18th. We are happy she could attend this important and impressive affair.

The Program Committee finished mailing out 1964-65 Programs when they met at the home of Geneva Dicks, May 28th.

The impressive Memorial Service Program May 26th was in charge of the Program Committee. W.M. Hilda Deeter read a beautiful short Memorial; Sis. Tama Christopher read the names of members departed this past year, Sis. Kathryn Fuhrman responding with a Memorial for each one. Sis. Mary Connolly sang the Lord's Prayer and the Choir sang, after draping of the Charter. There was a cross in the East with a spot light on the cross, while the house lights were dimmed.

Sis. Edith McIntosh and Bro. Herh Fuhrman will be serving in the East when we honor the Past Matrons and Past Patrons. The banquet will be held June 9th. Each Past Matron and Past Patron present will be presented with a gift.

Associate Matron Nama Bair gave an excellent report on the happenings, decorations, etc. of the Grand Chapter meeting in Indianapolis the week of April 27th.

Sis. Edna and Bro. Cy Senger are back from their extended vacation and it was nice to see them among the sideliners at our May 12th meeting.

Keep the faculty of effort alive in you by a little gratuitous exercise every day . . . do every day or two something for no other reason than that you would rather not do it. The man who has daily lured himself to habits of concentrated attention, energetic violation, and self-denial . . . will stand like a tower when everything rocks around him.

We're poppin' our buttons we're that proud Fort Wayne Chapter is sponsoring a new Bethel of Job's Daughters at Waynedale. Our Carol presided over the opening ceremony where 30 daughters—and a host of families, friends and dignitaries—were gathered for the instituting April 25th. Bethel #8 of Fort Wayne conducted the ritualistic work and are to be congratulated for a job very well done, especially their Honored Queen who was an inspiration to us all. Our chapter presented a Christian flag to the new Bethel. The Bethel will meet in the Waynedale Lodge the 1st and 3rd Tuesdays and would welcome any of her sponsors.

A bus load journeyed to Indianapolis April 29 to see our own Brother Clayton installed as Associate Grand Patron of the Indiana Grand Chapter (oops, there goes another button.) We're proud, too, of our Brother Del Proctor who again was appointed to the Audit and Inventory Committee. Grand Chapter is a grand experience and the bus trip is quite an experience too. Start planning now to attend next year—maybe we can have three bus loads!

Reports of Grand Chapter were given by our delegates Sister Carol and Brother Paul at the May 7 meeting. The best "thank you" that could be given to our committee on reception for our 14th District Grand Officers was the election of Brother Clayton and Sister Maxine Mosler, who was elected Associate Grand Conductress. Sister Irene reported on their trip to the Masonic Home.

Sister Carol has chosen to honor the sideliners all year long by singing a tribute to all those having birthdays during the month. She also presented each with a token of appreciation. But you'll have to attend both meetings during the month of your birth cause Carol's not telling at which meeting the tribute will be made.

Sister Irene was glamorous beyond description when she narrated the Satellites parade of the latest hat fashions following the meeting. The "hats" were originals created and modeled by the Satellites, who concluded their program with two numbers by "The Beatles." The act broke up—and so did we—when Sister Carol screamed, swooned and fainted at the feet of the singing, swinging group. Satellites earlier presented Chapter with a new sheaf for the Ruth station. Non Parel served delicious salads and coffee at tables decorated with hat creations.

Mary Knauer has been appointed by Sister Carol to receive subscriptions to our new State publication the Star Lite. Contact Mary for your 10-issue subscription for only \$2.00. The official visit of our District

Deputy, Catherine Glick of Roanoke Chapter, was the highlight of the May 21 meeting when our officers initiated new members. Our Deputy was escorted by the conductresses, points and associate matron who presented her with automobile parts and accessories expressing our best wishes for a good trip throughout the district.

A memorial program is planned for the June 4th meeting when Sister Carol will convey the hope of Eternal Life.

Circle June 13 on your calendar! A reception honoring Clayton Herrick will be held at the Temple with a social hour starting at 3:30 p.m. on the mezzanine, and a program at 4:30 in the Commandery Room. Dinner will be served at 6:00 in the dining room and reservations at \$1.65 per plate may be made with either Carol Munk or Vera Hayden. Anyone wishing to have their baby dedicated to the teachings of our beautiful order should contact Sister Carol as soon as possible. The baby dedication is scheduled for 7:00 p.m. to be followed by the Award of Gold ceremony at 7:15 and inspection at 7:30.

And don't forget the last meeting before we recess for the summer—June 18 will be a stated meeting.

June committee meetings scheduled are:

2, Satellites will picnic at Foster Park.

9, Visiting will meet with Velma Timberlake's committee.

Have an enjoyable summer whether it be planned for home or away. See you back in Chapter September 3 when we'll renew our obligation with thoughts on the principles of our order. And plan now to attend our September 17th Friend's Night when we'll have as guests representatives of seven different countries in their native dress from the embassies in Washington, D.C.

IT'S THE LIFE WE LIVE

A true Mason should always strive to illustrate the principles of the Fraternity by upright living. As one is able to make a picture more elegant by beautiful framing, a diamond more beautiful by exquisite setting, so we can render Masonry more attractive by ever striving to see to it that our lives are consistent and byamless. We are judged by those outside by the kind of lives we live. Let us always set a good example.

A man has to be something of a contortionist to amount to anything these days—He has to put his shoulder to the wheel, keep his eye on the ball, an ear to the ground with his back to the wall. At the same time he must have both feet on the ground, keep a level head, a stiff upper lip, whistle while he works and stay in there pitching as he looks for a silver lining with his head in the clouds. How about that? Well, I'll never amount to much because I can't whistle.

I bear by the grape vine that we could use a few more loyal sisters to serve on committees so if you feel like putting your shoulder to the wheel—speak to our Worthy Matron—she'll be glad to accommodate you.

On June 5th we will be honored by the annual visit of the new District Deputy. She will convey greetings from the W. Grand Matron, also any special wishes she may have. We will have initiation with proxy candidates and the officers will be instructed on the signs and passes. This is very important if we are to keep our work uniform throughout the state. Don't miss this meeting—it's very instructive to all members.

June 19 will be the last stated meeting before the summer vacation when our chapter will be dark. Let's make a date to be there and really wind up the spring meetings with a bang.

Our Worthy Matron and some of our members attended Friends Night at New Haven Chapter and we really had a ball—it was like old home night—quite a few past members of Trinity are now affiliated with New Haven. Also one of the presiding matrons present from Stroh, Ind. was at one time a member of Trinity and served as Chaplain in Sister Ida Kaysers year. In fact I took her petition and tried to get her husband interested, who, by the way, is now Worthy Patron at Stroh. I am speaking of Sister Helen and Brother Charles Crampton. We wish for them the very best this year. That's the fun of going to Friends Night. You make new friends and meet old ones. I strongly recommend the habit to our members.

We wish to extend congratulations and best wishes to the new Bethel of Job's Daughters at Waynedale. We should be very proud of these girls on the very doorstep of maturity who will perhaps one day be following our footsteps as members of the Eastern Star. Let's make a great effort to set the right example to them so they can be as proud of us as we certainly are of them.

There was just one thing wrong with our birthday party, Brother Bob McClure was unable to make it and we missed him. This is the first time he has not been with us on this occasion but we are glad to hear that he is improving. Brother Bob was our first Worthy Patron and we owe a lot to him and his efforts in organizing our chapter and guiding us through our first year also his continuing interest in our welfare. Hurry up and get well Bob, we miss you and Sister Helen.

Buttons and Bows: Sister Gloria Davis is the proud mother of another daughter. Sister Louise and Brother Bill Wilkerson are doing Grandparents of the same little bundle of joy. Sister Miriam Black is twice blessed with a granddaughter and a great-granddaughter. This must be the season for great-grandmothers. Anyway, congratulations.

Report of Illness: In Chapter: Brother Wayne Kruse suffered a heart attack—improving. Myrtle Hicks is still in the Lutheran Hospital, Sister Clara Belbutoski is recovering from minor surgery, Sisters Doretha

Baker, Mabel Robinette, Alice Rutherford, Jeanie Ubrich have been on the sick list, Sister Nellie Larmore, Eye surgery at Lutheran.

Illness in family: Husbands of Mayme Newport and Evangeline Baker.

Deaths in Family: Father of Brother Ernest Lanier, Brother of Sister Myrtle Ellenwood, Husband of Sister Selma Price, Father of Sister Beverly Graves, Sister-in-law of Sister Coletta Barnett and the niece of Sister Loretta Rippe was killed in an auto accident. To those who are ill we wish a speedy recovery and to those in sorrow we extend our sincere sympathy.

June Calendar: June 1: Cheer with Evelyn Haggard and Flossie Cochran.

June 1: Ne-Ca-Wa with Leota Niles.

June 2: Social with Glennis Adams and Joan Deputy.

June 3: Sewing and Decorating, Sara Jay and Flossie Cochran.

June 9: Past Matrons with Doris Thiebold.

June 10: Stitch and Chatter.

June 22: Officers with Leona Walker and Arlene Swadner.

June 23: Ways and Means with Helen Cress.

June 27: Dor-Al with Marie White-neck at Oliver Lake.

Don't forget the rummage sale on June 9th.

That's it for June. Every one have a good vacation. Drive Carefully. Remember, the first meeting in September is Back to Chapter Night—Pot Luck—I like cherry pie.

Well, it looks very much as if we
are going to have an active North-
eastern Indiana York Rite Associa-
tion. An organization meeting and
writing of a set of By-Laws has been
set for Keodallville on June 11th.
This organization can go a long ways
in promoting York Rite Masonry up
in this corner of the State.

As we go into the vacation months
of July and August there is much
on tap for the fall season. The Super
X Cast is in rehearsal and Companion
Haller promises a very good exampli-
fication of this degree on October
31st.

Now all we need is petitions for
both Council and Super X. The fee
for the Super X will be \$5.00. The
dinner will be free to the candidates
but a nominal charge for the rest
of us.

The Council Inspection scheduled
in the York Rite News has been
postponed to a later date. So we
hope to put on a good inspection
when we hear from Companion
Young.

Companions, most of our Spring
Class was the result of just a very
few men. Why not look for every
opportunity to sell York Rite while
on vacation. If we can get at least
one petition all the way from each
and every Companion we will really
have a nice party this fall.

So Companions—bave fun during
July and August but drive safely,
play safely, and bring in a big batch
of business for our Stated in Septem-
ber.

June is going to be a very busy
month at Bethel 8, our first meeting
will be Past Queen's Night and our
final meeting will be Initiation. On
June 7th we will have our Church
Sunday. This term it will be held
at my church, the Waynedale Metho-
dist, in Waynedale. I would especial-
ly like to see many of you there to
worship with me. After the service
those who choose to dine out will
all go as a group to a local restaurant
for dinner. Please come and bring
the whole family. Because this is
June, and because this is the last
month of my term, I would like to
take a little time to thank those who
did so much to make my term in
office a successful and rewarding
experience. First of all I would like
to thank the girls who were my offi-
cers, you were a wonderful group of
girls and I could always depend on
you to do the right thing at all times.
Without your help it would have
been impossible to accomplish the
things we did.

As you all know it would be im-
possible to operate without a coun-
cil, and I am sure that we have had
the best leaders ever. They have given
freely of themselves and have asked
nothing in return. I would like to
give special thanks to Mrs. Bitterton
for all her help and guidance and
to Mrs. Exner for her hard work on
the banquet, and other social events.
There were many others but because
of lack of space I can only say thank
you all so much for everything you
have done to help me through my
term.

As I am sure you all know, a few
weeks ago Bethel 8 had the honor
of instituting a new Bethel, Bethel
U.D. Waynedale. Your Senior Prin-
cess, Carole Weesner and I went to
their first meeting and I want to re-
port to you that the Waynedale girls
are doing very beautiful work and
hope to get their charter early in the
fall. They have consented to join us
in our Church Sunday Ceremony by
sitting in a group and wearing their
Honor Bands. We extend to them
all our good wishes and hope for a
very successful term.

In closing I wish to say that I feel
that I have expressed my feelin's
most inadequately, but I again want
to simply say thank you everyone for

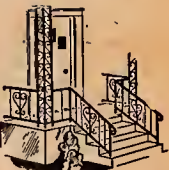

all your kindness and help. I wish
to be the first to wish Carol and her
officers all the best of luck for a
very enjoyable and worthwhile term.
I want to wish the new council mem-
bers the best of luck and to say that
I hope the harmony will prevail that
has prevailed in the past term.
Good Bye for now and best wishes
to all.
See you at Installation?

St. John the Baptist and St. John the Evangelist, who were eminent patrons of Masonry. Brethren how many times have we heard that phrase? Many times! Yes, and I am happy to say we as Master Masons still celebrate both of these Patron Saints.

Our annual "St John the Baptist Banquet" will be held Saturday June 20, 6:30 p.m. at the Huntersville Methodist Church. Rev. Gerald Jones 33° Mason, will be our celebrated speaker. Brethren plan to attend this festive occasion, and hear the renowned orator Rev. Jones.

Brethren, our lodge has been invited to attend church on Sunday June 21. We will meet in the basement of the church prior to the 8:30 service and go as a group. We had a nice turn out last year, but lets make this a bigger year.

Congratulations to Billy Ahel our new member of Huntersville Lodge. Billy was raised to the Sublime Degree of a Master Mason on May 9. Robert Abel Sr. and Robert Abel Jr. are also members of Huntersville, so this makes a father and two sons membership. This, I'm sure is a very proud time to a father's life when he can see his son raised to the Sublime degree of a Master Mason.

Brethren we have a lot of work approaching us, so continue to show your enthusiasm and support by attending lodge. Your support has been very good thus far, continue the good work. A word of caution — We are going to adopt a new custom at Huntersville, and that is no other than a "Past Masters Night." Not to go in detail, but this will consist of "Past Masters" filling the chairs and conferring the M.M. Better get those rituals out Past Masters.

We enjoyed the fine Masonic Educational talk presented by our Secretary, P.M. John Lare during our last stated meeting. We are making arrangements now for visiting Brethren to be present at our stated meetings, to add fuel to the flame, on Masonic Education. So make a point to be present during our stated meetings and hear these authorities on Masonry.

Just a thought: Brethren what would our actions be, if we worked on a project for seven years, of hard labor, neared the end, and realized what we were striving for had been lost? See you in Lodge.

On April 23 Leo Lodge No. 224 had the honor of conferring the Master Mason Degree upon Brothers Raymond and Larry Ulrich. This is very unusual to our Lodge due to the fact this is a father and son team. They are both Registered Pharmacists and have lived in our area for five years. The work put on by the Brothers of our Lodge was very impressive and I'm sure will be remembered by Brothers Rey and Larry for always.

The final preparation have been made for the observance of the Feast of St. John the Baptist. The day is June 21st, time 10:00 a.m., place the Leo Methodist Church. We extend an invitation to all Brethren to join and worship with us. We ask only to be notified if possible due to reserving seats for adequate amount. Lets all try and attend.

The Eastern Stars have been selling homemade donuts in the Lodge cafeteria every Saturday from 8:00 a.m. to 12:00 a.m. We the Masons have been called upon to furnish two men to help with the heavy work. Those able to help should contact the Master or one of the officers of

the Lodge. This project is a very worthwhile cause and is making money for a new Temple. Lets all join in and help.

We the members of Leo Lodge are glad to hear that our Brother Morris Gehrig is home and improving from his operation. We hope you keep on the mend and we will be seeing you soon in Lodge.

I would like to thank all the members of the Fraternity for their many prayers and kind deeds during the illness and death of my father. My thanks also to the Brethren of Olive Branch for the inspirational way in which they presented the funeral ceremony, also for the way in which they carried on during my absence from lodge.

As I am writing this, I am looking forward to going to Grand Lodge. I will be giving my report in our stated meeting June 11. On June 4th we are having the F.C. degree, and on June 13th we will have a M.M. degree.

In conjunction with the M.M. degree on June 13th we are having our Century Plus Banquet. This year it will be our Century Plus Five Banquet. We are very fortunate to have as our guest speaker this year, the Rev. Phillip Philbrook. The program will be as follows: 5:00 p.m. Opening of Lodge, and 1st section of M.M. degree. 6:30 p.m. Supper across the street from the lodge at the Poe M.E. Church basement, followed by our speaker. After the speaker, all Master Masons will be invited to return to the lodge for the 2nd section of the M.M. degree, and the closing of Lodge.

We are charging \$1.50 per plate for the supper. That portion of the program in the Church basement is not restricted to Master Masons, and you are encouraged to make reservations for your wives and guests. We are certain that you will not want to miss hearing Rev. Philbrook. Make your reservations with Bros. Russell Neireiter, Hoagland, Ind. or Earl Hamrick, Hoagland, Ind.

As most of you Masters and Past Masters know, that little card from Square and Compass reading "Copy deadline, 15th." seems to come around mighty fast. It always catches me when I have nothing to say, be-

cause I put off thinking about the issue until the last minute to get something in. Last month, I prolonged this chore until it was necessary to hand carry my copy to the paper, on the 15th of the month.

Procrastination, one of my many faults, is perhaps one of yours too. How many of you have said to yourself such things as: "I am going to learn that stair lecture—some day," (or some other lecture), or "I am going to take more interest in my Lodge." Or even "I am going to start attending Lodge again," and then found yourself saying the same things month after month?

Those of us who have children can easily see this fault in our boys and girls, and all of us can see it in others, but it appears to be hard to recognize in ourselves, and harder to correct.

There is only one solution to my case, and that is, "Do It Now!" Those things I put off once, I usually put off again and again. Perhaps if you make up your mind to "Do It Now," you can start immediately enjoying your Lodge fellowship and your brothers will be glad to see you out to many more meetings.

See you at Lodge, Next Meeting Night.

I am happy to report that the New Haven Lodge had a very successful Ladies Night Banquet and Program on Wednesday, the 29th of April. The members and their ladies, together with the guest officers and their ladies, enjoyed a fine meal served by the ladies of the Eastern Star. After the Banquet, all enjoyed a double program: a slide talk on India, including something on the Taj Mahal and Fatihpur Sikri at Agra and on the Amber Palace at Jaipur, and a very fine performance by the New Haven Concert Choir under the direction of Carl Nicholas.

The members of New Haven Lodge were greatly saddened recently to learn of the death of the first Worshipful Master of the Lodge, Ray C. Girardot. Special Masonic services were held at Harpers Funeral Home on Friday, May 8th, with more than fifty Brothers attending.

On Wednesday, the 13th, Brother John Summey, S.W., conferred the Fellowcraft Degree on two Brothers.

Tuesday and Wednesday, May 19th and 20th, your Worshipful Master and Senior Warden attended the Grand Lodge in Indianapolis.

Looking ahead, at the next Stated Meeting, Wednesday, June 3rd, the Brothers of Three Rivers Lodge will be our guests; and they will present the Masonic Play "Rose Upon The Altar." A good turnout of the Brothers is expected.

Further, on Sunday, June 21st, the Members of the Lodge will attend Divine Services at the New Haven Methodist Church—and your Worshipful Master is looking forward to having a large number of the Brothers there.

Finally on Wednesday, the 24th, the Master Mason degree will be conferred on two Brothers. This is the last degree work for this Summer.

A glass is good, and a lass is good, and a pipe to smoke in cold weather. The world is good and the people are good.

HOSPITAL AT MASONIC HOME IS ONE OF NATION'S MOST MODERN

Guests at the Indiana Masonic Home at Franklin are served by one of America's finest hospitals.

Built in 1956-57 at a cost of \$2,000,000, the Indiana Masonic Home hospital gives its patients the advantages of a skilled professional staff and the last word in modern equipment.

"There are larger hospitals elsewhere," says Oswald A. Tislow, Past Grand Master of Masons in Indiana and for 12 years Chairman of the Home's Board of Directors, "but none better staffed and equipped than ours for the care of elderly patients. Masons and Eastern Stars of Indiana can be very proud indeed of the wonderful hospital we have at Franklin."

The Physical Therapy Department of the hospital has been described as the best equipped in Indiana, with all modern facilities, including hydrotherapy tanks, quartz lamps, ultra-sonic ray machines, vibrators, massage rooms, exercise gymnasium complete with arm walkers, stationary bicycle, retraining walkers, practice cars, exercise mats, tilt tables, etc.). The hospital's X-ray Department is fully equipped for diagnosis and treatment, including deep therapy for malignancies.

Nationally Known Director
Facilities of the hospital include Pathology Laboratory for blood tests and urinalyses, an Emergency Surgery (most operations are performed in nearby hospitals), Dental Office, Diet Kitchen, Pharmacy, etc. Full-time Medical Director is Dr. William G. Hihns, a dedicated and nationally recognized doctor, who was formerly Medical Director of the great Presbyterian Hospital in Chicago.

The medical staff includes five other doctors, and the services of a consulting staff of 25 doctors are available.

Special professional assistance in the study of the problems of aging persons is given by representatives of the Indiana University School of Medicine and of Eli Lilly & Company.

Many tender, loving hands help to care for the patients in the hospital—a director of nurses, nine supervising registered nurses, eight licensed practical nurses, and 98 nurses' aides and orderlies. The staff of the 24-hour Diet Kitchen includes a chef and 20 assistants. Each of the laboratories is staffed by trained technicians.

Cost: Only \$11.50 Per Day
What kind of ailments are treated in the hospital?

"We are prepared for everything except obstetrics, pediatrics and severe mental disorders," says Administrator Lowell Stanley. "A large number of our patients have broken arms, legs or hips. We have a high rate of cataract removals. Advanced arterio-sclerosis and strokes account for about 75 percent of our patients."

How much does this wonderful care for the hospital's patients cost? During 1963, the total cost of caring for patients in the Hospital was \$4,225 per person per year, including medical, surgical and special hospitalization expenses. This is an average cost of about \$11.50 per day for each patient in the Indiana Masonic

Home hospital—or less than half the average charge of \$25 per day for patients in Midwest general hospitals, as reported by a leading hospital trade magazine.

DIGNITY OF LABOUR

(The Masonic Record)

Since we all have to labour in one way or another, our attitude towards work is very important; indeed, it would be difficult to name any other one activity which takes so much of our time, and which in the sum total of its doing shapes our character and outlook as much as does work. Do we regard it as a privilege or a task? Is it a means of release or frustration? In the last analysis, do we feel that it is worthwhile of itself, quite apart from the financial return it brings? How does our experience tie in with the term "dignity of labour"?

What is dignity of labour? Exactly what makes labour dignified?

These considerations are of great interest to us because Freemasonry has some important things to say about work; things we should do well to recall. When, for example, Freemasonry speaks of labour as the lot of man, it suggests that since the Master worked as a carpenter, labour must be a divinely hallowed means by which man may reach his best development, that it is something worthy of his finest effort, conducive to his highest good, and is, therefore, dignified. If we relate our daily tasks to these thoughts and perform them under their influence, our labour will attain real dignity indeed.

Again, when we hear that certain labourers received their wages without diffidence or scruple, knowing they were justly entitled to them, Freemasonry places very clearly before us the implication that those workers were honest, that they had worked well. The words "justly entitled" point the moral that honourable labour is dignified labour.

The V.S.L. says that he that endureth to the end shall be saved. Nothing worthwhile can he mastered, no high calling achieved, by envy or any other unworthy motive which seeks to elaim reward without willingness to pay the necessary price.

Of course, we all wish to be successful in any work we undertake, but the price of such success is often so high and so exacting that we ask ourselves if the hoped-for result is really worth the effort. We become depressed in spirit; our efforts seem so futile. It is precisely at this time that we need to relax a little—it is precisely then that Freemasonry, that great refresher, stands ready to help us recapture the conviction of the ultimate worthwhileness of the honest and continuing effort that is the mainspring of the best of which we are capable.

When we pass through the tyled door we are immediately rested by the atmosphere in which labour is done and degrees are taken; the simple peace, at once friendly and yet august, which marks the measured, unhurried pace of proceedings; the decorum, courtesy, and sense of worthwhileness prevailing and supporting the Craft at labour. When we forget about self in this time-honored process, surrounded by good companions in whom envy and unworthy motives are banished in a desire to emulate the best they see in each other, we become immensely aware of the sheer significance of it all, and we know that Masonic labour is truly dignified. In fact, we see dignity made manifest.

In due course we return once more to our everyday life invigorated in

mind, eager to pursue our several vocations and hopeful that we, too, in proper time, may receive payment due without diffidence or scruple.

JAPANESE PROUD OF MASOONY

By ICHIRO HATOYAMA

Reprinted from The Cabletow
(Speech delivered by the head of the Japanese Government at the semi-annual Communication of the District Grand Lodge of Japan.)

Japan has experienced numerous social phenomena after the war but I must point out that the opening door of Freemasonry is one of the greatest phenomena because of its fraternal spirit and brotherly love. Hence, I am proud to extend greetings here this afternoon to the annual Communication of the District Grand Lodge of Japan, as a member of this world-wide Fraternity in which many distinguished leaders and sovereigns are its members on the same level.

Freemasonry teaches us the foundation of Democracy, and our Masonic pioneers championed in many struggles to win freedom and peace including the Independence of the United States of America. I firmly believe this fraternal spirit is a newly found linking strength for Japan and America. I, therefore, praise this fraternal spirit on this occasion. General MacArthur was good enough to open the door of this Fraternity to Japanese Nationals, and Masons in the Occupation actually demonstrated to us the true meaning and significance of brotherly love.

When I was sick, Masons came to my bed first before any others. Masonic brothers often came to comfort me and repeatedly spoke to me as brothers; so I was greatly inspired. Furthermore, Masons have given light to the blind and freedom to walk to crippled children. Their Masonic spirit of mercy and brotherly love touched my heart so deeply. I praise this fraternal spirit as a member of this organization.

When I first became initiated into this fraternity, Filipino brother Masons told us how they determined to call us brothers in spite of their wartime hatred and bitter experiences. They said "Masons must not will their hatred to their children." I strongly believe that world peace will come out of this fraternal spirit. Japanese school children know George Washington as the Father of his denedence for America, but unfortunately

Brethren: I am happy to announce that our brother, William H. Knapp, became a resident of the Masonic Home at Franklin, Indiana on Wednesday, July 1, 1964. May he enjoy many happy years in his new home with many, many new friendships. We, all of us, wish to thank Past Masters Eugene A. Roush, Charles R. Bandy, and Edward Kronmiller for the time and effort they willingly gave, in performing this kindness for one of our brothers. Wayne Lodge is responsible for three more people at the Home. They are George P. McDonald, Martin E. Regadanz, and Clara Thelme.

September 20, is the special visitation day for all the Blue Lodges of Indiana. Let this year be the time for your family to enjoy a visit to the Home. You will be proud of this institution that we are supporting. While you are there, be sure to visit the four people we call our own. It will be a rewarding experience.

We will not have a picnic for the families of the fellowcraft club this year. I do appreciate the fine support I had from all of you this last March through the month of June. I would not be able to help in planning or fixing for a picnic, so I am cancelling this event in order to make the load a little lighter for those of you whom I depend upon to keep things running smoothly. My predicament this spring helped me to fully understand the following poem.

Sometime, when you're feeling important,

Sometime, when your ego's in bloom,

Sometime, when you take it for granted

You're the best qualified in the room,

Sometime, when you feel that your going

Would leave an unfillable hole,

Just follow this simple instruction

And see how it humbles your soul.

Take a bucket and fill it with water,

Put your hand in it, up to the wrist,

Pull it out and the hole that's remaining

Is a measure of how you'll be missed.

You may splash all you please when you enter,

You can stir up the water galore,

But stop and you'll find in a minute,

That it looks quite the same as before.

The moral in this quaint example

Is do just the best that you can;

Be proud of yourself, but remember,

There is no indispensable man.

There will be a Lodge for Instruction

In the hall of Wayne Lodge at 7:30 p.m. on Tuesday, Oct. 13. Home

Lodge will be our guests for the evening. The Fellow Craft Degree

will be exemplified with both Lodges participating. Allen B. Bennett, Assistant Grand Lecturer, will be our instructor.

Calendar of Events:

Sept. 20, Blue Lodge visitation at the Masonic Home at Franklin, Ind.

Our Deepest and sincere sympathy to Past Master Simon H. Harting in the loss of his father, and also, to the family of Past Master Ralph Sites. May God grant a speedy and complete recovery to Joe Sherron Sr., Elmer S. Wilkins, and all others who are ill.

As we resume our labors may we each pause and give thanks for the many happy experiences we have realized during this past two months. Too often we consider only our troubles.

As we resume our labors, we are again thankful for the twenty four men who have been raised this year to the Sublime Degree of a Master Mason.

Six new petitions have been received during the summer months and these men will present themselves as Candidates during the month of September. Our schedule for September will be as follows:

E.A. Dinner, 6:30 p.m. September 14, 1964.

F.C. September 21, 1964.

M.M. Dinner, 6:30 p.m., September 28, 1964.

You will all be interested in knowing that our Lodge is donating to the Indiana Masonic Home, a Pulpit, one Pulpit Chair and two Communion Chairs in memory of the guests there, sponsored by Summit City Lodge. We are looking forward to making this presentation at Franklin, Indiana on Visitation Day in September.

It should also be brought to your attention that our Lodge is planning a full Masonic weekend starting with our annual Home Coming Banquet on October 31, 1964. Thereafter, many of the Brethren will leave on a Visitation trip of your Master's home town, Painted Post, New York for the purpose of raising his Father to the Sublime Degree of Master Mason on October 31, 1964 after which we shall return arriving during the late afternoon on November 1, 1964. Needless to say Brethren, "My cup over-floweth".

If any of the Brethren are interested in this Visitation, please con-

tact the President of our Fellow Craft Club, Jack Stillinger or P.M. Abner R. Wolverton.

Our Grand Lecturer has advised us that he will hold a Lodge of Instructions in the Corinthian Room at 7:30 p.m. on Wednesday, October 14, 1964.

The Lonely Boy
I am sorry for the fellow,
That has never known his dad,
That never got acquainted,
With the father that he had,
The boy who grew up lonely,
With a father, day by day,
Who never got to know him,
In a friendly sort of way,
I am sorry for the youngster,
He has missed a lot of joy,
But I'm sorrier for the father,
Who has never known his boy.

Brethren: Well, now that vacation time is over, it is time for all of us to return to our many labors at hand. For us here at Home Lodge there are many labors to be taken care of.

As you know this year it is Home Lodge's privilege to host the 15th annual Tri-State meeting. This will be held here in Fort Wayne on September 26 and 27. We are planning a full and rewarding meeting. Lodge will be opened at 2:00 p.m. on Saturday afternoon, and the Master Mason Degree will be conferred by Malta Lodge of Grand Rapids, Michigan. Supper will be served at 6:30 p.m. with entertainment provided and our guest speaker will be one of our own Past Masters. Our friends will be coming from Peoria and Chicago, Ill., and St. Louis, Mo. I certainly hope all the members of Home Lodge will come down and help us to make this a memorable chapter in the history of Freemasonry and the Tri-State Meetings. More information will be coming at our stated meetings in September. Tickets for this will be \$2.00 and can be purchased from any officer of Home Lodge before September 20, 1964.

On October 13, 1964 our joint inspection with Wayne Lodge No. 25 will be held. The Grand Lecturer will be here at that time and again at that time we would like to see Home Lodge well represented.

There will also be Hospital Visitation coming up in the near future. Our next visitation will be announced at the stated meeting.

So as you see, we do have a busy schedule before us. I would like to call on all the members for their full support and help in these important Lodge functions.

To our Brethren who are ill we wish a speedy recovery and hope to see you back in Lodge soon.

So most of our vacations are over, so the children are going back to school, so our activities at church, school and service clubs will be increasing, so all of us will be busy-busy. But let us not forget our Blue Lodge will also be returning to labor. It will again need our help. Don't you think it deserves some of your valuable time.

Stated Meeting will start the fall season off on Labor day. Then we will have work on each of the following Monday nights. On Monday, Sept. 28, we will have a dioner. Why not join us in the fellowship.

Other activities which should be put on your calendar are Lodge for Instruction in Oct., 1964, and our annual Past Masters night on Nov. 23, 1964.

The Lodge for instruction is open for all Master Masons and is very informative. You will enjoy it and be a better mason for having attended.

Greetings brethren! I hope that you have had a pleasant summer. Are you ready to get back to work? We have two activities coming up soon this fall. The first is the annual ladies night banquet. This will be on October 3 this fall. Dinner will start at 6:30 with the program starting about 7 or so. I think we all look forward to this event each year when we can renew our friendships with hite various brothers and their ladies. Be sure that you contact Everett Karick for your reservations. Our speaker is to be Dr. George Davis. His subject should appeal to the ladies as well as the men.

The next major event is the annual lodge of instruction. We will have brother Bennett with us this year. We are to host Summit City lodge also. The meeting is called for 7:30 on October 14 and the third degree is

to be portrayed. This is an excellent time to satisfy those questions you might have from the real authority. I look forward to seeing you soon and often this fall.

George F. Gable _____ Recorder
442 W Wildwood Ave 744-4727

Greetings, my brothers, after an absence of a few months, we are again united by the medium of the Square and Compass. There has been no ritualistic work during July and August, but your officers have met regularly each stated meeting.

You will be pleased to read that Clyde E. Flowers, after several weeks of illness has steadily improved and is now on the way to full recovery. We have received many letters and thank you notes from the Grand Lodge Officers and distinguished guests congratulating Maumee on the fine reception and banquet honoring our Grand Master Clyde E. Flowers. The banquet hall was practically filled and we were happy to be part of this historical occasion. Maumee Lodge is represented in Indiana Free Masonry by a very fine brother, we wish you well, Distinguished Sir.

Since many of your summer activities are now over, why not attend Lodge and renew your friendships? Maumee has become a great Lodge because it has been an active Lodge with many fine members. To continue in this tradition we must have the support of every member, this means you, my brothers.

We are starting the fall season with six petitions, please be in attendance to assist in the work.

Dates to remember, Sept. 2 stated meeting, Sept. 9, Entered Apprentice Degree. The Eastern Star Chapter will serve us our dinner this evening, The Star of the East Chapter No. 514 as hostess. Please note dinner will be served promptly at 6:00 p.m. sharp, instead of 6:30 p.m. Sept. 16 Fellowship Degree, Sept. 23 Master Mason Degree, we will have dinner this evening also. Sept. 30 is Ladies Night, make a date with your Lady now and attend, she will enjoy it.

I hope all of you enjoyed your summer vacation. September is here and the beginning of a new school year has arrived. Likewise the fall term of the Fort Wayne Chapter is here.

We have a busy schedule planned. Beginning on September 9, our first meeting is "Obligation Night"; a night of renewal to the obligations we have assumed. On September 23 we will initiate those boys whose petitions were collected this summer. This year on September 26, we plan to take a bus to Purdue University to see the football game between Purdue and Ohio State. Also about 4,000 band members from Indiana High Schools will be in attendance, as that day is High School Band Day. On October 3, our annual Fall Maul Hayride will be held at Meyer's Barn on Parent Road. Tickets for the two events may be purchased at our meetings and from the officers. Our meetings are on the second and fourth Wednesdays of each month. You will receive a schedule of the fall activities of our chapter.

On June the tenth, the following officers were installed: Phil Baker, Master Councilor; James Coe, Senior Councilor; David Miller, Junior Councilor; William Reed, Treasurer; Thomas Rodgers, Scribe; Stan Sachs, Senior Deacon; William Moore, Junior Deacon; Kent Gebert, Senior Steward; David Boyer, Junior Steward; Terry Dougherty, Chaplain; David Hofer, Sentinel; Bud Hiron, Almoner; Benny Barnes, Standard Bearer; Tim Leeth, Marshal; William Border, orator; and Butch LaRue, organist. The Seven Preceptors are Keo

Walter, first; Rodger Mitchell, second; Dave White, third; Phil Pearson, fourth; Chuck Nelson, fifth; Mike Wetzel, sixth; and Kevin Walker, seventh. These are your officers, but they cannot achieve success without your loyal support and co-operation. Also on Wednesday, June 10, four DeMolays from Fort Wayne Chapter received the Chevalier Degree. They were James Max Johnson, Larry Lee Bushkill, Hugh David Fiandt, and Paul Boegert.

The Honor Guard Escort of the Chevalier Degree consisted of Dave Boyer, Jim Coe, Dave Miller, Bill Reed, Tom Rodgers, Benny Barnes, Terry Dougherty, Dave Hoffer, Bill Border, and Tim Leeth.

Those conferring the Degree were Albert R. Spencer, Grand Commander; Melvin V. Ehrman, Commander in the South; Edward H. Purcell, Commander in the South; Dwight M. Myers, Grand Marshal; Reverend Virgil Bjork, Grand Chaplain; Al Fisher, Grand Organist.

I extend my sincere thanks to those who conferred the Chevalier Degree and to the Fort Wayne Court of Chevaliers for installing the new officers. I would also like to thank the Mother's Circle for giving the reception after the ceremonies.

The annual Indiana State DeMolay Conclave was held on June 19-21, at Purdue University. Fort Wayne Chapter made a good showing of itself, winning 11 places in 44 events. Winners in the ritual contests were David Fiandt, first, M.C.; Max Johnson, second, S.C.; Dave Miller, third, Senior Deacon; Byron Leeth, first 1st preceptor; and Paul Boegert, second, 6th preceptor.

In the athletic events winners were Label on a box of fish in an express office: "If not delivered in ten days—never mind."

More good intentions would be carried out if they didn't get mixed up with bad habits.

September has arrived, ushering in the Fall season, and with it, the return to school and to the myriad activities which we eagerly laid aside these past few months. Happily we say farewell to the hot, hot summer. Mother Nature certainly dealt us a one-two punch and stayed right in there dealing us repeat blows.

First, let us go back to the events of June and July.

On June 12th, by Supreme dispensation, Soj. Pauline Gibson was installed as Worthy Shepherdess. Due to illness she had not been able to attend prior to that time.

Soj. Erma White, P.W.H.P., presented the Shrine with a beautiful new Bible Marker in an impressive ceremony. The money with which it was purchased was left over from the birthday bank of her year as W.H.P. On June 24th, a number of sojourners visited Mary-Martha Shrine at Kendallville when Soj. Rachel E. Bard, our district deputy, was honored.

On June 26th, by dispensation, a special election and installation was held at our stated meeting, resulting as follows:
Soj. Pauline Gibson-Worthy Chaplain; Soj. Bertha Clear-Worthy Shepherdess; Soj. Norma Jean Miller-Worthy Guide.

We welcomed P.S.W.O.S. Robert Quinn and Leona Quinn, of Bradenton, Florida, who visited us that evening.

On July 17th, Soj. Hazel Dehler entertained a number of sojourners at her home in honor of Soj. Merle Paul who left later on a European tour. Called practices for ceremonial were held on Aug. 14th and 28th in the K of P Hall.

CALENDAR FOR SEPT. & OCT.
Friday, Sept. 11th. Stated Meeting. Desert pot-luck after Shrine.

Friday, Sept. 25th. Stated Meeting. Program in charge of Soj. Hilda Campbell, district chairman of membership.

Sunday, Sept. 27th. The Orion Past Officers Club are scheduled to meet at the home of Sojs. Alton and Erma White.

Saturday, Oct. 10th. State Shrine Association Meeting in the auditorium of ISTA Building in Indianapolis, with a 6:00 p.m. dinner. Reservations must be in by October 5th.

Friday, Oct. 30th. Supreme Visit by Margaret Steel, S.W.H.P. Miriam Shrine will act as hostess, with Mary-

Martha Shrine in charge of the opening, and Faith Shrine the closing. A dinner at 6:15 p.m. will be served by the St. John's Evangelical and Reformed Church in their hall at 219 West Washington Blvd.

CONGRATULATIONS TO:

Soj. Dale Widney on his appointment as a Deputy Supreme Watchman of Shepherds.

Soj. Hilda Campbell on her appointment as a District Chairman of the Supreme Membership Committee.

Soj. Dale Davis, our Watchman of Shepherds, who welcomed his first grandson, Jeffrey Scott Dangler on August 5th.

ILLNESSES REPORTED:

Harriet Flaugh had eye surgery in Lutheran Hospital; Walter Drogemeyer was a surgical patient in Geneseo, Illinois; Dale Widney had minor surgery in June; Emma McDaniels was a patient in St. Joseph's Hospital; Marguerite Harkless, after suffering a siege of boils, was struck (accidentally) on the side of her head, requiring 14 stitches; Ned Biddle injured his hand at work, as did Mildred Igney; Glenn Myers was ill at home in June.

ILLNESS IN FAMILIES:

Dorothy Holmberg, wife of Soj. Wellington Holmberg, had surgery in Parkview Hospital; Husband of Nellie Moore had cataracts removed from both eyes.

DEATH:

Soj. Rosella Canada, a charter member of Miriam Shrine, passed away on July 23rd. Miriam Shrine held memorial services at the Miller Funeral Home in South Whitley on July 25th.

DEATHS IN FAMILIES: Brother of Soj. Letha Silcott (John Burgess) passed away on July 30th; Brother of Soj. Fannie Fry (Joe McGuire) passed away in Churubusco.

It's nice to have a family which think enough of you To compliment you now an' then, Upon the things you do.

It's comforting to know that when Most everything goes wrong, There's always someone willing to Be helping you along.

No matter if you've made mistakes In judgment or in deed, It helps a heap if someone grants The sympathy you need.

Your task is never half so hard, Nor trouble near as great, When members of your family In faith collaborate.

Indeed, it's gratifying just To know that someone cares Enough to take an interest in Your everyday affairs.

Now that summer is over (and hope you had a wonderful one) we are rested and already to start back to Shrine. On September 11th there will be a welcome back to Shrine Party. (Bring a sandwich we are having a HoBo party after the meeting). Sounds like fun be sure to come now. Sept. 25 will be Past Officers Night.

Well — Hello Everybody!

Y'know that song "It's a long, long time from May to September" — really isn't quite correct is it? Here it is September and it seems as though only yesterday 'twas June. We slip and slide in the winter months—but WOW—where has the summer gone? We surely hope that it has been a truly delightful one for all of you—and that you are all rested!! I humm! Anyway—September will be a humming month (O.K. you little Honey Bees—keep buzzing). Our Potluck slated for September 1st will be over by the time you read this—golly, hope you all had the date circled on your little calendars! And if you did forget—really quickly now hop to it and circle the 15th, as this is to be Charter Member Night. And this is bound to be a Fun Night.

Another real super highlight for September will be the Supreme Assembly to be held in Tampa, Florida from the 21st to 25th, and our Beauchant Chapter will be real well represented by Mr. and Mrs. Carter Palmer, Mr. and Mrs. George Adams, Mrs. Don Marvel, Mrs. Robert Brecount, Mrs. Louis Koch, Jr., and Mr. and Mrs. Stan Putnam. They will be staying at the Floridian Motor Hotel—and we hope that they will have a little time to soak up some of that Florida sunshine. Bon Voyage all of you—and folks we'll have a few highlights and tidbits from their trip for next time.

As you know our helping the Eye Foundation is always uppermost in our hearts—and our Worthy President had a \$5.00 donation left at her house with a touching little note expressing thanks for the blessing and privilege of being able to see again. This little motto "From darkness unto light" really is terrific isn't it? And believe me gals—we can't do too much to help along this line. So if you can think up a gimmick or way

to help increase our donations to our Worthy President—Anondas Melvel—or our Eye Foundation Chairman—Mrs. George Gable in and maybe we can try it?

We are sorry to report that Vicki Sapp has had a stroke and is in the Itheran Hospital Room 340 at the writing of this. Our prayers go out to wish her a speedy recovery. During the summer Mildred Houser had surgery—coming along O.K. Becky Joseph fell and cut her leg and it is coming along O.K. Thelma Vance sprained an ankle, Thelma Kayser injured her back. Donnie Holmberg had surgery and is recovering nicely at home. Carter Palmer (Florence's husband) is recovering from surgery and doing fine—looking forward to the Florida trip. Mildred Kerley's husband Walter was in an auto accident and is coming along fine.

At our last sewing meeting in the home of Inez Thrasher, we had our own Ann Ackerman living in the East with us. 7 lap robes were completed and taken to Adams County Home—and 50 cancer pins were finished and delivered to the Cancer Society. Hortense Stevens' husband Homer, cut himself with a saw and he is coming along nicely.

And now I'd like to include a poem—and there is no real reason for it except I think it is real good and I'd like to share it with all of you. It or rather I copied it out of a Church Bulletin from Minot, North Dakota.

The big silver Dollar and the little brown Cent
Met one day and astrolling went
And, rolling along the smooth sidewalks,
The Dollar remarked—for more talks:

"Friend Cent, you're sure a little mite"

"I'm big and broad and twice as bright."

"I'm worth a hundred of your denizens"

"And 'In God We Trust' is motto proud."

"I know," said the Cent. "I'm lowly mite."

"I'm not very big and not very bright."

"And yet," added he, with a little sigh,

"You don't go to church as often as I."

You are richer today than you were yesterday, if you have laughed often, given something, forgiven even more, made a new friend today, or made stepping-stones of stumbling blocks; if you have thought more in terms of "thysself" than "myself". Or if you have managed to be cheerful even if you were weary. You are richer tonight than you were this morning, if you have taken time to trace the handiwork of God in the commonplace things of life; if you have learned to count out things which really do not count, or if you have been a little kinder to the faults of friend and foe. You are far richer if you have looked for the best in others and given others the best in you.

Gur W.M. and W.P. Hilda and Harry Deeter welcome each and everyone back to this first Fall meeting, and trust you enjoyed your vacation this Summer. They look forward to serving you throughout the balance of "their year".

At our June 23rd meeting we were honored by a visit from our District Deputy, Kathryn Glick. The East and West were both decorated in her honor; in the East there was a beautiful large "Broken Column" and the W.M. gave special thanks to Sister Adella Davison, who assisted the Decorating Committee. The choir sang a song to Sister Kathryn also. Sister Kathryn complimented all those participating in the Chapter, for their outstanding work that evening.

Sister Sonoma Woodruff was greeted; she sang with the choir and also gave a short speech commending the Officers for their fine work.

W.M. Hilda thanked the Proxys for their part in the Initiation Service. The Social Committee served lunch for all members and visitors.

Since this article goes to "press" before our September 9th meeting, we can only say that we are looking forward to Chapter Inspection when our Worthy Grand Matron, Peggy Scott will be with us. See you then, and also at the September 8th pot luck.

June 13th was a warm day temperature-wise and even warmer hospitality-wise when FW Chapter honored Clayton Herrick, Associate Grand Patron. The reception on the mezzanine was hosted by Clayton's country cousins in their hillbilly garb. The serving table was appropriately laid with hurlap from which punch was ladled from crocks and cookies were served. A wheel harrow loaded with gifts and a guest register filled with the names of friends were an indication to Clayton of the high regard in which he is held by Stars throughout Indiana.

Worthy Matron Carol Munk welcomed all to the program in the Commandery Room following the reception. The invocation was given by Rev. Traverse Chandler. Brother Clayton was escorted East through an aisle formed by members of DeMolay. The "Go-Swifts" formed an intricate ribbon design carrying out the Associate Patron's badge of "A star within a star". Gur sextet narrated and sang a program entitled "Search", which emphasized that Christ is with us not just on Sunday or when we are in church attendance but that He is with us all the time.

Brother Clayton introduced the Grand Family and his family in attendance, expressed his pleasure with the program and thanked all who had a part in his day, and all who attended to make the day more complete. He presented Worthy Grand Matron Peggy Scott and Worthy Grand Patron Aaron Elliott with honorary memberships in F W Chapter. The program was closed by Rev. Chandler.

A delectable country-style dinner was served in the dining room. At each place was a book mark favor with praying hands, the emblem of the W.G.M.

The FW officers assumed their stations for the Baby Dedication in the Commandery Room at which time six FW Chapter babies were dedicated.

Our officers relinquished their stations to the officers of Shiloh for the Award of Gold ceremony. The two FW members receiving their 50-year pins at the altar were Marie Ehle and Mary McIntosh; our heartiest congratulations.

FW Chapter officers had the opening and closing with Shiloh Chapter officers conferring degrees for the inspection by the W.G.M. Peggy Scott. Sister Peggy was escorted East thru a purple net canopy held by Shiloh officers following a solo by Sister Carol. Brother Aaron Elliott, W.G.P., was welcomed by nine male members of the choir in a special song and escorted East thru an aisle of brothers carrying bibles. Four past grand matrons and three past grand patrons were presented and escorted East. All but two of the grand officers and sixteen deputies were presented and escorted.

Sister Peggy thanked FW Chapter for their warm hospitality and expressed the Grand Family's pride in

Clayton and Helen. She asked the Grand Star Points to review the signs and passes. She expressed her pleasure in the decorations in that her emblems of the church and praying hands were used. She complimented the officers on their fine work and concluded with a beautiful story of Jesus.

Brother Aaron thanked all for their attendance and friendship, and expressed the hope that many of us would plan to attend General Grand Chapter in Dallas in November.

Brother Clayton thanked all for coming and expressed a special thanks to the "Go-Swifts". He invited everyone to the dining room for refreshments, and wished each a safe trip home.

Our deputy, Catherine Glick expressed her pleasure with the first inspection in her district and announced other inspections.

FW Chapter was well represented at the June 6th reception for Associate Grand Matron Sallie Turner in Muncie, and the August 1st reception for Associate Grand Conduress Maxine Mnsier in Geneva. We are indeed fortunate to have such lovely ladies as our sisters representing us in the Grand Family.

A big "thank you" to Jim Bolyard and his committee for the July 11th outing. An excellent smorgasbord dinner followed golf in Decatur. They collected \$41 to be donated to the Masonic Home.

The opportunity to renew your obligation will be yours at our first stated meeting September 3. You won't want to miss our second meeting on the 17th, Friend's Night. "East meets West" when representatives, in their native dress, from the embassies of Indonesia, India, Finland, Germany, South Africa and the Philippines will be our guests. See you then?

September committee meetings are:

Greetings to all vacationers—hope you had a pleasant and restful summer. It seems we spend a good portion of our days looking forward to summer and vacation plans—then before we know it, the days fly by and all we have left is the memory. Who was it that said, "Anticipation is the greater part of realization" How true! One thing is certain—we anticipate a full calendar of pleasant times for this fall and winter season and it starts out with a bang in September. Sept. 4th is Back to Chapter Night preceded by a pot luck at 6:30 on the Mezzanine. Bring a covered dish (with something in it) and join the crowd (?!?) Rolls, Butter and drink will be furnished.

One of the highlights of the year will be the joint inspection of Star of the East, New Haven and Trinity Chapters by the Worthy Grand Matron, Sister Peggy Scott. See page one for details and then decide that you simply can't miss this gala occasion—it only happens once a year, so if you miss it—too bad!

Sept. 18th is to be Master Mason's Night. Now you know how much we owe the Brothers in Trinity and this will be your opportunity to show how much we really appreciate them and the many privileges we enjoy in our beautiful Temple.

Sept. 22nd is Rummage Sale No. 2. Anyone having rummage to contribute may call The Worthy Matron or Della Weesner or deliver in person to 1305 E. Lewis St., after 6:00 p.m. Sept. 21st.

Thought for Sept.—A notorious rabble rouser once complained to Benjamin Franklin that the Constitution was a mockery. "Where is all the happiness it is supposed to guarantee us?" he demanded. "All the constitution guarantees, my friend," Franklin answered, "is the pursuit of happiness, you have to catch up with it yourself."

See you in Chapter?

FORT WAYNE
COUNCIL No. 4
R. & S.M.

Stated Assembly
Third Thursday

Carter D. Palmer _____ I.M.
2625 Wells St. _____ 483-7382

Guris K. Heston _____ Secretary
4721 S. Anthony _____ 745-2418

Well here it is September already
and time to go to work again. And
I see a mighty three months ahead
of us. With our Inspection, our big
Super-Excellent degree festival and
normal York Rite activities we will
have a full program. We will need the
help of each and every Select Master.

Companions, your officers have
made a very careful survey of the
financial condition of your Council.
And after taking into consideration
the decline in membership, the mount-
ing cost of operation, the replacement
of some equipment and acquiring of
some new equipment that is a must,
it became a necessity to recommend
a small raise in dues.

Therefore in accordance with our
own by-laws and general regulations
of the Grand Council a resolution
was submitted at the regular stated
meeting in May and passed unani-
mously at the regular stated meeting
in June to raise the dues from \$2.00
to \$3.00 per year. Hence you will
note the increase on your 1965 dues
notices. \$1.00 is not much of a raise.
Neither is it a sacrifice to any one
of us. We probably throw much more
than that away in a year's time, but
it does mean the solvency of your
Council.

In a survey taken several years ago
it was felt that by strict economy
and an increase in the number of
candidates a raise in dues would not
be necessary. The strictest economy
has been observed but the increase
in membership did not materialize.
Why?

In the spring York Rite festival we
had a class of ten candidates of our
own. At least five of that class was
the result of the efforts of one man.
What effort did the remaining 400
put forth? It is your Council, Com-
panions.

Now then here is your chance to
reaffirm your faith and interest in
your Ft. Wayne Council No. 4,
R.S.M. On October 31st we are con-
ferring the Super Excellent degree.
Petitions for the Cryptic degrees of
the Council must be received not
later than October 15th stated meet-
ing. Petitions for the Super X can
and will be received up to and during
registration on October 31st. This is
another attempt by your officers to
revitalize interest in York Rite in
general and your Council in particu-
lar. A gala occasion is being
planned.

Fee for Super X \$5.00—Dinner
\$1.50 (candidates free). Make your
reservation with any officer of the
Council or Companion Harry Haller
not later than October 27th. If you
wish to make reservation by mail
simply address a card to Harry Hal-
ler, Masonic Temple, 216 E. Wash-
ington Blvd., Ft. Wayne or to C. D.

With the wonderful, hectic days of summer coming to an end, and the beautiful, peaceful days of fall approaching we should be well rested for the rigors of winter.

During the summer months, Lodge activities are held to a minimum, so we should be well rested, and eager to tackle the work facing us.

Huntersville Lodge celebrated "St. John the Baptist" with our annual banquet with a high degree of success. It was very gratifying to see so many in attendance. The officers and members of Huntersville will again say—"Thanks" to the loyal and hard working members of the O.E.S. I feel without them, this banquet would not be a "reality" year after year as it has been.

Brethren—again we have achieved the "Honor Roll" of averaging \$1.00 per member for the "Voluntary Contribution" to the Indiana Masonic Home at Franklin. Brethren—my hat is off to you—you have learned and remembered one of the first lessons you received in Masonry—Remember?

Brother Floyd Gause one of our 50 year members, and our faithful Treasurer—spent a time in the hospital. He is home now and according to all reports is recovering very satisfactorily. Brother George Lincoln is another patient on our sick list, and I am happy to say is recovering nicely. We are hoping for a speedy and complete recovery for both of these brothers.

We have three candidates that have been accepted to receive their Entered Apprentice degree. Brethren needless to say we have a tremendous amount of work ahead of us, so come to Lodge, and extend a helping hand.

The following are dates to circle on your calendar.

Stated meeting: Sept. 3—Award of Gold Presentation.

E.A. degree, Sept. 10, 6:30 p.m.
F.C. degree, Sept. 24, 7:30 p.m.
M.M. degree, Oct. 10, Open Lodge 5 p.m., Dinner 6 p.m.

Notice—Saturday, Oct. 10 is "Past Masters" night. The Past Masters will confer the "Master Mason" degree. At this time I would like to extend a personal invitation to each and every one of our Past Masters. Any of you Past Masters desiring a certain chair or station please notify me. This will be an excellent time to see our "Past Masters" in action again, so plan to be present and enjoy the hospitality Huntersville Lodge is known for — See you in Lodge.

Brethren, I hope this message finds each and every member in great health after such a wonderful summer. It is hard to think time is passing so fast and we are past the half way mark for this year, but much is in store for us so we must start our preparations.

On September 3, we held our stated meeting and the attendance was just great even though our weather has been warm and vacations are just over. One subject of business which will take help from all is our Lodge of Instruction which will be held October 12. Let's all work hard and put our best foot forward.

Our building project is still progressing very well. All the donations for the ground have been greatly appreciated by this committee. Let's keep up the good work for this worth while project.

I would like to extend an invitation to all brothers to visit our Lodge on the first Thursday of every month. Come and bring a friend.

Brethren: I trust that the summer has been kind to all of you. Lots of fishing and taking-it-easy time, and out too much sun-burn and mosquitoes.

Before diving into our Fall program, let us reflect a little on what we did late last Spring. I don't think that we will soon forget our Century Plus Five Banquet with Rev. Phillip Philbrook as our speaker. I am still chuckling over some of the stories he told. Many of the Brethren stayed after the banquet to help us give the Master Mason's degree to Brother Gene Brown. On June 21 we attended Hoagland Methodist Church in a body to celebrate St. John's Day. While we didn't have too many in attendance, those of us who were there received a real blessing, and we would like to thank the Minister and congregation at Hoagland for inviting us.

Now for our fall program. We will be having our stated meeting on Thursday, September 10. On Saturday, September 12, we are having an old fashioned weenie bake, picnic, or what-have-you at my farm on the Marion Center Road. This is a combined family program with the Eastern Star, so bring Mom and the kids and come on over. We are going to start at 5:30 p.m. and the more the merrier.

On October 5th is our Lodge for Instruction with Decatur. This year it will be the Master Mason's Degree, and we will be in our Lodge room at Poe. I would like to have all the members of the degree team present for this meeting, along with all other members that can attend.

Mark these dates down, and let's all meet in Lodge.

With the coming of cooler days in September, the work of the Lodge resumes. Meanwhile, during the summer, despite the heat and humidity, some of our more devoted Brothers have continued to work on the Temple, working to improve and perfect the facilities we now have. This work has included laying the recently acquired carpeting, and installing the flooring for the balcony.

On Wednesday, Sept. 2, New Haven Lodge will have its first Stated Meeting of the Fall season.

On Wednesday, Sept. 9, New Haven Lodge will put on the work of the Entered Apprentice Degree.

On Tuesday, October 6th, New Haven Lodge will be joined by Mooresville Lodge for a Lodge of Instruction. All Brothers of both Lodges are urged to attend.

country—a great man who was indelately, very few know that he was a Mason of Masons. Benjamin Franklin is also highly esteemed as a great man of self respect but, again very little is known of him as a Masoo. The great spirit of Freemasonry must have created many great men and we expect great men in our country. Since the early days of the Occupation, General MacArthur, Ridgeway, Clark, Hull, Lemnitzer and Ambassador Allison, have come and they are all Masoos.

Several years have elapsed since the introduction of Freemasonry in Japan. I am so happy to see that the first Japanese Lodge authorized to perform in the Japanese language has been recognized. The Kanto Masonic Lodge is the Lodge for Japanese Masons from which our great Fraternity will make great progress. After 4,000 years, Freemasonry has reached the shore of Japan, and we are taking up the tools of brotherly love with much pride. I ask all of you Masons to help in the growth of the Japanese Lodge so that the Japanese Masoos can prove what Freemasonry stands for.

"ALUMNI" HOMECOMING

Over 300 "alumni" of the Indiana Masoos Home return to Franklin each June for the annual homecoming. These are the men and women who, as boys and girls, were given love and shelter by the Home. Most of them bring their families with them to the scene of their happy childhood.

ANNIVERSARY PARTY
Eight of the married couples at the Indiana Masonic Home have been married for 50 years or more. They were honored at the "Golden Anniversary Party" on Sept. 7. The 50-year brides wore white and the men had flowers in their lapels.

260 EMPLOYEES AT HOME
It takes a staff of 260 employees to operate the Indiana Masonic Home at Franklin. Of this number 150 in the 200-bed Hospital, and are employed elsewhere about 309-acre Home.

\$1,329,756 BUDGET
The total cost of operating the Indiana Masonic Home at Franklin for the year ending March 31, was \$1,329,756 — an average of \$110,813 per month or \$9 per day.

MEALS FOR MANY MOUTHS
The modern, streamlined kitchen at the Indiana Masoos Home prepares over 1,400 meals per day for 1,400 inmates and employees. This adds up to more than a half-million meals per year.

FAMILY ATMOSPHERE
Children at the Indiana Masoos Home enjoy the friendly warm family atmosphere. They are brought up in home-like "cottages" under loving care of "house parents." Bicycles and playground equipment are much in evidence.

One of the Home boys, who finished his high school work in January, was granted a scholarship for the International School of Construction at Greenfield, Ind., and made such a fine record there that he has been retained by the school as an instructor in the use of heavy equipment.

One of the two June graduates entered Rose Polytechnic Institute at Terre Haute, Ind., this fall on a Home scholarship, and another entered Ball State College at Muncie, Ind.

The fourth Home boy in this year's class was employed immediately upon graduation by a Franklin electric equipment manufacturer.

All four graduates received handsome gold wrist watches from the Home. There were no Home girls in this year's graduating group.

SEVENFOLD INCREASE
REPORTED IN "LIVING
MEMORIAL" GIVING

A great increase in the establishment of "Living Memorials" through modest gifts to the Indiana Masonic Home was reported for the past year.

During 1959-60, the first year that the "Living Memorial" plan was in effect, 41 contributions were made in memory of departed members, friends or loved ones.

In the 1963-64 fiscal year, there were 299 such contributions, more than seven times the number made during the first year.

All these gifts have become a part of the endowment fund of the Indiana Masonic Home Foundation, the income from which is used in the operation of the Indiana Masonic Home at Franklin.

The names of all persons for whom "Living Memorials" are established and those of the donors are fittingly inscribed in the "Book of Remembrance," which holds a place of honor in the Indiana Masonic Home. Families of the deceased persons are promptly informed of the donors' thoughtfulness.

A number of organizations and individuals have adopted the practice of providing "Living Memorials."

Contributions for "Living Memorials" should be sent to the Indiana Masonic Home Foundation, Inc., Masonic Temple, 525 North Illinois St., Indianapolis, Ind. 46204.

FEDERAL TAX LAWS
FAVOR GIFTS FOR
MASONIC HOME

Federal tax laws are designed to favor gifts to the Indiana Masonic Home Foundation, Inc., and other charitable organizations.

W. Vernon Schultz, President of the Foundation, points out that the Revenue Act of 1964 encourages contributions to charity in three ways:

1.—Federal tax rates on 1964 individual incomes have been cut. In 1963, the rates ranged from 20% to 91%. For 1964 they have been reduced.

May we remind you also of the visitation to the Finger Lake Region in New York State following the Homecoming Banquet.

I HAVE NO TIME

I have no time to find fault with others, I have too many faults of my own. While I, myself, may not know them I'm sure that to others, they're known.

I have no time for idle gossip, you see it may all be a lie, and soon the story will die out if everyone passes it by.

I have no time to listen to those who tell something to stir up strife; far better to tell of good deeds done, and brighten the journey of life.

I have no time to be moody and lonely, no time to be gloomy and sad; it takes all my spare time planning how I may help to make others glad.

Brethren: The trees are beginning to turn to the bright fall colors and is emblematic of the rich experiences we have in our mature life. But we also know that soon the leaves will begin to fall and should remind us that our lives are drawing to a close. If Masonry does nothing else, it should prepare us for that time when we will meet our creator face to face. Seeing the uncertainty of life we should not forget that preparation which it is wisdom to make and weakness to defer.

Lodge for Instruction will be held on Friday, Oct. 16 at 7:30 p.m. I hope to see many of you at this special meeting. It is an enriching experience.

Our Past Masters night will be held on Nov. 23. Please place this date on your calendar. You will want to be there to hear Past Grand Master Arthur A. Osburn.

I want to publicly thank Past Master Kenneth McGraw for his help on Labor Day. There were 16 other brothers at this funeral service. Thanks to all.

You are invited to attend a Lodge of Instruction in the hall of Sol D. Bayless Lodge at 7:30 p.m. on Friday, October 16. This is a joint meeting of Sol D. Bayless and Maumee Lodges. The Master Mason Degree will be exemplified with both Lodges participating. We will not have an actual candidate.

Of course, all the Officers will be required to be there and we urge our members to attend also. My Brothers, you will find a Lodge of Instruction very interesting. Howard O. Hunter, Grand Lecturer or his Assistant, Allen B. Bennett will be there to assist the Officers in the work. Lodges in Indiana are inspected at least once a year. This way Masonic work through-

out Indiana will be uniform and of the highest caliber.

We will be busy every Wednesday this month, so make plans to attend while your Better Half is shopping. See you in Lodge.

My Dear Brethren: Once again, as we approach the closing season of the year 1964, I invite your attention to join with the officers of your lodge in participating in the work of your Lodge. We are in dire need of help in putting on our work. No matter how small a part you take it will be a big help to yourself and to the Lodge. We have had a fruitful experience in Masonry so far this year. We have had a good rest this summer while we were dark so now lets close out the year with great exuberance and re-dedication to Masonry, for it is by example that we show the World at large what Masons stand for. You may contact the Master or Wardens for degree work and Brother Hugh Bassett for participation on the Craft team. It appears as though we will have plenty of work this fall.

We have a Lodge of Instruction called by the Grand Lecturer in the Fort Wayne Masonic Temple on the second Thursday in October. This occasion is always a very rewarding experience. All Master Masons are invited to attend. See you in Lodge.

Our first meeting was held on September 9, with 55 chapter members attending. It was a very good meeting. We voted on a number of candidates to receive their degrees.

We honored "Dad" Herrick with an inscribed plaque for outstanding service to the Fort Wayne Chapter.

"Dad" Melvin Ehrman was appointed Governor of the fourth district by Judge, Robert A. Orant, Executive officer for the State of Indiana.

Those interested in bowling contact the Master Councilor, for a bowling team. The Rifle Club meets on Friday nights at the Army Reserve Center on Nuttman Avenue. Those interested in the DeMolay basketball team come to the October 14 meeting and sign up with Joe Haynie.

We hope that everyone will bring a petition on October 14, so that we may have a large class on October 28. We would like to continue having good attendance at all of our meetings. Your comments are welcomed at these meetings and appreciated.

See you all at the Hayride on October 3. Do you have a ticket? If not, contact me or an officer from your school.

Notice: DeMolay Mother's Circle Meeting on October 19, 1964, at the home of Mrs. Emery Tucker. Meeting begins at 8:00 p.m. The address is 1222 Home Avenue.

Federal Tax Laws Favor Gifts for Masonic Home Con't

duced to 16% to 76%. This tax cut makes more income available for charitable giving.

2—Under the previous law, individuals were allowed to deduct up to 20% of their adjusted gross incomes for gifts to the Indiana Masonic Home Foundation and other charities. This limitation has been increased to 30% of the adjusted gross income.

3—A new "carry-over" provision has been added, so that gifts above the 30% limitation may be carried forward and deducted in the five succeeding years, subject to the same 30% limitation in any one year. This means that a gift to the Foundation

equal to 150% of its donor's income would be completely deductible over a five-year period.

Cost of Giving Reduced

"Bear in mind," Mr. Schultz said, "that deductions for charitable contributions serve to reduce income that would otherwise be taxed at the highest applicable rate. As income goes up, the cost of giving goes down. However, you need not be in the high tax brackets to benefit from these tax savings."

Here are examples of the income tax savings that result from gifts to charitable organizations like the Foundation:

Mr. and Mrs. A. B., a married couple with a net taxable income of \$10,000 (after exemptions and other deductions), make a gift of \$400 to the Foundation. Their tax is thereby reduced \$94, making the net cost of their gift only \$306.

Mr. C. D., a donor in the 75% tax bracket, makes a cash gift of \$10,000 to the Foundation. He actually gives \$2,500 of his own money. The government "gives" the other \$7,500, the amount of income tax that would have been due if Mr. C. D. had not made the gift.

Estate Also Benefits

Mr. Schultz emphasized the fact that a gift made during a donor's lifetime will often give rise to more favorable estate tax consequences than a gift made by will. "A deduction against income," he said, "usually frees more money than a deduction from a deceased person's estate. The donor's taxable estate upon his death will be less because of the gifts made during his lifetime."

Persons who wish to remember the Indiana Masonic Home Foundation through gifts while living or through bequests in their wills should contact their attorneys, tax accountants or trust officers for detailed information on how they can take advantage of the tax laws to make their charity dollars go farther.

Such gifts and bequests should be made payable to the Indiana Masonic Home Foundation, Inc., Masonic Temple, 525 North Illinois St., Indianapolis, Ind. 46204.

How little it costs,

If we give it a thought,

To make happy

Some heart each day,

Just one kind word,

Or a tender smile,

As we go on our daily way.

Perchance a look

Will suffice to clear

The cloud from a neighbor's face,

And the press of a hand in sym-

pathy,

A sorrowful tear efface.

It cost so little I wonder why

We give so little thought;

A smile, kind words, A place,

A touch, What magic

With them is wrought.

night huh? We had our Beauceant
Sister, Roxanne, who now lives in
Columbus with us too. It is such fun
to have our regular gals come back
and see us. And cheers to you Anita,
with the extra effort we know you
have to make to come, — we surely
love to have you. The past Presidents
made a super showing too—there
were nine of them to be presented at
the station of salute. Our little gal—
Anondas (Our Worthy President) says
thanks to the three past presidents
who pro-tem for her. Chaplain,
Mrs. Vance Knight, 2nd Vice Presi-
dent, Mrs. John Kayser, and Precep-
tress, Mrs. Myron Millhorn. And al-
so thanks to Mrs. Roger Shafer as
Outer Guard. She also says thank
you very much for birthday greet-
ings, calls etc.

Now for calendar circle dates —
October 5th Mesdames — La Past
Presidents — You are to meet at
Nell Putman's and Bea Koch will be
co-hostess.

Now back to September for a bit—
Charter Member Night will be a gala
affair — It will have programme
etc.7 And the program will be pre-
sented by Fort Wayne Bethel No. 8
Job's Daughters, of which the Honor
Queen is Carole Weesner. The corps
of Officers will do their formation
of the cross and formal closing for
us.

Our illness of the summer are
coming along fairly well. We do have
some recent accidents Enid Gahman
fell while away in Michigan—on a
broken sidewalk—and the sidewalk is
being repaired. Remember that old
adage—look up the barn door after
the horse has run away?

Thelma Adams has had her bout
with illnesses too. Her mother and
dad both fairly well along in years
have been ill. We'll keep you all in
our prayers.

The Tom Housers had a wedding—
and have a son-in-law of whom they
are right proud.

Keep in mind that soon—all too
soon it will be late fall—houseclean-
ing? sad—but must do and this
brings about the idea of Rummage
Sale. Enid Gahman is in charge—
so contact her as you accumulate the
goods.

Next time I'll tell you about the
nice surprise the Charter Members
are going to receive at the Charter
Member Program par excellence on
September 15th.

Anondas is going to read this very
lovely poem Tuesday the 14th too.

Dear Charter Members

Tis' with pride that we love you
For the precious moments spent
In building what Beauceant stands for,
In faith, loyalty and love.

To its members 'tis meant
We cherish the moments in helping
others

To see and others who cannot help
themselves

A friendly handshake and wish them
well,

For God, would have it this way.

So thanks to you who have carried
on

This great task well done
And may we ever be mindful

To be Loyal, Strong, and True
To let the Great Master Steps be won.

And y'know what—it's Hi, Ho-Hi,
Ho — The Kerleys will be off to
Tokyo! So—you should really hear
some little highlights next time—
from far—away Asia!

Self-praise has no real value. Put
it in the same class as anything else
you get for nothing.

girl is usually astonished at the will
o' the wisp.

The golden gift of love is filled
With peace and gracious things,
And from its essence is distilled—
The best a lifetime brings.

Your Worthy Matron is indeed grateful to all who helped with our Inspection. I know it takes much hard work and a great bit of sacrifice so far as time and energy goes. The Social Committees from all Chabpts worked hard to prepare and serve the delicious meal. The Decorating Committees put many hours into beautifying both the dining room and the Chapter Room. Again, my personal thanks.

To the Worshipful Master, A. Paul Staigh, and members of Maumee Lodge, many thanks for your kind consideration. Our ladies enjoyed serving you. Again it has proven "When there is a will, then there is a way."

It was nice to be back in our Chapter Room September 8th, after a pot luck dinner in charge of the Program Committee; the covered dishes brought in by each member were delicious. This was "Back to School" night, reviewing the twelve Landmarks of our Order.

On September 9th a 6 p.m. dinner was served to the Grand Family and to our members, on tables decorated with lavender flowers and candles. At each member's place was a small white leather note book and pad with an Eastern Star on the cover. Guests at the head table were presented with a china angel who was holding a musical instrument, in keeping with our Worthy Grand Matron's Watchword "Kindness, Sincerity, Music and Prayer."

Decorations in the East consisted of a church scene complete with huge windows, life size choir boys, and a ceramic plaque of "Praying Hands" on the wall. Ferns were placed in the East, along with a silver container of pink, white and purple yacintins. A lavender wisteria tree, together with a beautiful scroll reading "I, the Lord thy God, Will hold thy right hand, Saying unto thee, 'Fear not, I will help thee', Isaiah 41.13, were in the West.

New Haven and Trinity Chapters furnished the beautiful lavender Programs, with a church painted in pink and silver on white, which are the W.G. Matron's colors. The choir sang a special song for W.G. Matron Peggy Scott as she was escorted East under four arches made of lavender net with huge silver letters spelling "Kindness, Sincerity, Music and Prayer."

New Haven Chapter 593, Trinity Chapter 576 and Star of the East Chapter 514, presented Life Time Memberships to Sister Peggy Scott,

and she also accepted them for Bro. Aaron Elliott, who was ill and could not be with us. Sister Peggy Scott said she would treasure them and our love and affection that went along with them. She also thanked the Chapters for the monetary gift and corsage presented to her.

Sister Peggy said the scroll in the West, "I, the Lord Thy God", etc., means so much to her, because with God's help we can do all things; if we will but place our hands in His, then we need not fear, and if we will only lift our eyes to Him, He will speak to us. We know that He is always with us wherever we may go.

If we will let the Master have control of our lives, He will work through us. He has given us talent and potential, but it is up to us to use them. Sister Peggy added that we all have talent and can use same in helping in our Star work, which takes many hours of planning and working with loving hands, and it cannot be done with just one or two hands. She said "There is much we can give our Order, and there is much it can give to us."

Sister Peggy said she was impressed with New Haven's W.P. Donald Stark's work and the Scriptures given in the initiatory work, since the Scriptures mean so much to her.

Sister Peggy said we were fortunate to have Bro. Clayton Herrick, Grand Associate Patron, with us for the dinner, Baby Dedication, Fifty Year Award and Inspection. She thanked him for his assistance and wished him the best of luck in the future.

It was a pleasure to have so many Grand Officers with us and we look forward to a return visit from them. Don't forget our Rummage Sale—Change of date and place—October 7th, one day only — at Grindley's Auction — 1305 E. Lewis St. If you have any items and are unable to bring them down, please call anyone of these numbers: 744-0563, 743-0061, 422-9524 or 749-9008.

October is traditionally the month of Friend's Nights and many of our officers are guests in neighboring chapters. Support your officers by attending with them — they appreciate your loyalty and you'll enjoy seeing how other chapters operate, and soon have friends in many chapters throughout our district.

More than 40 members journeyed to Muncie Sept. 15 where we enjoyed "Fort Wayne Night". A strong bond of friendship has been born thru the relationship of our Grand Associate Matron and Patron; we want them to know we are behind them all the way. If you've never been a part of one of our bus trips you just don't know the fun and fellowship you've missed. Don't let another opportunity pass.

Fort Wayne Chapter, in co-operation with other area groups, brought for our enjoyment five speakers, all members of Women's International Speakers from Embassies, for Friends Night, Sept. 17. This group, in native dress, told of their ways of life and their belief in united effort for people-to-people friendship. We are proud to have brought this group who thru international understanding not only hope for lasting world peace, but are doing something about it.

Noble wishes are not noble deeds, And he does least who seeks to do the whole:
Who works the best, his simplest duties heeds;
Who moves the world, first moves a single soul.

A 630 dinner October 1st will usher in a "Festival of Stars", our "Stars" being Past Matrons and Patrons. It'll be a pleasure having them in the stations and our opportunity to thank them for their devotion to the chapter. Be on the committee to show them our gratitude. If you haven't made your dinner reservation, call Sister Carol. If you can't make the dinner, don't let anything keep you from attending Chapter's Festival of our own Stars.

If you'd like to spread a little sunshine and in turn be richly rewarded, plan now to join the caravan to the Masonic Home October 11th. There'll be a noon potluck—bring a dish (Social will furnish the main dish) and your service — and there'll be a program in the afternoon. If you can go, let Vera or Carol know.

There is no friend like an old friend.

Who has shared our morning days,

No greeting like his welcome,

No homage like his praise.

Fame is a Scintillating flower—

With gaudy crown of gold,

But friendship is a breathing rose

With sweets in every fold.

The above poem seemed to fit

right in with a coming event in our

calendar year—Friends Night—a time

when we have the opportunity of

greeting old friends and the privilege

of making new ones in the district.

Be sure to mark Oct. 16th with a big

circle to remind you that this is a

night you can't afford to miss—we

need the joy of social life and here

we find it among our friends. See you

Oct. 16th?

Another milestone in the Chapter

year has just been passed—that of

Inspection of Star of the East, New

Haven and Trinity Chapters, we hope with flying colors. At least a lot of effort and hard work was put forth by all of our members who helped to make this occasion a success. Which reminds me of a saying. "He who does the best his circumstance allows, does well, acts nobly, angels could do no more." Any way we owe a lot to those who gave of their time and talent. Thanks heaps.

Buttons and Bows: A daughter was born to Sister Shirley Graboski. She is also the granddaughter of Sister Jerry Dunlap. Here comes another double header—Sisters Dawn Haskill and Esther Enslan are grandmothers to the same baby boy. Sister Dawn is the maternal grandmother and Esther is the paternal grandmother. If this keeps on we can write our own slogan—"this is the year that was."

Report of Illness: In Chapter, Sisters Edith Sherwin, Vera Hinderer, Edith Haskins, Daught Laswell, Blanch Watson and Edith Hall. Also we understand Sister Myrtle Ellenwood has been under the weather.

Illness in family: The husband of Lila Hawks and son of Idelle Fredricks.

Death in Chapter: Sister Mary Whiteman.

Death in family: The father of Brother Elmer Spahr and Father of Sister Velma Welch. To those who are ill we wish a speedy recovery, to those in sorrow we extend our deepest sympathy and to the new parents and grandparents our heartiest congratulations.

Calendar of events for October:

Cheer, Oct. 5 at 1:00 p.m. Hostess

Edlin Hutchinson and Iona Morrow.

Social, Oct. 6, evening. Hostesses

Grace Truby and Phyllis Roop.

Sewing and Dec., Oct. 6, evening.

Hostesses Demaris Hutton and Loraine Bellis.

Officers, Oct. 26, evening. Hosts,

Elmer Spahr and Ralph Weesner.

Ways and Means, Oct. 27, evening.

Hostesses Deloris Forst and Della Weesner.

From round and about our Court:

Our H.L. Merle Paul, found time

while in Italy to write, thanking

those who had given her a "Bon

Voyage" party, and presented her

with a "Trip Book" in which to keep

a record of her comings and goings.

The party was a little surprise planned

by H.L. Hazel Dehler and the Cheer

Committee, at the home of H.L.

Hazel.

Via the Grapevine, comes the word

that H.L. Mary Wilson is heading

into the deep South, to pay a visit to

her son, Lt. Allen Wilson and his

family. She will then head West into

the great state of Texas, where she

will visit a friend near Dallas. Don't

get lost Mary, it's a big state.

HOSPITAL FIGURES

In one typical month the Hospital

at the Indiana Masonic Home in

Franklin took 138 X-rays, made 17

electrocardiograms, gave 492 physical

therapy and X-ray treatments, made

1,880 laboratory tests, and dispensed

\$3,086 worth of drugs. The Hospital

has beds for 200 patients.

Best wishes for a speedy recovery

to:

Members:

H.L. Harriet Flaugh at home, H.L.

Georgia Garrett at home, H.L. Nellie

Larmore at home, S.K. Clyde Gos-

Families:

Husband of H.L. Florence Nahr-

wold, Brother of H.L. Ruth Hensel,

Daughter-in-law of H.L. Emma Schell

HONORABLE MENTION

The Cheer Committee is one whose duties are many. We find them in many places, representing their Organization as Good Will Ambassadors. Sometimes we fail to give them credit for their many acts of kindness.

Therefore, we have chosen them as the committee of the month for the above title. This committee is comprised of the following members:

Chairman, H.L. Hazel Dehler; Co-chairman, H.L. Edith Paul; Secy., H.L. Helen Hopper; Hon. Mem., H.L. Norma J. Miller; Hon. Mem., H.L. Mary Connelly, H.L. Elizabeth Dull, H.L. Muriel Douglass, H.L. Grace Colby, H.L. Ann Forst, H.L. Myrtle Glass, H.L. Florence Nahrwald, H.L. Merle Paul, H.L. Viretta Schaefer and H.L. Nellie Stripes.

From round and about our Court:

Our H.L. Merle Paul, found time

while in Italy to write, thanking

those who had given her a "Bon

Voyage" party, and presented her

with a "Trip Book" in which to keep

a record of her comings and goings.

The party was a little surprise planned

by H.L. Hazel Dehler and the Cheer

Committee, at the home of H.L.

Hazel.

Via the Grapevine, comes the word

that H.L. Mary Wilson is heading

into the deep South, to pay a visit to

her son, Lt. Allen Wilson and his

family. She will then head West into

the great state of Texas, where she

will visit a friend near Dallas. Don't

get lost Mary, it's a big state.

Companions all! It has been a very pleasant summer, and now we should once again concern ourselves with the privileges and duties of our Masonic

way of life.

Your chapter is in great need of your support, both as a spectator and as a participant. Granted, there are great demands for our time and energy. Each of us must put forth greater effort and be determined that the pressures and pleasures of everyday life will not destroy our support of Masonry, and with it the very foundation of a strong and resolute nation! Companions, our way of life is being challenged forcefully and cleverly by those who would destroy our Masonic traditions. Whether those forces will be successful or not depend on your concern and willingness to take an active part in strengthening all Masonic bodies.

Your chapter has a very good dinner and meeting on the 18th day of September. The Grand Lecturer, Lloyd Young, will visit our chapter on the 2nd of October and the Chapter will be inspected on the Royal Arch Degree. We hope all Royal Arch Masons will attend. Dinner will be served on the 16th of October at 6:30 p.m. followed by a short business meeting and entertainment. Note: Dinner and entertainment for December will be provided by the Past High Priests. This is their night. Let us all plan to attend. I hope to see you in the chapter.

WASHINGTON RECEIVES 'MASONIC ORNAMENTS'

The following appeared in the American Masonic Record of February 3, 1827, and other Masonic publications of that time.

During the latter part of the American Revolution, a mercantile house was established at the instance of Benjamin Franklin in the city of Nantes (Nantes, France) by Elkanah Watson, who associated himself with a Frenchman by the name of Cassoul (Cossard). The object of the house was to receive the consignment of all the American vessels that escaped the English cruisers, and dispose of the cargoes of tobacco, etc., and return French fabrics, cotton, silk, etc., but more particularly to furnish supplies of arms and ammunition to the continental service. At that time Washington was known as a distinguished member of the Masonic Fraternity in Virginia. Messrs. Watson and Cassoul (Cossard), (the firm before mentioned) carried a magnificent set of Masonic ornaments to be embroidered by the nuns at an adjacent convent, who excelled in their execution of gold and silver tissue, and sent the same with a letter of thanks to Washington for his glorious efforts in the cause of independence, and noble sacrifice of his own preferment, to the welfare of his country. The following is his reply:

State of New York,
August 10, 1782

Gentn:
The Masonic Ornaments which accompanied your Brotherly Address of the 23rd of the first Month, tho' elegant in themselves, were rendered more valuable by the flattering sentiments and affectionate manner, in which they were offered.

If my endeavors to avert the evil, with which this Country was threatened, by a deliberate plan of Tyranny, should be crowned with the success that is wished; the praise is due to the Grand Architect of the Universe; who did not see fit to suffer His Superstructures and justice, to be subjected to the ambition of the princes of the world, or the rod of oppression in the hands of any power upon Earth.

For your affectionate Vows, permit me to be grateful; and offer mine for true Brothers in all parts of the World; and to assure you of the sincerity with which I am, etc.

—The New Age

that to know himself is the foundation stone of knowledge. Send him, I pray, not in the path of ease and comfort but the stress and spur of difficulties and challenge; here let him learn to stand up in the storm, here let him learn compassion for those who fail.

Build me a son whose heart will be clear, whose goal will be high; a son who will master himself before he seeks to master others; one who will learn to laugh, yet never forget how to weep; one who will reach into the future, yet never forget the past, and after all these things are his, this I pray, enough sense of humor that he may always be serious yet never take himself too seriously. Give him humility so that he may always remember the simplicity of true greatness, the open mind of true wisdom, the meekness of true strength; then I, his father, will dare to whisper, 'I have not lived in vain.' General MacArthur's Father's Prayer

HOME RESIDENTS EAT 'HOME-GROWN' FOODS

Much of the food served to the 438 men, women and children at the Indiana Masonic Home is actually produced on the Home's farm on the outskirts of Franklin.

All of the ham and pork served in the Home dining rooms is "home grown." The Home raises an average of 350 to 400 hogs, feeding them with field corn grown on 115 acres of its own farm land.

A 70-head dairy herd is also fed with corn from the same field and with pasturage from another 60-acre field.

Two special delicacies on the Indiana Masonic Home's summer menus are golden-yellow sweet corn and red-ripe tomatoes from the Home's own well-tended 5-acre vegetable garden.

A MOMENT OF PAUSE (The Masonic Record, London)

Half our anxieties and half our mistakes arise because we become excited before we know the facts. Each of us needs to have a mental filter to serve as a protection against our nervous anxieties. Great sportsmen, even in running to catch a ball or kick a goal, use what we call "a moment of pause" to see how to make the play. Even in rapid action, they wait for an instant to collect themselves. In that second, they decide swiftly but quietly what to do. All of us need this same "moment of pause" before we make an effort, particularly in troublesome situations.

We have all had the experience of becoming so confused and depressed when trouble comes that we make serious mistakes in handling our difficulties. It is not uncommon to realize how much better we could have done in coping with our problems than we did. Losing one's head in a crisis is an ancient weakness of man. Even Adam failed to keep his wits, and then blamed his wife for it.

One of the hardest secrets for a man to keep is his opinion of himself.

Brethren: October has been a very busy month for Leo Lodge No. 224. At the stated meeting we had the honor to present the fifty year award to Brother Harry Bender. This is a wonderful achievement and we hope Brother Harry many more years of good health and Masonry.

We had the privilege of having Brother Thomas J. Allen from Cardiff, Wales to visit us. He was very interesting to listen to and we hope he will be able to visit us again soon. After the Lodge was closed, light refreshments were served and a good time was had by all.

The Lodge of instruction was held at Harlan with a very fine turn out. Much was gained by all.

Let's not forget the homemade donuts being sold every Saturday at the Leo Lodge Hall by the Eastern Star. These girls have been doing a wonderful job and need our support. When asked to help, please don't refuse.

Brethren: Huntersville Lodge had the privilege of witnessing another 50 year award of "Gold" presentation.

Past Master and a 50 year member Walter Kell presented the award to Past Master Merle E. Robinson. Brother Robinson served as Worshipful Master in 1920.

There have been many explosions as to how the term "Free" came to be applied to Masons. Operative Masons frequently were free from local laws and in some cases free from taxes. They were free to travel from country to country in following their trade or art.

In modern days, however, it seems some feel the term means free from attending Lodge, free from obligations voluntarily assumed, free from giving aid to the officers, free from taking any part in the work, free from responsibility, free with criticism.

Let us be the kind who do not wait for free time in which to attend Lodge. We are free to do as we wish about these things, but no one can be a Freemason in the true and fullest sense unless he purchases that Freemasonry with his time, with his energy and by use of the facilities where-with God has blessed him.

Brethren, I will again mention about our "Past Masters" night. It will be Saturday, Oct. 10, with the Past Masters conferring the Master Mason degree. Open Lodge 5 p.m. Dinner 6 p.m.

The Fall Season has started off very auspiciously, with our Junior Deacon and a whole slate of new officers, putting on the entered apprentice degree in fine style, on Wednesday, September 9th. And Brother Dave Girardot has put his craft team through a stiff rehearsal, in preparation for the Lodge for Instruction on October 6th.

The big affair of the month was the Ham and Bean Supper, put on by the members, for the members, on Wednesday, September 30th. The meal was excellent and the program pleasantly informal. A good time was

had by all the Brothers who attended. Looking ahead into October, we find several important dates for our calendars. On October 3rd, there will be a Masonic Education Forum, from 1:00 to 5:30 at King Lodge No. 246, in Warren, Indiana. In addition to the Wardens, all junior officers are urged to attend, and in fact, all master masons are invited.

On October 6th, Brother Allen B. Bennett, the Assistant Grand Lecturer will hold a Lodge for Instruction for Monroeville Lodge and New Haven Lodge at New Haven. All Brothers of each Lodge are urged to attend, and support their officers.

Then, at 7:30 on Wednesday, the 7th, we will hold our October Stated Meeting. Later on in October, our Junior Warden, William Youtz will put on the Fellowcraft Degree, probably on the 21st.

Finally, my Brothers, think of what Masonry has done for you; then think of what Masonry could do for you if you really participated in the work; and then, think of what you can do for Masonry.

Brethren, By the time you read this, our centennial celebration will be all over and we will have only (I hope), pleasant memories of this high light in the history of our Lodge. We will have been reminded anew the heritage we have received from our early, and hearty brethren. The anxieties which I have, at this writing, concerning all the things which might go wrong, and thus detract from the effectiveness of this day, will be over.

Our officers, and many of our wives, went to the Centennial Ceremony which Ossian Lodge No. 297 had Saturday, Sept. 12. We would like to congratulate the brothers there for a wonderful evening and for the fine program and dinner we enjoyed. We wish them many more successful years as we are sure they will have, from the spirit we saw displayed there Saturday. We enjoyed meeting and talking to many of our Grand Officers there and are looking forward, at this writing, to seeing them again at Harlan. We especially enjoyed hearing our Grand Master, Brother Clyde E. Flowers, deliver the principal speech of the evening, and the voices of the Scottish Rite Choir.

In thinking about what has been handed us from our early brethren, we are each reminded of the things we must do today to insure future generations of Masons a heritage equal to that which we have inherited.

OUR MASONIC INFLUENCE
The Cryptic Riter, N. Y.

The influence wrought by Freemasons on the events which led to the founding of this nation is tremendously significant, chiefly because of the moral importance which these men helped to infuse into the concepts of freedom and government. The most remarkable fact about the winning of American independence was the "tone" set for it by its most distinguished leaders, a spirit of noble convention, or rather emulation, which has earned for a man like Brother George Washington international respect and acclaim. In spite of enmity, bloodshed, suffering, and bitter partisanship, the founding fathers displayed an unusual confidence in man's potentials for brotherhood and understanding.

Of all the forms of government that man has devised, democracy is the outstanding achievement, because only democracy places the rights of the individual first; all others make him subservient to the State. Throughout the world today there is restlessness. Old traditions are being cast aside and attempts are being made in certain places to discard things of the spirit. It is our duty as Masons to continually work for the things that belong to God. We must ever be on guard to oppose and deal with those forces which in their subtle way are at work to discourage us in our own efforts to advance the things of the spirit. When the principles of Masonry are strictly observed it is a sure source of tranquility of life. It imparts real and intrinsic excellence to man, and renders him fit for all the duties of society. The philosopher Santayana once remarked that if democracy is to succeed the common citizen must be something of a saint and something of a hero. This is a simple truth, for the success of a democracy's collective statesmanship depends on the intelligence and virtue of the common citizen.

To those two great democratic necessities Freemasons might well devote their loyalty and labors. This is a great country founded on a great moral ideal. It will remain great just so long as it preserves its virtue and intelligence. And that's what Masonic light is for.

SUPPORT FROM MEMBERS

The expense of operating the Indiana Masonic Home at Franklin is paid, in part, by per capita taxes on all members of Masonic Lodges and Eastern Star Chapters in Indiana. Masons pay \$4 each per year, and Eastern Stars pay \$1 each per year. The rest of the Home's operating budget of more than \$1,280,000 a year is met with the income from the Indiana Masonic Home Foundation endowment fund, bequests, gifts, social security and pension payment to residents at the Home, and miscellaneous payments from Lodges.

An ounce of performance is worth several tons of guesswork.

ATTENTION LODGE SECRETARIES

Wouldn't it be of interest, especially to new members, to know something of the history and background of their Lodge? The Fort Wayne area is rich in history and tradition and Masonry has been an integral part of its past. Perhaps if you put it before the Lodge someone would volunteer to write a history of their Lodge, when it was instituted, early members, etc. The Editor

A FRIEND

A friend, mark you, is to be and he alone who is "for you" always under all circumstances. He never investigates you. He likes you just as you are. He does not alter you. Whatever clothes you are wearing, it's just fine. He likes your moods and enjoys your pessimism as much as your optimism. He likes your success and your failure endears you more. He is better than a lover because he is never jealous. He wants nothing from you, except that you be yourself. He is the one being with whom you can feel safe. With him you can utter your heart, its badness and its goodness. You do not have to be careful. In his presence you need not be discreet, which means that you can rest. There are many faithful wives and husbands, but there are few friends.

Friendship is the most admirable, amazing and rare article among human beings. Anyone stands by you when you are right, a friend stands by you when you are wrong. Like the shade of a great tree in the noon-day heat is a friend. Like a home port, with your country's flag flying, after a long journey, is a friend. A friend is an impregnable citadel of refuge in the strife of existence. It is he who keeps alive your faith in human nature and makes you realize that this is a good old world after all. He is the antidote to despair, the elixir of hope, the tonic for depression, and the medicine to prevent suicide. You give to him without reluctance and you borrow from him without embarrassment.

When you are vigorous and spirited you like to take your pleasures with your friend; when you are sick you want to see him; and when you are dying you want him near to close your eyes and offer a silent prayer to Almighty God that your soul may forever rest in peace.

Honorable Alonzo G. Hinkley, Rocky Mountain Consistory Bulletin.

ON SAYING "NO!"

Pulitzer Prize historian Bruce Catton tells a story about General Robert E. Lee to the effect that at the christening of a friend's infant son the child's mother asked him what word of guidance he might offer the baby at the beginning of his life's journey. Lee's reply was simple and direct. "Teach him," he said, "to deny himself."

As we read them today, these are strong and potent words, all too seldom spoken and still more seldom heeded. How often does the average parent, regardless of economic status, follow the advice of the great soldier whose unadorned words shine with such brilliance from history's pages? It is a good question.

Self-discipline is not given much emphasis these days either in our own lives or the lives of our children

in their formative years. Yet, to learn to do without is one of the great sources of strength in a competitive world. Self-indulgence, on the other hand, as the last decade or two seem to have shown, lead only to moral and spiritual flabbiness, a kind of decay that so weakens us as individuals and as a nation as to be potentially fatal in time of crisis.

In his brief story about General Lee, Mr. Catton very properly points out that the world of today offers many great opportunities but that these, in turn, involve struggle. He also observes that the self-indulgent, those who have never learned the difficult lesson of how to say "No!" cannot win that unceasing struggle because they have never developed the spiritual backbone and firmness of character known to Masonry as fortitude that alone can withstand moral disintegration and decay.

Authority and discipline are by no means peculiar to totalitarian regimes, but they are far easier to bear when they are self-imposed rather than when they come from external sources. The strength of this Republic has always been found in the activities of those persons and groups that have emphasized duties as well as rights, responsibilities as well as privileges, restraint as well as unrestrained freedoms. The essence of this kind of discipline—the kind that shines forth from every Masonic symbol and allegory—is to be found in the conviction that, in the exercise of the rights given him by his Creator, every man will eventually be held responsible for his actions, the measure of those responsibilities being derived from the Decalogue and the Sermon on the Mount.

All of this has, as a matter of course, a direct and immediate bearing upon our national character and our destiny as a sovereign Republic. We are being given a choice between self-discipline and self-indulgence, and four simple tests will serve to show the status of that character as of now: (1) Are we willing to work as were our predecessors; (2) As citizens, do we place first our responsibilities and second our rights; (3) Are we more interested in freedom than in security; and (4) Has our spiritual growth and development kept pace with our material and technological progress?

The New Age

THE HABIT OF INDECISION

William James, the famous psychologist, declared, "There is no more miserable human being than the one in whom nothing is habitual but indecision." You would be surprised to know how many there are in this fix. If you find it difficult to make decisions, even small ones, the thing to do is force yourself to decide, one way or the other, quickly, even at the risk of making a mistake. Wiser people than you have made mistakes, but they had enough starch in their spiritual spines to make them!

The way to avoid the habit of indecision is to face decisions squarely, not dodge them. Weigh the alternatives involved as if you were a judge deciding somebody else's problem. Then decide. Once you have made your decision, put out of your mind all doubts as to whether you have made the right decision. Time will reveal that. By deciding without dilly-

dallying you will have made future decisions easier to handle. The Little Gazette

TELL THEM

By John R. Nocas, M.P.S.
"He didn't know what he was getting into!" Have you ever heard this when you asked why Brother Smith had never come back to Lodge after his third degree?

Yet the astounding truth remains that "they don't know what they are getting into" because we don't tell them!

Tell your candidate about Masonry; its origin and history, its past greatness and achievements, our present hopes and aims.

Tell him that at first the customs and phrases of Masonry will seem strange, and perhaps ridiculous—but that he will grow to understand and cherish them.

Yes, tell him all this and more—but, most important, tell him we are not perfect, tell him our shortcomings.

Tell him there are worthless Masons—but name some of the great ones.

Tell him there are foolish Masoos—but many that are wise.

Tell him there are intolerant Masons—but that we will preach tolerance until the end of time.

Tell him that some of our members are petty and quarrelsome and that they will hurt his feelings—but that we expect him to remain unperturbed by such displays of human frailty.

Tell him about our Constitution Month observance — and that we hope he can lend a hand here.

Tell him we don't want just his dues — but his time and his energy.

Tell him he is joining that select group of men who, from time immemorial, have worked, fought and died that others might hold their heads high with the dignity that only free men can know.

Yes, tell him all this so "he'll know what he's getting into."

THE PHILAETHES

LODGE NAMES ANALYZED

(Exchange)

What names for Masonic lodges are the most prevalent in the United States and, therefore the most popular? Owing to the fame of Solomon's Temple, both physical and philosophical, most members of the Craft would probably guess that more lodges would be named after Israel's great king than any other person.

However, such a conclusion would be erroneous. The Muskegon Masonic Monthly has made a statistical study of lodge names and gives the following data. Hiram leads with 62 lodges so named; Washington next with 61; the Saints John are third with 59; Harmony is fourth with 50; Franklin and Solomon each have 45 lodges named in their honor; Aca-cia, Eureka, Mount Moriah and Temple are tied each having 43; Lafayette has 30; Corinthian 37; Union and Unity 27.

Other names in frequent use are Delta, Meridian, Euclid, Tyrian, Oriental, Tuscan, Keystone, Ashlar, Amity, South Gate, East Gate, West Gate, America, Joppa, Landmark, Garfield, Albert Pike, Harding, McKinley and Theodore Roosevelt.

Our heartiest congratulations are extended to the Fellow Craft Club for a three fold job well done. The month of October found them sponsoring a fish-fry on the 16th which drew an estimated crowd in excess of 400 persons. In addition, the Grand Lecturer on October 14th orally complimented this Club for the excellent manner in which they participated in the MM degree, and thirdly, the visitation to Montour Lodge #168 at Painted Post, New York echoed with a success and performance that every member should most certainly be proud of.

We hope that you all enjoyed our Annual Homecoming and took the opportunity to renew acquaintances and to experience an evening full of good fellowship.

May we take this opportunity to congratulate four newly raised Master Masons: Robert Fulford, Darrell Huntley, Laurel Taylor and Daniel Grant, and may we wish them a life filled with rich Masonic experiences.

It appears as though we will raise six Master Masons during the month of November. Our schedule will be as follows:

E.A. Nov. 13, Dinner, 6:30.
F.C. Nov. 20.
M.M. Nov. 27, Dinner, 6:30.

Brethren: It is now the time of year that we are reminded to give thanks to our Divine Creator for the many blessings we receive. In return for these blessings, let us give a little of our time and love to a friend, each day. Then, if we include the welfare of others in our prayers, great will be our reward.

God's Promise

God has not promised skies always blue,
Flower strewn pathways, all our life through;
God has not promised sun without rain,
Joy without sorrow, peace without pain,
But God has promised strength for the day,
Rest for the labor, light for the way;
Grace for the trial, help from above,
Unfailing sympathy, and undying love.

Our deep and sincere sympathy to the family and friends of Harry Glenn Lloyd, Garland W. Obenchain and Clayton R. Brosher. May God's love comfort them in this time of sorrow.

Those who are ill at home: Lawrence Richert, Mrs. Robert Bogenschultz, Mrs. Jim Pollos, and Mrs. Frank Baptist.

May God grant a speedy and complete recovery to all who are ill. No one could tell me where my soul might be; I searched for God, and He eluded me; I sought my brother out, and found all three.

Brethren: As we move ahead into the busy holidays ahead, may I remind you to take an active part in your lodge and its activities. We still have a lot of fine meetings remaining in this year, with degree work, hospital visitation, family night and election, to name a few. It is for your pleasure that a Master and officers of Home Lodge plans their programs. So why don't you come to lodge and see the fine ritualistic work and lectures and programs these men are doing for you. I'm sure your time will be well rewarded and you'll go home with a warmer feeling of freemasonry in your heart. There is something here in lodge for each and every one of you. So let each plan to attend at least one meeting this month.

I know that most of you have by now received your dues reminders. Let's get busy and get our dues in early and please remember the Masonic Home contribution. They depend on each of us for support, so let us not disappoint them, but rise up 100% to support them.

Within the next few days cards will be mailed out for our annual Family night. This year there will be a charge of one dollar for all adults, with children under 16 admitted free. I hope all of you will plan to attend as we have a wonderful program planned for you. Family night will be held on Dec. 5. Reservations for Family night should be mailed back promptly, so that we can finish our plans for this line evening.

Brethren, I'd like to remind you that Bro. Claude Howards is on the sick list. We wish him a speedy recovery and I'm sure he'd enjoy a visit from any of you brethren.

I want to thank all of the officers and members for the very fine job they did on Oct. 13 for our inspection by the Grand Lecturer.

Some time ago the Grand Lodge recommended that each Indiana Mason contribute at least one dollar per year to the Masonic home and for each Lodge that contributes an average of one dollar — that Lodge would receive an award for 100% participation. Maumee has never received this award and we are very anxious to earn it this year. This is one way we can honor our distinguished brother, Clyde. Send in your one dollar or more and let us put this over in fine fashion. How is your "faith"? Are you satisfied with your faith? If you want to strengthen your "faith" you might read the book of Job. (Which reminds me); Speaking of the book of Job, on Saturday, Oct. 10 Wayne-dale Bethel J.D. had their examination and have now become Wayne-dale Bethel #128. The Lodge congratulates these girls on their pre-ferment. I invite every one of you Brothers to witness this beautiful and meaningful work.

I have appointed a building committee for the ensuing year to consist of the following:

The Master plus incoming Master. The Sec. plus incoming Sec. The Treas. plus incoming Treas. The Board of Trustees plus incoming Trustee.

This committee will meet, discuss, gather information, etc. on procurement of land and the building of a Temple. Brethren, we must study this problem, so if you have any questions or suggestions or information or help — please contact anyone on this committee so that someday in the future the body of the Lodge may act on this matter with intelligence.

We are planning to hold a Table Lodge in the latter part of December in honor of St. John the Evangelist, we'll know more about this later.

See you in lodge.

PRINCIPLES OF A MASON

(The Freemason, Oregon)

The principles of a Mason are, or should be something beyond reproach. The eyes of the world in general and the neighborhood in particular are upon him, not from a critical standpoint, necessarily, but he is definitely in the limelight. It is up to us as individuals how we register with the outside world. One is never neutral; he is either an example for someone, or a stumbling block. If the principles of the fraternity are made to stand out upon us as individuals, there is no doubt as to the result of our influence. Again may we remind ourselves that it is up to us, whether we are shining examples for the public to observe, or whether we live in our shell, so to speak, die, and are soon forgotten. Many of us, I am afraid, are not conscious enough of the eyes that are upon us. The only conception that the outside world has of our fraternity is in the manner and behavior of our membership.

The good Mason is ever mindful of his obligation, the duties attached, and the dispensation of them. Our chief duty, certainly is to God. His work should be a constant challenge to all of us. Our beloved Order certainly requires the teachings and influence of our churches, so why shouldn't we become active in the church of our choice? On the other hand, the churches of our land need us.

The child of today is our Mason and citizen of tomorrow, so why shouldn't we have a hand in molding their lives. This can best be done by helping encourage them to attend their church and attending it with them. You may be their ideal. The better they see you, the better individual they are likely to become. The molding of the lives of our young people, as well as the influencing of the adults, is a responsibility that we cannot afford to ignore. We should all rededicate and strive a little harder to contribute our little part toward making these lives of ours more Godly, thereby making ourselves a part of a more Christian world.

This would I hold more precious
than fine gold,
This would I keep although all
else be lost:

Hope in the heart, that precious,
priceless thing,
Hope at any cost.

And God, if its fine luster should
be dimmed,

If seemingly through grief it may
be spent,

Help me to wait without too much
despair—

Too great astonishment.

Let me be patient when my spirit
lacks

Its high exuberance, its shining
wealth;

Hope is a matter often, God, I
know,

Of strength . . . of health.

Help me to wait until the strength
returns;

Help me to climb each difficult
high slope;

Always within my heart some
golden gleam—

Some quenchless spark of hope.

NOVEMBER

This is the month when ten thou-
sand leaves — from restless trees —
always manage to fall in our yard;

And the nervous turkey gaily
struts — while squirrels hurriedly
gather the brown, ripe nuts!

Only two months remain for us
in 1964. We'll all be busy making
and carrying out plans for the Holi-

days and winding up the affairs of
the ebbing year. But let's all pause

long enough to be properly thankful
for the many blessings received thus
far. Pray for a twelve month record

of real accomplishment and resolve
to include some fraternal good deeds
in your schedule! It's worth a try.

Calendar for November:

Stated meeting on Friday, Nov.

13th. This will be prospective mem-

bership night with a pot luck dinner

at 6:30 p.m. Each member is urged

to try to bring a prospective member

as his or her guest. Soj. Hilda Camp-

bell, District Chairman of Member-

ship, will be in charge of the pro-

gram.

Stated meeting on Friday, Nov.

27th. Material Objective Night. Soj.

Myrtle Glass, a member of this com-

mittee, will discuss the recent accom-

plishments of this most worthy Su-

preme charity. All sojourners will

surren be receiving the envelopes in

which they may place their yearly

donation of \$24. Over 200 cases

were reviewed by the Supreme Mate-

rial Objective Board in 1963 on which

they spent in excess of \$86,000 to-

ward the rehabilitation of those de-

serving persons.

Illness: Soj. Ina Hull is a patient

at Whitley County Hospital in Co-

lumbia City; Soj. Ruth Hickman is

home from a stay in Lutheran Hos-

pital; Soj. Ned Biddle is convalescing

at home following recent surgery; Soj.

Mary Rhea who suffered a foot in-

jury in July, is now able to get around

without the aid of crutches.

In families: Charles Nahrwold, hus-

band of Soj. Florence, is in Lutheran

Hospital;

Death: Soj. Cora McCullough

passed away on Sept. 17th. White

Shrine services were held a tite Mc-

Keep Funeral Home in Garrett on

Sept. 20th.

Our sympathy to the family of

Soj. Cora is extended by our Shrine,

and we trust those who have been

ill will soon be restored to health.

Congratulations: To Soj. Alton

White on his election as the new

treasurer of the State White Shrine

Association at the Fall meeting in

Indianapolis on Oct. 10th.

"Let us be thankful all through

the year for everything we hold most

dear; but be especially thankful this

Thanksgiving Day for every shining

hour along life's way."

more than 300 members attended a

The leaves are drifting down and
a new month is beginning. October
was exciting — We had a beautiful

banquet and inspection. I would like
to thank everyone who helped make

it successful, especially my officers
and Bonnie Long and her officers

from New Haven. Also, I would like
to express my sincere appreciation

for Mrs. Goss and Mr. Waggoner and
the other Grand Council and Grand

Bethel officers. Their presence made
everything perfect and we were very

thrilled that they were able to come.

Our first meeting this month will

be November 4th, our Pro-tem night.

The Pro-tems will take charge of the

Our second meeting is on Novem-

USEFUL TO MAN

(Exchange)

There is in the heart of every Ma-

thing to life that will outlive his

days on earth, that will be benefi-

cial to mankind.

A brother may have no great tal-

ent. He may not be blessed with a

position of eminence from which he

can make his voice easily heard by

the many. He may not have the

opportunity to select a dramatic mo-

ment to gain the spotlight of atten-

tion, yet in Masonry, in his lodge,

and in his community, he has an op-

business as a Master Mason and to

make his influence felt.

Such a brother may never receive

the plaudits of the crowd. He may

never be bedecked with costly medals,

but he will have the privilege of

making a substantial contribution to

society. This privilege is not denied

any Mason.

Masonic education is heard many

times. It should be repeated and re-

peated. When a person wants to be

Lord Jesus, grant us the ability to live as Thy children daily, in a manner that is pleasing to Thee. May Thy continuing goodness toward us ever lead us to gratefulness of heart and turning from sin. Teach us to understand that trials and tribulations can be true blessings. Fill our hearts with Thy peace that despite winds and waves of adversity we can yet remain calm.

On Friends' Night, September 22nd, W.M. Hilda Deeter greeted everyone with a poem which stressed that "Life is sweeter with the friends we have made along the way". Sister Sonoma Woodruff, Past Grand Matron, was greeted and welcomed with a song; she responded with a few remarks on the "Key to Friendship".

The special guests of the Chapter were presented with a gift made by the Sewing Committee.

A variety of delicious fruit salads were served by the Social Committee after Chapter.

We honored Esther at the October 13th meeting, with eleven Past Esthers in attendance.

In the East the Decorating Committee placed ferns back of a table which was covered with white satin, on which Esther's gold Scepter and Crown were placed. In the West were two beauty vases of white lilies, and the orchid placard with the Scripture "Whatever you wish that man would do to you, do so to them".

The Worthy Matron thanked the people who worked on and contributed to the recent successful Rummage Sale.

The Ways and Means Committee ask you to keep in mind all the items they have for sale, when doing your Christmas shopping.

The very capable and gracious Sister Helen Howard of Fort Wayne Chapter gave one of her outstanding portrayals of Esther. She was dressed in a beautiful gold gown, with headpiece, jewelry and slippers of Esther's time.

Past Grand Matron Sonoma Woodruff will attend the General Grand Chapter in Dallas, Texas in November. Also, our own Sister Tama Christopher, Grand Representative of Maine in Indiana, and her husband Clarence, will attend the General Grand Chapter in Dallas, and then she and Bro. Chris will go on an extended vacation to Mexico.

The Social Committee served donuts and coffee after Chapter, on tables beautifully decorated with white lilies, and white candles which were surrounded by huge quantities of orchid net.

We will honor our Drill Team Nov. 24th, and are looking forward to the entertainment that evening which will

be put on by the Fort Wayne Commandery No. 4, K.T. Drill Corps. Be sure and attend and bring your friends.

There is a destiny that makes us brothers;
None goes his way alone;
All that we send into the lives of others
Comes back into our own.

A star-studded tree decorated the East Oct. 1 for the "Festival of Stars" honoring Past Matrons and Patrons. We were delighted to have so many of our "Pasts" present. At the conclusion of the evening all Past Matrons and Patrons were presented "oscars". Before the meeting we enjoyed a delicious roast beef dinner prepared by Celia Stabler and her cooks and served by our ever faithful workers on Social.

After many frustrating delays, Sister Carol and her family have moved to 2339 Indian Village Blvd. We wish for them many happy years in their new home.

Some of our officers and members attended the chartering of Wayne-dale Bethel #128 at Ossian Oct. 10th. As sponsors and friends of these Jobs Daughters we certainly wish for them

a most successful Bethel.

About 25 members motored to Franklin Oct. 11 for the noon potluck and program. Six Home guests were delighted with the "home cooking" and enjoyed so much visiting with home town folks.

Sister Carol honored those who were responsible for her affiliation with Star and her Star family at the Oct. 15 meeting.

Always eagerly anticipated is the program presented by the choir. Nov. 5th our choir will go patriotic; you'll want to be there when the band starts playing. The officers will serve refreshments following chapter. Our special guests this evening will be our friends from Muncie chapter.

Nov. 19th designated as Point Night will honor the points and especially the Rub station, from which Sister Carol started her journey East.

A "Christmas Dream" is the theme for our Nov. 30th card party and bazaar at the Temple. The committee will be happy to accept any contributions for the bazaar. Tickets at only 75¢ may be obtained from Sister Carol or any member of the Social Cnmm. The program promises to put us in the holiday mood, and you'll surely find many gift items for giving (and keeping, too) at the bazaar, where hand work, bake goods and candy will be offered. Got your tickets?

Dues are payable the first meeting in November and delinquent as of the first meeting in January.

A going away party for Blanche Rasmus was held at the home of Helen Helms Oct. 13. The guests were all Past Matrons who presented one of their own with gifts wishing her well as she moves to the Peabody Home in North Manchester. Sister Blanche has been one of the most faithful sideliners in recent years and we'll miss seeing her in Chapter but certainly wish her well.

Thanksgiving Day
Over the right and through the wood,
To grandfather's house we go;
The horse knows the way
To carry the sleigh
Through the white and drifted snow.
Over the river and through the wood—
Oh, how the wind does blow!
It stings the toes
And bites the nose
As over the ground we go.
Over the river and through the wood,
To have a first rate play
Hear the bells ring,
"Ting-a-ling-ling!"
Hurrah for Thanksgiving Day!

We think of Thanksgiving day in terms of turkey and pumpkin pie and all the other goodies that go with it yet there is so much more to it than just feeding the inner man. It is a day set aside for giving thanks to our Heavenly Father for the many blessings we enjoy—not just the material things—but for our heritage as citizens in this great land of ours—happiness—loving families—freedom to worship—the right to choose our own way of life—we could go on and on. Let us count our blessings on this special day and every day in the year. What are you thankful for on this Thanksgiving, 1964?

We take this opportunity to welcome two new members in Trinity Chapter. Sisters Roxanna Bissell, daughter of Sister Mabel and Bro. Robert Robinette and Maryann Mullen, daughter of Sister Mildred and Bro. Ted Mullen. We share with these parents the pleasure of having two very charming and young members. Sisters Mabel and Mildred had the additional honor of assisting in the initiation.

Dec. 2nd is the date set for our card party and bazaar. Your support is earnestly solicited. Contributions of fancy work, baked goods, home made candies, etc. for the bazaar and of course bring your friends and spend the evening at cards.

It seems the baby business has hit a slump—Guess there is nothing we can do about that, however, we do have a new Grandmother—congratulations to sister Ola Willan.

Report of Illness: In chapter: Ned Biddle and Ralph Weesner — In family: Husbands of Sister Wanda Rippe and Cleo Garr, daughter of Sister Della and Brother Ralph Weesner, and the son of Sister Eugenia Wood. For those who are ill, we wish a speedy recovery.

Measure your life by the joys that it brings
NOT by the tears
Measure it too, by the smiles and the songs
NOT by the tears
Measure your life by your Friends and their love
And you'll find that your measure is true
You will also be rich in the things that count
In the years ahead of you.

One of the highlights of a Royal Matron's year, is the official visit of the Grand Royal Matron. This year was no exception, for it brought many members from other Courts, as well as our own, to our sidelines to share with us, the visit of G.R.M. H.L. Fanchon Eschenbaugh.
The only missing link was our own R.P. S.K. George Beach, who was hospitalized. S.K. Bill Maxwell from Truth Court, very ably filled the R.P. Station. Our Thanks to you S.K. Bill.

It was a real pleasure to welcome back, our own P.G.R.M. H.L. Mary Ellen Sible, who has been ill.

Honorable Mention
Any group of people, operating as a household, organization or business, be it large or small, has expenses. Therefore, the income must be as large as the expenses or the group of people fails. To supplement the dues income from Anthony Wayne Court #3, we have a Ways and Means Committee whose duty is to make money. This Committee works like "little beavers" all year long. They are like the proverbial housewife, "Their work is never done." They plan how best to make money and then pursue every avenue to make their plans come true. Their most recent project was a Rummage Sale, which I am told was very successful. So we would like to congratulate them on their accomplishments thus far this year. Those serving on this committee are:
Chrm. H.L. Mary Connelly; Co-Chrm. H.L. Emma Schell; Asst. Co-Chrm. & Secy. H.L. Ruby Mc-

Dowell; Monorary Mem. H.L. Norma Jean Miller H.L. Martha Brandenburger, Cecile Chevalier, Hazel Dehler, Georgia Garrett, Agnes Godfrey, Ivana Henemeyer, Ahleen Oliver, Loretta Rippe, Marie Stephen and Dorothy Wolever.

On a recent visit to Meridian, Miss. H.L. Mary Wilson was made an Honorary Member of the Naval Airs VT-9 Squadron, of which her son, Lt. Allen D. Wilson is a member. Lt. Wilson was awarded the Instructor of the Month honors. Our Congratulations to both.

From Round and About our Court
H.L. Ruby McDowell spent a week in Texas recently, visiting her sister, H.L. Ruth and S.K. Art Hickman have moved into a new home. Their address is 2120 Senior Drive.

H.L. Blanche Rasmus, one of our Charter Members, has recently become a resident of the Estella Peabody Memorial Home, North House, North Manchester, Indiana. She reports it is like a Lovely Big Hotel and is very happy. She hopes that many of her friends will visit her there.

H.L. Hazel Dehler recently spent a few days with her daughter, H.L. Sally Breitenbecher, who has moved into a new home. Her new address is: 2390 Lakeview Dr., Bellbrook, Ohio. H.L. Hazel's other daughter also has a new address which is: H.L. Joan Hand, 1725 Coral Gardens Drive, Ft. Lauderdale, Florida.

Almost every month has certain days which we celebrate. And in the month of November, we display the thankful plate; We're thankful for all that's good and for the harvest days And to Our Lord, the credit, We give with thankful praise.

We should live, not, for just today but for the morrow too, Be loyal to Our Jesus, and to our neighbors new; Greet them with a cheery smile and take them by the hand And lead them to greater heights, we're sure, they'll

understand.
The officers will meet at the home of H.L. Mable Travis, 7525 Grand Drive, Thursday Evening, Nov. 11, at eight o'clock p.m. and H.L. Verna Schane will assist.

We had our Friends Night, 14th and visitors from several Courts from over the State were here to help celebrate. On November 14th we will be honored with the presence of our Grand Royal Matron, H.L. Fanchon Eschenbaugh and Grand Royal Patron S.K. Leonard Adams who will hold their Annual Installation. Many other Grand Officers and members will also attend.

H.L. Katherine Abousamra had an operation but is improving nicely. The mother-in-law of H.L. Hallie Tenant passed away recently. We wish a speedy recovery for H.L. Sick and sympathy to the bereaved.

MISCONCEPTIONS

Among the misconceptions of Masonry may be mentioned:

That it is an institution organized for the chief purpose of idling secrets, the revealing of which is regarded by its votaries as a crime. Little short of murder and treason. In truth and fact, her so-called secrets are but a means to an end, and the unpardonable Masonic lie is the betrayal and prostitution of the high ideals for which Masons stand.

That the Mason's chief end should be to make a realistic photograph of himself, when in truth and fact his real purpose is to make a part of his thought and life the principles and precepts that are sought to be promulgated by the ritual. It is the man who stops with memorization of the ritual and does not on to get its meaning that never becomes a Mason, but remains forever a lodge member, and no more. —Louis Block, P.G.M., 1909

OBEEDIENCE TO LAW (Selected)

One of the great landmarks in respect for, and obedience to the civil law, and the government of the country where a Mason resides. The landmark makes no distinction as to the kind of character of laws that should be respected or obeyed. It embraces all laws. Respect to obedience to all the laws of our country, great or small, popular or unpopular, are therefore attributes of a true Mason. Anyone who disagrees with this disagrees with the supreme law of Masonry.

Our annual inspection on the Order of the Temple on October 24, 1964 was one of the finest orders conferred by Fort Wayne Commandery No. 4 in recent years. Our inspecting officer was Sir Harold Hood, Grand Generalissimo. The officers under the direction of Jack Walker, P.C., our Director of work, are to be complimented for their fine work. Our new Sir Knights are Sheldon Leiter and Norman LaRue. The inspection was followed by a dinner and dance. I want to thank S.K. Myron Millhorn who was General Chairman for the affair and all his committees for a really good meal and dance.

Don't forget the dinner at 6:15 p.m. on our stated meeting night by Fort Wayne Chapter No. 19 R.A.M. The menu for November 19th will be turkey and all the trimmings for Thanksgiving.

The drill team will put on an exhibition drill for the Star of the East Chapter No. 514 O.E.S. on November 24, 1964. Keep this date open and lets have a big turnout.

Hello - Way out there! And in Hawaiian fashion - A-Lo-Ha! My belpet at the office, Viola Wagley, is going to put this in typed form and dear Anondas, our Worhty President, will add a few mementoes of the Tampa Convention and our sick list - so here we go - to the Pacific - to the Blue, Blue Beautiful Island of Honolulu, Hawaii, where we have been - Saturday, October 2nd - Tuesday, October 6th, and Sisters, this can be done with credit - we are doing it - "Go now - Pay later". Do it now while you can enjoy it. We arrived here noon Saturday - 6:00 p.m. Fort Wayne time - sans sleep little, but the beauty of it all took away the tired feeling. Of course the plane was mostly tour people - we found folks who had lived right close to us in Pennsylvania - knew the same people etc. Of course the tour groups all got "Leis" and Aloha Greetings, but guess what - some big official - must have been a National Officer - bad I suppose 8 or 9 "Leis" (well 6 anyway) and a lady spotted my husband's Shrine Ring and said, "Are you Masonic?" We said "Yes." So she flipped off one of the Leis from the important official and greeted us Hawaiian Style - a kiss on either cheek. I told her I was from Beaucant and she, Mrs. Harry Clyde, is Queen of the Nile here. How about that!

Mr. Snow, General Secretary at Central Y in Honolulu, was detained, so a very nice Japanese family, seeing us sort of bewildered, insisted on bringing us here, after we had asked them for directions. So as I write this from the "Y" Penthouse (cute little efficiency apartment) the beautiful Pacific is in view on the right with the white surf rolling in. At night it looks like dainty lace pieces and suddenly it is all one. Out to the left is the Hawaiian landmark "Old Diamond Head".

Truly I can't describe the beauty here - it is everywhere - trees, flowers, ocean, buildings, people - it's all over.

The other night, we went out "big time" - ate at the Royal Hawaiian - it's plush, music and all. Then just down at the far end we also danced in the Surf Room. Just imagine - lovely Hawaiian music, softly played, lovely voices singing and that beautiful lacy white ocean sort of dancing in. Well, I had to take off my shoes and hose and wade in - (mmm nice and warm) and y'know what? The same little phosphorescent particles glowing in the dark. You gals from the New England coast - remember how they used to sparkle when we were kids? Golly, I know I must sign off, but just one more high light for now.

Sunday, October 4th (as you all know) was World Wide Communion Sunday. We went to Kawaishao Church (sort of Congregational in background) know as the Westminster Abbey of Hawaii. The service had both English and Hawaiian and the choir was just magnificent, probably about 25 men and women whose voices would challenge any tinkling silver bell. We sang our English words and they their Hawaiian for hymns - all familiar tunes.

One more thing. Right across from me is the Driftwood Hotel and at night it has a lighted elevator shaft - must be express to a Roof Garden and y'know what it looks like? - A huge white, fluorescent thermometer with a section of mercury fluctuating up and down! I se afeerd I se

rambled on and on so for now, dear friends. A-Lo-Ha. Mildred Kerley.

Our trip to Tampa to Supreme Beaucant was most easyable and I want you to know that our Bea Koch took part in the Thursday morning session in the examining committee, also Neal Putman was reporter for the Supreme President.

Our Assembly was honored to have a Supreme Appointment under our new Supreme Worhty President, Mrs. Edwin C. Hinkley. The appointment, Supreme Director of Music, was given to Nella Putman.

The Supreme Worhty President will make her official visit on November 3rd. We will have a Pot Luck on Mezzanine at 6:15 p.m. Hope to see you there.

Happy that Lucile ant Art Stein came up from Punta Gorda to attend on Monday and Friday. Gee, it was really great to see them. They make their home ia Punta Gorda.

Dorothy Gramling called us by phone to say "Hi" and to see if it would be possible for her to attend Supreme. It was great to hear from her.

We feel great that 9 members and 3 Sir Knights attended Supreme in Tampa, going by car, bus, and plane. Sir Knight Carter became lost in the Smokies because of too much fog; also came through real bad rain. They were late getting home but grateful all 16 in the car came home o.k.

Reports of the various committees were given by Thelma Adams, Florence Palmer, Mary Planck, Helen Brecount, Bea Koch, Isabel Masel and Nella Putman. Since your president was ill with the virus, she was unable to give her report at the first meeting.

On September 29th after the gals got back from Supreme the officers attended a little get-together party at the home of Anondas to review the bappealings at Supreme and also to review the Ritual. We were entertained by Bea Koch at the organ. Sure was nice, Bea. Let's do it again sometime gals.

Thanks again, Florence, for taking over my office at the last meeting. It was a job well done.

Anondas, president.

Illness: The wife of our Sir Knight James Johnston is in St. Joe Hospital for surgery and seems to be doing rather well. Our prayers are always with you.

Grandparents: Mr. and Mrs. Edward Kimes have a grandson. Hearty congratulations to all!

Inspections that you may wish to attend are as follows: Gary, Indiana, October 29. South Bend, Indiana, October 30th. Elkhart, Indiana, November 2nd.

We will have our usual night sewing on Monday, November 23rd.

Don't boast of your ability until you have successfully folded a batch of road maps.

Behold, how swiftly the sands run, and how rapidly our lives are drawing to a close. Many times we have heard that phrase, but how many of us take heed to it? I'm in the same dilemma as most other Worshipful Masters — rapidly running out of time. I'm sure the month of October has not been like the sands of time, "how they pass away almost imperceptibly," to many of you.

The big night of October was the "Past Masters" night, with the Past Masters conferring the Master Mason degree. I hope, and I'm sure every Past Master enjoyed himself conferring the degree, as I did witnessing it.

I would like to extend my congratulations in our J.W. Rodney Lamsaw, for organizing, and the work contributed by the Eastern Stars for the two fine dinners they prepared during the past month.

Congratulations are in order for Bros. Jack Davis, Delbert Hollinger and David Etter for being raised to the Sublime Degree of a Master Mason. Again we have a father and son combination at Huntertown Lodge. David's father, Thomas "Dewey" Etter was Raised in the Sublime Degree in 1952.

Brethren: November being the month in which Thanksgiving falls, let's not forget to give thanks for all our freedoms. The two most wonderful freedoms we as Masons possess are religion and free Masonry. So many times we take these for granted, but think of the many countries who are not so fortunate. Let's each take time out from the festivities of Thanksgiving and give thanks to the Supreme Ruler of the Universe for these freedoms.

Our November stated meeting was very well attended. Business was handled as usual and fellowship was enjoyed by all in the dining hall.

At the October stated meeting, I had the honor of accepting the deed and abstract for the land purchased for the new Temple. It was presented by the Temple Committee, who have done a wonderful job on this project. It shows what can be accomplished if we all work together.

Come and bring a visitor to our next stated meeting. First Thursday of the month.

Now that the Autumn Days are here, it will not be long before winter ushers in the New Year. This seems like a good time to think back over the year's accomplishments, both Masonic and otherwise, and resolve to make use of the last two months to do those things we have left undone, or to finish the tasks still to be completed.

New Haven Lodge has had a busy October. The Lodge for Instruction went off without any serious difficulty, and the Stated Meeting on the 7th was harmonious, as usual. On the 14th, your Junior Warden, Bill Yantz put on the Fellowcraft Degree in fine style, and as this was his first candidate at this work, he is to be congratulated. Brother John Summey, Senior Warden, did an excellent job of putting on the work of the Master Masons Degree on the 28th.

Looking ahead into November, there is only one date to remember and that is the Stated Meeting on Wednesday the 4th. At that meeting definite plans will be made about finishing the balcony and completing the carpet laying. Incidentally, Brother Bennett, the Assistant Grand Lecturer was highly complimentary about the improvements he noted in our Temple property, and urged us to continue the good work. So, those Brothers with ideas for, and the willingness to work on, the Temple, are urged to be at the November Stated Meeting.

On December 2nd the Annual Stated Meeting will be devoted to election of officers and reading of the Annual Report, and it behooves each of us to attend and find out whether we are traveling. And on Monday, December 28, New Haven Lodge will hold a Table Lodge in observance of the Feast of St. John the Evangelist. In closing, Brothers, let me urge you to re-read the letter I sent recently and think about the matters I brought to your attention.

Brethren, You who have been missing our stated meetings are missing a great deal more than you realize. In both our September and our October meetings we had an extemporaneous discussion. These have added much, I believe, to the fellowship that we have been enjoying in our meetings. Don't miss the opportunity to meet with your brothers in lodge.

On October 5th we had our Lodge for Instruction with Decatur Lodge. We had a fine time together, and received many valuable pointers from Brother Allen Bennett, the assistant

Grand Lecturer.

We are again having our program on Masonic Landmarks. This will be on November 12, in our stated meeting. It is being presented by Bro's. Mix, Chaffin, and Marquardt. We would like to have our Lodge room full for this very inspiring program, so come, and bring a Masonic Brother with you. Hope to see you in Lodge on November 12 at 7:30 p.m.

Brethren: We, at Harlan have had a very busy and enjoyable month of September, this our 100th year. Our Centennial is now over and we are looking forward to the next one. There is just one other thing connected with the last one which should be taken care of publicly. We wish to thank Russell Smith of New Haven Lodge for coming out to play the piano for us at the re-dedication of our lodge by the Grand Officers. In the excitement of the evening, I forgot to thank him in Lodge.

We enjoyed the fellowship of the officers from Leo Lodge at our joint Lodge of Inspection at Harlan Monday night, Oct. 12th. Some of us were not so good, but most did an excellent job and we all had a good time.

Far those of you who were not at our centennial, I would like to share an original poem written by one of our members especially to be read at the crossroad of our 100th birthday. Clifford Gorrell wrote it and presented it to us at the close of his presentation of our Lodge history.

Life's Crossroads

I came one day to my first crossroad,
Which way, my little feet did not know,

But a strong hand took my tiny hand
And led me the way I should go.

Another day at a crossroad,
The sign was over my head
When a sweet and lovely lady
Took time to read what it said.

And then once again at a crossroad
The markings were faded away
And a kindly grey haired gentleman
Remembered, and told me the way.

And then one day I came to a crossroad
Where the markings were clear and bold.
I willfully went the wrong direction
In search of pleasure and gold.

I finally came to a crossroad
My friends were waiting there.
True friends wait long and patiently,
They wait because they care.

I'll stand one day at a crossroad,
Eternity's Shore, so they say.

And I trust that my Heavenly Father
Will be there to show me the way.

Tonight, I stand at a crossroad
Where the way is dim, without mark.
Can I find someone to help me,
To ask, before I embark?

I stood not alone at this crossroad
Humanities hordes stand here too.
We're watching and waiting for someone,
Someone to help us through.

If I wait tonight at this crossroad,

Will I learn that I waited in vain,
That the one for whom I had waited
Thought only of worldly gain?

So please stop and wait at this crossroad

And see if someone is there,
Someone watching, waiting, hoping,
Praying that someone will care.

**MASONRY GIVES
(Exchange)**

I get fellowship with men whom I can respect and trust, men who believe in and practice the golden rule of life. I get inspiration in greater effort to attain in the highest ideal of relationship to my brother mason and my responsibility to him. I get better understanding of my dependence upon and obligation to the Infinite and peace of mind and rest in obedience of His commands. I get opportunity to extend in my brothers a helping hand till they see the Light and can teach others to build temples for the indwelling of the Most High. That's what I get out of Masonry, get it by putting in to Masonry the best there is in me in service to my brother Mason and in brothers who have knocked at the portals of Masonry.

DID YOU KNOW?

Did you know that the first Post Office was established in 1836 in Perry Township at the house of Charles Wicks. Mr. Wicks was appointed Postmaster, and held the position 2 or three years. He then resigned, and was succeeded by Mr. Jones who had formerly served as his assistant, and the office continued to be kept at the house of Mr. Wicks until 1840. In that year, William T. Hunter was appointed Postmaster, and the office was moved to his house.

Henry King Lodge No. 382 F. & A. M. — On the 29th day of February, 1868, a petition was signed by T. M. Andrews, S. A. Thornton, J. O. Beardsley, Iva A. Wert, F. C. Wert, H. F. Boynton, Thomas Vandoloh, Henry King, James W. Fleming, Corwin Phelps, David McQuiston, F. C. Bacon, John Anderson, William Ross and Wm. Anderson. The petition was sent to Harvey G. Hardreg, G.M. of Indiana and on the 28th day of March following, the petitions received a dispensation to organize a lodge, to be known as Henry King Lodge No. 382, naming T. M. Andrews, W.M.; S. A. Thornton S.W. and J. O. Beardsley J.W. The remaining officers were appointed by the W.M. and were as follows: Henry King, Treasurer; F. C. Bacon, Secretary; F. C. Wert, S.D.; C. Phelps, J.D.; D. McQuiston, Tiler.

June 18, 1869 the lodge received a charter (dated May 25, 1869) and

was duly constituted by Solomon D. Bayless, P.G.M. and proxy for M. H. Riee, G.M. June 14, 1869, the Lodge held its first election, which resulted in the choice of the following officers: T. M. Andrews W.M.; G. W. Hand, S.W.; W. W. Shoaff, J.W.; J. O. Beardsley, Treasurer; F. C. Bacon, Secy.; J. Shryock, S.D.; B. Morris, J.D.; Wm. S. Fleming; N. Fitzsimon Stewards; N. N. Denton, Tiler. Those officers were publicly installed June 24, 1869 by P.G.M. Solomon D. Bayless and an address delivered by J. Stoner.

The Lodge Meetings were held in the upper story of F. C. Bacon's dwelling at Huntington, until Nov. 13 1869, when they were removed to a new and commodious hall on the opposite side of the street, which was dedicated to Masonry on the evening of that day, by P.G.M. Solomon D. Bayless, assisted by members of neighboring Lodges. On that occasion the wives and sisters of the members presented the Lodge with a beautiful chandelier and a very fine Bible was presented to P.G.M. Solomon D. Bayless, in behalf of the brethren of Fort Wayne. The Lodge and its visitors then adjourned to the banquet prepared for them at the hotel.

Officers for 1879 were as follows: S. A. Thornton, W.M.; J. Sicker, S.W.; W. W. Shoaff, Treasurer; J. Shryock, Secretary; E. Sichter, S.D.; W. I. Wert, J.D.; A. Waters and D. Baird, Stewards; W. Carey, Tiler. (Data at the time furnished by T. M. Andrews.) H. O. Williams

THE MOST IMPORTANT JOB

George E. Johnson, 32nd Degree, Masonic Temple Building, 19th and Douglas Streets, Omaha 2, Nebraska. "I'm the most important member of the band" said the piccolo player, "because I play the highest notes." "But I play the biggest instrument," said the tuba player.

This argument led to the worst band music you ever heard. "I am most important to America," said the nuclear physicist. "But you never would have grown healthy if you hadn't had the milk I deliver," said the milk man. "And you, Mr. Milkman, would be unemployed if I didn't milk the cow," said the farmer.

Silly arguments — but you hear them all the time. How about you? Do you rate pretty high? Fine. But who does the rating? The appraisal, "Our band has the best piccolo player in town," means a great deal more when the tuba player says it.

After I had finished reading the foregoing article, I started thinking how much this might apply to all members and the different degrees of Freemasonry. First, as Secretary, I know that I am the most important member of my Lodge, and collect all moneys which I pay into the hands of the Treasurer, taking his receipt therefor. Yes, I am the most important member of my Lodge, but, come to think of it, I have never heard anyone say so except myself.

Now, to each of you officers, does not this apply just a little bit to each of you? And to each and every one of the members of our Lodge, is there not a little bit of this feeling in each of us?

Now with regard to the degrees of Freemasonry beyond those of the

Blue Lodge, have we not all been guilty of these same mistakes? How often have we said, while talking with others, I am a Shriner or I am a York Rite Mason or I am a Thirty-second Degree Mason, all the time trying to impress our listener that because of belonging to any one of these we are just a little better than others?

We can truly say, "Silly arguments," but we do hear them all the time. How about you? Do you rate pretty high? Fine. But who does the rating?

I, for one, would like to say that we have the best line of officers of any Blue Lodge in the city or the state. I would also like to say that my Lodge has the most faithful members of any Lodge in the jurisdiction, but this I cannot do because of the small attendance at our meetings. I do feel that those who attend regularly are the best in the city, and to them I say, Good work, Brothers, keep it up! To all of the other members, I say, "Let's take stock of ourselves, and when we do I am sure that each of us will find that he has time to attend Blue Lodge regularly and to help with the work that is necessary if we are to continue the type of degree work we should be doing.

If each of us will offer the kind of help that our Lodge not only needs but is entitled to, the results will be astonishing, and none of us will want to say, "I am the most important," for we shall be able to say truthfully about each other, "He is the most important." It's the teamwork that counts. Isn't it worth trying?

LIGHT OF FREEMASONRY (London Freemason)

What then, is the light of Freemasonry? It is composed of many beams, which, like the colors of the rainbow, united give the pure white light. Three of its principle beams—the three primary colors, as we may call them — are Brotherly Love, Relief and Truth.

Truth is of great importance, for every brother should be a true man, square in his conduct, upright in all his actions. He who regulates his life

according to the Masonic line and rule will walk justly and uprightly before God and man, neither turning to the right nor left from the paths of virtue. The essence of truth is to be true to one's self, true to one's neighbor, and to our God. And if a man is said to be a Freemason the world should know that he is one whose word is his bond, one whose tongue is kept from evil, and his life speaks no guile.

Brethren, it is our proud boast that this ray shines forth bright and clear from all lodges, and that to be a Freemason is, as it were, a hallmark of integrity. May it ever continue to be so as long as the Fraternity exists.

PUSH? HOW MUCH?

(The Gavel)

While discussing Masonic customs and procedures with our new members, the question arose: "Just how much of a push is proper when dealing with a person who is interested in joining our lodge but who hasn't come right out and asked for a petition?" I offered the following suggestion. We should keep in mind at all times that this must be an act of his own free will and accord. It is proper to talk Masonry every time the opportunity presents itself and we should let our friends know that they are welcome to join us, but the initial step towards initiation must come from them. Many of us have found something wonderful in Freemasonry, but some others might not see it. If you try to "sell" someone on our fraternity and he is disappointed in it once he joins, you won't be helping the craft and you may lose his regard as a friend.

It is immediately evident that our organization is different from others when people realize that the fee for initiation is considerably higher than most. It is later that they see the difference also lies in our reception of new members. We don't have them recite an obligation and hand them a dues card. The new applicant must work for his entrance and the officers receiving him also exert much effort to make the work appealing to him. For these very reasons some will never apply, also for the same reasons we are regarded by the uninitiated as being somewhat set apart from other fraternities. We make a concentrated effort to accept only those who will add to the dignity and stature of the order. If your friend is of good moral character and is sincerely interested he will come to us of his own free will and accord, not because you gave him a push.

Brethren: Don't forget to send a dollar or more for the Masonic Home at Franklin when you pay your dues again this year. These extra dollars make it possible for the Home to better serve the needs of Masonry in Indiana.

I will ever be thankful to the Officers, Past Masters, and other Brethren who gave so generously of their time and effort, whenever the Lodge needed them during this past year. Any success, attained by Wayne Lodge this year, can be attributed to your fine support and cooperation.

I wish to welcome four new members into the fellowship of Wayne Lodge. They are: Robert Edwin McNall, Lawrence R. Schoning, Robert Emmon Foreman, and Richard Cornelius Haneline. It is hoped that each of them will come back often and take part in the activities of the lodge.

There are two events scheduled for the month of December. Our annual Stated Meeting will be December 3rd at 6:30 p.m. in the Dining Room. Six members will receive their twenty-five year award of Silver, and there will be the election of officers. We will celebrate the birthday of Past Master Charles Alexander (1906-1907). He will be 89 years old on December 24th. Wayne Lodge will sponsor a Table Lodge at 6:30 p.m. on the 28th of December, commemorating the Feast of St. John the Evangelist. We will be assisted in this event by Maumee Lodge #725.

On our stated meeting of December 2, 1964 we will vote for the officers of this Lodge for the ensuing year. Look well to your vote.

Our Grand Master has proclaimed that we hold a Table Lodge in honor of St. John the Evangelist on December 28, 1964. This will be done. We invite your attention to this matter. Watch for further announcements. This will be a new experience for some of us.

Our annual Past Masters Night Banquet will be held on Saturday, December 5, 1964 at 6:30 p.m. at Waynedale Methodist church. We hope that most of you can make this engagement.

Brethren: Behold how swiftly the sands run, and how rapidly this year is coming to a close. As I look back on some of the rewarding events and meetings that we have had in the last year, I cannot feel anything but sorrow, that my year as your Master is now completed.

This year has been one of the greatest milestones in my life. It has been rich in friendships both new and revived. A real pleasure to work with our officers, committee and faithful members, in performing my duties. I cannot begin to thank each officer and member for all the special courtesies accorded me as space and time are limited, however, I would like to say a big thank you to Bro. Harold O. Martin for he again has done an outstanding job and service to Freemasonry, for serving as Orator for our Masonic Funeral Services.

I would like to say it has been with great pleasure and honor that I've served as your Master. The lessons I've learned in Masonry as I served from the youngest E.P. in the northeast corner to the Most Worshipful Master who presides in the East, has taught me to be a better man, spiritually and mentally, and has taught me how to have more understanding and compassion for others.

Although this year is drawing to a close, there is still much to be

done as always.

Home Lodge will hold its family night on Dec. 5th, 1964, if your reservation is not in yet, please do so right away.

Dec. 22nd, 1964 on the M.M. Degree the Illustrious Bro. Clyde E. Flowers, Grand Master of Masons for the State of Indiana will present 50 year awards upon Bro's. Walter J. Fishering, Robert E. Hensel, Benjamin P. Stonecipher. Supper will be served at 6:30.

Dec. 29th we will be hosts of the Actual Past Masters Night. Supper will be served promptly at 6:30.

As this being my last article and I'm about to turn Lodge affairs over to a brand new set of officers, I would like to wish them every success that I've had and I know they will do an outstanding job for Home Lodge and Freemasonry. I hope each member will continue to support them as you have in the past.

The Officers of Summit City Lodge most sincerely hope that each of you share the great pride that we are experiencing as a result of the Fellow Craft Club's trip to Painted Post, N.Y. In all of our experience in the Lodge, we have never seen the Club any sharper! It is indeed a prideful pleasure to be associated with these fine men.

Approximately 350 persons witnessed our Club's exemplification of the second section of the M M Degree and the spirit of fraternal fellowship immediately following was perhaps the most outstanding we have ever experienced.

It would be of interest to you brethren to know that District Deputy Grand Masters were present from the States of Tennessee, New Jersey, Pennsylvania and New York. Many Worshipful Masters from Pennsylvania and the New York Finger Lake Region brought small groups of brothers to witness the work and everyone appeared exceptionally pleased with the evening's activities.

We had an opportunity to observe New York ritual as it relates to the first section of the Master Mason Degree and the second section in short form. When we left Corning, New York at 3:30 a.m. many of the New York brethren were there to send us on our way. We all experienced a feeling of great pride and pleasure mixed with a fraternal fellowship which we are sure would have pleased our Ancient Brethren for it exemplified Masonry as I am sure they intended it to be.

We welcomed five new Master Masons into our Lodge during the

month of November and we anticipate six candidates presenting themselves for Degree work during the month of December. In view of the following schedule will be followed: (It should be noted that Christmas falls on the regular Mason night, therefore take special note of the change.)

Year.

Our annual meeting and election of next year's officers will be on Dec. 14th. Even if you are unable to attend lodge regularly throughout the year, you should make the necessary arrangements to attend this one.

During this past year we have felt the need for an active craft club. Several of the past masters have agreed to join in such an endeavor. Any of you who would like to take part in this activity, even if it is only on an irregular basis, should contact Guy Mausteller, Robert Marshall, or myself. The annual meeting would be the best time.

Since this is my last communication of this type, I would like to thank the various brothers for their considerable help this year. I realize I have overlooked many opportunities and left much undone that should have been done. One particular area that is in this category is communication with brothers in need. Since we are all in need one way or another why is it so hard to accept help?

If any of you know of an area in which the lodge officers can assist you in helping another brother, contact them at anytime.

Fort Wayne Chapter conferred the initiatory degree on November 11, 1964. A large class of twenty-six new members was initiated in honor of the Most Illustrious Grand Master for the State of Indiana, Clyde E. Flowers. Fort Wayne Chapter would like to thank Mr. Flowers for attending our initiation and the remarks he made that evening. Mr. Flowers also commented on the beautiful Flower Ceremony given after the initiation by brother Jim Coe.

Fort Wayne Chapter expresses its sincere thanks to the Fort Wayne Valley of Scottish Rite for letting our DeMolay officers attend its Convocation Banquet held on Thursday, November 12. There were twenty-eight DeMolay officers from Fort Wayne Chapter in attendance at the Convocation Banquet in their robes. Again, thank you for a most enjoyable evening, and especially to H. Roe Bartle, for his very stirring address. DeMolays from the Fort Wayne Valley of Scottish Rite were also honored by the presence of C. C. "Buddy" Faulkner, and Judge Robert A. Grant.

On December 5th, we will have the last Initiatory, DeMolay Degree, and Flower ceremony during my term. Brethren, I want to see each and every one of you in attendance at this meeting. It is on a Saturday, and we will have a large class. Also, at our stated meeting on December 9, we will have the election of officers and our chapter sweetheart. That same evening will be Awards Night, and the presentation of the Representative DeMolay Degree. Everyone should come to this meeting to choose your leaders for the next term. Finally, on December 26, we will have our annual White Christmas Dance in the basement of the Scottish Rite Cathedral. This is a formal dance, and is open to all DeMolays and Job's Daughters in the Fort Wayne Valley of Scottish Rite. Admission is free on your dues card. The dance committee is composed of Dave Miller, South Side; Jim Coe, Elmhurst; Tim Leith, North Side; Phil Pearson, Central; and Phil Baker, Hometown.

We are entering upon that joyous season of Christmas. There is something to be done, cards to be addressed, packages to be wrapped, our home to be decorating, shrine, lodge and church activities and all the last minute things. Gee will we be ready by the 25th?

Let us pray that strength and courage abundant be given to all who work for a world of reason and understanding; that the good that lies in every man's heart may day by day be magnified; that men will come to see more clearly not that which divides them, but that which unites them; that each hour may bring us closer to a final victory, not of nation over nation, but of man over his own evils and weaknesses; that the true spirit of this Christmas season—its joy, its beauty, its hope, and above all its abiding faith—may live among us; that the blessing of peace be ours—the peace to build and grow, to live in harmony and sympathy with others, and to plan for the future with confidence. A CHRISTMAS PRAYER.

For December on the 11th will be our Christmas party.

COMMITTEE PARTIES:

December 1, Ways and Means, Lucille Wager and Bette Mann.

December 3, Decorating, Wanda Gething and Marjorie Wetzel.

December 14, Evening Social, Afternoon Social, Mary Borkenstein, Delta Schmoee, Delsie Bickhard and Carrie Schulte.

December 15, Sunshine, Charlotte Price.

Illness in Shrine: Clara Klunder. Illness in Families: Father of Bette Mann, Dean Hardin Huntington Co. Hospital.

To those ill we wish a speedy recovery.

To the shut-ins, We are never alone; There is one who shares Our every burden— One who cares.

We are never alone, God has ordained That in every need We are sustained, For He who knows Of the sparrows' fall Is watching always Over us all. God Bless You We Are Never Alone.

A very Merry Christmas to all.

Once again we are approaching the most wonderful of all holidays. To all sojourners, this should be an especially significant time of the year. Is not the ritual of our White Shrine based upon the Birth of Christ? The

very mission of our Order is to uphold the simple religion of Christ and to further His gospel of Peace upon Earth.

Before we continue, let us first refer back to the night of October 30th when Soj. Margaret Steel, Supreme Worthy High Priestess, paid her official visit to the Shrines in our district. Your W.H.P. Helen and your W.O.S. Dale wish to thank each and every sojourner who assisted in any way in making that visit so impressive and eventful. Congratulations are also extended to our newly made sojourners who were initiated that evening.

CALENDAR:

Stated meeting on Dec. 11th. We plan another Ceremonial and Christmas party with a 50 cent gift exchange. Please make a special effort to attend.

No stated meeting on Dec. 25th since this is a holiday.

NOTE:

Each of you will have received a letter in which your Material Objective envelope was enclosed. We hope you will plan, as in past years, to give to this worthwhile charity.

ILLNESS:

Soj. Charlotte Guyatte had surgery at Parkview Hospital.

IN FAMILIES:

Mother of Norma Jean Miller in Our Lady of Peace Hospital in Louisville, Ky.; Husband of Florence Nahrwald home from Parnell Park Nursing Home; Mother of Ruby Mowery had surgery at Lutheran Hospital; Husband of Nellie Stripe home from Parkview Hospital.

On the convalescent list are sojourners Viola Bobnstedt, Ina Hull and Ned Biddle, who are all coming along nicely.

The Past Officers Club met at the home of Flo and Dale Widney in Columbia City on Nov. 29th.

The Orion Club Christmas party will be held at the home of Alton and Erma White on Dec. 27th. There will be a 50 cent gift exchange. On this committee are Hazel Dehler, Hil-da Campbell and Myrtle Glass.

In closing, we trust you have all lived up to your 1964 list of New Years resolutions? When you start your 1965 list, try to give a high priority to becoming an active member of your Shrine. Come and enjoy our fellowship and programs. We need you.

May each of you have a wonderful Holiday Season and a New Year that will bring a great measure of health and happiness.

December ushers in a very busy month for Bethel 8. December 2nd is initiation. Let's have lots of side-liners so that we may show our candidates a warm welcome and the true joy of being a "Jobie".

Church Sunday is December 13th at First Christian Church on South Calhoun. This is for all Jobs Daughters and not just officers. So please, girls, lets have a large attendance that we may enjoy a Christian experience together.

December 16th is our last meeting, ending with a Christmas party. Don't miss the fun.

We have plans to make so that our "adopted family" has a very nice Christmas. This always brings blessings galore for those who take part.

December 19th will be installation of the new officers. They cannot be successful without your help so lets stand behind them 100 per cent.

December 26th is the formal dance at the Scottish Rite for DeMolays, Jobs and Rainbows. Some wonderful plans are in the making and we hope to see all of you there.

Mothers Club Christmas party, with 50 cent gift exchange, will be held at the home of Mrs. Boyer, 333 W. Leith Street, December 7th.

December brings to a close the most wonderful experience of my life. Mere words can not tell you how much I appreciate your giving me the opportunity to be a line officer. Endeavoring to live and portray the lives of Jemina, Kezia and Keren Happpuch brings a wonderful feeling of humbleness and closeness to God. I wish that every Job's Daughter could have this opportunity.

Every Honored Queen thinks that her officers are best but ours have been just "super". Your work on the floor has been perfect and you, along with sidelines, have worked hard in all our projects. Each one of you has had a big part in making our term "perfect".

Without words of encouragement, lots of patience and help from my parents these many wonderful experiences could never have happened. If I could go on and relate the many, many things they have done for me I would be forever at it.

A special thank you to Mrs. White and Mrs. Botteron, the two Bethel Guardians under whom I served. They both have given their all to show us the true meaning of Jobs and the feeling of being a sister to every girl.

I also thank all of the Council Members who give so freely of their time and talents for Jobs Daughters.

Last, but not least, I want to thank YOU. Yes, there just wouldn't be a meeting without your faithful attendance and great interest. Don't ever let that slip away.

May I close this article with this little thought,

"If I can put one touch of rosy sunset into the life of any man or woman, I shall feel that I have worked with God".

Too Late
Friends, in this world of hurry,
And work and sudden end,
If a thought comes quick of doing
A kindness to a friend.
Do it that very minute, don't put it
off,
Don't wait.
What's the use of doing a kindness,
If you do it a day too late?

(Author unknown)
The Worthy Matron and Worthy
Patron, along with the other Of-
ficers, wish a Merry Christmas and
a Happy New Year to all members
of Star of the East.

At the Oct. 27th meeting, Sister
Tama Christopher, Grand Representa-
tive of the State of Maine, in Indi-
ana, was welcomed and wished a
pleasant journey to the General Grand
Chapter in Dallas. The choir sang a
special song to her.

Allah Signet was honored at the
Oct. 27th Chapter, and decorations
were in keeping with their colors.
Their Pres., Sister Kathryn Fuhrman,
invited a local group of about twenty
"Sweet Adelines" to entertain us that
evening. They are members of an
International organization who sing
Barbershop music, with their motto
"Harmonize the World." They also
had a quartet in their group called
the "Hoosier Honey's". Everyone en-
joyed their songs, "Down Our Way,
Laura Belle Lee, Oh How I Miss
You Tonight, Melody of Love, Them
There Eyes, My Honey's Lovin' Arms,
Toot Toot Tootsie, and others. This
group will appear on a Ted Mack
Talent TV Program in December.
Anyone who didn't come to the meet-
ing, missed a fine Program.

At the Nov. 10th meeting the
Worthy Matron gave special thanks
to all Committees for their hard work
so far this year; the choir for their
music and songs. Decorating Com-
mittee for decorations in the Chapter
Room and the Mezzanine floor; the
Social Committee for their refresh-
ments; Ways and Means for the
Rummage Sale, card party and ba-
zaar; Cheer Committee for all the
cards sent and visits to those who are
ill; the Sewing Committee who are
altering the chair covers for the in-
coming Officers for Installation.

Sister Sonoma Woodruff was
presented at the Altar then escorted
East and given grand honors. The choir
sang "Bon Voyage, Sonoma", with
words to wish her well on her trip to
the General Grand Chapter and pleas-
ant winter months in Florida.

The Decorating Committee had a
lovely table set on the mezzanine
floor, and Gladys Coe, Pres. and Rose
Rose, V.P., of Past Matrons, posed.

December 8th will be our Christ-
mas Program. The Choir will furnish
the entertainment that evening. Hope

to see you for Chapter on the 8th.
Dues are delinquent after Dec.
31st. If planning to mail in your dues,
a stamped, self addressed envelope
included, would be of great help to
our Secy. Thank you!

One of our members, Marjorie
Moore, also a member of the Drill
Team, was married Nov. 1st to Char-
les Osborn, Marion, Ind. We wish
them many years of happiness to-
gether.

Following the November 5 meet-
ing, when we had as our special guests
a bus load of friends from Muncie
(including our gal Sal and her hus-
band Ray and their District Deputy),
we adjourned to the dining room
where the Choir presented a program
in commemoration of Veteran's Day.

If we do not pause to remember
those who have given their lives in
the cause of freedom, we will not
reflect and when we do not reflect
we are not grateful. To lack gratitude
is to feel no obligation—and where
there is no sense of obligation a way
of life is dead.

The patriotic program began with
the presentation of colors—and didn't
our color guard look handsome in
their uniforms! The authentic uni-
forms and costumes added much to
the selections dating back to the first
World War, which were sung, played
and danced by our talented Choir
members and a few recruits — Sis-
ter Vera as the weeping gal left be-
hind when her man went off to war;
Sister Irene as a "dancer" who plant-
ed kisses on some high foreheads; the
Proctor's son "Pete" as a handsome
young Marine, and many more. Choir
never seems to lose their members,
they go on to serve Chapter in bigger
ways but remain faithful to this
group. These dedicated people deserve
our praise and we are grateful to
them for sharing their talents with
us and giving us an evening of enter-
tainment that will be long remem-
bered. The delicious sloppy joes and
chips served by the officers group
were a topper to a perfect evening
of fun and fellowship.

Fort Wayne Chapter was well rep-
resented at the fall meeting of Dis-
trict 14 held Nov. 14 at Huntington.
There was lots of good food and fel-
lowship; we'd like to see YOU at
our next meeting.

Helen Howard gave beautifully the
Story of Ruth at the November 19th
meeting when Sister Carol paid spe-
cial tribute to her Ruth station and all
who have served as points. It was
good to have so many former points
present to be so honored.

"That Wonderful Year of 1939"
will be the theme December 3rd for
the special night honoring our char-
ter members and those attaining
twenty-five years of membership.

Our Matron has a special reason
for hoping to see each of you in
Chapter on December 17. You could
do her an honor by sharing this
evening with her, and yourself a
great favor by spending a few hours

at this happiest of seasons with your
Star friends.

a year without a lift of the spirit and expectancy. Christmas is the preparation for this somehow. It gives us a bridge to cross, the turn-of-the-moment, the sound of music, and the awareness of God.

I wish you at this season the things you won't find under your tree or in your stocking, but which can be contained only in the heart; remembrance of happiness past, and hope for happiness to come; fellowship and love, acceptance of sorrow and gratitude for joy; and always the peace which passeth understanding. A blessed Christmas."

Our thanks to Sister Jean for this lovely Christmas message. It is true that, in the process of Christmas shopping, giving and receiving of gifts, we often lose sight of the real meaning of Christmas and have a tendency to forget in the days of the New Year the message of peace on earth good will to men. Let us love one another.

Well now, it seems we have tidings of great joy from some of our sisters. First, Orchids to little Dawn Geer, Great-granddaughter of Sister Vida Wood, who won first place in the contest conducted by the Veterans of Foreign Wars—Jim Eby Post.—Little Dawn scored 99.6 points in the third year old group for beauty and health. Sister Vida had the honor of presenting her to be crowned. I hear by the grape vine that she was so filled with pride that she had trouble finding a gown to fit. It couldn't happen to a nicer person. Congratulations are also in order for Sister Loretta Rippe. On Dec. 29th Loretta and Carl will Celebrate their Golden Wedding anniversary—Fifty Years of Married Bliss! Quite an achievement. Their marriage has been blessed with three children one of whom is a member of Trinity Chapter — Sister Betty Clippenger was initiated by her mother in 1950— and two Grandchildren. We wish them much joy on this occasion and many more years of happiness. A reception is being held on Dec. 27 from 2:30 to 5:00 p.m. at the Four Winds Motel. All Trinity friends are invited.

Report of illness: In Chapter: Sisters Demaris Hutton and Edna Durr and Brother Grey Wagner in Mayo Clinic at Rochester, Minnesota. I am sure that Cards will be appreciated by Brother Grey. For his address call Wagner Electric, 748-0115. Ill-

ness in family: Husbands of Lila Hawk and Louise Warsaw. Mother of Norma Jean Miller and Sister of Evelyn Haggard. We wish for all a speedy recovery. P.S. I am very happy to report that my little grandson came through his little sojourn in the hospital with flying colors. We grandmothers are prone to worry about things that never happen.

Calendar for December

All of the Committees are having Christmas parties in December. Cheer will hold an evening party in the form of a Pot-Luck at the home of Sister Idella Fredrick at 6:30 p.m. on Dec. 7th. Dec. 8th Social Committee will meet with Sisters Jean Ann Jasch, Winifred Pabst and Mabel Robinette. Dec. 11th will be Sewing and Decorating with Sisters Mae Ernst and Aliene Miller. Ways and Means will meet on Dec. 29th with Sisters Jean Ann Jasch and Winifred Pabst. Officers will meet Dec. 28th with Sisters Jean Ann Jasch and Winifred Pabst. Looks to me as though Sisters Jean Ann and Winifred are going to be Pretty Busy.

The Past Matrons club will have a Christmas dinner on Dec. 8th. The place to be announced later. Ne-Ca-Wa club will have a Christmas Dinner at the Stage Door Lounge on Dec. 7th and meet later at the home of Sister Ann Eichman. Dor-Al Guild will meet at the home of Sister Louise Wilkerson on Dec. 21.

Christmas Thought

Now when Jesus was born in Bethlehem of Judea in the days of Herod the King, behold, wise men from the East came to Jerusalem, saying, "Where is he who has been born king of the Jews? For we have seen his star in the East and have come to worship him."

May I join with Sister Jean Ann in wishing for all a "Blessed Christmas."

Because of Jan. 1st falling on Friday, Chapter will be dark.

When Christmas Comes

When Christmas comes—there is so much rejoicing;

With voices raised in song, the happy smiles of children

When Santa comes along.

The wreaths within the windows and trees transformed with light,

As families gather closely upon a winter night.

There's something very peaceful—there's something in the air,

That brings us close to Heaven and lifts our hearts from care—

When Christmas comes.

We are again rapidly approaching the Holiday Season. It seems such a short time since we were preparing for last Christmas. We all hope you had a good year and are looking forward to another. From the whispering that is going around it sounds like the committees are planning a nice Christmas Party. The committee members should make an effort to support their hostesses. The entertainment Committee will meet with Betty Whiting at 4316 Butler Road for their Christmas meeting. At the December 10th meeting our Worthy Matron is planning a special program to honor all past star points. She wishes to see many of these past officers on the side lines that night so don't disappoint her. As our regular meeting night falls on Christmas Eve Chapter will be dark. It seems early but our last chance so from our Worthy Matron Betty Scott, Worthy Patron Dennis Eldridge, their officers and committees we wish each of you the merriest of Christmases and the happiest of New Years.

We had our Annual Official Visit of our Grand Royal Matron, H.L. Fanchon Eshenbaugh and Grand Royal Patron S.K. Leonard Ade, on November 11th with a large Attendance. Our Grand Royal Matron gave us an interesting talk on the rights and privileges granted to us by our forefathers and the great work of our Order. Grand Royal Patron spoke about Armistice Day and what it should mean to us. Both assured us that they were with us in all our undertakings for this year.

Our Officers were shorthanded because of several being sick with the flu but the protoms did a very excellent job of exemplifying the ritualistic work for which we are truly grateful. Our Supreme Crown Bearer H.L. Magdalena Ade took the station of Associate Conductress for the evening and performed admirably.

H.L. Velma Schane, H.L. Pauline Stocks and H.L. Ethel Grossman are ill with the flu but we hope they get well fast. H.L. Virginia Ginder, fell while at work in a rest home in Angola and broke several bones in her ankle but is home now waiting for the wound to heal.

Sir Knight Glenn Geiger Jr. and Hon. Lady Nancy have taken a two year Korean Baby, Pansy Louise, for adoption. H.L. Florence and S.K. Geiger Sr. visited them last week and think everything is lovely for a happy family.

The Officers will meet Dec. 3rd with H.L. Louise and S.K. William Wilkerson for their regular monthly meeting and Christmas party. We are going to have a fine program for Dec. 23 meeting and wish a large attendance at this meeting.

The Royal Matron and Royal Patron, together with all the other Officers wish all a very Merry Christmas and a happy New Year.

Once I was young but now I'm

growing old,

My memory is weaker and knees seem to fold;

I love my Amaranth and stations I can fill

But being just a protom we ways fill the bill.

We must all pull together come out every night.

That our Court might prosper all main and might.

New members are needed to us well on top.

So, short of a hundred, please try to stop.

We're sure that we can do all really try.

As Masonic membership daily ever so high;

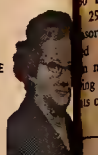

Here's a fruitful field for us thirty four.

So, get busy now and labor a little more.

Companions, your chapter por-
trayed the Past Masters Degree on
the 21st of November for Ft. Wayne
Chapter 19. It was an honor to assist
them in their Degree work and to
be able to work with Companions
from Northeastern Indiana to streng-
then York Rite Masonry.

Your Grand Council met with the
Past High Priests in an attempt to
solve some of the serious problems
facing your chapter. The possibility
of merging with Fort Wayne Chapter
was discussed. This will not occur.

There is no intention or desire
of your officers to dissolve the chap-
ter. We shall exhaust every possible
solution, and make every effort to
recruit capable candidates for your
chapter line. With your help, we
shall succeed. For the present, your
chapter line will be maintained and
supported by Past High Priests.

Remember Companions, Friday the
18th of December is time to review
the activities of your chapter for the
past year. It will be election night.

Your Past High Priests who have
served your chapter faithfully in the
past are once again going to serve
you. The meal and the entertainment
for December will be provided by
your Past High Priests. This will be
a Harold Martin Special.

May I give my thanks to all of
you. Thanksgiving has just past and
may God continue to bless our Na-
tion. May our Nation never forget
that the true source of her wisdom
and strength comes through the
power of prayer.

The Christmas Season is at hand
and soon we will be celebrating the
birth of Christ our Savior with gifts
to our loved ones. There is great joy
in knowing that God loved us enough
to send His Son, a gift to us, to be
our Savior. This is a season of Great
Joy. Your Officers take this opportu-

mas, and may your Merry Christmas
be a sober one. Merry Christmas and

you.

Companions: This being my last
year as your High Priest, I want
to take this opportunity to thank the
Officers and Companions for the
support and excellent co-opera-
tion I have received this past year.
My deepest appreciation goes to
Companions Planck and Bob Marshall
and others who helped them, for pre-
paring the many fine dinners we have
enjoyed. Doc and Bob have contri-
buted many hours of time and a lot
of work to make this year more
pleasant and the Chapter, Council

and Commandery owe them a big
vote of thanks.

We have had a busy year with
many changes taking place. Our
Secretary and Treasurer, George Gable
and John Lombard resigned after
many years of service. Curt Heston
and Doyal White were elected to fill
those stations and are doing an ex-
cellent job and merit your support.

With the aid of Sheldon Leiter,
Phil McCague and Myron Millhorne,
we have renovated or replaced most
of the Chapter equipment and robes
and are in good shape in that de-
partment.

With the Council and Commandery,
we purchased a new desk, chair, file
cabinet, storage locker and adding
machine for the Secretary.

We are having printed a combined
roster and by-laws of the Fort Wayne
York Rite Bodies which will be
ready for distribution shortly. This
should be of great interest to all the
Companions.

We participated in the Activation
of the Northeastern Indiana York
Rite Association, which is sure to
stimulate more interest in York Rite
Masonry in this area and give you
greatly improved degree work.

We have had two fine All-Degree
Days with many of the area Chapters
participating and were privileged to
witness some very fine degree work.
At the Spring All-Degree we were
honored by a visit by the M. E.
Grand High Priest, Carl E. Shrader.
His remarks were enjoyed by all.

Most important of all, your Chap-
ter exalted more than twenty new
Royal Arch Masons. We give these
new Companions a hearty welcome
and hope they will take an active
interest in the affairs of the Chapter
in the coming year.

December 17th will be the Annual
Stated Meeting and Election of Offi-
cers. 'Doc' Planck has promised a
big surprise for dinner that evening
so I hope to see many of you there.

How swiftly the sands run and how rapidly this year has come to an end. It is with deep regret and selflessness on my part that like all good things we hope would ever come to an end. This year has indeed been rewarding and one I shall never forget. To all the officers and brethren of Huntertown Lodge it is with great humility that I say thank you for making this a great year for me and truly one I shall ever forget.

To the new Worshipful Master, I congratulate you and your officers. I hope your year will be as rewarding as mine has been.

I would like to take this opportunity to wish each of you a Merry Christmas and the Happiest of New Years and may 1965 be a great year for each and every one of you.

As the year draws to a close, it is possible to look back and weigh the accomplishments we have been able to achieve, and to consider those things that should have been done. And this is an exercise that can be recommended to both individuals, and to organizations.

This looking backward is, in itself, a rather futile thing to do, but if it is combined with some soul searching, and a good look into the future, it can be useful and constructive.

Brethren, heed this admonition! Apply it to your Masonic Endeavors, and resolve to accomplish more, both individually and collectively as a Lodge.

We are happy to report that, as this is being written, all Brothers who have been ill, are recovering. We are grateful for the progress made by Marlon Feasel, Harry Parent, Harold Murphy, and our Tyler, Lee Pettyjohn.

November was an easy month, as far as degree work was concerned, but December will bring an Entered Apprentice Degree on Wednesday, the 9th, under the direction of our Senior Deacon, Jean Winesburg.

For the third year, New Haven Lodge is going to celebrate St. John the Evangelist's Day by holding a Table Lodge. As you know, this is a Lodge of Entered Apprentices, and this year will be held on Monday, the 28th at 6:30 p.m. A meal will be served and the ceremonies for the occasion will be conducted in full form.

Looking into next year, the Installation of Officers will be at the Stated Meeting on Wednesday, January 6th. Your presence is earnestly solicited, and I am certain that a good turnout will greatly encourage the new corps of officers.

In closing this year's contributions to the Square and Compass, I'd like

to extend personal and fraternal greetings to all the Brothers of New Haven Lodge, and to wish each of you a Merry Christmas and a Happy New Year.

This is my last message to the Square and Compass, and as I write I feel a bit sad. Sad only that time passes so fast. It was the most wonderful year I have ever spent in my life. The friends I have met, the enjoyable memories I have, and the experiences of learning more about Masonry are just a few of the wonderful things that happen to a Master of a Lodge. I only hope all Masters in the future enjoy it as much as I have.

To the new Worshipful Master, I congratulate you and your officers. I also want to thank you for your support during the year of 1964 and hope you have as rewarding year in 1965.

Lets not forget to attend the St. John's feast on December 28, and the Annual Oyster Supper and Installation of officers on New Years afternoon.

I would like to wish each of you a Merry Christmas and a happy New Year.

Many thanks Brethren, for your hard work, support, and cooperation during the year of 1964.

The earth has made its circle around the sun. We have almost reached once more that point from which we embarked last January 4th. It will soon be time for the officers to take one more step forward. Among other things, this to me will mean turning this article over to a new Master. We will all benefit by new opinions and new ideas.

Perhaps some time in the future a Masoic Scholar will read through our minutes for the year 1964, and attempt to find out what we were doing as a lodge. He would read that on January 4, 1964, Brothers Denois, Roberts, and Fisher from Three Rivers Lodge installed our officers in a public installation, and although we have a wonderful secretary who is highly skilled in his work, the minutes can not convey the impressive way in which these Brothers performed the ceremony, or the warm feeling that Olive Branch Lodge had for these visiting brethren.

Our minutes for May 14, 1964 will record our "Century Plus/Five" Banquet. But minutes, no matter how

skillfully written could not describe the effect of Rev. Philbrook's talk upon us who were present that night. Nor could they describe the fellowship we had in meeting old friends or making new ones.

Thus on one hand we have the hard, cold, facts recorded for history, and on the other the soft warm glow of realism which has been reserved by the Supreme Architect of the Universe for those of you who were there. This is, as it should be.

December 10 is election of officers. December 28 is our Feast of St. John the Evangelist table lodge. January 2 is public installation of officers.

Hello Everybody — Here we are back in Fort Wayne after our Dream Trip — and perhaps I can add a few little memos at the end of this—I just wish I could share the entire trip with all of you—it was terrific.

To get right down to work now—we do want to tell you about the exciting evening of Tuesday, November 3rd. That was the night of our Inspection by our Supreme Worshipful President, Mrs. Edwin Hinkley. This festive occasion began with a luncheon with our Worshipful President, Anodas Marvel — and all of our Past Presidents were invited. The actual evening began with a Potluck on the Mezzanine — and the decorative scheme was Cherub vases—holding securely on to musical instruments.

The center piece was a magnificent Rose Candle surrounded with our delicious autumn fruits. The we cherubs also provided we out dishes. The actual Inspection took place in the Egyptian Room, and Mrs. Hinkley, in her official capacity, inspected our Assembly in all of its phases.

Her year of reigning has been highlighted by the motto "Take Time To Be Kind". And as we come closer to the Holiday season—doesn't that seem a bit appropriate for us to sort of anox—to our own thinking? Mrs. Hinkley told us that next year's Annual Supreme Assembly—being held in Portland, Oregon, has much to offer. We had visitors from several assemblies—and among them were our Supreme Worshipful 2nd Vice President, Mrs. Charles J. Meek, Lorain No. 147, and of course our own Mrs. Stanley R. Putman, Supreme Director of Music, and from Warsaw No. 164, we had Supreme Committee Member, Mrs. Carl L. Shroyer.

Calling all Past Presidents — Remember that your Christmas Party is on December 5th at the Gerber Haus. Also remember to bring along a 50 cent gift for exchange. And now to go back a few days on the December calendar — Tuesday, December 1st is election of officers. Come on out and vote gals — Assembly 139 needs your support all the way!

650 sample greetings have been taken to the State School to enjoy and use in their Crafts. And while we are at it, let's remember to fill our Christmas cards to help make Christmas a little brighter for a needy family.

Our illnesses we are glad to be while they have been serious, and the most part improved. Dorcas, man, Alta Warner, Hortense, and all have recuperated. Burt Pontoni is recovering from an auto accident in which he was not badly hurt, but his leg was not quite as fortunate. (Cars are replaced though—and we are off to it was this way). The wife are off to Mayo's to find out what's wrong—and we do wish them well and will keep them in our prayers.

And now dear sisters—here's communication from your Worshipful President—as she puts her gavel on a beautiful year.

We trust that the Holidays were very Happy Ones and as my draws night I realize how fast it's gone and that it is impossible to realize all of the wonderful things that have happened in our Assembly. It has been a very busy one and Officers have made us proud of the Inspection was lovely and you can see why I call them "Breathings of Rose". Thanks again for this year 1964. And to the Beaucant the closeness that it brought to me, the great meaning of Truth, Peace and Loving Kindness to all that we do—and to the saying of our Supreme Worshipful President—"Take time to be Kind".

Without all of you one cannot serve Beaucant alone. The Beaucant is what we look forward to in Beaucant and to be of assistance to our Sir Knights. To our new members, Mrs. Allice Robinson, Mrs. Ed Smith, and Mrs. Ralph Smith, we trust that you will come as you can and owe that you become a part of it you will love it. We love it. We were happy to share with you.

And to my beloved Mildred Leiby my Publicity Gal. Thanks, then not only for a great job well done all the in between times, always to help and able to bring back every thing that she touched, thanks Mildred, it has indeed been a lovely year with you and always be carried in my book of loveliest of Memories. May God Blessings be with you always have all appreciated your love and efforts in Beaucant—Thanks again.

Lovely — Anodas Marvel, P.S. As I say Adieu to the year of serving as your President for I wish to leave this thought with To have a mind at peace. A heart that cannot harbor. Go find a door that opens wide Upon a lovely garden.

And now folks the space is all with some very wonderful things and as I sign off I do want to say one lovely, musical Japanese word — We had a most delightful time with our Japanese Family Tokyo—and of course we did learn many words — but the word Sayoora is such a pretty thing farewell. Si-ya-nor-a.

DID YOU KNOW?

Did you know that Harlan Lodge
No. 224 F.&A.M. was instituted
May, 1863 under dispensation and
received its Charter, May 25, 1864,
signed by John B. Fowle, G.M. The
first officers were: Peter S. Crisen-
berry, W.M.; Ira S. Skinner, S.W.;
John Townsend, J.W.; all having
been appointed by the Grand Lodge.
There were seven charter members.
Peter S. Crisenberry, Ira S. Skinner,
Marvin C. Munger, Rev. David Pat-
tee, Rev. J. S. Sellers, Wm. Herrick
and Geo. Platter. Quote from source
of research. "At present the number
of members is thirty. The Lodge
meets on Friday evenings, on or be-
fore the full moon of each month.
The financial condition of the lodge
is good. It is free from debt, with
a surplus in the treasury. The offi-
cers at present are as follows: La-
Fayette Coomer, W.M.; Crayton
Webb, S.W.; W. I. Hayes, J.W.; Geo.
W. Wilbur, Treas.; John Stopher,
Secy.; David N. Osoy, S.D.; Lewis
Zeis, J.D.; and Sylvester Skellenger,
Tiler."

The first post office in Springfield
Township was established at the
village of Cuba in 1849 and con-
tinued to be kept at that place until
1854, when it was removed to Harlan.

In 1851, a post office was estab-
lished in the N.E. part of township,
under the name of "Hall's Corners."
Isaac Hall was appointed postmaster,
and held the position until the fall
of 1860, when he resigned in favor
of John Murphy, to whose house the
office was then removed. Three years
later, it was removed to John Sha-
fer's store, on the Ridge road, and in
1878, to the house of Elias Billman.

Cuba is a small hamlet in the
S.W. quarter of section 32. It was
laid out in 1855, and at one time,
bade fairly to become the principal
town of the township; but the found-
ing of Maysville reversed its pros-
pects, and lapsed into comparative
insignificance. (This is now known
as Stellhorn Road.)

"ON LEARNING TO SAY THANK YOU"

By Virgil V. Bjork
Supt. Fort Wayne District
Methodist Church

Albert Schweitzer, one of the great
hearts and minds of the twentieth cen-
tury, tells how he went one day to
the graves in the cemetery of his
home town to speak loving and grate-
ful words over the dust of those
people, long since dead, to whom he
might have spoken a grateful word
while they were still alive. There
in the cemetery he reflected on how
he took the benefits of his parents
and friends for granted. The lengthen-
ing years had taught him how much
he owed to others and what a lift
his grateful and gracious words
could have been to his benefactors.
There in the cemetery he muses
over the unresponding tomb stones,
and he writes, "We must try to be
the water that does come up—a
spring at which men can quench their
thirst for gratitude."

Being thankful can be such a
vague and abstract thing that it really
has no joy in it. You can make
gratitude come alive this season by
a simple act. Tell someone you are
grateful to him. Write a simple note
of "thanks." How about this for a
starter? To one of your teachers; to

your employer for the opportunity
of useful work; to a friend for know-
ing your faults and loving you still;
to your wife for her affection and
understanding beyond price and be-
yond compare; to your minister who
never lets the light of hope grow
dim; to your fellow workers for mak-
ing ways easy instead of difficult.

You can add to this list. You can
be "A spring at which men can
quench their thirst for gratitude."
Do it today.

A THANK YOU

I want to express my appreciation
for the kindness to my husband,
George, during his illness and at the
time of his death. Especially do I
want to thank Summit City Lodge
No. 170 and Shiloh Chapter O.E.S.
for the Memorial services and the
Scottish Rite Bodies for their many
acts of kindness. Gayle Hughes

FREEMASONRY AND THE MORAL CHALLENGE

By William C. Blaine, 33°, 188
West Fourth St., St. Paul 2, Minn.

The great act of redemption
brought about by Moses and the pro-
phets of Israel eliminated the con-
cept of demons, gods and demi-gods
from the mind of man. The demons
which populated the world of an-
cient man are dead in the Bible, and
yet even Moses knew that man is
endowed with the capacity and the
power to create or to revive a demon.
All through history, and espe-
cially during this chaotic twentieth
century, men's veneration of power
has resurrected the demon of power.
Nietzsche, the German philosopher
whose concept of the superman cer-
ated Hitler and others of his kind,
in his portrayal of modern man sug-
gested that the will to power is
more basic than the will to live.

One shudders to think that in-
volved in our civilization is a demonic
force trying to avenge itself upon
God. After having eaten the for-
bidden fruit, the Lord sent man forth
from paradise to till the ground from
which he was taken. But man, who
became more subtle than any other
creature of God, undertook to build
a new Garden of Eden by his own
effort and is driving Divine Providence
from it. For generations, appar-
ently, all went well; but now we
have discovered that our paradise,
so-called, is built upon an unstable
foundation. The question now is:
"Will it be possible to control the
demon of power?"

This monster is not merely localized
in atomic stockpiles; the demon is
beginning to take over our souls. The
sense of justice has never been very
strong in the world, yet there was a
recognition of injustice, a feeling of
horror when blood was shed. Today,
after the holocausts of two world
wars and with the constant pressure
of a "cold war" upon us, we have
become seasoned to catastrophe, as
if war, mass murder and genocide
were routine.

Wherever we look we find hatred
and power politics. Over one-third
of the human race is now straight-
jacketed by the most terrible tyranny
known to man, communism. Yet,
what has come to unite men is not
faith in a loving and compassionate
God but the fear of those who have
virtually incalculable power at their
disposal.

We expect to have a new candidate this month, so lets all turn out to show him our brotherly love and friendship.

Wayne Lodge expresses its deepest sympathy for Brother Clarence E. Douglas over his sorrow in the death of his beloved wife Helena (Dec. 9th). God teaches us to love—someone to love he lends us.

Brother (PM) Conrad W. Scott has been recuperating at his home, 3430 Portage Ave., from an automobile accident that occurred Nov. 14. Brother John Sneed underwent major surgery Dec. 7 and is in Room 327 at the Lutheran Hospital. Brethren we all wish you a speedy recovery.

Brethren is there no help — Brother Leonard H. Simons is in need of eleven (11) pints of blood to replace that which was withdrawn from the Belle Bonfils Blood Bank, Rose Memorial Hospital, 4200 E. 9th Ave., Denver, Colorado.

Brethren just inform your local Red Cross that you want to give your blood to replace Brother Leonard H. Simons blood at the above underlined address.

Brethren don't neglect to mail Brother Garrison your annual (1965) dues and remember our brethren and their loved ones in the Masonic Home. They need our support at Franklin to operate. Don't forget our stated meeting Jan. 7.

Sommeone Touched my Shoulder Someone touched my shoulder, I was alone, ill and in deep despair. I turned about and to my surprise, no one was there.

What was the meaning of this strange phenomena, that had startled me? This was no ordinary touch, Coming from a stranger I could not see.

It had the feeling of love, hope and courage which seemed to beckon me. Was it to remind me not to lose faith in whom I put my trust? I know now who touched my shoulder—Gods hand upon me did thrust.

Brethren: Fraternal Greetings from your new officers. To paraphrase Ecclesiastes "one Master passeth away and a new Master cometh, but the Lodge abideth forever." To quote Ecclesiastes "To everything there is a season and a time to every purpose under the Heaven, a time to be born and a time to die, a time to plant and a time to reap, a time to break down and a time to build up." The old year has died, but a new one is born. The time is at hand for new plans to be laid and carried out so that in due course of time, another ashar can be added to the ever building temple.

Brethren: We as the officers place our designs upon the Trestleboard, but you as the craft must execute them. Whether they are brought to fruition depends upon each of you doing your part. I call upon each of you, to promise yourself that you will attend one stated meeting and one Degree meeting this year.

The officers, as the cogs in the driving gear, can manage to keep the lodge functioning, but it is only when the driving gear is meshed with the working gear is anything really accomplished. The more cogs on the working gear, the fier the work.

To keep the members of Home Lodge better informed, we have compiled a telephone list that will enable us to contact every member of Home Lodge in the Fort Wayne area. We hope to utilize this method of contact at least once a month and more often if the situation requires. In this way, we hope to keep in touch with the brethren who are ill or shut in and to keep everyone better informed as to the workings of the craft. If you are not contacted this month, please let one of the officers know so that we may check our lists.

Our first endeavor will be to honor our Past Masters on January 26. Lodge will open at 5:00 with dinner at 6:30. The chairs will be filled and all the work performed by Past Masters. Orvis A. Dellinger P.M., P.G.M. will open a Lodge of Master Masons at 5:00 p.m. Most Worshipful Brother Clyde E. Flowers, Grand Master of Indiana will be our distinguished guest. The cost of the dinner will be a one dollar donation. The ticket committee will be in touch with you. Plan now to attend.

More next month on our projected program for 1965. May I wish each of you the best wishes of the Holiday season and Good Health and prosperity for the coming year. Fraternally, James T. Peters.

Greetings, Brothers. As your newly elected Worshipful Master I should like to wish each of you a very happy and rewarding new year. Those of you who have been able and willing to devote some time to working in your lodge during the past months and years have already found some of the reward that comes to the soul through helping others. To those of you who for one reason or another have not had the time, or possibly the inclination, to attend lodge and become involved in this great and good work, should resolve to try to find the time and the inclination to do so during this coming year.

How many times have I heard from a brother who has returned to his lodge for the first time in some years —perhaps to see a friend receive his work, say something like this: "You know, I didn't remember that those lectures were so profound." "I haven't been to lodge for ten years, and I didn't know many of the brothers here tonight. But I do now! I was welcomed like I had been attending every week."

The point is, brothers—and never overlook it—it is your lodge. We have at present about 1440 members, but I wish I could say that ten percent regularly attended our meetings. Unfortunately not that many do. Why not resolve to join with your brothers in the fellowship that we enjoy by attending as many meetings as possible during 1965? Why not join in the work? Why not reap the rewards, the inner satisfaction that money cannot buy, by offering your time and talents to your lodge?

Our Annual Meeting and election of officers was held at our stated meeting on December 4th and in addition to your Worshipful master, the following were elected:

Senior Warden: Lee J. Harter;
Junior Warden, Thomas W. Yoder;
Secretary, Dwight M. Myers, P.M.;

Treasurer, Albert R. Spencer, P.M.

Appointed to office were: S.D. Lawrence A. Baker, J.D., Jack Brunson; S.S., Cleith L. Martin, J.S., W. Edward Hatch; Chaplain, Daniel C. Stone; Tyler, Arthur C. Walda; Asst. Tyler, Kenneth Martin.

In addition to the line officers elected, your trustee for the past three years, George N. Windham, P.M. was reelected. He will be replaced by Samuel E. Evans and Leon Williams, P.M.

Brothers, I feel that with such a fine group of officers to assist me and with the continuing help of many Past Masters and brothers, our lodge can only go forward. Our goal is not to make Summit City large in membership, but rather bigger service to God and to our fellow man.

What of our plans for the coming year? We will of course have Ladies Night Banquet in April, Homecoming Banquet in October, and some special functions throughout the year. We hope to make a visitation or two to other lodges, possibly a trip to another state; and many other interesting activities during 1965. Your suggestions and individual help in planning and executing any of these will be greatly appreciated.

What of our goals? A greater attendance at our meetings is one. Improvement of the proficiency of our work is another. Increased contributions of individual members to Masonry in Indiana's greatest historical memorial, the Indiana Masonic Home is still another. That each of us resolves to be a better Mason, should also be one of our most important goals. There are others, but space and time do not permit listing all of them here. More will be said during the year.

the coming year.

The month of January finds us with two petitions for degrees, and one for restoration to membership. It appears that we may have two candidates for EA degree, three for FC, and two or three for MM. Our tentative schedule of meetings for January is as follows:

Jan. 1, 5:00 p.m. Public Installation of Officers, followed by a light lunch. The regular stated meeting will be at 7:30 p.m.

Jan. 8, E.A. degree at 7:00 p.m.

Jan. 15, F.C. degree at 7:15 p.m.

Jan. 22, M.M. degree at 4:00 or 5:00 p.m.

Watch for the exact time of the MM degree in your Saturday and Sunday newspapers. We will eat in the kitchen at 6:30 p.m. on the 22nd, regardless of the starting time, however.

As the new year begins, I would like to say a word in appreciation for the fine year just passed under the able leadership of your outgoing Worshipful Master, Donald R. Johnson. Brother Don has done an outstanding job in piloting the Lodge through a very successful year. For the first time in some years our voluntary contributions to the Indiana Masonic Home have exceeded an average of one dollar per member. He arranged a very successful visitation to Montour Lodge No. 168 in Painted Post New York. Summit City lodge presented an altar and chairs to the Indiana Masonic Home during his year, also. There were many other accomplishments, brethren; and we are all indebted to brother Johnson. And if I may add a personal word, I hope he will find time to be with us often in the year to come. I personally will welcome his advice and counsel. On behalf of your lodge, thank you brother Don.

So as we begin a new year, let us all resolve to work just a little harder, and to do just a little more for our lodge and for our gentle craft. Let us ever be ready to stretch forth our hand to aid and assist a brother.

The annual election of officers was held at our stated meeting, Dec. 7, 1964. The following officers were elected:

Harold W. Houser, W.M.; Robert Stute, S.W.; Donald Anderson, J.W.; Howard Anderson, Treasurer; Arthur C. Slane, Secretary.

This being my first article I would like to thank all of the brethren for the confidence you have shown in electing me as your Worshipful Master. I promise I'll do my best to fulfill that confidence, and to keep you informed of all the happenings in the lodge.

By the time this article is passed on to you, the officers will have been installed and well on their way, as it looks like we will have work in January. I would like to welcome any of the brethren who would like to take part in the degree work. Anyone who knows any of the parts in the three degrees is welcome to come down, and you can be assured you will be put to work. Whether you know any of the parts or not,

we welcome all to come down. Your moral support will certainly be appreciated and I am sure the candidates will enjoy meeting you. Remember brethren the first impression the candidates have may mean an active member, or just a member. We would like all to be active members.

My Brethren All. My warmest greetings at this the beginning of a new year. I wish to express to you my appreciation for the confidence you have reposed in me by electing me Master of Your Lodge for 1965. I am humbly aware of my own inadequacy in attempting to fill the shoes of the tremendously qualified people who have held this office before me. However, with Gods help and our combined endeavors let us continue to carry forward our basic Masonic tenets of friendship, morality, and brotherly love.

Your Officers for 1965 will be Charles Scott, W.M.; Everett Karkick, S.W.; Dale Shupe, J.W.; Rex Mericle, S.D.; Bill Brase, J.D.; Eugene Pierce, Chaplain; Howard LeClaire, Tyler; Frank Bryan, Secretary and Clarence McIntosh, Treasurer. Your Trustees are Ed Fleck, Clarence Carlson and Guy Maustellers. At this writing the two Stewards appointments have not been made. They will be announced at a later date along with other appointments.

Brethren, Freemasonry does not mean freedom from assuming your obligations. I have spent some time in recent weeks contacting the older members and especially the Charter members of South Gate Lodge relative to their taking on certain responsibilities. I encountered what could only be interpreted as an almost total lack of interest. It is incomprehensible to me that so many people that were so instrumental, responsible, and interested in getting our Lodge founded and chartered could now no longer be interested in its welfare. Do you think that you alone have these pressing occupational, family, and civic responsibilities? If you do then this is inexcusable egotism. The price of anything is directly related to the value which one places upon it. Is your Blue Lodge membership valuable only because it is necessary to become a "thirty-second" and a "shirner"? Do not forget where your first Masonic obligation lies. We are not going to initiate new members if it cannot be done properly and without some people doing double duty. And if we cannot initiate new members our charter could be revoked. Is this what you want? Or do you want a direct summons to

perform some of the duties which must be performed? There is a lot to be done and work for a lot of people, Brethren, so express your interest and make it known.

Fraternally yours and See you in Lodge.

My Brethren, this is my first article for the Square and Compass, as your newly elected Worshipful Master. I want to take this opportunity to express my gratitude for the honor you have bestowed on me, and also to wish each of you health and happiness throughout the coming year.

We have just passed through a very successful year, and are looking forward to another equally as good. Maumee Lodge has an excellent line of officers. Allow me to introduce them to you at this time: Berton L. Pontoni, W.M.; Phillip Gutman, S.W.; Arthur Graue, J.W.; Fred Raake, Treas.; George Gable, Secty.; William Ginger, Trustee; Herbert Foreman, Trustee; Shirley Scholer, Trustee; Wayne Doehman, S.D.; Robert Mathieson, J.D.; William Haos, S.S.; Robert Whyte, J.S.; Robert Nickerson, Chaplain; Roy McDowell, Tyler.

These officers are well equipped with all of the working tools of Masonry. All we need are the materials to work with and that is you. Remember a successful lodge is a good investment of time and effort. A good Lodge does not just happen; it is planned and worked for, Worried over and evaluated; it is flexible and active; it is made up of Brethren working together, for the good of all. Never has the world needed the tenets of a Mason's profession—Brotherly Love—Relief and truth more than it does today.

We must continue to go forward, and I urge each of you to rededicate yourselves to service to your Lodge and to Masonry.

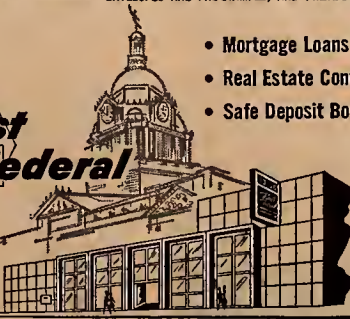

Also Brethren, when you pay your dues, Please, don't forget the dollar or more that goes as a voluntary contribution, to our Masonic Home. Lets not let our Grand Master, down.

I am hoping to see some new faces in Lodge, also all of our old standbys.

pleasant Holiday season and welcomed in 1965 with the usual fanfare. While Winter will be with us for some time yet, we can dare hope for an early Spring, and anticipate the return of the first robin.

In the interim we can all work diligently to bring our current Shrine year to a successful close in March. There remains much to be accomplished. With you cooperation we can chalk up another fine milestone in our long history.

On December 11th, Miriam Shrine held another Ceremonial. We offer a big welcome to our newly made sojourners and trust you will take an active part in our activities.

No meeting was held on Dec. 25th as this date would have fallen on Christmas Day.

On Dec. 27th, Sojs. Alton and Erma White entertained the Orion Past Officers Club at their home. A good time was reported by all.

Calendar:
Jan. 8th, Stated meeting, Supreme appointments will be recognized.
Jan. 22, Advance Officers Night. This will give the line officers their first opportunity to fill the stations they will occupy next year.

Feb. 12, Stated meeting. Miriam Shrine's 43rd birthday will be celebrated with an appropriate program.

Feb. 26, Master Mason's Night. Let's all lend a hand and show our men how much we appreciate them. We must never forget the great debt we owe to Masonry. Our ties are deep and ever-existing.

Illness: Ruth Hickman is a patient in Lutheran Hospital; Glenn Myers has been ill at home; Dora Freyman has been a patient in the Hicksville Community Hospital.

In Families: Brother of Ann Eichmann is in the hospital at Salida, Colorado.

Deaths: Jack DePew, son of Ella DePew passed away on Nov. 27. Father of Bertha Clear passed away in November in Mansfield, Ohio. The great-granddaughter of Lydia Koop.

To all who are ill, we trust you will soon be restored to health. To those who have suffered bereavements, our sincere sympathy is extended. And to all sojourners who are shut-ins, we wish you a healthful, happy year ahead.

A great big thank you goes to Soj. Erma White, our Ways and Means cookie sales chairman. She sold out down to the last crumb. We appreciate your efforts in putting this project over, Erma.

Let us put into this coming year God's love and good each day, that this may be a year of Peace on Earth in His own way. And . . . may all your troubles be as short-lived as the usual New Year's resolutions!

Hi Jobies, We are engrossed in a new year. Each new year is like the Chapter of a book. The chapters which precede are the basis for what we are now. But the chapters which are to follow may be based on the foundation of the chapter you are building this year. Why not make Job's Daughters the foundation for this chapter of your life. Job's Daughters is to you what you are to it. If you are faithful to the order, Job's will mean something to you. If you begin to stray, Job's will begin to become just a name in your vocabulary. I'm sure none of you are in the latter bracket so let's see each and everyone of you on the sidelines this term. If you will see me I have arranged a program in which there is something for everyone to do. I have planned social events which I know you will be enthusiastic about, and which you'll give your loyal support.

If you have ideas which you feel would help me during my term, feel free to let me know, that is why I am your sister, and Honored Queen. In closing, I would like to remind you to come out and support your Bethel. And don't forget to bring in those petitions. I have set my goal as bringing 50 new initiates this term. SO HELPI

FREEMASONRY CONT'D

Perpetual fear is the beginning of the despair that seems to be increasing in many hearts and minds, a creeping paralysis of the sense of spiritual significance. Prosperity and materialism have made many of us indifferent. We act as though there were no work to be done, no ills to be cured.

This may be our undoing. We have delegated the duty of charity to social organizations, the privilege of prayer to men of the cloth, the nobility of learning to the so-called intelligentsia, moral sensitivity to the ancient prophets. We are shocked when we learn about an increase in juvenile delinquency or an increase in the number of crimes committed, yet the normal amount of juvenile delinquency and the normal amount of crime did not in the past cause us too great concern.

The agony of contemporary man is the agony of a spiritually stunted man. In order to be truly human, man has to be more than a physical entity. He must tap the wellspring of his divine and spiritual origin which truly makes him come alive.

The prophets of Israel insisted that there is one thing that surpasses the might of human power; that is the power of the spirit. They said that the way to eliminate fear of man is to reverence God. The tragedy is that instead of increasing the spiritual sensitivity of man we seem to do our utmost to injure and minimize it.

We are losing our capacity for genuine freedom that our forebears died to gain and to hand down to us. New forces are emerging which dictate our actions. We seem to be caught in a morass of the common-place, where the individual with the fire and spirit and dedication to create a constant dynamic in life is harassed and ridiculed to the point where his own creativity loses its force.

Modern man is no longer motivated; he is being propelled. He does not strive; he is being driven. The principle of majority decision depends upon the assumption that the individuals who make up the majority are capable of discerning between right and wrong, but now we are being taught that man is incapable of making a significant moral decision. Yet our whole philosophy as based on the Bible preaches the dignity of man and tells us that he is capable of making moral judgments and that the road he chooses, for good or for evil, is but the lengthened shadow of his hand and conscience. We are called free, moral agents, but are we?

The Bible has a formulation for man's highest capacity when it states: "Would that all the people were prophets." Every man may be a prophet; every man may be inspired, but life must be earned spiritually as well as materially. It is an accepted fact that the Bible has given the world a new concept of man, but what

is not realized is that it has given man a new concept of world.

All this is a tremendous opportunity for Freemasonry. Every thought and action that would grade man finds antithesis in our Fraternity. We are taught not to speak out but to act. As we can change the entire complexion of our society if we will but live and act positively. Bearing witness is another name for this spirit of dedication. Our Fraternity is the guardian of the faiths that we, Freemasons, acknowledge. Within our own Temples lies the dynamic force that can make us all come to life. We can provide the impulse that will arrest the dry rot of pessimism and cynicism. "So what?" may be, praying and doing must be its place.

Where will this renaissance take place, and when? The answer lies in the minds and hearts of each one of us. Our real hope is to convert our society from a fellowship of fear into a fellowship of deep reverence. Come what may, there will always remain a spiritual underground where a few brave and dedicated men will continue to fight for what is right and true. Our concern, now, is not how to worship and pray in darkness but, rather how to remain human in the light of the new dawn.

Nowadays a gentleman is one who gives a lady a head start before bringing her to a bus seat.

Reverent Thoughts
How often are we thankful for every
breath we take?
How often do we thank the Lord for
fresh water of a lake?
How often do we bow our heads and
in a reverent prayer
Say, "Thank you, God, for all we
have and for thy loving care?"
We cannot count the twinkling stars
that in the night sky shine;
Nor can we count the flowers that
the paths of life do line,
We only know that they are there
and they stand for love so true.
They remind us of a loving Savior
Who died for me and you.
by Phyllis Morningstar
As we start this New Year, the
Worthy Matron and Worthy Patron
thank you for your attendance in the
past and they, along with the other
Officers, wish you a Happy and
Prosperous New Year and hope to see
you in Chapter in 1965.
We extend our hearty congratula-
tions to our own Sister Sonoma
Woodruff for the honor she always
brings to our Chapter, District and
State, by her appointment to serve
on the Knight's Templar Eye Founda-
tion Committee for the coming three
years. Sister Sonoma received this
appointment at the Thirty-First Trien-
nial Assembly of the General Grand
Chapter of the Order of the Eastern
Star recently held in Dallas, Texas,
by the newly Installed Most Worthy
Grand Matron, Sister Josephine H.
Browning.
At our Nov. 24th meeting, decor-
ations in the East and on the Me-
zzanine were in keeping with Thanks-
giving. Decorations honoring the Drill
Team were in the West, and the
Choir sang a special song for them.
Their President, Sister Thelma Kayser
invited the Fort Wayne Commandery
No. 4 K. T. Drill Corps to put on
their drill for us that evening, which
everyone enjoyed. The Social Com-
mittee furnished sandwiches and cof-
fee that evening.
The Worthy Matron gave special
thanks to the Pro-Tems who have
been such a big help to her this year,
and to Sister Nama Bair for her re-
port on the trip our members made
to the Masonic Home, where they
visited several of our members.
The Decorating Committee are to be
commended for their beautiful
Christmas decorations for the Dec.
8th meeting in the East, West, on the
piano, on the Secretary and Treas-
urer's desks and on the tables on
the Mezzanine. They also greeted us
at the door and pinned little red
balls on us, which they had made.
The Social Committee served cake
and coffee.
The Choir and pianist were in
charge of the Program Dec. 8th and

sang many beautiful Christmas carols.
In the past month the various Com-
mittees had Christmas parties, pot
luck suppers and gift exchanges, and
at many of these occasions they in-
vited their husbands as guests.
We are proud that James Coe, son
of our Bro. Russell and Sister Gladys
Coe recently was elected Master
Councillor of the Fort Wayne Chap-
ter, Order of DeMolay. We know
his parents, Elmhurst High School,
the Scout Troop he belongs to, and
the First Church of God are mighty
proud of him too.
Congratulations to Orpha Gray who
celebrated her 93rd birthday, Dec.
4th.

It's a New Year — a beginning again — a chance to wipe the slate clean — there are many ways of expressing it but here is a poem that our Worthy Matron, Sister Jean Anne, wishes to share with us which expresses the thought nicely:

The world's a weary place

For him who tries to face

his tasks alone

But he who looks above,

Will see the God of love

Is always swift to move

Among His own.

And so I wish for thee

A vision clear to see,

A presence near;

That every hour of night

And all the days of light,

May with God's love shine bright

All thro' the year.

Now to get back to the "old year". Jan. 15th marks the date of Past Matron's and Patron's night. Dinner will be served in the dining room at 6:30 p.m., reservations may be made with Sister Winifred Pabst, price \$1.50. 8:00 p.m. Initiation—The Past Matrons and Patrons will be filling the stations during the conferring of the Degrees. Don't miss this important event.

The next very important date is Jan. 22nd when the committee members and officers will honor our Worthy Matron and Patron. 7:30 is the time—the Mezzanine floor of the temple the place. If you have worked on a committee this year, you will want to be "in" on this festive event—Fun-Fun-Fun is the theme—The Appointive Officers are in charge of the refreshments and the program and I am sure it will be an evening of enjoyment for all.

Our first stated meeting in February falls on the 2nd and its possible you won't receive the February copy that early so I want to remind you about Election of officers on that night. Please make a special effort to attend that meeting and do your part in choosing the officers who

Psalm for the New Year

May the Lord bless you and be kind unto you;

May He guide you in the paths of righteousness.

May He renew your faith in His creations;

May He comfort you in your time of sorrow

And smile upon you in your gladness.

May He be merciful unto you

And forgive you your transgressions.

May your soul abound with the peace that passeth all understanding.

May the Lord dwell in your heart;

May the light of His countenance lead you into joy and blessedness.

Now and in the days to come.

Amen.

We are starting a new year of only one meeting night a month and feel sure that this will entice more members to come to the meetings.

H.L. Virginia Ginder is nursing a broken ankle and S.K. Kraft Ginder is convalescing from an attack of pneumonia. We sincerely hope they get well soon. Several other members of our Court have had the flu but are better now.

leaving relatives when we have. We had had such a wonderful, exciting adventure the way—oh—I just can't describe it—and to have the best of it was truly a Dream. We loved every minute and all of the wonderful people whom we came in contact with not so far away Asia.

My dear Friends—with mixed feelings I must say Aloha and I have loved writing these letters this past two years too and for the new Officers of 1965—God be with you all the way.

Corps of Officers for 1965 on December 1st are: President, Florence Palmer; Oracle, Mrs. J. Marvel; 1st Vice President, Ivan Planck; 2nd Vice President, Harry Haller; Preceptress, Mrs. Gahman; Recorder, Mrs. Rohrbach; Treasurer, Mrs. Philip Marshall; Marshall, Mrs. Albert Stevenson; Chaplain, Mrs. Squires; Director of Music, U. H. Utterback; Standard Bearer, Mrs. Thomas Houser; Color Bearer, Mrs. Jack Walker; Mistress of the Word, Mrs. Ralph Wees-

ner; Daughter of the Household, Mrs. Charles Fuchshuber; Inner Guard, Mrs. Setherbert Sapp; Outer Guard, Mrs. Berton Pontoni; Director of Work, Mrs. George Adams.

We also wish our Sir Knights a super year in 1965 under the direction of Ivan Planck.

At the December Meeting the DeMolays put on the Flower Ceremony for us—under the direction of Jim Coe.

Thelma Adams has been very ill and her mother and husband also. Genny Wagner's husband has returned from Mayo's and they have apparently helped him a lot.

Mildred Kerley's father had serious surgery—and is convalescing at the Parnell Park Rest Home (Bill Crandall).

Granddaughter congratulations in order for the Arthur Oardis'.

We have had three recent deaths—Florence Palmer lost her mother-in-law, Olive Oerer lost a daughter. And Lily B. Michelfelder lost her father. Our prayers are with these hereaved families as we come to the wonderful Christmas Season.

Companions: With this article brings a new chapter year, and I wish to share with all your officers in wishing each of you a Happy New Year. It is our earnest desire that you will make a resolution to support your chapter and attend our stated meetings when possible. Your officers have made a resolution to have a dinner before each stated meeting, which is the third Friday of each month except July and August. Your officers have further resolved to keep the stated meetings as short and to the point as possible and still conduct the necessary business of the chapter. In addition to dinner before the meeting and short business meetings we hope to have some form of entertainment after the meeting.

To give you a brief preview of some of the entertainment we have arranged for your pleasure:

Jan. 15, Past High Priest John C. Collins has graciously consented to show some colored slides of his recent trip to Ireland and England. John has so many slides, we decided to split them into two sessions so in February or at a later date we will have a second look at John's very interesting trip.

At another meeting in the spring our Grand Lecturer, Lloyd Young, has consented to come and talk to us on York Rite Masonry and explain some of the mysteries of our degrees. Some of our neighboring chapters have expressed a desire to attend this very informative meeting, so I hope that a large number of our members plan to attend and show our guests an old fashioned Thomas R. Marshall welcome. As soon as a date is set you will be notified in plenty of time to plan to attend.

Past High Priest Harold Martin has accepted the chairmanship of a committee to plan and arrange a ladies night dinner to be held in the spring, probably in April or May. This will not be held on a meeting night so that chapter business will not distract from the pleasures of this affair. To the Fair Ladies who may read this article please keep this hit of news in the back of your mind and don't let the old boy talk you out of going to this affair. Companion Martin promises an entertaining evening with good food. Knowing Harold Martin from his past performances anything can happen and usually does.

Past High Priest Harry Haller, has consented to bring the Commandery Drill Team to entertain us with their championship form. This will probably be at the December meeting. We in Fort Wayne should be proud of this very fine organization and if you haven't had the pleasure of watching this group in action recently you should avail yourself of the opportunity at this meeting.

I hope this article will at least stir up your taste buds so that as many as possible will come and enjoy the fellowship at a good meal with some of the finest companions in these parts.

At the annual stated meeting Dec. 18 the following officers were elected: Howard D. Carr, High Priest; Richard E. Deuter, King; David L. Ruoff, Scribe; Richard B. Jones, Secretary; Louis J. Koch, Treasurer; Langdon Mansfield, Trustee; Norman L. Morgan, Capt. of the Host; Berton Pontoni, Principal Sojourner; and Maynard R. Cope, Jr., Royal Arch Capt.

The following appointments were announced: Charles Cook P.H.P., Master of 3rd Veil; John Collins P.H.P., Master of 2nd Veil; Harry Deuter, Master of 1st Veil, and Olen S. Myers, Chaplain.

lary job. Thank you for a job well done! It is a credit to the Fort Wayne Chapter, and especially to "Dad" Tucker who works so hard for DeMolay.

On December 9, 1964, the Fort Wayne Chapter held a business meeting in which we elected the officers for the Spring term and the Chapter Sweetheart. Also Dr. Frey presented merit awards, and three DeMolays received the Representative DeMolay Degree. The officers-elect for the spring term are Jim Coe, Master Councilor; Stan Sachs, Senior Councilor; and Tim Leeth, Junior Councilor. These officers and the other appointive officers will be installed on Monday, January 4th, 1965.

Since this is the last article to appear in the paper in my term as Master Councilor, I would like to express my sincere thanks to my officers, "Dad" Tucker, and Mrs. Tucker, for their counsel and assistance, to the members of the Advisory Council for the tremendous amount of effort they put forth during the fall term. To Jim Coe, I wish the best of luck, and may he have a term as enjoyable and successful as mine has been to me. Thank you, one and all, for everything you have done. We sincerely hope the old year has been conducive to everyone's welfare, happiness and wisdom and that the new one will be even more rewarding. Time is our greatest blessing, it holds in its hands our past blessings and sorrows, in the future, our hopes and desires.

Your officers elected for 1965 are: Melvin Kuhn, W.M.; Rodney Lansaw, S.W.; Gerald Runyan, J.W.; Maynard Campbell, Treasurer; John Lare, Secretary; and Russell Ramer, Trustee. Appointed officers are: Earl Riley, S.D.; Roy Peters, J.D.; Lowell Dickes, Chaplain; Charles Hedges, S.S.; David Etter, J.S.; and Wilbur Perry, Tyler.

Installation will be Thursday, Jan. 7 with a public ceremony following our stated meeting with P.M. Walter Kell as I.O., P.M. Kenneth Hand as Marshal and P.M. Jesse Jeffries as Chaplain. We will be expecting you there.

We have been enriched by 5 new members in 1964, they are: Billy Ahel, Delbert Hollinger, Jack Davis, Charles Hedges and David Etter. We sincerely hope that our mutual associations will be rewarding in many ways. Our membership now stands at 303.

The Lodge has appreciated the many social niceties provided under the direction of our J.W. Rodney Lansaw, the dinners at Past Masters Nite, Lodge for Instruction and recently the Oyster supper. Knowing our new J.W. Gerald Runyan we can look for them to continue, so brethren we'll be looking for you to share in our fellowship and fraternal association.

During the past year we have converted our heating system to gas and the social room is now undergoing changes to accommodate a gas stove and refrigerator, with a water

heater, by courtesy of the O.E.S. to be added.

Huntertown Jobs Daughters that wonderful youth organization is continuing to grow and serve the community, our thanks to that devoted group of adults both past and present who serve as counsel.

The 1965 dues are coming in well with a modest giving to the Masonic Home. We say many thanks to those who have contributed generous amounts, it helps to support those who may be unable to contribute. For 2 years Huntertown has reached the coveted goal of one dollar per member, let's make it 3 in a row, thereby making this hit of prose a reality.

Brethren: The year 1964 has drawn to a close. Another milestone has been passed in the lives of each and everyone of us. As sure as eight follows the day, the new year of 1965 is upon us. What are we going to do about the year 1965? Are we going to make it a year worth while? We all hope so.

How can we make 1965 a success? By planning ahead with all of you as a unit. By helping each other to remember the events that are scheduled for the stated meetings. As a reminder, your stated meeting is the second Thursday each month. Surely, you can find time to come now and then to attend the lodge and renew acquaintances among your brethren.

As far as we the officers of Olive Branch Lodge are concerned, we think the year 1964 has been a very successful one. Under the capable leadership of our Master, Gayl Sheets, a lot of enthusiasm has been generated and we hope to keep it up during the coming year.

Let us reminisce a bit and see just what did happen in your Olive Branch Lodge in the past year. In the closing year of 1963, we met with the Monroeville Lodge in a banquet commemorating the Feast of St. John the Evangelist. This is now an annual affair and by a Proclamation issued by our Grand Master, this observance was held in our Lodge Hall with Monroeville Lodge as our guests on Monday night, Dec. 28, 1964. On January 4th, 1964 our officers were installed in our lodge by a very capable installation team from Three Rivers Lodge. This was indeed a very impressive ceremony and I'm sure it will long be remembered by those who were present. This same team was obtained to install our 1965 officers on Saturday evening, Jan. 2, 1965, in open Lodge.

In our Feb. 13th meeting, brothers

Don Chaffin, Robert Mix and Rex Marquardt put on a play, "The Symbols of Masonry." This was received so well that it will be put on again and again and become a part of our Lodge.

Much time and preparation were spent in putting on our "Century Plus 5 Banquet." Between sections of the Master Masons degree, the banquet was held in the Poe Methodist Church. Rev. Phillip C. Philbrook was the speaker, and I'm sure all who attended were enlightened by his wonderful message.

In June, our master Gayl Sheets, reported on the activities of our Grand Lodge.

Two brothers were raised to the sublime degree of a Master Mason. Dean and Gene Brown, twin sons of our Secretary, Lloyd Brown, were inducted.

We attended Hoagland Methodist Church in a body on June 24, in honor of St. John's Day. Sixteen brothers were present.

On Oct. 5, we met at Poe with Decatur Lodge No. 571 for a Lodge of Instruction. This was very educational and well attended. Next year this will be held at Decatur. For "more light in masonry" keep this event in mind.

In the past two years, Olive Branch Lodge has had 100% participation in funds for the Masonic Home for the state of Indiana. That is a voluntary contribution of \$1.00 per member. Of this, we are justly proud.

Remember that prompt payment of your dues is a real help to your Lodge. It is our wish that all who can will subscribe to the "Indiana Freemason" one of the best Masonic Publications in the United States.

NO SECRECY

(Exchange)

It has always seemed inconsistent and poor economy to shroud the Masonic Order with a veil of secrecy. If the people of the world could only be made to understand the high ideals by which Masons are bound together it would be a great blessing to humanity. The influence of millions of men, banded together, sworn to right living, to liberty, to square dealings with each other and with the rest of the world, would and should be a great motivating force for right against wrong—for the elimination of oppressors of all sorts and kinds. . . . There is no secrecy in our ideals for love of country and right living. . . . We should employ all the betterment of mankind, for the strength of our Order, for the country and our homes.

YOUR MASONIC
PUBLICATIONS

Occasionally we suspect there are those who do not realize the great service rendered the craft by Masonic Publications. However, the vast majority of Masons recognize this value.

Surely it is a well known fact to all of our readers that they read practically nothing about the Craft or its splendid beneficial efforts in the daily press. Certainly it is wise to let the world know as much as possible about Masonry and its splendid service. How else can we interest people in our institution? The public is not invited to sessions of our lodges and, therefore, is uninformed as to the many fine things which Masonry does and stands for. Therefore, the many fine Masonic publications all over the country which constantly tell what Masonry stands for and the many fine institutions it supports do, we feel, an enormous amount of good.

Possibly you are thinking that these various Masonic publications are going only to our own members, so how is that informing the world of its activities. On the contrary, a great many subscribers to Masonic papers and magazines pass them on to their relatives and then in turn they are even passed on a second and third time. So, in that way a great many people who have no connection with the Craft, form a good impression of it and its activities. Lodges have received countless petitions from just such sources as these.

Another consideration which the average reading public does not realize is, that a great many advertisers in the various Masonic publications are not connected with the Craft. It is their support which makes these publications possible. These advertisers form an important part of every community. Many of them read for the first time about work and form a favorable opinion of the Craft as a direct result. Were it not for Ma-

sonic publications, thousands of business men all over the country would know little or nothing about the activities of Masonry because, as stated before, there is practically nothing concerning the Craft in the public press.

Another great value of the many Masonic publications to the Craft is not only their articles concerning our splendid charities, but in many instances, these Masonic publications will urge their readers to make gifts to our Masonic institutions. These are given directly or by means of wills. Our charitable institutions, beyond doubt, have benefited tremendously from this source.

Another vital consideration is "that a reading Mason is an interested Mason." There are a great many members of Lodges who have little or nothing of a Masonic nature to read. Frequently, this is because their lodge does not subscribe to a Masonic periodical and the lodge's only contact with these members, if they are non-attenders, is the annual request for dues. Surely it is plain to see that it is only a matter of time before these members will lose interest in their lodge and eventually become non-paying members, with the inevitable result.

Now, let us consider a Mason who is fortunate enough to belong to a lodge which is a 'subscriber to a Masonic periodical. This brother will be furnished excellent reading matter, not only about his Lodge but other Lodges, as well as the appendant bodies and, in addition, he will read many articles of interest concerning Masonry in other parts of the world.

This brother is bound to be more interested in Masonry and in his Lodge, as a direct result of his having had access to interesting and well edited Masonic material. We believe that there is little chance for such a Mason to lose interest in his Lodge and join the ranks of former members.

So, when you consider the many ways in which Masonic publications can be of service to the Craft, it is understandable why the vast majority of our membership and particularly our leaders believe that Masonry should aid in any way it can our many fine Masonic publications.

LET US STRIVE
(Exchange)

Have you ever stopped to wonder why there are hints of Masonry in early history, traditions, mythology and symbolism of the race? The story of the builder reaches from the Temple of King Solomon to the Grand Lodge of England. Masonry has spread over the civilized world. Probably the full and complete history of Masonry can never be reduced to words on paper. That is because the essence of Masonry consists of human and spiritual values which cannot be numbered and weighed and measured.

Let us therefore more earnestly strive to be Masons, not merely in form but in faith, in spirit and in character. Let us strive to realize something of the vision of humanity and the dream of man—brotherhood.

Daniel D. Dale W.M.
525 Kimberton Dr. 446-5621
Harold W. Garrison Secy.
1515 W. Main St. 743-1723

The following officers will represent you in 1965. Give them your support, W.M., Daniel D. Dale; S.W., Robert J. Bogosbuetz; Sec'y., Harold W. Garrison; Treas., Nile W. Hake; J.W., Robert H. Withey; S.D., Luther F. Boyer; J.D., Wade O. Cleckner; S.S., James L. Waldron; J.S., Geoe R. Parkinson; Chap., Robert E. McNall; Tyler, James Pollas Sr.; Trustees (3), Bernard L. Smith, Charles R. Bandy and Simon H. Hartslog.

Brethren bow wisely are we all dividing our time? Surely we can find time during our usual vocations to devote to the lodge. It's unfortunate that the lodges today must be made to compete with the ever increasing pleasure of society. The sports of bowling, basketball, hockey or the pleasure of watching television are but a few of the many such pleasures. These pleasures are all wonderful as long as we don't submit to them in excess and thus neglect our fellowship at the lodge on Thursday nights. Why not plan to set aside your Thursday evenings for the Lodge, and by all means participate in the various degree work whenever you can. If you haven't been asked to be on one of the various committees, check with the committee chairman(s) (See Jan. issue). If you want to learn any of the Master Mason degree work, please let me know. Your participation and fellowship is certainly welcome and it not only makes Masonry interesting to you, it makes your Lodge prosper too.

Brethren if you have any ideas or suggestions to improve our Masonic fellowship this year, please let me know. We sure want to thank Connie Scott for the Fellow-Craft party at his home last Jan. 19. Let's plan to have more parties this year. We've surely got the time if you've got the place. Let your Fellowcraft committee know and we'll do all the necessary planning and cleanup afterwards.

Brethren it's almost an impossibility for the Master to know when we have sick Brethren to call on, unless you let him know, so please pass this information on to him. I want to thank the (16) Brethren who made it out to the Vets hospital last month — Don't forget our next visitation is on February 22. Brethren I just received a call (Jan. 14) from Luther Boyer, that his son, David, was involved in an accident in Waynedale. David is in Lutheran Hospital and was pretty severely shaken up. The extent of his injuries is unknown at the time of this writing. Let's all pray that David makes a speedy recovery. God be with you David.

I'm sorry I didn't learn until after the January issue went to press, that our new candidate for last month chose to have his work in February. I hope my January article didn't inconvenience any of you. If everything works out all right we'll have three (3) candidates this month. We'll be eating in the Kitchen on the Master

Mason degree.

The annual Blue Lodge Guest Nite will be held on March 31. Why not make arrangements now to bring a friend whom you would gladly recommend, should he express his desire to be affiliated with our Lodge.

This year's Founders Day program at the Murat Temple in Indianapolis was outstanding. The Grand Lodge really out-did themselves on this our 146th birthday of Masonry in Indiana. Considerable emphasis was placed on improving our Lodge attendance; maintaining the dignity of our Lodge; reasons for decrease in membership; and our Masonic Home donations. Much could be said on these subjects, brethren, but we all know they are vital to the interest of Masonry. Let's all pitch in, so to speak, to revive and enliven our Lodge. Let's set aside all prejudices, quarrels or differences we may have with one another. These things, brethren, it is morally best that we forgive and forget in order to preserve the dignity and holiness associated with precepts of Masonry and of our Lodge.

For those of you brethren who are ill or whose families have sickness, I pray you all a speedy recovery and that God will care for you all.

Don't forget to pay your annual dues and be sure and make a generous contribution to the home. Operating maintenance costs at the home are terrific.

Brethren: Fraternal greetings from your officers.

During the coming months, I would like to introduce you to your officers via this column. This month's issue, I would like to present the Wardens of Home Lodge. Your Senior Warden is Bro. Harold S. Salisbury. Harold lives at 4604 Euclid Avenue with his wife, Waneta and his three daughters, Denise, Debra, and Patricia. Harold is a member of the Fort Wayne Police Force and has been so employed for 16 years. Among his hobbies are hunting and fishing and he has a cottage on Lake Pleasant.

Your Junior Warden is Bro. Lloyd N. Bouillion. Lloyd lives at 5513 Ill. Road with his wife and mother. Lloyd is employed at Brouwers service station on Broadway and is looking forward to retiring in a few years. Lloyd enjoys outdoor life and has a few acres under cultivation which keeps him busily occupied when out at his usual avocation.

Before continuing this article, permit me to quote from Oliver Wendell Holmes: "Deal gently with us, ye who read! Our largest hope is unfulfilled. The promise still outruns the deed. The tower, but not the spire, we build!"

As I am writing this article, I am looking forward to our Past Masters Night. When you are reading this article, it will have become an activity of the past. Since I have no crystal ball in which to gaze, I can only hope that it will be a pleasant memory. It

has all the ingredients of a successful event; but until it occurs . . . well, who knows?

On the 12th of January, we held a chili and oyster stew supper for the craft. Those who attended, expressed an interest and a desire to develop the craft team. It was agreed that everyone would endeavor to contact all the members and invite all the interested brothers to a dinner meeting on Feb. 9 (Tuesday night). If you are interested, don't wait for a telephone call, contact an officer and make a reservation.

Plans are now being made for a Father-Son Banquet on Tuesday, Feb. 23 at 6:30 p.m. The program looks like an interesting one for all ages. You will be contacted by the ticket committee, but again, don't wait for us to call you, contact an officer for your tickets. Costs of the tickets is still to be determined, but will probably be \$1.50 each.

Plans are almost complete now for the 3rd Annual Blue Lodge Guest Night. This will be held on Wednesday, March 31st at 6:30 p.m. at the Scottish Rite Cathedral on West Berry St. This is an event sponsored by the Blue Lodges in this area. This year we have more lodges participating and the response should be greater than ever. Tickets will be \$2.00 each and are available from any of the lodge officers. Your Master is privileged to serve as the General Chairman for this event and I am looking forward to a very worthwhile evening being planned by all the committees.

By April or May, we hope to have a craft team proficient to travel to Grand Rapids, Michigan and return the visit made by them to Fort Wayne last October for our Tri-State meeting. More on this later.

Fellows, as I stated in my first article, we the officers can make plans; but unless the craft are willing to work and carry out the designs, all will come to naught. I again request you to attend at least one stated meeting and one degree night and to support all of our special activities.

To all our brothers who are ill or indisposed, we extend our best wishes for a speedy recovery. Those who have been reported on this list are: Brothers Bert Stillwell, Ed Bandt, Orla Custance and Otto Peters, all at home and Brother Hugo Kleint in the St. Joseph Hospital.

The month of February contains the birth dates of two of our most beloved and revered presidents. Abraham Lincoln, who it is said, was a Mason in his heart if not in name, is effect if not in fact. He practiced what we as Masons preach—Brotherhood of man under the Fatherhood of God. To quote from his 2nd inaugural address: "With malice towards none, with charity to all . . . to care for him who has borne the brunt of the battle, and for his widow and for his orphan—to do all which may achieve and cherish a just and lasting peace among ourselves and with all nations." Haywood has written that Abraham Lincoln was drawn to Freemasonry because it was of men, by men and for men. Although a letter exists in which he stated his desire to petition for the degrees of Masonry after his administration was over, fate decreed otherwise when he

was assassinated.

George Washington, Father of our country, first president of the United States, distinguished brother and ardent Mason. He was the only brother who served as the Master of his lodge at the same time he served his country as its President. Washington was reverent before his God, he loved his Freemasonry and he drew inspiration from the ancient craft. In return, he gave it his influence, his talents and his reputation. As we flash back over the decades, let us be cognizant of the great men who were his contemporaries and who were just proud to be members of the Fraternity. Theo let us examine ourselves under the same light. Does our zeal for the institution burn as brightly as theirs. Are we able to say to ourselves and to our brothers that Freemasonry is as deeply etched on our hearts and minds as it is evident it was to our earlier brothers. Let us remember our obligations and discharge them to the best of our ability that we might be proud to answer "yes" to the question "are you a Master Mason?" To Quote Holmes once again: "We have a right to be

Greetings, Brethren. Behold how swiftly the sands run and how a whole month of activity has passed before us, and now it is February. The month of January saw us getting off to a good start as we welcomed two more candidates into the Masonic fraternity. Brother R. Wyatt Weaver received all three degrees, while brother Robert Franklin Kimbrough resumed his work with the Fellowcraft degree, and went on to receive the Sublime Degree. Also, Summit City gave a brother his E.A. degree as a courtesy to Queens Village Lodge No. 1046, Queens Village, N.Y. He will receive his F.C. and M.M. degrees during the next two months, as the New York Grand Lodge requires that at least one month separate the conferring of successive degrees.

The Senior and Junior Wardens and your Worshipful Master attended the Founders Day Conference at Indianapolis early in the month. This was quite a worthwhile event, and shows promise of becoming an annual affair put on by the Grand Lodge. Many ideas for administration and conducting lodge activities were exchanged, and a number of reports on various phases of Masonry in Indiana were discussed.

Our January visitation at the Veteran's Hospital was made on Monday, the 9th, and a small number of faithful brothers turned out to participate. Brothers, I would like to make a personal appeal at this time for help in increasing our attendance at these visits. If only some of you brothers who have the time to spare less than two hours every other month for this very worthwhile program could try it just once, I am sure you would return as often as possible to help spread a little cheer among these hospitalized veterans. Brother Bill Maxwell and I found that our biggest problem was time. It was difficult to leave one group to move on to another because we all enjoyed talking so much that we simply ran out of time. Please try to be with us for the next visitation on Monday, March 1, at 7:30 p.m. Contact brother Bill Maxwell or Brother Lowell Alkire, the Co-Chairmen of our Masonic Service committee, and let them know that they can count on you to join with them in this very fine work. If any of you are ex-GI's yourselves, you

will find that not only the patients will enjoy the reminiscing—so will you. Mark that date on a calendar that you will notice so that you can join with us on March 1st for our next scheduled visit.

Those of you who regularly participate in the lodge work may be interested to know that a pocket-sized roster of your lodge officers, committee chairmen, and members is in preparation and should be available sometime in February. I had hoped to have it ready in January, but I want to list telephone numbers along with names, and it takes time to check out the numbers to be sure they are correct. Those of you who would like to have one, are asked to pick it up at the lodge hall on one of the meeting nights, as we will not be able to mail them out due to the extra expense involved.

I mentioned last month in this column that one of our goals during this year is an increase of contributions to the Masonic Home. I remind you that March 31 is the last day we can receive voluntary contributions if they are to count in this fiscal year. This does not mean that there is a deadline to giving to this worthwhile charitable cause—there is never a deadline for Masonic charity. Let me remind you that all such funds donated are used only for "new building purposes, obsolescence, and rehabilitation of the present buildings," by resolution of the Masonic Home Board of Directors. None of this money is used for operation of the Home, as your per-capita receipts from regular lodge dues are the only monies used for this purpose.

We have one petition for the degrees to be voted upon at the Stated meeting in February, so our schedule will be something like this:

Feb. 5, Stated Meeting 7:30 p.m.
Feb. 12, E.A. Degree, 7:30 p.m.
Feb. 19, F.C. Degree 7:15 p.m.
Feb. 26, M.M. Degree 5:30 p.m.

Be sure to watch the weekend papers for exact times, as these may be changed for various reasons. If we have a candidate for the M.M. degree, we will have a dinner—that evening. See you in lodge?

Brethren, bow time flies. It is time for the February issue of the Square and Compass. Before going any further, I would like to announce that we are having our Smorgasbord and Square Dance February 13, 1965. The price for adults is \$1.50 and children under 12 years 50¢ for all you can eat. There will probably be card tables set up for those who would like to play cards. This social affair is open to the public, so tell your friends and come down to the temple for an evening of fellowship and entertainment.

tainment.

As this article is being written we have a new brother who has had his entered apprentice degree and we are looking forward to taking the brother through the next two degrees.

We will be dark in the month of February but we officers are going to meet the regular nights after our stated meetings for the purpose of practicing our degree work. All members are invited to attend these meetings, as we are anxious to get a fellowcraft club started again. Anyone who would like to take part in the Craft work is urged to attend. We will have a pot of coffee and light refreshments after each meeting. So brothers come on down and we will all enjoy the evenings, and I am sure we will be able to put on our degree work much better.

Brethren, we are planning on having a little entertainment after all of our fellowcraft nights along with our refreshments, so watch the paper for our degree nights. We are also planning something for all of our stated meetings or our Master Mason nights. This will be announced in the next issue.

Remember brothers, those of you who are not officers are really the ones who make our meetings more enjoyable, so come on down to all of our meetings and I am sure you will reap much reward. I'm sure all the other officers and myself will be proud of you.

My Brethren All. Since last we met through the Square and Compass one of our Brethren has been translated from this imperfect Lodge to that all-perfect, glorious and Celestial Lodge above where the Supreme Architect of the Universe presides. We extend our sympathy to the family of Brother James C. Thompson who departed our midst on January 1. The grim tyrant Death inevitably leaves saddened hearts in his wake, but we may receive comfort from the blessed assurance of a glorious immortality.

By the time you read this your Lodge will be well into its work for 1965. It appears now as if we will have work each month for quite some time. Junior Past Master John Whitney is organizing a Team to put on the work for the Master Mason Degree and needs help in all areas. There are also openings on all the committees, and we would welcome anyone who would enjoy delivering the presentations, charges, etc. I know all of you would enjoy this work once you got into it, so volunteer and avoid the draft.

In my last article I had meant to tell you about the South Gate Lodge Veterans Hospital Visitation. Our

first one of 1965 will be January 25, and of course by the time you read this it will be too late for that one. I am very sorry that I was remiss on this matter. Brother Paul Muller has kindly agreed to be Chairman of this very important Committee again this year, which I believe will be his 12th consecutive year. I do not have the words to express how thankful we are or what a wonderful job he has done in this post. Brother Muller can always use help, as it requires about 16 people to properly do the job, so why don't you give him a call at 748-1001 and volunteer your services? These visitations are always on a Monday night. Therefore, I have not been able to participate in very many of them during the past 6 years that I have been one of your Officers. However, I received an amazing feeling of satisfaction when I did participate, and I know you will too. The next Visitation after January 25 will be March 15. Mark it on your calendar and call Paul!

It gives me great pleasure to announce the appointment of Brother Max Lane to the Office of Junior Steward for the ensuing year. Also, the following changes should be noted from the line of your other Officers as previously announced: Pete Toyias, Senior Deacon; Rex Mericle, Junior Deacon; Bill Brase, Senior Steward.

In my next article I will have names to announce of other Brothers who will have various important assignments this year and will keep you informed of other functions of your Lodge.

Fraternally yours, and "See You in Lodge."

I sincerely hope that everyone has enjoyed the holidays, and now that it is all over, we can get back to our normal routines.

We had a officers meeting on December 30th to plan our annual events. Our Past Master and Charter Members night, on March 24th is the first on the agenda. The rest will be listed later so watch your Square and Compass for later events.

Our Installation was January 6th, and was conducted by three of our Past Masters, Howard O. Jernod, W.M.; Richard C. Eoglish, Marshall, and William Gingham, Chaplain. These brothers performed this ceremony in a most impressive manner. The officers of Maumee wish to extend to them their sincere thanks and appreciation.

We are going to have a very busy schedule coming up in February, so brethren lets get on the ball! I want to thank all of the members that were present at our installation meeting for a very good support that they gave me, and ask all of the members for their assistance.

We are planning a very special evening for our Past Masters, and Charter Members.

Brethren, although we meet together as a lodge for only a relatively few evenings during the year, I feel like to impress upon you the fact that Freemasonry, and your membership in Maumee Lodge is not a part time job. Greetings Brethren: A new year is once more upon us and with each new year comes new challenges. We the officers of Waynedale F&A.M. hope that this new year will become a fruitful year in our young lodge. One of the main events of this year will be a celebration of our 10th anniversary, which will be held on 30 April 1965 in the banquet room of the Scottish Rite Temple. We are all looking forward to this event, and hope that all our members will circle this date on their calendar.

This month we are having degree work and sincerely hope that you Brethren who have been missing from the Temple can find time to come to Lodge and enjoy the fellowship which you are missing. I know that many Brothers have heard the old saying "you only get out of Masonry what you put in it." This may be a rather time worn phrase but it still expresses a need that your Lodge could use, so come on up Brethren we will be glad to see you again.

On January 9th Bro. James Bowser, Bro. Kenny Disler, and myself attended the annual Founders' Day meeting at Indianapolis. The trip was made by bus with the officers of nine other lodges from this area. The meeting was very interesting and informative. Problems of the fraternity were discussed and we were brought up to date on the progress of the Sesquicentennial program.

January has been a good month for us and we look for an equally busy one in February. Our stated meeting was well attended and our Masonic education program got under way with a talk by Past Master Franklin. James Richardson, son of our chaplain for 1964, was elected to receive the degrees of Masonry and it is a real pleasure to have him with us.

Worshipful Brother Albert White will again head our ritualistic committee and will assist us in keeping our work up to its usual proficiency. The conferring of the degrees of Freemasonry is a very important part of our work and calls to mind these words of Daniel Webster: "If we work upon marble, it will perish; if in brass, time will efface it; if in rearing temples, they will crumble into dust; but if we work upon immortal minds and imbue them with principles, with the just fear of God and love of our fellow men, we engrave upon those tablets something that will brighten to all eternity."

Our deep and sincere sympathy is extended to the family of our brother Russell Thomas who has been called to the lodge above.

Brother Clarence Christopher is at home recovering from an operation and since it may be several weeks before he will be returning to work I am sure he would appreciate visitors from the lodge.

We wish to express our appreciation and gratitude to Worshipful Brothers Delbert Dennis, Leroy Roberts and Albert Fisher who did such a splendid job of installing our officers on January 5th. It was my pleasure to see them do the work again at the installation of the officers of New Haven Lodge No. 740 on Jan. 6th. It is good to see our brethren assisting in the work of other lodges and I can assure you they are most proficient. This is an example of the fine work many of our Past Masters were doing throughout the past year. A definition of a Past Master is as follows: "One who has thorough experience in something." After seeing our Past Masters work in lodge you could heartily agree with this definition.

We have three tentative dates for the play, "A Rose Upon the Altar," one in February and two in March. These dates will be announced as soon as confirmation is received from the host lodge. We would welcome hearing from any of the brethren who would like to travel with us to these presentations. Please call Brother Lavern Amstutz.

Our schedule for Feb. is as follows: Feb. 2, MM degree, 5:30 p.m., dinner 6:30; Feb. 8th, Veterans Hospital Visitation; Feb. 9th, stated meeting; Feb. 16th, E.A. Degree; Feb. 23rd, F.C. Degree.

February is upon us. It is a short month calendarwise, but is significant for memorable anniversaries. There is Ground Hog day, when that little fellow tells us how soon we may put the snow shovel back in storage. Then comes Lincoln's birthday and Valentine's day. We also commemorate the birthday of that great Master Mason, George Washington.

The program of Miriam Shrine likewise indicates significant activities in which all sojourners are urged to participate.

Feb. 12, On this meeting night we will celebrate our Shrine's 43rd birthday. Only three charter members remain on our rolls; namely, Soj. Hazel Dehler and Soj. Shirley Bly, who still attend regularly, and Soj. Bess Banks Marion, living in Oakland, Calif. Come and help us blow out the candles.

We will recognize our Master Masons this evening, whom we depend upon so much, even to the point of asking them to provide us with entertainment for this festive occasion.

Also we will hold our annual Memorial Service for the sojourners who have passed on during the year to the Great White Shrine above, whose loss we mourn.

Feb. 26, Our last Ceremonial of the current year will take place on this date. Meeting is to start at 7:30 p.m. Several candidates will be initiated.

Feb. 28, Orion Past Officers Club will meet Sunday evening at the home of Sojs. Glenn and Dorothy Myers.

Mar. 12, This date seems a long ways off right now, but it will be here before we realize it. It will require much preparation, as this will be our annual business meeting, when all reports of committees must be read. Election of officers will follow.

We were recently informed that the last Material Objective case our Shrine submitted to the Supreme M. O. Board was approved and checks for the payment of hospital and doctor fees for little Lisa Johnson have been approved.

May our Shrine continue such noble acts of charity which our organization provides for and wants us to per-

form for the good of humanity.

Illness: Soj. Ruth Hickman is now at home following a stay in Lutheran Hospital; Brother of Ann Eichmann is seriously ill at his home in Florence, Colorado.

The Cheer Committee delivered boxes of cookies to our shut-ins at Christmas time.

To become known as good sojourners, we should always try to give ourselves in humble service . . . When comfort, help, and hope are needed there . . . And pass a bit of faith along to others . . . Or offer from the heart a simple prayer. Resolve to do good deeds. Why not start today?

Beauty walks the hills in winter time, Proud and aloof. Her swirling garments, fold on fold of white, Stretch lavishly about her.

Her mantle, rose-tinged, when dawn Tops the horizon, Takes on ethereal azure tones That deepen as the sun slopes westward

The crystal sequins of the frost Flash on her bosom.

The pine trees, with their feathery, white-tipped plumes, Nod at her passing.

The crescent moon accents her diadem of stars When night draws on.

Or, it may be, she hides her austere face Behind a veil of swirling snow.

Aloof and proud, she walks the hills, Sufficient to herself.

On Feb. 12, is King and Queen Night.

On Feb. 26, is Recognition Night.

Hi Jobies, thank you so much for coming out and supporting your Bethel with the first few meetings in this new year. I can already see your support for your Bethel, and I know that our endeavors will be met with the satisfaction of a growing Bethel.

As most of you know, I have my goal as being at least fifty new girls this term. Fifty girls means fifty petitions. As a prize for the girl who brings in the most petitions, I have purchased a purple pixie. The purple pixie is just darling, and will be awarded to you, if you bring in the most petitions this term.

I would like to thank Linda and Becky Roop, and Pam Walker for providing the enjoyable entertainment at the pot-luck last month. Also, thank you to Mrs. Burleson for printing the words to the new song being used in Bethel.

Girls please keep in mind, that our first initiation has been changed from February 17, to February 3, so that the girls may be able to attend the DeMolay dance.

Mrs. White, our Guardian, Aletha White, First Messenger, and Karen Burleson, Second Messenger, attended the reception for the Supreme Guardian in Indianapolis. They had the opportunity to chat with the Supreme Guardian, while attending the reception in her honor.

Mothers Club will meet February 8th at the Old Trail Ceramics Studio on the Bluffton Road in Waynedale. See you on the side-lines.

PRAYER FOR PEACE
Lord, Make me an instrument of
your peace.
Where there is hatred, let me sow
love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
Where there is sadness, joy.
While the Choir furnished music
at our Dec. 22nd meeting, Mrs. Carl
J. Davis was duly initiated. We trust
she will be interested in being an
active member and take advantage
of our many programs and facilities.

We were happy to see so many side-
liners in our beautiful Chapter room,
at our Mason's Night meeting, Jan.
12th. At the opening of Chapter, the
Choir sang "HE" — to W.P. Harry
Deeter. There were twenty-five Mas-
ons in attendance and the Choir sang
"It's So Nice To Have a Man
Around The House" to them. The
Masons included all of us in their
"Community" singing of old, well-
known and well-loved songs. They
also put on a hilarious skit showing
sports clothes, house dresses, formal
nightgowns and robes, and wigs which
the women will be wearing in 1965.
We also have the Masons to thank
for the refreshments after the Chap-
ter meeting.
We will honor the Estrellita Club
at our Feb. 10th meeting. Don't miss
this meeting. A Travelogue will be
presented on New Zealand. Take ad-
vantage of your privileges.

Plans are under way by the Asso-
ciate Worthy Matron Nama Bair and
the present Committees, to honor our
Worthy Matron and Worthy Patron
Hilda and Harry Deeter at a dinner
party January 29th. More about this
important affair in our next issue!

Christmas is past but the memory
of our December 17 meeting lingers
on. Sister Carol's theme of "Christ-
mas is Peace" made the evening re-
warding for all who squeezed out the
time to attend chapter just before
the holiday.
Without a doubt, the high light of
the evening was the presentation of
the Past Matron's jewel to Sister Carol
by her Fraternal Mom, Gladys Gif-
ford. Sister Carol thanked the chapter
for the lovely ring and pledged to
wear it with pride.
Brother Paul, who is on his second
term as W.P., and received his Past
Patron's pin in 1957, graciously do-
nated the money which the chapter
allotted for his pin to having the
by-laws rebound. We thank you, Paul.
The officers honored their Star
Pals with kind words and carocations
at a very pleasant program January 7.
As a Pal and for all of those who
have been asked to stand-by, may I
say it is our privilege. It was especial-
ly nice to have Brother Clayton and
Sister Helen at our first meeting of
1965 and hope to see them just as of-

Several of our members attended
the reception for District Deputy
Catherine Glick at Roanoke, January
9. They reported good food and fel-
lowship and a wonderful program.
Our wonderful men brought for
our enjoyment on January 21 the
Tokheim Choir. We thank the pro-
gram committee, Brothers Dorman
Walker, Frank Bidlack and Paul Hay-
den, for a most pleasant evening.
When Sister Carol learned the men
weren't going to put on a program
themselves she just couldn't pass up
the opportunity to have a mock in-
stallation. Were you surprised, fel-
lows? The choir sang a parody to
"Hey Look Me Over" and one thing
for sure, no one will overlook our
men. Wilbur Long and committee
again handled the kitchen—gentle-
men, thank you.

We are fast approaching the end
of our Chapter year or the beginning
of the new one, whichever way we
are a mind to look at it and things
seem to become a little involved.
However, we do have a job to finish
before we begin a new one—so lets
get to it!
First, there's election of officers
on Feb. 5th. I'm sure we do not need
to point out the importance of this
meeting. Feb. 19 is another important
occasion in which Trinity Chapter will
officially welcome those who have
affiliated during the past year. Also,

the Officers will honor their Star "Pals" at this meeting.

On Feb. 26th at 6:30 all those who have served on a committee this year will be honored at a dinner in the dining room of the Masonic Temple along with the committee chairmen and the Officers. I have been doing some snooping in regard to this party but to no avail, so I guess I'll just have to go to find out and so will you. Curious? I hope so.

Report of Illness:

In Chapter: Sister Nellie Larmore is recovering from a cataract surgery. Nellie is very dear to our hearts and we sincerely hope she will be better soon.

In Family: Roy Rippe, husband of Sister Wanda Rippe, has been in the hospital for observation and treatment. He is now recuperating at home — cards are welcome. The brother of sister Willadean Todd is home and doing as well as can be expected.

You'll find the road is long and rough, with soft spots far apart. Where only those who can make the grade who have the Uphill Heart. And when they stop you with a thud or jolt you with a crack, Let Courage call the signals as you keep on coming back. Keep coming back, and though the world may romp across your spine, Let every game's end find you still upon the battling line.

For when the One Great Scorer comes to mark against your name.

He writes—not that you won or lost—but how you played the game.

Grantland Rice
We had rather a quiet month just past but most of us rather enjoyed it for a change. The men entertained the ladies at the first meeting and we all thank them for the pleasant evening. We honored our new members at the last meeting and we were pleased to welcome them and hope they come back often. We of the committees are to be entertained by the star points and their helpers on February 3. They are working hard to make it a nice party so we hope the committees will do their best by going to enjoy it. Election will be the first meeting night and every member should do their duty and be there that night to help with the vote. We also have our new rosters so why not attend and pick one up. The committees will be recognized at the last meeting and it always makes a Worthy Matron proud to see her workers on the sidelines. Make Sister Betty proud by being there. We had several deaths, many illness and several births last month. To those in sorrow our deepest sympathy, to those ill our wishes for speedy recoveries and to the new parents and grandparents, our congratulations.

Brethren: January has been a very fruitful and rewarding month for us. Our faithful secretary reports that pledge cards are being returned together with payments toward our building fund. This in itself is very encouraging. Your committee has been working tirelessly on this project and your fine support is sincerely appreciated. Perhaps we should paraphrase a statement of our late President, "Ask not what the lodge can do for me but what can I do for the lodge." By equal sacrificing our goal will be much easier to attain.

The Entered Apprentice Degree was exemplified on January 23rd and again on January 25th; this work was dramatic and very impressive. Our attendance has been very good; although we still have seats that should be filled.

Since most people like to make a good investment, may I suggest that every Brother contribute as liberally as possible to the Indiana Masonic Home. By so doing you will be "laying up treasures in heaven," which will not be subject to the perils of inflation and recession. Remember the guests of the home in your prayers. We have a very fine record of voluntarily contributing to the home and I invite you to refer to the January issue of the Indiana Freemason for the tabulation. We are on the Roll of Honor averaging almost \$2.00 per member. Let's keep up this fine work and try to better this figure.

On January 9th your Worshipful Master, Secretary, Senior Warden and Junior Warden attended the Founders' Day Conference at the Murat Shrine Temple in Indianapolis, Indiana. This was an exceptional, well planned and conducted meeting; and I am sure much was gained by all in attendance.

We are deeply concerned about any Brother who may be ill. If you know of anyone who is ill please no-

tify me or the secretary.

It is always a pleasure to hear from out of town members. Will you please write us a letter and bring us up to date.

Now in closing please read I Peter 2:8.

Brethren, I would again at this time like to thank you all for the honor of serving as your master this year.

We held our "Table Lodge" on December 28th as planned. We had a very good turn out and dinner was served by the O.E.S. and Jobs Daughters. The Rev. Bro. Herschel McCord gave a very inspiring talk on the history of Masonry.

P.M. Walter Kell, P.M. Kenneth Hand and P.M. Jessie Jeffries did an excellent job as my installing officers on January 7th. We had a fine turn out with full side lines. It would please me and the other officers to see this kind of support at every meeting. P.M. John Larc presented a service award to our retiring Treasurer, Bro. Floyd Gause, for 26 consecutive years as our Treasurer. This is a record. Bro. Floyd has served his lodge well and I again congratulate you.

Your master and wardens attended the Founders Day Conference on Saturday, January 9th in Indianapolis.

The Eastern Stars held Master Masons night on Tuesday, January 12th, to honor the Master Masons. They had a very nice program for us, followed by refreshments. I would like to thank the Worthy Matron for an enjoyable evening.

We have a new member to our Lodge by affiliation, the Rev. Bro. Herschel McCord.

I will close by saying that we have some enjoyable social evenings planned for you this year, so please try to attend.

See you in Lodge.

Brethren. Greetings to all of you in the new year. May it be a prosperous and happy one for each and every one of you.

First I want to thank each and every one of you for the trust you have reposed in me in selecting me as your Master for the year 1965.

Our officers were installed in a very impressive ceremony in our Lodge Saturday evening, January 2, by a very capable degree team from the Three Rivers Lodge in Fort Wayne by the brothers Delbert Dennis, LeRoy Roberts and Albert Fisher. I am sure that it is a night that will always live in my memory. Again I wish to thank the Brothers for a job well done.

In what Category are you?

In breaking down our membership in Olive Branch Lodge I have the known date of affiliation of 91 of our 92 members. Of this group the membership groups are listed as follows, under 10 years 16 members, 10 to 20 years 21 members, 20 to 30 years 17, 30 to 40 years 25, and 40 to 50 years 11 members. Over 50 years one. Our Grand Old Man this month is Charles E. King, R. R. 4, Fort Wayne who will have been a member of this Lodge 58 years this year.

Next month I will list the 40 to 50 year members and if your name is not in the correct group please notify your Master so the records can be corrected.

Brethren what can we do to improve our Lodge? As your new Master for 1965, I would like your suggestions. I know Our Lodge is an old landmark in this vicinity, and I feel that there is a lot to be done. Our Lodge is Dedicated to God and Consecrated to the Holy Saints John. Would you be satisfied going into your own Church if it was in a sad state of repair? Let us think about it. In just three years, 1968, the Grand Lodge of Indiana is celebrating the Sesqui-centennial of Masonry in Indiana and they are asking all Lodges in the State to clean up and to paint up. Do we have to wait for that. I feel that there is much to be done in our Temple. Any and all suggestions would be appreciated.

Saturday, January 9, your master and Secretary spent the day in Indianapolis at the Founders Day Conference. This was the first year that our Lodge has been represented here, and to my regret, I am sorry to say that I should have attended a year ago, then I would have been in better shape to fulfill my obligation to you in this short time I have before me. This Conference is for the newly installed Masters, Wardens and Secretaries. A report to the Lodge will be made on this at our next meeting.

Do not forget Blue Lodge Guest Night, March 31 at the Scottish Rite Auditorium in Fort Wayne. I think that it is an honor to our Lodge. Your Master is Chairman of the entertainment committee and your Senior Warden is Co-chairman of the event. Let us invite one whom we think would be interested in what Masonry is or what Masonry stands

for or better yet invite a Brother who has not recently been active so that he may Re-dedicate himself to Masonry. This will be the Third year for this annual event.

Our Masonic Home Committee for 1965 will be the same as last year brothers Donald Chaffin and Cecil Gottschalk. A new By-Laws Committee is soon to be appointed as our By-Laws are totally inadequate for this day and age.

Again Brethren I welcome you to our stated meetings.

It is my pleasure to greet all the Brethren in the Fort Wayne area and a belated prosperous New Year to all the lodges.

Our annual election was held at our stated December meeting and the following officers were elected to serve for the new year: John Summey, W.M.; William Youtz, S.W.; Jean Winesburg, J.W.; Russell Smith, Sec.; and Rolla Durbin, Treas. Trustee elected for three years was Norman Long.

Appointments made for 1965 are: G.W. Rinker, S.D.; Donald Stark, J.D.; David Girardot, S.S.; Harold Eddy, J.S.; William Breisch, Chaplain, and Lee Pettyjohn, Tyler.

The officers were installed at an impressive ceremony during the January stated meeting. The Three Rivers Lodge again provided the installation team. Delbert Dennis was the installing officer, Albert Fisher, Marshall, Roy Roberts, Chaplain. Their work was an inspiration to all in attendance.

All the members of New Haven Lodge realize that our lodge has grown not by accident, but because of the leadership. Past Master Norman Long has left his mark. His fine leadership will not be completely missed, as the new Master intends to use much of his wise and timely advice.

Our DeMolay boys will be under the direction of "Dad" Harold Eddy. The council chairman for 1965 will be P.M. Jack Crance. We at New Haven are very proud of our new DeMolay Chapter.

We will again have a small but mighty Fellowship team headed by Brother Charles Grabner. It is the new Masters desire that the Fellowship team will grow to a refined group and gain as they did last year.

Degree work by our Senior Warden, William Youtz and refreshments by Jean Winesburg, Junior Warden, were handled on January 20th on the Fellowship degree. With such a display, New Haven can be assured of another good line of officers.

We will have a M.M. degree to confer in February. Plans are not certain on the date but we will deviate from our usual Wednesday night by calling a meeting on Friday night. The exact date will be published so any Brethren who have been unable to visit New Haven due to our Wednesday night meetings might watch for this date.

DeMOLAY RECEIVES GOOD COUNSEL

Good and timely counsel was offered members of the DeMolay by Rear Admiral Homer N. Wallin, guest speaker at a meeting January 17. The gathering was held in the Seattle Scottish Rite Temple and was featured by the initiation of fifteen candidates by Seattle Chapter. Many Master Masons were present including leaders from across the state. The entire program was instructive and inspiring.

By Vice Admiral
H. N. Wallin, Ret.

Although never a member of DeMolay, there was no chapter where I came from, I have always admired its sincerity, devotion and attitudes toward things which count in a life of fruitful living. Parents and others interested are grateful that their sons belong to such a worthwhile organization, which answers a great social and national need. It is an anchor in these days when doubt, fear and confusion cloud the true issues of life.

We are not here for fund raising but to express the interest of the

Scottish Rite and Masonry in general in DeMolay, to offer inspiration to the high purposes and objectives of a great movement which insures continuing contribution and service to the general good.

In my community the "hardships of youth" meant that there was no unemployment but plenty of home work to keep us busy. We read good books and high class literature before the era of "freedom of expression" produced today's trashy and immoral reading. Those of us who have sailed the seas were taught to study the charts and lay down a course to take us to our intended destination. Only by holding to that course can we arrive safely. But of this I am certain: DeMolay boys do know where they are going, at least the direction, and they may choose and reach ever higher goals. Why? Because in DeMolay, they are building a solid foundation and adopting a course of action which will withstand temptation and storm. They are setting their sails to carry them to a port called Satisfaction and Success.

The "Hard Way"
No, its not the gales or the disappointments or the handicaps or the adversities that count. Its the determination, stamina and character. The test of true quality is how do we behave and act when the going gets rough and an easier way seems so attractive, when temptation urges us to change our course, to slack off on our good intentions, to drop the load on somebody else. If we weaken, then we are like the young sailor who returned to the recruiting officer after a six months blith and said: "Chief, I am getting discouraged; give me that old sales talk again."

Sometimes there's reason to be discouraged when the need is for courage to press on and hold fast to convictions and principles as did Jacques DeMolay. His memory is honored wherever freedom thrives. Of such is character made and developed in the old as well as in the young. DeMolay, like Masonry, is an institution which builds character. Its purpose is to make good men better men. It is not because of the vows they take or the teachings they received but because of living up to their vows and teachings; putting them into practice with reasonable dedication and inspiration. Thus they give to others some of the good of themselves, their character, their manhood, their true being.

The "Easy Road"

In much of our society there seems to be a wild scramble to get something for one's self for nothing; to get the easy life with success, riches, power, fame, popularity. There is too little incentive to give of one's self, his time, effort, substance, to help others, to promote worthy causes, high purposes.

Knowledge is power and understanding is essential to wise living. But unused knowledge is of no service. I recall a man of high I.Q. who proved that in spite of his intellectual attainments he was soon forgotten because he sought only to serve himself.

Don't just stand there. Say Something. Do, give, be something. That's what we are here for; that's what life is really made of, that's what it is for. The Bible, the Great Light of Masonry, gives us guidelines based on religious principles, morality, spiritual values and personal character.

These attitudes were emphasized by George Washington, Abraham Lincoln, Benjamin Franklin and a host of other great Americans.

Let us be grateful that the principles and teachings of DeMolay are in full accord with these great guidelines. I congratulate you young gentlemen, especially those of you who today embark upon the course set by DeMolay, as you build on the solid foundation provided by DeMolay.

Brethren there appears to have been a typographical error in last month's article. The word vocation in the second paragraph should have been avocation. It was not my intent to imply that your lodge work should interfere with your necessary vocations.

Last month we all payed our respect to our most revered presidents, Abraham Lincoln and George Washington. Freemasons of the United States who revere the memory of George Washington as the most illustrious member of the American Craft, find their mecca in the imposing shrine (George Washington Masonic National Temple) which now stands on its commanding site high above the Patomac River overlooking the city of Washington, our Nations Capitol. I have discovered that there is a 26 minute sound film available entitled "The Temple of Shooters Hill" which includes the unveiling of Washington's statue at this National Masonic Shrine on Feb. 22, 1950. This information I will present to our Educational Committee for possible future showing.

Wayne Lodge expresses its deepest sorrow over the loss of our most worthy brother Dr. Sylvester F. Sutton who passed away at the age of 96 last January 29th. (Brother Sutton was a 56 year member of our lodge.) In casting my last parting glance at our worthy departed brother, I could not help from thinking of the rewards God blesses us with, from a well spent life. May peace be with you in the Celestial Lodge above brother Sutton and we extend our deepest sympathy to Mrs. Sutton and her family.

From the looks of our attendance at our doings over the past months it appears things are looking up for Wayne Lodge. Thank you Brethren for your interest. I must report, however, that we have no candidates for the month of March. This disturbing fact should awaken us to the importance of our Annual Blue Lodge Guest Night, held this year in the Scottish Rite Temple at 6:30 p.m., on March 31st. Your Junior Warden (Robert Withey) has extra tickets, so please contact him or your other officers for tickets. Brethren, let's endeavor to make this year's event a big success.

Brethren of the higher affiliated degrees and orders of Masonry, I implore your assistance in all our Blue Lodge undertakings. Attaining these higher degrees and honors are excellent for you educationally, fraternally, morally and socially, but if you neglect the activities of your subordinate lodges, you only tend to weaken the foundation that supports the structures of these higher degrees and orders. If the Blue Lodges are made to suffer in attendance and membership, then is it not true that the higher degrees and orders will eventually likewise suffer.

Operative Masons know too well, the importance of applying the uses of architecture. No architectural structure is any better than the foundation that supports it. It is not meant to imply that we should not support the doings of our higher degrees and orders. We as speculative Masons, must remain interdependent as supporting members in order to build our Temples strong for future generations. The other orders need our support as we need theirs, and we are obligated to them as their members too.

Build it strong what ere you do,
Build it straight and build it true,
Build it with pride for all to see,
Build it most of all to support you and me.

We have four brethren who were on the sick list last month. Why not drop them a line and let them know you're thinking of them. I certainly hope the following brethren have made a speedy recovery; Donald Jenkins, 6323 Donna Dr.; James Newell, 3109 Bowser Ave.; Earl Gebert, 2627 Capitol Ave., and P.M. Bernard Smith, 4817 So. Park Dr.

Don't forget your annual dues and your voluntary contribution to the Masonic Home. Stated meeting will be on March 4th (Hope we have petitions). Thanks Brethren for your attendance Feb. 22 at our Vet's Hospital visitation.

Brethren, Fraternal greetings from your officers. Past Masters night has now become an event of the past and an enjoyable event it was. The Past Masters of Home Lodge did themselves proud in conferring the work. My personal thanks to all who participated and helped to make it the success it was. The degree work was further enhanced by the use of organ music throughout. This was made possible by P.M. E. O. Barcus who deserves a hand at doing a commendable job on the organ. Home Lodge presented a wheelbarrow to the Masonic Home in honor of all the Past Masters of our lodge. The presentation was made by P.M. William Mossman to our Grand Master, Most Worshipful Brother Clyde E. Flowers, who accepted the gift on behalf of the Home.

At this writing, our craft team is making preparations to visit New Haven Lodge and confer the second section of the M.M. degree in full form on their candidate. The date is Friday, Feb. 19th. We are building up the craft team again and there is always room for more. It looks as if we will be traveling to Grand Rapids in the near future so come on down help swell the crowd. Remember the coffee hour after each stated meeting. The members in attendance are finding this a good time to visit with each other, making new acquaintances and renewing old ones. The use of the telephone committee has turned out brothers who haven't been to lodge in more years than

they care to remember. So if you haven't been to lodge for a while, come on down. Your dues card will get you in and you may find what you have missed these many months and years.

To all of our brothers who are ill or indisposed, we extend our best wishes for a speedy recovery. The members reported on this list are: Hugo S. Kleint, Rm. 813 and R. G. Coffey, Rm. 713, both at the St. Joseph's Hospital. Carter Palmer, Rm. 225 at the Lutheran Hospital. Ed Bandt at home 716 Home Ave. Bert Stilwell at home 1220 Oneida and Carl Schwartz at home 3326 South Harrison St.

This month, I would like to introduce to you the deacons of Home Lodge. Our S.D. is Bro. Russell W. Prince. Russ lives with his wife, Dorothy, at 5413 Fairfield Ave. They have a son Dave, 12, and a daughter, Cheryl, 8. Russ owns and operates Russ' Shell Station at Ewing and W. Main Sts. His hobbies include racing and water skiing.

Our I.D. is Bro. Richard A. Stresser. Dick lives with his wife at 4034 Daner Dr. They have a son, Mike, who is 20 and a daughter, Karen, 14. Dick is a sales engineer with the Neff engineering firm. His recreational activities include golfing and skiing.

We have had four of our brothers called to the Celestial Lodge above and our sympathies are extended to their bereaved families.

Bro. Charles A. Rastetter passed away Dec. 25, 1964. He was raised to the sublime degree of a Master Mason on Dec. 17, 1907 and received his award of Gold Jan. 28, 1958. He was a member in good standing for 57 years.

Bro. Walter J. Fishing passed away Dec. 31, 1964. He was raised to the sublime degree May 14, 1914. He was a member in good standing for 50 years and 7 months. Bro. Harry F. Smenner passed away Jan. 18, 1965. Masonic funeral services were held at the funeral home Jan. 19, 1965. Bro. Smenner was raised to the sublime degree Jan. 15, 1907. He was a member in good standing for 58 years and received his award of Gold Feb. 26, 1957.

Bro. Otto T. Peters passed away Feb. 4, 1965. Masonic funeral services were held at the funeral home Feb. 7, 1965. Dad was raised to the sublime degree on Dec. 26, 1911 and I was privileged to present him his award of Gold on Dec. 26, 1961. He was a member in good standing for 53 years. My personal and very sincere thanks to all the brothers who took part in the service and to those who called at the funeral home who were unable to be present for the services. It meant a great deal more to me than words could express.

Brethren, with the passing of these four brothers, we have seen a total of 218 years of Masonic fellowship drop from our midst. Surely, there is something for us here somewhere to ponder and contemplate. What is there about our gentle craft that once a man takes his work, it ties him to the fraternity for the rest of his life? There is a poem by Edgar A. Guest entitled "A Real Man" I think this may be a part of it. At

any rate, I would like to be here, in part, as a tribute to men and more especially to my

Men are of two kinds, and of the kind I'd like to be. I preach their virtues, and I press their lives by what they That sort was be. No flowery or glibly spoken words of won friends for him. March is upon us and Summit City is beginning a very busy month. We have five petitions for the degrees, two for affiliation by transfer, and one for restoration to membership to be voted upon at our stated meeting. This could indicate five candidates for the first two degrees and six for the Master Mason, as we have one holdover from February.

If all these men are received favorably by the lodge our meeting schedule will be about this way:

March 5th, Stated Meeting, 7:30 p.m.

March 12, E.A. Degree, 3:00 p.m.

March 19, F.C. Degree, 7:15 p.m.

March 26, M.M. Degree, 1:45 p.m.

Remember that the starting times are only tentative. Check the Saturday and Sunday papers for the called times or contact an officer if you miss the announcement at the meetings. We will have dinners in the kitchen on the 12th and 19th, so Refreshment Committee and Kitchen Crew members, mark your calendars. We will need your help.

February brought us Brother Gene Maurice Lophshire, who received his degrees. Brother Lophshire had the unique distinction of having his father, Warren, and his grandfather, Herb, witness his work. Grandfather Herb Lophshire, who is twice Past Master of Roanoke #295 conferred the E.A. degree on his grandson. Brother Herb received many commendations from our brothers for his remarkable proficiency.

As this is written, we have conducted Memorial Services for four of our own departed brothers, and one for Kempton Lodge #692 as a courtesy for one of their deceased members. We lost Brothers Ray R. Miller on January 2, Paul Fetters on January 13, John V. Stuart on February 12, and Past Master William C. Geake on February 12.

Brother Geake was also Past Grand Master of the Indiana Grand Lodge in 1926-27. He served Summit City as Worshipful Master in 1910 and as a Trustee from 1917 through 1948. He received his 50 year Award of Gold from the Grand Lodge in 1947. He leaves behind another Summit City Past Master, Brother Samuel S. Geake, as well as his widow, a son, and a daughter.

The brother from Kempton Lodge was Galen D. Hersbman who died on January 15th. To all of the families and friends of these departed and beloved brothers, we offer our condolences.

I would like to offer one more

reminder, that any who are planning contributions to the Masonic Home are urged to make them before the last of this month in order to count toward the goal set by the Grand Lodge of an average of one dollar per member. I know that this will greatly please our Most Worshipful Grand Master Clyde Flowers, as well as your own Worshipful Master. Please be as generous as you can be without inconvenience to yourselves for this is a very worthy charity.

In view of the anticipated activity for the month of March, a special appeal to all brothers who can help with degree work on the E.A. and M.M. degrees: Please try to be with us in the early afternoons on March 12th and 26th, as we will probably have work for all of you who are proficient. We can always use extra help on the refreshment committee and kitchen crews. If you wish to help, please contact either Dave Doswell or Bill Adler, or just come on down and put on an apron.

My Brethren all. We are well under way on our work for 1965. We have already raised another fine member in the person of Brother Pat Babcock, one of our city firemen. I am sure he will be a credit to the Fraternity and I speak for the entire membership in welcoming him to South Gate.

We are grateful beyond words for the wonderful response and co-operation you are giving your Lodge this year. We had no less than 9 Past Masters at our January Stated Meeting and good attendance for our subsequent Degree work, climaxed by a turnout of about 35 for the M.M. Degree. This is always encouraging to the new Candidate. At the M.M. meeting we also enjoyed a delicious chicken dinner prepared and catered by Brother Ward Milton and arranged and served by our Refreshment Committee, Brothers Bill and Tom Kemp who are doing their usual good job this year.

Brothers Wilbur Huff and Roger Hunt are taking on the most important duties of the Sick Visitation Committee this year. We are very grateful for their service, so if you know of any Brother who is sick be sure and let them know. Brother John Whitney is doing a fine job in getting the Fellowcraft Team going. Under his supervision last week the lessons of the Sublime Degree were superbly exemplified by Brothers Dale Dusing, Bill Kemp, Tom Kemp, Bob Marshall, John Inches, Ed Fleck, Frank Bryan, and others. Brothers Ken Dixon and Jim Sirey have been handling the very important job of the

work lectures and doing a superb job.

Of course your officers are taking charge of their new jobs and doing them marvelously well as expected. In fact, there is at South Gate just a wonderful spirit of co-operation and we welcome any more of you Brothers who would like to participate. This intelligence all proves but one thing to me of which of course I was never in doubt anyway. And that is that within our halls all you have to do is ask and you shall receive. I am convinced that there is not a single solitary Brother among us who will not do anything within his power to help if only informed of the need.

Our sincere sympathy to Brother Arthur Hickman in the death of his wife. Brother Hickman will become a 50 year member next year and is scheduled to receive the Grand Lodge Award of Gold.

Congratulations to South Gate Brother Paul Stier on being named to the Line of officers in the Shrine as Oriental Guide.

Mark it on your calendar and do not fail to remember to be at the Veterans Hospital at 7:00 p.m. on Monday, March 15 for our next Visitation Night. The Lodge will be dark that night to give everyone an opportunity to show Brother Paul Muller our appreciation by giving him our support.

Do not forget the Annual Blue Lodge Guest Night which will be on March 31 at the Scottish Rite. Your Junior Warden, Brother Dale Shupe has the tickets so call him at 743-5085 for reservation and information.

Do you want to do a real service to the Fraternity and yourself? South Gate has underwritten the sending of Birthday Cards to all Residents of the Indiana Masonic Home. This practice was initiated by Brother Guy Mausteller P.M. and continued by Brother John Whitney P.M. and they report that the letters they received from these folks were heart warming indeed. It seems that some of these folks receive no mail at all. If you would like to do this important function just let it be known. Fraternally yours and see you in Lodge.

Brethren, as you know, we held our Smorgasbord February 13. We had one of our best in a long time. We had a big crowd, and most all of the people stayed for the dancing. The dance floor was still full of square dancers at eleven o'clock. I would like to thank all who had a part in making this one of our best.

The past couple of weeks, The Grand Master of the Universe called two of our brothers to His home, Brother Tony Scott and Brother John L. Tharp. Sol D. Bayless and all of our members send our deepest sym-

pathy to the families and friends of these departed Brothers.

As of this writing, I know of only two Brothers who are in the hospital, Brothers Al Ungerer and Clint McMaken. We wish you a speedy recovery, and hope to see you soon.

I would like to congratulate our newest Master Mason, Brother Bill Russel. Also, we are glad to have our faithful Tyler back with us, Brother Oliver Lynn, who had quite a long illness.

It looks as though we will have degree work in the month of March. The officers have been practicing their work through this last month, and we are looking forward to the month of March.

We are still in need of brothers to work in the Craft. I urge all who have the time and who are interested to come down to lodge. All of the officers will be glad to help and work with you.

Our Annual Smorgasbord and Square Dance will be held on Saturday, March 13th at the Masonic Temple. Dinner will be served at 6:30 p.m. and dancing will begin at 8:00 p.m. Joe Taylor's Red Birds will play for us. On this evening we shall be hosts to the Corinthian Club and we hope you plan to attend. This is always an enjoyable event. Tickets may be had from any of the lodge officers.

As this article goes to press we are making preparations for presenting the play "A Rose Upon the Altar" for the Widow's Son lodge at Paulding, Ohio. This presentation will be our first for the year and will be followed by two in March, one on March 3rd for Deming Lodge at North Manchester and the other on March 16th for Bryan Lodge at Bryan, Ohio. The play is again under the very able direction of Worshipful Brother Delbert Dennis and we can look forward to an active and interesting year for its presentation.

As the play is being presented on the third Tuesday at Bryan we are rearranging our degree schedule for the month of March. The schedule will be as follows:

March 2nd, MM Degree, 5:30 p.m.
March 9th, Stated Meeting, 7:30 p.m.

March 30th, FC Degree, 7:00 p.m.
Dinner will be served at 6:30 p.m. on March 2nd.

On February 10th we were saddened by the passing of Worshipful Brother William H. Bailey. During his years of service with the International Harvester Co. he spent some time in France and was Master of Entente Lodge #18 at Lille, France. Our deepest sympathy was and is extended to his family.

Plan to set aside Wednesday evening, March 31st, to attend the Third Annual Blue Lodge Guest Night and

Greetings Brethren: The month of March is upon us already and your Lodge has been blessed with much work so far this year. In February the Lodge was at Labor and I am sure we will be at Labor this month also.

To our newly raised Brethren I would like for them to look back upon their experiences while progressing through the EA, FC, and MM degrees and remember this quote that I recently read in The Indiana Masonic Monitor: "Advancement in Knowledge is Spiral. In acquiring skill or mastering a problem, one keeps turning the subject in his mind, and as he does he gradually sees it more clearly until he gets above it and looks down upon it, comprehends and grasps it. Nature, whose laws are a manifestation of God's purpose, builds freely with Spirals."

Brethren March 31, 1965 is the Third Annual Blue Lodge Guest Night to be held at the Scottish Rite Temple. If you have not yet bought your tickets you may do so by contacting any of your officers. This is your chance to bring a friend or brother for an evening of social enjoyment and fellowship.

See you in Lodge.

Brethren again I speak to you thru the voice of the Square and Compass. This very fine publication is the best means of informing you, the members, who do not get to attend lodge regularly, of the work that is going on in your lodge.

The First item on the agenda for your pleasure, will be our Past Master's and Charter Members Night, on March 24th. Be sure to mark this date on your calendar, as we are planning a fine program for that evening.

Our visitation to the Veterans Hospital on February 1st was somewhat improved, after my last appeal but, it is not good enough for Maumee Lodge. So Brethren, let's all put forth a little more effort, and get it on a higher plane where it belongs.

We have received three petitions for membership at our February stated meeting, so we will have work in March. Plan to be with us and enjoy the good fellowship at the dinner table, and also in the Lodge room.

At the time of this writing, I can inform you that the reorganizing of our Fellowcraft club is progressing very nicely, so why don't you come to Lodge and give it your support, and approval.

Our Secretary informed me that he has mailed our new directories to all our members. So if you didn't get yours, please contact brother George Gable.

To our shut in, we miss you and hope you will soon be with us again. Several of our members have passed into the Celestial Lodge above. To

their loved ones we send our sincere Sympathy.

March 3rd, will be membership night. On this night, we hope to have each and everyone of you present to support your Bethel.

Then on March 17, we will have special guests from surrounding Bethels, on Friends Night. We will also honor Miss Carole Weesner, Grand Bethel Representative to the state of California, with a reception in her honor.

Then on March 20th, we'll have a Bethel first; our Father-Daughter breakfast.

The pages of our book are turning over far too soon, but the knowledge we have gained from them is ever increasing.

At our first initiation, we took in 18 new girls. At this rate we'll reach 50 for sure!

Don't forget to bring in those petitions. The "purple pixie" is just waiting for a new home.

In closing, I would like to remind you that this is your Bethel. Prove it.

Just yesterday I opened the door to this year and now it's almost time to close it. You have given me much to remember this year. The pathways have been full of excitement, joy and sorrow, that we have shared together.

I hope we have planted many "Seeds for Golden Deeds" that will keep on growing for many years to come. Thank you for helping to do the things that needed to be done; you did your work so cheerfully you'd think that it was fun. My thanks to you and may you know that you have truly earned the joy that comes from practicing the lessons we have learned.

The song of joy, a shining light, a good supply of cheer and fun, a life that's ever truly blessed by all that makes it happiest, our Eastern Star to beam its light upon your pathways day and night, God's loving care to guide the way, May all of these be yours, I pray.

My words I know are not enough, they're very weak and small, and they can never really show the way I feel at all. But for the lovely memories you have given me to treasure, God bless you all with happiness that comes in double measure. May we always strive for Knowledge, Wisdom and with these two have the Courage to live with Understanding Hearts.

Carol Munk, W.M.
W.P. Paul Hayden, wishes to express his thanks and gratitude to each of you for making this a very happy and successful year.

It has been our pleasure to have had you both in the East and to have shared in all you have given to our Chapter.

Sister Carol opened the Feb. 4 meeting with a poem entitled "Take a Walk Around Yourself", which reminded us that when we are tempted to be critical of others we should first look at ourselves. The East was decorated with a red velvet heart bearing the W.M.'s theme "Seeds for Golden Deeds", all appropriate for this Valentine month.

Sister Vera was escorted to the altar, in an enactment of a January 23 ceremony at Indianapolis. Sister Carol announced that Vera has been appointed Grand Representative to the State of Pennsylvania, her husband's home state. They hope to attend Pennsylvania's Grand Chapter in June. No better ambassador to another state could have been chosen than Our Vera — Congratulations.

Those elected to office Feb. 4th were: W.M., Irene Lyttle; W.P., Robert Mumaugh; A.M., Dorothy Finnell; A.P., Forest Finnell; Secretary, Vera Hayden; Treasurer, Helen Helms; Conductress, Eleanor Costello; and Associate Conductress, Marjorie Rode-meyer. Sister Carol congratulated each chosen officer with a fitting bit of verse. We all wish for Irene and Bob and their officers a very wonderful year.

A membership report revealed a loss of 23 during 1964, altho we initiated 17. If our Chapter is to thrive we each must make it a personal resolution to bring in new members.

On March 4 the W.M. will use the beatitudes exemplified by the five points in honoring all the members who have joined our chapter this past year.

Au Revoir, March 18. This night Sister Carol will honor the West; let us honor our W.M. and her officers by being in attendance at their farewell meeting.

Installation of officers will be Saturday, March 20, in the Commandery Room of the Masonic Temple at 7:30 p.m.

"Memory Lane"

"I borrow thoughts from yesterday
To keep my memory bright.
The trials, the tears, success and joy
Are thoughts which I invite.

I would not care to lose the past.
For riches there are stored.
In wealth of knowledge gained
through years,
In spheres which I explored.

Today will move down memory
lane

Where only thoughts abide,
For yesterday is but a dream
Kept bright by memory's tide.

Then let my deeds and acts be
true,
My love sincere and deep,
That I may bring these treasures back
In thoughts which I would keep."

Now is the time for reflecting at
the end of our trail — reflecting upon
the good things — the bappy times
shared, the service to one another,
and the blessedness of faithful,
sincere friends who, in their thoughtfulness,
were so willing to help make
this year a pleasant one. Without
your help, each and every one of
you, the many tasks which now lay
behind us, would have seemed hope-
lessly unmountable.

The Worthy Patron and I sincerely
thank you for having allowed us the
privilege and the honor of presiding
in the East this year. We feel richer
for having had this opportunity and
experience and hope that in some
measure we, in turn, have given you
some happiness upon which to reflect.

To our officers, upon whom we
could always depend, we express our
heartfelt appreciation for your having
exemplified so impressively the beau-
tiful work of our Order. Your faith-
fulness and responsibility has meant
so very much to us.

To all our Chairmen, Co-Chair-
men, and Committee members, who
worked so tirelessly, we thank you
for your never-ending assistance.
Your willingness to carry out our
every wish and your time and effort
spent in this work will always be
remembered.

And to all members, we thank you
for your cooperation, your support,
your kindness, and your loyalty.
Without all of you, we could have
accomplished nothing.

And now, as we relinquish our
duties, may you bestow these same
blessings upon Sister Winefred and
Brother Ralph and their officers.

Thank you all, and may God bless
you.

Fraternally,

Jean Anne and Elmer

Something Higher

You may climb the sides of a lofty
peak

And stand at the top to admire,
But when you are up in the windy
height,

There is always something higher.
There is always something farther
ahead.

There is something higher to reach,
And the challenge afforded to spur
one on.

The lessons of lifetime teach.

Companions: Another month has passed and it is time for another report. At this writing companions Carter D. Palmer P.H.P. and Albert Ungerer Scribe are hospital patients. They both report favorable improvement — Companion Palmer after serious surgery, and Companion Ungerer is receiving medical treatment. We wish each a speedy recovery, as we do for any others who may be ill.

On February 4th seven of us with two candidates went to Angola chapter No. 27 where they received the Mark Master and Past Master degrees, and six of Angola's candidates. We are very grateful to Chapter No. 27 for the splendid conferring of these degrees.

We have a letter from the Grand Chapter officers in which they announce—A goal for each chapter, an increase of five in sixty-five".

A motto for 1965, "For more light, go York Rite."

That Grand Chapter will be held in Bloomington on April 23 and 24, details later.

And, that plans are being formulated by the York Rite Association for another "Quarry Festival" on September 11, 1965 at Bloomington, Ind. More details later.

Our Most Excellent Grand High Priest, Raleigh R. Cagle has set a goal for 1965 for each chapter. "An Increase of Five in Sixty-Five." This is both a challenge and an incentive for all of us. Actually 5 new members for a chapter such as ours shouldn't be too difficult. The Grand Chapter has also given us a motto for this year. "For More Light Go York Rite." To help us promote new members, the Grand Chapter is again sponsoring the "Quarry Festival" which was held last September and which was a tremendous success. For those of you who didn't hear about the meeting last year, I will tell you what is being planned for this year. The date is Sept. 11, the place is Bloomington, Indiana, the meal is an Ox roast and the degree is the Mark Master Degree. This degree is held in a real stone quarry and many of the cast are actual stone masons. We have plenty of time to make plans to attend this meeting, to me this is a wonderful opportunity for you to line up your Blue Lodge friend. This "Quarry Festival" may never be presented again, so this is a good talking point when you approach your friend. Certainly this type ceremony is much more impressive and one your friend won't soon forget. I have had the opportunity of talking to three or four who were candidates last year and you can believe me they are still talking about it. Last year more than 1,000 attended the meeting and this year they hope for a larger crowd. I hope you will start talking it up among your Blue Lodge Brothers so that a group from Thomas R. can take candidates and go down. We will make some plans and pass them along to you before the summer months. Your ideas and suggestions will be welcome — let me hear from you.

As you read this make your plans to be with us March 19 for a good meal, excellent colored slides and a relaxing evening of good fellowship with your companions.

The Eastern Stars have donated

some very much needed equipment to our kitchen, a hot water heater, new gas stove and gas refrigerator. To them we extend our thanks.

At our March stated meeting we are expecting a visit from our Grand Master Bro. Clyde Flowers. I would like to see a grand turn out for this meeting.

I will close in saying I hope all the brethren of our Lodge will find it within the length of their cable-tows to join with us often in the pleasures of Freemasonry throughout the coming year.

Brethren: Much has happened since our January meeting. It seems at that time no one seemed to know when the lease on our Temple was to expire. Since that time it was discovered that it still has over fifty years to go. That being the case, why not make the best of what we have?

First off we have added a new plywood cupboard at the head of the stairway, a more decent place to store our records dating back over one hundred years. This is just an example of what we can do to improve the Temple.

This month we honor eleven members of Olive Branch Lodge who have over 40 years of Masonry to their credit. They are as follows: Jesse E. Ake, R. 1, Ossian, Indiana; Wm. Ake, R. 10, Fort Wayne; John Beck, 10327 Aurora Ave., Detroit, Mich.; Roy E. Emerick, 4102 Coleman, Fort Wayne; Elmer D. Hamilton, R. 4, Ft. Wayne; Frank H. Harkless, S. Anthony Blvd. Extended, Fort Wayne; Herbert T. Jesse, R. 1, Ossian; Edgar Kraft, Hoagland, Indiana; James Laisure, Hoagland; John R. McMahon, 237

N. Cornell, Fort Wayne, and Albert W. Summers, Piqua, Ohio.

Last year it was our good fortune to have Brother John Beck of Detroit visit our Lodge after an absence of some thirty years.

During our March meeting we will honor three members who have completed Twenty-five years as members of Olive Branch Lodge, they are brothers Kenneth G. Brown, R. 4, Fort Wayne, Indiana; Edwin E. Frauhigier, R. 2, Decatur, Indiana, and Otis A. McFadden, R. 4, Fort Wayne, Indiana. We hope these brothers will all be with us to receive their 25 year pins. I am glad to report that Bro. Herbert Jesse is recovering nicely from a recent operation.

I have been informed by our Secretary that a petition is on hand to present to the Lodge and it will be voted on at the March meeting.

A committee has been appointed to rewrite our by-laws and the Trustees have been asked to make recommendations as to what we can do to improve our Lodge Hall.

Brethren as I close for this time I will leave a few words with you from the December Issue of the "Square and Compass." It seems very fitting to our organization.

"One step won't take us very far, We've got to keep on walking; One word won't tell folks who we are, We've got to keep on talking; One inch won't make us very tall, We've got to keep on growing; One little deed won't do it all, We've got to keep on doing."

The month of February was a gratifying one for the New Haven Lodge. The officers met over a festive board and tentative plans were made for the year. Improvements to our lodge hall and facilities were discussed. Plans to clean up and complete already started projects were also aired. The lodge officers have an old fashioned "Ladies night" and several other special occasions planned for the year. Friday, February 19th, Worshipful Master James Peters of Home Lodge #342, visited New Haven Lodge. Accompanying him was his Fellowcraft Team in full dress who presented the second section of the Master Mason degree in full form and in beautiful style. This was an inspiration to all who saw the work.

We are indeed glad to see so many of our members at New Haven planning to attend the third annual Blue Lodge guest night on March 31st. This is a fine opportunity to bring a non-Masonic friend to a Masonic supported function and spend an evening in good fellowship. It might also be pointed out that your guest may be a Brother who you would like to see become more active or just renew old acquaintances over a good meal and entertainment.

DeMolay week, a national celebration, is being planned for by the boys in our DeMolay Chapter. They will present the DeMolay degree and other activities.

Masons might be reminded the DeMolays are sponsored by the Blue Lodge and we provide many man

hours in helping the great organization exist by providing the advisory council and the DeMolay Dad. You might plan on seeing our boys in action some Tuesday evening. Master Masons are invited and welcome in all DeMolay meetings and degree work.

At this writing your Master has no reports of illness. It is my prayerful wish that in every issue of this paper I can say the same.

March will find our lodge without degree work, however the Fellowcraft Team will use at least one Wednesday for practice and other open Wednesdays might be used in perking up the lodge hall. We are reserving the last one for guest night.

We will see you in lodge and bring a Brother.

**IF I CAN THROW
A RAY OF LIGHT**

If I can throw a ray of light across the darkened pathway of another; If I can aid some soul to clearer sight of life and duty, and thus bless my brother; if I can wipe from any human cheek a tear, I shall not then have lived in vain while I am here.

If I can guide some erring one to truth, inspire within his heart a sense of right, a love of truth and beauty; if I can teach one man that God and Heaven are near, I shall not then have lived in vain while I am here.

If from my mind I vanish doubt and fear, and keep my life attuned to love and kindness; if I can scatter light and hope and cheer, and help remove the curse of mental blindness; if I can make more joy, more hope, less pain, I shall not have lived and loved in vain.

If by life's roadside I can plant a tree, beneath whose shade some weary head may rest; though I may never share its shade, or see it beauty, I shall yet be truly blessed—though no one knows my name, nor drops a flower upon my hair, I shall not then have lived in vain while I am here.

MASTER SERVICE

Rev. Virgil Bjork

Flowers
Fort Wayne Commandery No. 4, Knights Templar, extends to all Masons, their families, and guests (Masonic affiliation not required) a cordial invitation to attend its annual Easter Sunrise Service.

This impressive observance will be held Sunday, April 18, 1965 in the Fort Wayne Scottish Rite Auditorium, West Berry Street.

A beautiful organ prelude will be played by Harry D. Brattain, starting at 6:40 a.m. The religious service will start promptly at 7:00 a.m. It is suggested that you plan to arrive early so as to enjoy the prelude and to help to avoid any seating delay which could result from the usual poor attendance.

Our guest speaker is Rev. Virgil Bjork, Superintendent of the Fort Wayne District, Methodist Church. He is also the present "Most Wise Master" of Emmanuel Chapter of the Croix of the Scottish Rite. Illustrious Brothers Clyde E. Flowers, Samuel S. Geake, Past Grand Commander, will also assist in our service. We will also be privileged to have the Fort Wayne Scottish Rite present in attendance.

Immediately following the Religious Observance, our traditional "ham-and-egg" breakfast will be served to all present. Tickets can be secured that morning in lobby of the auditorium.

The "Senior Citizens" of the Allen County Home will again be the guests of Fort Wayne Commandery No. 4 Band and Drill Corps, and being personally served by the ladies of the Social Order of the Beauceant.

It has been planned so that both the Religious service and breakfast will be completed in time to allow all to attend the church of their choice.

GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL GETS VALUABLE WASHINGTON TREASURES

First of the meetings of National Masonic Week in 1965 was the 54th Annual of the George Washington Masonic National Memorial Association. Washington's Birthday witnessed a large gathering in the auditorium of the magnificent memorial to our distinguished Brother in Alexandria, Virginia. Washington was the only President to serve his lodge as Master while Chief Magistrate. In addition to the financial and other reports, the audience was stirred by the announcement that the Museum at the Memorial had acquired some rare and valuable Washington mementoes which will be displayed there when work on the fourth floor room is completed, a gift of the two Supreme Councils, 33°, A.A.S.R., Northern and Southern Jurisdictions.

The Misses Anne and Patty Washington, of the District of Columbia, appeared in person to receive the thanks of the President of the Association, John H. Hessey of Baltimore, Maryland, and the applause of the hundreds of Masons present. Fifth generation descendants of Col. John Augustine Washington, the first President's brother, they donated to the Association the Washington family Bible, which was owned by our distinguished Brother and bears his signature on the first page. He started the family record in this book with the names of his father and mother.

In addition they gave the Masonic Memorial a 9'x6' painting of the Mrs. Jane Washington family, who owned Mt. Vernon from 1832 to 1855. This is a valuable art treasure, the work of John Gadsby Chapman, who also painted "The Baptism of Pocahontas", which hangs in the rotunda of the National Capitol.

A silver hot dish holder, one of five pieces given by George Washington to his nephew Bushrod as a wedding present, was among the acquisitions, as was a box to hold a pair of pistols, believed to have been owned by the great man. More than 700 volumes from the library of Mt. Vernon were also donated by the Misses Washington. Many of these books were acquired by the President's heirs; but among the acquisitions is a 20 volume set of an American encyclopedia which George Washington himself ordered from Philadelphia. They arrived shortly after his death.

John H. Hessey, a Past Grand Master of Maryland, was re-elected President of the Association. Past Grand Masters Raymond C. Ellis (N.Y.), Charles F. Adams (Nebraska), and Charles M. Lanford, Jr. (Virginia) were re-elected Vice Presidents. P.G.M. Marvin E. Fowler (D.C.) was chosen Secretary-Treasurer again.

To replace Directors Alpheus E. Orton (Kentucky) and J. Edwin Larson (Florida), who were lost by death, the following new directors were elected: John H. Jefferson, P.G.M. of Indiana, and Grand Master C. Fuller Dorr of Michigan. All other Directors whose three year terms expired were re-elected.

After the annual procession of Grand Masters to the platform to present their Grand Lodge contributions to the Memorial, it was announced that \$210,000.00 had been

added to the endowment and maintenance funds.

FAITH IN ONESELF

When things go wrong, as they sometimes do, they have gone wrong with me and they may with you; When your cash is low and the bills run high and your worries are bearing you down to wit — Have faith in yourself and don't quit. For life is strange with its twists and turns, as everyone of us sometimes learns; and many a failure has come about that might have won had he fought it out; So don't give up. Point your chin to the sky. Have faith in yourself — have another good try! Success is but failure turned inside out. It's the silver lining of the clouds about; and you never can tell just where you are. It may be near when it seems so far. So don't give up when you're hardest hit. Have faith in God, and yourself — and you will never quit.

HISTORIC WAYNE LODGE

Lodge #25 F&AM March 22, 1823 dispensation presented by Worshipful Alexander Ewing to a meeting held in a room in Fort Wayne in May, 1823.

It was not until 10th of October, 1823, that a charter was granted, at which time Gen. John Tipton was granted a dispensation by Deputy Grand Master Thomas Douglas at Madison, to constitute and form Wayne Lodge No. 25 at Fort Wayne, after which on the 17th of November, Gen. Tipton, in obedience to his authority organized a Lodge. The first election took place on 25th of December of that year, at which Gen. John Tipton was elected Master, being the first elected W.M. of the Lodge after its' organization. The first application for degrees was unanimously rejected on the 7th of June 1824. Gen. John Tipton was re-elected in June 1824, as Master, and again elected to the same station Dec. 6, 1824 and re-elected at each successive term till June 3rd, 1828, an honorable and efficient member and officer.

Lambert Cushoois was the first member initiated, which took place August 17, 1824. The first celebration of St. John's Day (24th of June) was held on that day in the year of 1825, when Gen. John Tipton delivered the oration. The first public installation of officers took place at the house of Hugh Hanna, in Fort Wayne, Dec. 27, 1825.

On the 26th of May, the first public Masonic burial took place, by interring the remains of Capt. Hackley, who had committed suicide at this place. This thing, though much out of order with regard to a Felo de se, was done to gratify the widow of the unfortunate Hackley. On the 24th day of June 1827, Alexander Ewing prepared the first Masonic dinner of the place, which the craft partook of after the ceremonies of that distinguished anniversary. As an act of benevolence on the part of the Lodge, we refer to the fact that, on the 27th of June of that year, it appropriated a fifty-dollar loan to Capt. James Riley, a brother Mason, who was in very great affliction from disease, and who was in Fort Wayne, en route for the East, to obtain medical treatment.

Brethren, I was certainly surprised when I read the 2nd paragraph of the article "We Got Nothing To Hide" in the Jan. 30 issue of The Saturday Evening Post. It's very difficult for me to believe that a Masonic Temple anywhere in the United States would allow their Temple to be used by the Ku Klux Klan as meeting place to extol their intolerable purposes. I have recently learned, however, that the Grand Master of the state of South Carolina has demanded a retraction from the Post for what he states is a deplorable misrepresentation of facts. I certainly hope that this matter is dealt with in the proper manner in order to prevent further public disgrace to our noble Fraternity. It should be the duty of Masons, regardless of their jurisdictions, to preserve untarnished the reputation of our order and never suffer their aprons to be exposed to the indelible smudge emitting from the firebrands of hate.

Brethren, on April 22nd, we hold our annual Past Masters and Ladies Night Banquet. Dinner will be served at 6:30 p.m.

Our guest speaker will be Rev. Heedie M. Cobb, Pastor of Richmond, Ind.'s only EUB Church. I am sure you will find Brother Cobb a person with an exceptional personality. We will be entertained throughout the program with the wonderful music from our newly acquired Baldwin organ. Brethren, please contact your officers for tickets if you haven't been contacted by our calling committee. Let's all make it a point to attend this affair and really give our Past Masters and their ladies a night to remember.

Wayne Lodge welcomes its two new members, Bros. Theodore A. Beers and Edward L. Shepherd, whom we raised last March 11th. I extend my thanks to the members and visiting brethren who made their big night a success.

I'd like to express my gratitude at this time, for the fine work my officers are performing. Brethren, as you know these fine officers must devote much of their time and talents (working as a team) to keep our lodge functioning as it should, but we are small in numbers (11) compared to our total membership (630). It is therefore necessary that we have the support of all our members in order to make our lodge prosper as it should. Your officers are patient and devoted men, so brethren let's all give them the support they really need.

Brethren, I'm sorry to report that Brother George P. McDonald (87) passed away at the Home last month. (Bro. McDonald was a 55 year member of our lodge.) It certainly was a pleasure to talk with this intelligent brother during my past visitations to the Home. He was a person of exceptional wisdom and his passing

is certain to leave only sorrow and loneliness to his associates at the Home. To his loved ones and companions we express our deepest sympathy and comfort in this time of need.

We have five Brethren on the sick list — Why not pay them a visit or drop them a get well card to let them know you're concerned about them. Your companionship will go a long way to cure their ills. May God be with the following brethren and bless them with a speedy recovery: Leonard F. Deal (home); Wallace E. Castle (home); Fred L. Bartbold (home); Paul H. Brockmeyer (home) and PM Bernard Smith (Vet's Hosp.). Brethren, before paying them a visit it is best that you first give them a call.

We're planning a fellow craft party for sometime in May. Bro. Brockmeyer informs me that he can obtain an excellent sound film on fishing, all we need is the equipment to show it. I'll report more on this in the May issue.

Don't forget your annual dues and your voluntary contribution to the Masonic Home. We haven't any candidates for this month. Don't forget our Stated Meetings (1st Thursday of the month).

A wise philosopher once said "to reach men's minds, you must first reach their hearts". From the looks of this troubled world today, then this is surely a virtue very few men possess.

Brethren, fraternal greetings from your officers.

April — How time flies — here we are, well into the year of 1965 and it seems very little has been accomplished. Although our telephone committee is far from being complete, it has already demonstrated its value. Some name lists have yet to be placed and we could use some help from any of the brothers who would like to volunteer. By using this list, we have had many brothers attending lodge who have been absent a good many years. We have had larger turn-outs for Masonic funeral services. We have learned of those members who have been ill or indisposed by the use of this method of contact. So fellows, if you have not been contacted and would like to be, get in touch with us and we will make an extra effort to do so.

Brethren, what is there about Masonry, that a member pays his dues year in and year out and yet remains absent from the lodge and indifferent to its activities? I will be the first to agree that Masonry is not confined to the lodge room; but for the initiate, this is where it begins. Many times, the members who sign their names on a petition for a friend, never come down to see him receive his work. What impression does this give the newly made Mason? Think about this fellows — you have made it possible for a friend to become united in this

great and good work, yet almost immediately you are letting him down when you are not present at his initiation, passing and raising. To all of you, I repeat the invitation to come to lodge, join with us in the fellowship in the lodge room and around the festive board. Meet old friends and make new acquaintances. Now that the Temple has purchased an organ, we hope to enhance our degree work by its use.

This month, I would like to present our stewards to you. Our Senior Steward is Carl Porter. Carl lives with his wife, Marian, at 7001 Blake Dr. They have a daughter, Ann, 7 years old. Carl works in the time study dept. at Dana Corp. They have a cottage at Lake Wawasee and are interested in boating, skiing and golfing.

Roland Magee is our Junior Steward. Roland lives with his wife, Virginia, at 3609 Stafford Dr. They have two children, Jimmy 5 and Patty 3½. Roland is employed in the computer dept. of Magnavox Corp. His leisure activities include golfing and reading.

Since the last writing of this article, we have had seven more of our brothers called to the Celestial Lodge above, bringing the total to nine since the first of the year. Carter D. Palmer passed away Feb. 25th and Masonic services were conducted at the funeral home on Feb. 28th. Carter was raised a Master Mason in 1927 and was a member in good standing for 38 years.

George A. Adams passed away on Feb. 26th and Masonic services were held at the funeral home on the 28th. George was raised a Master Mason in 1910 and received his Award of Gold in 1960. He was a member in good standing for 55 years.

Ralph A. Bengs passed away March 2, 1965. Ralph also was raised a Master Mason in 1910 and received his Award of Gold in 1960. He was a member in good standing for 55 years.

Emmett N. Geyer passed away March 8th and Masonic services were held at the funeral home on the 9th. Emmett was raised a Master Mason in 1948 and was a member in good standing for 17 years.

Theodore D. Miller passed away in Long Beach, California March 10th. He was raised a Master Mason in 1919, being a member in good standing for 46 years.

Miles C. Diehl passed away March 14th. Masonic services were held March 16th at the funeral home. Miles was raised a Master Mason in 1947, a member in good standing for 18 years.

Ooslow H. Orr passed away March 14th. Bro. Orr was raised a Master Mason in 1917. He was a member in good standing for 48 years. Our sincere and heartfelt sympathies are extended to their bereaved families.

My personal thanks must be extended to P.M. Harold O. Martin. Harold, as far as I am concerned, is Master ex-officio of Home Lodge. He is our orator for the Masonic funeral service given for a deceased brother. In the number of years I have been in lodge, Harold has only missed a few of the scores of services we have conducted for our members.

His delivery of the oration is outstanding and the officers and members of Home Lodge can be proud of this ceremony which the general public is permitted to witness. It is a privilege and an honor to be a part of any service which Bro. Martin conducts.

I would like to close this article by quoting from Oliver Wendell Holmes Year Book:

"The longer I live, the more I am of two things: first, the truest lives are those that are rose-diamond fashion, with facets answering to the many phases of the world about them; secondly, that society is always being in some way or other to grind us down to a single flat surface, is hard work to resist this grinding action".

April is Ladies Night Banquet Month. Plan right now to bring your lady on April 30th for one of our most interesting, entertaining and enjoyable events. It will be held in the Ballroom of the Masonic Temple of the first floor. It will start promptly at 6:30 p.m. Plan to meet your friends earlier in the social room on the second floor so that you may exchange greetings with them before the festivities begin.

We are very fortunate to have secured the services of Dr. H. H. Johnson of Indianapolis as our featured speaker this year. Dr. Johnson

is nationally known as one of the top after-dinner speakers in the U.S.A. He has a widely versatile background as athlete, former coach, dance band musician, active worker in the Boy Scouts, humorist, and philosopher. His subject promises many laughs. He will speak on "Maximum Matrimonial Mileage with Minimum Misery."

We are planning to make the evening one of entertainment. There will be music to cheer you up; introductions will be as few and as short as possible. Mrs. Faye Brennan will be in charge of all food preparation. All in all it should be a night to remember.

Admission will be by ticket only, as we have room for just over 500 people; and will have to be limited to Summit City members and their ladies. Tickets will be available from your lodge officers. Please do not wait until the last minute to try for tickets as we anticipate a capacity crowd.

The lodge was saddened to learn of a brother's sudden illness which prevented him from receiving his MM degree in Summit City. This brother suffered a ruptured blood vessel in the brain and has been hospitalized in Parkview. A successful operation has been performed and he has been making a steady recovery. We wish him a speedy recovery and want him to know that Summit City considers him one of its' own, and will always welcome him back whenever he can make it. Good luck.

We have lost brothers Roy Melvin Langstaff, Carl F. Meyer, and Clement P. Griffith at the time of writing. Summit City held a memorial service for brother Langstaff on March 9th. As a courtesy to Libertyville Lodge #492, we conducted a service for brother John C. Blume on March 3rd.

We welcome Gene Maurice Lopschire, Jackie Lee Robinson, James Edgar Runyon, and Charles William Thompson who received the degrees. Also, Dean LeRoy Thomas affiliated by transfer, and Warren C. LeGrand was restored to membership during this month.

Since some unfortunate experiences with the weather, I am getting a little reluctant to announce starting times for degree work. Copy deadlines require announcing schedules so far ahead of time that things sometimes get changed by the time they come to pass. However, if all goes as planned at this time our schedule (subject to change) will be:

April 2, Stated Meeting 7:30 p.m.
April 9, E.A. 7:00 p.m.
April 16, E.A. 7:15 p.m.
April 23, M.M. 4:30 p.m.
April 30, Ladies Night Banquet.
We will eat on April 23, and of course on Ladies Night.

April 19th is Summit City's next visitation to the Veteran's Hospital. Our attendance at these visitations has, been improving, but we need more help so that we can have enough men to visit with all our veterans for this one hour every several weeks. Brothers, I call on you to give an extra hour of your time to help cheer up our hospitalized

veterans. Make plans now to join us in the lobby of the VA Hospital at about 7:15 p.m. on April 19th.

Our lodge attendance has seen a definite improvement this year, but we would like to see more of the brethren joining us in the work and fellowship of the lodge. I am therefore requesting that for the next three months we institute a program which I shall call "Bring a Brother to Lodge." The procedure is simple: Call a brother who has not been attending too regularly and invite him to come to lodge with you. Offer him a ride. Ask him if he would like to take a part in the work. If he would, be sure to let your officers know about it. Who knows, we might steal a few good, active workers away from the one-eyed monster (whose eye we understand in many cases is now bloodshot due the miracle of color TV) for a few evenings out of the year.

One added note: If you are confined to home or hospital with illness, or if you know of a member who is, please advise your Worshipful Master or Brother Carl G. Schlenker, chairman of the Visitation of the Sick Committee. Carl's telephone number is 447-8282. Brothers, we simply cannot arrange to have visits to sick members if we do not get the reports. We have many members who will be happy to call on hospitalized brothers, but we must be informed that they are ill and that they are permitted to have visitors. We have had too many cases where we received notification only after the party was no longer in a hospital and had recovered. Be assured that your lodge does care that you are confined or ailing. We ask only that we be promptly informed.

Join with us actively in the busy month of April.

"From the Secretary's Corner"

Our Worshipful Master and I have talked about adding a small item to our column in the Square and Compass. We thought that perhaps it might add interest in a very small way. That perhaps I might bring forth an item or two that I perhaps forgot to mention to Brother Scott. At least we'll give it a try. Let us know how you like it. As of today, February 28, we have 72 unpaid dues. I have just finished reminders to be mailed and there are 22 out of town members and 50 in towners that are not paid. We do wish that you would endeavor to get your dues to me without a reminder. It takes time to address them by hand. Also, it is a rather costly item expense wise. This is the first reminder that I have sent out since the original

notice. It is time consuming and on this mailing alone, the cost of postage is \$3.60. Our lodge funds are limited and you can see what this does to our budget if I have to send out many reminders. So please—get them to me as soon as possible.

I hope a lot of you were able to attend the Mizpah Shrine Band Spring concert that was held on March 21st. South Gate can be rightly proud of this musical organization. South Gate members alone number 11 in this talented group. To refresh your memory, and in case you don't know, there are Carey L. Baker, Bill W. Baker, Phil Palmer, Emory W. Bryan and Franklin A. Bryan in the clarinet section; Eugene A. Barrett and yours truly in the sax section; John R. Martindale in the drum section; Dean C. Howard and Dale Stedman in the baritone section; Samuel B. Gregory Jr. in the trombone section. Also Carey L. Baker Jr. is a regular attendee when he is in town. And if you have seen the band on the march, that's our own Franklin A. Bryan as drum major and he can really strut his stuff. I personally am very proud to be a member of this musical unit. Besides being members of the band, Dean C. Howard is the vice-president this year and again yours truly is the Secretary-Treasurer.

One other thing I would like to mention is the old timers club that has been organized for retired members. Our own Henry J. McIntosh is president of this fine group. He has asked me to inform all of our retired members, if they are able and would like to, to come down to the Temple on Monday afternoons for this meeting. It is not too lengthy and there are refreshments. So come on down and enjoy yourself.

If you enjoyed this extra little news from the Secretary's desk, please let us know. And fella—get down to lodge and support your officers. They are all trying to do a good job, and it could be so much easier if we would see you on the side lines. That's it for this time.

Franklin I. Bryan, Secty.

As I am writing this article, we are getting ready to confer the fellowcraft degree upon 2 candidates. We hope to raise them to the Sublime degree of a Master Mason on Monday, March the 22nd.

We will be dark the month of April, but we will meet on the regular nights for degree practicing and fellowship. We will also have a snack after each meeting. We still are in need of more brothers to help in the fellowcraft club. We have a few brothers who are working on the

parts but we still need more. Past Masters, Brother Jim Timmons and Sheldon Leiter are ready and willing to help with the work, so get in touch with any of the officers and we will find you a part.

Brethren if you know of any of the brothers who are ill or are in the hospital, let the lodge know, so we can visit them.

On March 3rd we traveled to North Manchester and presented the play to a most appreciative audience of the brethren of Deming Lodge #88 as well as some visitors from other lodges. We are grateful to the brethren who filled in parts in the cast on such short notice. Your help is much appreciated. We expect to present the play at Geneva, Indiana, about the middle of April and this date will be announced in lodge.

Our Annual Smorgasbord and Square Dance at which we were hosts to the Corinthian Club was held on March 13th and was well attended. An excellent dinner was prepared by Mrs. Fay Brennan and her ladies followed by the introduction of Corinthian Club President Ralph Weisner as well as other officers and Past Masters. Joe Taylor and his Redbirds played for the dancing which followed the dinner and this was thoroughly enjoyed by our guests. Our thanks to all of you who helped with this annual event.

We wish to congratulate Allen Austin who attained the Master Mason degree on March 2nd. His work was witnessed by his father and brother from Michigan. We shall do our best to keep him busy in lodge.

The word "Square" in the title of this periodical reminds us of an address by Senator Margaret Chase Smith, excerpts of which are given herewith: "Many years ago, the word 'square' was one of the most honored and respected words in our vocabulary. What is a 'square' today? He's the fellow who never learned to get away with it—the one who volunteers when he doesn't have to—who tries to do better than others—who has to be reminded to go home because he's so lost in his work—whose heart beats faster and who gets choked up when the band plays The

Greetings Brethren: How fast the sands of time run. In February our Lodge raised 2 new brothers and March looks like a repeat of February. This month we are expecting a like amount of work. I would like to express my appreciation to the officers and brothers of our lodge for the cooperation and support that they have rendered. With this kind of support we cannot help but have a successful year.

Brethren, this is the month your officers and members have been looking forward to. On the 30th of April we will celebrate our 10th anniversary at the Scottish Rite Banquet Room. We have a fine program for the evening which will be highlighted by the presence of our most Worshipful Grand Master, Clyde E. Flowers who will be the speaker for the evening. In addition the Scottish Rite Choir under the direction of one of our own brothers, Brother Bill Wetzel will be there to furnish us with some beautiful music. So Brothers why not mark that date on your calendar and tell your wives or lady friends that you are taking them out for a good dinner and an enjoyable evening.

It was on May 17, 1955 that our Lodge received its charter. Seventeen Brethren of our lodge worked diligently for several years prior to 1955 in order to make this dream come true. Today we are proud to say that our lodge now has 200 members. Certainly this a monument to their labors and fidelity.

In closing I would like to leave this quote with you. "God grant me serenity to accept the things I can not change, courage to change the things I can, and wisdom to know the difference."

Brethren, by the time you receive this copy of the Square and Compass, our Past Master's and Charter Members night on March 24th, will be history! Good I'm sure.

Our reorganized Fellowcraft Club performed very well at our last, Master Mason Degree, and I sincerely hope that their interest will continue, and their work improve.

Maumee Lodge is very fortunate in having a lot of petitions coming in for degrees, that should keep everyone very busy.

Brother Herschel Bolyard, the chairman of the golf committee, informs me that the plans for our golf party are well under way. We will keep you informed of the progress at our lodge meetings, so come to lodge and be informed.

One of the Highlights of this year will be on May 18 and 19 when Maumee Lodge will go to Indianapolis, to open and close Grand Lodge

for our G. and Master Clyde E. Flowers, you will get more information on this next month.

I have checked with our secretary on the progress of our Masonic Home contributions, and Brethren I am not at all satisfied. We are barely past the 30% mark. I am hoping to bring back to Fort Wayne a certificate of 100% contributions, when I return from Grand Lodge, so you can see most of us have duty to perform. Lets not let our Grand Master down. In one of our lectures we talk about the three principal rounds of a ladder. Faith, Hope and Charity. Lets put into practice that third round, and see if we can't fulfill our Obligation, to a worthy cause.

Spring has finally arrived on the calendar! Soon the call of the great outdoors will be heard. Myriad tasks and duties await us, such as housecleaning, garden and yard work. After our confining winter, it somehow will all be a welcome change.

Easter coming in April this year, gives us extra time for planning. Have you done anything to spiritually prepare for this day? Did you resolve during the Lenten season to become a better person and a more active sojourner? We hope so.

At our stated meeting on March 12th, new officers were elected for the ensuing year. The slate is as follows:

Anna Mae Eichman, Worthy High Priestess; Ned Biddle, Watchman of Shepherds; Pauline Gibson, Noble Prophetess; Dale Davis, Assoc. Watchman of Shepherds; Ruth Hensel, Worthy Scribe; Erma White, Worthy Treasurer; Bertha Clear, Worthy Chaplain; Norma Jean Miller, Worthy Shepherdess; Joan Beerwert, Worthy Guide; Three year trustee, Mildred Igney.

Open installation of officers will be held at 8:30 p.m. on Friday evening, April 9th. Shrine will open in regular form for a short meeting at 7:30 p.m.

We extend congratulations to these officers-elect. May they enjoy a most successful year of service.

The first stated meeting of the new year will take place on April 23. On Sunday, April 25, the Orion Past Officers Club will hold their end of the year party. Place will be announced later.

State White Shrine Association will meet on Saturday, April 10, in Evansville. All sojourners who can, are urged to attend.

Illness among Sojourners: Mary Wilson was in Lutheran Hospital with the flu; Dorothy Myers had pneumonia; Harriet Flaugh was a flu victim also; Olga Weidemann has been ill; Carolyn Burwell had surgery at Whitley County Hospital; Cecil Allman had surgery in Whitley County Hospital.

In Families: Brother of Norma Jean Miller in hospital in Louisville, Ky.; Sister and daughter of Hilda Campbell have both been ill.

We wish a fast and complete recovery to all those who have been ill.

Among our Florida vacationers in March were Dale and Flo Widney, John and Iva Schieber and Violet and Berlen Diebm. We are sure they enjoyed every minute of it.

Your W.H.P. Helen Gorrell and your W.O.S. Dale Davis wish to take this opportunity to thank each and everyone who assisted them during the past year. They will cherish many fine memories of their term in office and treasure the friendships made.

Since this is my last issue, I too wish to say it has been a pleasure

serving as Publicity Chairman. I have tried to faithfully and accurately report all newsworthy material. Thank you. Myrtle Glass.

Dear Sisters and Brothers:

We wish to express our sincere
thanks to you for the privilege and
honor of serving as your leaders
through the year ahead. We are proud
to be your Worthy Matron and Pa-
tron through the time when our own
Brother Clayton will be serving In-
diana as our Worthy Grand Patron.
It has been our great desire that he
will be as proud of our Chapter and
14th District as we are of him.

We pledge to do our best in ful-
filling the duties and responsibilities
of our high office and as we face
"Toward the Sun" may all our shad-
ows fall behind as we practice our
motto—"Give ourselves; Forgive
others; Live with Thanksgiving."

We do not plan any great achieve-

ments hut rather—
Let us gather up the sunbeams
Lying all around our path;
Let us keep the wheat and roses
Casting out the thorns and chaff.
Let us find our sweetest comfort
In the blessings of today.
With a patient hand removing
All the briars from our way.

Irene Lytle, Worthy Matron
Robert Mumaugh, Worthy Patron
Sister Tessie Wise, P.M., escorted
the officers elect, Irene Lytle, Worthy
Matron; Robert Mumaugh, Worthy
Patron; Dorothy Fennell, Associate
Matron; Forrest Fennell, Associate
Patron; Vera Hayden, Secretary;

Biedenweg, Martha; June Trubock,

Commandery Room of the Masonic
Temple.

The East was decorated with a blue
sky, shot with rays of the sun. Palms
and trellises of flowers were in front
of the sky and were highlighted with
spotlights of rose hues. These beauti-
ful decorations carried out Sister
Irene's colors — BLUE of the Sky
after all Clouds have vanished, ROSE
of the Setting Sun with a GLINT of
GOLD from the Sunbeams. In front
of the East was a framed picture of
hands in the form of a Cross,
symbolizing Sister Irene's motto.
Beauty vases filled with morning
glories and wild roses in rose hues
were on the floor. Sister Irene's
scripture guidance for the year —
"Truly the Light is sweet and a pleas-
ant thing it is for the eyes to behold
the Sun," — Eccl. 1:7 was in the
West. Above the West in a shadow
box were the watchwords — Hope —
Humility — Humour.

The installing officers were: Instal-
ling Grand Officer, Brother Clayton
Herrick, Associate Grand Patron; In-
stalling Grand Marshall, Sister Tessie
Wise, P.M.; Installing Grand Chap-
lain, Sister Hope Dumford, P.M.; and
Installing Grand Organist, William L.

ner, Associate Grand Matron. The
opening prayer was given by the Rev.
Mr. A. L. Keller, pastor of the First
E.U.B. Church of which Sister Irene
and Brother Boh are active members.

As Sister Irene left the Altar, she
was greeted in song by Sister Joyce
and Brother Frank Bidlack as they
sang "His Hands." The escort, made
of Sister Irene's sister points, Grace
Whonsettler, P.M., and Velma Hart-
nun; her fraternal Mom, Sister Tessie;
and her appointive officers, made a
bower of morning glories from which
was suspended an effulgent sun,
through which Sister Fannie Grim
led her daughter and presented her
with a gavel.

Sister Carol Munk greeted Brother

ron, approached the Marshall station, she was greeted by her husband, Brother Dick, who led her through an aisle formed by her appointive officers. She was presented with a pair of golden slippers. Her daughters, Debbie and Eden, and her son, Doug, sang a welcome to her, written by Sister Jo Cecil to the tune of "Hello, Dolly."

Following the installation, Sister Irene and Brother Bob greeted their friends and relatives at a reception in the ball room. The serving table was set up in the shape of a cross and was covered with a gold cloth with a center piece of golden grapes. The back drop was an effulgent sun with Sister Irene's motto, "Toward the Sun."

April 1 was our first meeting with our new officers in their stations and, as always, we are proud of each one of our sisters and brothers as they do their work. Sister Carol was properly installed into the Past Matrons' Group by Sister Gladys Gifford and other Past Matrons. Following the meeting a reception was held for the Officers on the mezzanine. The April 15 meeting will honor the Sideliners and we all have the opportunity and privilege of renewing our obligation.

To those who have been ever faithful, giving their time and talent to help Anthony Wayne Court #3, we congratulate them on their achievements. Best wishes for a speedy recovery to: H.L. Mary Wilson who has been ill; S.K. Sam Cook who is at the Long Time Care Unit at Parkview. H.L. Tessie Wise's Father, Frank Warren, at Lutheran Hospital.

HONORABLE MENTION:
To the sideliners who have braved

the elements to attend the meeting. We appreciate your efforts and we know, that without those on sidelines, our meetings would rather dull.

It scarcely seems a year since I began this column. It has been a new experience with me, so I am truly sorry, if I've missed anything to stress each committee and sidelines. These are the functional segments of a Fraternal Organization whose principles are those which must uphold, if we are to be a nation strong and good. I also hope that there might be something that would remain with you, even at this year. Thanks for reading the items.

Lo, the winter is past—The flowers appear on the earth."

Song of Solomon 2:11-12
Dear Daughters, Spring has sprung and with it another page in our book is turned. Our new page reveals a new and beautiful season of life. In this season of life, we should be born anew; born anew into the life which the beautiful order of Job's daughters opens up to us. If we sincerely wish it, we may bud, bloom, and flower for our order.

This month offers many opportunities to acclaim this wish. On April 3, we had our daunce. It was not very large crowd, but I'm sure that all of us attending had a lot of fun. April 7, will be our rummage sale at the Liberty Press on Lafayette Street. The evening of April 7, we have an initiation planned.

April 17, is our Official visit to the Grand Guardian. We will journey to Huntington to share in fellowship with the Bethel #27 daughters there.

More oews will be shared with you in Bethel, about our double inspection. April 27 we will be honoring our Past Guardians and Associate Guardians.

As you see, there is a great opportunity for each of you to bud, bloom, and flower for your Bethel in this month of April. See you in Bethel!

Companions, In the past several issues of the Square and Compass, I have been telling you about the plans being made for that great day of March 6th, when we were to present the Royal and Select Master Degree in amplified form. Well that event is now passed, and I am pleased to inform you who were not able to be present that it was a real success.

We had a large class of twenty-seven candidates from various councils from North East Indiana. Also a very good representation of Grand Council Officers and other Distinguished Guests from several York Rite Bodies, twenty-two in all, and that's a lot of brass, assembled in one place.

We had a very delightful banquet, and entertainment program beginning at 6:30 p.m., at the conclusion of the presentation of the degrees, in which we were so very ably assisted by the companions, of the other councils of the Northeast Indiana York Rite Association, of which we all are a part.

I want to take this opportunity to thank all of the companions, who had a part in any way in making that day the success that it was. I especially want to thank the Ladies of the Social Order of the Beauceat for their part of the program, also Companion Thomas Houser, for the very fine Banquet, that he put on under adverse conditions.

In closing I would like to say that we named this class of Candidates, "The Carter D. Palmer Class", in memory of our Past Illustrious Master, Carter D. Palmer, who passed away on February 25th, 1965.

Companions: At this writing your officers are busy making plans to attend Grand Chapter which is being held this year at Bloomington, Indiana on April 23 and 24. This year Thomas R. will be well represented. Dick Deuter, King; Dave Ruoff, Scribe; Charles Cook, Past High Priest, and myself your High Priest all plan to attend. It is a distinct honor to be able to attend this meet-

ing and we appreciate the opportunity. We will give you a report of the meeting at the next stated meeting which will be in May.

I am very happy to advise that Ed Warsaw has accepted the appointment to fill the station of third Veil. Welcome, Ed, to the line. We are very happy to have you.

At this time I wish to make an appeal for outstanding rituals. Thomas R. is charged with some 15 or 16 rituals and it seems the only ones we can account for are those the officers have. We have some companions who are willing to help us with ritualistic but we are not able to supply them with rituals. Companions PLEASE look through desk and dresser drawers for the missing rituals. If found please call Dick Jones or Charles Cook. We offered to purchase more but the Grand Chapter insists that we account for the rituals we have before they will discuss letting us have more.

Plans are being made at a rapid pace for our Ladies Night banquet to be held this spring—either in May or June. Ladies we plan to have something just a little special for you this time so see to it that you are invited. Companion Harold Martin is working overtime to make the affair something to be remembered, if you know Harold he can come up with a "Humdinger" without even trying so this should be extra special. Watch for the announcement of the details.

Plans for our April meeting are in the making but no details at present. This much we do know—we will eat as usual at 6:30 April 16. Come and eat with us — the fellowship at a good meal is worth the extra effort it takes to drag yourself out of the house in the evening.

Greetings Sir Knights:
The Annual Sweetheart Ball, sponsored by the Drill Corp, was held on February 20, and I believe all will agree it was better than ever. Everyone enjoyed the fine buffet dinner of roast beef prepared under the watchful eye of S.K. Harry Haller and S.K. Tom Houser. After that repeat, dancing was enjoyed to the music of Bob Kreckman's orchestra. All in all, it was a gala affair, one to be remembered. Our congratulations to all committee members for their fine work.

Since the last column, our Supreme Grand Master has called home to His celestial Grand Conclave the souls of two of our comrades, Sir Knight George Adams and Sir Knight Carter Palmer. The sympathy of the Commander and the Commandery goes out to their loved ones at their great loss.

"Sunset and evening star
And one clear call for me;
And may there be no moaning at the bar

When I put out to sea.
For such a sound, in moving seems asleep;

Too full for sound or foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark;
And may there be no sadness of farewell

When I embark.
For though throughout the hour of Time and Place
The tide may bear me far;

I hope to see my Pilot face to face
When I have crossed the bar."

Excellent Prelate Schuble Boggs reports that all plans have been completed for the Commandery celebration of that glorious festival day, that day of rejoicing, Easter. On Easter Morning, the Sunrise Services of the Commandery will be held in the Scottish Rite auditorium beginning

Thanks also are in order to the DeMolays who did a splendid job of ushering at the Scottish Rite for the Show, "Oliver." Our Mother's Circle deserves a big thank you for the many cakes that they baked for the radio and T.V. stations during DeMolay week and for those delicious cakes served after our March 10 meeting.

Bob Locke our publicity chairman and "Dad" Tucker, made DeMolay week a very outstanding one. We owe a lot to these men and many who helped during DeMolay week. The week started Monday, March 15, with a tribute to the Scottish Rite for their sponsorship. The Friday pre-

Brethren: We will have our annual Past Masters Night on April 9th. Please note your calendar. Our guest speaker for the evening, whom we are most fortunate in securing, will be Mr. William G. Smith, a prominent and well known Fort Wayne business man. He will present a subject that I am sure you will find of great interest and I urge everyone to be present.

Two brothers completed the degree of Fellowcraft on March 18th and again I am very proud to be able to say — thank you officers and brothers for a splendid job. It is gratifying to head such a fine team.

Our Lodge will again celebrate St. John the Baptist Day on June 27th. He was a stern and just man; intolerant of shame or pretense, of weakness; a man of strength and fire; uncompromising with evil or expediency, and yet withal courageous, humble, sincere and magnanimous.

The Greatest of Teachers said: "Among them that are born of woman, there hath not arisen a greater than John the Baptist." What a fitting tribute.

God often challenges us by seemingly giving us tasks that are extremely difficult for us. But he also provides the tools and power to accomplish these tasks. He is our partner. Let us spread the light. A lamp which will not light is useless. When we are responsible for the lights failure it is indeed foolish.

Happily, for most of us, we are into the spring season and there is much wisdom in this passage. "For everything there is a season, and a time for every matter under heaven; a time to be born, and a time to die; a time to plant, and a time to pluck what is planted."

At this writing I have received no reports of illness. Now in closing please read Matthew 7:14.

Spring is on us once more and New Haven Lodge will not be out done by "the spring house cleaners." Last month much work was done toward cleaning and rebuilding. The Tylers room is nearing completion, not just clean, but new. Our heartfelt thanks to Brothers Bill Youtz, Don Stark, Russ Smith, Lyle Tustison, "Doc" Long and others. Their hard and long hours of labor can

be accounted for by a survey of the Lodge Hall and rooms. Very little can be done without materials. For these we are grateful to our Eastern Star Chapter, Joh's Daughters and DeMolay, to whom we owe a great big thank you for their financial donations. With our thanks, also our wish, that they may derive as much pleasure and pride from these improvements as the Masons. Our rug boys were busy too. Under the able direction of Brother Vern McDaniel the carpet is down and our lodge hall is looking extra fine.

I would like to inform you well in advance that our May 5th stated meeting will be preceded by a lodge supper. We are hoping for a large turn out. You will be notified again later.

You might reserve June 30th for a "Ladies Night". More later on this event.

We will have no degree work in March. The lodge will be open on Wednesdays to refresh the lodge and F.C. team practice.

Again we have only healthy members at New Haven Lodge. At this writing, there is no report of any serious illness. Brother Roy Weaver, Chairman of the visitation committee, does ask that you report to him as soon as possible, any brothers in distress. See you in Lodge.

CLAYTON L. HERRICK, STALLED AS WORTHY GRAND PATRON

Brother Clayton L. Herrick was elected Worthy Grand Patron of the Indiana Grand Chapter Order of Northern Star on April 27. Sister E. E. Turner of Muncie was elected Worthy Grand Matron.

Brother Clayton is a Past Patron Fort Wayne Chapter No. 432; Master of Sol D. Bayless Lodge #359; Past Sovereign Prince of United Rite, Fort Wayne Darius Council; Past Illustrious Master of Fort Wayne Council of York; member of the Fort Wayne Chapter of the Order of DeMolay; member of the Order of the Eastern Star; member of the Order of the Ancient Arabic Order of the Mystic Shrine. He is employed by Fort Wayne Postal Department Superintendent of Main Office Snow Service. He is a member of the West Creighton Avenue United Church, serving as an Elder. Brother Clayton's wife, Helen, is a member of the Order of the Eastern Star. In 1961 Sister Helen B. Gore, Grand Matron, and Brother Clayton L. Swift, Past Grand Patron, presented Brother Clayton Grand Matron, Sister Sara Scott, Past Grand Matron, and Brother David Miller, Past Grand Patron, chose Brother Clayton to serve as Grand Patron in 1962. The station of Grand Chaplain was his by appointment by Sister Helen Spencer Garman, Past Grand Matron, and Brother Clayton R. Bridgewater, Past Grand Patron, in 1963. On April 28, 1964, delegates to the Grand Chapter the Order chose him Associate Grand Patron to serve with Sister E. E. Turner, Associate Grand Patron.

The installation of Grand Officers was held at the Murat Temple in Indianapolis on Wednesday afternoon, May 12. Approximately 250 members of Fort Wayne Chapter and District 14 attended the installation. Brother Clayton turned his support to the best wishes for the coming year. Brother Clayton was escorted by his wife, Helen, through an aisle of members of his own Chapter and District 14 and representatives from various bodies, holding banners of commemorative stamps with pictures of Brother Clayton and emblems of fraternal organizations to which he is affiliated. He was preceded by the aisle by a brother representing "Uncle Sam"; Sonoma Wood, member of General Grand Chapter Committee and Past Grand Patron; Maxine Moser, Grand Chapter Elect; and Mary Ellen Sibley, Past Grand Patron. Patricia Miller, Past Matron, and Frank Miller, Past Patron of Fort Wayne

Chapter sang "If You Believe." Gertrude Marchant from Ft. Wayne Chapter acted as our very able chairman.

Following the installation of the Grand Officers, Brother Clayton was honored with an addendum presented by Fort Wayne Chapter. This was a "Dave Brinkley and Chet Huntley" broadcast of an elaborate lawn party held at the Herrick's home. The outstanding attraction of the lawn party was a merry-go-round which represented the whirl of Brother Clayton's activities through the last four years but especially the big spin that is coming up in the year ahead. Four of his "Country Cousins" made an appearance at the party. As "Dave" and "Chet" described the party on a "closed circuit television," Past Grand Matrons and Past Deputies with whom he served for each office held in Grand Chapter joined Brother Clayton for rides on the merry-go-round while Fort Wayne Singers accompanied each ride with an appropriate song. On the fifth ride Brother Clayton was joined by his wife, Helen, and Sister Sallie Turner, Worthy Grand Matron, and her husband, Ray, as the Fort Wayne Singers sang "You'll Never Walk Alone."

Districts 13 and 14 held a reception in the Claypool Hotel in Indianapolis for the Worthy Grand Matron and Worthy Grand Patron on Wednesday evening at 8:30 p.m.

A reception honoring Brother Clayton will be held on Saturday, May 22, at the Masonic Temple at 3:30 p.m. A program will follow in the Commandery Room at 4:30 p.m. The banquet will be served at 6:30 p.m. Tickets for the banquet are \$2.25 and reservations should be made with Sister Vera Hayden, 4015 Wawona, Phone 745-8454, by Monday, May 17.

The first inspection of the new Worthy Grand Matron and Worthy Grand Patron will be of Shiloh, Trinity, and New Haven Chapters on May 8.

A reception given by Muncie Chapter and honoring Sister Sallie Turner, Worthy Grand Matron is Saturday, May 15 at Muncie.

PROUDLY WE HAIL SOL D. BAYLESS

When he is hidden from the sun,
And grasses grow where he is laid,
Men mark the good a man has done,
And glorify the name he made.

—Henry Herbert Knibbs

Two Indiana Lodges hear the name of one of Freemasonry's giants of a century ago. He was a distinguished lawyer, editor and public official of Fort Wayne. His name: Solomon D. Bayless.

When the Brethren about Waynesville, in the southeastern corner of Bartholomew County, prepared a petition for permission to establish a Lodge in the spring of 1857, they chose the name Wayne. But inasmuch as there was another Lodge by that name, the Grand Lodge changed the name to Bayless in honor of the Brother who earlier that day had been elected Grand Master. A charter was issued the following year. The Lodge later was moved to nearby Jonesville.

Ten years later when a new Lodge was organized at Fort Wayne, the Brethren quite naturally desired to perpetuate the name of one of their most distinguished fellow townsmen.

Solomon D. Bayless, commonly known as "Sol," was a native of Butler County, Ohio, born December 5, 1814. Son of a Master Mason, he petitioned for the degrees at the age of 27 while a resident of Troy, Ohio. He was raised in Franklin Lodge No. 14 in June, 1841, and served as Master in 1845.

In the early years of Brother Bayless' adult life he lived in Hamilton and Cincinnati, Ohio, in Logan County, and finally at Troy, where he operated a drug store and served as mayor.

In 1849 he removed to Fort Wayne. Here he practiced law, managed an insurance and real estate agency, served as postmaster and as editor of the Fort Wayne Times. When the Merchants National Bank was chartered in 1865 he became a member of its first Board of Directors. In 1869 he became the first president of the Fort Wayne Rink Association, later known as the Academy of Music, situated on the north side of Berry Street between Clinton and Barr Streets. His last public office was that of United States pension agent, a position he held eight years.

Upon his removal to Fort Wayne he affiliated with Wayne Lodge No. 25 and served as Master several years. In 1855 he helped organize Fort Wayne's second Lodge, which was named Summit City. After the third was chartered, he affiliated with the Lodge which had thus signally honored him. Elected Grand Master of Masons in May, 1857 he served two years. In 1858 he founded the first Indiana Freemason, a dignified journal which he published about three years. Later he became associated with the staff of another periodical known as the Mystic Star.

Brother Bayless was described by a contemporary as tall and slender, bright six feet four inches, slightly bald, and distinguished by a mustache and goatee. His two-story brick residence was at the southwest corner of Wayne and Clinton Streets in Fort Wayne.

The death of Solomon D. Bayless on May 30, 1875, followed an illness of two years. The funeral one week later was perhaps the largest and

most colorful exhibition of Masonic pageantry in the history of Fort Wayne. Special trains brought delegations from Ohio, Michigan, Illinois and New York, as well as from all parts of northeastern Indiana. Full Commandery units from Warsaw, Logansport, Muncie, Kendallville and Richmond were present. The Masonic Advocate of July, 1875, describing in detail the procession of horsedrawn carriages and marching Brethren, estimated that no less than 1,300 Master Masons and 700 uniformed Knights Templar escorted the remains to their last resting place in Lindenwood Cemetery, where a throng of 20,000 persons witnessed the final rites conducted by Grand Master Daniel McDonald.

AMERICA'S KEY TO SUCCESS: FREEDOM OF CHOICE

HERBERT HOOVER
Thirty-first President of the
United States

Our American form of civilization has been deluged with rising criticism from both home and abroad. Altogether, the critics say, we seem to be in a very, very bad way, and engaged in our decline and fall.

Criticism is no doubt good for the soul, but we must beware that it does not upset our confidence in ourselves. So perhaps the time has come for Americans to take stock and to think something good about themselves.

We could point to our constantly improving physical health and lengthening span of life.

On the moral and spiritual side, we could suggest that we alone, of all nations, fought for free men in two World Wars and asked no indemnities, no acquisition of territory, no domination over other peoples.

We have an alarming amount of crime and youth delinquency. The fault, however, has been largely in the failure of our law enforcement after the police have made the arrest.

Hope lies in the continuing expansion of such organizations as the Boys' Clubs of America that take underprivileged boys off the streets during the formative years and help them to build sound minds and sound bodies and, most important of all, sound characters.

We could point out that our American system has achieved the greatest productivity, the highest standard of living of any nation on earth. True, we have large natural resources—but other nations also have such resources. What, then, has brought us such abundance?

I have enjoyed a varied life and wide opportunities to discover the key. I have seen America in contrast with many nations and races. My profession took me into many foreign lands under many kinds of government.

I have worked with their great spiritual leaders and their great statesmen. I have seen freedom die and slavery arise. I have worked in governments of free men, of tyrannies, of Socialists, and of Communists.

I have searched in these travels—and sought to learn from books and from the leaders of other nations—what it is that has given America this super-abundance. What is the key to it?

The key, I am convinced, is that among us there is greater freedom for the individual man and woman than in any other great nation. In the Constitution and in the Bill of Rights are enumerated the specific freedoms.

In short, we have freedom of choice. And the product of our freedom is the stimulation of our energies, initiative, ingenuity and creative faculties.

Freedom is the open window through which pours the sunlight of the human spirit and of human dignity. With the preservation of these moral and spiritual qualities and with God's grace, will come further greatness for our country.

Brethren, last month was very dark for many of us in more ways than one. I needn't elaborate on the terrible Palm Sunday tragedy, as we are all fully aware of the devastation nature has dealt to countless thousands of bewildered people. I cannot help from wondering how these stunned and homeless people would ever bear up under the hardships from such a tragic ordeal. Brethren, it behooves us one and all to assist in what ever manner we can to restore them once again to a normal life. The scars and memories suffered from nature's devastation we can never erase from their minds, but their loss of the necessities of life we can help restore. Brethren, let's all pitch in and render whatever aid we can to bring hope and renewed strength to those who have suffered under this senseless act of nature.

I'm afraid I'll have to disagree with Brother Dr. Joseph Fort Newton's philosophy as published on page 162 of the Indiana Monitor. It is my belief that a man is a Mason when he steadfastly adheres to the obligations of the fraternity. I think a better title for this particular paragraph in the Monitor would read 'When is Man closer to God'. Read it brethren, and see if you don't agree.

Brethren, I'm sorry to report Brother Martin E. Regedanz (87) passed away at the Masonic Home last March. Brother Regedanz was our last lodge member to be represented at the home. I'm also sorry to report that Brother Ralph E. Woodring (63) passed away in April. Wayne Lodge extends its deepest sympathy to the family and friends of our worthy departed brethren. I want to thank all the brethren who were present at their Memorial Services, thank you brethren for your attendance.

Brother Harry Starkey has invited us all out to his home this month for a fellow craft doings. I will make an announcement at our stated meeting on May 6 as to time and date of meeting. We have one petitioner to vote on, so it's possible we'll have work this month. If so, let's all turn out to welcome our new candidate. I'm glad to hear brother Wayne Coker is back to work again. Brother Coker underwent surgery at the Lutheran Hospital last month. I want to thank the brethren who showed up at our Veteran's Hospital visitation last April 12th. We were all kind of handicapped at that particular time because of the city power failure and also being somewhat stunned by the tragic series of events which plagued the area at that time. This undoubtedly affected our turnout at the hospital.

This is the month our Secretary and myself represent the Lodge at the Grand Lodge in Indianapolis. There are many matters brought up during these sessions which effect the doings of our Lodges. These will be discussed at the following Stated Meeting and are usually covered in the subsequent issues of The Indiana Freeman.

This month we will pay respects to our Mothers and also honor to the deceased. To those who are fortunate enough to be with their mothers on Mothers Day, may their hearts be filled with happiness. To those who must humble themselves in loneliness and sorrow for their deceased, may God comfort you. Don't forget Memorial Day coming up soon and you'll be wanting to fly Old Glory in memory of those who sacrificed their lives, that we all might live in peace. I believe the most beautiful sight in my life was when I was driving into Ligonier, Ind. one clear sky-blue summer afternoon, when all of a sudden off in the distance, atop a mast on the grain elevator, looms Old Glory with all her radiance waving in a steady breeze. Hope you all have a safe and happy month. Don't forget to come down to Lodge.

Fraternal Greetings from your officers. I sometimes wonder, as I write these articles, if anyone takes time to read them. At the same time, I wonder if other than members of the lodge might also read these. Then a question arises, if no one reads them, why write them, or if other than the members read these articles, what might be added to them or deleted from them that might make for more interesting reading.

If the members of our fraternity would take a more active interest in the affairs of the Lodge, this could be a report of lodge functions and a way of enlightening members of all the activities. Unfortunately this is not so. In my first article, I stated that the officers could keep the lodge operating, but if we are to accomplish anything, it takes active participation on the part of the members. We, the officers, can manage to confer degree work on a newly elected candidate, but to make it impressive for him, it takes the presence of more than just a few on the sidelines. I had hoped to have a year of interesting as well as entertaining meetings, but such is not the case. In order to plan a program, it requires, in most cases, a layout of finances, finances that we do not have unless a charge is made to the members attending. If you would attend a stated meeting you would soon realize that what you pay as dues doesn't begin to cover expenses. You would find that the reserve funds built up over a period of years are now being rapidly depleted. It has become necessary to curtail social functions in order to keep the deficit at a minimum. I have had members tell me they pay \$15.00 a year in dues, why can't we have activities such as family night or degree night dinners without charging for them. The answer is to be found by doing a little simple arithmetic. Out of the \$15.00 dues the lodge has only approximately \$2.15

to operate on. Out of this, we are expected to feed a lodge brother if he comes to lodge, 8 or 10 dinners a year, have family night, Past Masters night, Ladies night and an assortment of other functions. All this without charging, and this is in addition to regular lodge expenses. Well, it can't be done. To fellow-members of Home Lodge we will have degree work, we will have refreshments following the meetings, but we will pass the hat to off-set the costs. As for social functions this year, they must be eliminated. Another interesting fact: Do you realize if we hold a meeting every Tuesday night, with the exception of July and August, cost would be \$135.00 each night? Actually, with the number of Tuesdays we do meet, the cost is approximately \$185.00 to \$200.00 each meeting. Who is deriving the benefit of this? Only a small percentage of lodge membership. We are paying for the use of the Temple facilities. Fellows, you may as well come down and enjoy them. If this article smacks of disillusionment, then accept it as such. However, I am more disappointed than disillusioned. I find it hard to understand individuals belonging to various organizations and not taking an interest in that organization's activities, more especially Masonry, for here the only benefits are those of fellowship and the rich lessons we are taught.

We have lost three more members through death since the last writing bringing the total for the year to 12. Bro. John J. Butler passed away February 23, 1965 in Winter Gardens, Florida at the age of 88. Bro. Butler was raised a M.M. May 24, 1921. He was a member in good standing for 44 years.

Bro. Artemas Higgs passed away March 22, 1965 at the age of 84. Bro. Higgs was raised a M.M. February 25, 1913 and received his Award of Gold Feb. 25, 1963. He was a member in good standing 52 years.

Bro. Frank S. Rouzer passed away April 13, 1965 at the age of 88. Bro. Rouzer was raised a M.M. Nov. 24, 1908 and received the Award of Gold Nov. 25, 1958. He was a member in good standing 56 years.

Our sincere and heartfelt sympathies are extended to their bereaved families.

With the arrival of May, it is time to think of some special things. For Worshipful Masters, Wardens, and Secretaries it is time for that annual event of great importance to all of us. It is time for the convocation known as the Annual Assembly of the Grand Lodge. Your Worshipful Master, the Senior and Junior Wardens, and your Secretary all plan to attend this year.

This annual meeting of the Grand Lodge is extremely important because it is at this meeting that the important business of the Grand Lodge is conducted. This meeting is equivalent to the stated meeting in the subordinate lodge. Some of you may not realize that your Worshipful Master, who may be, is a member of the Grand Lodge during the full term of his office as Master. He alone has the right to vote on the business brought up before the Grand Lodge. Since the lodges are thus in effect sending representative to this meeting, the motions passed, or changes made at the Grand Lodge are truly the will of the majority of Masons in Indiana. We are a democratic fraternity, it is thus well to remember that an individual member may request change of his lodge to ask for change or an innovation which he thinks is desirable, and which he should be brought to the attention of the Grand Lodge. The individual Master must decide whether or not his brother's proposal has sufficient merit to warrant introduction before the Grand Lodge. I bring this to your attention chiefly to make the point that we are in an organization, which every lodge has an equal opportunity to vote on the business of the Grand Lodge.

Summit City's faithful and capable Secretary, Past Master Dwight Myers has been specially honored in being selected to serve as an Assistant Grand Secretary at this year's Assembly of the Grand Lodge. Since there are only five secretaries so honored, it is quite apparent that Brother Dwight has been specially honored. I may add a personal word, I do that the Grand Lodge could have made a better choice anywhere in the state. Brother Dwight's counsel, advice, and efficiency can be applied

ciated to the full only when you sit in the Master's chair. On behalf of your officers and your lodge, thank you for your service to all of us, Brother Dwight.

It gives me great personal pleasure to announce to all of you faithful Summit City brethren that your lodge has surpassed the goal set by the Grand Lodge for voluntary contributions to the Masonic Home at Franklin.

We have five candidates tentatively scheduled for the month of May. Our tentative schedule is:

May 7, Stated Meeting.
May 14, E.A. 4:30 p.m.
May 21, F.C. 7:15 p.m.
May 28, M.M. 2:30 p.m.

As we have mentioned in the past, check the announcements made at the preceding meetings for exact times, or check the Masonics News columns in your daily newspapers. Incidentally, these appear on Monday instead of in Saturday's and Sunday's papers, as they formerly did.

We were fortunate in having Past Master Bob Lee with us during March. In addition to doing some very fine ritualistic work, Brother Bob gave us talks at the conclusion of the work on the F.C. and M.M. degrees which were very well received by the candidates and the brethren. They explained his interpretation of the symbolism of the two degrees. I only wish it were possible for him to do this every month, but he is a busy man and cannot do it regularly. We hope we will have at least a few more opportunities to hear from him during the remainder of the year.

As a final note, remember to bring a brother to lodge with you. I am sure all of you regulars know of a friend who has not been to lodge for some time. Take that extra minute to invite him to accompany you.

My Brethren all, Time really flies. Here it is practically time for the Square and Compass article again. I have just this evening returned from our April 12 Stated Meeting. You Brethren who were not there, I think missed out on an experience you would have enjoyed and which you would have told about for years to come. That was in taking part in a complete Lodge meeting conducted by using flashlights and one gasoline lantern. As you will recall, this day, April 12, is the day of the complete failure of electric power in Fort Wayne, except to those places and persons served by the City Light and Power Company. Nevertheless, upon checking with Masonic authorities we found no legal way to cancel or postpone a Stated Meeting conveniently,

so through the fine co-operation of most of the officers and some of the faithful members we decided for everyone to come on and bring a flashlight or two, and we had a fine meeting. You who weren't there should have been!

On March 18 South Gate had its regular Veterans Hospital Visitation. The Lodge was dark that night giving all the officers and members an opportunity to attend and we did have a fine turn out of 18 members. But with over 400 members we should have had more. Believe me you will really gain a strong sense of satisfaction from these visits. Our next visit is May 3, and the Lodge will again be dark. So don't wait to be asked — Volunteer! Put into practice some of the Masonic tenets which you once assumed. If you put nothing into Masonry, you get nothing out of it. Call us up and tell us you will be there May 3 at 7:30 p.m.

Your Past Masters Banquet will be May 17 at 6:30 p.m. at the Temple. We will have a fine speaker and music and a good dinner. This night is also referred to as Charter Night. It is your night, so let's have a good attendance.

June 27 will be our Observance of the Feast of St. John at Forest Park Methodist Church. This is when all Masons attend the church services in a body. We would like for South Gate to have a large representation in reverence to this great patron of Masonry.

We are going to have a lot of work on May 24, May 31, and June 7 with 3 candidates, so we will need all the help we can get. You are needed, so come up and help us — and by doing this, you will also help yourself.

Your gain from Masonry is directly proportional to your out put towards it. If you do not believe me, just ask some of the men in the community who have devoted so much of their lives to Masonry.

Brethren it looks as though we will have work for the month of May. I would like to announce that we will have a ham, corn bread and bean supper on May the 24th at 6:30 p.m. We will have this supper, whether we have candidates or not, so spread the word around and we will have a fine evening of fellowship.

On March the 22nd we had a fine banquet and a very fine turn out. One of the things I would like to thank all of the brethren for is a very fine turn out in lodge. We had one of the nicest Master Mason night's any Master could ask for. I would like at this time to thank all of the brethren for their help in the month of March. We started out with two candidates but one of the

brothers was transferred out of town. We hope to raise him at his earliest convenience.

During the month of April the Grand Master of the Universe called from our midst Brothers Clinton R. McMaken, and Brother Walter H. Ansell. To the families of these departed brothers we wish to extend our deepest sympathies.

Don't forget our Ladies night on May the 15th at 6:30 p.m. at the temple. This is the night we honor our ladies, and we hope to have a fine turn out. We will have a nice banquet, entertainment and a good speaker. Tickets will be a \$1.25 per person. Tickets will be available from any of the officers, and also from Past Master Brother Charley Fuchshuber at the temple.

So far this year we have had a good turn out at most of our meetings, it could be better but we are grateful for those of you who could attend. Again brothers let me remind you, that we only get out of our lodge what we put in.

The Fellowcraft and Master Mason degrees were conferred on Brother Hunter by courtesy to his lodge, St. Peters lodge #106 of Edwardsburg, Michigan. Although he is out of town a lot we hope to see him in lodge whenever he can attend.

As this issue of the Square and Compass goes to press we are planning to present the play at Geneva, Indiana on April 21st. This will be the first time that the play has been presented before the Geneva lodge.

Brothers Albert Henning and Oren Ford would welcome visits by any of the brethren.

We most heartily welcome into the lodge Martin Donahue and Jack Urquhart who became affiliated with us by transfer, Brother Donahue from New Haven Lodge #740 and Brother Urquhart from Mizpah Lodge #302 of Omaha, Nebraska. It's a pleasure to have you with us.

Our scheduled meetings for May are as follows: May 4, M.M. degree, 5:30 p.m. May 11th, Stated Meeting, 7:30 p.m. May 18th, E.A. degree, 7:00 p.m. May 25th, F.C. degree, 7:00 p.m. On May 4th lodge will open at 5:30, dinner will be at 6:30 to be followed by the second section of the M.M. Degree. There will be refreshments in the kitchen after the E.A. degree on May 18th.

Also on May 18th the Senior Warden, Secretary, and myself will journey to Indianapolis to attend the annual meeting of the Grand Lodge. The proceedings of the Grand Lodge will be reported to you at the June

Stated Meeting on June 8th. The Junior Warden will certainly appreciate your assistance in the conferring of the Entered Apprentice degree on the evening of May 18th. Please give him your support.

On Sunday evening, April 4th, we conducted a Masonic funeral service for brother Cleitis M. Huffman, a member of Farmland Lodge #308. The family of Mr. Huffman expressed their gratitude to your officers for this service and we, in turn, convey our sincere appreciation to brothers Delbert Dennis and Laverne Amstutz for their part in the service and to the brethren for their attendance.

Greetings Brethren: With this month your lodge is passing one of its milestones: ten years as a Masonic Lodge! Brethren, why not decide that this is the year that you are going to know some of the brethren in your lodge. How many of you would know your officers if you saw them on the street? I know that some of the officers would not know you either. It sure would be wonderful if at the end of this year we could take our lodge register and see that all of our members have enjoyed the fellowship with their brothers through out the year.

The month of May promises to be a busy month for your lodge. On the 18 and 19 your Worshipful Master, Senior Warden, Junior Warden, and Secretary will be attending Grand Lodge. We will have work through out the month with a supper on Master Mason night.

So far this year our lodge has been a healthy lodge and we hope that we remain so. In case any of you brethren know of any one who is sick please contact any of your officers.

In closing I will leave you with some words of wisdom, "Two things indicate weakness — To be silent

May is a month of flowers and things beautiful, so let us look at life in a brighter light. Our golf outing is set for Saturday, June 5th at Decatur Country Club. The Co-Chairman of the golf committee are Brothers Hershel Bolyard and Edgar E. Harman. They have informed me that we can look forward to a very delightful program, beginning with the regular round of golf in the morning, to a Smorgasbord Dinner, in the evening, with plenty of time for fellowship all along the way. The charge will be \$2.50 for golfing all day, and

\$2.50 for the fine Smorgasbord dinner to be served at about 6:30 p.m. If you are not a golfer, come for dinner you can get tickets from the golf chairmen, or any officer of the Lodge.

The next big day on our Calendar will be May 18th, that's the day, Maumee Lodge will open Grand Lodge in Indianapolis for our Grand Master Clyde Flowers. All of the officers have indicated a desire to go to Indianapolis for that great occasion, and I am very pleased. Officers take notice, make sure you have confirmed reservations for Hotel, or Motel for that date.

Brethren again this month I remind you of our Masonic Home contributions. You will be contacted by post card in the near future, and Brethren I urge you again not to let our Grand Master down.

Dear Daughters, I know that at this time, you are in full bloom. It indicates your readiness to take part in our busy spring schedule.

First, thanks to all of the mothers and daughter pioneers who gathered at the Roop's candle-lit house to make that favors for our inspection which was held in Huntington April 17.

On May 5th, we will have very special guests. (And a lot of extra girls, I bet!) The Fort Wayne Chapter of DeMolay will present their Flower talk. This is truly a beautiful ceremony, and I hope all of you can be in attendance. Since this will be our only chance to honor our Mothers before Mother's Day, too, do bring them with you on this special night.

One of the most important events of our Bethel will be on May 11. This is election. We have stressed the qualifications for girls running for elective offices. Each one planning to run for an office should review the qualifications and responsibilities an officer in our Bethel is expected to abide by. Each one of you girls as a member, have the right to choose the main officers of our Bethel. It is extremely important that you vote with the honor reflecting "one of the fairest in the land," such an important event, my promise will be with each one of you.

Finally a fun day, "Slave Day" will be Saturday, May 22. Wear your clothes, bring a sack lunch, and prepare to be auctioned off for an hour of toil. We will work (for a price!) the proceeds to be put into the Bethel treasury. Those who work to be done, can find it that way, through a Jobbie. We'll be at Temple at nine — will you?

Beauty of Spring
Fragrant sprays of blossoms white,
Against the Heaven's blue
Burst upon my jaded sight,
And thrill my soul anew.
The Creator, with a lavish hand,
Spring beauty doth excite,
And near, and far, o'er all the land,
Lay vistas of delight.

L. Anderson
At our April 13th meeting, the
beautiful wooden cross, made by
Worthy Matron Nama Bair's Frater-
nal Pop, Brother Gale Davison, was
in the East, surrounded by roses and
"beds" of lilies of the valley. A
"Golden Rule" plaque was placed in
the West, and heavy vases filled with
red roses and silver net, were placed
back of each Star Point's chair.

Tuesday was Officer's Reception
night. The officers, beautifully dressed
in white formals and wearing a red
rose, formed a Reception line in
Chapter Room Lounge and were
greeted by the sideliners.

The choir sang "You Will Never
Walk Alone" when our new Worthy
Matron Nama Bair was escorted to the
altar. Sister Nama heartily wel-
comed everyone to Chapter and read
an Easter poem.

Sister Sonoma Woodruff was pres-
ent for our first meeting and the
choir sang "You Are My Shining
Star", as she was escorted to the
East.

We were fortunate in having the
use of the Masonic Temple's organ,
and Sister Doris Leiter played
"Psalms" during Purgings of Chapter,
and "How Great Thou Art" during

Cross" for draping of the Charter.

An impressive Obligation Ceremony
was presented by W.P. Howard Le-
Claire and the Star Points.

ent when Sister Nama presided at her
first Chapter meeting. She congrat-
ulated the Worthy Matron and the
Officers on their fine performance.

Everyone was invited to attend the
Reception being given Bro. Clayton
Herrick at the Masonic Temple, and
also at Grand Chapter in Indianapolis,
when he will be installed as Grand
Patron. It is an honor to Ft. Wayne
Chapter and Fort Wayne, Indiana to
have Bro. Clayton receive this high
honor.

Crystal Moorman, Pres. of the
Program Committee and her co-
workers were on hand to give out
the 1965-66 Programs. We are sure
after the April meetings, all Com-

"Let the Light Shine in our Smile and in Our Hand of Friendship." This is the theme which your Worthy Matron has chosen for her year and it is worthy of each and everyone to follow throughout our lives.

As a new corps of officers take over, new ideas and new faces show up in each and every committee. Many of the old faithfuls remain and are the backbone of the chapter, helping the new committee chairman and co-chairman to make their enormous task a little easier. These members deserve a great deal of thanks for their wonderful cooperation in making Trinity a prosperous and growing chapter. They also take the new members under their wings and help them enjoy the precepts of the Order of the Eastern Star.

To continue this train of thought, here is a list of the various committees, their chairman and co-chairman for the ensuing year.

A word or two more must be said about the installation of the officers for this year. The Commandery Room was decorated beautifully with Sister Ruth's colors and flowers. She was escorted to the East by her son Steve, through an archedway formed with the sword and veil held by her points. Sister Helen Hutchison presented her with a large bouquet of white carnations tied with a blue satin ribbon. Brother Murray was escorted to the East by his daughters Kathleen and Sharon through an aisle formed by brothers of his Summit City Blue Lodge. He was met by his wife and little granddaughter. Sister Sonoma Woodruff and Sister Verna Bloom, as the installing officer and marshal, contributed much in making the installation one of beauty and simplicity.

The first chapter meeting was held in the chapter room April 8th. The officers made a striking picture, in their aqua blue dresses, and the pastel colors of the chapter room seemed to blend in as the frame of the picture. The officers work was put on very well, aided by the beautiful organ music, Sister Shirley and Bro-

ther Larry received a new American flag, from Congressman E. Ross Adair, which had been flown over our Capitol Building for a day, and presented it to the chapter. The gold standard, topped with an eagle, was a gift from Sister Shirley and Brother Larry Wiley. The reception of officers was held following the meeting on the mezzanine. The tables were decorated in silver, blue and white. While we are talking about color and beauty, Shiloh would like to thank whoever made it possible for the lovely new furniture and decorations in the lobby on fourth floor. The Worthy Matron announced that all social committees would meet at her house during the month of May.

Our chapter was hostess to the 14th District Meeting on April 24th. Dinner was served at 6:30 in the dining room. A large number were present to enjoy the variety of delicious food.

Inspection was held May 8th at 8:00 o'clock in the Commandery Room. Shiloh Chapter put on the opening work: Trinity Chapter had the initiation portion and New Haven the closing part of the meeting. Baby Dedication was held at 7:15 followed by the Gold Award Presentation at 7:30. Those who received the gold award were: Ethel Bell, Alta Lindemuth, Kittie Stone, and Bethel Stickler, member of Fort Wayne Chapter.

To those who are sick we wish a speedy recovery and to the bereaved, we extend our sincere sympathy.

Until next month, I'll close with these words:

"Do the best you can with what you possess. Though it isn't much, yet it could be less.

He invites defeat who gives up sighing. But the battle is won if you keep on trying."

As your publicity chairman is writing this, word has just been received of the death of H.L. Sally Breitenbecher. H.L. Sally gave birth to a baby boy Sunday, March 28 but the baby was born dead. H.L. Sally is the daughter of H.L. Hazel Dehler and the sister of H.L. Joan Hand. We extend our deepest sympathy to the bereaved family in this, their darkest hour. May our heavenly Father give them added strength.

If you will not fight for the right when you can easily win without bloodshed; if you will not fight when your victory will be sure and not too costly; you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival.

There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves. See you in chapter.

Companions, spring is a time for new growth, and I don't know of any organization that needs fertilization more than York Rite Masonry. The definition for fertilize, is to make a thing start to grow. You see what I mean, York Rite Masonry is an old and sturdy plant, which we have allowed to cease to grow, and become dormant.

The best fertilizer formula for this is a lot of interest, more attendance, and a little more effort.

We have already applied some of this fertilizer in the past month, with our March 6th program, so let's give it a booster shot, by bringing in a lot of Petitions, and keep up the good work.

As this article is being written I have just been informed of the death of Past High Priest Elvin R. Coolidge. Our heartfelt sympathy goes out to the family of companion Coolidge.

Companions: The attendance at our meetings this year have been most gratifying to me, and just proves the companions do enjoy getting together at least once a month. The Past High Priests of Thomas R. have come to my rescue and have made the meetings more enjoyable which has attracted more companions. Past High Priests Dick Jones, Chas. Cook and Fritz Ruoff have each prepared delicious dinners which in themselves have attracted more and more in attendance.

The order of DeMolay gave us a very enjoyable evening and Past High Priest John C. Collins' slides were most enjoyable. What I am trying to say is that the companions have enjoyed themselves and are coming back each month. What I am leading up to is that I have heard and there probably are others who I haven't heard about, who say "I haven't been there for so long I couldn't get in." Now my good companions our May 21st meeting is just made to order for you. I guarantee any member of Thomas R. will not be embarrassed in any way. See one of the officers before the meeting and we will see to it that you get in. The reason why I say this meeting is just made for the companion who hasn't been to lodge for a long time, is that we are having our Grand Lecturer, Lloyd W. Young, as our guest. He is not going to inspect our chapter this trip. He will talk to us very informally about our chapter and explain some of the things we do and why we do them. He will answer our questions and in general make us better informed. For the companion who hasn't attended lodge in a long time he will get more out of this meeting than wicking all four

degrees. This is a wonderful opportunity and I for one feel honored that we have been able to get companion Young for this meeting. If you could see his appointment book you would understand what I mean. Not only is companion Young an outstanding ritualist he is a very well informed York Rite Mason. He is giving us of his time. I sincerely hope the companions of our chapter will show their appreciation by attending. Past High Priest Harold O. Martin is going to prepare a dinner that will long be remembered and it will be served at 6:30. Harold told me what the menu would be but asked that it be kept a surprise, and that it will.

Companions who haven't been with us for some time I urge you to mark this date of May 21 on your calendar as something you must do. I'm very sure you will not be disappointed. At companion Young's suggestion we are sending letters, and in some cases where possible making a personal visit to surrounding chapters to invite them to attend both the dinner and the meeting.

At our March meeting Arthur Shull accepted the appointment of Master of the 2nd Veil. During the meeting Edward Warsaw was installed Master of the 3rd Veil and Arthur Shull as Master of the 2nd Veil. May I say I am very happy to have these two companions in my line of officers. Arthur Shull is fairly new in the chapter but he has been very active in ritualistic work in his Blue Lodge and will be a very valuable addition to our line. We still have the Master of the 1st veil open, if any companion knows of good material for this position let me know.

I hope you have already started to contact your Blue Lodge brothers about getting in their petitions in time to be voted on before our trip to Bloomington in Sept. This Mark Master degree may never be put on in this way again so let's take full advantage of it this year.

See you May 21st!

Greetings Sir Knights: Your Commandery has been busy during April conferring the Orders, getting ready for Easter Sunrise Service, and practicing for the Grand Commandery Drill Team Competition.

On April 6 The Red Cross was conferred and on April 8 The Order of Malta. The Order of The Temple is scheduled for Thursday, April 22.

The Sunrise Service held in the Scottish Rite Auditorium was well attended with the Senior Citizens from The Allen County Home as our guests. The Rev. Virgil Bjork delivered the Easter message and breakfast was served afterwards under the direction of S.K. Harry Haller.

The drill team is shaping up for the competition to be held in South Bend on May 15. Still room for good drill men, so let's turn out and report to Harry Haller, our Commandant.

A bit of news of interest to all Commandery members is the announcement that the social rooms on the 5th floor will be redecorated and outfitted with new carpeting and furniture. It surely will be pleasant to have a nicely equipped meeting place. One which we will be proud to show to our prospective membership.

The House Committee has been assisted in this project by the generosity of the Drill Corp and the Band. These two bodies have pledged the income from their stock in order to pay part of the expenses of renovation of the fifth floor.

Do not forget our Stated Meeting on May 20. Chicken noodle dinner in the kitchen at 6:15.

A parting thought for this time: Just recently while the drill team members were acting as a Guard of Honor at the Masonic funeral of a departed Sir Knight, the grandson made a comment that it was so sad his grandfather had to die. The widow replied, "That is the way Life is, man is born to die." How often we have heard it: "Man cannot be too often reminded, that he is born to die." But we can also add that he may rise again.

Well spring is here again, and you know what that means — work. By the time you read this we will have another stated meeting, preceded by one of those delicious din-

ners. This means work for our chefs and ladies. Also there will be Grand Chapter on April 23rd and 24th in Bloomington, Indiana, followed by our all-dance day on May 1st.

At present, it appears that we will have a nice class, to receive these symbolic degrees.

Since the weather is warming up, we hope that those who have been kept at home by the cold and illness, are now able to, and do attend our meetings. Just make up your mind to be there, we will be glad to see you, and believe you will enjoy it too.

our dining room. The turn out was beyond my fondest expectation. The dining room was filled to capacity. Brother Wm. B. Smith, who was to be our guest speaker for the evening fell and broke his knee and was unable to be with us.

Brother James Irving from Harlan No. 296 F. & A. M. graciously entertained us with colored pictures of hunting trips that he had recently taken. These were thoroughly enjoyed and appreciated by all in attendance. To you Brother Smith I pray for a speedy recovery and to you Brother Irving please accept my humble thanks for a job well done.

The many compliments that I received should be directed to my fine staff and the Leo O.E.S. Chapter No. 278 who prepared and served the most delicious ham dinner. The tables were also beautifully decorated.

Our staff photographer Brother Arthur J. Popp took pictures of this gala affair and will be available for viewing in the near future.

The O.E.S. made another contribution toward the building fund in the amount of one hundred eighteen dollars. Those of you in attendance can appreciate the crowded conditions that we have and can only be relieved with a new temple.

Saturday, April 17th was T.P.D. (Tree Planting Day). Many shade trees were planted to beautify our new building site. This was another enjoyable event and was enjoyed by the Brothers and friends who participated. I hope those tired, aching muscles are OK by this reading. Thank you Brother Arthur J. Popp for donating the trees. This is a gift the next generation will enjoy and appreciate.

Our Sesquicentennial Committee is moving forward and will be meeting in the very near future. If you are contacted to help, I hope you accept, or better still why not volunteer your services. You will benefit greatly by working with this important committee.

We have a Fifty-year award to be made on May 9th. Keep this date in mind.

I was talking with Brother J. Stanley Koch a few days ago and he is still ailing. Brothers I know he would appreciate bearing from you. Let's do it now. If we would grow taller we must go deeper.

Brethren: Due to the recent storm I'm writing this by candle light, and it takes me back to the days long ago. I'm wondering how many of the brethren in our Lodge wrote their communications by candle light.

As old as our lodge is it is safe to say that a good many of them did, but I'd venture to say that this is the first time it has occurred in recent years.

As I sit here I think of the brethren that gathered in our ball years ago. If they ever were to come back today, would they be happy with what they see? Yes, we have preserved the place. Our furniture is serviceable but well worn.

What do we have? The top story of a 75 to 100 year old building. One mark of distinction we have for certain. We are one of only six Lodges in the State of Indiana without any sanitary facilities. Brethren don't you think it is time that we did something about it?

The Brethren at the last stated meeting decided it was time to do something about our situation. A motion was made, seconded, and carried that our Trustees find out if any land was available in our jurisdiction to purchase, for a new Temple.

This my Brothers is going to take time, it can not be accomplished in a year or two, maybe five, ten or 20 but Brethren let us look into the future.

We are of the opinion that any building program should be on a purely voluntary basis and now is a good time to start. This will be resumed in our next issue.

On May 14th we will confer the Fellowcraft Degree. The Master Mason Degree to be announced later.

As your Master I am looking forward to Grand Lodge in Indianapolis May 18th and 19th. A full report on this will be given to the Brethren at the stated June meeting.

This month I would like to pay tribute to "The 36 in '56". I direct this to our inactive and out of state members and those of other lodges in the area who have not been in our lodge. Our proud start was in 1956 when 36 members met in New Haven Lodge. From this meager start, a lot of things have happened. Today our membership is a healthy 132. This year we are number four in the state on our per capita contributions to the Masonic Home. We have been on the Grand Masters honor roll for the last four years. This is an honor for your master as well as your lodge.

September, 1959, was the start of our active, enthusiastic, and generous Eastern Star Chapter #593. They have steadily increased their membership from 50 to 144 and meet the first and third Thursdays of the month in our Temple. Their generosity has been proven by their financial assistance in our Temple projects, furniture, and many services rendered. It would be difficult to say how much progress could have been made without our Star Chapter. But I'm sure it would have been much less.

In the year 1962, both the Masons and Eastern Star members of New Haven started pushing hard for much needed youth organizations. They realized their dream and wish by many hours of hard work when in 1963 both Job's Daughters and DeMolay were started. Job's Daughters Bethel No. 123, today has near 60 members and meets the first and third Tuesdays, and is backed by a Job's Daughters Council meeting the Fourth Monday. The Job's Daughters are very proficient, well outfitted and have also contributed to our building project.

The DeMolay have 52 bouncing boys, active is too quiet a term. They meet the second and fourth Tuesday and are backed by the DeMolay Council of eight to nine Master Masons and sponsored by our lodge.

We have much to be thankful for at New Haven Lodge #740. Our thanks start with the "36 in '56."

We will have no degree work in May, but do not forget our May 5th stated meeting with our 6:30 p.m. dinner prior to the meeting. Also ladies night on June 30th. See you in lodge.

Well Brethren, I see that time of the month is here again where I have the pleasure of bringing you up to date on our Lodge news.

Our Grand Master, Clyde Flowers, paid us a visit at our April 1st meeting, after having to postpone his visit in March due to bad weather. He gave a fine talk on our Sesquicentennial Year coming up, and brought us up to date on the happenings so far and expects to come in the future. In all, we had a very fine turn out and pleasant visit with Bro. Flowers.

On March 25th, I attended the installation of the Stars. Mrs. Barbara Fritz was installed as Worthy Matron and Bro. Charles Hedges as Worthy Patron. Bro. Chubb is also our Senior Steward this year. To them I extend my congratulations and wish them a most successful year.

On April 1st Bro. Perry Burl Simon passed on to his eternal reward. We held memorial services for Bro. Perry on April 4th by request.

RECEPTION FOR CLAYTON L. HERRICK Held at Masonic Temple

On Saturday afternoon and evening May 22 a reception, program and dinner for Brother Clayton Herrick, Grand Patron, Indiana Grand Chapter OES was held at the Masonic Temple.

An informal reception was held on the mezzanine. Here guests were served peanuts, popcorn, stick candy, drinks, etc., from gay colorful dishes by past patrons attired in red and straw hats.

A more formal reception was held in the lounge on the second floor where Clayton and his wife, Helen, entertained their many friends and relatives in a garden setting, in keeping with the theme of the addendum at Chapter. The gift table was decorated as a carousel, also to help carry out the theme of Grand Chapter. Past matrons assisted Clayton and Helen by serving as assistant hostesses, seeing that all who came were entertained.

The program in the Commandery room was opened with a welcome from Irene Lytle, Worthy Matron of Fort Wayne Chapter. Brother Clayton was escorted to the East by his wife, Helen, through an aisle formed by the "Go-Swifts", the 1960 Grand Chapter. He was greeted by the choir of Fort Wayne Chapter under the direction of Joyce Bidlack with the song, "No Man Is An Island." The Rev. Mr. Traverse Candler gave invocation.

An enjoyable program was presented by the Mizpah Shrine Chapter. Brother Clayton introduced Sister Leanne Turner, Worthy Grand Matron, Grand Family, the Past Grands, many other distinguished guests. The Rev. Mr. Clayton Goodin gave benediction.

Dinner was served in the dining room at tables decorated with miniatures. May poles. Around the room were hung banners of commemorative stamps with pictures of Brother Clayton and emblems of the fraternal organizations to which he is affiliated. These banners were used in escort at Grand Chapter and were prepared by the 65ers, the past matrons and patrons of District 14.

CHARITY

(Desomine Newsletter)

Charity is another name for disinterested love — the humane, sympathetic feeling — that which seeks the good of others; that which pours out from the treasures of its munificence gifts of good things upon all. It is that feeling which leads on the reformer, which inspires the philanthropist, which blesses and curses not. It is the good Samaritan of the heart. It is that which thinketh no evil and is kind, which hopeth all things. It visits the sick, cares for the orphan. It delights to do offices of good to those cast down, to relieve the suffering of the oppressed and distressed.

Nothing gives a sweeter charm to youth than an active charity, a disposition to be kind to all. He who carries over with him the spirit of boundless charity to man often does good when he knows not of it. How glorious the thought of the universal triumph of charity.

Under the direful influence of an antagonistic principle — war, man has trampled and waded through rivers of human blood to satisfy his thirst for vengeance. Its footsteps have been marked with the flood of slaughtered millions. Its power has shivered kingdoms. When man shall be brought into subjection to the law of charity, the angel of peace will take up its abode with the children of men. Wars will cease; envy and revenge will hide their diminished heads; falsehood will be unknown; and then this world will be a glorious place.

Charity never faileth, rejoiceth in the truth, and these abideth faith, hope and charity, these three, but the greatest of these is charity.

MASONS AT VALLEY FORGE

Valley Forge, Pa., the cruel winter of 1777-78 falls on a weary army—Congress sits in session at nearby York. The Liberty Bell is hidden in an Allentown church—less than 2,500 men are fit only for duty and only 22 miles away Howe has 20,000 well-fed, well-clothed British troops in Philadelphia—the snow falls and falls—Washington's freezing, starving army has crossed the Schuylkill at night on a bridge of wagons lashed together—what a rag-tag army! No food, no medicine, no baggage no bopos—while the patriots suffer and die of hunger and cold there are gay balls in rich Philadelphia and Torybells roll flirtatious eyes at Handsome British officers—Four Masonic Brothers begin acting out a drama that was to influence the world for all time—Washington set the ideal of sacrifice for his men—Baron von Steuben took disciplined men and trained them so bard and well there in the swirling snowstorms that they would be able to stand and face the Hessians at last—Uniquitous Thomas Paine who marched, fought, inspired, wrote and talked Freedom again held the remainder of a dwindling army together—by words—and here General Mad Anthony Wayne celebrated the end of the terrible winter with a memorable Masonic Banquet to his Brethren—Spring had come at last to Valley Forge and the warm sun was a heavenly blessing to the men who survived the white hell of winter—in an orchard all the Generals and their ladies able to come to the affair shared the headtable with Washington. Four Brother Masons by example, deed, word and undaunted courage lived through the Revolutions greatest crisis—the hardest Steel is tempered in the hottest flames—and through this travail emerged a new fighting force with discipline and the will to win that eventually meant victory.

BROTHERLINESS

J. Carl Humphrey, P.G.M., Indiana This world of ours suddenly has become extremely small. Far flung lands have become our next door neighbor. The time required to go from one village to another, just a few short years ago, now permits us to go half way 'round the world. Those of foreign lands are at our doorstep. We have long vouchsafed Brotherhood to all mankind.

Now our professed Brotherhood of Man presents a great and very real challenge if it is to become reality. We must not only proclaim, we must display the sincerity of our belief in the Brotherhood of Man and the Fatherhood of God. Yes, those phrases have painted in our minds and hearts a beautiful, peaceful and desirable atmosphere in which mankind might dwell forever in pure happiness.

Now we need to remind ourselves that there must be Brotherly Love if there is to be this Brotherhood of which we speak so easily. Brotherhood and Brotherly Love can be expressed only through Brotherliness. Therein lies our challenge — if we have been sincere. Brotherliness implies not only kind words but also kind deeds. Now there must be action to support our words. Kind words and kind deeds can come only from a heart and mind filled with love, understanding and compassion.

A MASONIC DUTY

(York Rite News)
Appointment to a Masonic duty means that some definite work necessary to its weal is entrusted to the appointee's care. When that goes by default, Masonry is deprived of something it needs. That may be called standing in the way of progress. The brother who cannot or does not wish to perform the duty should take the proper steps to be relieved, so that another may render the service competently. There should be no difficulty in finding a number of brethren willing to assume the duty.

LOCAL YOUNG MEN TO RECEIVE CHEVALIER DEGREE

The Fort Wayne Chapter, Order of DeMolay will confer the Chevalier Degree upon four of its members and one from the New Haven Chapter on Wednesday, June 16th at 7:00 p.m. on the 5th floor, Masonic Temple. Relatives and friends are invited to the ceremonies.

Those receiving this honor are: James Coe, David Miller, Timothy Leeth, William Bordner from Fort Wayne Chapter and Drew Costello, from New Haven Chapter.

The DeMolay's receiving this recognition were unanimously elected to this high honor at the International Supreme Council Order of DeMolay in annual session at Louisville, Kentucky held recently.

The Degree of Chevalier is the highest recognition a DeMolay may be given for outstanding service of activity and labor. The Degree cannot be applied for and the nomination is made without the knowledge of the DeMolay who is honored.

The word "chevalier" comes from the French language which means "knight." The age of knights and knighthood is often spoken of as the age of chivalry. As a chevalier or knight, he is expected to give special service, and to follow a code of behavior as an example of gallantry and loyalty.

Congratulations to these worthy young men.

SOUTH GATE TO OBSERVE ST. JOHNS DAY

South Gate Lodge No. 731 will observe St. John the Baptist Day June 27th at the Forest Park Methodist Church.

Members will meet at 9:30 a.m. in the Lounge and attend in a body the 9:45 A.M. service.

WHAT IS AN AMERICAN?

(The Masonic Chronicler)
He whips the enemy nations and then gives them the shirt off his back. He yells for speed laws that will stop fast driving, and then won't buy a car if it doesn't go 100 miles per hour. He gripes about the high prices of things he has to buy but gripes still more about the low prices of things he has to sell. He knows the lineup of every baseball team in the American and National Leagues and does not know half the words in "The Star-Spangled Banner."

An American will get mad at his wife for not running their home with the efficiency of a hotel and then he will get mad at a hotel for not operating like a home. He will fall out with his wife over her cooking and then go on a fishing trip and swallow half-fried potatoes, burnt fish, and gritty creek water coffee made in a rusty bucket and think it is good.

An American will work on a farm so he can move into town where he can make money so he can move back to the farm. He will spend half a day looking for vitamin pills to make him live longer—then drive 90 miles an hour on slick pavement to make up for the lost time.

But we're still pretty nice folks. Calling a person "a real American" is the best compliment we can pay him. Most of the world is itching for what we have—but they won't have it until they start scratching for it the way we did.

Brethren, for the 3rd consecutive year Master Masons of Indiana will simultaneously observe the Feast of St. John the Baptist which will be held on Sunday, June 27th. I am happy to report that our Lodge has received a formal invitation from Pastor Richard Wilkin of the Anthony Wayne First Church of God (Getz Road and S. Bend Drive) to meet in a body at 9 a.m. on Sunday, June 27th. Incidentally Bro. Glen Goshorn is very active in this church. Please mark your calendars as a reminder of this important spiritual observance of one of Masonry's revered Patron Saints.

I want to thank all of the brethren who attended our Past Masters and Ladies Night banquet on April 22nd. Hope you all had a good time. I'm sorry I didn't take time to honor our Past Masters as I should have, especially Bro. Charles Alexander (90) who will become a 62 year member on July 25th. Brother Past Masters of Wayne Lodge No. 25 F. & A.M. (living and deceased) I pray that you all be rewarded from now throughout eternity for your dedication and devotion to Masonry.

I'm afraid there are too many members today who are not obtaining the full benefits from Masonry. Many of us seem to be gold plying our lives with so many luxuries and non-essential pastimes that we are losing out on the most important thing Masonry has to offer, and that is our Masonic fellowship. We stand to gain most from Masonry the fellowship we ourselves put into it. The attendance at some of our Lodge functions as well as some of the other lodges which I have attended lately, reflects this laxity of fellowship.

I'm sorry to report that Brother Morris E. Hauck (83) passed away on May 14th. Bro. Hauck was a 22 year member of our lodge. Wayne Lodge extends its deepest sympathy to the family and friends of our worthy departed brother.

I'm glad to report that Bro. P.M., Harold Garrison is able to be back in the line now. Bro. Garrison was a patient in the hospital during the May Stated meeting. Thanks Bro. P.M. Barney Smith for acting as Secretary during his absence.

I want to thank all the brethren who were present at our F.C. Club doings at Harry Starke's on May 14th. Thanks Bro. Paul Brockmeyer for the excellent fishing film. We're planning our next F.C. Club meeting at Cles Platt's residence sometime this month. It'll be brought up during the E.A. degree on June 10th. We had 3 petitions to check out last month, so that means we probably will be busy this month and don't forget we'll be eating in the kitchen on the M.M. degree, June 24th.

Brethren did you see in the I.F.M. where we're on the Roll of Honor again for our voluntary contributions to the Indiana Masonic Home.

I always wondered why I had taken such an interest in ancient Greek history during my high school days. Greece as you know was known as the cradle of civilization. I suppose it was because they were visionary people who seemed to be far advanced in culture during that period of civilization. Even though they were devastated and ravaged by wars many times they always seemed to rise to become a greater and prouder country. Each time their conquerors took with them much knowledge, architectural beauty and cultural, which we are blessed with today. Masonry today owes much of its teachings to the great Grecian philosopher Pythagoras, especially in his theories of Geometry.

Consult and deliberate before you act, that thou mayest not commit foolish actions. For 'tis the part of a miserable man to speak and act without reflection. But do that which will not afflict thee afterwards, nor oblige thee to repentance.

So here it is—the month of June, the beginning of Summer, and vacation times. I'm sure we all love these warm, sunny months when the "livin' is easy." There is no snow to contend with, no heating bills, and I could go on and on. I hope all of you enjoy the coming months immensely.

Let us not forget, though, that we still have one more month of regular activity. We should have degree work on two candidates for the E.A. and for two or more on the other two degrees, if things go as anticipated. As this is written, our schedule for the month should be:

June 4 Stated meeting 7:30 p.m.
June 11 E.A. 7:00 p.m.
June 18 F.C. 7:15 p.m.
June 25 M.M. 4:30 p.m.

Be sure to check with someone who attends, the June 18th meeting for the exact time of the opening for the M.M. meeting, or try to find the schedule in the papers, as the above time can only be approximate at the time this has to be written.

While on the subject of June's activities and the impending vacation season, let me remind all of you that even though the lodge is dark during July and August, we must never think of taking a vacation from Masonry itself. Masonry should be a part of life, not a date on the calendar.

As this is written, your Master and Wardens are planning to attend Grand Lodge, and should have enjoyed seeing Right Worshipful Brother Don Burton installed as Grand Master of Masons in Indiana. We expect to give a report to the Lodge on June 4th of the events at Grand Lodge this year.

I would like to express Summit City's congratulations to Past Grand

Master Clyde Flowers for a very fine job during the year he has presided over the Grand Lodge as its head. Masons all over this great state of Indiana owe him a large debt of gratitude for an inspiring year. We hope that he will find time to be a frequent visitor to Summit City during the coming years.

Although he did not hold the exalted position held by the Grand Master, it is timely to commend our own Past Master-lately the Grand Marshall of the Grand Lodge—Brother Robert H. Miller for a dedicated effort and a very capable job on behalf of the craft. Brother Bob traveled more than 3,500 miles to participate in Grand Lodge activities during the year of his tenure.

Summit City was proud to receive Brother Miller at its May 14th meeting attired in his Grand Lodge regalia, extending him a hearty welcome as a member of the Grand Lodge. After introductions, he was seated in the East at the left of the Worshipful Master. He received many congratulations, and then favored the Lodge with a brief but very sincere message. It was an evening we shall all remember for a long time.

I hope that by the time this appears in print we will have raised four brothers to the Sublime Degree. We welcome these new brothers and hope they will find many new friends in this lodge.

Since our Ladies Night '65 Banquet is history, I would like to thank all of you who have taken the time to express your approval of the event. We had a fine speaker, a fine singing group, and a wonderful meal. I hope any of you who missed it will begin making plans to attend next year's Ladies Night Banquet.

Our last Veteran's Administration Hospital visitation of the season is scheduled for Monday evening, June 7th at 7:30 p.m. I wish there were some way I could get the message across that we need your help in these visitations, brothers. Won't you help us bring a little cheer into the lives of our veterans by joining with us on that evening for just a little over one hour of your time. The men we visit with don't ask much, just the pleasure of your company. Plan now—mark your calendars—bring a friend—but join us in the lobby of the V.A. Hospital at Randall and Lake Avenues on June 7th. Remember, we're not on vacation. We need your help at Lodge every Friday this month. See you then?

Worshipful Master: A year ago, May 2, 1965, the Lodge bestowed upon me one of the highest honors when I was raised to the sublime degree of a Master Mason. On this

first anniversary, I wish to express my appreciation to you, W.M., and to the officers and brothers of South Gate Lodge No. 731, that you found me worthy. Masonry is worth the nobility, high repute, honor and distinction.

In taking the obligations of Masonry I also accepted, or obligated myself, to give something back to Masonry in return — by attending its meetings and assisting in the work wherever I might be helpful. I'm proud to be a Mason — and consider Masonry a tremendous force for good. Masonry is all that is good for it is concerned with profound and solemn truths. Since all that is good comes from God, the Supreme Architect of the Universe, we must acknowledge that the Lodge is a Sacred Place. The work of each degree should be given with this thought in mind.

The foregoing is an excerpt from an address made before the Lodge at our stated meeting of May 14th. This address was presented by Chaplain, Brother Eugene Pierce who was so well received that it was unanimously proclaimed by the Brethren present to be written in the minutes of this meeting. You will recall that Brother Pierce was given his degree at Bartimeus Lodge U.D. in Indianapolis last year at a rate of one degree per month on a period of three months. How many of us would travel this far and range our schedule over this to become a period of time to become a Master.

Here is a man who had a difficult time getting to be made a Master, a man who tried for years and was turned down because of a social handicap and who finally, in his own words, "Just turned it over to God." Two weeks later he was informed of the formation of Bartimeus Lodge.

to receive just such men as he. Do you then wonder at his unshakable faith? But the point is, he had the faith before to "Turn it over to God."

Some time ago I had a conversation with an elderly lady, and she said something to me which struck me as a bolt from the blue with its startling truth and has stayed with me ever since. Her words were, "Too many people turn their troubles over to God, but then refuse to turn loose of them."

Brother Pierce has a truer concept of Masonry — what it gives to him and what he is supposed to give to it — than many Brethren who have held membership for much longer than his one year.

Perhaps it was made too easy for some of us to become Masons. Perhaps we should make it a little harder in the future for a man to become a Mason; then perhaps he will be more appreciative of the honor and be more active in the Lodge than the majority of our present members now are.

I am very pleased to announce the appointment of Brother Jesse William Bunch as Senior Steward in the line of offices. I am sure that Brother Bunch will be a distinct credit as an officer in your Lodge.

Praternally yours and see you in Lodge.

On May 4th Wallace Hanlon was raised to the sublime degree by Worshipful Master Berton L. Pontoni of Maumee Lodge. My good friend and neighbor, Paul Hayden, acted as Senior Deacon. Brethren, your participation in our labors is much appreciated and we hope you will again visit Three Rivers Lodge.

At the time this issue of the Square and Compass is being mailed to you the Annual Meeting of the Grand Lodge will be history. A report on this meeting will be given by our Senior Warden at the stated meeting on June 8th. He will have news for you concerning the reports made at the Grand Lodge and this will include the Sesquicentennial Celebration.

Our tentative schedule for June will be as follows: June 8th, stated meeting; June 15th, EA degree; June 22nd FC degree. We regret that our May schedule did not work out as planned and we would suggest that if you plan to attend the meetings on June 15th and June 22nd that you call one of the officers to check on whether or not the meeting will be held as scheduled.

At our stated meeting on May 11th we were indeed fortunate to have three brethren from Olive Branch Lodge No. 248, Poe, Indi-

ana, present a Masonic education program. These brethren were P.M. Gayl Sheets, Senior Warden Boh Mix, and Chaplain Donald Chaffin. Many thanks to you brethren for your fine work. We welcome this sort of program in Three Rivers Lodge and we hope you will come back again. Our thanks, too, to our Masonic education committee for arranging for this presentation.

On Friday evening, May 14th, your Worshipful Master, on behalf of the Lodge, received a certificate from the Veteran's Administration Voluntary Service. The presentation was made at the Veteran's Hospital by Mr. William C. Edmunds, Chief Field Agent, Masonic Service Association of the United States. The certificate reads, in part, "For continued and loyal service in behalf of veterans hospitalized at the Fort Wayne VA hospital." We regret that committee chairman, Ted Arthur, could not be present to receive the certificate. We appreciate his fine work, and we can be proud of this certificate. This is Masonry in action.

During July and August the only meetings held will be our stated meetings. We hope all of you have a pleasant summer, a good vacation, and we shall look forward to seeing you again in September.

Greetings Brethren: The month of June is upon us and we will soon be wondering where 1965 has gone. Your lodge has been very active this year. We have raised 5 to the sublime degree of a Master Mason and have 6 more waiting to receive or finish their 3 degrees of Masonry.

The Indiana Freemason has recently shown pictures of new Masonic Temples which have been dedicated by the Grand Lodge officers of Indiana. It is our sincere hope that our Lodge in the near future may be able to realize such a dream also. Our building committee is actively at work and we hope that we can soon present our members with a program that will be suitable to our needs and our members.

This past month your Master, Senior Warden, Junior Warden and Secretary attended Grand Lodge and it was our honor to have been recognized as one of the many lodges in Indiana who made voluntary contributions to the Indiana Masonic Home in the amount of \$1.00 or more for each of its members. It is not the certificate of honor we received that is so important but the fact that you brothers have found within your hearts the true meaning of Masonic charity.

Brethren on June 27 our Lodge will observe the Feast of St. John the Baptist by attending Divine Worship at the Wayndale Methodist Church. It is my sincere hope that

many of you will join with your brothers in attending as a body on this day commemorating St. John the Baptist.

In closing I would like to leave you with this thought from the pen of Hugh Walpole, "Tisn't Life that matters! It's the courage you bring to it."

Brethren by the time you receive the June issue of the Square and Compass, Grand Lodge will be history, all the arrangements have been made for our trip to Grand Lodge May 18 and 19th.

It is with great pride, that I look back on our accomplishments, for the first part of this year. The efforts of our Officers and Loyal Supporters, have been untiring. I want to thank you all for your fine support. Many of the Officers have a perfect attendance record, and many of our Past Masters, have devoted much of their time and talents to this effort.

June 20th is Father's Day, "Happy Fathers Day" to all fathers. June is also the month when many of us go on vacation, or just enjoy loafing around with our families and friends. Have a good time and come back refreshed.

We are planning a very busy fall season, however before you go about your pleasures let me remind you, that we have work ahead of us before we darken for the summer, also July and August, will find your officers here for stated meetings. Can we count you among those that will be present, to help conduct the necessary affairs of the lodge.

We have lost another brother by death since the last issue of the Square and Compass, Brother John B. Cleveland, to his loved ones we extend our sincere sympathy.

Brethren, check your calendar and make sure you have marked the date of June 5th our golf party, and smorgasbord dinner, I'll see you all there.

Thanks gang! to the calling committee, for the fine job you have done in reactivating some of our old members and informing the new ones. This has been a big help in boosting our attendance. Let's Not Wait

Let's not wait for the summer to come
Before we make ready for flowers.
Let's not say that the sunshine is gone
Because we have a few showers.
Let's not sigh when the pathway is rough,
Why, that's the time to be singing!
Let's not weep for today's mistakes,
Who knows what tomorrow is bringing.

Let's not wait for our heartaches to heal
Before we try to help others;
Let's not wait for our journey's end
To know all men are our brothers.
For if we seek we will always find
The Cloud's bright silver lining,
And the deeper the darkness grows,
you know,
The brighter the stars are shining.

The Card Party and Bazaar of April 29th was a wonderful success. Our sincere thanks to the Committee (Sisters Helen Brecount, Jane Milhorn, Betty Walker, Louise Whitehurst, Betty Peden, Bazaar: Thelma Jones and Mary Shafer) all

Members and Friends who made this possible.

In spite of tornado warnings and threatening skies members from eight assemblies attended our Friends Night. We so enjoyed having them. Lillian Scott gave us a delightful program, "Fun with Music". The Garden of Friendship tables were lovely thanks to Sister Marie Thompson and her Decorating Committee. Sister Alyce Fuchshuber, Daughter of the Household, and the Social Committee made arrangements for a most delectable Salad Bar.

We are looking forward to the Birthday Dinner, May 18th. Sister Mary Planck and her Committee promise us a surprise. This will also be a time to honor our Past Presidents. Hope everyone can be present. June 15th will be our Charter Member night. We hope all Charter Members can be present.

And don't forget the Rummage Sale June 26th. Any rummage you want to get rid of prior to that date can be taken to Sister Helen Brecount's — she will store it until day of sale.

May Sewing will be on Tuesday, May 24th, at home of Sister Milly Houser. June Sewing will be June 28th at the home of Sister Hortense Stevenson. Much has been accomplished at our sewing sessions, besides they are fun. Try and come.

We are happy to report that Sisters Lelah Evans and Marie Hayes are improving. The husband of Sister Della Weesner recently underwent surgery but is improving satisfactorily, the husband of Sister Hortense Stevenson injured his arm, the son-in-law of Sister Helen Brecount suffered a broken arm and the son-in-law of Sister Dorothy Lyman has been ill.

We were saddened to learn of the death of our first chaplain, Sister Alma Bailey. Our sincere sympathy to her family and friends.

May each and everyone of you have a Safe and Happy Summer and see you at the Potluck September 1.

This issue is dedicated to your Mother and my Mom—to your Dad and my Pop—as just a little reminder of those days gone by—and that time is quickly passing on.

Dear Mother and Dad

They have been through all the sorrows

They have seen the dawn of morrows
When the sun shone bright again;
Their own heart has been near breaking,

Oh, more times than I can tell,
And have often known the aching
That a heart knows so well.

They have trodden every byway,
They have fathomed every joy,
They have traveled every highway
In the wide world of girl or boy.

They will put aside their worries
That their day may follow through,
For their great heart hurries
At the call of help from you.

They will help us mend the broken
Heart of ours, or hope or toy,
And the tale may bide unspoken—
For they used to be a girl or boy.

James Foley

Worthy Matron Nama Bair welcomed all the sideliners to Chapter, May 11th, our Mother's Day meeting, and said, "All things come in pairs except Mothers, and we only have one Mother—and it is the greatest honor in the world to be one". Now will be an appropriate time to mention that many nice compliments have been passed on about Bro. Guy Bair, her husband, and father of their son, Guy Jr.

The Madonna Club entertained with some of their members and their children giving readings on "What is a Little Girl", "What is a Boy"; "What is a Mother" and "Only One Mother". Two piano selections, one accordion solo "Battle Hymn", and a violin solo were presented by the children of the Madonna members, and thoroughly enjoyed. And last but not least, four of their members gave their version of the "Beetles", in dress and action! The Madonna Club members also furnished the pie and coffee after Chapter on tables that were beautifully decorated with white "Madonnas" and blue candles.

The Decorating Committee had placed a needlepoint motto "What Is Home Without a Mother" in a beautiful antique frame, in the Chapter Room, and the choir sang a special song to all Mothers.

The Chapter and our Drill Team sent contributions to the Russville Chapter, which was destroyed by the Palm Sunday tornado.

Our Auction has been re-scheduled for October, due to the fact that so many members sent articles to the Palm Sunday tornado victims.

The Ways and Means Committee thanks all (including their husbands) who helped make their rummage sale a success.

Associate Matron Marguerite Smith presented a thorough and interesting report from the 91st Session of the Grand Chapter held at Indianapolis; Chapter 514 was represented by our Secretary, Sister Tama Christopher. Our Sister Gladys Coe presented a gift from District 14 to Sister Sally Turner, and Glen Emily, Markle, presented a gift to Bro. Clayton Herrick.

At our May 6 meeting we had the great pleasure of greeting Clayton L. Herrick in our Chapter for the first time as Worthy Grand Patron. While many of us had attended Grand Chapter for his installation, it was a tremendous thrill to have Brother Clayton introduced at the altar of his own Chapter. Pat Walker and Frank Bidlack sang "If You Believe" before Clayton was escorted to the East through an aisle formed by Past Patrons holding a large banner representing a commemorative stamp with a silhouette of Clayton, a Worthy Grand Patron emblem, and the date, 1965.

Del Proctor, past patron, was introduced in his new appointment as member of the Knights Templar Eye Foundation Committee.

Evelyn and Charles Lewis, Karen

Johnson, Martha and Johnny Grant, and Bob Waldo were our first class of initiates and Marcelle Bush affiliated. We welcome these brothers and sisters into our order and are proud of the ritualistic work done by our officers.

A rocking chair was in the East and Lorraine Tew took her place in it and leafed through and commented on her "mother's old worn Bible." She read a tribute to "Mothers of the World" written by Sevilla Pabst. Joyce Bidlack sang "For My Mother" and our Worthy Matron read a beautiful poem tribute to her own mother, our Sister Fannie.

Our May 20 meeting was a tribute to prayer. A beautiful garden scene was in the East with the picture, "Jesus, Light of the World." In the West was the picture of the hands which our Worthy Matron is using this year. Sister Irece set the mood for our Tribute to Prayer with a reading. The Choir sang "The Beautiful Garden of Prayer" while Carol Munk and Louise Botteron entered the garden in the East. Between the verses Sisters Carol and Louise read prayer poems.

Non Parel presented to Chapter a gift of lovely table skirts to be used on head tables or reception tables and a riser for the podium in the East.

We are happy and proud that our Brother Clayton has been installed as Worthy Grand Patron. We are grateful to the many people who worked long hours to make his escort to the Grand East more meaningful to him and presented such an outstanding addendum at Grand Chapter and who continued in their efforts for the reception, program, and dinner which is written about elsewhere in this paper.

It is impossible to name each person but we feel special mention should be made and thanks be given to Gertrude Marchant who served as general chairman and to Celia Stabler who planned and headed the dinner preparation.

Illness in Chapter: Sisters Mary Louise Ridgley, June Trulock, Charlotte Price, and Verna Werkman.

Illness in families: Mother of Joyce Bidlack and Brother of Eva Sanders.

Deaths in families: Sister of Maude Storms, Sister of Gladys Smith, Father of Tessie Wise, Husband of Bertel Hatfield, Son of Thomas Koster, and Brother of Helen Young and Mildred Habecker.

Our Prayer

Dear Lord! Kind Lord!
Gracious Lord we pray
Be with us through all the year
Each hour of the day.
Fill our meek and lowly hearts
With thy great love;

Help us share with all we meet
Blessing from above.

Mothers Day Program at the May 4th meeting honored the oldest mother present who was Vida Wood and the youngest mother, Joao Deputy. Eugenia Wood represented all the Mothers in a program presented by the Program-Choir group and was presented carnations as representative of the floral points of our Order. She later took the carnations to the Old-ldest member of Trinity Chapter, Nellie Larmore, to her home. Song appropriate to the three were sung by Jackie Madigan at the time of each presentation.

The Inspection on May 8th of Trinity, Shiloh and New Haven was a great success. It was attended by more presiding Matrons over the state than any other at any other first inspection according to the Past Grand Officers, all of the District Deputies from the entire state were present and all of the Grand officers except one were present. Seven Past Grand Matrons and Patrons were present. 388 persons were registered. The collection went to the Russville Chapter that was destroyed by the Tornado in the name of the 3 chapters amounted to over \$70.00. Six babies were dedicated.

On the June 4th stated meeting night there will be the first initiation for the new officers and obligation night.

Vacation time is just about upon us, but before we put our pen and ink away for two months, we want to stress the projects our Ways and Means Committee are working on this year. First of all the committee has beautiful jewelry which they are selling at reasonable prices. Yours truly has seen the collection they have and highly recommend them. Many of our members are already wearing them and I hear compliments about them from everywhere. For those who have not seen the jewelry yet, contact Margaret O'Hara the Ways and Means chairman, anyone on her committee or your Worthy Matron and they will be happy to show you their selection. Also, the Ways and Means Committee have just received an order of folding scissors in a plastic case that can be carried around with you. I am

sure this item will come in very handy and useful to everyone. They are selling these for \$1.10 a piece. Let's give our whole hearted support on these two projects and help our Ways and Means have an outstanding year. As you know this committee carries the burden for many of the chapters expenses, the chapter may have a successful and prosperous year. It is not their complete responsibility alone, they need the help of each and every member.

The Social Committee is another very important committee to the Chapter. It is through them and their untiring efforts that we have those wonderful refreshments after every chapter meeting and the delicious dinners on special occasions.

Bob McClure is confined at the Lutheran Hospital with a broken hip. Boh had an important part in the starting of Trinity Chapter. To him from the entire Chapter we wish a speedy recovery. Our Fraternal 'Pop' was missed at our Birthday Party on May 21st.

Shiloh Chapter was hostess for the 14th District Meeting held April 24th. Approximately two hundred persons were in attendance to enjoy the delicious food served pot-luck style. Several Grand Officers were present: Adah, Electa, Associate Conductress, Associate Patron, organist and the Deputy of 14th district. A lovely musical entertainment was

presented by Sister Margaret Riggles' students. The business meeting followed.

Inspection night was held May 8th with the combined chapters participating: Shiloh, opening; Trinity, initiation; and New Haven, the closing. A most delicious dinner was served at six o'clock in the ball room. The tables were decorated in red roses and white tulips. Dolls, dressed in white formal, trimmed in red and green sequins, added the finishing touches to the beautifully decorated tables. The programs for the evening were very unique. They were in the form of dress patterns; the theme for the evening being "Pattern For Living." Baby Dedication was held at 7 o'clock and the Gold Award Presentation at 7:30. The Worthy Grand Matron and Patron presided at both ceremonies. The Commandery Room was decorated in red, silver, and white. The backdrop in the East, held the motto and emblem of the Worthy Grand Matron, in silver. On the floor in the East, on either side of the podium, were topiary trees of red satin roses and an angel in white with gold halo in the center of these. Vases of red roses graced each points station. Sister Ruth opened the Chapter in regular form, after which she declared the Chapter at ease. Sister Ruth asked the conductress and associate Conductress to escort Sister Sally and Brother Clayton to the East, where she welcomed them and they were given grand honors. Other Grand, Past Grand, Elected Grand Officers and Deputies were also introduced. Shiloh officers then relinquished their stations to Trinity officers for the initiatory degree. New Haven Chapter closed in regular form. A large crowd was present for the evening ceremonies.

The Rummage sale was held on May 12th and 13th. Ways and Means in charge with all the committees. Morea Fisher was general chairman. Chapter was held May 13th. The mothers of the chapter were Honored by Sister Ruth.

der as 2 year trustee. These officers of Trustees, and H.L. Virginia Ginn and H.L. Betty Edington, 3 year trustee were then installed.

This was also the 10th Anniversary of our Court and H.L. Wilma Binns, Past Grand Matron, journeyed all the way from Lafayette to help us celebrate it. Many of our Charter Members were present, and each received a gift from our Royal Matron. Altogether it was quite a big evening, and many left early the next morning for Terre Haute to attend Grand Court.

This was the first time opening of Grand Court had been held in the evening. The room was beautifully decorated for the Faith, Hope, and Love Session. The reports of Grand Chapter will be given at our first meeting in June. The climax of the Session was Saturday night, when the Installation of Officers was held. H.L. Olive Woodard, and S.K. Charles Hume, Grand Royal Matron and Patron have chosen "Peace" for their theme, and "Others First, Myself Last" for their motto. Among the Grand Officers installed from our own Court were H.L. Gerri Boldt, Grand Associate Conductress, S.K. William Maxwell, Grand Sentinel, H.L. Bertha Clear, Deputy Grand Royal Matron, and H.L. Nellie Moore, Grand Representative to New Jersey.

Since Truth Court has only one stated meeting a month, we will continue to meet during the summer months. Interesting programs have been planned, and we urge all members to attend, and we welcome visitors. We will also be entertained during the latter part of July at the lake cottage of H.L. Nellie Moore at Crooked Lake. The date will be announced later.

We have had a great deal of illness in our Court recently both among members and their families. H.L. Nettie Maxwell has been ill, but is out again. The husband of H.L. Pauline Stocks and father of H.L. Betty Edington, is in the hospital, also the mother of H.L. Hallie Tennant. Her two granddaughters are ill. The sister of H.L. Ethel Grossman has also been hospitalized. We wish them all a speedy recovery.

As we go into the summer season when our social activities are a little slower, let's try to attend Court more. We need a great deal of practice on our ritualistic work, and we hope to present something you will like each month. It will be a surprise, so come out and see.

Companions from our chapter enjoyed the interesting sessions, and there was a good program for the ladies. We enjoyed the drive to Bloomington, as the trees were still bare here, they were getting pretty green there, and the wild flowers were in bloom along the road.

After registering and consuming a good lunch Grand Chapter was opened at 1:00 p.m. Various distinguished, both members and visitors, were formally received. Committee reports were received and given proper consideration. At 4:30 p.m. the Order of High Priesthood was conferred on a large class including P.H.P. Bernard L. Smith and myself.

The banquet was served in Alumni Hall — Indiana Memorial Union on I.U. Campus, and the room was full. On Saturday more reports, more talks

by distinguished guests, then the installation of M.E.G.H.P. Roy E. Horton and his grand line officers.

On May 1st we welcomed a very nice group of companions and candidates from various chapters in this area, and the chapter degrees were conferred on twenty candidates. A very hearty welcome to these new members — and a hope that they will attend the meetings. We really appreciated the work given by the visiting companions as well as our own members. M.E.G.H.P. Richard Morgan accompanied the Van Wert group and gave a short speech of approval of the program.

We hope all the sick and afflicted are much improved by this time. Be sure to come to the dinner and meeting on the third Thursday, and bring a Brothers petition.

Companions, this will be the last copy of the Square and Compass you will receive before we darken for the summer, so have a good time and enjoy yourselves, and have a happy vacation.

While you are doing so, be thinking a little about York Rite Masonry, and return to your council in September with some ideas for improving our attendance.

I would like some petitions this fall from the membership.

THOS. R. MARSHALL CHAPTER No. 161 R. A. M.

Stated Convocation Third Friday

Howard D. Carr E.H.P. 3001 Central Dr. 440-1921

Richard B. Jones Secretary 4322 Arlington Ave. 743-9850

To the ladies of Companions of Thomas R. Marshall Chapter:

This article this month is addressed to the ladies because what I have to say I want the ladies to hear. All the arrangements for the ladies night dinner have been made. It will be held Wednesday night, June 23 at the Hobby Ranch House. Please mark this date on your calendar so that nothing else can interfere. As you know the food will be good and Harold Martin promises good entertainment. Ladies this is your night so please see that the good man of the house sends in for your reservations. There will be another announcement in the form of a card or letter giving a few more details but for the time being reserve this date.

At our regular stated meeting on June 18 we will NOT have a dinner before the meeting. The June meet-

ing, as has been our custom for the past several years, will be our annual stag night. We will meet at 7:30 and after a short business meeting we will all go out to the stage place to be announced at a later date.

Companions if we are to take candidates to Bloomington in September to witness the Mark Master Degree in the stone quarry we have to hallot on them at this June meeting. Many companions have expressed a desire to make the trip to Bloomington on a bus. Please give this some serious thought and talk to those Blue Lodge brothers who have been undecided about going on into York Rite. Explain to them that this will not be just a regular degree but will be something very special and may not be done like this again for years. Something like this may interest them.

Right now we are trying to arrange for a big Most Excellent Master Degree to be given in North Eastern Indiana. The plans for this degree aren't final but I feel quite sure if we can talk a good class of candidates to Bloomington we can arrange to give them a good Most Excellent Master Degree.

We have three dates now so don't forget. Stag night June 18, Ladies night dinner June 23, and Quarry at Bloomington Sept. 11.

Stated Conclave Third Thursday

Curtis K. Heston Secy. 4721 S. Anthony 745-2418

Greetings Sir Knights: By the time you receive this your commandery will have left Indiana for the summer. He will be at Montana State College for one month and then at his lake cottage near Helena, Montana. It will be old news that the Fort Wayne No. 4 Drill Corp, under the command of Sir Knight Haller, has competed in the "B" team competition at South Bend and I hope the crystal ball predicts victory for that game group of fellows. They have put in many long hours of drill practice.

The Band under Sir Knight Bierley as President also attended the Grand Commandery Conclave. Congratulations to the only Commandery Band in Indiana.

The Drill Corp has officially approved the plan to assist the House Committee in refurbishing the Social Rooms on the fifth floor of the Temple; thanks fellows for your assistance and vision in helping get the long needed project under way.

The Stated Conclave for June on the 17th will be the last one until September. Officers have been asked to move up one station for this meeting with our Generalissimo, Sir Knight Myron Millhorn in the Eminent Commander's chair. The traditional buffet dinner will be held in the kitchen at 6:15 preceding the meeting.

Until we meet again in the fall, good bye, good luck, and may you all have a pleasant summer.

Don't be just yourself with other people. Try always to be your better self.

On May 6th we presented a 50 year award to Brother Elmer L. Warner who has served us faithfully and well during the long years of his Masonic life.

Masonic Funeral services were held May 7th for Brother Robert G. Hatfield who was called by the Supreme Architect of the Universe. Our dearest sympathies are extended the family. Past Master Harold B. Rediger gave the service for us.

Brother Arthur J. Popp recently had surgery and I am happy to report that he is getting along very nicely. At this writing Brother William Lantz is in Parkview Hospital and we trust and hope for a speedy recovery.

Here are two dates to circle, June 26th and 27th. On June 26th we will have our Annual Chicken Barbecue at Cedarville Park. Dinner will be served from 5:00 to 8:00 p.m. Bring the family. On June 27th we celebrate St. John the Baptist Day by attending church in a body.

With the planting season in progress wouldn't this be a fitting time to remember now thy Creator, while limbs are strong and desire ardent, while life pulses redly and the world is all before us.

Since we are now in the vacation season I hope each and every one has a very happy and pleasant vacation. Drive carefully.

Now in closing please read Proverbs 6:16-20.

The month of May was and always will be an important month on the Indiana Masonic calendar. It is the month that our Grand Lodge conducts its business for the year. This includes election of Grand Lodge officers, reports of committees and any revisions that might improve our work. Attendance at Grand Lodge

is mandatory for all Indiana Worshipful Masters or their chosen proxy. The Master or proxy is a member of The Grand Lodge and functions same as Blue Lodge members in Blue Lodge. Grand Lodge attendance and participation is a large event on each masters calendar. It is not all work nor meetings, but includes a banquet, entertainment and a dance. In all, Grand Lodge is not only very necessary but enjoyable to attend. Last month this column endeavored to inform of all activities in our Temple by each unit using the facilities. Quite unintentionally one active and important group was omitted. Our DeMolay Mothers are the guiding light when it comes to food for our DeMolay boys. They are the ones who provided the robes and equipment for our DeMolay Chapter. They also award sweaters to the out going Master Councilors. This fine, active group headed by the Master Councilor's Mother meets at the same time as the boys, handling their business and providing refreshments for the boys. This group has also made a generous contribution to our Temple building fund.

The long announced Ladies night is near. Wednesday, June 30th, at 6:30 p.m. Our Lodge members and their ladies will meet for an evening of eating and entertainment. Your officers are expecting a large attendance.

Our supper prior to the May stated meeting turned out so well attended, that we are making plans for another supper on a stated meeting night in the near future.

June 27th, we will observe Feast of St. John by attending the New Haven Methodist Church for worship. Your Master urges full support on this celebration. You will be informed in detail later. June 2nd, is our stated meeting. The Master will have his Grand Lodge report ready. See you in lodge.

Brethren: On May 3, our brother Jesse Ake passed out of the love of human hearts to a higher better love, out of the dim lights of the lodge on earth to the brighter, glorious Lodge above. We will ever remember him in scenes to which the world was not a witness and where brotherly love and affection were evinced without disguise. His labors and virtues will linger in our memories and will find full expression beyond the portal of his earthly resting place. Masonic Memorial service was held for our departed brother on May 5th at the Elzey Funeral Home in Ossian, Indiana; he was a Past Master of Olive Branch Lodge. The heartfelt sympathy of all of us is extended to the bereaved family.

The next few weeks will truly be busy ones, with the conferring of the Fellowcraft and Master Mason Degrees and Grand Lodge in Indianapolis.

At this time I am presenting the names of our 10 to 20 year members. This list includes 23 names among whom are 9 Past Masters, the best

record of any ten year span. It is gratifying to know that so many of these men took an active part, but better still to know that a majority of these are still active in our lodge they are as follows: James Aspy, Robert Aspy, William H. Beerman, Truman O. Bell Sr., Donald E. Chaffin P.M., Joseph W. Corn, Brice E. Counterman P.M., Roger Davenport, Cecil Gottschalk P.M., Earl T. Hamrick, P.M., Albert F. Heiser, Vernon Hockemeyer, William F. Jesse P.M., Garland Keister, Phillip Lydy, Robert E. McAfee P.M., William T. North P.M., Carl J. Pettibone, John E. Snarr P.M., Clayton J. Steele, Harold L. Yousse, Lloyd Yousse P.M.

There is no news on the purchase or availability of any land for a new temple at this writing. Once some land is obtained, we will be able to set up our "Voluntary Building Fund" and watch it grow.

It will be a pleasure to go to the meetings and hear the report on the progress of a building fund along with the regular minutes.

Brother Lloyd Brown and I attended Geneva Lodge No. 621 on April 21 and saw a very creditable performance of "A Rose Upon The Altar" put on by Three Rivers Lodge of Fort Wayne. As a result of that meeting we will have a very important announcement for our Brothers at the next stated meeting.

Brethren by the time you read this column, I will have attended Grand Lodge and will report to you on it later. One thing I can tell you about is due to you brethren. I will have the pleasure of receiving the Award of Gold for our Lodge. It is presented to a Lodge that has given \$1.00 or more per member to the Indiana Masonic Home. This is the second straight year we have received it. To you Brethren, my thanks, and let's make this honor a yearly award to our Lodge. It's a great honor for your Master to receive it. Our dues are nearly all in but we still have a few unpaid and I urge you brethren who have forgot please get them in to Bro. John Lare and soon as possible.

We are planning a social evening in the near future in which our Secy. John Lare will show his pictures he took on his trip to Europe last year. You will be notified later of the date.

The Stars are planning some redecorating of our Lodge room such as painting, drapes over the windows, and a lighted letter G for over the Masters chair.

In closing I would like to remind you again of our banquet coming up Saturday, June 26th. Let's have a big turnout as we have had in the

past. Well I guess that's all for now. See you in Lodge.

It was with a slight bit of bummer that we opened our lodge Monday evening, May 10th, to hear our secretary read the notes of the Ag meeting where the lodge was opened and closed hurriedly because of lack of power and heat due to the Palm Sunday tornado. With memory of our centennial having just been celebrated very ably by actual past master still with us, I wondered about the incoherence and hardships our forefathers—actual charter members of Ossian Lodge over 100 years ago endured to bring forth this lodge. I know that when I sat as master of the lodge my fondest wish was that should live up to the traditions forth by these fine men. Belatedly this may be, it should be brought to mind that the centennial master, Ossian Lodge, Earl Smith, did a remarkable job in commemorating the day. Nothing was left undone for the occasion and we were all proud of our brothers. Bravo Bro. Smith and your past officers. We done!

This is a reminder to the brethren that we have been invited to attend the Sunday, June 27th, services at the United Brethren Church in Ossian 10:30 a.m. in conjunction with our celebration of St. John the Baptist and St. John the Evangelist. We will meet at the lodge.

Now is the time for our officers to make their annual pilgrimage Grand Lodge and we will await the report.

NEW MASONIC MOVIES

1965 has seen the release of a number of motion pictures produced by Masonic organizations to tell some part of the story of Freemasonry.

IN THE HEARTS OF MEN is a half hour documentary in black and white, 16mm., narrated by Lowell Thomas, an historic account of the great accomplishments of patriotic Masons who have helped to make the United States what it is today. This film was planned and developed by the Supreme Council, 33rd, A. & A. S. R. for the Southern Jurisdiction, whose Sovereign Grand Commander Luther A. Smith, 33rd, says, "I believe that by viewing this film you will have a deeper appreciation of the blessings of liberty and be inspired to preserve them".

Copies of the film can be purchased from the Supreme Council 33rd, A. & A. S. R., 1733 Sixteenth Street, N.W., Washington, D. C. 20009, for \$50.00 a print, the cost of production. Lodges or clubs interested in borrowing the film for a single showing should contact the Scottish Rite bodies in their own states for such arrangements.

The Supreme Council offices in Washington are not handling individual bookings.

The Grand Encampment of Knights Templar of the U.S.A. has produced a 20 minute film (16mm.) which presents the Grand Master, Wilber M. Brucker, delivering a forceful address, CHRISTIANS, AWAKE! This is a challenge to all Sir Knights to become militantly active in promoting the spirit and projects of Templary. Constituent Commanderies interested in showing this film should get complete information from the Grand Records in their jurisdictions.

The International Supreme Council, Order of DeMolay for Boys has produced a new 16mm. film about its youth activity, called THE PRICELESS YEARS. In vivid color, this half hour movie presents Harold Lloyd, famous motion picture actor, as narrator and introducer of Masonic leaders who show dramatically how Masons can participate in providing guidance and help to young

Brethren: Hope you all had pleasant summer vacations. We'll have two candidates to report on this month, so we'll probably have degree work starting on the 9th of Sept. We sure want to welcome our new members who received their M.M. degree on June 24th. Bros. Gerald H. Parks Martin A. Weissert and Robert S. Aeker. Brethren, I regret to report that Bro. Laurence R. Schoning who received his MM degree on 22 Oct. 1964 was just recently called to duty to serve with the Marine Corps in Vietnam. We'll certainly miss his faithful attendance and have no doubts that he will serve his country well.

Bros. Clyde G. Rosenberger and John R. Miles were recently on the sick list. We certainly wish you both full recovery from your illness. Bro. (P.M.) Charles Alexander is residing at the Methodist Home at Warren. Wayne Lodge received an invitation during our Aug. stated meeting to attend a Low Dell meeting at Linn Grove, Indiana on Aug. 11th. A few of our officers including myself attended this meeting. It sure was an experience to witness, however it got pretty cold that evening and we didn't choose to stick it out. Deatur Lodge No. 571 exemplified the work that night.

At our 1965 Grand Lodge Session, Grand Master Donald A. Burton submitted a proclamation whereas a ten-year crash program is to be implemented in order to overcome the ever increasing burdens on our Masonic Home and Hospital. This program proposes that each member contribute ten cents per week for ten years (\$5.20 per year). Such contributions of course are to be in addition to our regular annual contribution to the Home. Isn't this an insignificant amount we're being asked to give for such a worthy cause? Surely we can sacrifice the price of a cup of coffee or one of our favorite beverages just once a week. Wayne Lodge's 10 year goal, based on its present membership, amounts to \$32,812. Brethren, the needs for improvement and expansion at the Home are of no less importance than those of your local hospitals. To assume this fact you only need to realize how important their expansion programs have become in recent months in order to meet the long range demands of your community.

I sincerely feel that this Crash Program has tremendous merits and we should be thankful to have Grand Lodge officers with the determination and foresight to propose such a worthy program. It has been proposed that a special 10 for 10 contribution card will be included with each annual dues notice. Brethren, this long range program is vital to the welfare and interest of our Home at Franklin — which we as Masons are obligated to support. Our secretary will have more information to report on this program during subse-

quent stated meetings.

Brethren, why not bring a brother down to lodge this month? We've got some members who don't have transportation. I'm sure you'll both benefit from it.

Welcome back from vacations, brethren. I hope all of you had a happy Summer and that you are ready to go back to your Lodge's work with gusto. We will have a very busy and exciting season if all goes according to plans. At this writing there are details to be worked out on a number of Summit City activities for Fall. They will be brought to your attention in due time.

We do have a couple of dates which you should mark on your calendars, however. One is October 3rd, which is the date set for the dedication of the chapel furnishings which your lodge donated to the Masonic Home in Franklin last Fall. We are arranging to join with Mount Moriah Lodge No. 77 of Anderson in a service on that date in which furnishings donated by the two lodges will be dedicated. Tentative plans at this writing call for as many brothers and their families as possible to journey to Franklin, join with the brethren of Mount Moriah Lodge and their families in sharing basket lunches, picnic-style at the noon hour; and attending the dedication service at 2:30 p.m.

This, we feel, would be an excellent opportunity for many of the brethren to visit the Home, inspect its fine facilities, visit with our three guests, enjoy the fellowship, and a nice Sunday outing for the family all in one day. Early October can usually be counted on for excellent weather. Please check at the regular meetings or contact P.M. Donald R. Johnson, our chairman, after September 20th for more details.

It is not too early to begin making plans to attend your Annual Homecoming Banquet to be held on Friday, October 29th in the ballroom of the Temple. We will have a large number of Fifty Year Grand Lodge Awards of Gold to present at that time.

It is also not too early to start planning to join the Grand Master's new Ten-for-Ten program, wherein each Mason who can possibly do so "without inconvenience to himself" is asked to pledge a voluntary donation of ten cents per week for the next ten years for the increased expenses of the Masonic Home. You will receive a pledge card with your dues notice which you will receive in October. You are urged to complete the card, and make your first year's contribution when you pay your dues. Not every member can afford this, we know; so we urge some of you more fortunate brothers to increase the amount of your pledges to bring up our overall pledge to the desired amount. I feel

that this is a worthy program, and we should all give much serious thought to joining it wholeheartedly. After all, a year's contribution would be less than the cost of two cartons of cigarettes. Remember the old saying that "Charity begins at home." Let's make it the Masonic Home!

We will have work during September. Our schedule will be:
September 3, Stated Meeting.
September 10, E.A. Open in the afternoon.

September 17, F.C. Open 7:15 p.m.
September 24, M.M. Open in afternoon.

Please watch the newspapers for exact opening times. We will be eating on the 10th and 24th, it appears at this time.

See you in lodge.

My Brethren All. Greetings again to you and your families after the summer vacation. I sincerely hope that each of you had a fine summer. It doesn't seem possible that it will be time for us to resume our labors again by the time you read this. How swiftly fly the pleasant days of summer! But then I think we are fortunate to have a change in the seasons such as we enjoy in Fort Wayne. Autumn is a nice time and I even enjoy the first two or three snowfalls of Winter, although I will admit that I am always glad to welcome spring.

Important Notice! We will have our Annual Ladies Night banquet on September 11, Saturday. Dinner will be at 6:30 p.m. Donation will be \$1.75 per person. We are indeed fortunate to have as our speaker for the evening the Rev. Phillip C. Philbrook, whom most of you know of as one of the very finest speakers in this part of the country. We also plan to have some musical entertainment and maybe a little bit of "Sing Along". So, bring your Lady and come on down to the Temple Saturday, September 11, for a fine dinner and a pleasant evening.

It appears that we will have quite a bit of degree work starting in September and we can use a lot of help. So, come down and help us put on the work. Fellow Craft team take notice and get ready.

Our Annual Inspection by the Assistant Grand Lecturer of the Grand Lodge will be on October 13th at 7:30 p.m. on the Fellow Craft Degree with Summit City Lodge. They will be the host Lodge and it will be in their room. So, come down and see your officers get checked on their proficiency.

Do not forget to let us know of any Brother who is sick or in need.

Fraternally yours, and see you in Lodge.

Greetings Brethren: Vacations are over for most of us and we are looking forward to a prosperous fall and winter for Masonry. On October 14 we will be visited by the Assistant Grand Lecturer who will be inspecting our Lodge and Three Rivers Lodge.

Masonry has not been on vacation in Waynedale this past summer. Your trustees presented an offer to the Lodge to buy two lots for a future building site. After due process of Masonic law the Lodge voted to accept the offer of the two lots and I am sure we will soon be the proud possessor of land to be used for the construction of a Masonic Edifice.

In not too many months to come you will be receiving your dues notices for 1966. Along with your dues notice will be an additional request for the Masonic Home at Franklin. Our new Grand Master has embarked upon a 10 year program for our Masonic Home which all of us as Masons should earnestly support. You will be receiving more detailed information on this subject from your lodge.

Brethren join with me and your officers in attending lodge. Lets see how often we can fill the lodge. I'll be there. How about you?

Greetings from your officers — Summer is almost gone and Fall is on the way. We start our Fall season off with a dinner to honor a distinguished member of Home Lodge. Most Worshipful Brother Orvis A. Dellinger will receive the Indiana Grand Lodge Award of Gold Commemorating his fifty years of Masonic Affiliation. When a man has attained this masonic recognition, it is quite an accomplishment; but when this person has also been privileged and honored to serve as the Grand Master of Masons in his jurisdiction it becomes even more so. Most Worshipful Brother Don A. Burton, Grand Master of Masons of the State of Indiana will make the presentation. In addition to Brother Burton, there will be other Grand Lodge officers and Past Grand Masters along with

officers of our sister lodges in attendance. All Master Masons and their ladies are most cordially invited to attend. Dinner will be served at 6:30 p.m. Tuesday, September 14th. Tickets are available from the lodge officers and members of the craft team. The price of the dinner is \$1.50.

Veterans Hospital visitation will be on Monday, Sept. 20th. Mark this date and plan on coming. We need your support in this worthy endeavor.

Tri-State Reunion under the direction of P.M. Irv Burellison is shaping up. This is on Saturday and Sunday, October 2 and 3. For further information see article elsewhere in this issue of the Square and Compass.

Masonic Homecoming at Franklin is on Sept. 19th. Keep this date open also and plan on attending.

At the time of this writing, plans are underway for a fellowcraft picnic on Tuesday, August 17th. We have degree work planned for October as well as another fifty year award to be presented. Brother Frederick Hughes of Brockton, Mass. will return for a visit to his home lodge to receive the award on our Master Mason degree night in October. Brother Oliver Behm was presented his Award of Gold in June. Our congratulations to these honored brothers who have already attained their fiftieth anniversary in the Fraternity even though they may not have received this recognition in due form as yet. Since my last article, we have had six more of our members called by the Supreme Architect to the celestial lodge above. Bro. Bert Stillwell passed away May 17th. Masonic services were conducted at the funeral home. Bro. Stillwell was a member for 38 years. Bro. Hugo S. Kleint passed away May 21st. Services were also conducted at the funeral home. Bro. Kleint was a member for 47 years. Bro. Clark E. Kline passed away June 6th. Services were also conducted for Bro. Kline who was a member for 16 years. Bro. Harry E. Zeddis was called June 15th. Services were also conducted for Bro. Zeddis who was a member for 49 years. Bro. Daniel Shepler, a member for 40 years, passed away July 21st. Services were also conducted for Bro. Shepler. Bro. Charles Harvey Robbins died suddenly August 11th at his home at Tri-lakes. Officers and brethren traveled to Columbia City to conduct the services for Bro. Robbins who was a member for 29 years.

In addition to these brothers, we were also called upon to conduct Masonic Memorial Services for two brothers of out of town lodges. Both of these brothers lived in Ft. Wayne but never demitted from their home lodge. Bro. Floyd E. Tew of Medina Lodge No. 173, Medina, Michigan passed away June 22nd. Bro. Tew was the father of two sons who have belonged to Home Lodge. Bro. Edgar G. DeForest of Boiling Springs Lodge No. 152, Rutherford, New Jersey was called July 3rd. Bro. DeForest was active in several Masonic orders in Fort Wayne. Our sympathies are extended to the families and friends of these deceased brothers. Brethren, Home Lodge has sustained the loss of 18 members so far this

year and in most cases we have been called upon to conduct the services. Attendance at these services started off this year in a commendable way. However, lately we have not had very many brothers turn out. Whether it is because we have had so many deaths or for some other reason, I do not know, but may I remind you that this is one of the obligations of Fraternal membership. This is one time that the general public is permitted to witness a Masonic ceremony. How we conduct ourselves in public is very important, but it also helps when we have someone present that others may see how we do conduct ourselves. The Masonic Memorial Service is a very impressive one and is made more impressive by the number of men who take the time to take part in it. I know when my dad passed away, it meant a great deal to me when so many fellows turned out for the service and I am sure it means just as much to the families of our deceased brethren who request this service. Remember that only Master Masons can take part in this ceremony, and as I mentioned in a previous article, when Brother Harold Martin gives this service, it is a privilege to take part in it. So when you are called upon or if you should see the notice in the obituary that we are conducting the service, plan on attending and help to make this ceremony an impressive one for all concerned. My sincere and grateful appreciation to all of you who do want to serve your lodge in this manner. See you in lodge and don't forget to mark the 14th of September as Bro. Dellinger's day and plan on bringing your lady with you.

Brethren, we hope each and every one of you and your families have had a pleasant and refreshing summer. Having been dark in July and August, your officers have also had some rest and Maumee is looking forward to a busy Fall schedule. After due reflection our Worshipful Master Berton Pontoni decided that the job offered him in Cleveland was just too good to turn down. Accordingly, we will be without Brother Pontoni's presence for a good part of the balance of the year; however, we know the rest of the officers will carry on in typical Maumee style. In the absence of our Worshipful Master, our Senior Warden, Phillip E. Gutman will be carrying on and it is sincerely hoped that each and every Brother will exert a little extra in helping Brother Gutman with his responsibilities. In particular, if any

Brethren, we hope each and every one of you and your families have had a pleasant and refreshing summer. Having been dark in July and August, your officers have also had some rest and Maumee is looking forward to a busy Fall schedule.

After due reflection our Worshipful Master Berton Pontoni decided that the job offered him in Cleveland was just too good to turn down. Accordingly, we will be without Brother Pontoni's presence for a good part of the balance of the year; however, we know the rest of the officers will carry on in typical Maumee style.

In the absence of our Worshipful Master, our Senior Warden, Phillip E. Gutman will be carrying on and it is sincerely hoped that each and every Brother will exert a little extra in helping Brother Gutman with his responsibilities. In particular, if any

Brother is aware of sickness or death, please see that Brother Gutman or one of the officers is notified immediately.

We hope you have all marked your calendars for SEPT. 22, 1965, at 6:30 P.M. for our Ladies Night Banquet. This banquet has become quite an annual affair and a program and entertainment has been planned which we feel our ladies will enjoy. Tickets are available from any officer or at the door for \$1.25 per couple. Please bring your best girl so that she too may enjoy our Masonic fellowship.

Beginning in September, we will again be conferring the degree work. As it now stands, we will have at least three candidates and plan to confer the work as follows:

September 1 — Stated Meeting, Lodge opens at 7:30 p.m.

September 8—Entered Apprentice, Lodge opens at 4:00 p.m. Dinner at 6:30 p.m.

September 15—Fellow Craft, Lodge opens at 7:00 p.m.

September 29 — Master Mason, Lodge opens at 4:00 p.m. Dinner at 6:30 p.m.

We are hopeful that you will all be on the sidelines and prepared to give a hand where needed. The Fellowcraft Club will practice on September 15, 1965, and we will confer the Master Mason degree in full form on September 29, 1965.

Our Past Master, H. D. (Jim) Bolyard, has been requested to arrange a visitation schedule with neighboring lodges. Brother Bolyard has accepted this responsibility and if any Brothers have any suggestions, please contact him directly.

During July and August, J. Douglas Archer, William A. Hayes, Dr. Donald D. Johnston, Eugene F. Kabisch, Homer L. Murphy, Harry Sowash and Edwin Siberts were called home to the Great Architect of the Universe. We extend our sympathies to their families and loved ones.

My Motto for my term is "To Serve—Not To Be Served". So accordingly, on July 10 and 24, we had two car washes. You girls responded very well and it couldn't have been so successful without your help. The money, which amounted to \$95.00, will be enough to pay for our foster child during the fall term. Our foster child is a five year old boy from Greece, by the name of Elestathios Provatidis. We will support him with this money and any donations of clothing given to us. We have his picture and case history which is going to be posted to be read by anyone who wants to know more about our child. Job's Daughter's is quite fortunate to have this opportunity to help serve this needy child.

In accordance with my motto we will have projects this fall to enable the girls to serve the Bethel and others. There are two dolls dressed as Honored Queen's, one will be given to the girl with the most points for projects and the other for the girl who brings in the most members for the term. The dolls are darling! I hope you will support all projects and bring in new members.

An important event in every Honored Queen's term is her officers Inspection by the Grand Guardian. This term it will be our first meeting which is September 1, a Wednesday night. The Banquet will be in the World Friendship Room at the Y.M.C.A. at 6:00 p.m. The Inspection will take place at 7:30 p.m. in the Egyptian Room. The daughters from Bethel 123, New Haven and Bethel 8, Fort Wayne, will have a double inspection. Please girls remember we have a new ritual this year and learn your parts. If you like to sing, come and participate in the choir, the more the merrier. Please come and take part to make this Inspection one of the very best ever.

On September 15, at 5:30 p.m. will be our Potluck for everyone. Girls come and bring your parents for the meeting which will be Moms; Dads; Past Queens; Guardians and Associate Guardians Night. Everybody mentioned above will be welcome to see how the Bethel is getting along since the last time that they've been there.

Carole Weesner has been named Regional Chairman of Area No. 8, and Candi Clevenger as the Grand Bethel representative to Nevada. Mrs. Irene White, our Bethel Guardian, is on the credentials committee for Grand Bethel.

Bethel 8 is 5th in membership in the state of Indiana. In the contest this past year, during Mrs. Goss' term as Grand Guardian, Margaret Bleeke won a loving cup for bringing in the most memberships. She won 2nd place and Bethel 8 also won 2nd place.

Let's fill the sidelines on September 1, so you can meet our new Grand Guardian, Mrs. Phyllis Smith and Associate Grand Guardian, Mr. Robert Trees. This may be your only chance to meet our Grand Officers this term. I'll see you there!

WHAT IS IMPORTANT

(Masonic Outlook)
In the work of Masonry there are many fields of endeavor, all a part of our plan "to improve ourselves in the way of life." One brother may outline in appropriate words the duties that are ours as Masons. His words inspire us.

Another brother may not have the same ability to put his ideas in words, but he knows with equal certainty about his duties as a brother and Mason. If he learns of a brother who is sick or in distress, understands, and it is more than an understanding of duty; it is the understanding of the principles of love and brotherhood which quickens the desire into action and sends him to the sick or distressed.

One brother may be a good realist, and another a student of symbolism, and still another a good worker on any committee.

Each brother doing the special duty for which he has the greatest ability results in the success of the lodge and of Masonry.

OUR VISITORS

(The Ohin Mason)
When you come to lodge, bring you an eye for the visitors? They are always there. They do not always feel disposed to make themselves known, to seek out and introduce themselves. Indeed, they are not expected to do that. It is the duty of certain brethren of the lodge to introduce themselves to the visitors.

We want our lodges to be friendly and fraternal. It is a well-known fact that our brethren are at heart friendly and that they have genuine goodwill towards others. But we want everybody else to know it. Regardless of the very best intention, sometimes take it too much for granted that others know that we are friendly and fraternal. Let us make it his business to seek out our visitors who attend our lodge to express to them a cordial invitation to come again. Such courtesies, these, which any lodge genuine to extend make a vast difference in the impression other people will have of our Craft in general and of lodge in particular.

Beloved, if God so loved us, we ought also to love one another.

We heartily welcome everyone back from their vacations, and to our first meeting, September 14th, which will be a Potluck Supper in charge of the Program Committee at the Temple, at 6:30 p.m. Bring a covered dish and your own service. The Square and Compass will serve as a reminder regarding the potluck, and will eliminate the usual postcard reminder.

The entertainment that evening will be by the Barber Shop Chorus, and we are sure you will want to hear them. They are members of the International S. P. E. B. S. Q. S. A. A Quartet out of the Chorus, The Wayne Beaus, will sing also. Their Director is Dwight Nash.

Space does not permit describing the last three meetings in detail, as we would like to.

May 25th, Memorial Program. W.M. Nama Bair welcomed everyone and read a poem entitled "Lord, Keep My Heart". She said "The Tree of Life in the Garden of God sheds a radiant light and is beautiful to see. God recalled the beautiful flowers he had loaned to us for a short while." As Sis. Crystal Moorman read names of the deceased, members of the Program Committee placed a star on the tree, in memory of each. Many compliments were expressed on the Memorial Program. June 8th, Past Matrons and Past Patrons Night. A delicious dinner was served at 6:30. The W.M. opened Chapter by reading a poem entitled "Thanks".

Bro. Clayton Herrick, W.G.P. and Sis. Sonoma Woodruff, P.G.M. were presented at the Altar, escorted East and given Grand Honors. Sis. Ofadys Coe and Bro. Herdis Helmut were the presiding Officers. It was a pleasure for the Past Matrons and Patrons to initiate five new members. Sister Gladys gave a resume of her year in the East.

All Past Matrons and Past Patrons were escorted across the West in a semi-circle, where they introduced themselves. Gifts were presented to them and the Choir sang a song entitled "Dear Hearts, You Mean so Much to me".

June 22nd, W.M. Nama thanked the sideliners for attending Chapter and read a poem "My Life Will Touch Others on the Way." Visitors from nine other Chapters were present.

A beautiful initiation was held, with P.P. Gale Davison the Presiding Officer.

A letter from the Worthy Grand

Matron and Patron told of their special project to furnish new beds in the boys' and girls' cottages at the Masonic Home. It was decided that we contribute to this worthy cause.

The W.M. wished everyone a safe vacation, and invited all to the mezzanine for refreshments.

Reminder: Sis. Tama Christopher would appreciate payment of dues at Chapter or by mail, between now and November 1st. This will eliminate mailing out notices and also save the Chapter the postage money. Thanks!

our Chapter work and responsibilities these first five months. In the months ahead may we share the sunshine of your presence at our Chapter meetings as we labor together "Oiving of Ourselves, Forgiving Others, and Living with Thanksgiving".

Our sincere thanks to all who supported our "Birthdated Calendar." They are being printed and will be ready by October 1.

We are sorry to report that early in July, Sallie Turner, our Worthy Grand Matron, fell and broke her arm.

Irene Lytle, Worthy Matron
Our June 3 meeting was our memorial service and beautiful Silver and Gold wheels were in the East; the silver representing our earthly life and the Gold our heavenly life. Our Worthy Matron gave a beautiful tribute to our departed members and the conductress read the names of the thirteen of our members who have reached the goal of eternal life. The Chaplain gave a lovely prayer and the Choir sang "In the Land of the Unsetting Sun."

At our June 17 meeting we were honored by a visit from our District Deputy, Betty Surfus. The East was decorated with a beautiful arbor of roses and a broken column. As Betty was escorted to the East, the Choir sang "Getting to Know You." We welcome as new members Orna Parkison, Jesse Archer, Homer Mertz, Kayle Watson, and Duane McQueen who received the degrees.

Hearty congratulations were extended to our Worthy Patron and his wife, Lucille, who celebrated their thirtieth wedding anniversary at this meeting. With regret we said farewell to our Choir Chairman, Joyce Bidlack, and Past Patron, Frank Bidlack, who are moving to Canton, Ohio. We wish for them much happiness as they establish their new home.

We were pleased to have Esther Cook, who served Fort Wayne Chapter as Worthy Matron in 1940, share the East on September 2 when we honored our Charter and 25 year members. Esther's officers who were able to attend assumed the stations they held in 1940 while the Charter and 25 year members were escorted to the West. Charter members are Anna Becker, Carrie Henchen, Marie Ehle, Esther Walbron, and Emma Welch. 25 year members are Helen Helms, Pearl Watson, Oertrude Chalfant, Doris Redding, Christine Tew, Wanda Gething, Mildred Wilber, Ann Scott, and Marcella Bush. After they were introduced, the Choir gave them a vocal tribute. They were escorted East where they were greeted by Esther and presented a remembrance by Irene.

On the mezzanine twelve tables were arranged representing each sign of the zodiac. Flowers appropriate to each month decorated the tables. Members were seated at the tables according to their sign and were presented copies of their horoscopes. In celebration of our Chapter's 46th birthday, birthday cake was served. A card party and style show will be on Thursday, September 30, at

Loyalty is associated with the color blue. Loyalty is also one of the attributes to Adah.

True loyalty is composed not only of periods of staunch adherence to persons or causes in times of adversity, but it is also composed of the small acts of sympathetic devotions which express one's allegiance through the minutiae of daily living.

With summer vacation behind, we are back on the job of reporting the busy activities of the chapter for the Fall and Winter months ahead.

Companions: I don't usually talk about things that have happened but I'm going to make an exception this time. I want to tell you what a good time we had at our Ladies Night in June. Our crowd was large enough for an enjoyable evening, but it would have been better if you had been there. The food was excellent, the entertainment was very good. To those who worked on the committees and especially to Harold Martin, I wish to say a big Thank You for a job well done.

DE MOLAY

Fort Wayne Chapter Order of DeMolay
Stated Meetings 2nd and 4th Wed., 7:30 p.m.

Stanton Sachs _____ M.C.
315 Rexford Dr. _____ 744-0435
Emery Tucker _____ Advisor
1222 Home Ave. _____ 446-9323

Well, the summer is over and it's time for DeMolay to get on the move again. As your new Master Councilor, this is my first article and I hope that through the "Square and Compass" more DeMolays will become reinterested in the activities of the Fort Wayne Chapter. Last term ended with a series of important and exciting events. On May 26 the new councilors for the fall term were elected. These included myself, Stanton Sachs, Master

Councilor; William Bordner, Senior Councilor; and Chuck Nelson, Junior Councilor.

The elections were followed by the Representative DeMolay Award ceremony. This award was presented to Stephen Duncan and Stanton Sachs. This year the Fort Wayne Chapter is going to stress the RD Award for All members. Since the RD Award is the highest self-achievement award a DeMolay may earn, it proves both that he is an all-around DeMolay and that he is interested in DeMolay. Preliminary forms can be acquired at chapter meetings from Dr. Frey.

Following the RD ceremony, the merit award ceremony, which indicates a member's service in DeMolay Activities, was presented.

On June 16 the newly elected Councilors and the appointed officers were duly installed for the fall term. These included the three councilors plus Marvin Schlatter, Treasurer; Tim Leeth, Scribe; Michael Westfall, Senior Deacon; Benny Barnes, Junior Deacon; Kevin Walker, Senior Steward; Denny VanHouten, Junior Steward; Royal Stevens, Chaplain; Steve Mann, Sentinel; Randy Siemer, Standard Bearer; Larry Young, Almoner; Michael Wetzel, Marshall; Steve Duncan, Orator; and Preceptors Jim Lobert, Robert Turner, Dan Dickey, David Whitehurst, Russell Troyer, Michael Phelps and Joe Reed.

Also, at this meeting the Degree of Chevalier, which signifies outstanding and marked DeMolay activity and labor, was conferred upon William Bordner, James Coe, Drew Costello, Byron Tim Leeth, and David Miller.

The Spring term was finalized by the 1965 Indiana State Conclave held at Ball State University, Muncie, Indiana, from June 17 to 21. The Fort Wayne Chapter DeMolays, although few in number, won various competitive awards. Securing first place in the essay contest was Paul Boergert. Tim Leeth won second place in the Junior Councilor competition. First place in the Marshall competition was Bill Bordner. Bud Hiron took first as Senior Inquisitor. In golf competition Bill Bordner got both the longest drive and third in the blind bogie.

All in all, those who attended agreed that it was the best conclave ever held. Those who did not attend the conclave missed out on quite a bit of fun but there's always next year. So, if you would like to see the prettiest Sweethearts in the state, you'd better plan on attending next year's conclave. Additional information about the 1965 conclave can be found in Indiana DeMolay Digest.

As Master Councilor of the Fort Wayne Chapter, this fall term I am going to stress, along with the Representative DeMolay program, the membership drive and more activities which DeMolay can do outside the chapter meeting. Since the foundation of a chapter is its increasing membership, we need more members. In order to obtain new members, we must have a membership drive which must start immediately. So I would like to urge all members to support the Fort Wayne Chapter by going out and getting new members. For the next term DeMolay will mean something additional. The D will mean Did you get a new member this month? The E—Every member a quota helper this month. The M—

Membership is the life blood of our organization. The O—Our chapter can lead all the rest. The L—Let's make this the best term yet. The A—All members are on the membership committee. And the Y—You can help build the Fort Wayne Chapter.

I would like to close my first article with a special note to all members. Many DeMolays of about two years ago will remember a Past Master Councilor Mike Kelly. While serving his country and showing himself to be the portrait of a good DeMolay, Mike was seriously wounded in Santa Domingo. Mike has been in a bed for quite a while. I'm sure that he would be happy to hear from his fellow chapter members; so, if you would like to write to him, the address may be obtained from me.

Mothers Circle will meet Sept. 20th for pot-luck supper at 6:30 p.m. at the home of the president, Mrs. Russell Coe, 5534 Northridge Rd. There will be a white elephant silent sale as entertainment for the evening.

Brethren: I hope that each and everyone of you has enjoyed this beautiful summer and are looking forward to the peaceful days of fall.

We again celebrated St. John the Baptist Day by attending the Leo Methodist Church. The attendance was very good and we received a real blessing. Many thanks to the Pastor and congregation for inviting us.

Two of our brothers have been called to the Celestial Lodge above and our deepest sympathies are extended to their bereaved families. Bro. Ernest E. Page passed away June 12, 1965 after an extended illness. Bro. Ralph R. Wilt passed away July 28, 1965. Masonic Funeral services were held at the funeral home

on July 30. Past Master Harold B. Rediger gave the service for us.

We are making plans to visit the Masonic Home on September 19, 1965. Please keep this date in mind and plan to attend with us.

"An Altar thou shalt make—" The altar is undoubtedly the most important piece of furniture in the Lodge. In all the religions of antiquity, it was the usage of the priests and the people to pass around the altar in the course of the sun singing hymns of praise to Deity. From Genesis to Revelation we read of Altars. Sometimes they were articles of great beauty and splendor. At other times they were humble and insignificant in size. Sometimes they occupied the prominent place in a beautiful edifice and on occasion they were in humble surroundings. But they were all important. There is no evidence that the large and costly Altar gained the attention of God more than the few stones placed by careful reverent hands.

We have a humble altar. It was made by the hands of some kind laborer. It qualifies as the Altar God commanded to be made. Its beauty increases with age, because of what happens there as we seek His favor and blessing.

What wonderful piece of furniture Altars. See you in Lodge.

Now in closing please read Proverbs 10:4-5.

Greetings Brethren: After our Lodge being dark for the past two months we are ready to resume activities.

As for me, as Master of the Lodge, I feel that this is the beginning of the end. Nevertheless we are hoping to have much activity in the

few remaining months of the year.

At our first stated meeting in September, and in conjunction with the Eastern Star we want to arrange a family picnic, which I hope will become an annual occasion. The first was held last year and was an enjoyable affair.

Also we want to plan and hold a Past Masters Night.

This message is of utmost importance to all Officers of Olive Branch Lodge. Our Lodge of Instruction will be a joint affair and will be held with Decatur Lodge No. 571 in their Temple on Monday evening, Oct. 4, 1965. It is important that all officers be present and any interested Brethren who wish to brush up on the finer points of Masonry. Brother Howard O. Hunter appointed by the Grand Lodge will be on hand for instruction in the Fellowcraft Degree. Remember the Date.

We wish to thank the Brethren of the Decatur Lodge for our invitation to their Low Dell meeting outdoors Aug. 11. Six members of our Lodge attended. This too I hope will become an annual affair. One hundred sixty five Brethren were in attendance and Thirty Lodges were represented.

Although the evening was rather cool I am sure that all who attended were impressed with the setting. There we were under the open sky, side by side with the creations of The Grand Architect all about us. It carried me back thousands of years to the time our ancient Brethren met on a High Hill or in a Low Dell, under a full moon. This I will never forget, as the work progressed so did the full moon over the horizon. It was a perfect evening and it seemed as though the Creator was smiling on us from above.

Congratulations to Larry Hill the candidate who was Raised to the Sublime Degree of a Master Mason. We are still looking for a site to erect a new Temple.

A word in closing Brethren. Let us give some thought to our Grand Masters Dedication of a Decade to Masonry. He is asking for 10 years of Ten for Ten. 10 cents per week for ten years, for the Masonic Home. It is a pitifully small sum and can do so much good. There is strength in numbers, think it over Brethren.

Remember the same moral ethics are in vogue today as they were with our Ancient Brethren thousands of years ago. It certainly must be good to stand that test.

Brethren it doesn't seem possible that at this writing my year as Master is better than half gone. The time sure flies by.

My wife and I had a fine time at Grand Lodge in May. It was a very interesting two days. I'm sorry that your S.W. Rodney Lawsaw and his wife had to postpone going at the last minute due to an emergency operation on their son. I know that they would have enjoyed it.

I attended the installation of our Jobs Daughters, Monday, the 7th

of June. The girls did a very fine job and I extend the best of wishes to our new Honored Queen, Miss Sheri Simon and her officers. Their guardians this term are, our W.M., Mrs. Kenneth Fritz and our S.W. Rodney Lawsaw.

The Stars have the honor of having a District Deputy from our Chapter this year, Mrs. Betty Surfus, who is also a Past W.M. of our Chapter. I extend to her my congratulations and a successful year.

Our Past Grand Master, Bro. Clyde Flowers, was happy to announce at Grand Lodge this year that out of 14 Lodges in Allen County 13 made the honor roll. You already know Hometown was one of them again. It gave me extreme pleasure to receive it this year for our Lodge and I would like to announce that we are less than \$60 short of making it again next year.

We have Lodge of Inspection coming up Wednesday, October 6th at Churubusco. This is just not for the officers, any brethren are welcome to come.

The Eastern Stars are having their inspection on Saturday, September 11th at Hometown with a visit from the Worthing Grand Matron and a reception honoring Betty Surfus our District Deputy.

In closing I would like to say mark these dates on your calendar and try to attend if possible. Lets support your Lodge and Chapter. See you in Lodge.

**FREE MARKETS—
FREE MEN**

(Exchange)

Henry Hazlitt writes in *National Review* "A popular argument of the industrialization-at-any-cost advocates is that it is impossible to point to a purely agricultural country that is wealthy as 'industrialized' countries. But this argument puts the cart before the horse. Once a dominantly agricultural economy becomes prosperous (as the early United States) it develops the capital to invest in domestic industries and therefore rapidly becomes a country of diversified production, both agricultural and industrial. It diversified because it is prosperous rather than prosperous because it diversified. It is the great superstition of economic planners everywhere that only they know exactly what commodities their country should produce and just how much of each. Their arrogance prevents them from recognizing that a system of free markets and free competition, which everyone is free to invest labor or capital in the direction that seems to him most profitable, will solve this problem infinitely better."

THE INDISPENSABLE MAN

Sometime when you're feeling important
Sometime when your ego's in bloom
Sometime when you take it for granted
You're the best qualified in the room
Sometime when you feel that in time
You'll leave an unfillable hole
Just follow these simple instructions
And see how they humble your soul
Take a bucket and fill it with water
Put your hand in it up to the wrist
Pull it out, and the hole that's remaining
Is a measure of how you'll be missed
You can splash all you want when you enter,
You may stir up the water galore;
But stop, and you'll find that in time
It looks quite the same as before.
The moral in this quaint example
Is do just the best that you can;
Be proud of yourself, but remember
There's no indispensable man.

MASONS AND
CAPITOLby Frederic D. Schwengel
President, United States Capitol
Historical Society

United States Capitol Historical Society has recently published *People*, a book on the United Capitol that has become a best-seller. It is a magnificent story of freedoms that were established, extended, and in America leadership that received instruction and inspiration in Masonic

pages is compressed the story of a majestic edifice that is our birthplace—how it came about, how it stands as a symbol of the success of the American people.

Special interest to Masons and friends is the colored picture of the Masonic cornerstone laying, showing George Washington wearing the apron given to him by Madame Tenebris. As we know, this Capitol was as it grew, had at least two Masonic cornerstones laying ceremonies and one re-enactment of the cornerstone laying.

The book points out that for almost two centuries, "We, the People of America have demonstrated capacity for selfgovernment. Our system has been tested in war and peace, and by violent forces without and within."

A first full-color and most complete history of the Capitol ever published, with 175 photographs (136 in color) taken by the National Geographic Society photographer, has been acclaimed as the most beautiful, impressive and informative book about a building ever published. The fifty thousand letters of commendation received in the first year from all over the world attest to its popularity and particularly to the interest Americans have in their heritage and history.

At the east front of the Capitol is the Goddess of Freedom looking down on the multitude, and all the Presidents but Jackson inaugurated. The Capitol is the first distinguished foreign (a Masonic brother) LaFayette welcomed, honored, and thanked to aid us during the Revolutionary War. The Revolution that separated us from the country that was the way of freedom.

Many of the rooms in the Capitol are steeped with history. The old Chamber is one of them. On September 9, 1793, the day after the Court and before that when the Senate Chamber, it was here that so many great men, including the Webster-Hayne debate which ended dramatically with the words "Liberty and Union, now and forever one and indivisible," was thundered by Webster. The Mexican Treaty was approved here—Clay and Calhoun verbal battle.

Following the transactions after heated debates, decisions made that still lift the hearts of Americans. Here Adams, in what is now the Hall, battled for the right of free speech, and when one opponent offered a resolution for his censure, he demanded that the first paragraph of the Declaration of Independence as his basis. Here it was that Drayton

of South Carolina felt it necessary to remind his colleagues that if freedom of discussion were ever restrained, the pillars of the Constitution would fall.

Allan Nevins, vice president of the United States Capitol Historical Society and one of the most productive writers of American history, wrote a brilliant introduction to the book. He summarized well and gives great tribute to the legislators and the systems. Masons everywhere would agree with his statement in the book that follows:

"We would do an injustice to the spirit of the Capitol, however, if we emphasized merely the great men and dramatic events associated with it. The value of democratic government lies mainly in the place it gives to ordinary aspiring men and women. Since 1800 the Capitol has been the scene of grim, hard work by many thousands of conscientious legislators and their aides who have thought little of public fame, but much of the honest accomplishment of their tasks. We too often treat these servants, toiling early and late, as a matter of course."

"If the stars were visible only once in a thousand years, wrote Emerson, we should await the spectacle with breathless interest; but our legislators, like the stars, are visible all the time, and hence are little noted unless of special magnitude. The Capitol is History; it is the Major Symbol of the Nation, full of minor symbols; but above all it is a Mighty Engine, tended and kept throbbing by the indefatigable efforts of a select assemblage which represents far more of our national strength than our national weaknesses."

The Masonic cornerstone laying ceremonies in the Capitol are important to Masons, but far more important to the Fraternity and to the country is the foundation of ideas, ideals and spirit drawn from Freemasonry on which the structure of popular government is built. We of the Craft, as we ponder our early history, are moved to wonder what would have been the outcome had it not been for the knowledge of the admonition "to seek the truth," a precept in the symbolic and actual teaching of the Masonic Fraternity so well understood by every Mason, practiced by Masons among the Founding Fathers.

Because of the Masons' great interest in public schools and libraries and because the content of the book is so closely identified with the Masons and with American ideals, some may want to purchase copies for local schools and libraries. Others may want to give copies to friends and families. The paperback edition may be purchased in the United States Capitol for \$1 and the deluxe red-cloth-bound edition for \$2.50 — or they may be ordered by mail from the United States Capitol Historical Society, House Office Building, Washington, D.C. 20515, enclosing your check or money order. The books will be sent to you promptly.

BOWLERS NEEDED

Bowlers are needed for the Masonic League. Report to the G. E. Club at 6:15 p.m. on Tuesday.

TEN-FOR-TEN

Don Burton
Grand Master

Grand Lodge F.&A.M. of Indiana

We are all proud of our fine Masonic Home at Franklin, Indiana, of the excellent manner in which this home is operated and the fine treatment our honored guests receive in our Home and in our Hospital. Yet, month after month we see the names of from 18 to 25 worthy men and women awaiting admission to our hospital. They can not be admitted because our rooms are full. It requires almost a year to gain admission into the Hospital after being placed on the waiting list.

The Home Board has been persuaded to build a much-needed addition to our Hospital. Your voluntary contributions have accumulated enough dollars to make it possible to build an addition, but we can not use any of this money to staff and operate this new hospital wing.

A proclamation signed by your Grand Master and by all of the line officers of the Grand Lodge has changed the one dollar voluntary contribution practice to a new "Ten-for-Ten" Hospital "crash" program.

Ten-for-Ten; means ten cents, per week, per member, for ten years.

You can be a part of the Ten-for-Ten Program in three ways.

One: When you receive the Pledge Card, which will be sent with the annual notice for dues to your Lodge, sign it right away and send it to the Secretary of your Lodge, along with your first year's gift of \$5.20 and your annual dues.

Two: Those of you who can do so, and I know that many of you can, send in the check for the entire ten years program of \$52.00.

MAKE YOUR CHECK TO THE INDIANA MASONIC HOME, BUT SEND IT TO THE SECRETARY OF YOUR LODGE. HE WANTS TO KEEP A RECORD OF HOW MANY MEMBERS OF YOUR LODGE HAVE JOINED IN THIS PROGRAM.

Third: Tell every Master Mason you know about this great new program of Masonic Charity. Ask them to join in this program, impress upon them that it is only ten cents per week. If your wife makes out your check for dues, please show her this article.

On behalf of all of the guests at the Home, I want to thank you for what I know will be a great outpouring of Masonic Charity. A flow of Masonic gifts which will make you and I glow with pride that we are Freemasons and are a part of this great exemplification of the lessons of charity, which are taught so profoundly in the degrees of Symbolic Masonry.

LET US PRACTICE—
THEN PREACH

(The Masonic Chronicler)

For the last few years we have heard comments on the serious decrease in membership in our Masonic organizations, in fact, in all organizations — Masonic or otherwise, but to date no one has come up with a concrete idea as to what can be done about it. We are still talking about it and unless we arrive at some solution and soon, we are apt to find ourselves in a position whereby something drastic will have to be done if we are to remain as an organization. It is very definite that we cannot continue to lose thousands of members year after year and still survive, therefore, the time has come to stop talking about this situation and start acting in its behalf.

One of the most assuring signs of action is the growing habit of looking upon fraternalism, in general, in the light of every day living. We seem to be in better touch today with the needs of humanity than ever before. The reason could be that knowing something drastic must be done and soon — we are finally recognizing the power of the teachings and principles of our organizations and their far-reaching effect on humanity.

There was a time when most of us considered our membership in the organization in the same manner that some considered church membership; a very wonderful and necessary thing in the brief hour of meeting, but too ethereal and removed a thing for use in a problematical world.

Both views however, are erroneous. Despite the fact that we are taking our place in a very busy world, we can also take time to look deeper into the more spiritual as well as the practical values of our Order. We can allot more time and more energy stressing the importance of fraternalism which, in a sense, would then bring about more noteworthy results.

If we are to grow in stature, in

position, in membership, we must concentrate on producing efficient presiding officers interested as well as capable members on committees, and to present programs that would be of interest to the entire membership. In short, we must give our members something worthwhile to keep them interested in the organization. Just to attend a meeting, listen to the ritual, constantly demanding donations or contributions for one thing or another, is the quickest way to lose members. Of this no one can deny. We also need greater dignity among the officers and more willingness to serve for the good of our fellow man and not for the purpose of building up one's ego.

Among our own members we can find a goodly number who are absolutely necessary to the success of our organization. They are valuable because they know how to act, how to do things and because they are always willing to cooperate with others, they have made themselves absolutely indispensable. We also have those who are always in the limelight whether they are capable or not.

By being initiated into an organization does not necessarily make one a good member. Our worth in that respect is determined by how well we employ the lessons we are taught; how we live according to the principles we represent and the faith we have in God.

We become scholars by applying what we have learned in school and college; we become specialists in certain professions by applying and utilizing the knowledge we have learned. By the same token, we become indispensable by putting into effect, the knowledge of the work and the lessons we have received — as will benefit mankind.

Our growth in membership and interest will depend largely on our ability to understand better the needs and principles as applied to every day life and to our organization. It will depend on our ability to promote harmony and good will, friendship and understanding. It will depend on each one of us to fully represent our organization with dignity, with compassion, with a deep sense for the spiritual side rather than for the material.

It is not too difficult for any one of us to make ourselves necessary in promoting our organization. If we believe in it strongly enough — we can sell it. All we have to do is to forget ourselves for a little while; to stop talking about the loss of membership and get out each day and night and do something about it. Talk takes very little effort. Action takes energy, push and determination. The result will depend on just how much you are interested.

Brethren, I had the pleasure of being a guest of Home Lodges dinner on Sept. 14th at which time Most Worshipful Grand Master Donald A. Burton presented the Indiana Grand Lodge Award of Gold to their most distinguished member, Most Worshipful Brother Orvis A. Dellinger, Past Grand Master. Brethren, this certainly will be an occasion which I will probably never again have the opportunity to witness. Think of it Brethren—here represents a distinguished Brother who has spent one-half a century ascending the ladder of Masonic fame. Most Worshipful Donald Burton had taken this occasion to enlighten his audience on the importance of the Grand Lodges 10 for 10 Crash Program which I covered in last month's article.

I sincerely feel this program to be the most important task before me as Master of Wayne Lodge. The success of this multi-million dollar program depends upon the support of every Lodge in the State of Indiana over the next ten years. It's a fact that many of our worthy distressed brethren or widows are passing away before they can be admitted to the Home. This is because the waiting period is so long which of course is due to the present crowded conditions of the Home. With this fact in mind, then we as charitable Masons will only be laboring in vain if we don't give this crash program the support it most assuredly deserves.

Home Lodge will be host lodge during our annual Grand Lodge Inspection on Tuesday, October the 12th at 6:30 p.m. on the EA degree. Why not come down and witness your officers proficiency in the degree.

Brethren, we're always glad to have you become active in your lodge work. If there are any of you who are sincerely interested in becoming an officer please let us know. Naturally there isn't enough positions to satisfy all those who may be interested, but surely it gives your incoming Master a potential list from which to make his selections, especially if for some unforeseen reason he is faced with a vacancy. Who knows, perhaps someday the purple of our fraternity may be bestowed upon you as have other honored Brethren within this area.

The following Brethren are home recovering from recent surgery. Why not drop them a line of cheer and wish them one and all a speedy recovery. (Ollie Clark, Clarence McKean and John Miles.) Brother Edward C. Knox is in 114 Moellering, Lutheran Hospital, and I'm sure he'd appreciate your company.

We're moving into our fall and winter months pretty fast now and this is usually the period we are all most crowded for time. Don't forget to check Monday mornings Journal Gazette now for the Lodge News instead of the Sunday edition. There has been a change in the coverage

day—why I don't know? There will hospital, and the buildings, or whatever you wish; and when ready, motor home, or perhaps dip on down into Brown county for a look at the gorgeous colors of the autumn season. You are welcome to come early and stay late if you like; but by all means see the Masonic Home, especially if you have never been there before.

We should like to extend our sympathies to our chaplain, Dan Stone, Sr., who lost his wife early in September. We hope all of the brethren will help Dan over this difficult adjustment period. We know that Dan realizes how much our hearts go out to him and hope that his time of sorrow passes quickly.

Here it is October, and where has the Summer gone? I really hope that it's not a sign of advancing age, but the weeks and months seem to roll around ever faster as time goes on. How often we wish we might go back and re-do some of the things we have done. Often, we would do them differently if we but had the chance. Perhaps some of them we would not do at all. The point is, brothers, that we ought to weigh the decisions of every thing we do most carefully, because we usually do not have a second chance. By this I do not mean that we must never act quickly. Quite the contrary, indecision is a mark of weak character. Often, we must make our decision—right or wrong—but we must make it! It is easy to look back and criticize the decisions of others. It is also easy to sit on the sidelines and do the same. But what if we all did this? Let us all follow our Masonic teachings. Let us not sit on the sidelines of life. Let us take an active interest in the important things of life, in civic and cultural matters; and contribute what we can to society. Let us all resolve to respond to the calls and summons of our lodge. Let us resolve to make our Masonic influence felt in the community. Let us further resolve to make our public actions such that we will be proud to have the world recognize us for what we are, Masons.

By the time you read this, it will be time for the trip to Franklin, Indiana, to join with us and with Mount Moriah lodge in the joint dedication of the beautiful chapel furniture which you brothers have donated to the Masonic Home for use in worship services there. If this column brings you the first news of the trip for Sunday, October 3, and you would like to join with us, please contact Donald R. Johnson, P.M. at 745-8486 for more details. Take along a basket lunch with everything you will want for all the people in your party, drive to Franklin on Sunday morning so that you arrive at the Home by no later than 1 p.m. We will all eat together picnic style, and then join in the chapel for the dedication service at 2:30 p.m. When it is finished, you may visit our guests there, tour the grounds, the

will hospital, and the buildings, or whatever you wish; and when ready, motor home, or perhaps dip on down into Brown county for a look at the gorgeous colors of the autumn season. You are welcome to come early and stay late if you like; but by all means see the Masonic Home, especially if you have never been there before.

We should like to extend our sympathies to our chaplain, Dan Stone, Sr., who lost his wife early in September. We hope all of the brethren will help Dan over this difficult adjustment period. We know that Dan realizes how much our hearts go out to him and hope that his time of sorrow passes quickly.

Monday night, October 4, is Veteran's Hospital Visitation night, brothers. I have not been pleased with our attendance at these visitations in the past, and sincerely hope that some of you brothers who have never participated before will join the faithful few who have been giving of their time for our veterans in the past. Won't you please meet with Lowell Alkire and Bill Maxwell and the others at the V.A. Hospital at Lake and Randall at 7:15 p.m. You will be done by 8:30 by that time. Your visit may have given strength and comfort to one of our beloved veterans. Surely some of the Summit City brethren will respond to this call and donate an hour and fifteen minutes of their time to those who have given so much more to us. If you wish to serve, and need more information, call Bill Maxwell at 745-8556 or Lowell Alkire at 445-9393.

Wednesday, October 13th is the date for our annual Lodge of Instruction for Summit City. This year, we will be host to Brother Allen B. Bennett, the Assistant Grand Lecturer, who will instruct us along with Southgate Lodge on that night. This will be a most instructive evening, as the funeral service ritual is to be a topic of examination by Brother Bennett, along with the work of the Fellowcraft degree. If you are interested in the ritual of your lodge, by all means join with us on this evening.

October is also the month for our Homecoming Banquet. You will receive more information about this by letter, but plan now to keep Friday, October 29th reserved for attending this banquet. We have a number of Grand Lodge Awards of Gold to be presented to Fifty Year members, along with a good talk, some nice music, and a chance to visit with some of your brothers who rarely get to lodge for various reasons.

We are making a slight change in the registration plans this year for the Homecoming Banquet. Instead of returning a stamped postal card, we are asking you to call Brother P. Porter of the Registration committee to advise of your plans for attending. We feel that the considerable saving in postage will merit this change, since the cost of mailing the original envelope to your address would exceed the usual five cent cost, due to the extra weight of the Ten-for-ten pledge cards as requested by the Grand Master. Also, a large

number of the 4 cent postal cards are never mailed back, and represents a considerable waste. SURE TO CALL IN YOUR REGISTRATION.

We will need plenty of help month if present indications are. We will have work in the early afternoon on both E.A. and M.M. degrees. Here is the tentative schedule.

October 1, Stated Meeting 7:30
October 8, E.A. Early Afternoon
October 15, F.C. 7:15
October 22, M.M. Early Afternoon
I hope all of the faithful after Craft will be with us for what promises to be a large and busy month of degree work.

Greetings Brethren: October promises to be a busy month. It is contemplated that we will have work on all three degrees. Your officers are looking forward to renewing their fellowship with all our members and do sincerely hope you will find the time to come in lodge and renew your masonic experiences.

Recently your master was in receipt of a letter from C. C. "Buddy" Faulkner, Jr., executive secretary for Indiana DeMolay in which he wished to express to all Masons, DeMolay's deepest thanks for the wholesome activities and training programs all of you help to make possible among the more than 10,000 DeMolay boys in Indiana.

How often when someone speaks of contributing money to some charitable cause have you heard someone say "Well, charity begins at home" yes, that rings a familiar sound to ones ear. Brethren let us change that saying to, "Well, charity begins at the Indiana Masonic Home." As you all know by now, our Grand Master has embarked upon a Ten for Ten plan (10 cents a week for 10 years) designed to save human lives by providing for the staffing and operation of the planned addition to our Masonic Home Hospital. I hope you will all find it within your means to support this fine program.

Brethren: Please mark these dates on your calendar — October 15, 1965, at 7:30 p.m. the Assistant to the Grand Lecturer for the Grand Lodge will conduct a lodge for instruction on the Fellow Craft Degree, and October 25, at 6:30 p.m. at the Veterans' Hospital for V.A. visitation.

Our Ladies Night was a success and well received by all in attendance. Individual gifts were provided for each lady and the door prizes

were a pleasant surprise for the lucky winners. On behalf of the Lodge, I want to thank the officers and their ladies for making the evening a success.

We want to welcome Bill Shout and Phil Olofinson to Maumee as Master Masons. It is always a pleasure to work with and for such outstanding individuals.

Maumee can expect a busy October and the Degree work will be put on for at least two candidates. Please note the following dates and plan to attend Lodge and take an active part.

Stated meeting, 7:30 p.m. October 6, 1965.
Entered Apprentice 4:30 p.m. October 13, 1965 (Dinner).
Lodge of Instruction 7:30 p.m., October 15, 1965.
Fellow Craft 7:00 p.m., October 20, 1965.
Master Mason 4:00 p.m. October 27, 1965 (Dinner).

I am sorry to report that our Junior Warden, Arthur C. Grave, has found it necessary to resign from the line. Brother Grave is moving to California where he has a new job awaiting him. On behalf of the Lodge and my fellow officers, I extend our thanks to Brother Grave for his efforts on behalf of the Lodge, and wish him good luck in his new venture.

We extend our sympathies to the family and friends of Charles H. White, who was called home in the Great Architect of the Universe in September.

If you think about Lodge, why not come in Lodge — we miss YOU!

Brethren, I'm sorry I missed the Sept. issue, I was on vacation and it slipped my mind. We'll try not to miss any more this year. The first thing I want to call to your attention is our Lodge of Inspection which will be held with Maumee Lodge on Friday, Oct. 15th at 7:30 p.m. Maumee Lodge will be the host lodge. The Inspection will be on the Fellow Craft Degree. This year we will also have to be proficient on the funeral ceremony. This is the first year for this. All of the brethren are invited to attend this lodge. We will probably go over to the Y.M.C.A. and eat at 6 or 6:30 p.m. All members are invited to join with the Grand Lecturer and your officers.

We have no new petitions for the month of October, but we may pick up a brother who has had his E.A. Degree. Watch the paper for further information on work for October.

Brethren we had our annual fish fry scheduled for Oct. 15th, but due to the Lodge Inspection, of which

we have no control, it will not be held.

We had a number of funerals during July and August, and to the families and friends of our departed Brothers, the officers and members and myself wish to extend our heartfelt sympathies.

My Brethren All, Greetings to you once again from your Lodge Officers. We are getting ready to resume our labours after the summer vacations and by the time you read this we will have already raised two new members. That is if all goes well. We are preparing to give the degrees to the sons of two of our distinguished Brothers in September.

We will also have work in October so there is plenty of need for help. The Fellowcraft Team can use people for several of the parts on the Master Mason Degree. Call Wilbur Shown, Bill Kemp, Tom Kemp, Dale Dusing or any of the Officers if you would like to take a part. Your help would be greatly appreciated. October 18 is Vets Hospital visitation. Call Paul Muller and volunteer to help.

We did not have a great number of you members present for our Ladies Night Banquet on September 11 but as I heard one Brother remark perhaps we made up in quality what we lacked in quantity. For the ones of you who were not there you missed out on a real nice evening. We had a marvelous speaker in the person of Rev. Phillip Philbrook. If you have never heard him speak you have missed something really worthwhile. We also missed a good dinner. We did not take in enough to meet expenses so the deficit will be made up out of the Lodge Treasury which is YOUR money, my Brother. So you will be paying part of the cost without getting anything out of it. It is your decision to make whether or not you attend these functions of your Lodge. We want you in attend because they are put on for your benefit. We will be inspected by the Grand Lodge on Wednesday night, October 13.

It would appear that too many of our Brethren have misinterpreted Free Masonry to mean free from attending lodge, free from helping the Officers, free from fulfilling the obligations which YOU voluntarily assumed, free from taking part in the work or giving ANY time or effort towards the welfare of YOUR Lodge. Masonry, my Brethren is NOT free. Its rights, lights and benefits can only be purchased with your time and effort. Let us not make it a point this Fall to wait until we have a free evening before we attend lodge but sacrifice just a few of our

other pleasures to support our great Fraternity in which we claim to have so much pride. Remember, anyone can wear a pin or a ring and state proudly "I am a Mason" but can you really make yourself believe it, if you can't even name the present officers of your Lodge or recognize but a handful of its members? You have to put forth some effort, my Brother, before you can sincerely claim for yourself that high rank and title of Free & Accepted Mason.

Fraternally yours and I WILL see you in Lodge.

OUR WAR WITH NATURE
Dr. Rachel Carson
The New Age

Our power over nature has not been tempered with wisdom, but has been marked by irresponsibility. Man's war against nature is inevitably a war against himself. There is too little awareness that man is part of nature.

The once beneficent rains are now an instrument to bring down from the atmosphere the deadly products of nuclear explosions. Our streams are fouled with an incredible assortment of wastes — domestic, chemical, radioactive, so that our planet is rapidly becoming a thirsty world.

It is not too much to say that the continued existence of mankind and the very survival of the earth as a habitat for life may depend on an awakening to our true place in nature.

Today's graduates go out into a world where mankind is challenged as it has never been challenged before to prove its maturity and mastery not of nature, but of itself.

The Art of Friendship

The first step in the art of friendship is to be a friend; then making friends takes care of itself.

To be a friend a man should start by being a friend to himself, by being true to his highest and best and by aligning himself with the enduring values of human life that make for growth and progress.

To be a friend a man should strive to lift people up, not cast them down, to encourage, not discourage; to set an example that will be an inspiration to others.

To be a friend a man should be sensitively responsive to the dreams

and aims of others and should show sincere appreciation for the contributions others make to the enrichment of his life.

To be a friend a man should practice the companionship of silence and the magic of words that his speech may build and not destroy, help and not hinder.

To be a friend a man should close his eyes to the faults of others and open them to his own.

To be a friend a man should not attempt to reform or reprimand, but should strive only to make others happy if he can.

To be a friend a man should be tolerant, he should have an understanding heart and forgiving nature, knowing that all men stumble now and then, and that he who never made a mistake never accomplished anything.

To be a friend a man should join hands with all people who are working for great principles.

To be a friend a man should go more than halfway in his contracts with his fellow men; he should greet others first and not wait to be greeted; he should radiate a spirit of overflowing good will.

To be a friend a man should remember that we are human magnets; that like attracts like, and that what we give we get.

To be a friend a man should recognize that the art of friendship is a lifetime study, that no man knows all the answers, and that he should add each day to his knowledge of how to live the friendly way.

Hi Girls!

I sure hope you enjoyed yourselves as much as I did at the Inspection? It was a big night for the Bethel! Anyone could tell important people, (Mrs. Phyllis Smith, Grand Guardian and Mr. Robert Treas, Associate Grand Guardian), were there by the way everyone was running around! To the officers—I say congrats on a job well done! Inspection is over now, but there are a lot of exciting activities yet to come!

When writing my first article I was in a hurry and forgot to tell who our Bethel Council Members are. Better late than never—Mrs. Irene White, Guardian; Mr. Robert Crippen, Associate Guardian; Mrs. Janie Blecke, Secretary; Mrs. Ella Burelison, Treasurer; Mrs. Roop and Mrs. Wynette Frederick, Directors of Music; Mrs. Betty Smith, Custodian of Paraphernalia; Mrs. Willie Witmer and Mrs. Wilda Crippen, Promotor of Sociability; Mrs. James Farrar and Mrs. Marie Perrin, Promotors of Hospitality; Mr. James Farrar and Mr. Irvin Burelison, Promotors of Finance; Mr. Vi Exner, Robe Mother; and last but not least, Mr. Ross Doty, Promotor of Fraternal Relations.

An "Old Fashioned" theme was set for the September 15 meeting! Past Queens, Guardians, Associate Guardians, and Moms and Dads' Night was the evening to come and see the old capes and crowns worn by the present officers! There was a potluck before the meeting and everyone had fun and were stuffed with good food!

All aboard? A bus was taken to Franklin for Franklin Sunday, September 19. All the girls wished that everyone could have had as much fun as they had visiting the Masonic Home. We ate our sack lunches on the bus and had a cold drink to wash it down. We also enjoyed meeting all the Job's Daughters, Rainbow Girls, and DeMolay who were there! Moms, do you belong to Mothers' Club? — You should! If you want more information concerning the group call Mrs. James Farrar, 748-7408. She will be happy to hear from you. Their next meeting will be held on October 11, at 7:30 p.m. October will be the busiest month of my term. To start out with we have Friends' Night on October 6.

Girls, come and meet Job's Daughters from the surrounding Bethels! October 20 will be Initiation — so get those petitions in!

Do you like to Roller Skate? I'm hoping you do because we're having a party at the Roller Dome on October 21 from 7-10 p.m. The Co-chairmen for this event are for the South, Margaret Blecke and Bev Wyckoff; North, Vicki Perrin and Karen Burelison; the adult working with these girls is Mrs. Blecke. If you would like to buy tickets for your family and friends contact these girls!

If you like delicious baked goods — then you would like to support our Bake Sale on October 30 from 9 a.m. to 5 p.m. This will be held on both ends of town at the same time. On the North it will be held at Patterson Fleeter in Northeast with Sharon Farrar and Karen Burelison as Co-chairmen; South at Grant's in Southgate with Linda Roop and Sue Keith as Co-chairmen; the girls will be assisted by Mrs. Farrar. Girls, you will be contacted to help out with either your time and/or your baked goods.

Let's get some more girls who are eligible to become members! The petitions are coming slowly and I know that you know of girls who are qualified to be Job's Daughters—why not get them a petition?

Have you seen the pretty dolls dressed as Honored Queens? One is to be given to the girl with the most project points and the other to be given to the girl who will bring in the most petitions! They are really cute and I hope you like them. Support all projects and bring in petitions — maybe you will be the winner!

That's all for this issue — but there will be more to come in the next issues — better yet come to the next meeting and get it first hand!

MASONIC COURAGE

(Exchange)

We cannot turn away from world of today, of events and gress, and expect to find safety in a world of make-believe. We live in a period that is both exciting and terrifying.

It is important, then, that we have an attitude toward life that will port us in the midst of cold war. It is vitally important that the sons stand firm on the old, the true principles of Justice, integrity, of Faith and a Trust in when it is easier and simpler to a fatalistic attitude, one of defeat.

It is also time when the must resist the lure of expedient the doing of things which call the total abandonment of all is old, the desertion of sacred to the retreat from fundamental things as recorded in the Holy ings.

As Masons we have the spirit the mental and moral training enables us to look the present face, to maintain our composure and put to flight fears that are dangerous than conditions which round us.

It is not what science may into the future that is of supreme importance. It is what we as will bring into the future which decide the destiny of our com it is possible to have every man desire granted, and yet be des if we do not identify progress the moral development of the hu al.

The present calls for neither outburst of optimism, nor the la of pessimism but rather for a grasp of the things of the spir calm appraisal of conditions, a renewed determination to use tools of Masonry to restore sanity and sanctity.

Worthy Matron Nama welcomed everyone to our first Fall Chapter meeting, which is also the annual potluck supper, with the Program Committee in charge. Sister Nama read the following poem:

KINDLINESS
Just a little act of kindness,
Just a little word of cheer,
Help to make our living pleasant,
Minimize both doubt and fear.
Jesus said, "Be meek and lowly,"
And He governs men with love,
Just as God, our Heavenly Father,
Governs in that Court above.
Jesus never hurt the feelings
Of a person, great or small;
Always He was kind and friendly—
We're assured He loves us all.
Sister Nama spoke of the special project to help furnish the boys and girls' cottages at the Franklin Home. Those caring to, can contribute their "birthday" money in a special "Birthday Cup" on the Secretary's desk, for this Special Project. A "penny for each year" — or any amount you would like to contribute would be for a good cause. The Franklin Home residents ask that we save nylon hose, scraps of new material, pictures, beads and clocks for some of their own projects.

Sister Adella Davison urged everyone to visit the Masonic Home at Franklin — not only to cheer the residents there, but for the good each visitor would derive from same. She commented on the beautiful Drill the Johs Daughters put on at the Masonic Home at Franklin.

For our entertainment Sept. 14th we were fortunate in having the Barber Shop Chorus, and a quartet out of the Chorus, "The Wayne Beaus", sing for us. Some of their songs were: Hella; The Old Songs; Time After Time; Oh, Honey; Oh How I Miss You Tonight; and their theme song, Keep America Singing. You may have seen and heard the Wayne Beaus quartet on the Ted Mack Amateur Hour, Sunday, September 12th. For our meeting they sang Chord Buster's March, Lyda Rose, and At The County Fair. The opinion of everyone was that "They can come back and sing for us ANY-TIME."

Sister Nama announced that we would Honor our present and past Chaplains, October 12th, and that our District Deputy will be here for our October 26th meeting.

Sister Sonoma Woodruff, Member of Knights Templar Eye Foundation Committee of General Grand Chapter, and P.G.M. of Indiana, was present and heartily welcomed. She said it was nice being with her own Chapter members. She gave a talk

on the benefits of the Knights Templar Eye Foundation and asked that everyone investigate it further and support same. Sister Nama will appoint a Committee within our own Chapter to further this worthy cause.

At our September 2 meeting we accepted with great regret the resignation of Marcella Mills as Adah. Velma Ensley was appointed to fill the Adah station for the remainder of the year. Mary Knauser served as installing past matron and gave the obligation. Tessie Wise was the installing marshal. Jerry Cook has been appointed the new choir director and Miriam Hardy is her assistant. Helen Rinard has been appointed decorating chairman with Lu Dimick as her assistant. Congratulations and best wishes to these sisters as they assume their responsibilities.

At this meeting we welcomed back into our Chapter by affiliation, Ward Bailey who has been making his home in Arizona.

Unfortunately mistakes are made and by an oversight names were omitted in our write-up on our birth-

day night. We wish to recognize Bertha Kayser and Mahelle Biersdorfer Staples as charter members and Mary Girardot and Harry Kruge as twenty-five year members and apologize for our error.

Those who wish to give to the once-in-a-lifetime contribution of \$1.00 which goes for the maintenance of the International Temple may give or send their dollar to Jean Doenges. This contribution must be in by December 1.

Our Worthy Matron has appointed Helen Howard, Orvis Dellinger and Jo Cecil to serve on an historical committee to compile a history of our Chapter as we are approaching our fiftieth year.

Many of our members traveled to Somerset on Monday evening, September 20, where our Worthy Grand Patron, Clayton Herriek, was greatly privileged to institute a new Chapter. He was assisted in the instituting by the Grand Officers. In recognition of this honor to our Worthy Grand Patron, Fort Wayne and Muncie Chapters presented the Electa Cup to the new Chapter.

Our dues become due January 1 and are delinquent after our first meeting, January 6, 1966. It would assist Vera Hayden and save our Chapter money if we would pay our dues before November 1 so that Vera would not have to send dues notices.

Under the direction of Robert Mumaugh, our Worthy Patron, we had initiation for and welcomed into our Chapter Cathy Moore, Doris Logan, and Robert Caldwell at our September 16 meeting. In the East was a shadow box with an outstretched hand holding a cluster of green grapes, which our Worthy Matron chose as our symbol for the year, representing unity and humble acceptance of God's Blessings. In the West was a lighted effulgent sun, our emblem for the year.

On behalf of the Worthy Matron and Fort Wayne Chapter we wish to thank Madge Harsharger and Bernice Bowman and all others who contributed in any way to the success of our style show and card party on September 30. We were proud of Lucille Mumaugh, Betty Highley, Lorraine Tew, and Patricia McKinney who did such a wonderful job modeling the fashions from the Savoy. Ten percent of the proceeds will go to our Worthy Grand Matron and Patron's project which is supplying new heds for the children's cottages at the Masonic Home in Franklin.

On October 7 we will welcome our friends to an old fashioned quilting bee at our Friends' Night meeting at 8:00 o'clock. Come and extend hands of friendship to our fraternal brothers and sisters of the district.

We hope every one will show their appreciation to our Past Matrons and Patrons by attending the banquet and Cinderella Ball given in their honor on November 4. Make reservations for the banquet with Madge Harsharger, 483-2850; Bernice Bowman, 748-6161; or Irene Lytle, 749-8464; by October 29. Illness in Chapter: Evelyn Miller, Cyril McCarthy, Eugenia Tyner,

Harriet Chinnis, Evelyn Lewis, Charles Lewis, Clara Bradley, Cecil Molain, Charlotte Price.

Illness in Families: Daughter of Emma Welch, Father of Dorman Walker.

Death in families: Sister of Orvis Dellinger, Sister of Edna DeWeese, Sister of Margaret Cordiner, Father of Arthur Bowers.

Companions: Sorry to note that
most of you missed a very good meet-
ing—an unusual meeting, on Satur-
day, September 11th. A bus load
(forty-one) companions and candi-
dates went to Bloomington where, af-
ter a delicious barbecue dinner, the
Mark Master degree was conferred
on one hundred and forty-one can-
didates. There was several times that
many companions present, from all
over Indiana, and several other states
—one from Anchorage, Alaska. The
degree was very well portrayed. I
am certain that all relished the din-
ner, enjoyed the degree work and
were delighted with the fellowship,
both before the dinner and on the
bus.

A meeting is being planned for
the conferring of the P.M. and
M.E.M. degrees at Kendallville on
Saturday, Oct. 2nd, also a chapter
all-degree day at Fort Wayne
on Saturday, Nov. 20th. Can not you
find time to attend these meetings,
as well as the stated meetings and
dinners on the third Thursday of
the month? Oh yes we need some
candidates, why not talk to your
Brother Masons and bring in their
petitions for these wonderful degrees.

Good health and happiness to all,
and still hoping to see you at the

next meeting.

DE MOLAY

Fort Wayne

Stated Meetings

Wed., 7:30 p.m.

Stanton Sachs _____ M.C.
315 Rexford Dr. _____ 744-0435

Walter Arick _____ Advisor

School has started and by now
you've reinstated old friendships and
made many new ones. What better
way to prove your friendship than
by asking them to join DeMolay. I
would again like to stress the im-
portance of getting out and selling

DeMolay to your friends. Not only
will it help the chapter grow, it will
help the person joining; for it will
help build him both mentally and
spiritually.

The fall schedule cards list Sep-
tember 22 as an initiatory night.
This has been moved up to October
27 in order that more petitions may
be brought in so that there will be
a big class.

On October 2nd our annual De-
Molay hayride will be held at
Meyer's Barn. Along with the hay-
ride there will be a dance. Those
who attended last year will surely
agree with me that it was quite a
blast. So this year don't miss out
on the fun. Come and bring your
friends. This affair is open to the
public. Anyone who wishes tickets
may either see their school agent
or contact me.

The Representative DeMolay pro-
gram is now officially underway. The
R. D. award is based on a young
man's cultivation of self-development,
the knowledge and the practicing of
good citizenship in the home, the
community, the Nation, and the
world at large. This award can and
should be earned by all Fort Wayne
Chapter members. Further informa-
tion can be obtained from Dr. James
Frey R.D. Advisor.

Those of you who were at the
last meeting or saw the schedule
card probably noticed that we have
a new Dad of the chapter. Because
of certain circumstances, Dad Emery
Tucker retired as Dad. If ever a
man leaving office deserves praise,
it is Dad Tucker. He has given much
of his time and effort to the Fort
Wayne Chapter for some sixteen
years. During these years as Ritual-
istic Advisor and Dad, he gave to
me, and I'm sure to other's, inspira-
tion to do and live better. To Dad
Tucker I offer my personal thanks
for all he has done.

As in every job, when one good
person leaves, you need another to
replace him. We have found such
a person in Dad Walter Arick. Dur-
ing his many years of association
with our Chapter he has shown much
interest in seeing our Chapter grow.
He exemplified this the past summer
by attending a DeMolay's leader's
convention in Denver, Colorado in
order that he be better equipped
to be Dad.

I would like to close this article
with a happy note. As I stated in
my first article, Past Master Councilor
Mike Kelly was seriously wounded
in action in Santa Domingo. I am
now happy to announce that he is
recovering nicely and back in action.

The Mother's Circle will hold their
next meeting on October 18 at the
Gas Company, 114 East Wayne at
8:00 p.m. The program will be a
demonstration of Dutch Pennsylvania

I AM MY BROTHER'S KEEPER

That I am my brother's keeper is
truly a part of my life is demonstrated
in every avenue of life, whether I
am ready to admit it or not.

In the great crucible of life which
we shall call service and sacrifice,
we find the bare metals of greed,
avarice and selfishness are left as
the dross of life.

If my brother would have me go
with him one mile, that definitely
is my duty. When we gladly add a
second mile to this, that is a blessed

privilege. Masonry puts into a man's
breast the service of the second mile.
It is when we realize that the mis-
sion of masonry to the individual
is to uplift his character and create
within him a nobler manhood.

Brothens: October is here, and we are enjoying the autumn season. This is one of the most beautiful seasons of the year. The colors get deeper as the days get shorter. This is an excellent time to take a short trip into the country to see Mother Nature's Annual exhibition.

The Fellowcraft Degree was conferred September 10, 1965. I want to thank the officers and brothers for the wonderful job you did. Also, I extend my congratulations to Brother Otha E. Gustin P.M. Our Assistant to the Grand Lecturer Brother Allen B. Bennett will hold a Grand Lodge for Instruction on Monday October 11, 1965 at 7:30 p.m. Please keep this important date in mind.

Now is a very good time to plan to support our Grand Master's Ten for Ten Program: Ten cents per member, per week, for ten years. The first dollar of each gift each year will go for new building purposes, obsolescence and rehabilitation of the present buildings. The balance of each gift will be divided into equal parts with one half going to the Indiana Masonic Home Foundation Incorporated and the other half going into a special fund earmarked for staffing and operating the additional facilities at our Indiana Masonic Home hospital, now in the planning stages. The need is great.

You will receive a pledge card with your dues notice. May I urge each and everyone to support this worthy program to the best of your ability and means.

Now in closing please read Genesis 26:18.

Greetings Brethren: Our fall program has been resumed, our Annual Fall Picnic was held in Hoagland on Saturday, September 18.

All Past Masters please note our stated meeting, October 14 at Poe will be in honor of our Past Masters. A dinner meeting at 6:30 is being planned.

In the last issue of the Square and Compass, I forgot to announce the death of our Brother Walter Summers. I was out of the state on vacation at the time and failed to mention it. Brother Summers passed away July 25th and was the

2nd member of Olive Branch Lodge to pass to his eternal rest this year.

With the Eastern Star we are planning our Century-Plus-Six celebration at a date to be announced later. Brother William Jaras, who spent 2 years in the Far East has offered to show us pictures he has taken while overseas.

Brothens don't forget the date October 4th, after you receive this you will probably still have time to attend our Lodge of Instruction on the fellowcraft degree at Decatur in conjunction with their Lodge. It is important that the officers be present.

Our By-Laws Committee has submitted a revision of our By-Laws and they are to be voted on at the next stated meeting.

It was a fine feeling to arrive home from an out of state vacation and learn about the job turned in by Brother Bill Youtz S.W. True to his office, he carried on well in the absence of the Master. Thanks to all for your cooperation in our September stated meeting. October should be a busy month. On the 5th, Monroeville Lodge will host New Haven Lodge for "Lodge of Instruction". Please plan to attend this event as it is always enlightening and an evening well spent. Monroeville Lodge is always a fine host.

The 6th is our October stated meeting. Again, we shall have important lodge business to take care of and our Junior Warden heats up a fine pot of coffee following lodge. There is a possibility of degree work on October 13th. This will be on the E.A. degree.

New Haven Lodge will miss the sage advice of one of our Past Masters. Brother Norman Long, P.M. has accepted a new position in Fayette, Missouri. We wish him well in his new position.

I am pleased to inform you that Brother Rudy Peshek is home from the hospital and getting along fine.

How about attending one or all of our October functions, especially those of you we don't get to see too often.

See you in lodge.

Brothens there isn't much news to report this month as it has been a slow month.

The Eastern Star had their Inspection on Sept. 11th at the Huntertown Gym with a visit from the Worthy Grand Matron Sally Turner and Worthy Grand Patron Clayton Herrick. A reception for Sister Betty Surfus, District Deputy of No. 14,

who is from our own Chapter was held in the afternoon. Dinner was served at the Huntertown Methodist Church. There was a huge turn-out and all the events were enjoyed by all. Bro. Floyd Gause was presented his 50 Year Award by the Worthy Grand Matron. This makes the second 50 year award for Bro. Floyd in the last two years. He also received his Award of Gold in the Masons. To him, I extend my hearty congratulations.

At our last stated meeting, we had a large attendance as we had an architect come for a discussion and information session on our new building. It now seems brethren that our new Lodge can be a reality instead of a dream. We found that with a few revisions on his part we can build this building at a much lower amount than anticipated. He made the suggestion that he would make the necessary changes on our present blueprints, draw up some specifications and get an approximate cost from two contractors and bring this information to our next meeting on Thursday, October 7th for the discussion and we instructed him to do so. This is your Lodge Brethren, so try to attend this meeting if at all possible.

In closing, just a reminder that our Lodge of Instruction will be held on Wednesday, October 6th at Chubrusco Lodge. Dinner will be at 6 p.m.

See you in Lodge.

JUST AND RIGHT

To stand as a just and upright
Masoo is a most laudable desire or

ambition. But having achieved the upright position, to continue merely standing there, over moving, merely doing anything, never pushing on, signifies that desire is dead and ambition has been satisfied. Those who do nothing more than stand up to be counted as Masons have missed the real purpose and objective of the fraternity.

Justice and righteousness are principles. While they never change, the laws under which they operate are never static. These laws demand movement. They stimulate the individual.

No man who gets a full dosage to his mind, heart, soul and hands of true Masonry can stand still. In it have been placed the most vital elements of sentient life. These elements are the principles that existed before ever what we know of creation was begun. Justice, truth, honor, love, faith and charity, these are the stones man is expected to use in building his own temple and to employ in aiding others to build theirs. It is also true that these principles are the most dynamic forces known. Once given an avenue through which to work they never rest, they cannot be still, and they never quit. Therefore, when a man adopts these principles into his life through membership in Masonry, his own justness and righteousness should be stimulated into action.

— M. A. Stillwaugh, editor, Masonic Chronicle.

A true Mason is a law abiding citizen at all times. Masters should be particularly careful to see that no member goes untaught who violates the civil and moral laws of honor and manhood. Remember the dignity and high ideals of our Fraternity. Be more concerned with teaching the brethren rather than in raising a large number of candidates. Look well to the outer door, and do not overlook the fact that it should swing outward as well as inward. Should our good name be traduced, do not forget that the honor and the good name of Masonry is in your keeping.

WE NEED FOR MASONRY

By CARL A. MILLER

(Texas Grand Lodge Magazine)
We have come to meet and greet each other on one common level of brotherhood, to speak of hopes instead, of things executed, to place upon the Trestle Board for future.

Time speeds so rapidly that when we pause to reflect we sometimes cannot comprehend its flight, we are confronted with the ever new and ever important fact that with all his achievements, with his learning, with all his acquired wisdom cannot arrest nor hold a single instant of time. We are, therefore, concerned not so much with the time as with the more important question: Have we employed it as we should, and thus laid the foundation for improvement of time for the days yet to come?

Our hearts are cheered and glad when we see present, the old familiar faces of those who by their attendance and efficient service for many years, have set a high goal for Masonic endeavor. And we come just as gladly and as eagerly as those fine young men who present for the first time, who filled with rich promise, high hopes, plans and generous enthusiasm. We bid them enjoy with us each other the abundant fellowship and fraternal comradeship of the present occasion. May sincere love prevail and every virtue cement us all more firmly in our fraternal ties.

The spirit of Brotherhood. Centuries ago men banded themselves together for mutual protection and security. In the early days of the Fraternity, its obligations were real, men lived them, they lived by them. The relationship of one Mason to another was sacred and binding. These declarations among our forebears were not mere platitudes... they were rules which they lived in their Masonic relationship.

Believe that Freemasonry should be a moral support to all things in character. We boast that it is an institution of high morality and that we demonstrate morality by proving ourselves worthy of it.

In this age of political intrigue and stress, Freemasonry can become a tremendous power for righteousness and can cause Masons to think and

be inclined to believe that an return to some of the rules were established and practiced by our Masonic forebears is free by the institution of Freemasonry is to maintain its prestige and world.

Freemasonry has had many leaders, and

many leaders have been Masons. The leading men concerned in establishing the United States, in moulding its constructive policies and influencing its character, that has made it the great powerful Nation it is today, were Masons.

We have, therefore, the solemn duty resting upon us as men and Masons to preserve and conserve for succeeding generations this great privilege we enjoy. The world will best be impressed with the excellence of our Order by our Brethren practicing out of our Masonic Bodies in their daily lives the lessons of duty and obedience they are taught within them, for the world in the last analysis will judge our organization by the lives and examples of Freemasons. Whether or not we are conscious of the fact, it is a truth nevertheless that the world sets apart the Freemason as a man of superior attainments and enlarged capacities, and as a man who ought to be able to rise above the petty jealousies and differences that so persistently mar the peace and happiness of those who do not possess the Masonic secret.

We have then not only the duty of preserving our beloved Fraternity resting upon us but as well the greater duty of shaping our lives as becomes consistent Freemasons. If Freemasonry is always true to her ideals and we as members of that great Fraternity faithful to our obligations, and pursue her ideals not spasmodically and irregularly, but incessantly and persistently, then we may be sure splendid results will be attained and a great work accomplished. In today we are living in the most momentous times in all history, in a time when the lives and destinies of many of the nations are trembling in the balance in a time when civilization which has taken centuries to build may crumble before the uncertainty now sweeping over the entire world. At no time in the history of this nation has there been so great a need as now of the active personal patriotism which places country above individualism—the common good above selfishness. The need for Masonry was never greater than it is today in a world torn by bigotry and intolerance, bitter class hatreds and strife.

The appeal of Masonry to its loyal, earnest and devoted members was likewise never greater than it is today. More and more we are realizing that if this Republic is to endure and occupy its rightful place of power and prestige among the nations of the world, we Masons must stand squarely, and without evasion or modification of those great principles which the Founders of this Republic deemed so vital to the stability of this Republic, and which are the very foundations upon which rests the great superstructure of Freemasonry must in self defense, if for no other reason, respond to the clarion call for Masonic duty... Service to God, our Country and our Order. An Order that perhaps more than any other stands for, preaches and practices the form of patriotism and devout service for the establishment of the Fatherhood of God and the Brotherhood of Man.

AMERICA

(Exchange)

God built a continent with glory, and filled it with treasures untold. He bedecked it with soft, rolling prairies, and pillared it with thundering mountains. He studded it with sweet flowing fountains, and encompassed it with long, winding streams. He graced it with deep, shadowed forests, and filled them with song. These treasures would have meant little if myriads of people, the bravest of the races, had not come, each bearing a gift and a hope. They had the glow of adventure in their eyes, and the glory of hope in their souls; and out of them was fashioned a nation, blessed with a purpose sublime. They called it AMERICA!

DRAMA OF FAITH

By V. M. Burrows

Modern Masonry is a wise and well-equipped means of enriching our lives. As individuals, we need to learn that lesson.

We need to learn more of the potential power of Freemasonry, and more of how to make effective application of its beneficial influence in our daily lives.

Masonry, the superstructure of which has been erected upon the history and tradition of the temple of Solomon, built up through the ages a symbolism of its own by which the great truths of life and morality, and the transcendent truth of immortality are presented in a beautiful and impressive manner.

The immortality of the soul cannot be proven by science, nor demonstrated by logic; but only realized by faith.

God can only be defined by faith. Science can neither deny nor affirm that God exists.

Masonry teaches that we should have faith in ourselves, in our power to do good and to thus exert a beneficial influence by precept and example.

We should have faith in our fellowmen and in human nature, confidence in the honesty of men's purposes and intentions, and in man's capability of improvement.

MASONRY AND LIFE

(Scottish Rite Torch)

We find from the writings of Albert Pike that a man might go on studying by himself and make great gains in his power of understanding, but in time he will find that his power is on the wane. The remedy is to give away something that you have. The unchangeable law of our being is there is no spirituality to be attained alone. That is why the brotherhood of all mankind is one of the essential principles of our Craft. Spirituality must be a shared thing, and there must be both a determination to share it and constant effort to make the sharing come true. To understand and to share that understanding with all mankind is our destiny. The highest point we can attain in this life is to be of service to our fellow men.

SUCCESS

(Exchange)

A man is successful when he refuses to slander even his enemies; when he does not expect to get paid for everything he does; when he does not wait until tomorrow to do the things he might do today; when he is loyal to his employer and to his associates; when he intelligently cooperates with others and is tolerant in thought and deed; when he studies constantly to prepare himself for a higher position financially and in the estimation of his fellows.

Brethren, this is the month we give special thanks to the Grand Architect of the Universe for the many blessings we have received through his bounty. Let us also be thankful for those devoted founding brethren who gave Wayne Lodge No. 25 its very existence, one hundred and forty-two (142) years ago. Let us also be thankful for those faithful brethren who have kept the tapers burning throughout those 142 years. Did you know that three of our distinguished brethren have served as Grand Masters? (see page 29 of your Roster).

My wife and I went down to the Indiana Masonic Home on Sept. 19th for the 18th Annual Pilgrimage. We had a very interesting visit with Clara Thieme who is our only resident at the Home. Clara is in the Scottish Rite Bldg., room 110 if you care to drop her a line. We also paid a visit to the Hospital and they had on display the proposed architectural design of the new additions to the Hospital. I'm certain that when its completed we'll all be proud to have had an interest in it.

Brethren, I'm somewhat disappointed in our attendance over the last two months. If each one of you were to set aside just one evening a month for your lodge doing we would at least average 100 members per meeting. Can't you just imagine the let-down feeling our candidates experience when so few are paralleled within the lodge. You must realize too, the impression we make as Masons, when so few attend the Memorial Services of our worthy departed brethren.

Wayne Lodge extends its deepest sympathy to the family and friends of our worthy departed brethren: Howard L. Gocke and Thomas B. Clouse who just recently passed on to the Celestial Lodge above. Thanks to the brethren for being so thoughtful in attending their Memorial Services on such short notices.

Brother Donald H. Walpole received his MM degree last Sept. We welcome you Bro. Walpole as a member of Wayne Lodge No. 25 and wish you many rewarding years of Masonic fellowship. We'll be reporting on three new petitioners at our Nov. 4th Stated Meeting — so it looks like we'll be busy in Nov. Don't forget the EA degree will start on Nov. 11th. We'll be eating in the kitchen on the MM degree.

Brethren since our National Veterans Day is observed this month (Nov. 11th) then why not make a special effort to honor them with your presence during our visitation at the Veterans Hospital on Nov. 15th. (7:30 p.m.).

Don't forget to fill out your 10 for 10 Pledge Card which was mailed with your annual dues notice. Please return this card and your voluntary donation(s) along with your annual dues as instructed by your Secretary.

It is to be noted that the donations realized from the 10 for 10 Program are to be used to staff the new addition to our Masonic Hospital. This voluntary contribution will of course be in addition to your regular annual donations which you have probably already been giving to annually. I sincerely hope that those of you who are financially able, find it in your hearts, to support such a worthy cause.

To those of you who are ill we wish you one and all a very speedy recovery.

Don't forget our Annual Dinner Dance on Saturday, Nov. 6th at 6:30 p.m.

Greetings. The big news for November is that I have set aside our Master night to honor our faithful secretary, Brother Dwight Morton Myers. Friday, November 26th, the day after Thanksgiving, has been proclaimed Dwight Myers Night. On that evening we will pay tribute to Past Master Myers, who was Worshipful Master in 1937, and has served as Secretary since 1939.

We will devote a brief period after the evening meal in the kitchen on Master Mason night to Brother Dwight, and I strongly urge as many of his friends as possible to join with us at that time. As a special treat, he has promised to raise our candidate during the work in the evening. I am hoping that we will have enough Past Masters present to occupy all of the officer stations at the time. I would like as many as possible of the original line officers of Bro. Dwight's year to occupy the same stations they held at the time. Pass the word along and let's see a nice turnout to honor a brother who is long overdue for some recognition.

As you read this, our Annual Homecoming Banquet should just have passed, and I hope all of you who could attend enjoyed yourselves. To those of you who could not be with us, let me say that we missed you and that you missed a memorable evening. Eight of our brothers were scheduled to be honored with 50 Year Awards of Gold. Past Grand Master Clyde E. Flowers made the presentations on behalf of the Grand Lodge to the following: Elmer E. Allevoght, Frederick W. Bloemker, Oral C. Bundy, Orin M. Darling, William F. Frisch, Frank L. Nitzsche, Rudolph Roedel and Roy Welch.

Again, join with me in wishing these "senior Masons" a long life and good health. They have truly received an honor which few are privileged to receive.

We were entertained by WOWO's Bob Sievers, who regaled the audience with some of his embarrassing experiences in his many years of broadcasting. It was good to have an old friend as our featured speaker,

as Bob and I worked together many years on the same WOWO.

Our Lodge of Instruction in conjunction with the brethren of South Gate Lodge on the 15th was a fine evening of Masonry. Brother Allen B. Bennett explained many of the fine points of ritual to us, including for the first time, the funeral ritual. He seemed to feel that our work was good, although we felt that a little less nervousness would have made us all better. It is always a pleasure to have Brother Bennett, the Assistant Grand Lecturer visit with us. He is indeed a fine and dedicated Mason.

November should see us with the following approximate schedule:

Nov. 5, Stated Meeting 7:30 p.m.
Nov. 12, E.A. (dinner) Early afternoon.
Nov. 19, F.C. 7:15 p.m.
Nov. 26, M.M. (dinner) Early afternoon.

Don't forget the Veteran's Hospital visitation on Monday, November 22nd at 7:30 p.m. Let's really turn out to visit our buddies in the V.A. hospital.

Have a happy Thanksgiving, and let us all remember what we really have to be thankful for. Let your Masonic charity be as boundless as all Eternity.

Curtis K. Heston Secretary

October 5th was a memorable night for Three Rivers Lodge. On that evening Kendall Frech, Ward Bailey, Charles Scott, and most of the other original officers of the lodge put on the second section of the Master Mason degree. They did an excellent job and we had the largest attendance Three Rivers Lodge has witnessed in some time. Our candidate was Paul Zuercher and we welcome him into the lodge. Many thanks to you, Kendall, for your work on this "project" and we look forward to seeing it done again. Our thanks, too, to all of you brethren who took part that evening whether charter members or more recent members of the lodge.

Our tentative schedule for November is as follows: Nov. 2nd, MM degree, Nov. 9th, Stated Meeting and there being five Tuesdays in November it may be necessary to shift our degree work around to conform with our candidate's being in town. Any of the officers will be glad to supply information as to the dates of the degree work.

Nov. 2nd is our Past Master's Night and the Past Masters will present the work on the Master Mason degree. We shall also be making a fifty year award presentation on that evening. Lodge will open at 5:30 p.m. followed by the first section, dinner will be at 6:30 and the second section will start at approximately 7:15. Since it is possible the Square and Compass may reach you in time with this information, the officers will be coming to you about it. We hope you will be with us.

On November 15th the play was journey to Sturgis, Michigan, our second presentation in that lodge. We shall have car space for a brother who may wish to attend presentation of the play in a Middle lodge.

On Thursday evening Oct. 13, Three Rivers Lodge had joint inspection with Waynedale Lodge their lodge room. The work on Fellowcraft Degree was proficely performed by both lodges and evening was a most pleasant and profitable one for all who attended the meeting.

The American preacher Phyllis Brooks once wrote, "God has given us vast learning to solve all problems, or unfailing wisdom direct all the wanderings of our brothers' lives; but He has given every one of us the power to spiritual, and by our spirituality lift and enlarge and enlighten lives we touch." Might this be of the work of Freemasonry?

Greetings Brethren: In these past months those of you who have noticed Lodge have noticed an increase in reading material available for all the Brothers to read. Much of the material has been acquired by our Secretary through the Masonic Service Association. Next time you are in Lodge, stop by the Library and pick-up some Masonic literature. I believe you will find most interesting and informative. Brethren, the year 1965 is fast coming history and we hope that you will endeavor to attend lodge meetings evening before the year ends. The month of November will be a busy month. We expect work on three degrees. Again your lodge is celebrating St. John the Evangelist Day on the 27th of December, so why not mark your calendar now so that you will be able to join with your brothers in celebrating this occasion.

In closing Brethren I would like to ask each and every one of you to enthusiastically support our Grand Masters 10 for 10 program for the Indiana Masonic Home.

Brethren, I want to report to you that our Lodge For Inspection went quite well. Your lodge was host to Brother Bennett, Assistant to the Grand Lecturer for the Grand Lodge of Indiana, and to Sol D. Bayless. As I had previously informed you, the Lodge For Inspection was on the Fellow Craft degree and it was my impression from the Grand Lecturer's remarks that your officers are proficient in the letter of this degree.

I also want to thank those who were present for our V.A. visitation. This is truly a rewarding experience and I hope you will all mark your calendar accordingly when you are notified of our next visitation.

I want to welcome Richard Clark Abbott into the fellowship of Maumee Lodge. Brother Abbott was raised a Master Mason October 27, 1965. We are very pleased with his progress and proficiency.

I am happy to report that we will again be working in November. We hope to have two candidates for the Entered Apprentice, three for the Fellow Craft and four for the Master Mason degrees. We will open lodge as follows:

Stated Meeting: 7:30 November 3, 1965.
Entered Apprentice: 4:45 November 10, 1965 (Dinner).
Fellow Craft: 7:00 November 17, 1965.
Master Mason: 4:00 November 24, 1965 (Dinner).

Please note these dates on your calendar and plan to attend lodge.

My Brothers, as your bills for dues are sent, you will also find enclosed a little reminder about the Grand Lodge's 10 for 10 program. The beneficiary of this program is your Indiana Masonic Home. Please place this matter on your heart and then let your conscience be your guide — remember someday you may be the beneficiary of this great program.

During October, Arnold A. Lee was called to the Great Architect of the Universe and we extend our sympathies to his family.

Brother Ralph L. Whitehouse, 2400 West Broward Boulevard, Fort Lauderdale, Florida writes that his son Bill is Master Councillor of Doric Chapter, Order of the DeMolay in Fort Lauderdale. If any Brother is in Brother Whitehouse's area he would like to see you.

Were you in Lodge last month — WHY NOT.

My Brethren All. The time doth indeed draw near. This article for your Square and Compass I will compose and then one more and then it shall become the privilege of your new Master to communicate to you, through this medium, his thoughts, ideals, purposes and desires. I have been truly grateful for this opportunity during the past year to visit with you. I sincerely hope that we have become better acquainted through these articles and that they have met with your approval. I hope I have not offended anyone. I do have strong opinions but there are no personalities involved and I direct nothing to any particular individual. It is with the generalities of my Brother Masons with which I am concerned. Just this evening I went through the card file of our some 420 members and I was saddened by the knowledge of how few of you I know personally. My Brethren, this is not right. I realize that you cannot attend Lodge every Monday night but one of us, either you or I, is amiss if we have not met at least once in the six years that I have been an Officer of YOUR Lodge. Perhaps it is I who has materially erred. I sincerely hope not.

South Gate Lodge was very much honored recently by the selection of two of her members to receive the Honorary 33° of Scottish Rite Masonry. Our Brothers Ed Purcell and Ross Adair will receive this great honor next year. There were only four Brethren of the Fort Wayne Valley of the Scottish Rite elected to receive this high rank and title and of the four, two of them were South Gaters. This mark of distinction is highly pleasing to all of us and Brothers Purcell and Adair have our warmest Congratulations.

Now as for dates to mark on your calendar, do not forget Saturday, November 13 at 6:30 p.m. This will be your annual Family Night Dinner and our last social event of the year. It is FREE. Come and bring your entire Family. Be sure and return your card with the number of reservations you want to your Junior Warden, Brother Dale Shupe.

We are planning a fine dinner and entertainment which we hope will be enjoyable to all age groups. Frankly, I was disappointed that we did not have a bigger turn out for our Ladies Night in September with such a fine speaker as Reverend Philbrook. Lets have a lot of people for Family Night.

We will probably have degree work in November. Watch your daily newspaper on Sundays or Mondays for the Masonic calendar. We have raised some fine Masons so far this year. Dec. 13 siour Annual Stated Meeting and Election of Officers for next year. This is the most important Stated Meeting of the year so you should attend Lodge that night and vote for the Officers of your choice for 1966. Fraternally yours and see you in Lodge.

Greetings from your officers. We have come almost to a full turn of the wheel. One more stated meeting and our year will be over. When we took office in January, it seemed we had all the time in the world to get things done; but the sands of time have passed away almost imperceptibly and to our surprise the year is ended. Our accomplishments, whatever they may be are now recorded for all to see and another stone will be added to the ever building temple. Whether the stone be large or small, rough or smooth, the handiwork of master craftsmen or apprentices, only time can be the true judge. We all hope that each of us have been able to contribute something for the good of the Craft, that our contributions, whatever they may have been, have been a credit to the Fraternity at large and to Home Lodge in particular.

Our next stated meeting will be the annual meeting at which another group of officers will be elected to serve your lodge. Will you be there to share in this important meeting? Remember, it is your lodge and your responsibility is just as important as your fellow members. To recap some of the recent activities of the lodge might be in order. We enjoyed a nice turn-out for the dinner in honor of our Past Grand Master, Orvis A. Dellinger on the occasion of his receiving the Indiana Grand Lodge Award of Gold. Tri-state also had a nice group to journey to Chicago this year. My belated thanks to P.M. Irv Burelison for the wonderful job he did as chairman for this event. From what I hear, every one had a good time. October 12th, we were host for the annual Lodge of Instruction. This was held jointly with Wayne Lodge and all the officers did a nice job in their respective stations.

At this writing, we have an Award of Gold to present to Brother Frederick Hughes of Brockton, Mass. He has returned to Ft. Wayne to receive the award in his own lodge. We do have degree work scheduled for November, so plan on coming down to lodge and enjoying an evening of fraternal fellowship with your lodge brothers. Home Lodge has had another brother called to the Celestial Lodge above. Brother Carl Schwartz passed away October 9, 1965. Masonic services were held at the funeral home. Bro. Schwartz was raised a Master Mason in 1907; he was a member for 58 years. Our sincerest and deepest sympathies are extended to his bereaved family.

The members of Home Lodge are responding very nicely to the Grand Master's Ten for Ten program so far. This is an ambitious program. Most Worshipful Brother Burton has outlined; but for brothers who take their Masonry seriously, it will be backed wholeheartedly and is bound to come to fruition. The Tenets of a Masons profession are not to be lived up to only when in lodge assembled; but are to be practised every day of our lives. The Ten for Ten program is a tangible means of expressing the tenets of Brotherly Love, Relief and Truth we profess. Fellows, lets not just talk about it, lets get behind it and support it all the way. Along with this, the Grand Master has issued a Proclamation which has been signed by all the Grand Lodge line officers. This proclamation urges all 50 year Masons who are willing and able to do so, to become members of the 50 year Emeritus Club. This they can do by contributing an amount equivalent to the annual dues of the lodge in which they hold their membership. Home Lodge has quite a few 50 year members and they will each receive a copy of this proclamation. This is a very worthy program brethren and as Master of Home Lodge, I urge you to support it to the very best of your abilities. The following quotation, an excerpt from a poem in a book by Dorothea S. Kopplin entitled "Something To Live By", I think is very appropriate:

"Little by little," an acorn said, as it slowly sank in its mossy bed, "I am slowly growing every day, hidden deep in the earth away". Little by little each day it grew; little by little it sipped the dew. Downward it sent out a thread-like root; up in the air sprung a tiny shoot.

Day after day and year after year, little by little the leaves appear; and the slender branches spread far and wide, till the mighty oak is the forest pride.

Yes, little by little this program will grow; but grow it shall, because Masons are charitable men and our Masonic Home at Franklin is living proof of what charitable men can do. Let us show our Grand Master and the other Grand Lodge officers, we are behind them 100% on this great endeavor of Masonic Charity by giving 10 cents per member, per week for ten years.

Fraternal Greetings! We missed greeting you last month and for this we are sorry. We will attempt this month to bring you up to date on some of the happenings that have passed and inform you of events which might be of interest to you.

The Indiana State Association held its fall meeting in Indianapolis on October 9th. Sojourners Pauline Gibson, Edna Biddle and Erma White were in attendance. They reported a nice meeting was held. Thank you, Sojourners for representing our Shrine.

On Saturday, November 13th a new Shrine will be instituted at Greendfield, Indiana. The Shrine will be instituted at 1 p.m. followed by a banquet at 6:30 and the Ceremonial at 7:30. Bethesda Shrine No. 11 of Anderson will put on the ceremonial. This is the first Shrine to be instituted in several years here in the State of Indiana so let's all put forth every effort to attend. We are sure you won't be sorry.

The Ways and Means Committee under the leadership of Soj. Edna Biddle as chairman has many projects under way worthy of your assistance. They will hold a card party at the Old Crown Brewery on Spy Run Ave. on November 15th. Donations are one dollar per person and a bazaar will also be held. Plan now to attend and bring your friends. A rummage sale was held in Auburn on October 16th and it was reported that the Shrine cleared almost \$50.00. Our sincere thanks to all who helped in any way to make this a success. Our thanks also to Sojs. Erma and Alton White for donating two hand loomed rugs which will be raffled off at the card party. Soj. Erma White has Christmas Cookies on hand and is ready to take orders. It is not too early to be thinking about Christmas cards so why not give Soj. Edna a call and place your order.

The Orion Club will meet on the 4th Sunday of November (November 28th) at the Home of Sojs. Flo and Dale Widney. The September meeting of this group was cancelled due to the death of the father of our Worthy High Priestess, Soj. Anna Mae Eichman.

At our stated meeting on November 12th we will observe Friends' Night. Come out and enjoy the fellowship of our out of town guests. On November 26th we will have a stated meeting. Your presence at both of these meetings is requested.

Our Cheer Chairman, Soj. Florence Nahrwald, gives us the following report:

Illness in the Shrine: Soj. Mildred Igney has the flu. Soj. Alton White is back to work after becoming sick while on vacation in South Carolina. Soj. Philina Stump home from the Auburn hospital. Soj. Delle Deardoff home from the hospital.

In families: Husband of Soj. Hilda Campbell home from the hospital. Daughter of Soj. Bertha Clear home from the hospital. Sister of Mildred Igney. Sister-in-law of Soj. Helen

Correll. Husband of Soj. Nellie Stripe.

Deaths in families: Father of our Worthy High Priestess, Soj. Anna Mae Eichman. Husband of Soj. Lillian Gocke. Mother of Soj. Elizabeth Guild.

To those who are sick we wish a speedy recovery and to the bereaved we extend our deepest sympathy.

As we observe that day set aside to thank our heavenly Father for all the blessing He has bestowed upon us, may I leave you with this thought:

We should observe this day with more than feasting.
 It should be one of gratitude and prayer

To the Author of all good, a day of praising

For the blessings that surround us everywhere.

Hope to see you in Shrine.

Reports of a very fine Supreme Assembly in Portland, Oregon were given October 19th. Two of our members, Mrs. Stanley Putman and Mrs. Robert Gahmon, participated in the program.

Your President wishes to thank the Assembly for the privilege of attending and the officers and members who went with her and whose presence made everything much more enjoyable. Also for the beautiful corsage, a gift of the line officers.

Supreme Assembly will be in Indianapolis next year and we will be one of the Hostess Group. Plans are being formulated to make this Assembly the best one ever and, it being so close, we hope many of our members will attend.

Our inspection by the newly installed Supreme Worthy President, Mrs. Vermae Sidles, will be December 4th — you will hear more about this later but do save that date.

We were saddened by the passing of Sister Helen Moore. She was one of our first initiates and an officer during the earlier years of our Assembly. Our sincere sympathy to her husband and family.

Our sympathy to Sister Jane Millhorn and family in the passing of her mother-in-law.

The mother of Sister Hortense Stevenson fell and broke her hip and is at St. Joseph Hospital. We wish her a speedy recovery.

Congratulations to Sister Mary Miller on a great-grandchild.

Congratulations to Sister Ethelra Rehklau, who was recently married.

Past Presidents' Christmas Dinner will be December 11, 1965, 1 o'clock, at South Side Gardens. There will be a 50 cent gift exchange.

Happy Thanksgiving to all of you.

Eastern Stars. November 17 will be the Election Night in this term. The month in which the election for the new line officers is held, always proves to be interesting. On this special night every member has the opportunity to select the line officers who will serve their betch!! Before coming to the meeting, please think over all that Job's Daughters has meant to you, prepare to have an open mind in the meeting, and come to vote for the one of your choice.

When a decision is made, remember that it sticks a long time. The line officers and girls wanting to be line officers are all excited, please don't disappoint them, but come in numbers!

For an extra activity this month we are having a Mother and Daughter Tea on November 9, this will incorporate the Mothers' Club meeting for this month. We hope to see a lot of mothers and girls come and enjoy our extra special attraction. The

co-chairman are Sandy Burelison and Janie Bleek, with Mrs. Burelison as an advisor.

Please don't forget that November 25 is Thanksgiving. We all have so much to be thankful for. I hope everyone will remember to take a little time to thank God for everything He has put on this earth for us to enjoy. Also don't forget to help others less fortunate than yourself. Have a Happy Thanksgiving, but don't eat too much.

The following were introduced and given a hearty welcome: Helen Herrick, wife of our Worthy Grand Patron, and Ray Turner, husband of our Worthy Grand Matron; Presiding Matrons and Patrons; Past Matrons and Patrons; a group from Toledo, and a group from Muncie.

The guest officers were escorted to the West and were greeted by the Choir with the following words sung to "Aunt Dinah's Quilting Party": " 'Tis the night our star friends gather — for a good old fashioned meet — As it's at our Chapter's Quilting Party — With much pleasure each we greet — 'Twas so nice for you to roam from home — Its so good to see your smile — as it's moments with our friends we cherish — That makes our life worthwhile." After the guest officers were introduced, Guest Matron, Vergil Renollet of Bluffton, and Guest Patron, Burton Fry of Harlan, were invited to share the East.

Under the direction of Loraine Tew, Chairman of the Program Committee, Carol Munk, Marlene Korn, Patsy Hinkle, Betty Highley, and Jean McQueen put on a two-act play, "A Star Quilt". The play was highlighted by Carol's singing "The Lord's Prayer." Betty closed the play with the following thought: "Our lives are like this patchwork quilt; made up of bits of experience gathered here and there, Days of sorrow, joy, gladness, of toils and snafes; but if we will remember to forever follow the rays of the Eastern Star, life will have a beautiful ending and the star

At our Sept. 28th Chapter, donations were approved for three worthy causes—the Fruit Fund, Home Fund and the Knights Templar Eye Foundation.

Initiation was held and we welcome Sister Florence Birge into our Chapter. We know her Mother was proud to be a part of this Initiation Service which is always impressive and reminds us of our Obligations as members in Star of the East.

Colored pictures of the Temple at Washington, D. C. were shown by Bro. Clarence Christopher, with Sister Sonoma Woodruff, Member of Knights Templar Eye Foundation Committee of General Grand Chapter, and P.G.M. of Indiana as commentator. Sister Sonoma has visited the Temple on many occasions and her description of the building, rooms, furniture and grounds was interesting and most enlightening to those who have not been there. We have the privilege of contributing one dollar towards the upkeep of this beautiful Temple.

On Oct. 12th we honored the Chaplain's Station and members of the Decorating Committee pinned miniature Bibles on us as we entered Chapter. Bro. Gale Davison assisted in making these Bibles. The Worthy Matron thanked the following Programs: Bro. Russell Coe as Worthy Patron; Bro. Gale Davison as Associate Patron; Adella Davison as Conductress; Rose Rose as Marshall; and Les Silver as Prompter.

As Sister Betty Surfus, attractive Deputy of District 14, one of the honored guests, was escorted to the East, the choir sang "This Is My Day." Sister Betty thanked W.M. Nama for inviting her to our Chaplain's Night Program. We look forward to having her with us again.

We honored our Secretary, Sister Tama Christopher, Grand Representative of the State of Maine in Indiana, and also a P.M. and Past

Chaplain. As she was escorted to the East, the choir sang "Tama" to the tune of "Tummy". Sister Tama told how much she enjoyed being a Grand Representative for the last three years; the many friends she has made in Maine and other States in her travels as Grand Representative. We think Tama is a "Grand Representative" in all she undertakes.

Our present and past Chaplains and Chaplains from many other Chapters were also special guests. After they formed a circle facing the East, the choir sang "Prayer is The Key to Heaven".

Sister Lucille Brattain gave such a vivid description of the journey she and her husband made to the Holy Land, that we felt (and wished) we were with them. Thanks, Sis. Lucille.

Sister Tama's Officers (when she was our W.M.) were hostesses at the Reception following Chapter. They and the Decorating Committee are to be commended for the beautiful decorations which were in keeping with the Chaplain's Station and Ruth's Station.

Worthy Matron Nama Bair announced the following four coming events to be remembered:

11-7: Our members will make a trip to the Franklin Home.

11-9: Friend's Night. The Drill team will present their Drill. Come! Bring a friend and see this Drill by our Sisters.

11-23: We will Honor Estrellita.

11-29: We will have our annual Card Party and Bazaar at the Temple. The Committees will have many items on sale that evening. Be sure and support the Ways and Means Committee on this project, and let's have a good turn out for the Card Party.

IMPORTANT: Sister Tama Christopher, Sec'y., again reminds us that our dues are payable as of November 1st and she would appreciate it if you would pay her when you attend Chapter or mail your check to her soon. Thanks.

"A friend is one to whom we may pour out the contents of our hearts, chaff and grain together, knowing that the gentlest of hands will sift it, keep what is worth keeping, and with a breath of kindness blow the rest away." Thus our Worthy Matron greeted the many friends and guests who gathered in our Chapter room on October 7 for our Friends' Night meeting. In keeping with the "Quilting Bee" theme, in the East was an old fashioned sewing corner with a rocker and sewing basket placed beside a small table on which lay a Bible beside an oil lamp. In the West was a patchwork quilt, loaned by Mrs. Mary Schmeling, the mother of Louella Goller.

We were honored to have in the East Clayton L. Herrick, Worthy Grand Patron; Sonoma Woodruff, Committee Member of the Knight's Templar Eye Foundation of General Grand Chapter and Past Grand Matron of Indiana Grand Chapter; Maxine Moser, Grand Conductress; Erma Ellis Seafang, Deputy Grand Matron of District 6 of Ohio Grand Chapter and member of Triune Chapter of Toledo; and Betty Surfus, Deputy of District 14.

We were also honored to have at our meeting Grand Chapter Committee Appointee, Del Proctor; and Grand Representatives, Opal Clements, Tama Christopher, Betty Truman, and Vera Hayden.

that guided our footsteps here on earth will surely lead us to the New Jerusalem."

In the message from our Worthy Grand Patron he remarked what fine, good substantial American people he had found in his visiting of our Eastern Star Chapters and that no where else do we find the type of people that we find in Eastern Star; that within the last few years there has been a revitalization and rededication to the Star and to the Masonic Order. He stressed that as we take our obligation at the Holy Altar, we assume an obligation to the world as well as to our fraternal order.

Sister Sonoma stressed the value of friendship among our Eastern Star members and told us that life's greatest gift to us is the gift of a friend.

Sister Erma Seafang brought us

greetings from the State of Ohio and from Triune Chapter of Toledo.

Savilla Pabst was responsible for the idea of presenting Sister Irene with autographed quilt pieces to be assembled for a patchwork quilt. The center is a large white square with the names of the officers at each station. The surrounding colored pieces are embroidered with the names of committee members and the side-liners. If you have not as yet autographed a quilt piece, contact your committee chairman or Irene so that your name will become a part of Irene's "Star Quilt."

Following the meeting we went to the dining room where tables were decorated with ivy and holly. Hurricane lamps and baskets of apples added a note of autumn. At each place was a sack lunch. Coffee was served by our Past Patrons, attired in their red vests and ties.

November 4 is the night when we are honoring our Past Matrons and Patrons with a banquet and Cinderella Ball. Dinner tickets are \$1.75 and dinner will be served at 6:30. Check with Madge Harshbarger, 483-2880, for reservations.

November 7 is Home Coming Sunday for our Eastern Star at the Masonic Home in Franklin. We are planning a caravan of cars and will stop for dinner on the way down. Make up your carload and join the caravan. Contact Bob Mumaugh, 745-4480, or Forrest Fennell, 745-2616, for place and time of meeting for departure.

District 14 will hold their fall meeting at Hometown on Saturday, November 13, starting with a pot-luck supper at 6:30 p.m. The district meetings are important and our members are urged to attend and support the Grand Officers from our District.

Candle Dipping

A candle's but a simple thing.
It starts with a bit of string;
Yet dipped and dipped with patient hand

It gathers wax upon the strand
Until, complete with snowy white
It gives at last a lovely light.
Life seems so like that bit of string;
Each deed we do a simple thing.
Yet day by day on life's strand
We work with patient heart and hand.
It gathers joy, makes dark days bright
And gives at last a lovely light.

by Miriam Campbell

 In closing:
 This month as we observe Thanksgiving Day, may we all be reminded of our blessings and show gratitude to our Heavenly Father for all of them. Gratitude is a becoming trait. It sweetens life, cements the bonds of friendship, gives cheer to fellowship, and makes benevolence a joy. See you in Court.

Vacation time has come and gone and we are in full swing in our winter activities. By this time our rummage sale and fish fry will have been over and we hope both were successful.

On October 13th we held Friends Night and several members from other Courts in the state and our neighboring Court Anthony Wayne were present and assisted in making the evening very much to be desired. We were royally entertained by some members of the Franke Park Recreational School for Leadership, who gave several exhibitions of Indian dances in colorful Indian costumes and lore.

At our next meeting in November we will honor our Master Masons who have contributed much every meeting night. Will all Sir Knights try hard to be present on that night and aid in our celebration and make it a success.

H.L. Nellie Moore had an operation lately and is getting along fine now. We hope that she can be with us soon. H.L. Florence Geiger, who has been ill was able to be with us at our last meeting.

November is Thankful month and all should count their many Blessings and offer Thanks to Our Father in Heaven for His Guidance and Care during the past year.

Thanks, to Thee, Dear Lord, for the sunshine and showers Which grows our living and gives nice flowers:
 During Spring and Summer planting, we spend much time Sowing seeds in the earth, which brings forth colors sublime.
 So, in sowing seeds of kindness, not only in earth,
 But also in our Order for all that they're worth;
 We will, in the future, reap a harvest of cheer
 As we labor together year after year.

Companions: How swiftly runs the sand of time, next month will bring the end of another year. We are still looking and hoping to see you members in chapter, who have not been there recently. We are still planning on having the all degree day on Saturday twentieth. Help us get the petitions signed up so we will have a nice large class. Mark your calendar now and come to the delicious dinner prepared by companions Planck and Marshall, and the ladies, then attend the meeting at 7:30. (Dinner at 6:15). A timely message—courtesy of Companion Fred W. Knott, of Auburn.

Christ came—He lived—He taught—He played—He revealed His fathers will, And to mankind He ne'er delayed His purpose to fulfill.

Physically, He died upon the cross, was laid in a borrowed tomb From which He arose, without a loss And resurrected to His fathers home. But—He also lives in the world today

And reveals with a spirit voice Our relation to Him,—the only way, We can make our righteous choice.

And—if not today—then some tomorrow, We to will have ceased to be; But—come when it may, may we hear him say "Welcome home—come—live—with me."

Companions: As you read this we have just two more months left in this chapter year, but I hope they will be busy ones. The remaining schedule will look something like this.

Nov. 15 Stated meeting. Dinner at 6:30. Short business meeting at 7:30 after which Past High Priest Harold Martin will show his hunting pictures. This should be a most interesting evening and I certainly hope a goodly number of companions are present. The dinners have been well attended this year and we have had an hour or so of very pleasant time together.

Nov. 20 Fort Wayne Chapter is having an all degree day which will start at 1:00 p.m. with Bluffton, Indiana chapter presenting the Mark Master Degree. Thomas R. will present the Past Master Degree. The Most Excellent Master Degree will be presented by the North Eastern Indiana Association. Dinner at 6:00 p.m. followed by the Royal Arch Degree presented by Fort Wayne Chapter No. 19.

Companions this will be a day of fine degree work and I recommend it to all companions. The fellowship of an all day meeting with companions from other chapters is rewarding enough, then add the excellent dinner and fine degree work and you have a day to remember. Thomas R. will have at least one candidate in the class and possibly

three so come and enjoy yourself.
 Dec. 17 Stated meeting and also called our annual meeting. Dinner at 6:30 prepared by professional cooks. Business meeting at 7:30 and election of officers followed by Fort Wayne Commandery No. 4 Drill Team presenting an exhibition of their skill which has won them many honors over the past years. The drill team alone should be enough to bring out a large crowd then add a good dinner and I feel we should have an excellent crowd. The drill team will be our guests at the dinner so come and join the crowd.

Election of officers is the business of all good companions therefore I urge you to be present at this meeting. This year hasn't been too kind to us in our officer line. We have lost two very fine companions, both of whom were either transferred out of town, or obtained other employment out of town. First we lost Bert Pontoni, Principal Sojourner who moved back to Cleveland, Ohio. Just last month Norm Morgan, Captain of the Host informed us that he is being transferred to Canada by his company. Both men will be hard to replace, as a matter of fact filling the one regular vacancy each year is hard enough, but this time we need three. Anyone who has any ideas please come forward and express them, your counsel will be appreciated.

On Thursday, September 30, several Sir Knights of Fort Wayne Commandery No. 4 traveled to Angola with two candidates, Homer Richart and Paul Smith. After a ham and bean dinner, the Order of the Red Cross was conferred on a class of 6, including our candidates.

The Order of Malta was conferred in our auditorium on Thursday, October 7, and the Order of the Temple on October 14. We all welcome Sir Knights Homer and Paul and hope they will take part in the work on our All Orders Day November 27.

It is hoped that the carpet will arrive soon and that the 5th floor social room may be completed. All painting is finished and the draperies hung. You should all visit the fifth floor and see what changes have been made.

Do not forget the Thanksgiving Dinner at 6:15 on Thursday, November 18; turkey and all the trimmings.

Plans are being made now for the Drill Corp Ball to be held on February 5, 1966. It is not too early to make up your party group now for this big event. See you all in the Egyptian Room for Stated Meeting.

Brethren: With deep regret I report the untimely death of Brother Clifford J. Haman who was seriously injured in an automobile accident. Funeral services were held on September 20th at Newport, Michigan.

We had the pleasure of having the Assistant Grand Lecturer, Brother Allen B. Bennett with us on Monday, October 11th. A lodge for instruction on the Entered Apprentice Degree was held with Harlan Lodge No. 296 F.&A.M. as our guests. We were also examined on the funeral service ritual. This was a very interesting and informative meeting and I am sure much was gained by all in attendance. I am very happy to report that all officers were present.

Dear Brethren: Olive Branch Lodge, extends its sympathy to Mr. and Mrs. Jerry Pettibone through the death of their daughter Jonna Ray on September 19th. Mrs. Pettibone is the Worthy Matron of our St. Marys Chapter of the Eastern Star.

Our second outdoor picnic was well attended; there were between forty and fifty persons in attendance and all enjoyed a delicious potluck supper Saturday evening September 18th.

The Lodge of Instruction held at Decatur on October 4th was given on the Fellowcraft Degree. I wish to thank all officers who participated for their proficiency.

As this is being written all Brethren have been informed of our Past Masters Night, October 14th. We hope to have a good attendance.

Our good Brother Ralph Head-

ford is ill at home and welcomes visitors, but it is best to call in advance and see if he is up for the occasion.

How fast the time flies, in just two more months it's again time for the election of officers. It has been suggested that our Senior Warden Bob Mix, write next months letter to Square and Compass. I am sure that Brother Mix will give you something good and worthwhile. He has taken a very active part in our Lodge for the past few years and I welcome the occasion.

I will leave you with these Masonic words of wisdom. "Each today, well lived, makes every yesterday a dream of happiness."

On October 5th, New Haven Lodge journeyed to Monroeville Lodge for our joint Lodge of Instruction. New Haven officers were well represented and as always, we learned and were reformed of many things. Following the meeting, Monroeville spread a tasty snack. Our thanks for a pleasant evening.

October 6th stated meeting was very well attended. It was nice to talk with so many who have been busy or vacationing this summer. Maybe cooler weather will bring out some more Brothers.

We are in need of some of your time. Just a few hours a month. No hard labor involved. This job should bring pleasure to most Masons and after only a short time you should be able to see the fruits of your labors. Our DeMolay Council needs some interested members. We need and can use any talent you can pass on to our boys. You can work directly with the boys or assist in planning and background work. The only requirement needed is interest in the male youth of the New Haven area. The pay is also good. The feeling you get after a job well done can't be measured in money. If you need more information, contact Brothers Jack Crance or Harold Eddy.

Our secretary's letter was a fine one and to the point. I am sure you all read it and passed on to your Ladies our Grand Master's note. It has been a regular and a fine habit for New Haven Lodge to be on the Grand Master's honor roll for several years. Lets make 1966, even better than our third place in the state in 1965.

Plans are under way for a "Table Lodge" on December 27th. This is in answer to our Grand Masters proclamation regarding the "Feast of St. John."

Brother John Miller is reported doing much better but at this writing he is still confined at Parkview Hospital. We wish him a speedy recovery.

November 3rd., is our stated meeting. Make a little special effort to be with us. Our Junior Warden will make his usual special effort over the coffee pot for after the meeting. fellowship. See you in lodge.

Well, it's been two months and a new school year is well under way. A new year is also well under way for the Fort Wayne Chapter DeMolay.

One big event is already past—our annual hayride. It was held on October 2 at the Meyers Barn. The ticket sales went well and there were over three hundred and fifty who attended. Those who came to the hayride and the dance following I'm sure will agree that it was one of the best ever held. I would like to thank everyone who helped to make it such a success.

But there are still many great events to come. On Wednesday, November 3, the annual DeMolay Family Potluck will be held. This affair is held in honor of our families, so each DeMolay is urged to bring his family. It promises to be a very exciting evening. Further information can be obtained from myself or the chapter dad.

On December 11, our Saturday Initiatory and DeMolay degrees will be held. On this date we will be honoring our recently retired Dad Emery Tucker by naming this class in his honor. All members are urged to help make this date more meaningful and successful by bringing in as many petitions as possible.

Plans for the 1965 DeMolay Christmas dance are now getting underway. Those who would like to help in the planning may contact any of the Councilors. We would appreciate as much help from the members as possible.

I would now like to formally welcome to the Advisory Council as new advisors: Mr. Paul Bullard, Mr. Wayne L. Dye, Mr. Fred Hire, Mr. Robert M. Kopper, Mr. Gene M.

Lopshire, Mr. Richard E. Moore and Mr. John M. Siemer. I would like to thank them for giving a part of their time to help guide DeMolays. Each new advisor has been slanted toward a specific assignment and I'm sure that they will do an excellent job.

Recently, Senior Councilor B. Bordner was chosen to represent the Fort Wayne Chapter at the newly formed Fourth District DeMolay Council. Congratulations and good luck in your new position.

I nearly forgot to remind each DeMolay to be on the lookout for his school's candidate for the 1966 Chapter Sweetheart. December 8 is the night that the voting will be done. I'm sure that there will be a nice turnout of members at the meeting.

The Mother's Circle will have the next meeting on November 15 at the home of Mrs. Harold Sachs, 315 Rexford Drive, at 8:00 p.m. The program proves to be a very interesting one as Mr. Frances Marlowe from the Federal Probationary Office will give a short talk and then hold a question and answer period. All mothers are urged to attend.

Indiana, which became the 19th state to enter the union on December 11, 1816, will celebrate its 150th anniversary of Statehood during 1966.

SELF RESPECTING AND CONSCIENCE FREE

We have to live with myself, and so want to be fit for myself to know, want to be able as the days go by ways to look myself straight in the eye.

Don't want to stand with the setting sun and hate myself for the things I've done.

Don't want to keep on a closet shelf full of secrets about myself.

Don't fool myself as I come and go to thinking nobody else will know the kind of person I really am.

Don't want to dress up myself in sham.

Don't want to look at myself and know I'm blunder and bluff and empty show.

Want to go out with my head erect, want to deserve all men's respect, want to be here in this struggle for fame and self.

Want to be able to like myself, can never hide myself from me, see what others may never see, know what others may never know, never can fool myself and so whatever happens I want to be

'THE PRICELESS YEARS' ANOTHER DEMOLAY FILM

The International Supreme Council, Order of DeMolay, has produced a new 16mm. film about the organization's activities. Called "The Priceless Years," it is produced primarily for a Masonic audience.

In vivid color, this half-hour movie presents film actor Brother Harold Lloyd, Past Imperial Potentate of the A.A.O.N.M.S. and chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, as narrator and introducer of Masonic leaders who show dramatically how Masons can participate in providing guidance and help to young men in their priceless years through DeMolay.

Other narrators include Senior DeMolay and Oregon Governor Mark O. Hatfield, Senior DeMolay Bob Mathias, who was the decathlon champion in 1948 and 1952 Olympics, and George M. Saunders, 33°, P.G. M., Grand Secretary of DeMolay, and Imperial Recorder of the Shrine.

Just as the first film, this second one was underwritten by the Phillips Petroleum Company. Considerably more money was spent on this production to insure maximum quality in picture and sound. It is a valuable program item for Masonic Lodges that will stimulate the brethren to support the excellent youth program started in 1919 by "Dad" Frank Land, 33°, G.C.

Information about the use of these films can be obtained from the executive offices for DeMolay in each jurisdiction or from DeMolay Headquarters, 201 East Armour Boulevard, Kansas City, Missouri 64111.

ON PROTECTING OUR YOUTH

Israel Pickens, 32°
Post Office 943,
Mobile, Alabama 36601

We of the Masonic Fraternity are deeply committed to helping preserve the Nation's ideals and to protecting our young people from the snares which in these troubled times would seek to turn them to paths of unrighteousness. As the fundamentals of our government are being assailed on all sides, our youth are next in line to assume the full duties of manhood and citizenship. We, who have eyes to see, are well aware of the subtle efforts of the evil-minded to lure our young people into paths of delinquency and crime.

Our Masonic Fraternity is doing a great work in fostering the activities of the Order of DeMolay. Herein is a work that needs the encouragement and support of every Master Mason for it is in the preservation of the ideals of America in the minds and hearts of our youth that the

evils of materialism will be thwarted and overcome. We cannot destroy material systems such as communism with guns. It is only through the moral and spiritual forces of righteousness and of God that our civilization can be protected and maintained.

Many Masons are unfamiliar with the great work that is being done by the Order of DeMolay. This Order is composed of young men between the ages of 14 and 21. Its work is that of promoting good citizenship and indoctrinating its young members in the principles thereof. Its precepts are love of parents, reverence, patriotism, cleanness, courtesy, fidelity, and comradeship. Its members are encouraged to support our public school system and to learn more of the fundamentals of our free government.

While the Order of DeMolay was founded by a Mason and is sponsored by Masons, more than 60 percent of its members are from non-Masonic families and it is not, strictly speaking, a junior Masonic Fraternity.

Federal Bureau of Investigation Director J. Edgar Hoover, 33°, is an outstanding worker in behalf of law and order. He is interested not only in protecting the people from the hardened criminal but also in handling and forestalling juvenile delinquency.

In speaking of protecting America's heritage of freedom, Brother Hoover specifically calls upon the young people in these words: "May you, with God's holy guidance, preserve and strengthen that priceless heritage for generations yet to come. The voices of temperance, logic, and decency must speak out more effectively and make their influence felt."

"No problem is so acute, no crisis so severe, that terrorism can be tolerated in a society of free men. Hate, terror and lawlessness are not the American way of accomplishing any objective that is truly worthwhile in meeting the tense crises which confront the United States in this nuclear age, we must look to God for guidance and inspiration."

"Let us protect and defend the real meaning of America. This is the debt we owe to the brave legions of the past who laid down their lives to safeguard the great truths which guide our destiny today."

WE WHO WOULD BE KING (Exchange)

Perhaps no type of Mason does greater harm to a lodge and comes nearer to wrecking it than the man who wants to run things to suit his own whims and fancies; one who will not work unless he can "boss the show," and is impatient and intolerant when opinions of others are not in strict accord with his own. The good that such an individual may accomplish by his zeal and activity is almost invariably offset by the harm he is doing at the same time.

The existence and rise of the Masonic tyrant are chiefly due to the passivity on the part of the brethren, who meekly bow their heads or stay away "for the sake of peace and harmony," instead of quietly, but firmly, squelching the man who would rule and govern Masons as if he were an absolute monarch.

THE BEGINNING

Samuel J. Balkin, 32°

45 Green Street,

Brookline, Massachusetts 02146

From the beginning of recorded history, we in Masonry draw our symbolism from antiquity. But the Fraternity itself, as a society of Speculative rather than operative Masons, is relatively modern. The organization of Freemasonry today stems from the establishment in 1717 of the Grand Lodge of England through the joint action of four English Lodges. Two more Grand Lodges were soon formed: Ireland in 1725 and Scotland in 1736.

These three Grand Lodges formed the base of the family tree to which all regular Masons today trace their fraternal lineage. Charters and dispensations were granted for Lodges elsewhere throughout the world and in this country the earliest definite record of a Lodge possessing a regular charter is that of St. John's Lodge in Boston, Massachusetts, chartered in 1733 by the Grand Lodge of England.

Some Lodges arrived in the Colonies with British regiments as early as the French and Indian War of 1755 and they, along with many others formed here, increased in numbers as the Revolution approached. Masonry took firm root in this country and Grand Lodges were soon established in each of the Thirteen Colonies. As our Nation grew, so did Masonry. Today, there are 50 Grand Jurisdictions in the United States embracing some two-thirds of the Freemason's in the world.

In Boston, Massachusetts, on July 30, 1733, Henry Price, a young man with a deep interest in Masonry, called 10 Masons together at the Bunch of Grapes Tavern where he read a commission obtained from Viscount Montague, Grand Master of the Grand Lodge of England, and organized his Provincial Grand Lodge, known thereafter as the St. John's Grand Lodge. He then conferred the degrees upon eight candidates after which they petitioned to be formed into a Lodge. This Lodge is still in existence and is known today as St. John's Lodge.

Study the lives of those who laid this foundation and gave so much of themselves to erect this spiritual pillar of civilization and you will see that they were men of implicit faith, hope, and charity.

It is Masonry's lessons that enable us to endure with an open mind many of the adversities of life. It teaches us to wait hopefully for the good to come. It implies a profoundly healthy outlook on the future of all mankind and leads us on to the basic intent, design, and purpose of Masonry. With it our most fruitful tasks and many of our most noble advancements are consummated.

Considering that there were only four Lodges in 1717, and contrasting them with the thousands of Lodges existing all over the world today, one is justified in saying that our Fraternity, the oldest in existence, has come a long way and grown tremendously. Our primary purpose and function, now as then, is to impart to our members an understanding of the truths which the ritual and its ceremonies teach, to develop our brethren as benevolent men, to cultivate the social virtues among us,

and to generate a general knowledge of the art and science of Masonry.

The world today is a better world to live in because of Masonry's many contributions to it. From the beginning it fought to make its contribution to society and civilization and it continues in this endeavor. Its materials are its many moral and spiritual values which are designed to stimulate, nurture, and develop man's finest qualities; to bring more Masonic Light; to create a closer harmony with all mankind; and to establish a better human understanding under the Fatherhood of God and the Brotherhood of Man.

GOVERNMENT BY THE PEOPLE

By Abraham Lincoln
You cannot strengthen the weak by weakening the strong.
You cannot help small men by tearing down big men.
You cannot help the poor by destroying the rich.
You cannot lift the wage earner by pulling down the wage payer.
You cannot keep out of trouble by spending more than your income.
You cannot further the brotherhood of man by inciting class hatreds.
You cannot establish security on borrowed money.
You cannot build character and courage by taking away a man's initiative and independence.
You cannot help men permanently by doing for them what they could and should do for themselves.

THE HIGHEST WISDOM Leo Tolstoy

The highest wisdom is established not on reason alone, not on those worldly sciences, physics, history, chemistry, and the like, on which intellectual knowledge stumbles. The highest wisdom has one science, the science of All, the universal science which explains all creation, and the place which man occupies in it. In order to absorb this science, it is absolutely essential to purify and renovate the inner man, and, therefore, before one can know it one must believe and accomplish perfection. And to attain this end, our souls must be filled with that Divine light which is called conscience.

Look with the eyes of your spirit at your inner man, and then ask yourself if you are content with your life.

Brethren, this being my last article as Master of Wayne Lodge, I wish to express my gratitude and thanks for having had the honor of serving you. It certainly has been an experience that I will long remember. I realize that I have made some decisions which have been somewhat controversial in nature, but I sincerely feel they were made in the best interest of our Order.

It is difficult for me to understand why so few members are willing to offer their time and talents for the service of this great Order. I think it's high time we take stock of this disturbing situation and pay heed to our obligations and to those sacred pages whose Great Light radiates for all to see. I'm afraid we're all living at such a stepped-up pace that we are losing sight of the spiritual, moral and social virtues which unites us into one sacred fraternity. With these facts in mind, we would all do well to lay down new designs upon our trestle boards of life, lest the lights of Masonry be dimmed further — for future ages to come.

Don't forget to attend the following:

Annual Stated meeting Dec. 1 (7:30).
MM Degree and dinner, Dec. 9 (5:00) (hold over from Nov.)
Table Lodge, Dec. 27 (6:00).
Installation of Officers Jan. 1 (3:00).

Wayne Lodge No. 25 extends its deepest sympathy to the families of our worthy departed Brethren Edward C. Knox and William H. Fisher Sr. who passed away last month. To the many brethren and their loved ones who are ill, we wish you one and all a very speedy recovery. We are proud to welcome Bro. Robert Haverstick as a new member and wish him many years of Masonic fellowship. Don't forget to mail your dues and your Masonic Home donation(s) as instructed by your Secretary. Wish you and your families a happy holiday season — may the coming year be a prosperous one for you.

Fraternal greetings, brothers,
With the arrival of December comes one of your lodge's most important events, the Annual Meeting and Election of Officers. I strongly urge that as many of you as possible

attend and participate in this meeting. The date is December 3rd. The time is 7:30.

If all of our candidates have gone through as planned, we should have five new Master Masons as this paper reaches you. This is a very fine class and I congratulate you new Summit City members.

We will have one candidate for the degrees in December if the lodge's vote is favorable. If elected he will receive his Entered Apprentice on December 10th and his Fellowcraft on December 17th, if proficient. The starting times will be 7:15 p.m. for both nights.

There will be no dinners during December, but we may have coffee and donuts after the F.C. degree on the 17th if arrangements can be made for the kitchen on that night.

This column will have a new author next month. It will be written by the new Worshipful Master who elect on December 3rd. I can only hope that his term of office will be as rewarding and gratifying as mine has been.

As my term of office draws to a close, I'd like to thank the brethren for the privilege of serving you for the past eight years. There are many I would single out for thanks, but in the interest of conserving space I will mention only one, Past Master Irv Almond who had the faith to appoint me to the officer line.

This has been a wonderful experience and my heart is full. May I wish each of you a wonderful holiday season and my best wishes for a fine new year. I pray that the coming year may see Peace across the world and a moral reawakening to the real values in life.

May the Grand Architect bless all of us and help us make our lives more meaningful.

Second Tuesday

The month of December has arrived signifying the ending of a year for one group of officers and the beginning of a year for another group. The election of officers for 1966 will be held on our stated meeting, Dec. 14th. We hope that you will attend this meeting to vote and to hear the annual reports of the various officers and committees.

Our Past Masters came forth with their usual good work on Nov. 2nd, on the second section of the Master Mason degree. Our candidate was George Perego and on this evening his stepfather, Ben Brothers, had the unusual experience of receiving his fifty year Grand Lodge Award as well as seeing his stepson raised to the sublime degree. The fifty year award was presented by Worshipful Brother Tom Franklin as representative of the Grand Lodge. Friends and relatives witnessed the fifty year award presentation to Ben as well as the Bible presentation to George. May both of you have many years

of service to the fraternity.

The play, "A Rose Upon the Alar" has again been under the able direction of Worshipful Brother Delbert Dennis and where presented has been well received. We have had some good audiences. The lodge is very grateful to Brother Dennis for his work with the play and to his co-chairmen, Laverne Amstutz and Sherman Senger as well as to all brethren who have taken a part. Three Rivers Lodge has become well known throughout this area from its many presentations of the play.

Again this year we have had an excellent educational program presented by our Masonic Education Committee, Worshipful Brothers Tom Franklin and Delbert Dennis and Brother Don Beuthin. Those who were present when these programs were presented have been enlightened on many things concerning the Fraternity and have been enthusiastic about this work. Many thanks to you brothers for this, an important part of Masonic work.

Worshipful Brother Kendall Frech may not have had to put out the "standing room only" sign on the night that he and the charter officers put on the second section of the MM degree but the lodge witnessed a larger attendance on that evening than it has seen at a regular meeting for some time. Some of our brethren who "come but seldom" thoroughly enjoyed themselves that evening. This would seem to call for a repeat performance at another date.

Our social events have been few but they were well attended. We owe a debt of gratitude to the ladies who so ably served our Master Mason dinners. They were Mrs. Bowser, Mrs. Disler, Mrs. Sills, Mrs. Garrison, and Mrs. Hitzeman. These dinners were a great success and much credit is due these ladies for their work.

Doubtless all Worshipful Masters approach the end of the year with mixed feelings but one feeling common to many of them is probably that of much gratitude for the help and support of the officers and Past Masters of the lodge. The year 1965 has been no exception to this and as the year approaches its end I can only say, "A thousand thanks for your help and support and for our association during the past year."

You have a fine group of officers coming up and the lodge is in good hands for 1966. I join with them in wishing all of you and your families a Merry Christmas and may the coming year be filled with happiness, good fortune and good health.

Greetings Brethren: By the time you have received this issue of the Square and Compass we will have

passed another year in Masonry as much as you will have elected new officers for the year 1966. To the new master and his officers my best wishes for a successful year.

The year 1965 has been an eventful and fruitful year. We celebrated our 10th year as Waynedale Number 739 F.&A.M. A worthy brother from out of state saw fit to offer our lodge two lots for a future building site, our Grand Master embarked upon a truly laudable program for the Masonic Home, one of the charity. One of the Declaration of Principles adopted by the Grand Lodge in 1939 was that Freemasonry is charitable in that it is not organized for profit and none of its income inures to the benefit of any individual, but all is devoted to the promotion of the welfare and happiness of mankind.

The month of December will be an active month. We will have degree work all month and will close the year by celebrating St. John the Evangelist Day by having a table lodge on December the 27th.

In closing I wish to convey many thanks to the officers, past masters and members for their cooperation this year. You all have helped to spread the cement which

tiplies and increases in value as the Day of Days draws near! The touch of human hand thrills us; we are not ashamed to be good . . . to be kind . . . to be loving. For this little pause out of the long, selfish year we are glad to be ourselves.

We give freely of our love and kindness; we offer our labor without price; we speak precious words that are rarer far than rubies. Once more we take courage and let our heart have its way, and life laughs and is glad.

When Christmas comes the world suddenly grows better, sin is less alluring, and Heaven is nearer. Perhaps, if we tried . . . who knows . . . we might carry with us throughout the year, the joy of Christmas.

On December 10th YOUR Shrine will have its regular stated meeting. We are pleased to announce that the Ceremonial will be given to a candidate. What better way is there to truly receive the message of this season of the year than to attend a ceremonial. Your Worthy High Priestess, Watchman of Shepherds, and all the officers will appreciate your presence at this meeting. We will also have a Christmas Party with a 50¢ gift exchange. See you there. We will only have the one meeting in December so do plan to attend.

A special word of thanks to Soj. Hazel Dehler for directing the silent auction at our Friends' night meeting on November 12th. We understand a nice amount was made for Shrine. Don't forget to order your Christmas cookies and candy from any of the Officers. Thanks also to Soj. Edna Liddle and those who attended the card party. We all had a good time.

Soj. Florence Nahrwald reports the following:

Sickness in Shrine: Soj. Neva Frushour, at home; Soj. Nellie Moore, at home; Soj. Lloyd Leas, bedfast; Soj. Fanny Fry, lung infection; Soj. Paul Fry, surgery on December 1st at the Whitley County Hospital; Soj. Helen Gorrell, flu; Soj. Belle Deardorf, at home.

In Families: Husband of Soj. Edith McComb, lung surgery; Brother of Soj. Nellie Moore, surgery.

To the sick, we wish a speedy recovery.

Your Worthy High Priestess and Watchman of Shepherds wish to extend to each member a most joyous Christmas Season and a prosperous New Year. See you in Shrine!

Someone said that "happiness" is a "friend". This has been proven to me through my experiences in Job's Daughters. I have met girls from bethels far and near and have become closer because of the ties of Job's Daughters. The really true happiness in my term has been in seeing more and more girls coming to the meetings, getting to know each other and participating in the choir! For this I want to thank each individual girl for all the help and co-operation shown to me in working out a lot of hopes and dreams.

So many people have helped me and given me the feeling that someone really cared. But especially, there are two people, who did so much for me that there aren't enough words to express my feeling of thanks. These people are my parents, Mr. and Mrs. Exner.

All of the projects I've dreamed of fulfilling have come true! A great deal of thanks go to the chairmen and mothers who formed the committees. One way I thought of thanking each one of the girls was by honoring them by listing the project on which she served. These are: Car Wash, Cathy and Toni Frederick, Becky

Roop, Bev and Judy Brandt, Karen Varner, Jane Witmer, and Mrs. Frederick; Roller Skating Party, Margaret Blecke, Bev Wykoff, Vicki Perrin, Karen Burlison, and Mrs. Blecke; Bake Sale, Linda Roop, Sue Keith, Sharon Farrar, Karen Burlison, Mrs. Frederick and Mrs. Farrar; Mother and Daughter Tea, Jane Blecke, Sandy Burlison, and Mrs. Burlison; Rummage Sale, Elizabeth Witmer, Sally Moore, and Mrs. Exner; Red Cross, Barb Quillen, Jane Witmer, Donna Smith, and Mrs. Smith; Cleaning Day, Susie Exner, Linda Roop, and Mrs. Exner; Point Keepers, Donna Smith and Vicki Crippen; Calling Committee, Mary Knott, Barb Brown, Ann Morris, Sue Horstmeier, Connie Coolman, Linda Keller, and Linda Johnson; Bethel Flag, Lucy Stubbs; Social Committee, Linda Barney and Mrs. Witmer; Sick Committee, Becky Roop; and Bethel News Reporter, Toni Frederick. I want to thank all of the girls, mothers, and others who participated and worked on the projects.

The council has always been ready to help — from cleaning cars to washing dishes! Mrs. White, Guardian and Mr. Crippen, Associate Guardian are our source of information and reassurance in all of our endeavors and thus I thank them for all their help. Mrs. Witmer, Social Chairman, has made everyone of my after meeting treats very exciting. She decorates, creates and has worked so hard for me that I don't know what I could have done without her ideas. Our hospitality committee consists of Mrs. Farrar and Mrs. Perrin, who checks the cards and welcomes you to the meetings. I also say thank you for all your work. I want to say a great big "thank you" to all of the council members for their co-operation!

Many were the times when I wanted in to a room, to use a telephone or to be taken on the elevator from one floor to another. Always there was someone to assist me with a smile and a willing heart. The men I'm thinking of are Homer, Mr. Leiter, Mr. Fuchshuber and Mr. Smith. A very huge thanks goes to the Masonic bodies of the Temple, to which we are indebted for our Bethel meeting place.

All the people who have been mentioned or not in any way, large or small, have a place in my heart and will be remembered forever, for all the work done for the improvement of Job's Daughters.

The biggest thrill of my term was when the girls worked at 2 Car Washes to raise enough money to support a foster child. Efstathios Provatidis, is a 5 year old Greek boy. I know if this plan is continued, Stathios will learn more about us and will love us as we love him now.

For Thanksgiving the girls made up a basket full of canned goods, fruits, and meats for a needy family. The girls had an unforgettable experience in doing for others when they took the food to the family.

December, which is my last month, will be a lot of fun. The first meeting was Initiation and 15 new members were taken in. After the meeting there was a reception for the new members and Candi Clevenger, G.B. Representative to Nevada; Carol Weesner, G.B. Regional Chairman for Area No. 8; Mrs. White, a member of the Credential Committee for G.B.; Mrs. Morton, Grand Instructor.

The second meeting is the Retire-

ment of officers and a Christmas party for everyone. I hope to see a large crowd in attendance, as have been at all other meetings. At my last meeting the winners of the dolls will be announced. Do you know who will win, have you looked lately? — It might be you!

There are plans being made for the annual DeMolay and Job's Daughters Dance. To be held on Dec. 30 at the Scottish Rite. Star making plans to attend, so we can have a nice turn out from Bethel No. 8.

Mrs. Blecke would like to know the present address or any information about the following girls: Mary Val Crouse, Carol Jean Gaem, Barbara Ann Moore, Margaret Ellen Ray, Marilyn Brenda Fowler, and Marilyn Brown.

When ending my term as Honored Queen, I look back and think whether or not my motto of "To Serve-N-Te Be Served" has come through all of the things we have done. It lighted the way for me and I hope it was bright enough for each of you girls. If you don't remember anything else try to remember to be of service to others!

This is the season for kindling the fires of hospitality in the home, and the fire of charity in your heart.

Sister Betty Surfus, Deputy of District 14, made her visit to Chapter October 26th, and congratulated Worthy Matron Nama Bair and her Officers on their Ritualistic work. She also told how much being a member of the Eastern Star means to her.

November 9th was Friends Night. W.M. Nama was very happy to see so many friends and members present. Seventeen Guest Officers were from our District and three from District 21.

We were fortunate to have as guests. Sister Juanita Bush, Jr., Past Grand Matron, District of Columbia, and her husband Bro. M. Bush, Grand Representative to the State of Indiana in the District of Columbia, Grand Chapter. Appropriately transposed numbers were sung to them by the Choir, as well as to Sister Sonoma Woodruff, Member of Knights Templar Eye Foundation Committee of General Grand Chapter, and P.G.M. of Indiana, as they were escorted to the East by Sister Adella Davison.

We can be very proud of our Drill Team for their precision Drill on Friends Night. We know this must take a lot of practice on their part.

Sister Nama reported on the trip she and other Chapter members made to the Franklin Home.

Following Chapter everyone was invited to the Mezzanine; forty delicious salads were furnished by the Social Committee and members.

Past Matrons and Patrons of Fort Wayne Chapter were escorted into the Temple dining-room at 6:30 on November 4 and were seated at a large four square table. In one corner of the square was a castle with a pumpkin coach at its entrance.

Centerpieces for the table were small pumpkins carved into coaches filled with fall flowers and pulled by miniature animals. A delicious dinner was served our guests and members. Decorative candles in Star colors added light to the tables and mouse tape-measures at each sister's place helped to carry out the Cinderella theme.

In the Chapter room the East was decorated with a clock set at midnight, a pumpkin coach, and a fairy godmother representing the Past Matrons who so often act in the capacity of a fairy godmother to the presiding Matron.

Clayton Herrick, Worthy Grand Patron, was escorted to the East through an escort of Past Matrons and Patrons holding carousel horses. The choir greeted him with "Hey, Look Him Over."

We were also honored to have in the East Sonoma Woodruff, Committee Member of the Knight's Templar Eye Foundation of General Grand

Chapter and Past Grand Matron; and Juanita Bush, Junior Past Grand Matron of Grand Chapter of the District of Columbia.

Our Worthy Matron's fraternal Mom and Pop could not be present. We extend to Tessie Wise a bon voyage as she tours the Mediterranean and we wish a happy warm winter to George and Gwendola Hadley in their new home in Florida. Hope Dumford and Ed Woodridge, Past Matron and Patron, were honored at this meeting because our Worthy Matron served as their Ruth pilot in 1952-53. The Worthy Matron was presented an orchid corsage by the Past Matrons.

Other distinguished guests were Del Proctor, Grand Chapter Committee Appointee; Vera Hayden and Tama Christopher, Grand Representatives; Helen Herrick, wife of the Worthy Grand Patron; Melvin Bush, Grand Representative to the State of Indiana from District of Columbia Grand Chapter and husband of Sister Juanita. Distinguished Masons present were Art Rodemeyer, William Schwartz, and Orvis Dellinger, 33° Masons and Past Patrons of our Chapter.

Forty-two Past Matrons and Patrons were escorted to the West, introduced, and greeted. The Choir sang "A Wish Is A Dream Your Heart Makes."

The Choir presented a delightfully entertaining modern story of Cinderella with Jean Brown as Cinderella; Jo Ceell as the stepmother; Louise Caldwell and Jerry Cook as the unmarried stepdaughters; Dorn Walker as the Prince; and Russell and Gladys Jeffries as the Cinderella and Prince who danced while Cinderella dreamed.

Before the meeting was adjourned, our Worthy Grand Patron was crowned Prince Clayton and told that a slipper had been found on the steps of the castle in the ball room and he must find "Cinderella" among the Past Matrons. After a search Helen Helms was found to fit the slipper and our Prince and Cinderella were escorted to thrones and reigned over the Ball.

Thirty-one of our members traveled to the Masonic Home on November 7 to attend the Nettie Ransford Memorial Service and visit our members in the home and hospital.

November 18 was our Thanksgiving meeting. In the East were "The Praying Hands," and Helen Howard told us the lovely story of these hands. Our choir sang "America, The Beautiful." Selma Cezmas, Evelyn Kissinger, Katherine Byrd, John Overby, Walter Parrott, and Marion Baney became members of our Chapter.

To all Shiloh members, we can say nothing new, But the same happy wish to all of you: "A very Merry Christmas and may the New Year bless all of you."

Your Worthy Matron and Patron.

A large crowd was present at Shiloh's Friends Night on November 11th, in the chapter room. Of course it wouldn't be Friends Night without Sister Sonoma being escorted to the East and given grand honors. Sister Dora Bundy was escorted to the altar where she was awarded her 50 year pin by sister Sonoma. Each of the presiding officers introduced their friend for the evening and presented her a gift from the worthy matron. Betty Eacert entertained the group with some songs that each could re-

member from a few years back on the accordion, in the most unique manner. After chapter, the members and guests gathered in the dining room for the most delicious refreshment and friendship hour.

The worthy matron reported that there would be initiation on December the 9th.

The Social Committees and the Ways and Means Committees will have their Christmas party in the dining room of the Masonic Temple on December 6th at 6:30 p.m. There will be a fifty cent gift exchange.

The days of Fall are just about over and the Winter season upon us. With the coming of Winter we think of Christmas and the time for giving of gifts and good cheer and the greeting of old friends and new.

Let us remember the story of the Birth of the Christ Child. Remember the significance of His life and its meaning to us.

Take some tinsel, shiny balls, Angels, — two or three, Hang them on a shapely spruce,— That's a Christmas tree!

Take some generous, loving thoughts,

Sing so all may hear it,
Wreath your door, rejoice in heart,—
That's the Christmas spirit!

A Christmas Program has been planned by your Worthy Matron at the Dec. 17th meeting.

The Ways and Means committee have been working very hard and have added Peanut Brittle, cook books, note cards, stationery, scissors, and Christmas wrapping paper.

CHRISTMAS LIST

What do we want for Christmas,
What do we want indeed—
We're well supplied with comforts,
There's little what we need.

What are we more desiring
As carols flood the air,
What do we want for Christmas
To keep our souls from care?
A little understanding,
Some love and friendship, too,
Some kindly words to help us
In everything we do.

These lastings gifts of beauty
We'd choose above the rest,
And ALL we need for Christmas
To make us rich and blessed.

Calendar for the month:
December 1st, Stated Meeting.

9th, Ways and Means Committee Christmas Party, Four Winds Motel 6:30 p.m. \$1.00 gift exchange.
13th, Cheer Committee Christmas Party 6:30 p.m. Shrine Club \$1.00 gift exchange.

15th, Court Meeting, Christmas Party.

21st, Past Matrons' Christmas Party Gerber Haus, 6:30 p.m. \$1.00 gift exchange.

H.L. Edith Paul, Chairman of the Cheer Committee reports the following:

Illness in Court: H.L. Mary Ellen Sible, Lutheran Hospital; H.L. Frances Adams, Parkview Hospital; H.L. Dorothea DeForest, released from hospital, home after falling.

Illness in Families: Husband of H.L. Nellie Stripe; Sister of H.L. Grace Colby recovering from ear surgery; Sister of Loretta Rippe; Brother of S.K. Robert Chevalier in Indianapolis hospital for removal of lung.

To those who are ill we wish a very speedy recovery.

The following poem was read by the Chairman of the Cheer Committee at its last meeting and the Royal Matron would like to share it with you:

"Finding fault is like a weed,
That comes up easy, and goes to seed,
Without producing anything good,
But chokes out other things that would."

Your Royal Matron and Royal Patron wish for each of you a blessed Christmas and a joyous New Year. Hope to see you in Court.

To all the members who failed to attend our last meeting, you surely missed a good program and skit put on by your Royal Matron, H.L. Mabel Travis and your Treasurer H.L. Geraldine Boldt, Grand Associate Conductress.

We enjoyed the southern hospitality and banjo playing which were given for the benefit of all Master Masons who were present. We were pleasantly surprised by the presence of Deputy Supreme Royal Matron, H.L. Fanchon Eschenbaugh and her husband, our Deputy Grand Royal Patron, S.K. Leon Eschenbaugh from South Bend Court No. eleven.

Our rummage Sale and fish fry were both a success and we wish to thank all who had a hand in the work. The Officers will have their Christmas Party at the home of H.L. Margaret Hall on December 1st at her home on U.S. 30 bypass west.

At our regular meeting on Dec. 8th., Truth Court will serve a fish dinner from 4 p.m. till 7 p.m. for the nominal price of one dollar and the public is invited to participate. We wish all a Merry Christmas with loving remembrances from relatives and friends and a New Year filled with great promise and remuneration.

A cordial greeting at this time of year,

Extending our Love, Friendship and Cheer; 'Tis with the greatest admiration and esteem We wish you a Christmas beyond all your dreams. We strive each year to try to do better, Calling on the sick and writing letters; Sometimes we succeed and sometimes we fail, But just the same they welcome the mail.

May the Spirit of Christmas remain in your hearts From the time we arrive until time to depart;

Companions. Another month has passed by — and this is it — My report in this column. As has been said so often before, we had hoped for greater achievements and more results than we have accomplished, however I am truly grateful and thank the officers and members for their loyalty and efforts in what has been done. I also appreciate and thank the chapter for the privilege and honor of going through the year.

The next meeting — Thursday, December 16th — will be our annual meeting, when your officers for the next year will be elected. Please come to the dinner at 6:15 and to the meeting, and help elect them, and give them a boost to start their year. They will appreciate your being there.

At this writing we are preparing for our old degree day which will be history by the time you read this, but I want to say a big thank you to all who take part, as well as to who will be present, on this big day. Also we certainly have enjoyed the delicious dinners prepared throughout

the year, by companions Plank and Marshall — and the ladies. Thanks very much. To the new officers A Happy successful year and good health, a joyful holiday season and a prosperous year to all.

I can hardly believe that I will be serving the Fort Wayne Chapter Order of DeMolay as Master Councilor for only one more month.

On November 3rd our annual DeMolay Family Potluck was held at the Masonic Temple. Although the attendance was a little smaller than I had expected, I'm sure those who came had a very enjoyable evening thanks to Magician Dick Stoner.

Although my term will end in one month, this last month is filled with many events.

On December 8th we will elect our new Master, Senior, and Junior Councilors. Everyone is urged to attend this very important meeting in order to show the new Master Councilor that we are behind him. These officers will be duly installed at our first meeting in January. Also at this meeting we will elect the 1966 Chapter Sweetheart who will represent us at Conclave. I'm sure these events will attract many members to this meeting.

As I have said in my last few issues, on December 11 our Saturday Initiatory and DeMolay degrees will be given at 1 p.m. in honor of Dad Emery Tucker. I have repeated this so many times because I feel it to be this important. Petitions may still be turned in to me. Everyone is urged to attend these Saturday ceremonies.

Eleven is the next magic number; for, if you add this to eleven, you come up with twenty-two, which happens to be the date for the DeMolay Awards Night and Representative DeMolay Award Night. This night is set aside so that members who serve DeMolay may be appropriately and publicly recognized. All members are asked to have their awards booklet handed in by December 8th.

My last official event as Master Councilor will be our Annual Christmas Dance, which will be held on December 30 at the Scottish Rite from 8:30 p.m. to 11:30 p.m. At

this dance I will have the honor of crowning the 1966 Chapter Sweetheart. Committees have been set up and plans are well underway. There is no charge for this dance; all DeMolays and Job's Daughters will be admitted on their current dues cards. Don't miss this big event.

The Mother's Circle will hold their next meeting on December 6th at the West Creighton Church. This is the annual Christmas Dinner and no mother should miss this event. The dinner will begin at 6:30 p.m. The program will include Christmas Carols and the Christmas Story by Mrs. Herdis Helmut. All mothers are urged to attend.

LIVING WITH HONOR

Every man is the trustee of the life entrusted to him. How he discharges this personal trust is his test. God gives him a free hand; otherwise there would be no test. Many of us go through life without ever realizing that we are undergoing such a test, without recognizing our responsibility, our opportunity.

Dr. Albert Schweitzer urges us to show more reverence for animal life. We ought to show more reverence for human life — ours. Life is the most precious thing with which man has been endowed. Nothing else in the world is so important to us. We ought to prize it more, to do more with it.

Through the way we live our lives we can make a contribution to mankind's eternal progress. It may not be spectacular but it counts. The efforts we make to live more purposefully, more nobly, entitle us to feel that in some measure at least we are discharging honorably the responsibility entrusted to us.

The Little Gazette

WHAT'S YOUR HURRY?

If you go in for mottoes you might do worse than to adopt for your personal motto that famous line from Tallyrand: "And, above all, not too much zeal!" We Americans not only are living at too fast a clip, we are going at it too hard. We drive ourselves toward goals that, relatively, are unimportant. We take on more responsibility than we should. We allow our greed for achievement to absorb us. And what, in the long run, does it get us?

All too often, there is no loog run. We fall, panting, before the race is finished — leaving saddened

people in the grandstand. Or, we cross the tape marked "retirement" still keyed up — frustrated because we have to stop running, miserable because we no longer hear the applause which has come to mean so much to us.

Wouldn't we last longer, wouldn't we live more intelligently while we are here, if we paid a bit more attention to Tallyrand's admonition?

The hour glass is an emblem of human life. Behold! how swiftly the sand runs and how rapidly our lives are drawing to a close. We cannot without astonishment behold the little particles which are contained in this instrument, how they pass away almost imperceptibly, and yet, to our surprise, in a short space of an hour they are all exhausted, thus goes the year 1965. This has been an extremely fruitful and rewarding year, one that I shall never forget. During my year as Worshipful Master, I have had the pleasure of making many new friends and renewing old acquaintances. This has been most gratifying to me.

I want to thank all the Brethren of the lodge for helping to make my year a pleasant one. In particular I want to thank my officers for the splendid cooperation they have given me throughout the year. You have given generously of your time and talent, and by so doing you have contributed much to Masonry.

To the new Worshipful Master elect I offer my congratulations to you and your fine officers. I know you will have a good year. Good luck and best wishes.

Our pancake and sausage supper which was held on Saturday, November 6th in the Jack Brinker American Legion Post 409 was very well attended and successful. This was a joint project with Leo Charter No. 273 O.E.S. Serving was done by Jobs Daughters Bethel No. 129. I want to thank each and everyone who worked on this worthy project.

It has been a pleasure to work and plan with you. We are all working for a Common goal—a new Temple. We will celebrate the anniversary of St. John the Evangelist on December 27, 1965 at 6:30 p.m. with a Table Lodge on the E.A. Degree. The Box of Fraternal Assistance will be passed. This is one of the

greatest privileges you will have as a Mason this year and I hope you will be present and participate in this ceremony. Note your calendar for this important event.

Christmas is a time to remind ourselves that the great need of mankind is love, understanding and compassion. These are not material things that can be manufactured, bought, consumed or sold. These are manifestations of the soul, that spiritual part of the human being involved with God. With your thoughts on giving—the best gift that you can give is something of yourself. Find out what is going on in the minds and hearts of other people. The concern that you cast upon the waters will return to enrich your life.

Brethren remember the twenty-four inch gauge and how you were taught to make use of it? How are you dividing your time? There are many lonely, worried and frustrated people in the world today that need help. Perhaps there is such a person living close to you. Are we groping in the darkness seeking happiness in the wrong places? One great American patriot said "Too many people are thinking of security instead of opportunity. They are more afraid of life than death."

Let's rededicate ourselves in Faith, Hope and Masonic Charity. Keep in mind the Grand Masters Ten for Ten program and support it by equal sacrificing and not necessarily equal giving. Some can contribute much more than others. It is gratifying to know that many have already started to support this great humanitarian project. We have been on the Honor Roll for the Indiana Masonic Home for several years. Let's maintain this fine record.

Now in closing please read Proverbs 21:1-3.

I see that time of the month is here again to bring you up on the

news of the Lodge and what is on the calendar for next month.

Our Lodge of Inspection was well attended and I have received a letter from Grand Lodge on a job well done.

We had two of our Brothers pass on to their Eternal Reward in October. Brother George P. Porsch died in Florida on Oct. 4, 1965. A lodge in Florida held memorial services for us at his family's request. Brother John E. Griffin passed to his Reward on Oct. 18, 1965. He was 94 and one of our Award of Gold members. We held memorial services for him at the Sonday and Sheets Funeral Home in Churubusco. To these two Brothers families and friends we wish to express our deepest sympathy. We will miss these Brothers.

The Huntertown Eastern Star Chapter was host to the 14th District meeting on Saturday, Nov. 13th. We had a fine dinner and meeting and also enjoyed some very excellent entertainment.

Our Dec. 2nd stated meeting is our annual oyster supper and election of officers. Bro. Robert Miller P.M. as an ambassador from Grand Lodge will show slides and explain the Grand Masters 10 for 10 program. So please try to attend this important meeting.

In closing, just a reminder to put on your calendar, Dec. 27th. On this evening will be our St. John Table Lodge. Supper will be served at 6:30 p.m. So make your plans to attend now.

See you in lodge.

Season's Greetings to all the brethren. May you and your families have a "Happy Holiday Season."

Our past year was not too fruitful with regard to degree work and other matters were not as you would plan for a successful year as the Master. In spite of this, my year as Master of New Haven Lodge has been a pleasure and above all a privilege. This year has had "high-lights" and the shiniest portion of these lights were my line of officers. They have pitched in and helped when needed, whether asked or not. They also claim a commendable attendance record at all our meetings. My heartfelt thanks to my faithful and deserving officers.

We have reached a "mile stone" in New Haven Lodge. A proclamation has been forwarded to the Grand Secretary's office for his verification of the records. Upon his approval, Brother Ersel Walley will be presented his Award of Gold. Congratulations Brother Walley on your 50 years of being a Mason.

By press time, Brothers John Miller and Wayne Rothgeb should be well on the way toward recovery from their recent hospital stay.

Wednesday, December 1st will be our annual stated meeting.

Mark your calendar, December 27, 6:00 p.m. Our lodge will hold its annual Table Lodge in celebration of the Feast of St. John. This has always been an enjoyable evening with good food and an inspiring

message. Plan to attend. It is with some sadness I end my writing this column. I've enjoyed being able to bring some of the New Haven Lodge into the homes of those unable to attend. Good-bye from this column and I hope to see you in lodge soon.

Brethren, It seems only a very short time ago that we were looking ahead to 1965, and already most of the year is behind us. Time and tides wait for no man, nor, so it appears, do the years. So let us all look forward to another year in the fraternal brotherhood of Masonry.

Masonry has a great deal in common with the church and among the many points in common is that of maintaining a high rate of attendance. I know that I speak for all the lodge officers in saying that we are most anxious to increase the number of brethren who attend. As a reminder, stated meetings are on the second Thursday of each month.

Olive Branch Lodge has progressed very capably through the year 1965 under the able leadership of our Worshipful Master, Clarence Lybarger. He has been dedicated to the activities of the lodge as well as to the precept that all of us who are members of Olive Branch are important and necessary if we are to continue with any great measure of success. As you will have heard, preliminary discussions have been held on the need for, and the possibility of constructing a new lodge building. The trustees have been asked to make a recommendation as to suitable building sites.

As we close the year 1965, it may be well to review the more important events that occurred.

Public installation of officers was held on January 2, 1965. The ritual was very ably put on by an installation team from Three Rivers Lodge. There will also be a public installation of 1966 officers on January 4, 1966. Why not make a note of that date and be sure to attend.

On May 13, 1965, members of Olive Branch observed the traditional feast of St. John the Baptist by attending divine services at Poe Methodist Church.

In June, the Master Mason's Degree was conferred on Brother Toby Kinerk, son of Brother Homer Kinerk.

Past Master's night was held on October 14, 1965. This was a highly successful occasion and included a chicken dinner before the meeting, as well as a timely and interesting talk by Brother Edward H. Purcell, of the Lodge of Perfection, Ancient, Accepted Scottish Rite, Valley of

Fort Wayne. During the year a committee appointed by our Worshipful Master has rewritten the by-laws of Olive Branch Lodge which were found to be sadly out of date. Recommendation made by the committee has been approved by vote. The revised by-laws will be printed and distributed to all members. Special thanks are due to chairman Mervel Smith and the committee for a job well done.

We recall also with deep regret that 1965 is the year in which Grand Master of the Universe will fit to call two long-term members of Olive Branch to the Immortal lodge above: Brothers Jesse Ake and Walter Summers.

During October 1966, we will have the pleasure of celebrating fifty years in Masonry for Brother John Mahon. Brother John was Junior Warden in 1920 and Senior Warden in 1922.

As we prepare for the month ahead we are planning that the new year will be an active one. You can count on a special feature during or following each of the stated meetings. Whatever the program it will be followed up with a social hour, and something tasty in the line of coffee and —

Please remember that dues are payable during December, or before. Prompt payment is of great assistance to the lodge. Let's also continue to have 100% participation in voluntary donations of \$1.00 or more to the Indiana Masonic Home for operating expense. This is an accomplishment we can all be proud of.

By now you will all have heard of the 10 for 10 program announced by Most Worshipful Brother Don Burton of the Grand Lodge of Indiana. Ten cents a week for ten years, to staff the new hospital wing at the Masonic Home. What better way to live one of the finest principles of Masonry than contributing for the benefit of Masons needing assistance?

Fraternally submitted for the officers and brethren of Olive Branch Lodge.

Bob Mix, Senior Warden
